Chapter 741: Call The Police

“You can believe the rumors on the school forum that have no evidence, but you can also not believe me,” Jiang Yu said, “But if you want to use force against others just because of those rumors that have no evidence, then I think you are going too far.”

“We are going too far?” Kati laughed and said, “We are not going too far as you!”

He pulled out the cigarette from his mouth and threw it on the ground. He reached out to grab Jiang Yu’s sleeve.

Seeing this, Diss quickly reached out as well.

It seemed that the two of them had not learned their lesson from the previous time.

Jiang Yu took out a steel fork and quickly pointed at the same acupuncture point on Kati and Diss’ arms.

“Ah!” Kati and Diss cried out in pain at the same time.

A familiar numbness came from their arms, and it was even more painful than the last time.

But this was outside the school, and Kati and Diss were already used to this feeling, so they endured the pain and rushed towards Jiang Yu again.

Bessie was frightened by this scene, but she was not stupid enough to just stand by the side.

She took out her phone and quickly called the police.

“Hello?! Is this the police?! This is the steak shop at the entrance of Cecilia University. Someone is picking a fight here, and they even hitting someone!”

After calling the police, Kati and Diss wanted to run, but Jiang Yu hit their legs with a steel fork.

“Plop!” Kati fell, and Diss fell on his body.

“My leg! I can’t move my leg!” Kati shouted in panic.

“I can’t move my leg either!” Diss also shouted loudly. “Jiang Yu! What did you do to us?!”

Jiang Yu shrugged and said, “I didn’t do anything.”

Bessie ran to Jiang Yu’s side and pulled her up and down to look carefully. She said anxiously, “Are you alright? Jiang Yu, are you alright?”

Jiang Yu comforted her and said, “I’m fine. Don’t worry.”

Bessie heaved a sigh of relief and said, “It’s good that you’re fine. I was scared to death just now! I’ve already called the police. Now, I’m just waiting for the police to come and take them away.”

“That’s good too.” Jiang Yu sighed and said, “I don’t know what’s going on with the two of them. They keep pestering us.”

They were obviously two young men, but they always acted like old ladies at the village entrance.

“The two of them are calculative people,” Bessie said.

Soon, the police arrived in a police car. First, they brought Kati and Diss into the car. Then, they said to Jiang Yu and Bessie, “Come back to the police station with me to make a statement.”

Jiang Yu and Bessie nodded and said, “Okay.”

The two of them got into the police car and followed them to the police station.

When they were taking their statements, the police officer looked at Kati and Diss and asked, “You two are injured, and you’re still bullying a little girl on the street?”

Kati immediately pretended to be miserable and pointed at Jiang Yu and said, “It’s that woman! It’s that woman. I don’t know what she did to us, but our legs can’t move now!”

“That little girl?” The police officer looked over and said in surprise, “How can such a small and thin girl bully you two men?”

“It’s true!” Diss shouted.

Jiang Yu and Bessie finished their statements with the other policeman and were allowed to go back.

The policeman was worried that the two of them would encounter danger on the way back, so he volunteered to send them back.

“Thank you, uncle,” Jiang Yu said politely.

“You’re welcome,” The policeman said with a smile, “I also have a daughter, but she’s a little younger than you two. So I hate those ungrateful men who bully girls the most in this world.”

“Uncle Policeman, you’re really a good person,” Bessie said.

“Let’s go. It’s getting late. If it’s any later, your school will have a curfew,” The policeman said.

Therefore, Jiang Yu and Bessie took the police car and returned to the school. At that time, there were only three minutes left before the curfew.

“Thank you!” Jiang Yu said and hurriedly ran into the school with Bessie.

Fortunately, it was late and there weren’t many people on the school field. Not many people realized that they had come back in a police car.

Back in the dormitory, Jiang Yu went to take a shower while Bessie lay on the bed to rest.

After Jiang Yu took a shower, Bessie packed her things and walked into the bathroom.

When it was 12 o’clock in the evening, Jiang Yu and Bessie were already lying on their beds to rest.

“What happened today was too dangerous,” Bessie sighed as she looked at the ceiling while lying in bed.

“Yeah. Maybe they were really deceived by the rumors on the school forum,” Jiang Yu said.

Chapter 742: Concert

Kang Xue made a fool of herself at the welcome party. Not only did she get a negative score for her after-school assignment, but she also got Mike and Roger to fail.

Although Mike and Roger were cynical, they still valued their grades very much. Moreover, their grades had always been good, and they could be ranked in the top few places.

And this time, they were implicated by Kang Xue. This was also the first time they had failed an after-school mission.

But Kang Xue didn't have any intention of apologizing, which made Mike and Roger very angry, especially Roger. Because on the day of the welcoming party, Kang Xue made him embarrass himself in public, so he was even more angry.

So Roger found Kang Xue, threw his report card on her desk, and said angrily, "What are you going to do about this?"

Kang Xue looked up at him and said, "You and Mike just failed. I got a negative score."

"You deserve a negative score! But what's wrong with Mike and me?" Roger said loudly.

