Chapter 381 Huge Sale

Jiang Yu used up all the raw materials and made a total of 29 bracelets.

Apart from the one given to Wang Yu, there were 28 bracelets left.

“Alright, I’ve made all of them.” Jiang Yu handed the 28 bracelets to He Zhen and Wang Yu and said, “I’ll leave the remaining sales job to you guys.” He Zhen was full of confidence and said, “No problem! Just leave it to me!”

Jiang Yu covered her mouth and laughed, “Then I’ll be waiting for your good news.”

The bullet comments were shocked by Jiang Yu’s action of covering her mouth and laughing. It was so beautiful that they didn’t know what words they should use to describe

it.

“Damn, damn, damn! Jiang Yu covering her mouth and laughing is too beautiful! I don’t even know what words to use to describe it!” “Like a fish sinking into the sea, like a wild goose falling down, like a moon closing, like a flower basking in shame.” “The words above are good! People like me only know how to say words like ‘so beautiful’ and ‘so beautiful’.” The audience in the bullet screen was shocked by Jiang Yu’s beauty. Even Mo Long, who had always been able to see all of Jiang Yu’s expressions, was dazzled by her beauty.

Teng Yi naturally saw it too. He could not help but sigh in his heart that his CEO’s vision was different from others. Even someone as outstanding as Miss Jiang, who was one in ten thousand, could be found at a glance.

Standing together, they were a perfect couple.

They were a perfect match.

He Zhen and Wang Yu walked on the street with bracelets in their hands, ready to sell them. However, the two of them stood there for about ten minutes. Not only did they not sell any bracelets, they didn’t even think of selling anything.

He Zhen scratched his head and said pitifully, “What should I do? I’ve never sold anything before.”

Wang Yu also whispered, “I’ve never sold such a small item before.”

He Zhen felt that he really lacked consideration when he accepted this task.

“But we’ve already promised Jiang Yu that she would make the bracelet and we’ll sell it to the customers,” said Wang Yu. “Don’t go back and trouble Jiang Yu at this time, right? She’s been very tired this afternoon.”

“But...” He Zhen wanted to say, “But without Jiang Yu, just the two of us, let alone standing for ten minutes, we might not even be able to sell one bracelet even if we stand for an hour!”

“But what?” Jiang Yu’s voice suddenly sounded behind the two of them. “Jiang Yu!” Wang Yu turned around and shouted in surprise.

“Jiang Yu?” He Zhen also turned around in confusion and said, “Why are you here?”

“I knew you guys wouldn’t be able to sell it. I’m here to help you.” As she spoke, Jiang Yu took out a large piece of cardboard with the words “DIY bracelet, 5 yuan per piece.”.

“So... That’s it?” He Zhen couldn’t believe it.

“That’s right,” Jiang Yu said with a smile.

She set up the cardboard and went to the small stall next to her to borrow three stools, one for each of them.

She also borrowed a tablecloth and placed the bracelet on it.

Soon, two girls with intimate manners walked over and asked, “Did you make these bracelets yourself? Five yuan?”

Jiang Yu nodded and said, “Yes.”

The short-haired girl picked up one and looked at it, saying, “It does look very nice, but I don’t know how it would look on my hand.”

Hearing that, Wang Yu hurriedly stretched out his hand and said, “Take a look. This bracelet looks like this when worn on your hand.”

“Aiya! It’s really nice!” The short-haired girl was shocked and immediately bought four of them.

It was so simple. They had earned back their initial capital of 20 yuan.

“It’s... sold it just like that?” He Zhen still couldn’t believe it that they had sold this so easily.

Chapter 382 Indignant

With the short-haired girl starting off the sales for them, a group of people soon came to buy the bracelet.

Some people even increased the price to be able to buy the bracelet.

They directly increased the price from five yuan to 20 yuan.

He Zhen was stunned when he heard that. He packed the bracelet and handed it to that person.

“Is... Isn’t this too exaggerated?” He Zhen whispered to Jiang Yu.

“I didn’t expect this either.” Jiang Yu was also very surprised that someone was willing to spend 20 yuan just to buy such a bracelet.

The 28 bracelets were sold in less than an hour, and the three of them received a total of 175 yuan.

“So amazing!” He Zhen couldn’t help but praise, “Jiang Yu, you’re too amazing!”

Wang Yu also praised, “Yeah! We can only rely on you!”

