

## Older Man 611

### Chapter 611: Hard To Believe

Lin Bei guessed, "Do you think it's possible that Jiang Yu bribed the judges in advance? Just like how she used money to buy votes for herself?"

Wang Qing was so angry that she could not think straight. Her eyes widened as she said, "It must be like that! She must have bribed the judges, and that's why the judges gave her such a high score! I want to find her and ask her about it!"

As she said that, she rolled up her sleeves and was about to go to Jiang Yu, ignoring Lin Bei's attempts to stop her.

Kang Xue saw her when she passed by and quickly stopped her. She asked, "What are you going to do with that look on your face?!"

Wang Qing shouted, "I want to go to Jiang Yu and ask her about it! On what basis can she get such a high score? On what basis can she advance? On what basis?!"

Kang Xue's voice was also raised by eight degrees, louder than Wang Qing's, "Look at yourself! Are you going to ask her or fight with her?!"

Wang Qing paused and said with a sobbing tone, "Then what should I do? My chance was taken away by her! She must have bribed the judges! She must have!"

Kang Xue did not know what to say to the angry Wang Qing. She could only comfort her and say, "It's okay. I'll let her have this chance."

"But I'm not reconciled..." Wang Qing cried in anger.

Lin Bei was a person who liked to watch a show. When he heard what Wang Qing said, she said, "If you really don't feel reconciled, go and ask Jiang Yu. After asking, report her directly. By then, she will definitely be embarrassed. Isn't that good?"

Kang Xue glared at Lin Bei, meaning that she should not add fuel to the fire.

Lin Bei stuck out his tongue and tactfully stopped talking.

However, Wang Qing felt that what Lin Bei said was very reasonable. Hence, she shook off Kang Xue's hand and said without turning her head, "I want to ask Jiang Yu about it clearly."

Kang Xue was still trying to persuade her. She said, "Do you think that she will tell you just because you ask her? This is a special period. If you make a big deal out of this, it will be bad for everyone."

At this time, Wang Qing's anger and jealousy had burned away her rationality, making her unable to think at all.

Seeing that she couldn't stop Wang Qing, Kang Xue had no choice but to let her go. However, before Wang Qing left, she said, "Wang Qing, don't blame me for not warning you. When this matter is blown up, you may very well face the punishment of being expelled from the school."

Wang Qing couldn't hear anything at all. No matter what Kang Xue said, she didn't hear a single word clearly.

Lin Bei walked to Kang Xue's side and asked, "Are you just going to let her go?"

Kang Xue said, "What else? Can you stop her? Besides, don't you wish for her to go?"

Lin Bei said embarrassedly, "No. I was just casually saying. Who knew that she would be so angry?"

Kang Xue said, "Wang Qing is really brainless. She still wants to make a scene at this time. If this matter is blown up, I want to see how she will end up."

Wang Qing did not think too much at this time. She only wanted to find Jiang Yu and ask what was going on.

"Jiang Yu!" Wang Qing called out to Jiang Yu who was about to leave with Lu Qi and the others. "Don't you know what you have done? Why are you in such a hurry to leave?!"

Jiang Yu felt that Wang Qing was really baffling.

"What did I do?"

Wang Qing said, "You're really shameless. Are you really going to wait for me to tell the truth?"

Jiang Yu found Wang Qing really funny and said, "Then tell me, what did I do?"

At this moment, the audience was leaving the venue. From a distance, they saw Jiang Yu being stopped by someone. Their curiosity began to run wild, so they gathered around to watch the show.

## **Chapter 612: Embarrassed In Public**

Seeing so many people gathered around, Wang Qing felt that her chance had come.

As long as she exposed Jiang Yu's true colors in front of so many people, her reputation would definitely plummet.

Therefore, she said loudly, "You still have the nerve to ask me what I did? Don't you know what shameful things you did?!"

When Wang Qing said that, the surrounding people started discussing.

"Isn't that Jiang Yu? The one who was praised by the two judges?"

"It's her. Who's the person opposite her? She said that Jiang Yu has done something shameful?"

"What shameful thing? Look at the two of them arguing."

Jiang Yu didn't care about what others thought and said, "Wang Qing, no matter what you say, you have to give evidence."

Wang Qing sneered, "Evidence? Do you need any evidence for this? If you don't believe me, you can ask the people around you. You, a person who hasn't studied piano professionally, successfully advanced, but I, a person who has studied piano professionally for more than ten years, failed to advance. Do you dare to say that there are no hidden tricks?"