"What's wrong with you? Didn't you fall down because you couldn't stand properly?" Kang Xue didn't want to be outdone. She said, "I didn't make you fall down. Why are you angry at me?"

Roger didn't expect Kang Xue to be so unreasonable and didn't have any other words to refute.

Seeing that Roger was still standing in front of her desk, Kang Xue was a little impatient and said, "Why aren't you going back? Be careful that if Professor Karl sees you, he will think that you are bullying me."

As they were talking, Professor Karl walked in from outside the door.

Roger had to take his report card and return to his seat.

Professor Karl said, "The last musical, Jiang Yu and Bessie finished very well, which was really out of my expectations. I've been in the industry for so many years, and this is the first time I've seen such an excellent piano musical."

He said a lot of praise for Jiang Yu and Bessie, but he didn't mention Kang Xue and the other two.

This made Kang Xue very uncomfortable.

But she didn't want to lose her temper, so she could only listen to Professor Karl quietly.

Professor Karl released a new after-class task, which was to create a song for the rest of the month.

It had to be original, and there had to be at least two songs. And the style of these two songs had to be in contrast.

This was a one-person after-class task, so they could not form a team.

After Professor Karl issued the task, he said, "Do you have any questions?"

No one said anything, so Professor Karl said "Class dismissed" and left the classroom.

Bessie leaned on the table and said, “Why do you have to compose your own piece so soon? Professor Karl hasn’t taught us anything!”

Jiang Yu comforted her and said, “That’s good too. Try it yourself first and you’ll know your shortcomings. Professor Karl will be able to guide you better to address these shortcomings.”

“You really know how to say nice things.” Kang Xue sneered and said, “What’s so difficult about composing an original piece? You’re already in the elite class. Don’t tell me you don’t even know how to compose an original piece?”

Bessie stood up and said, “Kang Xue, what are you talking about!”

“What did I say? I’m telling the truth.” Kang Xue shrugged and said, “I don’t have time to chat with you guys. There’s a concert in a few days. I still have to go to the concert.”

“You still have time to go to the concert?” Bessie was puzzled and said, “Do you think an original song is easy?”

“Is it difficult? When I was in school, I could create an original piece in a few days,” Kang Xue said disdainfully.

“Huh?” Bessie was shocked and didn’t believe it.

But Kang Xue had already packed her things and left.

She seemed to have full confidence in this after-school mission.

Mike walked in front of Bessie and stuttered for a long time before saying, “I’m sorry.”

Bessie was very surprised and asked, “What are you sorry for?”

Mike said, “I’ve been following Kang Xue and said something disrespectful to you. I’m really sorry.”

“It’s not disrespectful, right? After all, we were childhood friends. I know better than anyone what kind of person you are,” Bessie said helplessly as she spread out her hands.

Mike knew that Bessie was saying this because she was still angry. However, he had never coaxed a girl before. The longest girlfriend he had dated before was only for a month. They had never had any arguments at all.

He looked at Jiang Yu for help, but Jiang Yu left with the book in her hands.

Mike: “...”

Chapter 743: Hard To Get A Single Ticket

Bessie saw Jiang Yu leave, so she followed her back to the dormitory.

Jiang Yu asked as they walked, “Why don’t you stay there and listen to Mike’s apology?”

Bessie shrugged, "I know him too well. I knew what he was going to say. He said he was apologizing, but he didn't mean it. After a while, everything will be fine, so there's no need to waste time listening to his nonsense."

Jiang Yu smiled and said, "Although you say that, I still think that the relationship between the two of you is actually quite good."

"It's only on the surface," Bessie said. "But Mike isn't like Kang Xue, so I'm quite glad."

Jiang Yu smiled and asked, "Do you want to go to the concert Kang Xue mentioned?"

"What concert?" Bessie asked.

Jiang Yu said, "I just checked. There's only one concert recently. It's Master John's concert."

"Master John?!" Bessie was shocked and said, "Isn't he the youngest piano master in the national team so far? He won the International Trophy at the age of 20!"

"Yes, it's his concert." Jiang Yu nodded.

"But I heard that as long as it's his concert, it's very difficult to buy tickets!" Bessie said.

"Let's take a look first." As she said that, Jiang Yu opened the ticket sales interface.

It was still in the pre-sale state, but there were already more than 100,000 people who had booked tickets.

"So many people!" Bessie said in shock, "But I remember that Master John only sells 10,000 tickets for every concert. If so many people have booked tickets, will we still have a chance to get them?"

Jiang Yu clicked on the "Reserve" button and said, "Let's reserve the tickets first. What if we're lucky enough to get them?"

"That's true." Bessie felt that Jiang Yu was right, so she took out her phone and clicked on the "Reserve" button.

"Tomorrow night at 12:00 p.m. on time." Bessie looked at the notice at the bottom and said, "Jiang Yu, don't Forget Tomorrow Night."

"Okay." Jiang Yu set an alarm clock for tomorrow night at 11:55 pm.

