

Chapter 264 Chosen Mate

"LOOKS LIKE I CAN PURSUE YOU WITHOUT ANY PROBLEM THEN."

Arvan felt uneasy in his heart when he heard what Blaze told Rose.

Rose was shocked when she heard that. She looked up at Blaze. Rose thought he was kidding with her. But Blaze was very calm, there was no emotion on his face. He looked down at her. "What? Do you think I am not capable for you?" He raised one eyebrow.

Rose was silently dancing with him without answering. Suddenly, she heard a voice from beside her.

"Aahh Arvan, you are hurting me." Lina said and took out her hand from Arvan's hold. Arvan was glaring at Blaze and Rose dancing and talking. He heard what Blaze told Rose and Rose didn't deny him. That was making him angrier. He tightened his fists but unknowingly he clenched Lina's hand. "I need a drink." Arvan said to Lina and left the dance floor. He went to the bar and ordered a whiskey. The waiter saw the head Alpha wanted a drink, so he took ice cubes and put them on whiskey and gave it to him.

Arvan gulped his whisky and looked at the couple who were dancing on the floor. He frowned at Rose and stared at her.

Rose saw Arvan and Lina leaving the dance floor. She looked at Blaze. She saw Blaze was already looking at her. "You didn't answer me." Blaze said to her.

"Did you ask me something?" Rose asked.

Blaze smirked at her. "You mean, I can pursue you without your permission?"

Rose blushed. She didn't know why this handsome stranger wanted to pursue her or even dance with her.

Rose averted her gaze from Blaze and looked around. Her eyes fell on Arvan. He was staring at her. She felt her breath almost stop. Arvan was looking at her furiously.

Rose was looking at him. She wanted him to break the eye contact. But he didn't break it.

Blaze was not a kid, he noticed everything that was happening around him. He was confused but didn't show it on his face.

"I think you are interested in someone else already." Blaze said while pulling Rose close to him. Rose broke the eye contact with Arvan and looked at Blaze.

"No"

"What no?" Blaze asked.

"I mean I am not interested in anyone." Rose said. She thought Blaze saw her looking at Arvan.

"Nice." Then Blaze twirled her around and again pulled her close.

"You won't get anything if you chase me." Rose said.

"You have everything that I need in a woman." Blaze said.

"You look more beautiful when you blush." Blaze whispered in her ear.

Rose closed her eyes and tried to concentrate on what he was saying.

After the song ended, Rose excused herself and went back to her seat. Delilah and Alice were already sitting and drinking.

"Our queen of beauty, come come." Alice said.

Rose sat on a seat and grabbed an apple juice. "No drink today?" Alice asked. "You know I don't drink, Alice. That night I was upset so I drank a lot. But I could get the alcohol, all thanks to the moon goddess." Rose said and Delilah laughed at her.

"By the way, who was the handsome man?" Delilah asked.

"I don't know. He told me his name. Blaze Viotto." Rose replied.

"Oh, my bestie, didn't even know who he was, and went dancing with him?" Alice smirked.

"He was not bad. He was a funny guy." Rose laughed.

"Are you serious? He is the most serious man after our bastard Alpha." Alice said.

"I don't think so. But he is kind of flirty."

"What?" Alice stood up.

"Don't be dramatic, my drama queen." Rose said.

"Did he flirt with you, Rossy?" Alice asked.

"He just said he wanted to pursue me."

Alice's eyes widened.

"What happened?" Rose asked.

"Do you want to know who he is?" Alice asked.

"Who is he? He told me he is an Alpha. And the way four officials are with him, I guess he is a head Alpha of any pack." Rose replied.

"Yes, you are right. He is a head Alpha."

"I told you." Rose replied and sipped her drink.

"He is the head Alpha of the Blue Moon pack." Rose spilled her drink after hearing Alice's words.

Delilah gave a tissue to Rose.

Rose took it and looked at Alice in horror.

"He is from where?"

"Blue Moon Pack." Alice replied.

"He is our rival pack's head Alpha!!!!" Rose panicked.

Alice nodded at her. "Now tell us clearly what he said to you."

"I have already told you what he said to me. But is he the ex mate of Lina??" Rose asked.

"Yes." Alice nodded.