Jiang Yu said, "Okay. In that case, we'll take out a portion of the money just in case. As for the rest, we'll go buy ingredients." "Okay!"

While Jiang Yu made a huge sale, Li Jing was still immersed in making bracelets.

One after another, they were extremely ugly.

The camera focused on the bracelets made by Li Jing. They were so ugly that people could not bear to look at them.

The bullet comments were so ugly that they did not know what to say.

"Is this a bracelet? Those who don't know would think that it's an abandoned dog leash."

"This is too ugly... Look at the bracelet made by Jiang Yu. That's what's called pretty, that's what's called a bracelet."

"I've always thought that this little girl, Li Jing, is not bad. Why doesn't she recognize herself when it comes to this kind of thing?"

"That's right. Jiang Yu's side has already won a huge amount. It's good enough that they can make a decent bracelet."

Li Jing was still making bracelets with sweat all over her head. However, they were still of different sizes and were extremely ugly.

Therefore, they did not sell a single bracelet until 4:30 pm.

Yuan Lai: "... If I had known earlier, I would have listened and stopped making bracelets."

Zhang Xiao looked at the time and said helplessly, "We lost."

Yuan Lai opened his mouth as if he wanted to say, "Don't give up. We still have half an hour."

However, after thinking about it, he felt that he wouldn't believe what he had just said.

Therefore, he could only hold it in and stop talking

Li Jing also knew that Jiang Yu had sold all the bracelets she had made, so she felt even more indignant.

How could this be! She was being outdone by this Jiang Yu again?!

However, she still had to continue pretending, so Li Jing put on a very apologetic expression and said, "I'm sorry. It's all because I'm too stupid. I can't even make a simple bracelet."

Yuan Lai wanted to say why couldn't she even make a bracelet, but Li Jing apologized first, so he couldn't say such words.

Therefore, he could only comfort her, "It's okay. We all know that you did your best."

Zhang Xiao also said, "Yeah. The three of us didn't know how to do it. The two of us can't put the blame on a little girl like you. We should be the ones apologizing."

Li Jing seemed to be very touched and said, "Thank you very much! But I also know that I didn't do well enough. So... Sigh, the responsibility for losing this time is on me."

"It doesn't matter." Yuan Lai sighed and said, "We don't know how to cook anyway. Even if we buy the things back, we don't know how to do it. Sigh, let's leave it at that."

Zhang Xiao also nodded and said, "Then let's go back."

After returning to the recording location, Jiang Yu and the others also came back after buying the things.

Chapter 383 Showing Off His Skills

At 5:15 pm, the two teams started cooking in the kitchen on time.

Besides the ingredients given by the program team and the necessary oil and salt that she had bought herself, Jiang Yu also had cauliflower, chicken leg meat, some other vegetables and meat.

Looking at Li Jing's side, besides the ingredients given by the program team, she didn't even have any oil for cooking.

"What should we do..." Yuan Lai looked at Jiang Yu's side with his eyes wide open. He was so hungry that he almost drooled.

"Jiang Yu, you really know how to cook, right?" He Zhen asked with uncertainty.

"Alright, you've asked this question six times already." Jiang Yu felt a little helpless and said, "If you really have nothing to do, do you want to consider cooking the rice?"

"Cook rice? I know how to do that." He Zhen was full of confidence and said, "I don't know how to do other things, but I still know how to cook rice. When I was at home before, the rice I ate at home was all cooked by myself."

As He Zhen said that, he rolled up his sleeves and began to wash the rice.

Wang Yu felt that it was a little unjustifiable for her to just stay and not work.

He Zhen didn't need her help to cook the rice, so she volunteered to help Jiang Yu wash the vegetables.

"Thank you," Jiang Yu thanked him with a smile and said, "Then please help me wash the cauliflower and cole. I have already chosen all of them and they are on the sink."

Wang Yu said, "Okay."

After that, she picked up the basin that was full of vegetables and began to wash the vegetables.

"Hey, Jiang Yu," He Zhen asked while washing the rice, "What are you going to do?"

Jiang Yu cut the pork and put it on the plate. She smiled and said, "I'll make a simple pot bun meat for you guys first." "Simple pot bun meat?" He Zhen was so shocked that he couldn't help but pause while washing the rice in his hand. He asked, "Is pot bun meat simple?"

