

Older Man 481

Chapter 481: Chit-chat

Jiang Yu tentatively glanced behind Xu Ye. She noticed that Li Lu didn't follow her.

Xu Ye saw through Jiang Yu's intentions and said with a smile, "I've already shaken Li Lu off. She's gone back."

Jiang Yu: "... Is that so? But I wasn't looking for Li Lu."

Xu Ye asked, "You're not looking at Li Lu? Then who are you looking at? Are you looking at me?"

Jiang Yu felt that she could no longer communicate with Xu Ye, so she said, "I need to practice my dance. Movie King Xu, you should go back and rest."

Xu Ye pretended to be unhappy and said, "You're going to chase me away just like that?"

Jiang Yu: "..."

Jiang Yu looked at Sister Xia, hoping that she would help her send Xu Ye away as soon as possible.

Sister Xia also saw through Jiang Yu's intentions. She walked over and said to Xu Ye, "Movie King Xu, Jiang Yu still needs to practice her dance. If you stay here, you'll disturb her."

'Sister Xia is really daring,' Jiang Yu thought to herself. She had said the same thing just now, but Xu Ye had no intention of going back.

However, after Sister Xia said this, Xu Ye turned around and was about to leave. Before he left, he said, "Jiang Yu, I look forward to your good performance."

After saying this, he returned to his lounge.

"What's going on with Xu Ye?" Sister Xia also felt that something was wrong. She turned around and asked Jiang Yu, "What's going on between you and Xu Ye? How close did the two of you get when I didn't know?"

Jiang Yu also felt helpless and said, "I don't know what's going on with Xu Ye either. I don't know him very well at all. I've only met him a few times and haven't spoken to him much."

"Then why did he come to find you?" Sister Xia didn't understand and guessed, "Could it be that he wants to use you to get rid of Li Lu?"

Jiang Yu didn't know what Xu Ye was thinking and said, "It should be like this."

Sister Xia still felt that something was wrong. "But if that's the case, Li Lu's hostility toward you will become greater and greater." Sister Xia sighed softly, she said, "Sigh, we can only take it one step at a time. After all, I can't see what's going on with this Xu Ye."

The order of appearance for this semi-final was decided by the drawing of lots by the director's team, and Jiang Yu's appearance was in fifth place.

Li Lu's appearance order was in the last place, and Xu Ye was in front of her.

Li Lu did not feel angry because she was the last to appear. Instead, she felt a little happy because she could wait on the stage with Xu Ye.

“Why? Are you here to watch Jiang Yu dance?” Li Lu looked at the fourth contestant dancing on the stage and pretended to ask Xu Ye, who was beside her, unintentionally.

Xu Ye also answered, “Aren’t you the same?”

Li Lu smiled and said, “But my goal is different from yours.”

Xu Ye also smiled and asked, “Then tell me, what is my goal? Do you want to rub oil on the steps?”

Li Lu’s previous actions were so easily said by Xu Ye that she could not keep her face straight. She stuttered, “W-what do you mean by this? Why are you suddenly talking about this?”

Xu Ye smiled and said, “It’s nothing. I just suddenly remembered.”

No matter what Xu Ye said, he always acted as if he did not care. This made Li Lu a little angry.

She asked in an unfriendly tone, “Do you always say that to everyone? Only to Jiang Yu do you have a different tone and expression?”

When Xu Ye heard her mention Jiang Yu, his expression was a little unfriendly. He said, “Don’t bring Jiang Yu into everything.”

“When I say Jiang Yu, will you get anxious? Will you get angry? No matter who the other party is?”

Chapter 482: 482 beautiful female ghosts

Enchanting Female Ghosts

Xu Ye looked at her and said, “Yes, I don’t care who they are, including you.”

Li Lu was so angry that she raised her voice and said, “Xu Ye! My sister is Li Yue! It won’t do you any good to offend me!”

Jiang Yu happened to pass by when she said this.

She pretended to be unintentional and said, “Do you have to bring up who your sister is whenever you talk to others?”

“Jiang Yu?! What has it got to do with you?!” Li Lu was flustered and exasperated.

“It’s nothing. I’m just passing by.” Jiang Yu said very casually, “Sorry, excuse me. You’re blocking my way on stage.”

