

Older Man 351

Chapter 351 Missing Surveillance Footage

Sister Xia looked at the surveillance camera for a long time, but there was nothing useful to prove the situation.

She was a little angry and said, "Where's the director of the program team? Tell him to come over!"

Director Zheng ran over dejectedly and asked, "What's wrong, Sister Xia?"

He had heard of sister Xia before.

She was recognized as an ace manager in the entertainment industry. There were at least 40 artistes who were famous and popular.

Therefore, her status was definitely higher than his. It was better for him to lower himself a little.

"What's wrong with your surveillance footage?" Sister Xia pointed at the computer. "Why is there no surveillance footage at that time?"

Director Zheng smiled carefully and said, "Sister Xia, there's nothing I can do. You asked me why there was no surveillance footage at that time. This... I don't know."

"You don't know?!" Sister Xia said, "You really don't know? I think you're pretending not to know, right?"

"No, no... it's really not..." Director Zheng was still trying to deny it.

Nonsense! He had personally cut out this surveillance footage. How could he not know? Li Lu was the sister of the movie queen, and she had given him money. How could he not do as he was told?

When Jiang Yu heard sister Xia and director Zheng's conversation, she frowned and said, "Is there really no way to transfer it back?" Director Zheng said, "There's really no way. This surveillance camera was under maintenance at that time, so it wasn't recorded."

He didn't know whether Jiang Yu would believe him or not.

However, when Li Lu found him yesterday, she had given him a sum of money to cut out the content of the surveillance camera.

She did not tell her how she would explain it if Jiang Yu found her.

"...Forget it." Jiang Yu stood up and said, "Sister Xia, please help me copy this footage into the USB drive. I'll take it back and take a closer look."

Sister Xia said, "Okay."

She copied all the footage into the USB drive and handed it to Jiang Yu.

"Here."

"Thank you, Sis Xia." Jiang Yu took the USB flash drive and thanked her.

Director Zheng thought that Jiang Yu was still trying to find some clues from the surveillance footage, but he was very sure that he had already deleted all the content regarding Jiang Yu falling and He Zhen helping her up. And just in case, he had even specially deleted the first and second parts of the footage.

No matter how Jiang Yu looked at it, the content that she had seen at the scene today could not be found any more.

Director Zheng heaved a sigh of relief. As long as they did not continue to stand there, it would be fine.

Seriously, one by one, they were like powerful figures. They did not think much of themselves, but the people watching were very afraid.

However, director Zheng did not know that Jiang Yu had copied back the surveillance content not to look for clues. Instead, she intended to use her hacking skills to repair the missing piece of blank content.

This was definitely not what director Zheng had said. The surveillance camera was not in a state of repair at that time.

There was definitely something behind this.

However, director Zheng didn't want to say it out loud. Whether he was coerced or paid to do something, that was unknown.

However, Jiang Yu was more inclined towards the latter.

On the way back, Sister Xia was also very curious as to why Jiang Yu wanted to copy back the content.

Jiang Yu said, "Sister Xia, it can't be what director Zheng said. There must be something else going on here. He's hiding it from us. I'll bring this back and think of a way to restore the content."

"That's good too." Sister Xia felt a little relieved

Chapter 352 Punishment Method

Soon, the recording of the new episode of "Aces vs Aces" would begin. This time, besides the four permanent guests, there were four other guests.

They were Tang Hui, Fang Yao, Zhu Xiang, and Xia Yuan.

Among them, only Fang Yao was the male guest, and the other three were female guests.

"Am I falling into a tender land?" Fang Yao joked. "I feel very happy!"

"Hahaha!" The other female guests could not help but laugh.

Zhang Xiao also said, "I think we are the two of us who are very happy!"

"Hahaha!" The laughter in the studio grew louder.

When the recording began, the host had already agreed on the punishment.

"Because there are more female guests today, our punishment will be a little more severe! How about we remove a layer of makeup every time we lose a game?"

“Aiya, this game is way too big!” Tang Hui exclaimed, “Aiya, I specially dressed up for today!”

Zhu Xiang said, “Me too.”

Xia Yuan was not worried, because she was dressed like a boy. When she heard that she was coming to record a variety show today, she simply washed her hair and wore a relatively spirited sportswear.

