Chapter 150: Glory restarts! Legendary Star Hunter!

Fortunately, Chang Yu Chun had long sensed that this person was not quite right.

He secretly sent people to monitor.

That's what kept this scholar from running.

Only after torturing him did he find out that it was Yuan Shao who used high-ranking officials to lure him.

Only then did the person in charge choose to turn his back on the Great Desolate Army.

This matter made the whole Great Desolate Army quite shaken.

The next step was to make the measures for entry and exit more stringent!

“These were minor things.”

Zhang Liang didn't take it seriously and said, “These research materials are the credit of many scholars. Even if they leak out, no one else will be able to surpass the Great Desolate Army.”

“The key is what does Her Highness really think?”

Both were a little confused.

Although it was necessary to “slowly become king”, the battle to be fought was also to be fought.

The result was that neither Yan nor Ghost Buster seemed to be in a hurry.

Yan at this time appeared in a city a hundred miles away, this was in the Central Plains.....

The third-largest force except for Yuan Shao and the Great Desolate Army!

It turned out to be a general who suppressed the rebellion.

His name was..... Xiao Guang.

Now it was also a solo party.

There were five thousand elite soldiers under him and the forces that depended on him added up to 10,000 soldiers!

It was not to be underestimated.

“I didn't expect that Her Highness the Princess would personally come. I'm flattered.”

Inside a restaurant in the city, a man in his thirties looked at Yan and said that.

This restaurant was already booked.

In there, only a few people were seated:

Yan and Xiao Guang's respective henchmen.

“What did General Xiao think about my previous proposal?”

Yan asked.

“Well.....”

Xiao Guang pondered for a moment and said, “I’m not going to hide it from Your Highness, the Yuan family side has also offered conditions to Xiao.”

“What conditions?”

A black-faced man next to Yan asked.

This black-faced man was not Chang Yu Chun but a fellow of Chang Yu Chun.

His name was Xu Tiande.

His ability to lead troops was not inferior to Chang Yu Chun and he was extremely powerful.

This time, he was ordered to protect Yan.

“The Yuan family said that if the Yuan family is able to dominate the Central Plains in the future, then.....”

Xiao Guang smiled and said, “I will be named a great general and I won’t go into detail about the other conditions.”

“Great General?”

Xu Tiande’s expression changed slightly.

The so-called great general was the highest rank of the Xia Kingdom’s military at present.

It was also the commander-in-chief of all the armies.

This post was vacant for a long time.

Back in the days of the Qi’s era, it was Qi himself!

This was something that the Great Desolate Army could never provide.

“With such a generous offer, why is General Xiao still considering it?” Yan asked.

“Although the position of general is good, in the eyes of Xiao.....”

Xiao Guang looked at Yan, said with a flash in his eyes. “I can’t be compared to Her Highness’ favor. I’m also from a prestigious family. I’m almost forty years old and haven’t married yet.”

“You.....”

Xu Tiande slammed the table and stood up!

Xiao Guang’s meaning was so obvious.

Anyone would know.

“General Xu sit down.”

Yan, however, had a calm face.

Xu Tiande could only give Xiao Guang a fierce glare and sat down somewhat depressed.

“General Xiao should think about our conditions.”

Yan finished the sentence.

Then she got up and left.

Looking at Yan’s departing figure, a strategist next to Xiao Guang spoke up and said, “My lord?”

Xiao Guang shook his head and said, “Although I have some thoughts about Princess Yan, I’m not stupid. If I detain someone now, won’t we have to confront the Great Desolate Army?”

“The Great Desolate Army is so close to the capital.”

“Yuan Shao can be said to be restless.”

“When two tigers fight, one will be hurt.”

“Wouldn’t it be nice for us to eat and drink here and sit on the mountain and watch the tigers fight?”

At the end of the story, Xiao Guang’s mouth curled into a smug smile.

After leaving the city, Xu Tiande could not hold back any longer and said angrily, “Your Highness, I’ll go back and order the troops and behead this guy!”

“Forget it.”

Yan shook her head and said, “Hand over the plan, if not to the moment of no way, there is no need to resort to force.”

Xu Tiande glanced at Yan.

There was something in his heart that he didn’t understand.

Chang Yu Chun, Su Qin and Zhang Liang were interested in Yan’s behavior over the past year.

There was some confusion.

For example, this time negotiating with Xiao Guang.

Xiao Guang asked Yan to come over in person.

Even though Yan clearly knew the other party’s intentions, she didn’t refuse.