Sister Xia heard what Jiang Yu said to Li Lu from afar and felt a little gratified. She said to herself, “Jiang Yu has finally grown up. She finally knows how to speak harshly to those who bully her.”

Li Lu’s expression was ugly as she made way for Jiang Yu. After all, there was still a bunch of staff present.

More importantly, Xu Ye was still there.

After Jiang Yu went on stage, Li Lu looked at Xu Ye and asked, "You're not going back? There's still some time before you go on stage."

Xu Ye did not look at her. His gaze only followed Jiang Yu on stage.

However, he said to Li Lu, "Didn't you also not go back? You came on stage later than me."

Li Lu sneered and said, "I just want to stay here and watch her dance and watch her make a fool of herself. What do you think?"

Xu Ye also laughed and said, "Your interests are really unique. You always like to make things difficult for yourself."

Li Lu snorted coldly and did not say anything else.

She wanted to watch Jiang Yu make a fool of herself, but the truth always did not go as she wished.

After Jiang Yu's dance, "The Enchanting Female Ghost," ended, she received a full house of applause.

The judges even stopped her when she was about to leave the stage and asked, "Jiang Yu, have you really never learned how to dance?"

Jiang Yu bowed very politely and said, "No, I learned it by myself."

After this dance, the artists completely changed their view of Jiang Yu.

"Your future is really limitless," the artists said of Jiang Yu.

"Thank you very much for the judges' affirmation," Jiang Yu said.

Li Lu did not see Jiang Yu making a fool of herself. Instead, she heard the old artists' comments on Jiang Yu. This made Li Lu feel even more upset and she returned to her lounge without looking back.

Xu Ye secretly watched Li Lu's back as she left and sneered.

Li Yue had really spoiled her little sister.

After Jiang Yu finished her dance, she bumped into Xu Ye again when she left the stage.

Xu Ye walked beside her and asked, "How is it? What do you think when you hear the judges praise you so much?"

Jiang Yu didn't even look at him and only said, "I'm flattered."

"Is that the only thought?" Xu Ye continued to follow Jiang Yu and asked, "Don't you have any other thoughts?"

Jiang Yu didn't say anything.

She really couldn't understand why Xu Ye kept pestering her.

She didn't have any connections or resources, so it wouldn't do her any good to be so close to him.

Sister Xia seemed to have expected Xu Ye to stop Jiang Yu, so she ran out early to pick her up.

“Jiang Yu!” Sister Xia started calling her from afar.

When the savior appeared, Jiang Yu quickly responded to Sister Xia, “Sister Xia! I’m here!”

Sister Xia hurriedly looked for her.

“Jiang Yu, hurry back to the lounge after you’re done dancing.” Sister Xia put her coat on Jiang Yu and glanced at Xu Ye.

“Movie King Xu, aren’t you going back?” Jiang Yu said, “My manager has come to pick me up.”

Chapter 483: Hostility

Xu Ye smiled and said, “Why are you in such a hurry to chase me away? I’m not a jinx, am I?”

Jiang Yu wanted to say that he was not a jinx, but he was better than a jinx.

Because he always attracted Jinx to her side.

Sister Xia covered for Jiang Yu to return to the waiting room and said to Xu Ye, “Movie King Xu, you should hurry back.”

This was already an obvious order to leave. If Xu Ye did not understand it, it would be a little too much.

Hence, he smiled and said, “Alright. When I go on stage, Jiang Yu, you must remember to look at me.”

Jiang Yu: “... Alright.”

Although she wasn’t very willing, she had to put on a show, so she still agreed to Xu Ye’s request.

Therefore, when Jiang Yu stood below the stage and watched Xu Ye dance, Li Lu was also there.

“What are you doing here?” Li Lu looked at Jiang Yu and asked in surprise.

Jiang Yu had long expected that Li Lu would appear here, so she said, “Aren’t you here too?”

Li Lu said, “I’m the person who appeared after Xu Ye. Of course, I have to be here.”

Jiang Yu nodded and said, “Oh.”

She didn’t get the answer she wanted to hear, so her tone was a little displeased. “I asked you a question. Why aren’t you saying anything?”

Jiang Yu said, “I answered you. I said ‘Oh’.”