As for the makeup and whatnot, Xia Yuan didn’t have any at home.

Li Lu and Jiang Yu also said, “Yeah, I did put in a lot of effort today.”

When they said that, they kept looking at Jiang Yu.

Li Lu said, “Jiang Yu, you should have put in a lot of effort today, right?”

Jiang Yu didn’t know what kind of effort she put in in her heart.

She had only put on a simple layer of makeup, a thin layer of mascara, and a lipstick that was about the same color as her lips.

However, Li Lu asked. Jiang Yu couldn’t be bothered to say “No,” so she nodded and said, “Okay.”

“Aiya, we can’t lose!” Li Lu pretended to be exaggerating and said, “If we lose, how embarrassing would it be if we remove our makeup on the spot!”

However, she said so. In fact, she knew that she wouldn’t lose today’s game.

He Zhen said, “But we also have male artistes. How can I accept the punishment if I don’t put on makeup?” “Hiss...” Yuan Mei was indeed stumped by this question.

Indeed, she knew that there were many female guests today, so she thought of such a way to punish Jiang Yu after she lost the game.

However, she forgot that there were three male artistes and Xia Yuan who looked like a male artiste on the stage.

“This...” Yuan Mei thought for a long time and said, “Why don’t we leave the male artistes’ punishment to the audience who are watching the live broadcast?”

The audience who were watching the live broadcast expressed one after another, “Huh?” There was such a good thing?

Someone directly said, “If the male artistes lose, they can directly take off their clothes and show off their abdominal muscles!” “Hey, hey! Your little fetish is completely exposed!”

There were also people who were talking about serious punishments. “Why don’t we let them do 30 push-ups if they lose?”

“Wow! 30 push-ups! You’re too ruthless!” “To be honest, I’m already exhausted from doing 15 push-ups as a male. You’re asking for 30 push-ups now? That’s amazing.” However, there was no other serious punishment other than this, so the program team adopted this punishment.

However, they reduced the number of push-ups to 15, directly reducing it by half.

“15? Isn’t that a little low?” Tang Hui muttered.

“It’s not a little low,” Fang Yao said quickly.

He was a sports loser, so he couldn’t do push-ups at all!

Originally, he was planning to withdraw when he heard 30 push ups. However, the program team changed it to 15, so he decided to stay. He couldn’t let Tang Hui Ruin things with her mouth!

Chapter 353 Loudspeaker

“Ordinary sports students can even do 300 much less 30,” Tang Hui said.

“I’m not a sports student,” Fang Yao said unhappily.

“I didn’t say that you’re a sports student,” Tang Hui said disdainfully.

Afraid that the two of them would start a conflict on the show if they continued, Zhang Xiao hurriedly said, “Alright. Next, let’s see which team the four guests are willing to join.” Tang Hui knew that Li Lu was Li Yue’s sister and wanted to build a good relationship with her, so she said, “I want to join presenter Zhang’s team.”

Zhu Xiang and Tang Hui usually had a good relationship. When she saw Tang Hui join Zhang Xiao’s team, she also said, “Then I’ll join presenter Zhang’s team too.”

If that was the case, only Fang Yao and Xia Yuan would be left. They could only join Yuan Mei’s team.

Fang Yao and Tang Hui had just gotten into a bit of a fight, so naturally, he didn’t want to be on the same team as her. Therefore, he was willing to join Yuan Mei’s team.

Xia Yuan didn’t mind. Besides, she usually worked out, so she could accept either the makeup removal punishment for the female guest or the push-up punishment for the male guest.

“Okay, let’s group up like this,” Yuan Mei said. She had specially used foundation fluid that she was usually reluctant to use. Normal makeup removal fluid could not remove it, so she had to use a special makeup removal oil.

n

“Alright. Let’s start with the first game,” Zhang Xiao said. “Sound transmitter.”

This game consisted of five people sitting in a row. Apart from the first person, the other three people wore earphones and listened to music.

The reason why there were four people participating in the game was that the host had a script and knew the question, so he could not participate.

The first person repeated the question to the second person, and then the second person repeated it back, and so on.

During the process, no one was allowed to take off the headphones.

The first round of the game was first participated by the “Little Hamster Group.”

The title was a poem — “The Moon is born on the sea”.

The first person was Li Lu, and the second person was Tang Hui.

