

Older Man 811

Chapter 811: Rational Analysis

Jiang Yu had been unable to sleep from the second half of the night until daybreak. It wasn't until Sister Xia knocked on her door that Jiang Yu got out of bed and opened the door.

"Director Chen said there's no show for you today. You can rest in your room for a while," said Sister Xia as she entered the room. She placed the soy milk and deep-fried dough sticks that she had just bought on Jiang Yu's bedside table.

"Hey, who gave you this stuffed duck?" Sister Xia looked at the stuffed duck and picked it up to admire it. "It's really pretty."

Jiang Yu's voice was so hoarse that she almost couldn't speak. She coughed dryly and said, "I don't know who it was. It was left outside my room in the middle of the night."

"AH? who brought something here in the middle of the night?" Sister Xia couldn't help but laugh. She thought it was because someone was too embarrassed to give it to Jiang Yu in front of her, so they secretly came to give it to her in the middle of the night.

Jiang Yu looked at Sister Xia's happy expression and hesitated for a moment. In the end, she told Sister Xia about what happened last night.

"Huh?!" When Sister Xia heard that, the doll in her hand instantly dropped to the ground in fright.

"Sister Xia, are you alright?" Jiang Yu hurriedly comforted Sister Xia.

"I'm fine, I'm just a little scared." Sister Xia was still in shock, "What happened recently? First, Li Yue released a bug to bite you. Then, someone secretly placed this crying doll at your door in the middle of the night. What were they trying to do?"

"I'm not sure either." Jiang Yu only felt that her throat was very dry and uncomfortable. It was about to split open.

Only then did Sister Xia notice that something was wrong with Jiang Yu's throat. She quickly poured a glass of water for her to drink to moisten her throat.

Jiang Yu drank a whole glass of water before she felt that her throat had recovered.

"Why did you suddenly catch a cold?" Sister Xia was a little surprised because she had been keeping Jiang Yu warm for the past few days. Logically speaking, she shouldn't have caught a cold.

"I'm not too sure." Jiang Yu shook her head. "I suddenly woke up in the middle of the night last night. My nose was a little stuffy and I couldn't breathe. I got up to look for some cold medicine to take and I heard this sound at the door."

"This is clearly someone's doing it on purpose!" Sister Xia was a little angry. "What's going on? Is it because you're easy to bully? Is that why Li Yue kept bullying you?"

“This time, the doll might not have been sent by Li Yue,” Jiang Yu said. “Maybe it was her, or maybe she spent money to get someone to send it over. But no matter what, Li Yue is definitely involved in this matter.”

“I think it’s Li Yue herself!” Sister Xia said unhappily.

“Not necessarily. She probably wouldn’t dare to go to someone else’s room alone in the middle of the night and put this thing there,” Jiang Yu guessed.

“Not necessarily, but definitely!” Sister Xia’s tone became a little angry when she mentioned Li Yue. “She even dared to take the poisonous hook beetle. If that poisonous thing bit her, she might not be able to save herself. She’s not even afraid of that thing, why would she be afraid of going to someone else’s room in the middle of the night?”

Jiang Yu thought about it carefully and felt that what Sister Xia said made sense, so she didn’t argue.

However, Li Yue must have been involved in this matter.

“I don’t understand. What happened to Li Yue recently?” Sister Xia was puzzled by Li Yue’s change, “Originally, her manager, Sister He, and I were sworn enemies. We never spoke, but she kept looking for me these few days and even asked me if I felt that Li Yue had changed. At that time, I didn’t feel anything, but now I feel that she has really changed?”

Jiang Yu also felt that Li Yue had changed. She had even changed to the point of making people feel unfamiliar.

“She has indeed changed. She doesn’t even care about her identity,” Jiang Yu said.

“What’s going on? Sister He told me that ever since Li Yue went back to celebrate the new year, she had changed like this.”

After the New Year? Jiang Yu was stunned.

Could it be because of the incident where she and Li Lu lost face in the Mo Family?

But that incident was because Li Lu was making trouble for no reason, so the Mo family’s attitude towards them had become worse. Li Yue shouldn’t be so petty. She remembered an incident for so long?

But if it was really because of this incident... it wasn’t impossible.

So she rubbed her temples and slowly said, “I think I know why.”

“What?” Sister Xia looked at Jiang Yu.

Jiang Yu then told her about Li Yue and Li Lu visiting the Mo family during the New Year.

“Just because of this matter?” Sister Xia felt that it was unreasonable, “If it wasn’t for Li Lu being unreasonable, things wouldn’t have turned out like this, right? She’s so good, she even blamed it on unrelated people? How did she become the eldest miss of the Li Family?”

Chapter 812: Become Even Worse

It was hard for Jiang Yu to say whether Li Yue's current state was due to the events that happened during the New Year.

But if that was really the case, there was a trace to be found.

"No, I'm worried about you." Sister Xia thought about it and decided to stay with Jiang Yu. "Wait here, I'll go back and get my blanket. Tonight, I'll rest with you."

Jiang Yu knew that he couldn't stop Sister Xia's thoughts, so he could only let her go.

Sister Xia went to her room and brought the blanket over.

"I want to see if anyone will come and cause trouble again tonight!" Sister Xia was really angry. She sat down on Jiang Yu's bed and refused to go anywhere.

She had treated Jiang Yu like a precious artiste, but in the end, she was toyed with like a clown?! She was even targeted for her life?!

This was simply intolerable!

Jiang Yu smiled helplessly and said, "Sister Xia, it's alright. I think Li Yue should be able to behave a little better tonight."

