Chapter 951: Collapse of The Li Family

“What?” Mother Li paused. “Mo Long, our Yueyue and you have been friends for so many years. Do you have the heart to watch her spend the rest of her life in prison?”

“What is the relationship between us?” Mo Long snorted, “The moment I found out that she wanted to harm Yu’er, the relationship between us completely disappeared. Of course, I have the heart to send her to prison. If you can’t bear it, why don’t you think of a way to save her yourself? Instead, you came looking for me?”

Mother Li was blocked by these words and couldn’t say a word for a long time.

Father Li didn’t know what to say either. Because they really couldn’t save Li Yue and Li Lu, they decided to look for Mo Long to help.

But they didn’t expect that the first person they saw was Jiang Yu, the “Culprit” in their eyes. That was why they had such a bad attitude towards Jiang Yu.

“...We’ve tried.” After a long while, father Li said, “But the police station is very tight-lipped and won’t let them go. No matter how much money we pay, we won’t even be able to see the two sisters. But I heard that director Luo Hao and you are old friends, so I thought of asking you for help.”

“Is this the attitude of asking for help?” Mo Long looked coldly at the two people in front of him. “High and mighty, arrogant, don’t tell me Yu’er owes you?”

“No, no...” Father Li shook his head repeatedly and hurriedly apologized to Jiang Yu. “Miss Jiang Yu, what we said just now was wrong. Please forgive us.”

Jiang Yu looked at Father Li and said coldly, “I can forgive you, but I won’t forgive Li Yue. If you want me to save Li Yue, you’d better give up.”

As she said that, Jiang Yu entered the house.

“Miss Jiang Yu!” Father Li shouted indignantly, but Jiang Yu’s figure had already flashed into the house.

“Since things have already come to this, there’s nothing more to say.” Mo Long stopped Father Li and Mother Li who wanted to enter the house. “All the cooperation between the Mo and Li family ends here.”

“What?!” Father Li was shocked. “President Mo! If these cooperation ends here, it would be a huge loss for both of us!”

“I know.” Mo Long said indifferently. “But these losses are enough to crush your family. But to me, this is just a figure that doesn’t hurt.”

Doesn’t hurt??! A total of three hundred million, and Mo Long actually said it doesn’t hurt?!!

Father Li subconsciously swallowed his saliva. "President Mo, I still hope that you can consider this matter properly."

"There's no room for consideration. The cooperation is canceled. It's as simple as that." As he said that, Mo Long also turned around and returned to the house.

Father Li and Mother Li stood at the door, looking pitiful like two stray animals with nowhere to go.

Jiang Yu, who was sitting on the sofa reading a magazine, saw Mo Long return and asked, "How is it?"

Mo Long replied, "I canceled the partnership with the Li family."

"Then how would you lose?" Jiang Yu stood up with a whoosh. "Why didn't you think about it carefully before canceling the partnership?"

"It doesn't matter." Mo Long looked at Jiang Yu lovingly. "As for the losses, we just need to sell a few more plots of land and a few more houses to make up for them."

Jiang Yu wanted to say something but in the end, she sighed and asked, "What about the Li Family?"

"Without these few collaborations, the Li family can not be said to be completely bankrupt, but at the very least, they will be greatly weakened. If they want to recover from this loss, it will take a long time. And with Li Yue's accident, too many people began to doubt the Li family's ethos. Most companies were already unwilling to work with their family. So no matter how much time they were given, they were unable to clean up this mess," Mo Long explained patiently.

Jiang Yu was silent for a while before she slowly said, "They brought this upon themselves. No one else can be blamed."

"Mm." Mo Long walked over and sat beside Jiang Yu, pulling her into his embrace.

"After this semester ends, shall we go on a trip?" Jiang Yu's face broke into a smile once again, "I've been saying that I'm going, but because of work, I haven't been able to go. After this matter is resolved, I should be able to have a good rest for a period of time. Sister Xia also said that she won't accept work for me. So, let's go on a vacation?"

"Okay." Mo Long affectionately tucked Jiang Yu's hair behind her ear. "As long as it's a place you want to go, I'll go with you."

"Okay." Jiang Yu smiled and shrank into Mo Long's arms.

The warm and peaceful scene in the room made father Li and Mother Li look even more desolate.

They stood at the door for a long time. In the end, Father Li felt embarrassed and said, "Let's go. Don't embarrass yourself here."

Chapter 952: Holidays

Even though Mother Li couldn't take it lying down, she still obediently followed Father Li back.

After this matter was settled, Jiang Yu's life was indeed peaceful. There were no more strange people who stirred up ripples.

Li Yue and Li Lu were in prison. The two sisters had explosive tempers and always quarreled with others. Especially Li Lu. Sometimes, she would even get into a fight with others.

Every time she made a mistake, it would be recorded in a notebook by the warden. When she was released from prison, it would be handed over to the leader. If that was the case, she would be sentenced to a few more years.

Because of Li Yue's matter, more and more companies were unwilling to cooperate with them. In the end, it led to the bankruptcy of the Li Corporation. Even if Father Li went to borrow money from loan sharks, he would not be able to support this company anymore.

In the end, the company went bankrupt and he still owed a lot of money.

Jiang Yu did not know about these things because it was going to be a holiday soon and she would be able to travel with Mo Long very soon.