“The Moon is born on the sea”. Li Lu tried her best to make her mouth look like she was reading this poem.

However, the sound in Tang Hui’s earphones was too loud, and she couldn’t understand the shape of Li Lu’s mouth. Therefore, this poem started to drift from Tang Hui. “What? Is it Ace? How many words!” Tang Hui shouted anxiously. Li Lu made a “Five” gesture and repeated, “A bright moon is born on the sea!”

Tang Hui still couldn’t understand it. “What? Ace what? Moon? Moon?”

Li Lu wanted to repeat it again, but the time had already ended.

Tang Hui sent a message to Zhu Xiang with a dumbfounded look. “Five words. Ace, what other Moon?”

Zhu Xiang looked at it with a confused look on her face. She only understood what Tang Hui said. “Five words.”

“Five words, right?” Zhu Xiang confirmed. Tang Hui quickly nodded. “Yes, yes, yes! Then what Ace? What other moon?”

Zhu Xiang narrowed her eyes and very carefully found useful clues from Tang Hui’s mouth.

But in the end, she could not guess what it was. She could only vaguely see the shape of Tang Hui’s mouth, as if she was saying something about the moon.

She remembered that before the game started, the program team had given a little hint, saying that there would be a poem.

Since it was a poem, it could not be a colloquial word like “Moon”, but something else, something poetic.

There were also some poetic words related to the moon, so other than the moon, there would be a bright moon.

So was it the Moon or the bright moon?

Zhu Xiang really did not understand.

She could only pass on her guess to Jiang Ran.

Chapter 354 Correct Answer

Zhu Xiang turned to Jiang Ran and said, “Five words. Moonlight, Bright Moon, Seaweed.”

Jiang Ran knew this topic, so she was not worried that she would not be able to guess it.

But wasn’t this passed down in an absurd way?

According to this situation, if she guessed it, it would make people feel that something was wrong, right?

But she had to guess the correct answer. Because she didn't know how much Jiang Yu could guess, in order to be sure, she had to guess the correct answer completely.

Below the stage, Fang Yao gloated and said, "Where did the original topic go? It's impossible to guess it."

He Zhen also felt that he couldn't guess it and said, "That's right. It's already so far away. It's impossible to guess it."

Jiang Yu did not feel that she could not guess it.

From the questions that the program team had come up with last time, not only were the questions difficult to guess, even Yuan Mei, who was in charge of acting, was a mess. As a result, she could not even guess a few words.

On the other hand, the questions were also very difficult. Even though Zhang Xiao's performance was very sloppy. Jiang Ran could guess the words at once.

At that time, Jiang Yu knew that there must be a problem.

In addition, she had a scandal with He Zhen. She had come to investigate, but only the surveillance footage had been lost. When these few points were added together, Jiang Yu knew that Jiang Ran and Li Lu must have said something to the program team or paid a few of the staff members. That was why these things had happened.

On the stage, Jiang Ran tried hard to bring Zhu Xiang to the correct poem and said, "Five words, right? Then what is it? Is it the bright moon?"

Zhu Xiang nodded and said, "Five words. It might be the bright moon."

This poem was spread in bits and pieces, and Li Lu, who was sitting in the first seat, was fuming with anger.

Although she also knew that Jiang Ran knew the correct answer, it had been changed so much, so how could she guess it? If she could guess it, wouldn't it be obvious that there was a problem?

Jiang Ran was still working hard and said, "Mingyue, then what? Sea?"

Zhu Xiang did not know what it was, so she could only follow Jiang Ran's words and nod. "Yes, yes, yes, yes."

Fortunately, Zhu Xiang followed her words and nodded. This time, Jiang Ran had a chance to guess the correct answer.

When the time was up, Yuan Mei said, "Okay, please tell me the correct answer, Jiang Ran."

Jiang Ran pretended to be thinking and said, "The program team said before that it's poetry. Five words, Bright Moon, and the sea... It can't be 'Bright Moon on the Sea', right?"

Yuan Mei also pretended to be shocked and said, "The answer is correct!"

“Damn! She really guessed it!” Fang Yao said in shock, “How did she guess it?!”

He Zhen was also shocked. “It’s true! Sigh, Jiang Yu! She guessed it. What should we do?!”

What should we do?