"It'd better be like that!" Sister Xia said unhappily.

However, Jiang Yu still thought that things were a little better.

That night, Jiang Yu and Sister Xia were just about to go to bed when they heard someone knocking on the door.

"Who is it?" Sister Xia asked.

No one answered the door, and the knocking stopped.

"Who is it? Why aren't you saying anything after knocking on the door? Could it be another prank?" Sister Xia grumbled unhappily as she changed into her pajamas and prepared to go to bed.

However, there was another knock on the door, and it sounded even more urgent than before, as if it was going to break Jiang Yu's door into pieces.

"Who is it?!" Sister Xia shouted and unwillingly walked over to open the door.

However, when she opened the door, there was no one outside. It was empty.

"Who is it? It's so late at night. What's wrong with you?" Sister Xia said unhappily. Just as she was about to return to her room, she saw a small box at the door.

"What is this?" Sister Xia picked up the box and closed the door.

"What is it, Sister Xia?" Jiang Yu sat on the bed and watched as Sister Xia brought in a small box.

“Someone knocked on the door and left this thing at the door.” Sister Xia handed the box to Jiang Yu.
“This is it.”

Jiang Yu didn’t know what was inside the box either. After looking around for a while, she decided to open it.

“Wait!” Sister Xia hurriedly stopped Jiang Yu. “It’s obvious that someone sent it to you yesterday. It’s definitely not something good. Are you going to open it to take a look?”

“Yes.” Jiang Yu nodded. “I don’t believe that when this box is opened, a person will jump out.”

As she spoke, Jiang Yu opened the box.

There was only a ghost doll with a strange expression inside.

Sister Xia was startled and hurriedly took the box from Jiang Yu’s hands and threw it into the bathroom’s trash can.

“This thing is unlucky!” Sister Xia said.

Jiang Yu was also frightened by the ghost doll. However, she didn’t expect the person to hate her so much that he even used this thing to scare her.

“Jiang Yu, are you okay?” Sister Xia looked at Jiang Yu’s expression, worried that she would be too scared to speak.

“Ah... Ah, I’m fine.” Jiang Yu came back to her senses and asked, “Where’s the box?”

Sister Xia said, “I threw it into the trash can.”

“Bring it over, I’ll keep it,” Jiang Yu said.

“Ah?” Sister Xia felt that Jiang Yu had been scared out of her wits. “Jiang Yu, that’s a ghost doll. You still want to keep it? How scary!”

“No matter what, it was a gift from someone else. No matter what, I have to accept it,” Jiang Yu said as she got out of bed and walked to the door, “Thank you for the gift. Whether I like it or not, I will accept it.”

Her words were meant for the people outside the door.

However, Sister Xia was a little confused. “Is there anyone outside?”

“I don’t know if there’s anyone, but I’m guessing that it’s someone who wants to hear my cries.” Jiang Yu walked into the bathroom and picked up the ghost doll along with the box.

“Have you thought it through? Are you really going to accept it?” Sister Xia asked uncertainly.

“No matter what, it’s still a gift. Just accept it.” Jiang Yu said and threw the box to the side of the stuffed duck, “Keep these things. If we really catch Li Yue in the future, these things will be of great use.”

Only then did Sister Xia understand Jiang Yu’s intention. She said, “In that case, it’s good to keep it. It saves Li Yue from not admitting it again.”

“She’s always like this. As the eldest daughter of the Li family, she doesn’t know anything else, but she’s very good at ‘not admitting to it’.” Jiang Yu sneered.

Chapter 813: Wrap Party

“No matter what, it’s best to stay as far away from Li Yue as possible in the future.” Sister Xia sighed and gave Jiang Yu a few more words before lying down to rest.

Jiang Yu kept all the things away before lying down on the bed to rest.

Perhaps it was because Sister Xia had been resting with Jiang Yu recently that no one would knock on the door in the middle of the night and leave anything strange behind.

“It seems that Li Yue has been well-behaved recently,” Sister Xia said as she helped Jiang Yu pack her luggage.

Today was Jiang Yu’s last scene and the filming had just ended.

“Maybe she’s afraid, or maybe she wants to trick me after the filming is over.” Jiang Yu placed her water cup into her luggage, “We’ll definitely have a wrap party tonight. As long as I’m there, Li Yue will definitely be there. If she wants to do anything to me, tonight will be her last chance.”

When Sister Xia heard this, she didn’t plan to let Jiang Yu attend the “Wrap party”, nor did she plan to let her go to the “Wrap party”.

“Jiang Yu, Let’s return to the studio. As long as we can avoid contact with Li Yue now, it’ll be fine,” Sister Xia advised.

“It’s alright, Sister Xia. I’ll definitely go to the wrap party tonight. I want to see what Li Yue has in mind,” Jiang Yu said.

Sister Xia knew that she couldn’t persuade Jiang Yu, so she could only let her be. “But you must be careful. No one knows what evil thoughts Li Yue has in her heart. When I’m not by your side, you must be more careful and walk towards Yuan Lai. Yuan Lai seems to be a good child and he treats you as a true friend. He will definitely protect you.”

“Got it.” Jiang Yu smiled. “I’ll protect myself.”

“Okay.” Sister Xia packed her luggage and brought Jiang Yu to Yuan Lai’s side. Only then did she return to the studio with Jiang Yu’s belongings.

“Jiang Yu, don’t be afraid. As long as I’m here, I’ll protect you.” Yuan Lai patted his chest. “No matter what, I’m still a man.”

“Haha,” Jiang Yu laughed out loud. “Did Sister Xia tell you?”