Wang Yid, "I like this dish but I've been maintaining a diet recently, so I don't have much chance to eat meat. It seems that I can have a big feast today!" He Zhen said, "I remember that the pot bun meat is made of pork, right?"

Jiang Yu and Wang Yu nodded and said, "Yes."

... Hiss... He Zhen's face showed a troubled expression as he stammered, "I-i don't like to eat pork..."

"Of course I know that you don't like to eat pork." Jiang Yu smiled and said, "So, didn't I also buy chicken and vegetables. This is for you."

"Great!" He Zhen said in surprise, "Thank you, thank you!"

"You're welcome," Jiang Yu said, but her hands didn't stop moving.

5.

After she heated the oil in the pot, she first added green onions and ginger. After the fragrance was out, she poured the pork into the pot and stir-fried it.

At the same time, she added seasoning to spice it up and prepared the sauce for the pot of meat.

While He Zhen was washing the rice and Wang Yu was washing the vegetables, she heard the crackling sound from Jiang Yu's side.

It was the sound of the oil jumping up after being heated.

"Has it started already?" He Zhen hurriedly put the rice into the electric rice cooker and went to watch Jiang Yu cook without stopping.

Wang Yu was also very curious. She also quickly washed the vegetables and went to watch Jiang Yu cook.

"It smells so good," He Zhen said sincerely.

As a person who didn't like to eat pork, he usually felt nauseous whenever he smelled pork.

However, when he smelled pork this time, not only did he not feel dizzy, he even felt that the smell was very fragrant.

He Zhen seriously suspected that there was something wrong with his nose.

"I also feel that the smell is very fragrant." Wang Yu's eyes were sparkling.

She really liked eating pork. Previously, because of her body size, she could not eat meat. Today, she finally got this opportunity, so she would definitely eat to her heart's content!

Chapter 384 Pot Bun Meat Ready

"What are they doing together?" Yuan Lai looked at them and could not help but ask in confusion.

"I don't know." Zhang Xiao shook his head and said, "We don't even have the most basic oil and rice now. Let alone cooking, even washing the rice is a difficult task."

"I think we should be more confident and remove the word 'possible'. We just can't cook." Yuan Lai looked dejected.

In fact, he could already smell the meat fragrance from Jiang Yu's side. His stomach was so hooked that it was gurgling. He really wanted to go over and ask and see if he could get a free meal there.

But first of all, he was not on that team. No matter what, he had to stay with his own team first.

Secondly, if he wanted to eat, he had to see if the other party was willing!

Yuan Lai was very conflicted, and his brows were knitted together.

"I'm really sorry. I'm really useless." Li Jing had not opened her mouth to speak, but the moment she opened her mouth, she said, "I'm sorry."

Yuan Lai and Zhang Xiao were both stunned.

"Why are you apologizing again?" Yuan Lai could not stand it when there were girls like this.

Li Jing said, "I knew that I wasn't good enough, but I still insisted on learning how to make handicrafts. In the end, not only did I not earn a single cent, but I even lost our only 20 yuan."

"It's okay," Zhang Xiao comforted her. "The three of us were the ones who made the decision to make handicrafts in the beginning. You're not the only one who said that you were responsible. We all are."

"But..." Li Jing kept her head down. When she looked up again, her eyes were already welling up with tears.

In fact, these were the physiological tears that were produced when she secretly pinched her thigh in the dark just now.

"Hey! Don't cry!" Yuan Lai could not bear to see a girl being wronged, let alone see a girl crying. He was flustered and did not even know how to comfort her.

When he saw Li Jing like this in the bullet comments, he could not help but feel sorry for her. "Aiya! It hurts so much!"

"Li Jing cried so sadly. She must really blame herself that much, right?"

"Of course. She only wanted to help her team earn money in the beginning."

"Yeah... sigh, but this is also a problem of their ability. They can't say anything."

"Yeah..."

...

Li Jing was crying so sadly that Zhang Xiao and Yuan Lai were still busy comforting her. On Jiang Yu's side, the pot bun meat was already out of the pot.

The moment the dish came out of the pot, the bullet comments immediately exploded.

“Damn! This dish looks so delicious!”

“Really, really, I’m serious. Jiang Yu really knows how to cook?”

“Please, please. She already said that she knows how to cook, alright?”

“Doesn’t this look too appetizing?”

“It smells so good!” He Zhen could not help but shout. “This is the first time I’ve ever felt that pork can smell so good!”