"But I think we're not the only ones in school who want to watch Master John's concert. So tomorrow night at 12:00 pm, there will be a lot of people fighting for tickets. At that time, the server might crash. If that's the case, there's a high chance that we won't be able to get tickets."

"No matter what, we have to try," Jiang Yu said.

"That's true... there's no other way except to try," Bessie sighed and said helplessly.

The next night, Jiang Yu and Bessie were already waiting in front of the computer, ready to fight for the tickets when the tickets were on sale.

But just as Bessie had said, because there were too many people fighting for tickets, the school's server crashed. Jiang Yu and Bessie couldn't even open the web page.

"I knew this would happen." Bessie sighed and said with some disappointment.

"It's okay. There will be another way," Jiang Yu comforted Bessie.

"I don't think there's another way. Even if there was, it would be to buy tickets from others. However, tickets like that are very expensive. Although Master John is very famous, the overpriced tickets are not worth the price at all," Bessie said.

"That's true." Jiang Yu nodded.

However, she really wanted to go to Master John's concert, so she would do everything she could to get tickets.

Bessie was a little sleepy and said, "If you have a way to buy tickets, go ahead. I'll go to the library to look for information, so I won't go to the concert."

"Okay," said Jiang Yu.

Bessie said, "I'm a little sleepy, so I'll go to bed first. Jiang Yu, you should rest early too."

Jiang Yu nodded and said, "I'm also tired, so let's rest together."

"That's good too."

Early the next morning, Jiang Yu was about to finish breakfast with Bessie and go to the library when she received an unexpected call.

It was Xu Ye.

Jiang Yu picked up the call and asked, "Movie King Xu, What's the matter?"

Xu Ye said, "I have a gift for you here. Do you want it?"

Jiang Yu didn't ask what the gift was and directly rejected Xu Ye, she said, "No need. Movie King Xu is very generous, so the gift he bought must be something good. In that case, Movie King Xu should keep it for himself."

"Aren't you going to ask what it is?" Xu Ye couldn't help but laugh.

"I don't need to know because I don't intend to accept this gift," Jiang Yu said.

Chapter 744: He's Here

However, Xu Ye said, "It's tickets for Master John's concert."

By saying this, he was gambling that Jiang Yu did not buy the tickets for this concert.

Just as he expected, Jiang Yu paused and asked, "You have tickets for this concert?"

“Of course. Otherwise, why would I call you and say that I want to give you this gift?” Xu Ye said with a smile.

“As far as I know, Movie King Xu is in the film industry, right? You have never been interested in a program like a concert. Why would you suddenly buy tickets for a concert?” Jiang Yu asked.

Xu Ye was stumped by the question. He paused for a moment, he explained, “I heard from Tang Yi that Master John is a famous figure in the piano industry. Coincidentally, aren’t you a piano student? I thought you would really want to go to his concert, but I was afraid that you wouldn’t be able to buy the tickets, so I kept something in reserve. You refused to accept this gift because you already bought the tickets?”

Jiang Yu paused, but she still didn’t intend to owe Xu Ye a favor, so she said, “Yes, I already bought the tickets.”

“Okay, then I miscalculated.” Xu Ye sighed, sounding very disappointed.

“If there’s nothing else, I’ll hang up first. I still have to go to the library to study,” Jiang Yu said.

“If there’s nothing else, then I’ll rest too,” Xu Ye said and hung up the phone first.

Bessie was listening from the side. When she saw Jiang Yu hang up the phone, she asked in surprise, “Jiang Yu, did you really buy a ticket?”

Jiang Yu shook her head and said, “No, I just told him that.”

“AH? But didn’t he say that he had a ticket?” Bessie didn’t understand why Jiang Yu would reject Xu Ye. She said, “It just so happens that you want to go too. He also has a ticket. Isn’t that just right?”

“It’s fine. There will be another way.” Jiang Yu shook her head, as if she was unwilling to talk about this matter.

Bessie was tactful and didn’t say anything else. She went to have breakfast with Jiang Yu.

Bessie didn’t know if she had eaten something bad, but after sitting in the library for a short while, her stomach began to hurt.

“Ouch! My stomach hurts!” Bessie said in pain, “No, I have to go to the bathroom!”

Then, she took out a tissue from her bag and ran to the bathroom.

Jiang Yu was a little worried about Bessie, but she couldn’t go to the bathroom with her.

Therefore, she could only wait anxiously in the library. After Bessie came out, she quickly brought her back to the dormitory.

After feeding Bessie some medicine to treat her diarrhea and placing her on the bed to rest, Jiang Yu sat on a chair to the side, exhausted.

“I’ll be fine,” Bessie comforted Jiang Yu.

After saying that, she fell into a deep sleep.

Seeing Bessie fall asleep, Jiang Yu felt relieved and prepared to continue reading in the library.

However, just as she reached the stairs, she received a call from Mo Long. "Yu'er, what are you doing now?"

Jiang Yu sounded very happy and said, "I'm preparing to go to the library to read."

Mo Long asked, "Do you want to go to the concert in a few days?"

"Concert? What concert?" Jiang Yu asked.