“Yes.” Yuan Lai nodded honestly. “Sister Xia said that someone has been bullying you recently. I don’t know if they’ll attack you at the banquet tonight, so she asked me to stay by your side.”

“You didn’t ask why?” Jiang Yu admired Yuan Lai’s helpful personality. However, it was a little lacking in consideration to agree to help without even asking why.

However, Yuan Lai didn’t feel that there was anything wrong with it. “It’s nothing. When we were recording variety shows together, didn’t you always take care of me? Speaking of which, rather than saying that I treat you as a friend, I should say that I treat you as a sister. If my own sister is in danger, of course I would stand up to protect you. How would I have the time to ask so many questions?”

“Oh, is that so?” Jiang Yu couldn’t help but laugh. She patted Yuan Lai’s shoulder and said, “Based on your thoughts, I should acknowledge you as my younger brother.”

“Hehe,” Yuan Lai giggled and called out sweetly, “Sister.”

Jiang Yu felt that Yuan Lai was indeed a good boy. If he was really with Wen Nuan, he should be able to take good care of her.

However, he still had to ask Yuan Lai for his opinion first.

Yuan Lai and Jiang Yu went to the hotel where the wrap party was held and found a private room.

There were a lot of people. Not only were the director and a few main actors, but there were also a few other staff members and Xu Ye’s manager.

On the other hand, Sister Xia had something to do at the studio today, so she couldn’t accompany Jiang Yu to attend the party.

“Jiang Yu is here? Please take a seat!” Director Chen greeted warmly when he saw Jiang Yu enter the room.

“Thank you, Director Chen.” Jiang Yu thanked him politely before she pulled out a chair and sat down.

She had specially chosen a seat beside Li Yue to sit down so that she could observe her every move during the banquet.

The others did not dare to sit beside Li Yue because they felt that her aura was too strong and they were afraid that they would not dare to speak after they sat there.

But Jiang Yu calmly sat beside Li Yue. It was truly admirable.

As expected of the current movie queen. She had the guts to go against the aura of the previous movie queen!

“There’s no one here to sit.” After Jiang Yu sat down, she politely greeted Li Yue. “There shouldn’t be any problem for me to sit here, right?”

“No problem. You can sit wherever you want.” Li Yue smiled without the slightest discomfort.

Jiang Yu looked at her expression and did not see any clues.

Chapter 814: Safe and Sound

“If there’s no problem, let’s eat first.” Director Chen noticed that the atmosphere between Jiang Yu and Li Yue was not right, so he quickly called for everyone to eat.

“Okay!” The group of people cheered in agreement with Director Chen and began to eat.

Jiang Yu was like her usual way of eating, she would pick up a mouthful of food whenever she saw something she wanted to eat. If she didn’t want to eat, she would wait for others to finish picking up the food before turning the turntable away.

Li Yue stopped eating after a few bites and continued to watch Jiang Yu eat.

Jiang Yu noticed Li Yue’s gaze and asked as she picked up the food, “What’s wrong? Is there something on my face?”

“There’s nothing.” Li Yue stared at Jiang Yu. “It’s just that from your expression, you seem very calm.”

“Oh?” Jiang Yu’s hand that was picking up the food paused and he turned to look at Li Yue. “What else? I can’t cry and eat, right?”

Li Yue choked, after a long while, she said, “I heard that a few days ago, someone placed some scary things at the door of your room in the middle of the night. I thought you would be very afraid, but in the end, when you were filming, your expression was the same as usual. Even when you are eating now, your expression is still the same as usual.”

“This matter has been over for a long time.” Jiang Yu continued to put food in her bowl. “I wasn’t afraid at that time, how could I be afraid now? Then my reflex arc would be too long, right?”

Li Yue paused and smiled. “That’s true. Forget it, let’s eat properly. I still have to catch up on my work later.”

Jiang Yu originally wanted to see what Li Yue wanted to do at today’s dinner, but until the end of the dinner, Li Yue didn’t do anything excessive.

But Jiang Yu didn’t let down her guard.

Perhaps it was because there were more people at today’s dinner, so Li Yue didn’t dare to make a move. But just because she didn’t make a move, it didn’t mean that she didn’t have such thoughts.

Jiang Yu still wanted to stay by Li Yue’s side to observe more, but Yuan Lai remembered sister Xia’s instructions. As soon as they finished eating, he came over and patted Jiang Yu’s shoulder. “We’re done eating, shall we go back?”

Jiang Yu looked at Yuan Lai and then at the few people at the dining table who were all drunk. She did not plan to stay any longer.

She stood up and said, “Alright, let’s go back.”

Yuan Lai nodded and said, “Let’s go.”

The two of them were about to leave when Xu Ye stood up and shouted, “Are you going back now? Let me send you off. Maybe it’s on the way.”

Just as Yuan Lai was about to agree, Jiang Yu immediately rejected him. "There's no need. It's not on the way."

"Ah?" Yuan Lai was a little puzzled, but when he saw Jiang Yu's determined gaze, he didn't ask any further.

However, Xu Ye didn't give up on the idea just because of Jiang Yu's words. Instead, he stood up and walked in front of Jiang Yu. He said with a smile, "You have to tell me where it is before I know if it's on the way or not."

Jiang Yu raised her head and looked at Xu Ye. After a long time, she said, "I've eaten too much. I'm planning to take a walk. I don't plan to take a car back."

"Really? That's too much of a coincidence. I've eaten too much and I'm also planning to take a walk. How about it? Let's go together, Jiang Yu?" Xu Ye smiled and made up an excuse.