Jiang Yu retorted, "What hidden tricks are there?"

Wang Qing became even angrier and shouted, "I'm asking you! I'm not asking you to ask me!"

Wang Qing's anger made the development of the situation even more dramatic.

Some people were discussing, and their voices were loud enough for Jiang Yu and Wang Qing to hear.

"Why didn't Jiang Yu explain? Could it be that what that woman said is true?"

"It can't be. Could it be that Jiang Yu is really such a person? Did she bribe the judges?"

"It can't be? I know that Professor Carl. I heard that he is a very upright art professor. He wouldn't do such a thing, right?"

"The Professor is also a human. Who would have nothing better to do than to make money?"

The surrounding discussions became louder and louder, and the content of the discussions also became more and more outrageous. When Wang Qing heard it, she felt proud, she said, "Jiang Yu, you bribed the judges. Even if there is no evidence, you can guess it. Moreover, you also paid the troll army to buy votes. Otherwise, you would never have won the Movie Queen Award!"

Jiang Yu knew that Wang Qing would expose this matter. Moreover, regardless of whether it was true or false, the surrounding people would definitely treat it as gossip after dinner.

It seemed that Wang Qing had long planned to embarrass her. That was why she brought up these two matters in front of so many people. She wanted her to become the target of public criticism.

When Wang Qing saw that Jiang Yu did not speak, she thought that she had hit her sore spot. The jealousy in her heart dissipated slightly.

She said, "What? Jiang Yu, aren't you going to defend yourself this time? Say that you didn't buy a troll army? Say that you relied on your own strength?"

Jiang Yu sighed and said helplessly, "Wang Qing, I don't know why you're like this. Even if I don't admit that I bought a troll army and bought a judge, you'll only think that I'm defending myself."

"Wang Qing, you didn't advance in the piano competition because you didn't work hard enough. You can't blame others. Back when we were training together, you never practiced the piano seriously. Could it be that you want to advance successfully just because you don't take it seriously?"

Wang Qing's heart was struck by Jiang Yu's words and her face turned green and white with anger.

She said exasperatedly, "What does it have to do with you whether I practice the piano seriously or not!"

Jiang Yu said, "Then what does it have to do with you? If you have the time, you might as well mind your own business."

"You!" Wang Qing was so angry that she did not know what to say. She could only place her hopes on the people around her.

But they also seemed to have changed sides

## Chapter 613: Call For Reinforcements

“Is what Jiang Yu said true or false? Is it because this woman didn’t practice seriously that she didn’t advance? And then she pushed all the responsibility onto Jiang Yu?”

“I don’t know. If what Jiang Yu said is true, then isn’t this woman going too far?”

“Let’s not talk about whether Jiang Yu is a professional or not. Based on what this woman is doing now, I think Jiang Yu is more suitable to advance than her.”

Wang Qing could not stand hearing such words. She pointed at Jiang Yu’s nose and said, “Jiang Yu, did you bribe the audience?”

Jiang Yu did not want to talk to Wang Qing anymore. She sighed and wanted to leave.

However, Wang Qing stopped her and said, “Jiang Yu! If you don’t explain clearly, don’t think about leaving!”

Jiang Yu had no choice but to be pestered by Wang Qing, she said, “If you really want to know, then you can ask the people around you to see if I’ve bribed them. Wang Qing, don’t always push the blame onto others when you fail!”

As she said that, Jiang Yu broke free from Wang Qing’s hand and left without looking back.

Wang Qing wanted to stop her, but she was stopped by the people around her.

“What are you doing?! Why are you stopping me? You should stop Jiang Yu! She bribed the judges!”

A girl in a knee-length dress grabbed Wang Qing’s sleeve and said, “We don’t know whether Jiang Yu bribed the judges or not. But we know clearly whether she bribed the audience or not!”

“That’s right! You want to cause trouble for her, but you don’t have any evidence, and then you casually push the blame onto others!”

Seeing that he had become the target of public criticism for Jiang Yu, and that there were even people pointing fingers at her, Wang Qing roared, “Do you know who I am?! Do you know whose daughter I am? I’m warning you, if you continue to point fingers at me, I will make sure that none of you will have a good ending!”

The surrounding audience, who were about to leave, were greatly angered by Wang Qing’s words, and they even planned to hit Wang Qing. Fortunately, the security guards arrived in time to stop the chaos.

However, Wang Qing did not seem to want to give up. She took out her phone and made a call. “Hello? Is that daddy? It’s me, Xiao Qing.”