She did not have any place she wanted to go. She just wanted to go out and relax with Mo Long. Because of work, the two of them could not get together often. Not only Mo Long, but even Jiang Yu sometimes felt very lonely.

After Jiang Yu packed her things, she returned to Mo Garden and prepared to discuss the tourism plan with Mo Long.

Mo Long was also very attentive to the tourism plan this time, so he marked many places on the world map, wanting to take Jiang Yu to see them during this holiday.

"So many places?" Jiang Yu looked at the blue circles on the world map, and her eyes were dazzled. "I only have two months of this holiday. There are so many places, it's impossible to go to all of them?"

Mo Long smiled and said, "Apart from this holiday, there's also the next holiday. After you graduate, I can take you on a trip whenever you want. So, we will visit all of these places one day."

Jiang Yu was very touched when she heard that. "Okay, then we have an agreement. No regrets."

"Okay."

Their first destination was Malaysia because Jiang Yu really wanted to see the Kangaroos in the zoo.

Jiang Yu didn't speak Malaysian, so she followed Mo Long the entire time.

Mo Long first took her to the hotel they booked and prepared to rest for a while before going out.

"The people here are so friendly," Jiang Yu said as she packed her suitcase. "The receptionist at the front desk is also very good. She speaks gently and has a nice voice."

"Not as nice as you." Mo Long cleared his throat and said this in a serious manner.

"You are so mushy," Jiang Yu said, but she was already happy in her heart.

She put her clothes into the wardrobe and packed Mo Long's luggage.

Mo Long took the opportunity to order two lunches from the front desk.

"Since you're here in Malaysia, why don't you try some of the more famous delicacies?" Mo Long asked. "How about the meat-bone tea?"

Jiang Yu had done some homework before coming here, so she knew about the meat-bone tea. The origin of this dish was still in China, and then the Chinese workers brought this delicacy to Malaysia. After a long time, the ingredients in the dish had gradually become diversified, and the taste was also greatly different from before.

"Okay." Jiang Yu had never tasted the meat bone tea before and had always been curious about it. Today was a good opportunity for her to try it.

"This dish not only has a unique taste that belongs to Malaysia, but it also has the taste of thousands of years of China. The combination of East and west is really a very famous dish," Mo Long explained, at the same time, he ordered food from the front desk.

"You know quite a lot," Jiang Yu smiled and said, "Did you come here often?"

"Yes, but not often. Basically, I came here because of work," Mo Long said.

"But you know the delicacies here very well. I thought you used to come here often." Jiang Yu lowered her eyes slightly.

"I checked the information before I came here," Mo Long smiled and said, "But I did try the meat bone tea before. It's very good and worth a try."

"Since you recommend it so much, I must try it," Jiang Yu said.

Soon, two servings of meat and bone tea were delivered to the door of the room. Mo Long opened the door and closed it after taking the two servings of meat and bone tea.

"Come and try it. It's still warm." Mo Long put the meat and bone tea on the coffee table. "You'll feel warm after eating it."

"Coming!" Jiang Yu smiled sweetly and trotted to Mo Long's side. She picked up her chopsticks and took a bite of the meat.

"How is it?" Mo Long looked at her. "Not bad, right?"

"Yes!" Jiang Yu couldn't help but nod.

Chapter 953: Shopping Mall

After eating the meat bone tea, Jiang Yu lay on the bed to rest.

Mo Long called the waiter to collect all the things and asked, "Where do you want to go?"

Jiang Yu looked at the ceiling and thought for a long time before saying, "How about we go to the mall?"

Mo Long paused. "The mall?"

"Yeah." Jiang Yu looked at Mo Long with anticipation. "Many couples will go to the mall after work or when they are resting. It's very warm just thinking about the two of us shopping together."

Mo Long smiled and said, "Okay, then I'll accompany you to the mall."

"Then let's go now!" Jiang Yu was full of energy and couldn't stay idle for a moment. "We can just treat it as digestion. How about it?"

"Okay, okay, okay. We'll go now." Mo Long smiled and agreed to Jiang Yu's request.

He took Jiang Yu to the largest mall in Malaysia. It had everything from daily necessities to department stores. There were even a few car shops on the ground floor.

"This shopping mall is really big." Jiang Yu could feel the magnificence and magnificence of this shopping mall just by standing at the door. "Shanghai and the capital don't have such a big shopping mall."

Mo Long explained, "Because of the terrain restrictions in Shanghai and the capital, they can't build such a big shopping mall."

"It's really a pity." Jiang Yu was a little disappointed, but she quickly recovered her happy look. She pulled Mo Long and said as they walked inside, "Aiya, it's not a big deal."

She and Mo Long went straight to the third floor because that floor was dedicated to selling clothes.

Jiang Yu wanted to buy some casual clothes for Mo Long. It would be too serious to wear a suit when traveling like this. It didn't look like they were traveling at all, but more like they were on a business trip.

However, just as the two of them reached the third floor, they heard a noise not far away.

It was a group of Malaysians arguing. Jiang Yu was far away, so she couldn't understand what they were arguing about, nor could she hear what they were saying.

That group of people blocked Jiang Yu and Mo Long's way. If they wanted to buy clothes inside, they had to pass by that group of people.