Jiang Yu had no solution to Xu Ye's thick skin, so she ignored him and turned around to leave the room.

Yuan Lai quickly followed, while Xu Ye tidied his collar and followed.

Jiang Yu walked out of the hotel door and walked towards the road on the left.

Yuan Lai and Xu Ye didn't say anything and just followed behind her.

"The three of us are walking together, don't we have a topic to talk about?" Xu Ye stretched as he walked and also started a topic.

Yuan Lai wanted to say, "I have something to talk about with you," but Jiang Yu was walking alone in front of him, so he didn't dare to say anything.

Seeing that no one was talking to him, Xu Ye didn't feel awkward, so he started another topic. "Yuan Lai, I see that you're not young anymore. Do you have a girl that you like?"

Yuan Lai was stumped by the question. He never thought that this topic would extend to him.

"Why aren't you talking?" Xu Ye looked at Yuan Lai with amusement. "Do you really have a girl that you like?"

"Not really..." Yuan Lai scratched his head, blushing. "I just think that this little girl is very cute and lively when she talks. That's why I have a good impression of her..."

"Who is it?" Xu Ye's curiosity was piqued. "Do you mind telling me?"

"I don't mind if I do, but I'm not even close to that girl yet," Yuan Lai said shyly, his voice a little soft.

"Brother Xu Ye, do you think there will be a result between us?"

Chapter 815: Speeding Car

"You always have to say his name before we know if there is a result," Xu Ye said, "If you don't say anything, how am I supposed to guess?"

“Then... then fine, I’ll tell you.” Yuan Lai seemed to have mustered up a lot of courage before he decided to say the name of that person.

“Say it, say it,” Xu Ye urged.

Even Jiang Yu, who had been walking in front with her head lowered, slowed down at this moment. She pricked up her ears, wanting to hear who Yuan Lai was talking about.

Both of them were looking forward to it. Yuan Lai paused for a moment before saying softly, “Wen Nuan. That girl is called Wen Nuan.”

“Wen Nuan?” Xu Ye was stunned for a moment. “Who is Wen Nuan? I seem to have heard this name before, but I can’t recall it.”

Xu Ye’s reaction was that he had an impression of Wen Nuan, but not much.

Jiang Yu’s reaction was a little more intense. “Who are you talking about? Wen Nuan?!”

“Ah, ah, yes.” Yuan Lai was shocked by Jiang Yu’s reaction and quickly asked, “What’s wrong? Is there someone that Wen Nuan likes?”

He knew that Jiang Yu and Wen Nuan knew each other. Furthermore, Wen Nuan had previously been the brand spokesperson for Jiang Yu’s lipstick.

Jiang Yu looked at Yuan Lai but didn’t say anything.

Seeing that Jiang Yu didn’t say anything, Yuan Lai became even more anxious. “Sister Jiang Yu! Say something. Does Wen Nuan have someone she likes?”

Jiang Yu pondered for a moment but still didn’t tell him that Wen Nuan was interested in him.

Hence, she pretended to be mysterious and said, “It’s a secret.”

“Ah?” Yuan Lai was dumbfounded.

Jiang Yu was in a very good mood now. She even silently allowed Xu Ye, who was following behind her.

She was still walking in front when suddenly, a car sped over and rushed straight at Jiang Yu.

“Sister Jiang Yu!”

“Jiang Yu!”

Yuan Lai and Xu Ye shouted at the same time and rushed over to pull Jiang Yu into their arms at the same time.

Xu Ye’s figure was taller, so his grab was faster than Yuan Lai’s. Jiang Yu lost her balance and fell into Xu Ye’s arms.

“Ugh!” Jiang Yu grunted and steadied herself with Xu Ye’s body.

“Jiang Yu, are you okay?” Xu Ye asked anxiously.

“I’m fine.” Jiang Yu straightened her body and shook her head to regain her consciousness.

“What’s with that car? Didn’t it see someone here?!” Yuan Lai said unhappily, “And this is a sidewalk! Is that car crazy? How dare it be so reckless on the sidewalk?!”

“That car looks more like a racer,” Xu Ye said.

“Don’t they think too little of the police?” Yuan Lai said indignantly.

“Those people are risking their lives. They don’t care about the police or anything. They don’t care about those things. What they want is excitement,” Xu Ye said and looked down at Jiang Yu. “Jiang Yu, are you really okay?”

Jiang Yu nodded. “I’m really alright. Don’t worry about me.”

She looked at the zebra crossing under her feet and confirmed that she was indeed on the sidewalk. What was going on with that car? It wasn’t a green light now. How could it dare to be so impudent on the sidewalk?

Was It really a racing gang? Probably not.

Jiang Yu thought back to when Xiao Xia had gotten into an accident and combined it with what had happened today. She already had a rough guess in her heart.

As expected of the Li family sisters. One of them had a drastic change in personality and always did things that were difficult to understand. The other one would not stop even if she retreated from the circle. She would always do things in the dark, as if to announce that she was still alive in this world.

“Sister Jiang Yu, it’s good that you’re alright.” Yuan Lai heaved a sigh of relief. “If something happens to you, I won’t be able to explain it to Sister Xia.”

“It’s alright.” Jiang Yu patted Yuan Lai’s arm consolingly. “When that car went over just now, did you see the license plate number?”

When the license plate number was mentioned, Yuan Lai and Xu Ye slapped their heads. “That’s right, the license plate number! There’s no license plate on that car!”

When the two of them said that, Jiang Yu knew that her guess wasn’t too far off.