Jiang Yu smiled and pushed the pot of meat in Wang Yu and He Zhen’s direction, saying, “Try it.”

Even though He Zhen felt that the pot of meat was very fragrant, he still did not dare to try a dish made from pork.

Wang Yu was different. She had always liked to eat meat, and now that she was recording a variety show, she did not need to care about anything else. She just needed to eat as much as she wanted.

She picked up a piece of pork wrapped in a pot and blew on it a few times to make it not very hot before putting it into her mouth.

It was sour, sweet, and sweet. It tasted the same as the pork wrapped in a pot that she had eaten before.

“It’s so delicious!” Wang Yu exclaimed in admiration.

“Is it really that delicious?” He Zhen was skeptical. “Of course! If you don’t believe me, try it! Didn’t you just say that this dish is very fragrant?” Wang Yu picked up a piece of meat and placed it into He Zhen’s bowl. She said, “Don’t be afraid. Try it.”

Chapter 385 Eat Together

Although He Zhen hated pork, this dish looked really good. It made people unconsciously want to eat it.

Therefore, he picked up the piece of meat and put it into his mouth, intending to taste it lightly.

However, with this taste, he really tasted a new world.

“So delicious?!” He Zhen’s eyes suddenly lit up.

He had never thought that pork could be so delicious.

“Is it? Is it really delicious?” Wang Yu was also very happy.

“Yes, yes!” He Zhen couldn’t help but nod.

“As long as it’s delicious, then that’s good.” Jiang Yu smiled and got up to prepare other dishes.

“Jiang Yu! You are my God!” He Zhen couldn’t help but give Jiang Yu a thumbs up.

“Hahaha!” Jiang Yu was about to wash the chicken, but when she heard this, she couldn’t help but laugh out loud again.

The three of them were laughing happily while the other three were like abandoned children. They were at a loss and didn’t know what to do.

The fragrance of the pot bun meat drifted over. Yuan Lai was already very hungry.

“I’m really hungry,” Yuan Lai said weakly.

“Why don’t we go and borrow something?” Zhang Xiao suggested.

“But none of us know how to cook...” Yuan Lai felt a little hopeless.

Hearing Yuan Lai say this, Zhang Xiao was also in a dilemma.

He muttered, “What should we do...”

The three lonely children were still thinking about what to do with their food when Wang Yu shouted to them, “Li Jing! Yuan Lai! Zhang Xiao! Come and eat with us!”

“Eat together?!” Yuan Lai’s eyes lit up when he heard that and he ran over.

“Can we really eat together?!” Yuan Lai asked before eating the meat.

Wang Yu smiled and said, “Yes, this is decided by the three of us.”

Zhang Xiao was worried that the program team would not allow this, so he asked director Zheng, “Can we?”

“Yes.” Director Zheng nodded and then said, “But if you have dinner together tonight, you have to eat breakfast tomorrow morning together.”

“No problem!” He Zhen agreed immediately.

“You want to make breakfast?” Wang Yu looked at He Zhen in surprise.

He Zhen said, “Sigh. Don’t look down on me. Although I don’t know how to cook, I can make porridge and boil eggs.”

“... You want to eat this in the morning?” Wang Yu asked.

He Zhen: “... It does seem a little monotonous.”

Wang Yu was speechless.

Yuan Lai ate a piece of pot bun meat. He was so shocked that he didn’t know what to say.

After holding it in for a long time, he finally said, “It’s delicious!”

The audience on the bullet screen also started to crave for it. “Is it really that delicious?”

“I think it’s for sure. Even if it’s just a script, other people have to pretend that it’s delicious, but he really doesn’t know how to do that. That’s because he doesn’t like to eat pork, but he also said that this pot bun meat is delicious. Then it must be very delicious.”

“I really want to try it. It already looks delicious, and I feel that it will taste even better.”

“Don’t say anymore, I’m already starting to get hungry.”

“I even think that it’s not impossible for Jiang Yu to participate in the ‘chef’s competition’!”

“Hahaha, please! She’s an artist in the entertainment industry, how could she participate in that!”

“I really envy Mo Long for having a girlfriend like Jiang Yu who knows everything.”

Li Jing also took a bite of that piece of meat. It was indeed delicious.

Hence, the unconvinced feeling in her heart rose again.

She knows how to make handicrafts, right? She knows how to cook, right? You, Jiang Yu, know everything, right?