Jiang Yu pulled Mo Long, intending to go around the group of people. However, just as they walked past, a woman fell on her body.

Jiang Yu hurriedly reached out to support her, but she stumbled and fell to the ground with that woman.

"AH—" The woman cried out in pain.

Mo Long quickly squatted down to help Jiang Yu up and asked anxiously, "Yu'er, how are you? Are you alright?"

"I'm fine, don't worry too much." Jiang Yu shook her head and stood up.

She looked at the woman who had fallen with her and asked Mo Long to help her ask if she was alright.

Hence, Mo Long asked, "Madam, my wife is asking if you are injured?"

The woman smiled apologetically, "I'm fine, thank you for your wife's concern... Oh, it's Mo Long?"

At first, she thought that the voice was familiar, but when she looked up at the man in front of her, she realized that the man was Mo Long.

Mo Long recognized her and greeted her politely, "Oh, it's you, Zaka."

Zaka wanted to say something happily, but he suddenly thought of something else.

What did Mo Long say just now? His wife?

Zaka turned to look at Jiang Yu and asked Mo Long with a smile, "Is she your wife?"

Mo Long didn't say anything and just nodded.

Zaka extended his hand to Jiang Yu and introduced himself in Malaysian, "Hello, I'm Zaka, a friend of Mo Long."

Mo Long translated to Jiang Yu. "She's introducing herself to you. Her name is Zaka, and she was a partner of mine when I first came to Malaysia to work."

Then he said to Zaka, "My wife doesn't understand Malaysian."

"I see." Zaka smiled and introduced himself again in very poor Chinese. "Hello, my name is Zaka, and I'm a friend of Mo Long."

Although it was a bit unpleasant to hear, Jiang Yu still understood it. So she reached out her hand and introduced herself. "Hello, my name is Jiang Yu, I'm Mo Long's fiancée."

"You're very beautiful," Zaka praised.

"Thank you," Jiang Yu replied politely.

The woman who had quarreled with Zaka at the beginning was a little unhappy and shouted, "What's wrong with you guys? There's a living person here, can't you see?"

Only then did Zaka frown and look back at her. "I took a liking to this pair of high heels first, and you came later. Why do you want to snatch it from me?"

The woman smiled disdainfully. "What I like is mine. There's no why. You can only blame your bad luck for meeting me."

Chapter 954: Cameo

Zaka frowned and said, "Anna, you are an actor that I paid to hire. I am your boss. Is this how you treat your boss? You'd better apologize to me now. Otherwise, the contract between us will be canceled!"

Anna said indifferently, "The money you gave me is not enough for me to eat for a week. You said that you would hire me to act in the movie. I am not willing to come with such a small amount of money. And you even said that you will cancel it?"

“Have you seen the contract? I’m not the only one who can break the contract. You can also break the contract. If you replace me in this movie, you will have to compensate me for breaking the contract. That’s not a small amount. Can you afford it?”

“You!” Zaka was angry, but Anna was telling the truth, so she could only grit her teeth and swallow it.

Back then, she had taken a fancy to Anna’s fame, so she had invited her to play the female lead in the movie that she was preparing. But she did not expect Anna to be such a person in real life. It seemed that she had really made a mistake back then.

Jiang Yu listened to the mouthful of Malaysian language, and her head was a little dizzy.

She quietly pulled Mo Long’s sleeve and whispered, “What happened? What are they arguing about?”

Mo Long quietly explained the conflict between Zaka and Anna to Jiang Yu.

Jiang Yu was also shocked when she heard that. She didn’t expect that there was really someone like Anna in this world.

Anna picked up the pair of shoes and walked over to Zaka proudly. “My Dear ‘boss’, if there’s anything, we’ll see you next week.”

Next week was the start of filming for the movie that Zaka had prepared. This week was the time for the actors to study the script and bring in their emotions.

After Anna left, Zaka smiled apologetically at Jiang Yu and Mo Long. “Sorry, I made a fool of myself.”

Mo Long acted as a translator for Jiang Yu and comforted Zaka. “It’s okay. But I remember that you’re not in the film industry. Why have you been thinking about preparing movies recently?”

“I still want to expand my own field.” Zaka sighed, “But I met such a person in the first movie. And now that the shooting is about to start, I still haven’t found a cameo role. It seems that my exploration in the film industry is about to stop.”

After listening to Mo Long’s translation, Jiang Yu volunteered, “Why don’t I be the Cameo?”

Mo Long paused and turned to look at Jiang Yu, “Have you made up your mind?”

“Yes. Time was tight. Zaka might not be able to find a suitable guest actress. I happen to be an actress. Moreover, since Zaka is your friend, she is my friend. When a friend is in trouble, he should try his best to help,” Jiang Yu explained enthusiastically.

“Alright then.” Although Mo Long was a little disappointed, because if Jiang Yu went to help, she would not have the time to be alone with him. However, this was Jiang Yu’s decision after all, and Mo Long still respected her.

Moreover, it was only a cameo role, and there would not be too many scenes. The filming would end after a few days.

Thinking of this, Mo Long told Zaka What Jiang Yu had said.

After Zaka heard it, he looked at Jiang Yu excitedly, “Really? Mo Long, so your wife is studying acting?!”

“Yes, and she is the movie queen,” Mo Long introduced calmly.