Jiang Yu was not anxious at all and did not panic.

Since they were solving the questions, no matter what solution she came up with, her team would not be able to win the game.

“Let’s take it one step at a time. Anyway, she might be able to guess the correct answer to the later questions,” Jiang Yu said playfully.

“How do you know?”

He Zhen was not the only one who wanted to ask. The audience watching the live broadcast also wanted to ask.

“How does Jiang Yu know? What if Jiang Ran can’t guess the next question?”

“That’s right... And don’t be so unconfident in yourself. Who knows, you might be able to come up with the correct answer in one go too?”

“Miss, let me remind you as a friend. This poem has been conveyed wrongly since Tang Hui.”

Chapter 355 Can’t Guess It

“You guys think about it carefully. Since the second person had already passed the topic off the rails, after the third person passed it on, it would be even more off. How lucky would the last person have to be to guess the correct answer?”

“But Zhu Xiang has already corrected the words a little.”

No matter how intense the debate on the internet was, there was no doubt that Jiang Ran had guessed the correct answer. Although she did not know what went wrong, she had indeed guessed it.

Li Lu also did not expect that Jiang Ran could accurately guess the correct answer under such a situation.

However, Jiang Ran wanted to thank Zhu Xiang in her heart.

If she did not understand anything and followed her words, she would not have dared to say the correct answer so boldly.

“Alright, let’s invite the ‘Pretty Girls group,’” Zhang Xiao said.

“I think we’re finished,” Fang Yao muttered.

He Zhen was always on the same side as him when it came to losing their morale.

“I also think we’re finished,” He Zhen said.

“Perform well!” Tang Hui said loudly.

She was talking to Fang Yao because she was still angry about what had just happened.

“Thank you, Old Hong!” Fang Yao replied. The first person was Xia Yuan, and the poem was — red beans beget the southern kingdom.

on w

In

This poem was indeed a little unpopular, and it was not easy to guess.

The second person was Fang Yao.

Xia Yuan said, “Five words. Red beans beget the southern kingdom.”

She tried to slow down her speech as much as possible, trying to make Fang Yao understand. Unfortunately, Fang Yao also encountered the same problem as Tang Hui — the earphones were too noisy, and he could not understand the shape of Xia Yuan’s mouth.

The only thing he was sure of was five words.

“Say it again,” Fang Yao said.

“Red beans give birth to the southern kingdom,” Xia Yuan repeated again.

Fang Yao understood the last word in the whole sentence.

“Pot? What pot?” Fang Yao wanted to ask again, but the time had come.

“Really... Which poem has a pot in it... ?” Fang Yao Thought for a long time but did not know. When faced with He Zhen, he could only vaguely say what he heard. “Pot.” He Zhen was stunned. He thought that Fang Yao had said something that he did not see. He could not help but ask again, “Pot?”

Fang Yao nodded. “How many words?”

Fang Yao quickly made a “Five” gesture.

“Five words, pot...” He Zhen was also stumped by this question. When the time was up, it was He Zhen’s turn to pass the poem to Jiang Yu.

But this question... He Zhen did not know how to pass it on.

Jiang Yu was very calm and said, “How many words?”

He Zhen said, “Five words.”

Jiang Yu said, “Tell me all the words you have heard.”

He Zhen said awkwardly, “Pot.”

“Pot? That’s it?” Jiang Yu thought that at least two or three words would be passed on, but in the end, only one word was passed on.

And the only word that was passed on was “Pot.”.

Jiang Yu did not think that there was any poem that had the word “Pot” in it.

When the time was up, Zhang Xiao said, “Alright, Jiang Yu, please say the correct answer.”

Jiang Yu did not know the correct answer. Even if she knew the word “Pot,” she did not know what the correct answer was.

Hence, Jiang Yu said honestly, “I can’t guess it.”

Zhang Xiao looked a little disappointed and said, “You didn’t hear a single word?”

Jiang Yu said, “There’s a word ‘pot’. But I don’t think there’s a word ‘pot’ in any poem.” “Then you didn’t guess it,” Li Lu said. Jiang Yu said, “Yeah, I really didn’t guess it.”

Chapter 356 So Beautiful

“If you can’t guess it, then obediently accept your punishment,” Li Lu said. “Jiang Yu, be prepared to go without makeup.”