Although she was secretly looking forward to it, perhaps Mo Long was talking about Master John's concert, but it could also be another concert.

Fortunately, Mo Long was talking about master John's concert.

"John's concert," Mo Long said.

"Really? You bought tickets?!" Jiang Yu asked in surprise.

Mo Long smiled and said, "I know John. When I heard that he was going to hold a concert, I asked him to reserve two seats for me."

"That's great!" Jiang Yu was so excited that she almost jumped up.

However, she thought about it again and said, "Isn't that bad? After all, there are still so many people who haven't bought tickets, but Master John has reserved seats for us..."

"It's okay, Yu'er," Mo Long comforted her, he said, "I've known John for a long time and have long been a VIP at his concert. So the seat he reserved for me is also a VIP seat, not a seat for the ordinary audience."

"That's good." Jiang Yu smiled in relief and said, "That means that you will also come, right?"

"Yes, I'm already at the airport. I'll give you a call before I get on the plane," said Mo Long.

"Then I'll pick you up at the airport," said Jiang Yu.

Mo Long smiled and said, "Just wait for me at the apartment I've booked."

"Then send me the address," said Jiang Yu.

Chapter 745: Gown

Mo Long sent the address to Jiang Yu and said, "Then I'll hang up first. We have to start checking the tickets now."

"Okay." Jiang Yu hung up the phone, packed her things, and went to the address Mo Long sent her.

Fortunately, Mo Long sent her the password for the password lock. Otherwise, Jiang Yu might not be able to get in.

Jiang Yu opened the door and saw a very familiar decoration, which was exactly the same as her bedroom in Mo Garden.

"This is?" Jiang Yu was a little shocked.

She sat on the sofa and looked at the coffee table in front of her and the vase on it. It was exactly the same as the one in Mo Garden.

It seemed that Mo Long had secretly found someone to decorate it for her to give her a surprise.

Thinking of this, Jiang Yu was a little touched and smiled.

The room was so clean that there was no need to tidy it up. Jiang Yu took a copy of "The Little Prince" from the bookshelf and prepared to read it while waiting for Mo Long to come back.

However, she stayed up all night yesterday and woke up a little early today. Along the way, she had been taking care of Bessie who was in fear and trepidation. Her nerves had been tense all along.

Now that she had completely relaxed, Jiang Yu was actually a little sleepy.

She had originally wanted to persevere and take Mo Long out for a meal when he returned. However, her eyelids grew heavier and heavier. In the end, she could not hold on any longer and closed her eyes tightly.

When she woke up, it was already dark outside and the rainbow-colored neon lights were lit up.

She did not know when she was carried onto the bed. She was also wearing a black suit jacket.

Jiang Yu looked up and saw Mo Long, who was dozing off on the sofa, by the light from outside.

He was probably not asleep because his breathing was very light, unlike his usual heavy breathing when he was asleep.

Jiang Yu deliberately made a noise, and Mo Long opened his eyes in the darkness. He looked at the bed and asked, "You're awake?"

Jiang Yu stretched lazily and said with a smile, "Yes. When did you arrive? Why didn't you wake me up?"

Mo Long walked over and turned on the table lamp on the bedside table. He said, "I just arrived not long ago. I didn't want to wake you up because I saw that you were sleeping soundly. You must have been too tired recently, right?"

Jiang Yu said, "It's not that bad. I'm not that tired. I just stayed up late last night to fight for tickets and took care of my sick roommate today."

"Well, it's been hard on you." Mo Long patted Jiang Yu's head lovingly.

"By the way," Mo Long suddenly said, "I brought a gown for you. I felt that you might not like the style of a foreign gown, so I bought a gown according to your favorite style. Let's take a look."

"Okay." Jiang Yu got off the bed and looked at Mo Long bringing over an exquisite box.

She opened it and took a look. This gown was indeed in her favorite style.

It was a sky blue strapless dress with a ring of small diamonds on the chest and a few small white flowers.

The hem of the dress was also embroidered with small flowers of the same style and dark blue butterflies.

“It’s really beautiful.” Jiang Yu couldn’t help but exclaim in admiration.

“I knew you would like this gown, so I bought it. There is also a necklace and a pair of earrings in the other box. I’ll bring them over for you to take a look,” Mo Long said.

“It’s okay. You don’t have to bring them over.” Jiang Yu quickly stopped Mo Long and said, “You came in such a hurry and didn’t inform me in advance. You should be hungry, right? Let’s go out for a meal together?”

“That’s fine.” Mo Long smiled and rubbed Jiang Yu’s nose lovingly.

“Let’s go then.” Jiang Yu smiled and held Mo Long’s arm as they went out together.

The two of them had a meal at a nearby steak restaurant. After taking a short walk, they returned to the apartment to rest.

On the afternoon of the concert, Jiang Yu changed into her gown and got into the car with Mo Long. They went to the concert venue.

The security guards at the door saw Mo Long and respectfully stepped aside to make way for him. They said, “President Mo, please come in.”

Mo Long nodded slightly and brought Jiang Yu into the venue. Then, they went to the VIP room on the second floor.