“You call that an answer?” Li Lu was very unhappy and said, “Why did you come over to watch Xu Ye dance? Aren’t you afraid that someone will take a photo of you and spread the rumors about you and Xu Ye?”

Jiang Yu was finally willing to look at Li Lu this time and said, “Aren’t you here too? I think you should prefer to spread the rumors about you and Xu Ye, right?”

Jiang Yu directly exposed her worries. Li Lu was both embarrassed and angry as she said, “Jiang Yu, don’t go too far!”

Jiang Yu smiled and said, "I'm not wrong, am I? Forget it, I won't watch anymore. If you like it, then you can continue watching. I won't stay here to watch with you. It's very boring."

After saying that, Jiang Yu went back.

Li Lu looked at Jiang Yu's figure, she secretly said in her heart, Jiang Yu, don't think that I'll forgive you just because you're like this. Never! Let alone Xu Ye, you'll never be able to snatch him away. Even Mo Long will have to go back to my sister's side in the end

Jiang Yu didn't know what Li Lu was thinking, but she felt a chill on her back. She guessed that Li Lu didn't have any good thoughts.

"They really are two unpredictable people," Jiang Yu said to sister Xia. "One is Li Lu, and the other is Xu Ye. Both of them do things with strong motives, but these motives don't make sense."

Sister Xia was puzzled. "What's wrong?"

Jiang Yu said, "Li Lu is more hostile towards me. I know it's because of Xu Ye. But it doesn't make sense. What does her liking Xu Ye have to do with me? Why does she have to shift all this hatred onto me? And that Xu Ye. It won't do any good if he gets too close to me. But he still wants to get so close to me."

Sister Xia sighed and said, "Sigh, maybe this is how Movie Kings do things."

She did not want Xu Ye and Jiang Yu to get too close because there were not many benefits.

However, there was no conflict between the two of them. If they were to stop talking and not even be friends, it would not make sense.

Jiang Yu said, "This Xu Ye... It's better to stay with Li Lu."

Sister Xia said helplessly, "You, at this time, shouldn't bother about others. You should take care of yourself first."

Jiang Yu nodded and said: "I know."

Chapter 484: Ranking

The semi-finals ranking was quickly announced. Jiang Yu's ranking was always in the middle. Although she was slightly behind, she could still guarantee her advancement.

Li Lu's ranking also narrowly passed and she successfully advanced.

On the other hand, Xu Ye was not so lucky. Unfortunately, he was eliminated.

Li Lu seemed to be a little sad about Xu Ye's elimination. She found him and whispered, "Why is your ranking so low this time?"

Xu Ye looked at her and said, "I'm just here to improve myself. I don't have to get a good ranking."

Li Lu looked a little aggrieved like a little girl and said, "But I still want you to get a good ranking. After all, you're the new Movie King this year."

Xu Ye asked her, "If I successfully advance to the semi-finals, then one of the top five people will be squeezed out. Who do you want to squeeze out?"

Li Lu said, "It must be Jiang Yu..."

Jiang Yu was in third place, while Li Lu was in fifth place, just in time to advance.

Xu Ye smiled and said, "But you're only in fifth place. If you really want to push one out, it must be you, right?"

He was clearly smiling, but there was not a single bit of sincerity in it.

Li Lu looked at him and felt sad and angry.

What was sad was that Xu Ye had never had a gentle expression when talking to her. Every time he saw her, he would be eager to run away as if she was some kind of plague.

What made her angry was that Xu Ye only smiled when Jiang Yu was mentioned. It was the kind of gentle and sincere smile.

Li Lu asked him, "Do you only smile when Jiang Yu is mentioned?"

Xu Ye was silent for a while before he said, "What nonsense are you talking about? Jiang Yu is Mo Long's girlfriend. Although I'm a new Movie King, I'm not brave enough to fight Mo Long for her."

Li Lu heard him and sneered, "Who knows if you're brave enough? You said you're not brave enough to fight Mo Long for her. But are you really not brave enough? Are you really not brave enough to fight for her?"

Xu Ye smiled and said, "Then guess."

He was just like that.

Not only did he act in front of the camera, but he also had to act in life.

Jiang Yu got the ranking. Although she was not the first place, she was still very happy.