On the other side of the phone, Father Wang asked very kindly, “What’s wrong, Xiao Qing? You usually don’t call daddy.”

Wang Qing sounded like she was crying. She said aggrievedly, “Daddy, someone bullied your daughter!”

“Who bullied you? Tell me! Is he tired of living? How dare he bully my daughter!” Father Wang’s voice turned cold when he heard that

"It's at this place where I'm participating in the competition! Daddy, come here quickly!" Wang Qing said

Then, Wang Qing hung up the phone and hurried to stop Jiang Yu, afraid that she would leave.

Jiang Yu was packing her things. Lu Qi, Dai Zhu, and Tian Guo were helping her.

When Jiang Yu saw Wang Qing, she couldn't help but sigh. This Wang Qing was really a haunting person.

As for the other three, they didn't have a good impression of Wang Qing. Lu Qi said, "What are you doing here again? Are you here to watch a joke again?"

Dai Zhu said sarcastically, "A joke to watch a joke? Didn't you swear before that Jiang Yu would definitely embarrass the school? Now, it seems that we still don't know who is the one who has embarrassed the school?"

Since father Wang would be here soon, Wang Qing spoke with confidence, "Do you think I'll be angry? Then I won't do what you want!"

Lu Qi smiled and said, "What does it matter to us whether you're angry or not? Do you really think you're a princess?"

Wang Qing said, "I'll let you go for now and not argue with you. You'll have a hard time later."

Dai Zhu pretended to be trembling and said, "Then I'm really scared."

#### **Chapter 614: Saved The Day**

Wang Qing sneered and said, "You can say whatever you want. You're still smiling now, but you'll be crying later."

Jiang Yu glanced at her and ignored her. She continued packing her things.

After packing her things, Jiang Yu walked up to Wang Qing and asked, "Is there anything else? If there's nothing else, I'll leave first."

Wang Qing stopped her and said, "Are you feeling guilty?"

Jiang Yu could do nothing about Wang Qing and said helplessly, "Why would I feel guilty?"

Wang Qing said, "If you're not feeling guilty, then you can stay here."

Jiang Yu did not know what Wang Qing was up to, but she really did not want to waste any more time with Wang Qing, so she said, "I don't have time to waste with you here."

Wang Qing said, "Who said I'm wasting my time with you?"

As she said that, someone opened the door. It was a middle-aged man in a suit. He wore a pair of glasses and had a wretched expression on his face.

The man looked around and finally looked at Jiang Yu. He asked, "Are you the one who bullied my daughter?"

Jiang Yu had never seen the man in front of her, but from his words, Jiang Yu could roughly guess that the man in front of her was Wang Qing's father.

As expected, Wang Qing walked to the man's side and said coquettishly, "Dad, why are you so late? This Jiang Yu wanted to hit me just now."

"Hit you?!" Father Wang was furious and said, "Who's Jiang Yu?!"

Jiang Yu said, "I'm Jiang Yu."

Father Wang said, "You're the one who bullied my daughter? And you want to hit her?"

"I didn't," Jiang Yu said helplessly.

The father and daughter were really cut from the same mould. One was making trouble for no reason, while the other was indulging her unconditionally.

"You didn't? Are you trying to say that my daughter is accusing you?"

Dai Zhu couldn't hold it in any longer, she walked over and said, "Don't you know what kind of person your daughter is? Take a look for yourself. It was clearly her who blocked the door and refused to let us out! Wasn't she the one who caused trouble for us?"

Father Wang glanced at Dai Zhu and asked, "Are you Dai Zhu?"

Dai Zhu paused and asked, "You know me?"

Father Wang snorted coldly and said, "Of course I know you. I've worked with your father before and met you once. You look no different from when you were young."

Dai Zhu said, "Don't change the topic! In short, it's your daughter who's causing trouble for us! Even if you're really angry, you should look for your daughter, Wang Qing, not us!"

Father Wang tugged at his tie and said, "I don't have time to waste with you young girls. As long as you hand over Jiang Yu, I won't make things difficult for the three of you."

"What are you talking about!" Dai Zhu stood in front of Jiang Yu.

Jiang Yu stopped Dai Zhu and signaled her with her eyes to stop talking. She walked to father Wang and said, "I respect that you're an elder, but don't go too far. Don't twist the truth and spout nonsense here."