Alright, let me teach you a lesson later!

Chapter 386 Help

It seemed like he felt that it wasn’t good for a group of people to eat without Jiang Yu, so Yuan Lai volunteered to help Jiang Yu.

However, he was really clumsy and couldn’t help Jiang Yu in any way.

Therefore, he could only go back and eat quietly.

In order to make himself look good in the eyes of the audience, Li Jing decided to take over Yuan Lai’s position and help Jiang Yu.

However, Jiang Yew that Li Jing was definitely not being kind by coming over to help her.

However, Li Jing really came over to help wash the vegetables. This was a little out of Jiang Yu’s expectations.

vas

However, Li Jing did not stop washing the vegetables in her hands. She also did not stop saying, “Jiang Yu, don’t think that you won.”

Jiang Yu also lowered her head to wash the vegetables and said, “Li Jing, are you still brooding over what happened that day?”

Li Jing gritted her teeth and said, “It’s all because of you! Do you know how much my family paid to build a good relationship with that job back then? Yet you fired me just like that? Why? Is it because you’re Mo Long’s girlfriend?”

Jiang Yew that no matter how she told her, she could not explain it clearly.

But, Jiang Yu felt that it was necessary to explain it clearly to her. “This is your fault, so yo should lower your head and apologize. Moreover, this job was not obtained through your own hard work, so you don’t have to take it to heart like this.”

“What?” Li Jing sneered and said, “Jiang Yu, don’t tell me that the job that my family found for me is not something that I found on my own? That is my family!”

Jiang Yu thought she couldn’t explain it clearly no matter what she said. Since that was the case, there was no need for her to say anymore. Talking to someone like her was just a waste of her saliva.

“Jiang Yu, just wait.” Li Jing didn’t wait for Jiang Yu’s reply and felt that she was belittled. Therefore, she continued to be stubborn, as if she wanted to argue with Jiang Yu to see who would win or lose.

“Li Jing, you’re an adult now. No matter what, don’t be too childish.”

“Childish? Jiang Yu, don’t you think that you’re being more childish when you’re targeting me?”

Jiang Yu was speechless at Li Jing’s brain circuits.

What did she do that was targeted at her?

Could it be that she was the one who was at fault that day?

She refused to accept Tian Guo’s apology and had to make things difficult for her. And when it was her turn to do something wrong, she refused to apologize properly. She had an expression that said, “I’m Li Yue’s cousin, so you must forgive me.” And now she was saying that she was against her?

It was too unreasonable.

Jiang Yu said, “We are now in a cooperation relationship on the same variety show. I advise you not to be too noisy.”

Li Jing said, “Cooperation? Do you think we are in a partnership? Don’t forget that even if we are in the same variety show, we are two opposing teams. You will never win against me.”

“Is that so?” Jiang Yu raised her hand to wave the vegetables she had washed in her hand and said with a smile, “But I won today’s game.”

“...” Li Jing choked and said, “It was an accident today. I let you win!”

When she said this, her voice was a little loud, and the people eating over there also heard it.

“Let us win?” He Zhen hesitated for a moment and looked at Zhang Xiao and Yuan Lai in confusion. “You let us win?”

Yuan Lai was so embarrassed that he didn’t know what to say. He could only lower his head and eat the vegetables.

Zhang Xiao originally wanted to reply in a joking manner, but he felt that something was not right, so he could only vaguely explain, “The strength of the two teams are about the same. There is no such thing as who let anyone else win.”

Chapter 387 Unintentional

Jiang Yu placed the sliced chicken into a pot of hot oil and prepared to fry it first. It would be more convenient to stir-fry it later.

Li Jing placed the washed dishes on a plate and placed it beside Jiang Yu. Then, she raised her hand to shake off the water in her hand.

The worst part was that some of the water droplets fell into the pot of oil and instantly created a few splashes of oil. The few drops of oil flew up and splashed onto Jiang Yu's arm.

"Hiss!" Jiang Yu covered her arm and cried out in pain.

Li Jing walked past Jiang Yu and was shocked by her cry.

The people eating over there also heard the sound and dropped their chopsticks. They hurried over to check on Jiang Yu's injuries.

He Zhen was tall and had long legs. He rushed to Jiang Yu's side and said anxiously, "Jiang Yu! Are you alright?!"

