

Chapter 270 In The Corner

Arvan was smoking and looking ahead. He didn't look at Rose. Rose was looking at him. The washroom was a bit away in the club on the right inside the corner.

Rose looked around and saw no one was there. She tried to pass Arvan but suddenly he put one hand on the wall beside her. Rose was shocked by his sudden action.

She looked at Arvan. "Let me go."

Arvan turned his head and looked at her. His face was grim. He glared at her with anger in his eyes. Rose was feeling scared. "Wha-What do you want?" She asked nervously.

Arvan came near her. Rose stepped back, her back touched against the wall.

Arvan inhaled the smoke and blew it on her face. Rose turned her face to the other side. She tried to push Arvan. "Arvan, what is wrong with you?"

Arvan looked at her face and observed her. She was pretty. Why didn't he look at her like that before? Her smooth skin looked glamorous to his eyes.

Rose started to cough. Looking at her coughing, he threw away the remaining cigarette and crushed it under his boot.

When Rose saw he crushed the cigarette, she looked at him. "What do you want?"

Arvan didn't answer her. He looked into her eyes. He was very angry at Blaze when he touched her. He was mad at Rose that she was dancing with another man. He was very furious that she was pushing him away.

"Why don't you answer me? I don't want to be with you here. Let me go." She pushed him again.

Suddenly, her phone rang. Her phone was in her right hand. She saw a message pop up on her phone screen. It was from Blaze. He was telling her that he had informed Alice to drop her home safely.

Arvan looked at her phone and saw the name. 'BLAZE' with a red heart. He became infuriated. She dared to contact him and even set his name without his rank with a heart!!

Rose glanced at Arvan, she saw Arvan looking at her phone. She put her phone in her bag.

Arvan took her bag and threw it on the floor.

"ARVAN!" Rose shouted.

Arvan grabbed her arms. "Why did you save his name like that?"

Rose realized that she had forgotten to change Blaze's name on her phone. She was about to do it but she was so busy getting ready that she forgot to do that. Rose scolded herself. But she glared at Arvan and then smiled at him.

"Why do you care, Alpha Arvan?"

Arvan didn't reply but questioned her back. "Why did he come to pick you up today? Why did you come with him to the club?"

"Excuse me? Why would I answer you all of that? It's my life. I can do whatever I want." Rose said. She tried to push him again but he got closer to her. This time he was inches away from her.

Rose paused for a moment. "Wha-What are you doing?"

Arvan looked into her eyes rather than at her lips. He came close to her lips. Rose closed her eyes tight. Arvan rubbed his nose on her chin. "What do you think I am doing, huh?"

Rose opened her eyes. "Lea-Leave me, Arvan."

Arvan held her arms and turned her around to the wall. Rose was stunned. "Wh-what are y-you do-doing??"

Rose could feel that he was coming closer to her back and then she felt his hard chest touched her back. He was close to her, very close.

He came near her ear and whispered,

"What am I doing? Which I should have done long ago."

Rose could feel his warm breath in her ear. Arvan pushed her little more to the wall. Her face was on the wall. She didn't know what was happening.

Arvan's hand caressed her sleevesless arms. She felt goosebumps on her body.

"I didn't even start to touch you and you are getting goosebumps?" He whispered again. "Did you feel exactly the same when he was touching you?"

Rose opened her eyes immediately. "What are you saying?" She asked confusingly.

"You don't know what I am saying? Or are you naive? Do you like to pretend naive in front of me?" He said and took her earlobe into his mouth. Rose gasped.

"Ar-Arvan what are you do-doing?"

Arvan bit her earlobe.

"Ahh!"

Rose felt pain in her earlobe.

"Punishing you." Arvan replied.

He moved her hair from her neck. His hand stroked her back slowly.

"Ar-Arvan!"

She moaned. Hearing her moan, Arvan felt tightened on his lower body. He went to her neck and started to kiss her neck.

Rose tried to move from his grip but he pushed his body at her. She could not move after that.

He started sucking her neck and in between saying a sentence.

"You dared to dance with him."

"You dared to smile at him."

"You dared to go with him."

"You dare to let him touch you."

He was sucking and licking her neck and came down to her back. He sucked and bit here and there like a mad man.

Rose could not feel anything except his touch. She felt insane when his tongue ran down to her back.

"He touched you here, right? I will remove his every touch."

Then he turned her to him. Now she was facing him. Rose looked at him with wide eyes.

Arvan was feeling something that he had never felt before. Having someone close, he never felt what he was feeling like now.

He looked into her glossy eyes. "Nobody can touch you except me." He came upon her and kissed her cheeks and her chin then went down while kissing. He kissed her collarbone. He left butterfly kisses on her neck and rubbed his nose on her scent gland. He smelled her scent, which made him calm. He nuzzled his nose to her neck.

Rose was feeling numb but she started to struggle in his arms.

"Arvan, what are you doing? Someone will see us. Leave me."

Arvan moved his face from her neck and looked at her. He nuzzled at her cheek.

"Don't worry. No one will dare to come here. I have my men outside."

"What do you mean? Did you plan all of this?"

"I only told them not to let anyone come inside the corner. I wanted to talk to you and I don't like it when anyone interrupts me."