However, when they went upstairs, Mo Long and Jiang Yu met Xu Ye.

“Jiang Yu?” When Xu Ye saw Jiang Yu and Mo Long, he paused for a moment and said with a smile, “What a coincidence.”

Jiang Yu nodded slightly and said, “What a coincidence, Movie King Xu.”

“President Mo hasn’t been busy recently.” Xu Ye looked at Mo Long.

Although he was smiling, there was no sincerity in his smile.

However, Mo Long couldn’t be bothered to be polite with him. He only said faintly, “Well, thank you for your concern.”

“No worries.” Xu Ye said with a fake smile.

Chapter 746: Master John

Jiang Yu felt that the current atmosphere was a little awkward. Even though there weren't any awkward expressions on the faces of the two people involved, as a bystander, Jiang Yu could already feel just how awkward the situation was.

"No wonder Movie Queen Jiang wasn't willing to accept my good intentions. So it's because of President Mo," Xu Ye said.

Actually, Jiang Yu didn't expect Mo Long to be friends with Master John at that time. She also didn't expect him to be willing to specially reserve seats for her and Mo Long.

However, she felt that even if she couldn't go to the concert, she couldn't accept Xu Ye's gifts or favors.

Before she completely understood Xu Ye's purpose, Jiang Yu didn't want to owe him a favor.

So she said, "Yes. After all, compared to the tickets that Movie King Xu wanted to give me, I think it's more comfortable for my boyfriend to give me."

"That's true." Xu Ye curled the corners of his lips and left without saying anything else.

Xu Ye was also the VIP seat for this concert. He was on the same floor as Jiang Yu and Mo Long, but the exclusive room was still quite far away.

"Why is Xu Ye here?" Mo Long was a little surprised. "I remember that he recently broke his contract with his entertainment company."

"He has this kind of trouble?" Jiang Yu was a little shocked and said, "But what he told me was that he came here to relax."

"He really is an unpredictable person," Mo Long said.

Jiang Yu also felt that Xu Ye was an unpredictable person.

Jiang Yu followed Mo Long to the exclusive room and stood by the fence, quietly watching Master John's concert.

.....

After the song was finished, Jiang Yu could not help but praise, "Master John is really a very good pianist."

"Yu'er is also very good," Mo Long emphasized.

"But compared to Master John, I'm still far behind," Jiang Yu said, "I don't know how much more time I need to be like Master John, to become a famous pianist."

"But apart from the piano, Yu'er is also proficient in other things," Mo Long said. "During this period of time, when I was in Mo Garden, grandfather said that when you go back, you must bring him along to take a look at snuff bottles. He wants to give one to his old comrade."

"Okay." Jiang Yu nodded and said, "Percent. I can also give some of the snuff I made to that grandfather."

"Okay."

As he was speaking, John had already changed into another set of clothes and was ready to play the second song.

This time, Jiang Yu chose to close her eyes and quietly listen to the song that John was playing.

Most of the songs that John was playing were his own original songs. There were songs that had an impassioned melody like “Wild Horse Parting Mane” and songs that were as tender as “Blue Danube River.”.

He switched back and forth between two completely different styles of music, but the audience did not find the concert unbearable because of such auditory senses. Instead, they reacted the same way as Jiang Yu’s. They closed their eyes and enjoyed it quietly.

What entered their ears one second ago was a piece as elegant and gentle as the moonlight. The next second, what entered their ears was a piece of passionate and trembling music that swept through everything like a strong wind.

It was hard to dislike such a dual sense.

After the second piece was played, John went down the stage to change his clothes again and prepared to play the third piece.

The third piece was similar to the first piece in style, but he added a little innovation to it.

Jiang Yu listened to this piece and had some inspiration for her own original piece.

When the ninth piece was played, John did not immediately get off the stage to change his clothes. Instead, he took the microphone, he said, “Dear audience, thank you very much for your love for me. Now that the ninth piece has been played, why don’t I choose an audience member from the audience to play the last piece with me?”

The audience was in an uproar. They were all waiting for Master John to get their seat number so that they could go onstage and play the piano together with Master John.

Even Jiang Yu, who was on the second floor, was eager to try.

That was the famous Master John! Now that there was a chance to play together with him, who wouldn’t be willing?

Backstage, the staff brought up a small box for the lucky draw. Inside was the seat number of the audience.

It also included the guests on the second floor.

John pulled out a card from the box. On it was the number “66.”.

Chapter 747: Impromptu Ensemble

“Who is audience number 66?” John asked.

Jiang Yu looked back at her seat number. It was the ‘66’ that John had just shouted.

"It's me?" Jiang Yu couldn't believe that such a good thing had happened to her.

"Yu-er, it's you," Mo Long said with a smile.

John asked again, "Who's audience member '66'?"

"It's me!" Jiang Yu took the loudspeaker from the waiter's tray and said to John on the stage.

"Oh? It's a young girl," John said with a smile.

Jiang Yu hurriedly went downstairs. Under the guidance of the staff, she went up to John's side.