It seemed like they were one step closer to the truth.

“Then this is a black car. We should call the police!” Yuan Lai slapped his thigh and took out his phone to call the police.

Jiang Yu didn’t stop him.

Because the car was indeed a black car without a license plate, it should have been reported to the police, so Yuan Lai didn’t do anything wrong.

As for Li Yue, she didn’t have to worry about alerting the enemy.

She should have been prepared when she first looked for this car.

The police arrived not long after and brought Jiang Yu and the other two to the police station to make a statement before letting them go.

Chapter 816: Thoughts In A Mess

“Jiang Yu, you’ve given me too many surprises,” Xu Ye said. It was unknown whether he was sighing or joking. “This is the first time I’ve been in a police station in my entire life.”

“Really? Then you have to remember this time.” Jiang Yu did not spoil Xu Ye’s bad habits. She directly choked back what he said.

“Ahem.” Xu Ye did not expect Jiang Yu to say that, so he was indeed choked.

“Be gentle. No matter what, I’m still your partner.” Xu Ye put on a wronged expression.

“Be careful. You’re my partner when I’m filming, not my partner in real life,” Jiang Yu kindly reminded him.

“Your words are really sad.” Xu Ye deliberately put on a pained expression, wanting to lean on Jiang Yu.

Jiang Yu quickly hid beside Yuan Lai and pushed him over.

“If you’re really sad, just cry on Yuan Lai for a while,” Jiang Yu said.

Her tone was very calm. Xu Ye couldn’t tell if she was angry or indifferent.

He paused for a moment, straightened up, and retracted his cynical look. “Alright, I’ve digested it. There’s no need to take a walk. It’s getting late. Yuan Lai, remember to send Jiang Yu home safely.”

“Got it, brother Xu Ye,” Yuan Lai replied.

Xu Ye took his coat, took a taxi, and left.

“Brother Xu Ye, it’s a little strange.” Yuan Lai looked at the shadow of the taxi leaving. “It seems like he wants to please you, but it also seems like he doesn’t want to.”

Jiang Yu also felt that Xu Ye was very strange. If it were any other day, he would definitely follow him shamelessly.

Why did he seem like a different person today? Why did he go back just like that?

Could it be that he had thought it through and knew that no matter how much he pestered her, there would be no result, so he gave up?

But no matter what happened, as long as Xu Ye didn’t pester him anymore, it was a good thing for Jiang Yu.

“Alright, stop guessing. Let’s go back. It’s already dark,” Jiang Yu said to Yuan Lai.

“Ah ah, alright.” Yuan Lai quickly followed Jiang Yu and took a taxi, preparing to send Jiang Yu home.

Meanwhile, Xu Ye, who was sitting in the taxi, was very confused. He did not know where his thoughts had drifted to.

Previously, he had approached Jiang Yu to use her identity as a member of the Kang family to help him restore the glory of the Xu family.

However, after getting along with her little by little, Xu Ye could no longer tell whether he was using Jiang Yu or whether he really liked her.

When the driver saw Xu Ye's dejected look, he could not help but ask, "Young man, is there anything that you don't understand?"

"Nothing." Xu Ye gave a wry smile. After pondering for a while, he decided to seek advice from the driver.

"If I only approached a girl out of curiosity in the beginning, but as time passed, I became more and more eager to get close to her. I can't help but want to get close to her. Does it mean that I have fallen in love with this girl?" Xu Ye asked sincerely.

The driver was also an experienced person. After listening to Xu Ye's description, he smiled and said, "Young man, you have fallen in love with her. Alright, alright. Take advantage of the fact that you are still young and quickly confess to her. Otherwise, you will miss it."

Xu Ye was stunned, and his eyes immediately dimmed.

He lowered his head and said, "She has a fiancé. Although they are not married, their relationship is very good, so good that others envy them."

When the driver heard this, he also knew that the young man sitting in the back seat had fallen in love with someone who was impossible to be together with.

However, out of good intentions, he still advised, "Young man, relationships are not something that can be given unilaterally. You have to move forward. There are many people in front who love you."

"That's true." Xu Ye smiled bitterly and muttered to himself in a low voice, "I'm really unhappy. I can't believe I missed you just like that."

When they reached the place, Xu Ye called Tang Yi out, "Come out and drink with me."

Tang Yi said, "Big Brother, do you want to take a look at the time? At this time, a decent person is already lying in bed sleeping. Who would still go out to drink?"

Xu Ye said seriously, "Me and you."

Tang Yi said, "Ah! Are you alright? I'm going to sleep. Don't go crazy if you're fine."

Xu Ye tightened his grip on the phone and said, "Tang Yi, I've fallen in love with Jiang Yu."

Tang Yi was still a little sleepy at first, but when he heard Xu Ye's words, he immediately jumped up from the bed.

"What? What did you say?! Are you crazy? Didn't we agree before that we're only using Jiang Yu? How can you fall in love with her?!"

"I don't know." Xu Ye shrugged and said helplessly.

Chapter 817: 817 Xu Ye's thoughts

Tang Yi wanted to know why Xu Ye's thoughts had changed in such a short period of time, so he sacrificed his precious sleeping time to go to Xu Ye's house.

Xu Ye was a movie king, and his every move was closely watched by people. Not to mention that it was midnight, even if it was early in the morning, there were still paparazzi quietly waiting at the entrance of his neighborhood.

Therefore, even if Xu Ye wanted to go to a bar and get drunk, he couldn't go.

Therefore, he could only stay at home and drink alone.

Fortunately, he had called Tang Yi over today. Now, there was someone to drink with.