"Don't go too far!" Father Wang didn't expect Jiang Yu, a young girl, to dare to talk back to him. He was so angry that he raised his hand and was about to hit Jiang Yu.

"You ungrateful woman! You are forcing me to hit you!" Father Wang roared, and his raised hand was about to fall.

However, the moment it fell, Father Wang's wrist was grabbed and a cold voice was heard, "What are you doing?"

This voice was very familiar. Father Wang turned his head in fear and shouted in disbelief, "Mo... Mo Long?"

Mo Long stood behind Father Wang, his tall body even covered Father Wang, the middle-aged man.

### **Chapter 615: Kicked Out Of The House**

Father Wang was so scared that his legs turned to jelly. He didn't have much strength on his wrist. He said with a trembling voice, "M-president Mo? Why are you here today?"

Mo Long looked at him coldly and said, "What do you want to do to my woman?"

"You... Your woman?" Father Wang looked at Jiang Yu in even more shock and said, "You... are Mo Long's girlfriend?"

Jiang Yu nodded helplessly and said, "Yes."

Father Wang wanted to cry but had no tears. He could only turn around and glare at Wang Qing.

Of course, Wang Qing knew that Jiang Yu was Mo Long's girlfriend. However, she did not expect Mo Long to come here at this time today and coincidentally bump into her father.

That was why she did not tell her father about this matter. Originally, she only wanted to use her father to teach Jiang Yu a lesson. However, now that she had bumped into Mo Long, she was about to be taught a lesson, it was probably her and her father.

Mo Long shook off Father Wang's hand and said, "Scram. Don't let me see you again. Your cooperation with the Mo Corporation ends here."

Father Wang was shocked. He quickly grabbed Mo Long's arm and said, "Wait a minute, president Mo! You can't cancel the cooperation!"

Mo Long did not even look at him. He only looked at Jiang Yu and said, "Yu'er, are you alright? This man didn't do anything to you, right?"

Jiang Yu shook her head and said, "I'm fine. Forget it, let's leave first. Don't waste time here."

Mo Long nodded and said, "Alright."

Father Wang knew that there was no point in continuing to talk to Mo Long. He might as well focus his attention on Jiang Yu. As long as he apologized to her and obtained her forgiveness, Mo Long might also forgive him and would not cancel the collaboration!

Hence, father Wang hurriedly said to Jiang Yu, "Jiang Yu, Miss Jiang Yu! I'm sorry, I was wrong just now! It's my fault for not recognizing Mount Tai. Please be magnanimous and forgive me!"

Jiang Yu sighed and looked at Wang Qing. She said, "If you have the time, you should go and discipline your daughter."

Yes... Yes! It was Wang Qing! It was her, the prodigal daughter!

Father Wang raised his hand and slapped Wang Qing hard, saying, "You are useless! Hurry up and apologize to Miss Jiang Yu!"

Wang Qing covered her face and looked at father Wang in disbelief, saying, "Dad... You hit me... You actually hit me? You actually hit me for Jiang Yu?!"

Her father flew into a rage and said, “Shut Up! If you don’t apologize, I’ll kick you out of the Wang Family!”

“What...” Wang Qing couldn’t believe that this was coming from her father. She said, “Dad... I’m your daughter! You should be defending me, not Jiang Yu!”

Her father said, “Shut up! Quickly apologize!”

Wang Qing also lost her temper and said, “Impossible! I will never apologize to Jiang Yu! Never!”

“You!” Father Wang was so angry that the veins on his neck bulged. He said, “You prodigal! I think you really don’t want to stay in the Wang family anymore! Wang Qing, from now on, get out of the Wang Family!”

Wang Qing looked at Father Wang in shock. She could not believe that he had really kicked her out of the Wang family.

No matter what she had done in the past, her father would only dote on her and help her solve all her problems. It would not be like this. First, he would slap her for an outsider. Then, he would kick her out of the Wang family for an outsider.

And Jiang Yu was this outsider.

Wang Qing’s tears had already rolled out of her eyes. She asked, “Father, is what you said true this time?”

It was the first time Father Wang had hit Wang Qing in all these years, so he didn’t know what to do.

However, if Jiang Yu didn’t let go, Mo Long wouldn’t forgive him and would still cancel the cooperation.

Therefore, Wang Qing had to lower her head and apologize at this time.

Wang Qing refused to apologize. Even if Father Wang slapped her and threatened to kick her out of the Wang family, she wouldn’t apologize.