She saw sister Xia and said, "Sister Xia, I haven't let you down at last."

Sister Xia was also very happy and said, "Yes! After the finals, you can continue to record the show 'Aces vs Aces.'"

Jiang Yu nodded and said, "After everything is done, I'll definitely have a good rest."

Sister Xia said, "That's right, definitely have a good rest..."

Before Sister Xia could finish her sentence, she heard someone talking at the door.

From the sound of it, it sounded like Li Lu.

"Why? The competition is already over, why are you still here to see Jiang Yu?"

Jiang Yu paused.

Who was here to see her? Could it be that Movie King Xu whom she could not shake off?

As expected, Xu Ye's voice rang out the next second. "It doesn't seem to have anything to do with you whether I visit at Jiang Yu or not, right?"

Jiang Yu sighed and whispered to Sister Xia, "I guessed that it was the two of them."

Sister Xia said worriedly, "Why don't... We just pretend that we're not here?"

Jiang Yu sighed, she said, "It's a blessing, not a curse. If it's a curse, we can't avoid it. If the two of them really come over, then let them come over. It just so happens that we can explain everything in one go, so that they won't always come looking for me, intentionally or otherwise."

Chapter 485: Explanation

Li Lu's voice became louder and louder. "Xu Ye! Don't keep thinking about other people's girlfriends!"

Xu Ye didn't say anything. He walked over to Jiang Yu's lounge and was about to knock when Jiang Yu opened the door and asked, "What's the matter?"

When Li Lu saw Jiang Yu, she was in a bad mood and her tone became very angry. She said, "Jiang Yu?! The competition is already over, why aren't you leaving? Are you waiting for us here to find you?"

Jiang Yu really admired Li Lu's imagination. She said helplessly, "Didn't the two of you not leave either?"

Li Lu was like an unreasonable child. She said, "What does it have to do with you whether we leave or not?!"

Jiang Yu smiled and asked her in return, "Then what does it have to do with you whether I leave or not?"

Li Lu choked and could not say a word for a long time.

On the other hand, Xu Ye acted as if nothing had happened and said, "Jiang Yu, I'm here to congratulate you on getting a good ranking."

Jiang Yu smiled and said, "Then thank you."

When Li Lu saw how gentle Xu Ye was towards Jiang Yu, she immediately became angry and said loudly, "Jiang Yu, are you going back after the competition? Is Mo Long not waiting for you at home?"

Jiang Yu was not angry. She smiled and said, "Sister Xia is helping me pack my things. I'll be back soon."

Li Lu snorted coldly and said, "Hurry up and go back. There aren't many people left at the competition venue."

Jiang Yu tilted her head and looked at her. She smiled and said, "Okay. Then you must remember to hurry back."

Li Lu stopped looking at her and said, "It's none of your business."

Xu Ye said, "Jiang Yu, where are you going? Home or the studio? Do you need me to send you back?"

Jiang Yu immediately rejected, "There's no need."

Li Lu was in a very bad mood and her tone of voice had also changed. Even the tone in which she spoke to Xu Ye had changed.

Li Lu said angrily, "What does it have to do with you, Jiang Yu? Do you need to send her back?"

Xu Ye smiled and did not speak to her. Instead, he spoke to Jiang Yu, "Eh? I'll send you back. Otherwise, it'll be too dangerous for you to go back alone."

Jiang Yu said, "It's alright. Sister Xia will come with me."

Sister Xia also walked over and said, "I've already packed the things, so we'll go back first. If Movie King Xu has nothing else to do, you should go back too. Don't keep coming to look for Jiang Yu."

Xu Ye seemed like a person with a good temper. Even if Sister Xia said so, he wouldn't be angry.

He said, "Alright, I'll head back now."

Initially, Li Lu didn't have a good tone when she spoke to Xu Ye. However, when she heard Sister Xia talking to Xu Ye like this, she couldn't help but stand up and say, "Do you know how to speak? If you don't know how to speak, then shut up. The same type of manager has the same type of artist."

Sister Xia was also in a good mood. She knew that Li Lu had always been like this, so no matter what she said, she would not be angry.

Sister Xia said, "Then I'm really sorry. Please excuse us. We have to go back."