“Oh my God! Movie queen!” Zaka was even more surprised, “The Movie Queen will make a cameo appearance in my movie? How can I afford that!”

“It’s okay, my wife said that we are friends. Friends should help each other,” Mo Long explained.

“Your wife is really a good person!” Zaka could not help but walk to Jiang Yu’s side, held her arm, and said in broken Chinese again, “Jiang Yu, you are a good person. I want to be friends with you.”

“Okay.” Jiang Yu smiled.

Mo Long paused and shook his head.

He didn’t expect Jiang Yu and Zaka to become friends after only knowing each other for such a short time.

“Let’s go. I will take you to see the script.” Zaka said and was about to bring Jiang Yu to his studio.

“Wait.” Mo Long called out to the two of them helplessly, “Yu-er is going to accompany me today. Let’s go to your studio tomorrow.”

“Aiya, alright then. I won’t disturb the two of you.” Zaka covered his mouth and laughed. He took out a business card from his pocket, he handed it to Jiang Yu and said, “Jiang Yu, this is the address of my studio. Please come and look for me tomorrow.”

Jiang Yu took the business card and said politely, “Alright, thank you.”

Chapter 955: Foreign Princess

“It doesn’t matter. I’ll take my leave first.” Zaka turned around and left.

It was the first time Zaka spoke so much Chinese today, and her tongue was almost stuck.

Looking at Zaka’s back as she left, Jiang Yu smiled and said, “Zaka is very cute. She’s not old, but hse’s actually a strong woman in the business world.”

“She’s not bad.” Mo Long’s evaluation was only this sentence.

“Let’s go and buy some clothes.” Jiang Yu put away the business card and took Mo Long to buy a few casual clothes and a few sets of home clothes.

The next morning, Mo Long took Jiang Yu to the address on the business card.

Zaka had been waiting for a long time. When she saw Jiang Yu, it was as if she saw her long-lost family. She hugged her warmly.

However, when she saw Mo Long, she was still a little surprised. “Why are you here?”

Mo Long explained expressionlessly, “To see my wife, of course.”

He said this in Chinese, which made Jiang Yu's face turn hot. Meanwhile, Zaka rolled her eyes speechlessly and ignored Mo Long.

She took out a simultaneous translator and placed it in Jiang Yu's hand.

Jiang Yu put the machine in her ear so that she could communicate with Zaka.

Zaka took out the script and briefly introduced the story to Jiang Yu, and the main character of the cameo: "Because I like Chinese culture very much, I want to make an ancient fantasy movie that combines Chinese and Western. I've already signed a contract with the director and actors in China. The shooting will officially start next Monday. And the character you're playing is a princess from a foreign country. Although she doesn't have many scenes, the contrast between her and the movie is very big. There are also a few crying scenes. I want you to perform more heartbreaking scenes."

"Okay." Jiang Yu took the script and began to study it in detail.

She had acted in crying scenes before, but they were all silent. This time, she could finally film a heartbreaking crying scene. This was a challenge for Jiang Yu.

After she roughly read the script, she said to Zaka, "That's enough. Shall we start the audition first?"

"You read so quickly." Zaka was pleasantly surprised. "Okay, let's start the audition now."

The character's name was Kanna. In the beginning, she was a very gentle and kind princess. However, after encountering some unforeseen circumstances, she became cruel and merciless. Even the only person who said that he loved her, in the end, she left her because she couldn't stand it anymore.

"The previous scenes were very easy to act in. The main point is to grasp the ruthlessness of the later scenes," Zaka said, "Jiang Yu, we only need to try the second half of the scenes. When the princess heard her lover say, 'I can't stand you anymore, I want to leave you', she was shocked, angry, and finally panicked. "Is that okay?"

Jiang Yu took a few deep breaths and nodded. "Yes."

Besides Zaka, the producer, the screenwriter, and Mo Long were also watching Jiang Yu's audition.

As Zaka said "Begin," Jiang Yu quickly got into a mood.

She imagined that she was a princess who stood high above everyone else, and no one could disobey her. However, at this moment, someone said that he couldn't stand it anymore and wanted to leave.

"What did you say?" Jiang Yu read her lines to the air. Her face was full of anger, but there was a look of disbelief in her eyes. "You want to leave me?"

She imagined a person in front of her saying "Yes" to her.

"Why?!" Jiang Yu suddenly flew into a rage. "Am I not good enough to you?! Or is there someone else in your heart? Did you lie when you said you wouldn't leave me?!"

The "Person" in front of her sighed and said slowly, "Yes."

“So it’s all fake! Then what did you say is true?!” Tears rolled down Jiang Yu’s cheeks, and her eyes were red, as if she was extremely angry. “Then tell me, what is true?!”

Zaka, who was watching Jiang Yu’s performance, didn’t expect Jiang Yu’s acting to be so strong.

“It’s really... Amazing!” Jiang Yu’s acting shocked Zaka so much that she didn’t come back to her senses for a long time. She was stunned for a long time before she couldn’t help but clap.

Her acting was so good that she could beat Anna!

Zaka was very regretful. If only she had known Jiang Yu earlier, Jiang Yu would be the female lead in her movie.

Jiang Yu closed her eyes to calm herself down. Then, she wiped her tears and said to Zaka, “Actually, this is my first time doing such an explosive performance. I’m also worried that my performance is not good enough.”