Jiang Yu didn’t say anything.

The bullet comments felt that something was wrong.

“Li Lu... isn’t she being a little too aggressive towards Jiang Yu?”

“That’s right. She was so anxious to get Jiang Yu to remove her makeup, so you can tell.”

“What’s going on? Didn’t they work together in the same production team previously? Why does it look like there’s some kind of conflict?”

Someone guessed the hidden reason and said, “It must be because Li Lu thinks that Jiang Yu stole Li Yue’s boyfriend.”

“Li Yue’s boyfriend? Where did Li Yue get a boyfriend?”

“The person upstairs is so stupid. It’s Mo Long.’ “Didn’t Li Yue make a statement saying that she and Mo Long are just friends? Mo Long also publicly said that his girlfriend is Jiang Yu?”

“But who do you think would be more compatible with Jiang Yu and Li Yue if they stood by Mo Long’s side?”

“I think it’s fine whether they say it or not... could it be that it depends on their thoughts?”

“That’s right. What a chatterbox. Mo Long likes whoever he likes. Is it your turn to think that they don’t match?”

Mo Long naturally saw the heated argument in the bullet comments.

After all, this was a variety show that Jiang Yu was participating in. Mo Long would definitely watch it.

Teng Yi also saw these bullet comments and said, “President Mo, do you need me to get someone to delete all these comments?”

Mo Long shook his head and said, "No need."

He only wanted to look at Jiang Yu properly. Even if she was about to be punished by removing her makeup, she was still his favourite Yu'er.

Fe

las

"Come on, staff, help me get the makeup remover." As the team leader of the winning side, Zhang Xiao naturally wanted the other side to receive their punishment.

The staff brought three makeup remover pads soaked in the makeup remover and handed them to Jiang Yu, Xia Yuan, and Yuan Mei respectively.

According to the punishment previously agreed upon, they would remove a layer of makeup first.

Xia Yuan said, "I didn't put on makeup today, so I can't remove anything. How about I follow the male guests and do push-ups?"

"But you're a girl," Tang Hui said. "It's okay. I used to work out a lot. Fifteen push-ups are still acceptable to me." The program team still felt sorry for Xia Yuan's identity as a girl and said, "Since Xia Yuan didn't put on makeup, she can skip the follow-up game punishment. What do you think?!"

Li Lu and Jiang Ran had wanted to see Jiang Yu make a fool of herself, so it didn't matter what others did to her.

So they said, "It doesn't matter."

Tang Hui only wanted to see Fang Yao make a fool of himself. Moreover, she had worked together with Xia Yuan before, so she naturally wouldn't push it too hard. Thus, she said, "Alright."

Zhu Xiang felt that this punishment was to see the female contestants not wearing any makeup. Since Xia Yuan was already in a makeup-free state, it didn't matter whether she accepted the punishment or not.

Thus, Zhu Xiang said, "Alright, it doesn't matter."

Since the four female contestants could accept the program team's suggestion, there was no reason for Zhang Xiao not to accept it. Thus, he also said, "Alright."

Yuan Mei reluctantly used a makeup remover to wipe off her lipstick. Once the layer of red was removed, it made her lips appear bloodless.

Jiang Yu did the same as Yuan Mei and removed her lipstick.

However, even after removing her lipstick, Jiang Yu's lips were still rosy and tender. It was no different from wearing lipstick.

The audience watching the live broadcast couldn't help but exclaim, "She is too beautiful!"

"So beautiful!"

Chapter 357 Targeting

Mo Long could not help but smile when he saw Jiang Yu like this.

As expected of his Yu'er. No matter where she was, no matter what the situation was, she was always so calm. Confident and beautiful.

She was indeed very beautiful, which made Yuan Mei, who had also removed her lipstick, very jealous.

Fang Yao and He Zhen had also done fifteen push-ups, and they were so tired that they were panting

"You must do more physical exercises in the future," Fang Yao said.

He Zhen said, "I think so too."

Li Lu and Jiang Ran had originally wanted to see Jiang Yu make a fool of herself, but when they removed her makeup, they realized that Jiang Yu's makeup was not much different from no makeup at all. In fact, it could even be said that Jiang Yu looked better without makeup.

The makeup she put on her face was as if it was sealing her beauty

It really made people jealous.