Wang Yu also ran over in a hurry and said, "Jiang Yu! What's wrong? What happened?"

Li Jing quickly pretended to be shocked and said in shock, "It seems like the oil in the pot has splashed!"

"Oil!" When Wang Yu heard this, she almost fainted.

Although she didn't know how to cook and usually didn't step into the kitchen, she knew how high the temperature needed to heat the oil.

With such a high temperature, a drop of oil splashing on her skin would be extremely painful!

However, Jiang Yu acted as if nothing had happened. She only cried out in pain just now and then calmly went to wash up. Although the oil was a little small, there was many droplets.

The burned areas on Jiang Yu's arms quickly swelled up.

Li Jing didn't expect that the water would fall into the pot of oil and burn Jiang Yu's arms.

Jiang Yu wouldn't put the blame on her, would she?

As a girl, Wang Yu knew that girls' skin was more delicate than boys'. Therefore, it would be difficult for Jiang Yu to recover from her burns in a few days.

"Jiang Yu, you should rest for a while," Wang Yu said worriedly.

"It's okay." Jiang Yu could still bear the pain and said, "If I rest now, what about your dinner?"

"We don't have to eat it," Wang Yu said.

He Zhen also said, "Yeah, it's okay to eat less."

Although Yuan Lai was very hungry, he was, after all, eating the food of the opposing team for free. Moreover, the "chef" of the opposing team was already injured, so it was not good for him to say something like "Just endure it" for himself.

Therefore, he also said, "It's okay. Although I'm hungry, it's not a big deal to eat less. When I lost weight before, I often didn't eat. I'll get used to it if I'm hungry more."

Zhang Xiao was not that hungry to begin with, so it did not matter whether he ate this meal or not.

Therefore, he also advised Jiang Yu to rest. However, Jiang Yu was always worried that if she rested, she would not be able to cook dinner. If that happened, the group of people would go hungry. However, everyone was urging her to rest, so Jiang Yu could only obediently go to rest.

“But my injury is really fine. Don’t worry too much about me. I can still cook breakfast tomorrow morning,” Jiang Yu comforted everyone.

“You’re already like this, yet you still want to cook for us?” He Zhen said, “I’ve already said that I can cook. Tomorrow morning, you just need to rest. Tomorrow’s breakfast is under my control.”

He Zhen taking over the job of cooking breakfast with such confidence really made people doubt his ability.

“Don’t fool around.” Yuan Lai was unwilling to believe He Zhen and said, “Can anyone really eat the things you make?”

Chapter 388 Breakfast Fail

“You don’t believe me?” Ever since He Zhen was young, this was the first time he was doubted by others. His fighting spirit was instantly ignited.

“I want to believe you...” Yuan Lai muttered softly.

However, He Zhen still heard it.

He Zhen said unconvinced, “Let me tell you, you just need to wait for it. Because tomorrow morning, you will eat the best breakfast in the world! Because it will be made by me personally!”

He Zhen’s mysterious confidence shocked everyone present, as well as the people on the bullet screen.

“He Zhen... is so confident?”

“Sisters, believe me, Run! There must be a trick!”

“I agree with you! Seeing how confident He Zhen is in wanting to cook, I knew that he wouldn’t be able to cook anything good!”

“Sisters, run!”

“Don’t say anything, don’t ask any questions, just run!”

“Sob sob sob, my little cutie Yuan Lai will be persecuted tomorrow.”

Due to Jiang Yu’s unexpected injury, the program team also thoughtfully prepared dinner, afraid that the guests would go hungry.

After dinner, the group chatted briefly for a while before returning to their rooms to rest.

Early the next morning, He Zhen got up early and made a big fuss about making breakfast for everyone.

“What should I make... sure enough, it’s still suitable to eat something light in the morning, right?” He Zhen put on his apron and began to wash the rice and cook the porridge.

Then, he put the eggs into another pot to cook.

Jiang Yu originally wanted to get up and see if she could help He Zhen make breakfast.

But for some reason, her eyelids were especially heavy today, as if she couldn't open them no matter what.

So in the end, He Zhen was the only one left in the kitchen "struggling" with the ingredients.

When the time was up, He Zhen opened the lid of the pot and prepared to stir the porridge.

In the end, a burnt smell drifted out and directly rushed into He Zhen's nose.

"Cough cough cough cough!" He Zhen was choked by the smell and kept coughing.