Jiang Yu sighed and said, "If you really want me to go back, then I'll go back now. If you have something to say to Xu Ye, then just say it."

She originally wanted to explain the matter between her and Xu Ye, but it seemed that she didn't have the chance to do so.

Moreover, even if she explained, Li Lu wouldn't listen to her.

Therefore, Jiang Yu still wanted to leave this place as soon as possible so that she wouldn't have anything to do with them anymore.

Fortunately, Li Lu also hoped that Jiang Yu would leave as soon as possible so that she and Xu Ye wouldn't waste any time alone.

Chapter 486: Choose Dance

Jiang Yu and Sister Xia quickly left this place. On the way back, Sister Xia said worriedly, "What's going on with this Xu Ye?"

Jiang Yu shook his head and said, "I don't know what's going on with this Xu Ye either."

Sister Xia said, "I thought that if you and Xu Ye got closer and became friends, it would be easier for you in the future. But now... It seems that he doesn't just want to get closer to you, but... he even wants to replace Mo Long."

Sister Xia said this carefully, afraid that Jiang Yu would be in a bad mood after hearing it.

Jiang Yu paused, then pretended not to care and asked, "Replace Mo Long for what?"

Sister Xia sighed and said, "I'm afraid that he wants to replace Mo Long's position by your side."

“...” Jiang Yu was silent for a while before saying, “He won’t.”

Sister Xia said helplessly, “I heard people in the circle praise him before, saying that he’s a very good person. Now it seems that... He’s actually a good person, but the way he does it is a little different.”

Jiang Yu closed his eyes and said, “Now that Xu Ye has lost the selection, that’s the best outcome.”

Sister Xia said, “Sigh, I hope so. Oh right, the competition this time is the finals. Should I help you with the dance or do you want to choose for yourself?”

Jiang Yu said, “I’ll choose for myself.”

Sister Xia asked, “Then what type of dance do you want to choose this time?”

Jiang Yu thought for a long time and said, “It’s better to choose a dance that’s a little challenging, but won’t be too difficult.”

Sister Xia also thought for a while and said, “You’ve already danced ‘Green Snake’, ‘White Snake’, and ‘The Beautiful FemaleGhost’ in front of the public. This time, just one... ‘Farewell My Concubine’, How about it?”

Jiang Yu thought for a while and asked, “This is really too challenging. It’s still a little difficult.”

Sister Xia smiled and said, “I believe in you. No matter how you dance, I’ll always support you from behind.”

Jiang Yu also smiled and said, “Thank you, Sister Xia. You always support me unconditionally.”

Sister Xia smiled and said, “It’s okay. I will always support you.”

The two of them chatted happily in the car. No one cared about what Li Lu and Xu Ye said in Jiang Yu’s lounge.

Even if Li Lu was angered to tears by Xu Ye, no one knew.

Just like that, the dance for the finals was decided. It would be “Farewell My Concubine.”

Jiang Yu was still practicing her dance, but the news about her and Xu Ye had already spread online.

The culprit, Li Lu, had only one thought when she posted that post: “What I can’t get, no one can get!”

Xu Ye did not know who had taken this photo. In the photo, Jiang Yu was smiling at him like a flower.

However, only Xu Ye knew that Jiang Yu had only smiled and said “Thank you” to him.

However, Xu Ye did not shout out an explanation. Jiang Yu was also focused on practicing her dance and did not notice this post.

When Sis Xia saw it, it was already close to the finals.

She looked at the post and made up her mind not to let Jiang Yu see it before the competition.

However, when Jiang Yu saw Sister Xia’s secretive look, she knew that she was hiding something from her.

Hence, she walked over and asked, "Sister Xia, do you have something to tell me?"

Sister Xia paused and said, "I have nothing to tell you."

Jiang Yu did not believe her and asked, "Really? But you look completely different from before."

Chapter 487: Performance

Sister Xia also knew that this matter couldn't be hidden from Jiang Yu, so she simply told her the truth and told her everything.

When Jiang Yu heard this, she pursed her lips and said, "It's Li Lu, right?"

Sister Xia asked, "How do you know it's Li Lu? After all, Li Lu likes Xu Ye."

Jiang Yu said, "Perhaps this is what women think? If you can't get it, then destroy it."