Jiang Yu said, “Forget it. Even if Wang Qing apologizes, I won’t forgive her. Mr. Wang, this is your family’s business. You should go back and settle it. We won’t participate in it.”

### **Chapter 616: Chance Encounter With Jiang Ran**

Father Wang asked with a flattering smile, “Then Miss Jiang Yu, do you think... You can forgive us for what happened today?”

Jiang Yu sighed and said, “Mr. Wang, this is not something that can be solved just because I say I can. Moreover, Wang Qing has indeed gone overboard these few times, and I don’t intend to forgive her.”

As she said that, Jiang Yu took Mo Long’s hand and left.

The other three saw Jiang Yu leave, and they also left with her. Before Dai Zhu left, she made a face at Wang Qing, “Mr. Wang, take care of your daughter from now on. Don’t let her continue to come out and cause trouble. After all, she didn’t lose her own face, but the Wang family’s face as well.”

After saying that, Dai Zhu left in a good mood.

Today, she had dealt a blow to Wang Qing's arrogance. It was really too great!

After everyone left, only Wang Qing and Father Wang were left at the scene.

Wang Qing had just been slapped and reprimanded by Father Wang. She was already feeling very wronged, but in the end, everyone had left, and she didn't see her father come over to comfort her.

Wang Qing felt even more wronged, he cried and said, "Father, why are you so afraid of Mo Long? Isn't he the President of the Mo Group? You are the chairman of the Wang Group! The two of you have equal status, and you are his elder. What are you afraid of him for?"

"Shut up!" Father Wang's anger had not yet subsided. The moment he heard Wang Qing speak, his anger burned even more vigorously.

"What do you know? You're still talking back to me! Do you know that I have a huge collaboration with the Mo Corporation? If I anger Mo Long, this collaboration will fail, and the Wang family will lose a huge sum of money! Do you want me to get this money back from you?"

Wang Qing said, "Then why don't you just let me apologize to Mo Long? Why do you want me to apologize to Jiang Yu?"

Father Wang was completely defeated by his idiotic daughter's IQ, he said, "Can't you see? Mo Long is so angry because you've angered Jiang Yu! If you don't apologize to Jiang Yu and get her forgiveness, Mo Long won't let us go!"

"I..." Wang Qing thought for a moment and felt that father Wang's words were reasonable, so he immediately stopped crying.

"Don't talk anymore." Father Wang didn't want to waste any more time with Wang Qing. He said, "I thought you didn't want to apologize to Jiang Yu? Fine, then get out of the Wang Family!"

"What?!" Wang Qing was so shocked that her eyes were wide open. She couldn't believe that Father Wang had really kicked her out of the family.

"Get out of the Wang family! Don't let me see you again!" Father Wang looked at Wang Qing's face and couldn't help but raise his hand to give her a slap.

A clear and loud slap sounded, and the left side of Wang Qing's face quickly became red and swollen.

"Good! You're the one who chased me away!" Wang Qing roared and turned around to rush out.

The moment she rushed out of the door, a bolt of thunder rumbled in the sky, scaring Wang Qing so much that she accidentally sprained her ankle while running.

At the same time, bean-sized raindrops fell from the sky and fell on Wang Qing's body one drop at a time.

She was still wearing a thin dress, and the rain made her feel even colder.

"Why am I so unlucky!" Wang Qing couldn't help but cry.

It was all Jiang Yu's fault. If it weren't for her, she wouldn't have ended up like this!

Wang Qing was in the rain, crying as she massaged her feet. Suddenly, a car stopped. Someone got out of the car with an umbrella in hand. He bent down thoughtfully and hit Wang Qing's head with the umbrella.

Wang Qing looked up and wiped away the tears and rain before his eyes. Only then did he see the person in front of him clearly.

"Jiang Ran? Why are you here?" Wang Qing held back his tears. He did not want to show his embarrassment in front of outsiders.

Jiang Ran asked with a smile, "Is it strange that I'm here? Today is the international piano competition. My sister Jiang Yu is also participating in the competition. It's normal for me to be here."

### **Chapter 617: New Patron**

"That's right. How could I forget that you're Jiang Yu's sister?" Wang Qing sneered and said, "Why? Are you here to watch me make a fool of myself?"

Jiang Ran was still smiling and said, "How is that possible? I'm not here to watch you make a fool of yourself."

"Then why are you here?" Wang Qing asked coldly.

"I'm here to save you." Jiang Ran helped Wang Qing up and said, "Don't say anything. Follow me to the car first."

