

One Night Stand With The Alpha King

15- A Cunning Visitor

THERESE’S POV.

“Trevor,” I mumbled.

I lifted my head to see his face. His eyes glowed in the darkness, taking my breath away. I couldn’t forget those perfect eyes that saw my naked body.

“I love you, my luna,” he replied.

Listening to his soft voice made me sober. I regretted drinking a lot on our wedding day as it must be memorable for us.

My head kept spinning around, making it hard for me to look at his face any longer.

“Don’t force yourself too much. I’ll be gentle. Do you trust me?”

Trevor cupped my face. Then he bit the bottom of his lips. I knew what would happen tonight, and it excited the hell out of me.

Being drunk wasn’t part of my plan. I didn’t intend to be childish, knowing how naughty Trevor was. But I felt how gentle and patient he is every time we make love.

Like a fire burning the wood, he kissed my lips as his hands roamed around my body. I couldn’t stop kissing him back, knowing that I missed him. I waited for a few days to fall in love with him.

“Ugh, Trevor!”

He squeezed my thighs, and that made me moan. I closed my eyes, cherishing how satisfying his touch was.

“Do you like it this way?” He asked.

“Yes!” I answered.

My body was embraced by a burning sensation. I couldn’t wait to reach the climax that would blow my mind away.

As I arced my body, Trevor slipped his left hand inside my wedding dress. I haven’t changed yet, making it more romantic than ever.

“Goddamn it, you’re so fucking gorgeous!”

Trevor mumbled.

Before I could utter a single word, I realized he had taken off my undergarment and thrown it on the floor. My heart was beating fast. I could no longer hear anything except our heavy breaths.

“Are you ready?” He asked without looking away from my eyes.

He was on top, waiting for me to say yes. We were gasping for air until I tilted my head as an answer.

“Fuck! You’re driving me crazy!”

Trevor caressed my chest as he took off my wedding dress, flaunting my naked body. His eyes widened, and a mischievous smile showed on his face.

To give him more access, I curled my waist and looked up at the empty ceiling. Then I pulled his hair, teasing him.

“Let’s do it! I can’t wait for it anymore.” My voice cracked out of pleasure.

Trevor smirked as he played with my bosom through his tongue. I moaned, grabbing his hair as I tried to control myself.

“Ugh, Trevor! Stop teasing me!”

“Say my name,” he whispered into my ears.

I looked into his eyes, trying to speak. But how could I say his name when he played with my body?

“Say my name, Therese! ”

His voice turned deeper.

“Please, Trevor!” I begged.

Trevor left small kisses on my neck down to my abdomen. It made me laugh as I failed to control my feelings.

A sweet laughter vanished when he took off his clothes, showing his perfect body. I didn’t know what to do as my hands moved on their own and caressed his toned chest and abdomen.

“Ugh, you’re teasing me now!” He muttered.

Seeing him satisfied urged me to do the same thing he had done earlier. I leaned back against the wall and took a deep breath. Then I started to kiss his neck down to his lower abdomen.

“Ugh, you’re doing it right!” He moaned.

A naughty smile flaunted on my lips. It felt so good until I decided to switch positions. In a glimpse of my eyes, I was on top, chasing my breath away. I could feel the warmth coming from his body, making me comfortable and naughty.

This time around, Trevor held my waist as I moved on top of him. I was grinding when he flipped me around on the bed.

“This is perfection,” Trevor said.

Then he smiled at me.

He added, “Look at me, Therese.”

I obeyed every word he said. Until he thrust deep into my core. A warm, tingling sensation embraced my entire body as I felt both pleasure and tightness.

“Oh, you’re so tight! I don’t regret waiting for this moment!”

Trevor held my waist as tight as he could. He was moving, creating a perfect rhythm with me.

“Ugh, Trevor! You’re... You’re driving me insane!”

I couldn’t hold it back anymore. I grabbed his arms as support. I tried to calm myself down, but it felt so good and overwhelming.

Every move we made was beautiful until we got to the ideal harmony. Trevor moved faster, grinding too hard to please me. Everything was perfect. I was smiling the whole time as we made love.

“I love you, my luna! Always remember that. Do you trust me?”

It was an unexpected question. Instead of ruining the moment, I tilted my head and smiled at him as an assurance.

No matter what happened, I would choose to trust and believe in him. I know deep inside I fell in love with Trevor, and it was the best thing that happened in my life.

“Yes. I trust you, always and forever,” I mumbled.

Filled with joy and excitement, Trevor thrust one last time. It was the most thrilling part that blew my mind away.

“Therese!”

“I’m close!”

Out of pleasure, I grabbed the bed sheet and covered my mouth. No words could describe the fulfilling feeling I felt. It soothed my soul and cleansed my mind.

“I’m coming for you, Therese!”

To end a beautiful union, Trevor held my hands and exploded inside me. We were both panting as he rolled next to me and kissed my forehead.

He said, “I love you!”

I giggled and wrapped my arms around his chest.

“I love you, Trevor!”

Those three magical words were the last thing I said until we fell asleep.

Thud!

Thud!

“Wake up, young lady!”

A loud noise woke me up from a beautiful dream. I tried to open my eyes, but I was too lazy and sleepy.

“Young lady!”

“Wake up, young lady!”

I had no choice but to check what was going on. Hearing the voice, it must be Jeda.

“A moment, please,” I replied.

“Hurry up! Lord Thomas and Lord Trevor are waiting for you in the dining hall!”

Through Jeda’s voice, I knew it was a very important guest. She would never be that exaggerated if it were not urgent.

But as soon as I turned my gaze around, I realized Trevor was gone. The entire room looked brand new like nothing had happened last night.

“Please hurry up, or else I’ll be in trouble!”

Jeda didn’t stop until I rushed toward the door and opened it. She was panting, holding her waist like her mother.

“Would you please cover yourself, for heaven’s sake? Don’t be too vulgar about your honeymoon last night, my lady!”

I didn’t know what to say, but Jeda was right. My body was only covered in a blanket, and I had nothing underneath it.

“Oh, I apologize! I didn’t mean to show it to you!”

I replied and giggled.

I was fooling around when Jeda sat on the edge of the bed. She held her chest like a maiden in love.

She gasped.

“You can’t believe it!” She spoke.

I narrowed my eyes and looked straight into her eyes.

“What? Spill the tea right away, Jeda!”

I could no longer wait for it. But before she could utter a single word, someone knocked on the door and caught our attention.

“Who’s my father’s visitor that took Jeda’s breath away?”

“Do I know him? Why does it make me nervous too?”