Sister Xia sighed, she said, "But after this matter came out, Xu Ye didn't come out to explain. He clearly knows that you have a boyfriend, but he still doesn't want to explain when it comes to this matter. Isn't it obvious that he doesn't want to explain? He wants to use you to continue climbing up the ranks."

Jiang Yu also sighed and said, "Who knows?"

Sister Xia hurriedly said, "Jiang Yu, no matter what happens, don't be nervous. Just focus on not having this incident happen."

Jiang Yu said, "I know. It's not the first or second time I've encountered something like this."

Sister Xia was still worried. She said, "You're the first one in the drawing order this time. You go up and jump first. I'll meet you downstairs."

Jiang Yu nodded and said, "Okay."

After Jiang Yu went on stage, Sister Xia quietly looked at her from below.

Suddenly, a voice sounded, "Are you waiting for Jiang Yu here? Why? Are you afraid that something will happen to her?"

It was Li Lu.

Sister Xia turned around and asked, "Does this matter really have anything to do with you?"

Li Lu pretended to be dumb and asked, "What's the matter?"

Sister Xia had already expected that Li Lu would not admit it, so she naturally would not shed all pretense of cordiality with Li Lu and bring this matter to the surface.

However, Li Lu did not seem to have any intention of letting Jiang Yu off. She still said, "Jiang Yu is really shameless."

When Sister Xia heard this, she was so angry that she couldn't even stand on her own feet, she said unhappily, "Li Lu, no matter what, you're still Li Yue's younger sister. You have to be careful with your words and actions. Don't ever say such abusive words again in the future."

Li Lu didn't mind and sneered. "Those who don't know would think that you care about me a lot. It's just that you can't hear me speak ill of Jiang Yu!"

Sister Xia continued to endure and said, "If you have the time, you should go to the lounge and practice your dance. Don't waste your time here."

Li Lu was not angry at being chased away. She only said, "I advise you to control Jiang Yu in the future. After all, no one knows what will happen to her in the future."

Seeing her expression, Sister Xia knew that this matter was definitely related to Li Lu.

"Keep an eye on her," Li Lu said before she left. "She's always trending on the internet like this. Aren't you afraid that something will happen to her in the future?"

Sister Xia wanted to say that she was the one who would hurt Jiang Yu, yet she was still saying all this? She really knew how to fake concern.

Her acting was really good.

After Jiang Yu finished her performance, she saw Sister Xia waiting for her.

"Sister Xia." Jiang Yu hurriedly walked over and asked, "Have you been here the whole time? Did Li Lu come to find trouble with you?"

Sister Xia shook her head and said, "No, she just came over to say some nonsense. However, I think the same as you. I'm afraid that the main culprit for this incident is Li Lu."

Jiang Yu didn't think about whether it was Lulu or not. She only said, "It doesn't matter whether it's her or not. As long as she doesn't come to find trouble, it's fine."

Sister Xia said, "Let's put this matter aside for now. We'll settle it after you've selected the Movie Queen Award."

Jiang Yu nodded and said, "Alright."

Chapter 488: Salesperson

Jiang Yu was still practicing her dance when she suddenly received a call from Sister Xia. She said, "The dance competition has been postponed due to the director and the judges."

Jiang Yu pursed her lips and asked, "What about the variety show? Do I still have to go?"

Sister Xia paused for a moment and said, "Go ahead. Director Zheng called me just now and said that since the competition date has been postponed, he would like to invite you back to continue recording the show."

Jiang Yu nodded and said, "Okay."

"Then you should pack up first. Tomorrow is the new episode's recording. Rest well and take care of your body."

"Okay."

Jiang Yu continued to exchange a few pleasantries with Sister Xia before hanging up the phone.

The next day, Jiang Yu packed up her things and went to the recording venue of 'Ace versus Ace'.

He Zhen had not seen Jiang Yu for a long time. He ran over excitedly and said, "Jiang Yu! I haven't seen you for a long time! Come back quickly and lead us to victory!"

Jiang Yu smiled and said, "I missed you guys too, so didn't you come back quickly? I'm ready to lead you to victory!"

He Zhen was so moved that tears welled up in his eyes — of course, it was an act. He said, "I knew you missed us!"