John only gave Jiang Yu a cursory glance just now. He didn't expect to see such a beautiful little girl up close.

Therefore, he asked with a smile, "I didn't expect that a young and beautiful girl would come to my concert?"

Jiang Yu said politely, "Master John, you're joking. Your concert is very famous. Whether it's people who study piano or people who like piano music, they all regard you as their idol."

"Hahaha! It's really a happy thing to be praised by a beautiful girl." John laughed and walked to the piano with Jiang Yu.

He made a very gentlemanly gesture and asked, "This beautiful lady, May I know your name?"

.....

Jiang Yu bowed politely and said, "Hello, my name is Jiang Yu."

"Okay, Miss Jiang Yu. Then, would you like to play a song with me?"

Jiang Yu raised her eyebrows and said with a smile, "It's my honor."

Jiang Yu and John sat down on the chairs and each played a song with one hand.

John raised his left hand and played a short prelude. Jiang Yu knew that he was playing Beethoven's "Moonlight."

When it was her turn, she raised her right hand and played the opening song of "Moonlight."

John's eyes could not help but show admiration.

He had only played a short prelude. He did not expect Jiang Yu to know that he was playing "Moonlight" so quickly. Moreover, she had played the opening song very smoothly with only one hand.

It seemed that this little girl looked young, but her strength was not to be underestimated.

At first, the audience below the stage was disappointed that their seat number had not been chosen. Later, when they saw that the person who had been chosen was only a young girl who looked to be in her twenties, a feeling of disdain rose in everyone's hearts.

Some people even thought that Master John's concert today was going to be ruined by this audience named Jiang Yu in the final closing stage.

After all, Master John had never played an impromptu concert with a random audience member in all his years of concerts.

This was the first time, and probably the last time.

Some people watched the show calmly, wanting to see how Jiang Yu ruined the concert in the end.

But what they never expected was that not only could Jiang Yu pick up Master John's music, but she could even play together with him with one hand. This was not something that a young woman of only twenty years old could do.

At the end of "Moonlight," Jiang Yu realized her wish to be on the same stage with Master John. Master John was also very satisfied with the ensemble this time.

"Miss Jiang Yu, your piano skills are very good," John couldn't help but praise, he said, "At present, I have only met a few people with your ability. And you are the only one who is this young."

"Thank you for your praise, Master John," Jiang Yu said politely.

"You're indeed the youngest pianist I've ever met," Master John was not stingy with his praise.

Jiang Yu was a little embarrassed by John's praise and blushed slightly.

Seeing this, John asked the staff to take Jiang Yu off the stage while he continued to say a few polite words on the stage. Then, he handed the stage to the host.

When the host announced that "Today's concert is over," the audience took their seats and left.

John followed the staff to the second floor and knocked on the door of Jiang Yu and Mo Long's room.

"Master John?" When Jiang Yu saw who it was, she could not hide the surprise on her face.

"It's me," said John.

When he saw Mo Long in the room, he could not help but be stunned and asked, "Miss Jiang Yu, do you know Mo Long?"

JiaYu yu nodded and said, "Yes, I'm his fiancée."

John was shocked.

Chapter 748: Invitation To Collaborate

The reason why he was shocked was that he had known Mo Long for so long, but he had never known what kind of girl Mo Long liked.

He had once guessed what kind of girl would be able to successfully take down Mo Long in the end.

Now that he looked at it, it turned out to be Jiang Yu.

Seeing that John maintained a shocked expression and did not speak, Jiang Yu could not help but ask in puzzlement, "Master John, is there a problem?"

“Nothing. I’m just a little shocked.” John quickly shook his head and said, “Since you’re Mo Long’s fiancée, you don’t have to call me Master John. Just call me John.”

“Isn’t that a little inappropriate?” Jiang Yu was a little hesitant.

“No. Actually, I don’t like others to call me master. I think it’s a kind of restraint,” said John.

Jiang Yu hesitated for a moment, but in the end, she complied with John’s wishes and only called him “John.”

“Do you have something?” Mo Long asked coldly.

“Of course I have something to do, but I’m not here to look for you,” John said as he pulled Jiang Yu aside and asked, “May I ask which school Miss Jiang Yu is studying at now?”

Jiang Yu said, “Don’t call me ‘Miss Jiang Yu’. Just call me Jiang Yu.”

“Okay, Jiang Yu.” John quickly changed his words.

Jiang Yu smiled and said, “I’m studying at Cecilia University now.”

.....

“Cecilia?” John was a little surprised and said, “Is that the second-ranked art school in the country?”

Jiang Yu nodded and said, “Yes, that’s the school.”

“Are you an official student?” John asked.

“Yes, I’ve already taken and passed all the exams,” Jiang Yu said.

“I see.” John nodded and asked, “Jiang Yu, are you interested in writing a song with me?”

“Really?” Jiang Yu was a little flattered.

“Of course.” John smiled.

“Wait a minute.” Mo Long walked forward and stood in front of Jiang Yu stiffly. He said, “What’s going on?”

John smiled and said, “Don’t be nervous. I just like your fiancée’s capability, so I want to invite her to work with me to compose a few songs.”