“It’s really great!” Zaka gave her a thumbs up. “Even better than Anna!”

Chapter 956: Anna’s Disdain

Jiang Yu smiled. “I haven’t seen her acting yet, so I can’t say that I’m necessarily better than her.”

“Wait until next week, then you can see for yourself her strength,” Zaka said. “Although her acting skills are indeed good, I still think that you have more tension than her, and you can control your boundaries better.”

The producer and the screenwriter had the same thoughts as Zaka. They both thought that Jiang Yu’s acting skills were better than Anna’s.

Zaka even sent an invitation to Jiang Yu. “Jiang Yu, recently, I have also discussed a collaboration with Hollywood and set up a new studio. After this movie is finished, do you want to come to our studio? In that case, in the future, Hollywood and I will give priority to you.”

Jiang Yu was very interested in this proposal. “Okay, thank you, Zaka.”

“You’re welcome. We’re good friends.”

After the audition, Jiang Yu and Mo Long went back to the hotel.

“Is this the first time you’ve seen me perform live?” Jiang Yu looked at Mo Long with a smile. “How was it? Do you have any thoughts?”

“It was a good performance,” Mo Long said honestly, “The performance was very intense. It was very easy to bring people into the mood. At that time, I was even thinking that when I go back, should I set up an entertainment company and let you be the Boss?”

“Forget it.” Jiang Yu quickly shook her head, “When I ran that lipstick company, I felt that being the boss was too tiring. Now you want me to be the boss of an entertainment company? Then wouldn’t I be exhausted to death?”

Mo Long couldn't help but laugh as he pulled Jiang Yu into his embrace.

A week later, the filming of the movie started.

Mo Long and Jiang Yu arrived at the set together, they saw Anna lecturing the others arrogantly. "Take a look for yourself. This costume? What is it? I know that my character started off as a beggar, but it shouldn't be so shabby, right? At least bring me a clean one with a few patches on it."

The costume designer said awkwardly, "Anna, this is the director's request..."

"What request does she have?" Anna was unhappy when she heard that. "I'm the main character, I'm here to play this role! You guys don't even respect my words, do you want me to perform well in your movie?"

The costume designer could only go back and change Anna into a clean set of clothes.

Anna sat down quietly, but she stood up the moment she saw Jiang Yu.

"Hey, aren't you the little girl from last time?" Anna called out to Jiang Yu. "Hey, what's your name?"

Jiang Yu didn't have a simultaneous translator in her ears, so she didn't know what Anna was saying. She didn't even know that Anna was calling for her, so she went straight to Zaka's office, wanting to get a translator.

Mo Long understood, but Anna's sarcastic look made him sick to his stomach, so he ignored her and followed Jiang Yu to Zaka's office.

Anna saw that she was ignored, and her anger instantly burned.

She quickly stepped forward, grabbed Jiang Yu's clothes, and fiercely pulled her back. "I'm calling you, why are you pretending to be deaf?"

Jiang Yu was fiercely pulled, and her feet lost weight. If she hadn't caught Mo Long in time, she might have fallen down.

Mo Long's expression was very ugly, and he fiercely pushed Anna away.

Anna was pushed and staggered, and she fell heavily to the ground.

"Hey! You! What do you mean?" Anna looked at Mo Long angrily, but her attention was attracted by his handsome face.

"You, why did you hit me so hard?" Although Anna was still angry, because of Mo Long's handsome face, most of her anger had disappeared.

Mo Long looked at her coldly, he said in Malaysian, "My wife doesn't know Malaysian, so she doesn't know that you said that to her. Miss Anna, this is a filming site, not a place for you to make a scene."

Anna was already unhappy when she heard the words "My wife". Now that she heard such a sentence again, the anger in her heart was ignited again. She didn't care whether Mo Long had a handsome face or not.

She stood up, pointed at Jiang Yu's nose and said, "She doesn't understand. Don't you understand? Why didn't you tell her that I was calling her? You two are bullying me because you know Zaka, right?"

"Who is one who is bullying?" Mo Long frowned. "If you say that this level is bullying, then I still have harsher ways. Miss Anna, do you want to give it a try?"

Anna looked at Mo Long's expression and shivered for no reason.

Chapter 957: Have Her Tails Between Her Legs

Even though Anna was afraid, her years of being a famous model had allowed her to instantly stabilize her aura.

She stood up and patted the dust off her body. She looked a little embarrassed. "This is Malaysia. You better mind your own business."

As she spoke, she took the opportunity to leave before Mo Long could speak.

Jiang Yu didn't understand what Mo Long and Anna were talking about. She could only ask Mo Long after Anna left, "What were you talking about?"

Mo Long smiled, "She asked me to tell you that she apologized to you."

"She will apologize to me? I don't believe it." Jiang Yu knew Anna wasn't that kind of person from the incident at the mall.

She knocked on Zaka's office door and got a simultaneous translator.

"Jiang Yu, get ready. You have less scenes, so let's finish your scenes first. This way, we won't delay the two of you."

Jiang Yu smiled and said, "Okay, thank you, Zaka."

"You're welcome."

Jiang Yu first went to the changing room to change her clothes, then went to the dressing room to do a styling. After everything was ready, they started shooting.