Therefore, in the remaining segment of the game, no matter what the other guests asked, no matter how Zhang Xiao arranged it, Jiang Ran always had to be in the last position.

And no matter how ridiculous the third person's spread was, Jiang Ran could always bring the topic back to the right track and guess the correct answer.

This was really too obvious.

Wasn't this the obvious fact — Jiang Ran had already known about the question set by the program team a long time ago?

No wonder Jiang Ran always had to sit in the last position. Only she knew the final correct answer. If she didn't sit in the last position, could the game still be won?

But to win the game with such a method was really contemptible.

"Wait a minute, how is your guess so accurate? How could Jiang Ran guess the topic of the misrepresented by Li Lu?" Fang Yao could not stand it anymore. He just felt that there was something fishy going on.

He Zhen also saw that something was wrong and said, "That's right. Did you already know the topic?"

Jiang Ran was stubborn and said, "If you can't guess it is because of your strength, can't we guess it?"

Jiang Yu said, "Of course you can guess it. But it has to be on the basis of being 'plausible'. Li Lu didn't even know what the previous person said. How did you know the correct answer? Do you think we and the audience are fools?"

Jiang Ran still refused to admit it and said, "What? Jiang Yu, are you trying to say that the program team gave us an answer in advance?" Jiang Yu sneered and said, "I didn't say that. You admitted it yourself."

“I didn’t admit it!” Jiang Ran shouted.

The more she refused to admit it, the more outsiders felt that something was wrong with this matter.

“Is this targeting Jiang Yu?”

“I think so too. Why can Jiang Ran guess the correct answer every time?”

“It’s obviously an answer. The program team and Jiang Ran are working together to target Jiang Yu. Maybe that host has a part in it too!” “Which one are you talking about? Zhang Xiao?”

“Stupid, it’s that Yuan Mei! She was so anxious to be on the same team as Jiang Yu in the first episode of the program. How can she not have other intentions? Who would believe it?”

“When you say it like that, I think it’s true. Then she’s bullying people.”

“I really don’t know what the program team is thinking. Jiang Yu didn’t provoke them, right? Why are they targeting Jiang Yu?” “I think they’re using money to get things done, right? They’re bribing the staff to give them questions or something like that.”

“Isn’t that going too far?!”

The audience felt that the program team had gone too far, and Mo Long was no exception.

There was actually someone who was targeting his Yu’er.

He was really tired of living.

Teng Yi could feel Mo Long’s anger from the side. He couldn’t help but break out in a cold sweat because of what was going to happen to this program team and that Jiang Ran.

Chapter 358 Swap The Person

Mo Long’s eyes were cold as he tried his best to suppress the emotions in his heart.

He was afraid that if his emotions were too scary later on, he would scare Yu’er.

On the stage, Jiang Ran was still being stubborn. “Jiang Yu, do you have evidence for what you said?”

Jiang Yu said, “Evidence? You want evidence?”

Jiang Yu said it so seriously that Jiang Ran thought she had really found some evidence. She subconsciously looked at Yuan Mei.

Did Yuan Mei tell Jiang Yu?

Yuan Mei quickly shook her head and said, “I didn’t...!”

“Didn’t what?” Jiang Yu looked at Yuan Mei sharply and said, “I haven’t said anything yet!”

Yuan Mei quickly covered her mouth, thinking that she was done for.

It seemed that she had messed up today’s matter.

Jiang Ran was stunned for a moment before she realized that Jiang Yu was deliberately deceiving her.

“... Jiang Yu!” No matter how unconvinced she was, Jiang Ran still had to consider the Jiang family’s reputation and could not lose her temper on stage.

But in fact, she could not lose her temper either.

The atmosphere on stage was a little tense for a moment. Director Zheng did not expect such things to happen today.

It was all Jiang Ran’s fault for not having a brain. She was given a question that was free of charge. She would not even win.

To think that he even took her money. He had to speak up for her now.

“Well... let’s not dwell on this for the time being. Let’s continue,” Director Zheng said.

“That won’t do. We have to make things clear,” He Zhen said.

Director Zheng was a little speechless.

He Zhen was indeed called He Zhen. He had to be so serious when everyone was embarrassed.