Mo Long frowned and looked at John, saying, “I’m afraid I need to ask her school’s teacher’s opinion.”

Jiang Yu then remembered that if she really wanted to work with John, she should ask Professor Karl’s opinion.

So she said, “Then I’ll go back and ask. If my teacher agrees, then I’ll cooperate with you.”

John nodded and said, “Okay, then I’ll wait for your good news. As for the contact information, just ask Mo Long for it.”

“Okay.” Jiang Yu nodded.

John didn't want to be a third wheel between the two. Anyway, he didn't have anything important to say, so he went back backstage and prepared to pack his things and return to the hotel.

"Do you want to work with him?" Mo Long asked.

Jiang Yu nodded and said, "As long as Professor Karl agrees, I will definitely work with him."

"Okay." Mo Long sighed.

He knew that as long as it was something decided by Jiang Yu, no matter what he said, she wouldn't change it.

However, Jiang Yu didn't know why Mo Long sighed, so she asked, "What's wrong?"

Mo Long told the truth, "I've known John for a long time. I know what kind of person he is. He is a person who is very obsessed with the piano. As long as he is involved in the creation of piano pieces, he will work day and night without rest. I'm worried that if you work with him, he will bring you to this state."

So that was the reason?

Jiang Yu smiled, she comforted Mo Long, "It's alright. Don't you know what kind of person I am? I'm not the kind of person who won't rest day and night. I still value my own body very much. If something happens to my body, then no matter how much I love the piano, it won't help."

"It's good as long as you understand." Mo Long smiled happily.

"Okay, don't worry. I will take care of myself," Jiang Yu said.

Mo Long nodded and pulled Jiang Yu into his arms.

Jiang Yu slept in the apartment Mo Long had booked. She woke up early the next morning and rushed back to school.

Mo Long also had work to do, but it was not a very important job. Moreover, he was also a little worried that if Jiang Yu and John stayed together, something would really happen, so he stayed here for now and did not return to China.

Chapter 749: Jealous

Jiang Yu returned to the school and found Professor Karl in the classroom.

She was about to tell Professor Karl about yesterday's incident, but Professor Karl gestured for her to return to her seat and listen to him first.

So Jiang Yu obediently returned to her seat.

Bessie saw that she had returned, so she asked in a low voice, "Jiang Yu, how was the concert yesterday?"

Jiang Yu secretly gave her a thumbs up and said, "It was great."

Kang Xue, who was sitting not far away, clearly heard what Jiang Yu and Bessie said.

Jiang Yu went to the concert yesterday? Damn it! How did she manage to buy a ticket? She did not manage to buy a ticket at that time, and no matter what method she used, she could not manage to buy a ticket!

Kang Xue gnashed her teeth in hatred. She planned to ask Jiang Yu about it after Professor Karl left.

However, Professor Karl didn't leave immediately after he finished talking about the school's newly issued rules. Instead, he said to everyone, "Today, our elite class will welcome a big shot."

No one knew what was going on. Even Jiang Yu couldn't guess who it was. She didn't think of John at all.

But the moment John stepped in, Jiang Yu knew what his purpose of coming here was.

He stood beside Professor Karl with a smile and said, "Hello, students. I'm John."

Bessie and the others took a deep breath.

.....

This was the legendary piano master!! How could he be here?!

John ignored the shock of the others and continued, "I'm here today to look for a student."

Then, he walked towards Jiang Yu in front of the others' eyes and said with a smile, "Jiang Yu, I've already informed Professor Karl when I came. Professor Karl has already agreed to the cooperation between you and me."

Jiang Yu paused. She didn't expect John to be more concerned about this matter than she was.

She had said yesterday that she would ask Professor Karl's opinion, but she didn't expect him to come today.

She stood up and smiled at Professor Karl. "Thank you, Professor Karl."

Professor Karl smiled and said, "You're welcome. It is my honor as a teacher for my student to collaborate with the famous Master John in composing music."

John was pressed for time and did not have much time to stay here. Therefore, he left after a few simple words with Jiang Yu.

Professor Karl didn't have anything important to announce, so he also returned to the office.

Bessie was very excited as she lay in front of Jiang Yu and asked, "Jiang Yu! What's going on! Not only did you watch the live concert yesterday, but you even got the opportunity to work with Master John?!"

This was the kind of luck that others envied but couldn't get!

Mike and Roger also walked over and asked, "Yeah, Jiang Yu, what's going on?"

After the last welcoming party, the two of them had already distanced themselves from Kang Xue and had formed a team with Jiang Yu.

Jiang Yu was about to speak when Kang Xue said in a strange tone, "What else could it be? She must have played some dirty tricks again, right? Otherwise, how could she have bought a ticket? How could master John find her to work with him?"

Bessie was a little angry, she said, "Kang Xue, can you not say that grapes are sour just because you can't eat them here?!! You didn't buy a ticket yourself, but it doesn't mean that others also didn't buy a ticket! So many people in the school wanted to go to this concert. Do you dare to say that not a single one of them has bought a ticket?"