Wang Qing didn't want to have too much contact with people who were related to Jiang Yu, but she had sprained her foot now. Moreover, it was raining heavily outside. Wang Qing didn't intend to pretend to be strong and torture herself like this outside.

So Wang Qing followed Jiang Ran's strength and got into the car with her.

There was a man in a high-class suit in the driver's seat of the car. Wang Qing had never seen him before. But when Jiang Ran looked at that man's eyes, Wang Qing vaguely guessed something.

"Is he your boyfriend?" Wang Qing asked.

Jiang Ran smiled and said, "He's my fiancé."

Sun You Didn't say anything. He simply raised his hand, indicating that he was greeting her.

"Your fiancé? You and Jiang Yu are indeed two sisters. You found a fiancé before graduating from college," Wang Qing said sarcastically.

Jiang Ran was a little angry, but Wang Qing was still useful. Therefore, for the sake of the big picture, Jiang Ran would not easily throw this chess piece away.

"You don't need to worry about this. You only need to know that I saved you today when you were down and out. I'm your benefactor. You just need to remember this," said Jiang Ran.

Wang Qing said, "You must have a purpose for saving me, right?"

Jiang Ran did not blush when her thoughts were said. Instead, she said with a smile, "How is that possible? I'm different from Jiang Yu. Although we both have the surname Jiang, we are completely different people."

Wang Qing looked at Jiang Ran and asked with uncertainty, "Really?"

Jiang Ran nodded very seriously and said, "Of course."

After saying that, Jiang Ran seemed to be afraid that Wang Qing would not believe her, so she told him everything that Jiang Yu had done before.

After Wang Qing heard it, she became even angrier toward Jiang Yu and more sympathetic toward Jiang Ran.

She said, "So this Jiang Yu is so shameless? She even stole your original piano score? And she even framed you for stealing it? Does everyone believe her? They can't really think that you stole it, right?"

Jiang Ran sighed, she said aggrievedly, "That's right. Not only did they believe her, but they also kept blaming me, saying that I couldn't tolerate Jiang Yu as a sister. "But it was clearly her who couldn't tolerate me as a sister. She always thought that I stole the love that she deserved for so many years, so she did this."

Wang Qing felt that it wasn't worth it for Jiang Ran, so she said, "I didn't expect Jiang Yu to be such a person! I had long seen that she wasn't a good person!"

"She stole your original score and told the public that it was her own. She even relied on it to become Professor Bai's last disciple. "She is really too much! I will report her when I go back. I must not let Professor Bai continue to be kept in the dark!"

Jiang Ran was worried that if Wang Qing really told the truth when she went back, she would find out that she was twisting the truth, so she quickly stopped her, she said, "Wait a minute, don't talk about these things when you go back. As you know, Jiang Yu's backer was Mo Long. Not many people could compete with Mo Long. It's useless even if you tell the truth. Moreover, if you accidentally anger ink dragon, even your father might not be able to save you."

Father... When she thought of how determined Father Wang was when he spoke to her just now, Wang Qing could not help but feel wronged. Her tears almost fell again.

### **Chapter 618: Official Competition**

Jiang Ran comforted Wang Qing and said, "It's okay. Now that you've met me, I'll help you."

Wang Qing couldn't hold back her tears anymore. They kept falling like beads with a broken string.

She cried and said, "Really? Then what can I do for you?"

Jiang Ran smiled and said, "There's nothing you need to help me with. You just need to go back to school now and act like nothing happened."

"Okay." Wang Qing couldn't help but lie in Jiang Ran's arms and cry.

Jiang Ran patted Wang Qing's back, and the scheme in her eyes became even more obvious.

Sun You deliberately turned down his work today, thinking of going out for dinner with Jiang Ran to improve their relationship. He didn't expect to meet this woman on the way, which messed up his plan.

However, judging from Jiang Ran's appearance, she seemed to be very concerned about this woman. In that case, sun you could only bring this woman named Wang Qing to have dinner.

After dinner, Jiang Ran said to Wang Qing, "Wait until the day of the official competition. Come with me to watch it."

Wang Qing refused immediately and said, "There's no way I'm going to watch Jiang Yu's competition."

Jiang Ran asked in amusement, "You're really not going? Do you really think this is an international match? This is a match between Kang Xue and Jiang Yu! Don't you want to go and watch? To see how Kang Xue crushed Jiang Yu?"

Wang Qing paused and was successfully convinced by Jiang Ran. He said, "Okay, I'll go and watch!"