Director Zheng introduced today's theme game, he said, "Today's game is to commemorate the staff who live at the grassroots level. There are cleaners, salesmen, and employees of listed companies. Today's game mission is to get a chance to draw lots and see which character you choose. Then, you will complete the corresponding mission and win."

The game mission was rock, paper, scissors. Zhang Xiao's team sent Qin Yuan, and Wang Yu's team sent Jiang Yu.

"Jiang Yu, it's been so long. So you went to participate in the dance competition?" Qin Yuan smiled, looking like a very amiable senior.

Jiang Yu also smiled and said, "I'm honored to have received senior Qin Yuan's attention."

Qin Yuan's words were all fake. Naturally, she knew that Jiang Yu's words were not sincere, so she said, "Hurry up and do the game quest. Otherwise, you'll have to stay up late to sleep again."

Jiang Yu smiled and said, "Okay."

Following director Zheng's "Start", Qin Yuan and Jiang Yu attacked at the same time.

Qin Yuan was scissors, and Jiang Yu was rock.

"Yeah! We won!" He Zhen cheered and asked, "Can our team draw lots first?"

Director Zheng said, "Yes. Zhang Xiao's team can only be randomly assigned by us. Wait a minute, let me see... It's a cleaner."

"Cleaner?" Qin Yuan was in disbelief and said, "They haven't even started drawing lots, and they already randomly assigned us a cleaner? What if they draw lots to be a cleaner?"

Director Zheng explained, "If they draw lots, it's up to them to draw lots. It has nothing to do with you guys. Moreover, if they win the game, they actually have another privilege, which is that they have the right to choose which role to play."

"Does that mean there's no need to draw lots?" Qin Yuan was not satisfied and said, "Director, you're being biased."

Director Zheng smiled awkwardly and said, "But this is also a privilege of the winner."

When He Zhen heard that, he said directly, "Then we won't draw lots. Let's choose directly. Let's choose the salesman."

Director Zheng said, "Okay. Since the two teams have already chosen their identities, let's go change our clothes and then come back to collect the props."

He Zhen was very proactive. "Okay! Wait for us, director!"

Chapter 489: Sales Job

The job that Jiang Yu and the others got by drawing lots was to sell a lipstick. The color was not considered good, but it was still better than barbie pink.

He Zhen did not understand these things. He held the lipstick and looked at it over and over again, asking, "How does this lipstick look to you girls? Is it nice?"

Wang Yu took the lipstick and looked at it briefly, "This lipstick can only be considered medium. The color isn't that nice. And I feel that it's a very unpopular color. Not many girls will buy it."

He Zhen began to feel distressed. "Then how are we going to sell it? Since you two girls have said so, then surely no one will buy it?"

Jiang Yu said, "This is a test of our ability. Alright, stop feeling sorry for yourself. Take the thing and go with us."

He Zhen scratched his head and was about to leave with Jiang Yu when Director Zheng stopped him. "He Zhen! You didn't take the lipstick!"

He Zhen paused, turned around, and pointed at himself in disbelief. "I still need to take one?!"

Director Zheng nodded, motioning for him to see that Jiang Yu and Wang Yu each had a lipstick on their hands.

"I... Aren't we supposed to sell one lipstick together?" He Zhen tried to act pitiful in front of Director Zheng, hoping that he would allow him to sell lipstick with Jiang Yu and Wang Yu.

Unfortunately, Director Zheng didn't buy it. He said, "Hurry up and get the lipstick. Then, each of you will sell your own lipstick. Whichever team's three members complete the task first will be considered the winner."

He Zhen said with a sad face, "Director! You are obviously making things difficult for me!"

Director Zheng ignored him and handed him a lipstick. He said, "Hurry up and go out to do the task. Don't be the only one who didn't sell the lipstick in the end."

He Zhen quickly caught up to Jiang Yu with the lipstick.

The three of them went out on the street and looked at each other.

"How can I make people buy it willingly?" He Zhen asked in distress. "I think the two of you are okay, but I really can't sell it successfully."

Jiang Yu patted his shoulder and comforted him. "Don't be discouraged. Come on, someone will buy it."