Kang Xue said coldly, "Who knows how she bought it? Besides, what if no one in the school has bought a ticket?"

"Don't try to reason with me!" Bessie said.

"I didn't!" Kang Xue retorted loudly.

"Alright, stop arguing." Jiang Yu hurriedly stopped the two, "Let's end this matter here. Whether it's about the tickets or the cooperation, I have a clear conscience. If anyone insists that there's a lie, she's welcome to find the flaw."

Jiang Yu was referring to Kang Xue.

Kang Xue said, "Jiang Yu, do you think I don't dare to? Let me tell you, I absolutely don't believe that you can buy a ticket! Oh, right, didn't Xu Ye come a few days ago? He even rehearsed with you. The photos of the two of you behaving intimately are all on the school forum. Could it be that he spent a huge sum of money to buy you a ticket?"

The second half of her sentence was so sarcastic that it was as if Xu Ye was the reason Jiang Yu was able to go to the concert.

Chapter 750: Meet At The Studio

Bessie said, "Kang Xue, what do you mean by that? Could it be that the intimate photos of Jiang Yu with another man that those people mentioned earlier were all your doing?"

Kang Xue spread her hands and said, "I didn't say that. I only said that I saw it, but I didn't admit that I did it."

But since she could say this, then even if she didn't do it, it must have something to do with her.

However, there was no evidence at the moment, and the incident didn't have much of an impact on Jiang Yu.

Therefore, Jiang Yu said, "Let's call it a day. Everyone should have their own things to do. Go do your own things."

"Don't tell me I'm telling the truth? I've hit a sore spot, so you're in a hurry to skip this topic?" Kang Xue said mockingly.

“Kang Xue, I feel very sad and regretful that you didn’t buy a music ticket, resulting in you not being able to watch the concert.”

Jiang Yu said in a serious tone, “At the same time, I also feel regretful that you don’t have a powerful boyfriend who can’t even help you get a simple ticket. Of course, these aren’t the most tragic things. The most tragic thing is that on the basis of these things, your homework was even given a negative score. There’s a high chance that you’ll fail the final semester. If that’s the case, you might not even be able to get the graduation certificate as an exchange student. Thinking of this, as your classmate, I feel very sad for you.”

After Jiang Yu said this, she could clearly see that Kang Xue’s face had turned from red to green.

“Jiang Yu!” All the painful parts had been said by Jiang Yu. To Kang Xue, this was very embarrassing.

But she couldn’t refute anything because Jiang Yu was telling the truth.

Therefore, she could only stomp her feet in anger.

.....

“If there’s nothing else, don’t disturb each other,” said Jiang Yu, “Kang Xue, since you don’t like me, why do you have to have anything to do with me? If there’s anything about me, can’t you just not pay attention to it?”

“Why do you care about me? I’ll pay attention to whoever I want!” Kang Xue said angrily as she turned around and left the classroom.

Jiang Yu sighed and shook her head helplessly.

“Jiang Yu, are you going to collaborate with Master John in the future?” Bessie asked, her eyes filled with envy.

“Not really.” Jiang Yu shook her head and said, “John only invited me to collaborate with him on one song. He didn’t say that he would collaborate with me in the future.”

“John? Jiang Yu, so you and Master John are already so familiar with each other,” Bessie said.

Jiang Yu said, “John asked me to call him that. He said he didn’t want to be bound by the title ‘Master’.”

“That’s true.” Bessie nodded, she said, “I feel that many famous people are actually more willing to be ordinary people. There won’t be so many people’s eyes on them. They can also live the life of ordinary people freely.”

“Probably.” Jiang Yu felt that Bessie’s words made sense.

“Then you should go with Master John first.” Bessie walked to Mike’s side, “He will take care of me during this period of time. You can rest assured. If he doesn’t take good care of me, I’ll go to his mother and complain.”

Mike said helplessly, “I know, I know. You’re really a Missy.”

With Mike taking care of Bessie, Jiang Yu felt more at ease, so she made an appointment with John to meet him at the studio.

John's studio looked more like a bedroom. There was a single bed, a desk, and a sofa for three. Other than that, there was nothing else.

However, when Jiang Yu went, she was surprised to find that Mo Long was also there.

"Why are you still here? Didn't you go back to work?" Jiang Yu asked in surprise.

Mo Long sat on the double sofa, flipping through the documents as he said, "I'm still a little worried about you, so I plan to rest here for a few more days."

"Aren't you in a hurry to work?" Jiang Yu asked, "Did you hand over your work to Teng Yi again?"

John listened from the side and felt that Jiang Yu's use of the word "again" was very clever.

Mo Long paused and replied faintly, "Yes."

Jiang Yu knew that Teng Yi must have memorized a lot of work again.

So sometimes, she still felt sorry for Teng Yi.

"Teng Yi's life is actually quite miserable," John said casually.

Jiang Yu wanted to echo "Yes," but she saw Mo Long looking at John with a gloomy face, so she silently took back that sentence.

She also changed the sentence: "I think his life is pretty good, very fulfilling."
