

Chapter 268 Arvan's Possessiveness 1

Rose went to her home. Her mom was not at home. She was in her office.

Rose came to her room and sat on the bed. She called her friends in their group in messenger.

"Where are you?" Alice asked.

"At home." Rose replied.

"Didn't you go with Alpha Blaze? Where is he?" Delilah asked.

"He told me to get ready and he said he would come to pick me up. He will go to the party with me together."

"WHAT?" Both of them screamed.

"Why so dramatic? Didn't I leave the university with him?" Rose asked.

"Rossy, that's a different thing. But going with him to the party. It means he will come to the party with you as your date."

"What?" Rose confusingly asked.

"Yes." Delilah replied.

"It's okay if he wants me to go with him as his date tonight. I went with Mark to his cousin's birthday party as his date too, remember?" Rose said.

"Yeah, Alice. She is right. She had been with Mark before. It's normal." Delilah said.

"No dumbos, it's not the same. It's our rival Alpha who has come into our pack without any reason and is going to a party with a girl from another pack." Alice explained.

"I don't know anything. I told him, I have nothing to do with him. If he still wants to be with me then it's not my problem." Rose said.

Alice and Delilah didn't reply. But they wanted their friend to move on from her rejection. Though Rose moved on from that, but still when she looked at his ex mate she felt something for him. So her friends wanted her to be settled. Being Luna of any pack was not easy but a fate. So that was why they tried to convince Rose.

Rose hung up the call. She went to her cupboard and looked at her clothes. She didn't have many clothes to wear to the party. She didn't like to attend parties. So that was why she didn't have many party dresses.

She pulled out every dress from her cupboard and finally found a black backless dress.

Rose remembered she bought it when she was abroad. She didn't get a chance to wear it.

She took out the dress and went to the mirror. She looked at herself. "Will it be good for me? A backless dress is something I don't wear. But I bought it for myself, so I should try it today."

In the evening, she went to the bathroom and took a shower. She wore a bathrobe and came out of the bathroom. She saw her phone's light on. She took her phone and saw a message. She saw the sender's name on the screen.

'BLAZE' with a red heart.

She frowned at the title.

'This man is really something. People say he has never been seen with any woman, but looks like he is super flirty. Maybe people never spied on him, that's why they could not get his flings.'

Rose was about to change the name when she saw another letter pop up on the mobile screen. She clicked on the message.

'ARE YOU READY?' - 6.14 pm

'I WILL PICK YOU UP AT EXACTLY 8 PM.' - 6.15 pm

Rose replied to him. 'OKAY.' - 6.15 pm

Then Blaze didn't send any message again.

Rose looked at the clock and saw she had less than two hours.

She started her makeup. She tried to do hot makeup.

Because why not?

She put makeup on her face and looked at herself in the mirror. It looked okay to her. Then she curled her hair. 'A new look is not bad.'

She wore her dress. She didn't think about it before. It was a tight fighting dress. She could see her curves. He turned back to the mirror and tried to look at the mirror like that. Her back was seen till two inches above her waist. She didn't think about it more and covered her back with her long hair. "Now it's okay. I don't have to be embarrassed."

She wore black high heels so that they could match her dress. It was not the same heel that she wore at the ball party. It was a different one.

She took her phone and messaged Blaze.

'I AM READY. WHERE ARE YOU?'

Blaze immediately called her. She received the call. "Hello."

"I am outside your house." Blaze said.

"I am coming." Rose replied.

She locked her house's main door and came outside. She saw Blaze leaning on his car. When he saw her coming, he looked at her from head to toe. Rose noticed that and looked away from him.

"You look marvelous." He commented.

"Thank you." Rose said and looked at him. He was wearing a black jeans and a white shirt. He looked handsome as usual. But this look of his was different from the ball party and the clothes he wore today to pick her up from university.

"You also look handsome." Rose said.

Blaze nodded and opened the front passenger door for her. Rose sat on the seat. Blaze went to the other door and opened it. He sat in the driver's seat.

"I told my driver to go on leave for a few hours. I like to drive sometimes." He said.

Rose nodded and smiled. She asked her friends in the group chat where they were. They said that they were on their way.

Rose and Blaze reached the club where the party was held. Blaze parked his car. They got out of the car and entered the club.

The club was full of music and smelled of alcohol. Robin saw Alpha Blaze and immediately came to him. "Alpha Blaze. I am very honored that you came to my party just with a short invitation."

"It's totally fine. I don't believe in formalities." Blaze said.

Robin nodded and smiled at him. He looked at Rose and then at Blaze. He said, "Please enjoy my party." They nodded.

Rose was looking around but her eyes fell on a pair of dark eyes. Her eyes looked into his eyes.