“He Zhen...” Director Zheng wanted to persuade him not to be so serious, but he wasn’t willing to listen at all.

At this moment, someone made a call to the venue.

“Hello?” Director Zheng picked up the phone and said, “May I know who is calling?”

The person on the other end of the phone was silent for a while before saying, “Mo Long.”

The moment this name was said, the entire venue fell silent.

Even the audience in front of the screen could not help but hold their breaths. “Mo Long?!” Director Zheng was first shocked before he softened his tone and said, “President Mo, you called. Is there something you need?” “I don’t know what your program team is up to, and I don’t want to know either. I just want to solve the problems that I saw.” Director Zheng said, “What problems?”

“That host called Yuan Mei and that Jiang Ran, replace them both.”

“What?!” Jiang Ran almost blew up when she heard these words.

Mo Long said, “If you want to continue recording this program, then listen to me and replace them. I can double the losses caused to you. But if you don’t do as I say, then how long your program will survive... I can’t guarantee

it.”

Director Zheng fell silent After a long while, he said, “Alright, President Mo... I understand.”

Mo Long said again, “Director Zheng, please.”

The meaning of this sentence was very obvious, and director Zheng’s attitude was also very obvious.

In order to protect his show, director Zheng could only choose to replace Yuan Mei and Jiang Ran.

Yuan Mei naturally understood what director Zheng meant and said, "Director!"

She still wanted to keep her job, so she was still trying to struggle.

But director Zheng did not intend to listen anymore.

He said, "Yuan Mei and Jiang Ran, you can leave first."

Yuan Mei saw that there was no turning back, so she could only stomp her feet indignantly and leave the stage.

To think that she had received so much punishment for nothing today! It seemed that it was all useless!

Jiang Ran did not want to get off the field and said, "Why should I be replaced?!"

Chapter 359 Bring Out The Evidence

Jiang Ran insisted that she was framed, so she refused to step down for a long time.

Jiang Yu was too lazy to expose her. She felt that it was really boring to expose such a childish trick.

Mo Long said, "Jiang Ran, there are some things I don't want to say a second time." Jiang Ran gritted her teeth. She also knew that she could not compete with Mo Long with her own strength.

Even if she had Sun You supporting her, her strength could not be compared to Mo Long's.

"Don't think about getting me off the stage unless you show me evidence!" Jiang Ran said.

Li Lu was about to be defeated by Jiang Ran's intelligence.

Although Mo Long was powerful, he was not a person who relied on his own power to do whatever he wanted.

Since he was able to say these words and was so determined to get the program team to replace Yuan Mei and Jiang Ran, it meant that he must have concrete evidence. Otherwise, he wouldn't have said these words.

This Jiang Ran, if she was a little more sensible, she would take advantage of the fact that no evidence had been exposed and quickly get off the stage. In the future, she would have the chance to explain that Mo Long didn't like her at all, that was why he asked the program team to replace her.

But if she continued to drag it out, when all the evidence was exposed, then nothing would be clear. They might even drag themselves down with them.

This Jiang Ran was really a pig's brain!

Li Lu hurriedly said to Jiang Ran, "Jiang Ran! You can go down first. This matter will be resolved after the recording is over. Let Mo Long give you a good explanation!"

Her words actually gave Jiang Ran a way out. As long as Jiang Ran went down this way, no one would know how to resolve this matter in the future.

However, Jiang Ran seemed to have a screw loose in her head and refused to step down no matter what.

Jiang Yu originally wanted to spare Jiang Ran for the sake of the Jiang family. Since she didn't grasp this opportunity properly, no one could blame her. Jiang Yu said, "In these few rounds of the game, you guessed all the questions correctly. No matter how ridiculous the previous person's passings were, you could accurately guess the answers. This feeling is as if you already know the question." Jiang Ran thought that Jiang Yu could bring out the transaction records or the contents of the conversation between her and Yuan Mei, but it turned out to be just this?

The confidence in her heart could not help but increase, and her words became bolder. "I thought you would bring out some decent evidence, but it turns out to be this?"

Jiang Yu looked at Jiang Ran playfully, looking forward to her flowery explanation.

Jiang Yu said, "Then why don't you explain?"

Jiang Ran did not care at all and said, "Can't it be that I'm too smart and have a good brain?"