Tang Yi soon arrived at Xu Ye's house. He rang the doorbell and Xu Ye quickly opened the door. "You're here? Come in."

Tang Yi walked into Xu Ye's house and saw that he had already set up the red wine on the coffee table and two goblets.

"Movie King Xu, didn't you say that this wine is only treasured and not drunk?" Tang Yi picked up a bottle of red wine and looked at the label on it. "This bottle of wine was brought back from the French manor by you. How many years have you been unwilling to drink it?"

"When a person is in extreme distress, they won't care about these worldly possessions." Xu Ye took the red wine from Tang Yi's hand and directly opened the cork, filling two goblets.

"Jiang Yu really has such great charm? She can make you extremely distressed?" Tang Yi took a sip. The wine's fragrance was rich and mellow. It was indeed a good red wine.

However, Xu Ye did not drink it lightly like Tang Yi did. Instead, he drank it all in one gulp.

"Best actor, this is not how you drink red wine." Tang Yi was a little helpless. "If you really want to drink it like this, you might as well drink beer. Drink as much as you want, and do whatever makes you happy."

Xu Ye paused for a moment. He felt that what Tang Yi said made sense, so he took out all the cans of beer in the fridge.

"Come, drink." Xu Ye pushed a can of beer in front of Tang Yi.

"Huh?" Tang Yi was dumbfounded. "Xu Ye, is there something wrong with your brain? Are you stupid? Are you out of your mind?"

"No." Xu Ye's gaze was very firm. "I've never been so clear-headed like now. I know exactly what I want."

Tang Yi was curious. "What do you want? Is there something else besides the glory of the Xu Family?"

Xu Ye said word by word, "Not only do I want to restore the glory of my Xu family, I also want to get Jiang Yu."

"Are you crazy?" Tang Yi almost spat out the wine in his mouth, "Do you know who Jiang Yu belongs to? She belongs to Mo Long! Even if the Xu family reverts to its former bright and beautiful appearance, it is still a family that works under the Mo family after all? How much guts and how many lives do you have to dare to snatch a woman from Mo Long?"

"What right does the Xu family have to be suppressed by the Mo Family? They are all families that rose up together in the past. What right does the Mo family have to be high and mighty?" Xu Ye said fiercely. The veins on his hand that was holding the beer can also popped out.

"Back then, it was the old master of the Mo family who saved the entire Xu Family!" Tang Yi said, "If it wasn't for the old master of the Mo family, not to mention you, your entire Xu family would have been buried in the hands of the bandit leader back then. Although your grandfather caused the Xu family to go bankrupt for his own selfish desires back then, the Mo family didn't do anything wrong. Your grandfather caused the Mo family to lose a few hundred million. On account of their many years of friendship, it was already very good that they didn't ask the Xu family to compensate this large sum of money. They were even afraid that your family wouldn't be able to live on, so they gave your family a sum of money. But you have the guts to fight with Mo Long for a woman?"

Xu Ye paused for a moment and looked at Tang Yi. "Whose side are you on?"

"Of course I'm on your side," Tang Yi quickly explained, "As your friend, if you want to restore the Xu family's glory, I will definitely support you. But from an outsider's point of view, what I said just now shouldn't be a problem, right?"

Xu Ye did not speak.

Tang Yi finished the entire can of beer. "Xu Ye, I can support you in many things. But if you want Jiang Yu, you can't do this. You can use her and deceive her, but you can't like her."

Xu Ye drank silently, not saying a word.

Seeing this, Tang Yi also drank silently with him, not saying a word.

After an unknown amount of time, Xu Ye slammed the wine jar on the table and said, "No need to persuade me. This time, I want both power and Jiang Yu."

Tang Yi was helpless. It seemed that what he said just now had been ignored by Xu Ye.

Xu Ye knew that Tang Yi would be disappointed if he made such a decision, so he said, "I'm very ambitious."

Tang Yi sighed and only said, "I understand."

However, when Jiang Yu was added to Xu Ye's plan, it was no longer ambitious.

Chapter 818: Screening Ceremony

About half a month had passed since the filming ended. The editing and post-production of the movie had been completed. Director Chen had informed the main actors and invited them to attend the screening ceremony.

"I heard from Sister He that Li Yue has taken the initiative to reject a few more appointments in order to attend the screening ceremony." Sister Xia told Jiang Yu about the things that she had heard about Li Yue recently as she was selecting dresses for Jiang Yu.

"Advertisers have a good temper too." Jiang Yu felt that Li Yue's actions were a little laughable. "Under the circumstances where there are appointments, she can choose not to come."

"That's what they all say, but Li Yue just insists on going her own way. No matter who tries to persuade her, it's useless." Sister Xia could somewhat understand Sister He's helplessness now. At the same time, she was glad that Jiang Yu did not become like Li Yue.

"I remember a long time ago, Li Yue's management company even took responsibility for her. But now that Li Yue is doing this, isn't she waiting to disappoint her management company?" Jiang Yu was puzzled.

"The more unwilling a person is to lose something, the more they will do something unreasonable," Sister Xia said, "First, she was unwilling to lose Mo Long. Then, she was unwilling to lose her position as the movie queen. The point is, in her eyes, it was you who snatched Mo Long and the movie queen, so it's not strange that she hates you."

"I know." Jiang Yu naturally knew what Li Yue was thinking, and even what Li Lu was thinking.

She was just unwilling to let her sister be bullied, so she followed her sister to hate someone she didn't know.