Jiang Ran smiled in relief.

On the day of the official competition, Wang Qing bought two tickets for the front seats in order to see Jiang Yu's ugly state when she was defeated by Kang Xue up close.

Sitting beside her was Jiang Ran, who was also here to watch Jiang Yu's ugly state when she was defeated.

There was only one official competition, and that was to compose two songs with completely different styles according to the theme given. Moreover, each song had to be played for no less than five minutes.

Wang Qing sat below the stage and asked curiously, "Isn't this the same routine as the preliminaries back then?"

Jiang Ran said, "It's indeed a little difficult to compose two songs with different styles at once."

Wang Qing didn't mind and said, "What's so difficult about it? If it were me, wouldn't it be a matter of minutes?"

Jiang Ran did not want to continue talking to Wang Qing. Her bragging was simply endless.

The theme of this official competition was war and peace. It was indeed difficult to compose two songs with different styles.

All the contestants had drawn lots to decide the order of appearance. Only Jiang Yu was arranged to be the last to appear because she was not a music major.

Kang Xue was the first to appear. She took a few deep breaths and began to compose on the spot.

The first song represented war. The sound was very loud and urgent, as if she had already experienced a life-and-death battle on the battlefield.

The second song represented peace. The sound was crisp and cheerful, as if they had survived a disaster after the war. A group of people were cheering for their victory and celebrating the beautiful life that was about to come.

Wang Qing quietly listened to Kang Xue's piano piece and said to Jiang Ran who was beside her, "Kang Xue played the piece very well. I think the first place this time will be Kang Xue."

Jiang Ran did not care what Kang Xue's piece looked like. She just wanted to wait for the final result. She wanted to wait for the expression on Jiang Yu's face when Kang Xue defeated Jiang Yu and won the first place.

The next contestants, without exception, all had the same routine as Kang Xue.

Passionate and high-pitched war songs, crisp and cheerful peace songs. After listening to them too many times, it would always tire people out.

Wang Qing said gloatingly, "Everyone has the same routine. No wonder the judges don't like listening to them. They can't compose themselves and only know how to arrange music according to the routines of the people in front of them. They deserve to not get a place."

Jiang Ran agreed with Wang Qing, but it was hard for her to say whether Jiang Yu would compose a song different from Kang Xue's.

### **Chapter 619: Whose Idea Was Stolen**

When it was Jiang Yu's turn to appear, Wang Qing smiled disdainfully and said, "Jiang Yu has appeared. I'm afraid she doesn't have any material to play, right? Kang Xue had already opened up this path long ago. If Jiang Yu still followed the same pattern as Kang Xue, then she would definitely not be able to get first place

Jiang Ran knew Jiang Yu very well, so she said, "I'm afraid that Jiang Yu stole some idea from God knows where, and it will cover Kang Xue's limelight."

Wang Qing was shocked and said, "This is an official international piano competition. Don't tell me that Jiang Yu is going to steal other people's ideas in this kind of competition? Then she is too shameless!"

Jiang Ran said, "Jiang Yu is such a shameless person. Who knows if she will steal other people's ideas?"

As they were talking, Jiang Yu had already started playing.

Wang Qing originally thought that she would follow the same routine as Kang Xue, but Jiang Yu was completely different.

The originally high-pitched song that represented war was deep and heavy when Jiang Yu played it.

It could not help but make people think that in that war, more and more people lost their families and loved ones, as well as their long-lived homes. They looked up to the sky and sighed, asking why fate was so unfair.

But fate did not answer them, and only responded with a long sigh.

And the originally crisp and cheerful song that represented peace was no longer the same as before, but gentle and gentle.

This also made people think that after the war, the survivors gathered together, cheering and celebrating the end of the war. At the same time, they were glad that they survived the disaster. They quietly enjoyed the peace and beauty.

There was also nostalgia for their loved ones. What they missed was the sad memory of not being able to see each other again after they left.

Wang Qing had a premonition and said, "This Jiang Yu... What's going on? Whose idea did she steal this time?"

Jiang Ran rolled her eyes and another plan appeared in her heart. She said aggrievedly, "To tell you the truth, this idea of Jiang Yu's... is mine."

"What? This idea is also yours?" Wang Qing looked at Jiang Ran in shock and asked, "How many ideas did Jiang Yu steal from you?"

Jiang Ran lowered her head and said, "I can only blame myself. I didn't protect my own original idea. Otherwise, it wouldn't have been stolen by Jiang Yu."