When she said this, not only Jiang Yu could not help but laugh, even the other guests on the stage could not help but laugh.

Tang Hui was not familiar with Jiang Ran, and it could even be said that they did not know each other.

Originally, she wanted to use Jiang Ran's identity as her teammate to put in a few good words for her, and at the same time, to show her good impression in the hearts of the audience.

However, Jiang Ran's explanation really made her laugh. She really did not know how to explain even if she wanted to help.

The audience in front of the screen could not help but burst into laughter. They were defeated by the IQ of Jiang Ran's brain.

"She really has the nerve to say it!"

"That's right! It's obvious that there's something fishy going on. Yet, she even said that she's smart and has a good brain?"

"It's a lie that not even a three-year-old child would tell, but she told it."

"Hurry up and get off the stage. I feel awkward for you!"

Chapter 360 Leaving The Stage With Gritted Teeth

Jiang Yu said, "Jiang Ran, do you believe your own words?"

Jiang Ran said, "Why wouldn't I believe my own words?"

"Alright, you believe it," Jiang Yu said. She took out a USB flash drive from her pocket and said, "Do you find this familiar?"

Jiang Ran didn't find this USB flash drive familiar, but Director Zheng did.

Wasn't this the one sister Xia gave to Jiang Yu the other day? There was even a large amount of surveillance footage copied inside!

Could it be that Jiang Yu found the transaction between Jiang Ran and Yuan Mei in the copied content?

Jiang Ran naturally didn't see this USB drive, she said, "What is this thing? Jiang Yu, don't randomly take out something and ask me if I've seen it. You have so many things, don't tell me I've seen everything?"

Jiang Yu said, "Since you haven't seen it, that's great. I'll have to trouble the program team to help release the contents of this. Thank you."

Since things had come to this point, even if director Zheng wanted to speak up for Jiang Ran and not show the contents of the USB drive, he couldn't do it.

How many people were watching the live broadcast. Moreover, there was Mo Long, this god, connecting to the scene via phone.

Even if he wanted to be biased, he couldn't.

Director Zheng took the USB in Jiang Yu's hand, connected it to the computer, and projected the contents onto the big screen. The contents were Jiang Ran and a woman whose face couldn't be seen clearly. They were whispering in a corner. One vaguely heard a few sentences like "Tell me the question" and "So what if you solve the question? It's not a big deal. I know what to do."

Of the two main characters, one of them was Jiang Ran.

As for the other one, it didn't matter even if she couldn't see her face clearly. After all, one of them had already left the stage, so everyone knew who the other female lead was.

"Do you need more precise evidence?" Jiang Yu asked.

The expression on Jiang Ran's face was really green and white, and it was colorful.

She did not expect that her private deal with Yuan Mei would be caught on camera.

She had searched for a long time before she found a hidden corner. She did not expect the recording studio to have installed a camera there.

"What? Just based on this? You want to say it's me?"

"Isn't that enough?" Jiang Yu said. Jiang Ran gritted her teeth. She originally wanted to continue explaining, but her mind spun a few times and she did not know what to say.

So, she could only grit her teeth and leave the stage.

Someone agreed with Jiang Yu's actions and said, "Jiang Yu did a good job! You must not let yourself be wronged!"

"That's right! You must not let Jiang Ran off easy!"

"If I remember correctly, Jiang Ran is Jiang Yu's sister, right?"

"What? Jiang Yu's sister still did this? Did she let Jiang Yu down?"

“This is too much. I seem to remember that Jiang Ran once posted a piano piece online, claiming that it was her own original. In the end, when Jiang Yu appeared, it was a slap in the face. It wasn’t Jiang Ran’s original piece at all, but Jiang Yu’s piece!”

This was something that had happened a long, long time ago. With the development of the Internet to this day, too many people had already forgotten about this matter.

Now that someone had brought it up again, it couldn’t help but throw a big stumbling block in Jiang Ran’s path of becoming famous.

After Jiang Ran stepped down from the stage, she was also worried that what happened on the stage today would make her lose her fans, so she quickly turned on her phone to check her fan count.

As expected, her fan count did indeed drop. Many fans left messages saying that they were disappointed with what she had done today.

But who was to blame? It was all Jiang Yu’s fault!

It was all because she didn’t want to properly record the show and insisted on bringing it up!