"But she already hates you so much, yet she still insisted on attending the same event as you. This makes me a little puzzled." Sister Xia shook her head and took out a dark-patterned shawl dress, comparing it to Jiang Yu's, "Try this dress on. It suits the character you're playing."

Jiang Yu had never had much of a demand for a dress, so she felt that the dress Sister Xia had brought wasn't too bad.

She quickly changed into the dress and walked out of the changing room.

It had to be said that Jiang Yu was like a walking clothes rack. No matter what kind of dress it was, even if it was ugly or strange, as long as it was worn by Jiang Yu, it would become very beautiful and even raise its value. Others would think that it was a famous brand.

"Not bad, not bad." Sister Xia was very satisfied. She pulled Jiang Yu to look at herself in the mirror and said, "Come, take a look. Are you satisfied?"

Jiang Yu was very assured of Sister Xia's taste. The dress that she had chosen this time not only fit her very well, but the design of the waist belt perfectly reflected her curves. The dark blue and light blue patterns matched, giving her a unique sense of mystery.

"Let's go. There are still two hours before the screening ceremony starts." Sister Xia took Jiang Yu's handbag and brought her to the car to the venue.

Li Yue and Xu Ye had already arrived at the venue. Yuan Lai was unable to attend the screening because of his schedule.

“Jiang Yu, everyone is waiting for you.” Li Yue greeted Jiang Yu intimately as if they were very close friends.

“But I remember that there’s still about an hour before the screening ceremony starts.” Jiang Yu glanced at the time. “There shouldn’t be a need to wait for me for the things that will happen in an hour.”

Li Yue realized that whenever she spoke to Jiang Yu, she would be choked by her expressionless face. Hence, she turned her head away in a fit of pique and stopped talking to her.

Jiang Yu couldn’t be bothered to talk to Li Yue and walked past her towards the backstage.

Li Yue wasn’t willing to give up. Every time, Jiang Yu would give her such a condescending expression.

Hence, she secretly stretched out her leg, wanting to trip Jiang Yu before she went up the stairs.

Jiang Yu wasn’t blind. Of course, she saw Li Yue’s foot that wanted to do something bad.

She sneered in her heart and stepped on Li Yue’s foot.

“AH —” Li Yue screamed and retracted her foot like a needle.

“What’s wrong?” Jiang Yu pretended to be frightened by Li Yue’s scream. “What happened?”

“Jiang Yu! Are you crazy? Why are you stepping on me?!” Li Yue was in so much pain that she couldn’t even care about her own image and cursed.

Fortunately, there weren’t many people nearby. Only Jiang Yu, Xu Ye, and their respective managers saw Li Yue’s attitude.

“Did I step on you?” Jiang Yu pretended to be surprised. “Then I’m really sorry! I didn’t notice it just now!”

“You!” Li Yue was once again choked by Jiang Yu and had nothing to say.

She squatted down and rubbed her ankle, cursing, “What bad luck!”

After saying that, she turned around and left.

Sister He could only smile apologetically at Jiang Yu and then left with Li Yue.

Chapter 819: Behind Ah Xiang

Jiang Yu looked at Sister He’s back and couldn’t help but feel sorry for her.

Li Yue walked in front angrily while Sister He followed behind cautiously, she advised earnestly, “Li Yue, you can’t be so angry at Jiang Yu. Later on the stage, you still have to interact with her...”

"I still have to interact with her?!" When Li Yue heard Sister He's words, her anger immediately flared up. "She's relying on her status as the movie queen, so she's starting to act without restraint now, right?"

"Keep your voice down!" Sister He was shocked by Li Yue's words. "We're outside, do you dare to say anything?"

"I didn't say anything wrong!" Li Yue crossed her arms in anger.

"Stop talking. When you're on stage later, you'd better stay away from Jiang Yu." Sister He sighed. She didn't know how to persuade Li Yue to listen.

"Of course I have to stay away from her. Stay close to her. Don't bring me bad luck." Li Yue said.

Sister He shook her head helplessly and brought Li Yue to the backstage lounge.

Li Yue, who was originally like a flower on a high mountain, how did she become like this?

But in the following ceremony, Li Yue was indeed far away from Jiang Yu. She wished that one was at the horizon and the other at the cape.

However, when it came to the interaction between the two of them, Li Yue still had that kind and amiable expression on her face. The interaction between her and Jiang Yu was as though they had been good friends for many years.

The fans below the stage were also shouting, "Sister Li Yue is still as gentle as ever!"

"Sister Li Yue is really generous. She's beautiful and very gentle!"

The fans were fooled by Li Yue's superficial skills. However, Jiang Yu knew that she was merely putting on an act in front of others.

Hence, she whispered, "Your acting skills are not bad."

Li Yue did not look at her and smiled. "I'm not acting."

Jiang Yu smiled as well. "I hope so."

The two of them shook hands and the screening ceremony ended.

Li Yue and Xu Ye stayed behind to take photos with the fans at the request of their manager. Meanwhile, Jiang Yu and Sister Xia got into the car that was going to Chang Kai's house.

Just now, before the ceremony ended, Chang Kai called Sister Xia and said that he had found all the clues related to Ah Xiang.

"Are you sure that he found all the clues related to Ah Xiang?" Jiang Yu asked.

Sister Xia replied, "According to what he said, it's all the clues. He even found the address of his hometown."

"Mm, that's good." Jiang Yu nodded.

Actually, these clues were found by Jiang Yu herself using the hacker's website. Then, she used an unfamiliar account to post them on an unremarkable website. As a police officer, Chang Kai would definitely search for evidence on any website, big or small.