Wang Qing quickly comforted Jiang Ran, "You can't be blamed for this. Who would have known that Jiang Yu could do such a thing behind her back while pretending to be innocent? I think not only were we deceived by her appearance, but her friends and Mo Long were also deceived by her appearance!"

Jiang Ran pretended to cry and raised her hand to wipe her non-existent tears. "Thank you for being willing to comfort me like this."

Wang Qing said, "Of course I have to comfort you. We are classmates from the same school! Besides, I thought you were Jiang Yu's sister and that you were the same kind of person as her. But I didn't expect that you were also the one who was persecuted by her! Speaking of which, I still have to apologize to you. I misunderstood you back then."

"It's alright. You were also deceived. I won't blame you," said Jiang Ran

Wang Qing sighed and said, "I see that Jiang Yu is in first place again in this competition. It seems that it's impossible for us to see Kang Xue defeat Jiang Yu."

Jiang Ran said, "Jiang Yu isn't a professional piano student. I really don't understand why she can always participate in such international competitions and get a good ranking every time."

Wang Qing said, "I had long suspected that Jiang Yu was bribing the judges behind their backs, but when I confronted her face to face, she actually gritted her teeth and refused to admit it. When I go back, I will definitely publish this matter on the school forum and let the whole school condemn her."

### **Chapter 620: Tie In Votes**

This was exactly what Jiang ran wanted, so she said, "That's for the best. More people will know Jiang Yu's true colors, and they won't be fooled by her anymore."

However, Wang Qing still sighed and said, "But there's nothing interesting in this competition. Jiang Yu will definitely be in first place again, right?"

As they spoke, the votes of all the contestants on the stage had been counted.

The conductor started from the lowest number of votes until she read Kang Xue's name. There was a total of 523 votes.

Wang Qing said, "Look, I already know that Jiang Yu is in first place."

Jiang ran was about to agree with her when she heard the conductor continue to read, "Jiang Yu, 523 votes."

What?!

This was shocking news. There were actually two contestants with the same number of votes? It was the first time that the votes were tied in such a competition!

"Tied?" Wang Qing was a little shocked and said, "This is the first time I've seen a tie in a competition."

Jiang ran was also a little surprised and said, "It seems that only the judges over there can decide who is in first place."

The judges sitting on the far right were also at a loss.

Because they had never seen a tie vote before, it was up to them to decide who was the real champion.

Professor Carl already had a candidate in his mind, and that was Jiang Yu. But the other judges did not really agree with Jiang Yu's strength. They thought that she had only taught herself for a period of time, and her strength could not be compared with those who had studied piano in other majors.

Even if she had made a name for herself in such a grand competition, she would never be able to compete with others.

Therefore, the other judges unanimously decided to give the first place to Kang Xue.

Kang Xue was very pleased with herself. She walked up to Jiang Yu and said, "Jiang Yu, you have lost."

Jiang Yu shrugged and said, "Then congratulations."

Everyone thought that this matter was already set in stone. However, when the final results were announced, Professor Karl raised an objection. "Why did you give this place to Kang Xue?"

Everyone was stunned. Even Jiang Yu was stunned on the spot. They didn't know why Professor Karl would say such words at such a critical moment.

The other judges looked at each other and asked, "Why not Kang Xue? Do we really have to give it to that Jiang Yu?"

Professor Karl said, "Don't you think that Jiang Yu's strength is better than Kang Xue's?"

The judges looked at each other and then asked Carl, "Do you think Jiang Yu's strength has passed the test?"

Carl said, "Of course I think so. Otherwise, I wouldn't have questioned your decision."

“Are you questioning us?” The judges were puzzled. They didn’t know why Carl was so biased toward Jiang Yu.

So they said, “Professor Carl, you are the most prestigious professor in the music industry, so we all respect you. But this is a decision we made together. Even if you are the most prestigious professor, it can’t change the fact. And among so many judges, only you support Jiang Yu.”

Carl seemed to want to say something, but after thinking for a while, he finally asked, “Can you give Jiang Yu a spot to listen in?”

Listen in? The other judges looked at each other and finally said helplessly, “Professor Carl, it’s too obvious that you’re biased against Jiang Yu.”

Carl said, “I’m not biased, but I really don’t want to lose Jiang Yu, this talent.”

The judges said, “But your idea needs to be agreed upon by Cecilia University and Ivy University.”

Carl said: “I represent the University of Cecilia, so I just need to get the agreement of the Ivy University.”