"I heard he is searching for a perfect woman for him to be his chosen mate." Delilah said. She heard it at their university. Some girls were gossiping about Blaze.

"Ch-Chosen mate?" Rose was confused.

"I think he likes you. I heard he never got along with any woman after Lina rejected him." Alice said.

Rose glanced at Blaze who was talking with his officials.

"How could Lina reject this handsome man for a jerk, huh!" Alice scolded Lina.

Rose shook her head. "Maybe he was just kidding or teasing me, guys. Just relax. An Alpha can't accept me."

"You are not a normal Omega anymore, Rose." Delilah said and Alice nodded.

"But he doesn't know about my abilities." Rose said.

"That is the good thing, Rossy." Alice said.

Alice wanted her friend to move on and live her life happily. She thought Mark would propose to her but Mark suddenly went back abroad. But she wanted her best friend to move on from her ex mate who would make his Luna another woman in front of her.

"I think Blaze is the best choice, Rossy. Just agree with him and give it a shot. You can teach a lesson to that rascal too. As fate turns, Lina rejected her ex mate but she still looked at him." Alice said and laughed.

Delilah and Rose turned their heads to where Lina was. Lina was looking at Blaze while Blaze was drinking and talking with the other Alphas.

Rose shook her head. "No, I don't want to be twisted with this. I am happy being single. Thank you." Rose said and happily sipped her drink.

After the ball party, everyone started to eat dinner while every head Alphas and their officials went to the hall beside the ball room.

Alice and her friends also could go there because Alice's father was the former gamma. So her family was one of the official families.

She entered the hall and searched for her mom. She found her. "Mom" She called her.

Selena was talking with Rivana when she saw Rose. Rose and her friends went to Selena. Alice hugged Selena and talked with her for some time.

"Kids, let's go to the table for dinner." Rivana said.

Rose and her friends got to sit at the main table of the night. It was decorated with flowers and wonderful cutlery. They sat on the seats. Most of the Alpha came and sat there with their officials.

Arvan sat on the head chair and Lina sat on the right side of him. While Micheal, the former Alpha, sat on the left side of his son. Rita sat beside Lina and beside Rita, Liam sat.

Arvan looked at Lina's parents and greeted them. After a few minutes, lastly, Blaze joined the table with his officials. Rose and her friends looked at him. Rose looked away.

Everyone was silent looking at him. They could feel the tension between Arvan and Blaze. Both were the head Alpha of rival packs. Not only that, but the soon to be mate of Alpha Arvan was Alpha Blaze's mate once. She rejected her mate and came to Alpha Arvan. The atmosphere was cold.

Alpha Micheal looked at Blaze and said, "You are a big man now. I saw you once when you were a kid. Now you are a handsome and eligible young man. I am happy to see you like this son."

Blaze looked at Micheal and smiled at him. "Nice to meet you too, Alpha Micheal."

"Are you okay here? If you need anything, just ask for it without hesitation." Micheal said while lessening the current situation at the table. Blaze nodded at him.

The maids started to serve the dishes. Everyone started to eat.

Lina's father asked Arvan, "Son, you are very successful now. All you need is a Luna. When will you accept a Luna for you? Have you thought about it yet?"

Lina's father was an Alpha too. So he had connections in the pack. When he asked the question, many Alphas asked, "Yes, Alpha. When will we get invitations for your wedding ceremony?"

Arvan paused when he heard those questions. He raised his head. His sharp eyes were looking at each of them who asked him questions. Everyone felt cold in their hearts. Here was the actual Alpha Arvan. The most aggressive Alpha they had ever seen. At that time, he was well mannered with them because it was a party that arranged by him. But when anyone crossed the line, he would forget that they were guests there.

Arvan's eyes fell on Rose, who was eating without any care. Arvan said angrily, "Very soon. When I decide anything, everyone will get to know about it." He looked back at his food.

"When will we hear about yours, Alpha Blaze? Everyone is saying that you are searching for your chosen mate." Liam asked Blaze and glanced at Arvan who was eating.

Arvan looked at Blaze as if he was waiting for his answer too.

Blaze looked at Rose and said,

"I THINK I HAVE FINALLY FOUND MY CHOSEN MATE HERE."