And to be on the safe side, Jiang Yu posted the clues she found on several small websites.

Half an hour later, Jiang Yu and Sister Xia arrived at Chang Kai's house.

"These are all the clues I found about Ah Xiang, including his real name and his home address." Chang Kai pushed the computer in front of Jiang Yu, "Although I found it on some small websites, the information I found is consistent, so I think the credibility is about 90%."

Jiang Yu only took a few glances because the information had already been memorized in her mind.

Sister Xia read every word from beginning to end. In the end, she cried out in shock, "Aiya! This Ah Xiang is actually a drug dealer?"

Chang Kai said, "Yes. Although the credibility of this piece of information was only 50%, it is better to believe it than not to believe it. I have already reported this matter to my superior. He has already arranged a special team to collect evidence."

"Do you need our help?" Jiang Yu asked.

Chang Kai smiled, "Miss Jiang Yu, what are you saying. This kind of work of catching criminals is the job of the police. How can we trouble others to help? I just feel that you have some connection with this matter, so I'm telling you that we have already found clues about Ah Xiang so that you can be at ease."

"I see." Jiang Yu nodded. "Thank You Then. But if there's anything I can help you with, you must let me know. After all, catching drug traffickers is not an easy task."

"Thank you for your concern," Chang Kai said.

"It's alright. If there's nothing else, we'll head back first," Jiang Yu said.

Chang Kai waved his hand. "Alright. You just need to rest assured about this matter. Leave everything to us."

Jiang Yu nodded and left with Sister Xia.

Chapter 820: Collecting Evidence

However, on the surface, Jiang Yu had handed everything over to Chang Kai and his colleagues, but in reality, she would still use her own methods to help them.

This was because Ah Xiang was not an ordinary person. Even she had spent a lot of effort to gather all the information about him when she first searched for information about him.

"I really didn't expect that Ah Xiang was actually a member of the drug trafficking gang." Sister Xia sat in the car and was still a little scared. "How did Li Yue get involved with him? Don't you know his true identity?"

“Maybe she really doesn’t know.” Jiang Yu guessed. “Otherwise, with Li Yue’s courage, she wouldn’t dare to get involved with the drug trafficking gang.”

“That’s true.” Sister Xia agreed with Jiang Yu. “Rest well after you go back. Don’t think about these things anymore. Since Chang Kai said that there’s already a special team to collect evidence, then we don’t need to worry.”

“Alright, I’ll rest well.” Jiang Yu bit her finger as she already had her own plan in mind.

When Jiang Yu returned to Mo Garden, Mo Long was still at work, and elder Mo had also gone out for a stroll with Ball Ball.

There was no one at home at the moment, so Jiang Yu quickly went back to her room, turned on her computer, and logged into her hacker website.

She had previously used this website to search for all of Ah Xiang’s information, but this time, no matter how she logged in, it showed that the website did not exist.

“What’s going on?” Jiang Yu initially thought that there was something wrong with her computer, but when she switched off and restarted, she realized that the URL still did not exist.

It seemed that someone had discovered this URL and hacked it, so Jiang Yu could not log in.

However, this was not difficult for Jiang Yu. Since the URL was gone, setting up another one was just a waste of time.

Jiang Yu’s fingers tapped on the keyboard and in less than five minutes, she set up a new URL. She first randomly entered some IP addresses on it. After confirming that the accurate information popped up, Jiang Yu found the IP address of Ah Xiang’s account and used this IP address, she found his phone’s chat history.

But what surprised Jiang Yu was that Ah Xiang’s wechat only had chat records with Li Yue and there was nothing else.

Jiang Yu didn’t believe that Ah Xiang only communicated with Li Yue. Perhaps he had secretly deleted those chat records.

But no matter how Jiang Yu tried to restore it, Ah Xiang’s wechat chat interface only had Li Yue.

“How is that possible? Could it be that he only talks to Li Yue?”

Jiang Yu didn’t believe it and checked again. In the end, she confirmed that Ah Xiang only talked to Li Yue. As for the others, he didn’t have any contact at all. They didn’t even send a few messages.

“Looks like she’s really a meticulous person. She’s afraid that others will check her phone,” Jiang Yu muttered to herself. She first memorized the few numbers on the messages, then, she searched for the call records on AH Xiang’s phone.

Normally, a phone would automatically record calls, but Ah Xiang’s phone must have turned off this function, or he was using a geriatric phone, so all the calls on Ah Xiang’s phone were not recorded.

Usually, when faced with such a situation, even the police would have a headache for a while and then look for a solution everywhere.

But for Jiang Yu, it was a piece of cake.

“Do you think you can defeat me just because there’s no recording?” Jiang Yu curled her lips and typed on the keyboard with her fingers. Soon, a string of code mixed with numbers and English appeared on the computer screen.

Jiang Yu copied the code and pasted it into the web address she had just set up. Instantly, a bunch of phone records popped up.

Jiang Yu only selected the few phone calls from the number on the text message and listened to them.

The first one was, “I’ll be there in a few minutes. Please wait for me for a while. ... It wasn’t easy for me to get out of prison, so I must celebrate. Help me thank the guys and prepare a celebration party for me. ... How is that possible? Do you think that I will forget all of you just because I’m in prison? It’s absolutely impossible. Alright, if there’s nothing else, I’ll hang up first.”

This should be when Ah Xiang had called his good brothers to celebrate when he had just gotten out of prison.

The second paragraph was: “I got a good customer today. She was generous and the money she gave was enough for us to retire for a few years! Li Yue, do you know that famous movie queen?”