"Camera, lights! Get ready! We're going to start shooting soon!" Zaka shouted into the walkie-talkie, "Get into position!"

Anna, who was not far away from Zaka, heard this and immediately stood up and walked over, "Director, what's going on? I haven't changed my clothes and put on my makeup yet. How come we're already shooting?"

"We'll shoot Jiang Yu's scenes first today," Zach explained. "I told you about this yesterday. I told you to come later today. You can even rest for a day."

"I didn't receive any news at all," Anna said resolutely. "I don't care. Hurry up and get that actor to withdraw and shoot my scenes first. I'm the female lead. I have so many scenes, and you still want to delay the shooting?"

Zaka said helplessly, "Anna, it's precisely because you have so many scenes that you can't finish shooting in a short time. That's why you decided to shoot Jiang Yu's scenes first."

"Director, can I trouble you to recognize me? I'm the female lead in your movie!" Anna crossed her arms, "But now you're telling me in front of me that you want to shoot the scenes of other actresses first? Are you looking down on me?"

"I'm not." Zaka felt a little helpless, "Anna, no matter what, you're still an international supermodel. Although you've just entered the entertainment circle, I've seen your talent. Everyone is praising you, but don't always be calculative over such a small matter, okay?"

"What am I calculative about?" Anna sneered. "I'm just dissatisfied with your way of doing things. Can't I say it?"

"Anna, we're filming here. Stop fooling around," Zaka persuaded in a low voice.

Jiang Yu was still standing at the filming site, wondering why Zaka didn't shout "Start".

She turned her head and saw Anna standing in front of Zaka with an ugly expression on her face.

She was far away. Even with the simultaneous translator, she didn't know what the two were talking about. But looking at the impatient expression on Anna's face and the frown on Zaka's face, Jiang Yu knew that Anna didn't say anything nice.

So she walked over and asked with a smile, "What's wrong? Aren't you going to film it?"

As soon as Jiang Yu came over, Zaka seemed to have grabbed onto a life-saving straw and hurriedly said, "Film it! Of course, we're going to film it!"

"Shoot what?" Anna stopped Zach and looked at Jiang Yu. "Your name is Jiang Yu, right?"

Jiang Yu tilted her head and looked at Anna. "It's me."

She was wearing a translator, so she could understand what Anna was saying. However, Anna could not understand what Jiang Yu was saying, so the expression on her face became even more impatient. "Don't you speak Malaysian?"

Jiang Yu looked at her sincerely. "I don't."

"You..." Anna was about to say something when she saw Mo Long walking over with a gloomy face. She immediately shut up.

"What's wrong?" Jiang Yu was puzzled.

Why did he suddenly stop talking when he was talking just now?

Mo Long walked over and leaned against Jiang Yu's shoulder. "What happened? I haven't seen you over there."

Jiang Yu explained, "Anna and Zaka seem to have some conflicts."

"What?" Mo Long paused and looked at Anna.

Although Anna didn't understand, with Mo Long's expression, she knew that Jiang Yu must have complained to Mo Long.

So she cleared her throat. "Mr. Mo, I advise you to stay away from here. This is not a place for a businessman like you."

Chapter 958: Why Was She Afraid

Mo Long said in a deep voice, "My current identity is not that of a businessman. I'm here to see my wife as a husband."

Anna choked and rolled her eyes in her heart.

"I can't explain it to you." Anna curled her lips. "Suit yourself. I don't care about you."

She left again with her tail between her legs in front of Mo Long.

"She's a little afraid of you." Jiang Yu looked at Anna's back. "She shouldn't know you, but why is she afraid of you?"

Mo Long shook his head. "I'm not sure."

After Anna left, Zaka heaved a sigh of relief. "Alright, let's start filming."

Jiang Yu went to the filming location and started filming.

Zaka, on the other hand, stared intently at Jiang Yu in the camera. He was once again impressed by her acting skills.

Mo Long wanted to see Jiang Yu's performance up close, but he was afraid that he would disturb Jiang Yu if he stood there, so he stood behind Zaka and looked at Jiang Yu through the camera.

Anna was sitting far away, not daring to look in Zaka's direction.

It was the first time his manager, Nair, saw Anna like this. He asked in confusion, "Anna, what's wrong?"

"Did you see the man next to Zaka?" Anna gestured for Nair to look over. "Who is he? Why is he so close to Zaka?"

Nair looked over and found Mo Long very familiar, but he couldn't remember where he had seen him before.

"Do you know the name of that man?" Nair asked Anna.

"Let me think... I think his name is Mo Long?" Anna recalled Mo Long's name.

"Mo Long?" Nair instantly thought of this man. "He's a famous businessman in China! He was ranked in the top three on the national rich list back then!"

"He's that rich?" Anna was shocked.

“Yeah.” Nair nodded. “And compared to the previous two rich men, Mo Long was young and handsome. Many women were crazy about him at that time.”

“Nair, as a man, don’t be infatuated with him.” Anna was very disgusted.

After being disgusted, she looked at Zaka, with a thoughtful expression, she said, “So Zaka was also crazy about Mo Long? That’s why she was so close to him. But didn’t Mo Long say that he had a wife? Didn’t Zaka know about this?”