“Who will buy it?” He Zhen was extremely regretful now. If he had known earlier, he would not have chosen any salesmen. He would have chosen the staff of some listed company instead.

Wang Yu smiled and said, “It’s alright. You can watch how Jiang Yu and I do it by the roadside first, and then follow suit. If you really can’t sell it in the end, Jiang Yu and I will help you.”

The expression on He Zhen’s face eased up a little, and he said, “Then you two must remember to hurry up! You must remember to help me!”

“Got it!”

Therefore, He Zhen stood in the same place for the rest of the time, staring blankly at the passersby around him.

“This thing...” He Zhen held the lipstick and looked at it for a long time, muttering to himself, “Can I really sell this thing?”

The bullet comments were laughing like crazy. One after another, they commented, “Isn’t He Zhen too cute?! He looks so cute when he holds the lipstick in his hand.”

“Really, really! Brother Zhen is so cute! I’m looking forward to brother Zhen selling the lipstick!”

“But I feel that if brother Zhen really sells this lipstick, it should be thanks to Jiang Yu and Wang Yu, right?”

“Hahahaha! We have the same feeling! I also feel that if it weren’t for Jiang Yu and Wang Yu, He Zhen wouldn’t be able to sell the lipstick in his hand at all! Hahaha!”

“Plus one plus one! He Zhen himself is a sociopath, he doesn’t even dare to say a word, he simply can’t sell the lipstick!”

Chapter 490: Success

Jiang Yu walked to the side of the road with her lipstick in her hand. She stood there quietly for a while before someone came over to talk to her.

“Hello, are you recording a program?” A girl dressed as a university student asked shyly.

Jiang Yu smiled and replied, “Yes, we are indeed recording a program.”

The girl asked again, “Then what are you recording? Do you need help from passersby?”

It seemed that this girl was still warm-hearted.

Jiang Yu smiled and said, “We need to rely on our own efforts to sell this lipstick.”

As she said that, Jiang Yu took out the lipstick.

The girl didn’t say anything else and said directly, “I’ll buy it.”

Jiang Yu laughed and said, “I know you mean well, but you should listen to me introduce the pros and cons of this lipstick before deciding whether to buy it or not.”

The girl blushed and said, “Then, then introduce it. I’ll listen.”

Jiang Yu began to introduce the lipstick. "Let me first introduce cons because there are fewer cons, the color is unpopular. However, there are more advantages. The most obvious one is that the color looks better. Secondly, this is a brand of lipstick. Although the color is unpopular, the color shows your skin to be fairer. You can try it."

As she spoke, Jiang Yu handed the lipstick to the girl and said, "You want to try it?"

The girl took the lipstick and took out a small mirror from her bag. Then, she tried the color number of the lipstick.

"It's really not bad." The girl looked at the mirror and said, "This lipstick color is really not bad. Which brand is this?"

The girl's question really stumped Jiang Yu.

In fact, she just casually said that this lipstick was a brand. But in fact, it was a very niche brand, and even Jiang Yu had never heard of it.

Now that the girl asked, Jiang Yu could only take the lipstick and look at the English letters on it, she said, "This is a new brand, called 'Gli'. If you like it, I hope you will come to visit more often in the future."

The girl smiled and said, "Okay! Can you tell me your name?"

"Hello, my name is Jiang Yu."

"You are Jiang Yu?!" The girl shouted in shock, "So you are Jiang Yu! No wonder you look so familiar! Jiang Yu, my friend is your fan. Can you help me sign an autograph?"

Jiang Yu couldn't help but laugh and said, "Sure."

The girl took out a piece of white paper and a pen from her backpack and handed it over, saying, "Thank you so much!"

Jiang Yu took the piece of white paper and paused for a moment. After signing her name, she drew an inconspicuous little heart near her name.

Then, she specially showed it to the camera and said, "Take a look. It's my autograph for my fans."

The bullet comments went crazy again. "This girl is really lucky to get Jiang Yu's autograph!"

"But don't you think it's strange? Why is she holding a piece of white paper to get Jiang Yu's autograph? Is she up to something?"

"No way! It's just a fan asking for an autograph from her idol. It shouldn't be a big deal, right?"

"Yeah... don't think too badly of her, right?"

"But it's just very strange... forget it, it seems like I'm thinking too much."