"What's going on? Did I put too much water in?"

He Zhen turned on his phone and prepared to search for recipes.

Zhang Xiao, who was just about to go downstairs for a morning jog, followed the smell and walked over. He asked with a puzzled look, "What's this smell?"

He Zhen was so embarrassed that he didn't know how to explain. After a long time, he said, "It's the porridge that I made. I accidentally burned the pot."

"???" Zhang Xiao was dumbfounded. Rice porridge? Could that burn the pot? It seemed that he could see the doubt in Zhang Xiao's heart. Although he was a little embarrassed, He Zhen still explained very seriously, "I put in too little water."

Zhang Xiao: "... Alright."

He really didn't know what to say.

Yuan Lai also got up and prepared to go downstairs to check on He Zhen's "battle status" in the kitchen.

However, the moment he went downstairs, he smelled the choking smell.

"What the hell?! What is that smell?! Is there a gas leak in the kitchen?" Yuan Lai dashed into the kitchen with a whoosh.

"No," He Zhen said, "It's my rice porridge. It's burning."

Yuan Lai: "... He Zhen, you really are the kitchen killer."

He Zhen really wanted to cry but had no tears.

Where's Jiang Yu? Jiang Yu! Please get up quickly and save me! As if she had heard He Zhen's heartfelt request, Jiang Yu got up quickly and tidied up before heading downstairs.

But the smell of burnt food...

Jiang Yu covered her nose as she went to the kitchen and asked, "What's that smell?"

He Zhen had a bitter look on his face as he said, "The breakfast I made for you guys is burnt."

Jiang Yu: "... burnt? How much water did you put in?"

He Zhen gestured and said, "It's probably just like a bowl of water."

Jiang Yu felt a little helpless and said, "You put in too little water. It should be like three bowls of water."

He Zhen wanted to cry but couldn't. He said, "Jiang Yu, why don't you help me?"

"Got it. Leave it. I'll do it," said Jiang Yu.

"Thank you, Jiang Yu!" He Zhen shouted.

Chapter 389 Save The Day

He Zhen's breakfast had received a unanimous negative review from everyone, which dealt a huge blow to He Zhen's confidence.

In the end, he had no choice but to ask Jiang Yu for help. "Jiang Yu, help!"

Jiang Yu: "..."

Jiang Yu thought He Zhen had said that he was going to make breakfast, but in reality, he could not do it at all.

However, she had never expected that He Zhen would try his best to make breakfast and nearly blow up the kitchen.

Looking at He Zhen's crying face, Jiang Yu shook her head helplessly. She rolled up her sleeves and said, "Let me do it."

Wang Yu remembered that Jiang Yu still had the burn from last night. She asked worriedly, "Jiang Yu, is the injury on your arm alright?"

Jiang Yu showed her arm to Wang Yu with a smile and said, "It's alright. Take a look."

Wang Yu checked it carefully and confirmed that Jiang Yu was indeed fine. Only then did she feel relieved that she was cooking in the kitchen.

"Alright, go back and sit down." Jiang Yu chased everyone out of the kitchen. Otherwise, it would take up a lot of space if a group of people gathered together.

The guests were basically awake, except for Li Jing who was still sleeping soundly in her room.

W

0

Li Jing didn't wake up until Jiang Yu brought her breakfast to the table.

"What time is it?" Yuan Lai glanced at the clock on the wall. It was already 9:30.

"What time did she sleep last night? Why didn't she wake up after such a long time?" He Zhen was puzzled. "After the recording ended, she came back to wash up and went to bed," Wang Yu said.

The program team had originally booked a room for each person, but Li Jing went to the director and said that she was afraid and didn't dare to sleep alone.

Coincidentally, Wang Yu also said that she wasn't used to sleeping outside, so she hoped that the director could find someone to sleep with her, even if it was a staff member.

So, Li Jing and Wang Yu stayed in the same room.

This was something that happened naturally.

"That was very early," He Zhen said. "Yesterday was the first outdoor recording, so it ended very early. How could she sleep for so long?"

"I don't know." Wang Yu shrugged as if she was dissatisfied with the experience she had last night. She complained, "I couldn't even sleep properly last night." "What's wrong?" Yuan Lai asked curiously.

Wang Yu explained, "Li Jing talks in her sleep. She snores and grinds her teeth..."

It seemed that it was not good to talk about her behind her back, so Wang Yu's voice became softer and softer.