“What wife? A wife? That’s called a lover.” Nair laughed disdainfully, “Who doesn’t like to play with flowers? Those who can be taken out for a tour are not wives. They are all lovers who are kept with money. Have you ever seen a rich man take his wife out and have such a good time?”

Anna thought about it and felt that what Nair said made sense.

“You’re right. So when Mo Long said that the woman was his wife, he was actually lying?”

“It must be a lie.” Nair raised his orchid-shaped finger. “Maybe he wants to act affectionate in front of others to make people think that he’s a good man.”

“That’s really disgusting.” Anna frowned in disgust, but then relaxed. “But if that’s the case, then I have a chance to take down Mo Long, right? Anyway, she’s just a lover. I’m an international supermodel. I’m more than enough for him.”

“Anna, don’t think too hard.” Nair quickly advised, “You said yourself that you’re an international supermodel, how can you be someone else’s lover?”

“What’s the big deal?” Anna shrugged indifferently, “He’s so rich, who would be against money? If I can climb up his big tree, I won’t have to worry about it for the rest of my life.”

“Anna!” Nair was a little angry. “I don’t care if you mess around, but this is not okay!”

“Is it okay if you say it’s not okay?” Anna rolled her eyes at Nair. “I know what to do about this, don’t bother about it.”

With that, she stood up and left her seat, walking to Mo Long’s side.

Mo Long noticed her walking over and turned to look at her. “Looking for trouble again?”

Jiang Yu was still in the middle of filming. He didn’t want to argue with this woman in front of him. If he did, it would disturb Jiang Yu.

Anna smiled. “President Mo, don’t always look so cold. I’ve realized my mistake, so I came here to apologize.”

“Do you still know how to apologize?” Mo Long said coldly. “Stay away from here. Otherwise, I can’t guarantee what will happen to you.”

“President Mo, don’t always say such nasty things.” Anna laughed so hard that her flowers were trembling. “I’m a delicate woman. Why do you always say such nasty things?”

Mo Long turned his head and continued to look at Jiang Yu, ignoring her.

Chapter 959: Suck Up

“President Mo, why aren’t you looking at me?” Anna was still smiling. She was not angry because Mo Long ignored her.

It was normal for rich people to have a bad temper.

Mo Long replied indifferently, “Too ugly. I don’t want to look.”

Anna’s smile froze on her face. She had scolded Mo Long many times in her heart.

After scolding Mo Long, Anna continued to curl the corners of her lips. “President Mo, if you’re still angry, how about I apologize to Jiang Yu in front of you after the shoot is over?”

“Stop fooling around in front of Yu’er,” Mo Long shouted coldly. “You don’t need to apologize to her.”

Mo Long’s original intention was that Anna didn’t need to apologize to Jiang Yu, because she didn’t deserve to speak to Jiang Yu at all.

But to Anna, this sentence meant something else — she didn’t need to apologize to Jiang Yu, because she didn’t do anything wrong.

What was with him saying Yu’er this Yu’er’s that ? So they were really acting as a deep-hearted lover in front of others?

Anna shook her head, feeling a little sorry for Jiang Yu.

Jiang Yu, ah, Jiang Yu, I didn’t expect you to fail even as a lover.

“If there’s nothing else, hurry up and leave.” Mo Long frowned and issued the “Eviction order.”.

Anna couldn’t help but laugh. “Got it, President Mo...”

She twisted her waist and returned to her original position in a flirtatious manner.

When Nair saw Anna return, he hurriedly asked, “Anna, are you alright? Why do you still dare to talk to Mo Long?”

“Why wouldn’t I dare? Could it be that he can eat me?” Anna was very disdainful. “I thought he was so affectionate and monogamous, but it turns out he’s just like those rich people, loving everyone he sees.”

“What did you say to Mo Long?” Nair was curious. “Did he tell you that he likes you?”

“No.” Anna shook her head, “But what he said showed that he likes me. He told me that I don’t need to apologize to Jiang Yu. Doesn’t that mean that he thinks I did the right thing? Even though Jiang Yu is still his lover, he still sided with me. What else could it be?”

“Looks like this Mo Long is really not a good person.” Nair shook his head regretfully. “Although I said that about him, I thought that he was different from other rich people. It turns out that they are all the same.”

“It’s better to say that all rich people are like this.” Anna was disdainful. “Just wait and see. Jiang Yu will be dumped soon.”

She secretly laughed in her heart. It was a joke that Jiang Yu was a nameless lover. It was a complete joke.

After Jiang Yu’s filming ended, she felt that the way Anna looked at her had changed.

She saw Anna talking to Mo Long out of the corner of her eye just now, but she didn’t know the content.

“What did Anna talk to you about just now?” Jiang Yu asked curiously, “Why did the way she looked at me change after she finished talking?”

“Nothing much,” Mo Long explained, “She just said that she wanted to apologize to you again, but I’ve already rejected her.”

“She still wants to apologize?” Jiang Yu was in disbelief. “I thought people like her wouldn’t apologize.”

“Ignore her.” Mo Long massaged Jiang Yu’s shoulders. “Don’t we still have scenes to shoot next? Take a good rest so that we can have the energy to continue filming.”

“Yes, yes.” Jiang Yu nodded.

Just as she was resting, Anna walked over again with two cups of coffee in her hands.

She handed one of the cups of coffee to Jiang Yu. “Here’s your coffee.”

Then she handed the other cup of coffee to Mo Long. “President Mo, here’s your coffee.”

Jiang Yu looked at the cup of coffee in her hands and asked, “Anna, what’s your purpose?”

“What?” Anna didn’t understand. “Don’t you have a simultaneous translator for me?”

She wanted to ask Zaka for a translator, but Jiang Yu had already stood up and put her translator into Anna’s ear.

“I just asked you, do you have a purpose?” Jiang Yu asked again.

“Are you kidding me? What purpose would I have?” Anna, who had been seen through, felt a little guilty. I just bought two cups of coffee for you two out of kindness. Does that have to have a purpose?”

Mo Long translated what Anna said to Jiang Yu.

After Jiang Yu heard it, she smiled. “Anna, why are you so kind to buy us coffee?”

Anna pretended to be angry. “What’s wrong? Can’t I buy coffee?”

Jiang Yu tilted her head and looked at her, but she said to Mo Long, “Teach me Malaysian when you have time. I don’t want to wear this translator all the time.”

Mo Long caressed Jiang Yu’s head lovingly. “Okay.”

Chapter 960: Saw Through The Trick

Anna, who had been completely ignored, was really angry this time. She stomped her feet and was about to speak when Jiang Yu took the translator off her ear.

“Sorry, I have to continue filming. If you need anything, you can go to Zaka’s place to get a translator.”

As she spoke, Jiang Yu went to the filming location.

“President Mo, is this your love... Madam?” Anna complained, “You have no manners at all!”

Mo Long glanced at her coldly, “I hope that you will grow a brain in the future and think carefully about what you can and can not say.”

Mo Long went to Zaka to look at Jiang Yu in the camera again, leaving Anna alone.

“Drink it or not!” Anna threw the two cups of coffee into the trash can. “Do you really think you’re the hostess?”

She stomped her feet in anger, but she didn’t dare to do anything to Jiang Yu now.

After thinking for a while, she decided to ask Nair for help.

After hearing it, Nair, based on his past experience of watching gossip in the entertainment circle, helped Anna think of a solution.

“Men, especially rich men. Most of them like beautiful and intellectual women. Jiang Yu is indeed beautiful, but she doesn’t know sex at all,” Nair’s head of analysis said, “That’s why she is just a simple novelty. After this period of time passes, he will know that compared to Jiang Yu, you are better.”

“I don’t want to hear you talk about this. I want a solution.” Anna was impatient. “If you don’t have a solution, then shut up.”

“What’s wrong with you? Put away that attitude of yours.” Nair frowned and was a little unhappy. “If you want to get closer to Mo Long, you have to take advantage of Jiang Yu’s absence and use the ‘beauty trap’ on Mo Long. Whether it’s in the corridor, bathroom or other places, you have to create a few romantic ‘encounters’.”

“Will this method work?” Anna always felt that Nair’s method was unreliable, but other than these few methods, she did not know what else to do.

“Of course, you have to trust me,” Nair said confidently. “In a while, you will try to create a romantic encounter. Mo Long will definitely be tempted. Even if he isn’t tempted, he will definitely be swayed.”

“Got it.” Anna’s gaze was tightly focused on Mo Long’s body until he temporarily left to go to the washroom.

This was a good opportunity

Anna cheered herself on and quietly followed behind Mo Long.

When Mo Long came out of the washroom, Anna pretended to have just come out of the women’s washroom and said with a smile, “Aiya, President Mo, what a coincidence.”

Mo Long did not look at her and walked straight ahead.

“President Mo!” Anna hurriedly chased after him and deliberately leaned to the side, intending to draw Mo Long’s hand to hug her.

However, Mo Long only leaned to the side and had no intention of extending his hand.

Anna saw that her plan had failed, but her body had already fallen down, and she could not stand straight at all.

“Bang –“Anna’s body and the ground gave an intimate hug.

“President Mo! Why don’t you help me up?” Anna wasn’t in a good mood, because her fall was a little painful.

Mo Long felt that this woman named Anna was a pestering jinx, and he would run into her no matter where he went.

If it was in Shanghai, Anna would have been beaten up by Mo Long a long time ago. However, they were in Malaysia. No matter how long Mo Long’s hands were, they could not reach Malaysia.

“Speak.” Seeing that Mo Long did not speak and did not reach out to help her up, Anna simply stood up and questioned loudly, “Didn’t president Mo see that I was about to fall just now?”

Mo Long replied coldly, “Have you heard the old saying, ‘you can never wake up a person who pretends to be asleep’? Just like me, I will never be able to help a person who pretends to fall.”

“What do you mean?” Anna felt inexplicably guilty. “You mean that I fell? President Mo, do you have evidence? If you don’t have evidence, this is a false accusation.”

“Whether it’s true or not, Miss Anna is very clear in her heart.” Mo Long’s dark and cold gaze pierced through Anna’s heart, as if he had seen through her thoughts clearly.

“I’m not sure. You’re clearly framing me.” Even though he said that, Anna was already too guilty to look at Mo Long.

Mo Long did not plan to continue wasting time with Anna. Instead, he turned around and returned to the filming location.

Anna stomped her feet angrily on the spot. She could not understand. Was Mo Long playing hard to get with her, or was Jiang Yu the only person in Mo Long’s heart?