However, she was still dissatisfied. She mumbled, "But her snoring is really loud... I wanted to wake her up, but I was afraid of disturbing her sleep, so I could only endure it..."

It was obvious that Wang Yu did not sleep well last night — two heavy dark circles were hanging under her eyes.

"Then you have to rest well after the recording is over today," Zhang Xiao said with concern.

"Okay, I got it," Wang Yu nodded and replied.

However, it was said that it would be very difficult to sleep well tonight if she still had to hear Li Jing's snoring and talking in her sleep.

Jiang Yid worriedly, "Do you want to go and rest for a while now?"

Wang Yu shook her head and said, "It's alright. We'll be recording in a while."

Speaking of recording, Director Zheng just remembered that they had to start recording on time at 10 o'clock today.

In the end, Li Jing still hadn't woken up?

Director Zheng hurriedly asked the staff to wake Li Jing up. He told her to hurry up and pack up so that they wouldn't delay the filming

The staff quickly went airt and knocked on Li Jing's door, but after a long time, Li Jing did not respond.

The staff thought that the sound of her knocking on the door was too soft, so they increased their strength and continued to knock.

Chapter 390 True Self

When she knocked on the door, the staff member even called out tentatively, “Li Jing? Are you up? The recording will start in a while. Hurry up and get up.”

The staff member who knocked on the door was an intern who had just graduated not long ago. He did not have as much confidence as the older generation of staff members, so his voice was very gentle.

Li Jing probably heard his tone, so she opened the door and threw a pillow at the intern.

At the same time, she shouted loudly, “Aren’t you annoying?! I’m still sleeping!”

The people downstairs who were eating breakfast were so frightened by this roar that they did not know how to eat.

“What????” Yuan Lai was very shocked and said, “Who is this? Li Jing?”

He Zhen swallowed the porridge with great difficulty before answering, “I think so.”

Zhang Xiao and Wang Yu quickly threw away their chopsticks and went upstairs to check the situation.

Jiang Yu was no exception. She put down her chopsticks and ran upstairs.

The intern lowered her head, she kept explaining, “I’m sorry, I’m sorry... But the program is going to be recorded very soon. If you don’t get up, you will delay the recording process. We have no choice, so we came to call

you...”

The intern explained with a sobbing voice.

Only then did Li Jing remember that she was still recording the program, so she couldn’t lose her temper easily.

Just now, she thought she was at her home, and there were people who didn’t know what was good for them knocking on the door and calling her to get up, refusing to let her sleep.

She quickly put her hand on the intern’s shoulder and said, “Oh, I’m sorry. I was angry when I got up. I forgot that I was still recording the program, so I lost my temper at you. I’m really sorry.”

Zhang Xiao and Wang Yu rushed over and saw Li Jing apologizing. They didn’t say anything else and told the intern to go downstairs to rest.

“I’m sorry. I’ve troubled you,” Li Jing apologized again.

However, even if Li Jing apologized, the audience didn’t buy it.

“Damn, is this really the same Li Jing from yesterday?”

“The contrast is really too big. Forgive me for not being able to accept it.”

“Even if she was angry when she woke up, it can’t be that serious, right? She doesn’t even know that staff member, yet she’s throwing a tantrum at her like this?”

Some people criticized Li Jing’s actions on one side, while others naturally thought that she did not do anything wrong.

“Come on, she already said that it was because she forgot to record the program. She thought that someone was disturbing her sleep, so she threw a tantrum.”

“Exactly. Aren’t you angry that someone interrupted you when you were sleeping soundly?”

“Yeah, compared to those people who are obviously angry but pretend not to be angry, I think that Li Jing’s anger is more real.”

“Right, right, right, don’t be pretentious! That’s how I like it!”

Jiang Yu stood behind Zhang Xiao and Wang Yu, carefully sizing up Li Jing.

It didn’t look like she was lying.

She must have really lost her temper because she was woken up by someone. However, her attitude toward apologizing was fake.

It was probably because she wanted to protect her image that she decided to apologize?

Otherwise, based on her original appearance, this matter wouldn’t have been resolved so easily.

Moreover, she had to apologize to resolve this matter.

It seemed that this Li Jing really wanted to stay in this program team and compete with her.

She really has perseverance, Jiang Yu thought silently. She could not help but praise Li Jing’s ability to twist the narrative.
