

## Only Fuel 79

### Chapter 79

Kimberly rubbed her thighs on Calix's lap, over his raging rod. She was cooing Calix and giving him soft kisses around his neck. Calix chuckled and decided to give her a long kiss, invading her mouth down to her throat, they were both breathless when their lips parted. Kimberly was red as a tomato, her glistening eyes kept staring at Calix asking for love.

Calix made a silly laugh and his hand went inside Kimberly's underwear, making her moan and biting her lip. Her warm breathing tickled Calix and he started using his fingers to please her. His fingers made circular motions on her clit. Kimberly gasped and embraced his neck. Her breathing became hard and Calix was urged to make her breathless.

"Calix, s- stop! My legs are shaking, anh!"

Calix inserted his fingers and she throbbed uncontrollably. She closed her eyes as the fingers widened her interior.

"Haaahhh... Let me help you."

Kimberly looked down and realized that Calix's shaft was in pain. She was embarrassed because she did not put importance on this angry junior. She was the type who please others but because of Calix's wonderful touches, she forgot her job.

Kimberly unfolded his pants and his big fat cock sprung down and landed on her abdomen. Kimberly licked her lips and unconsciously smiled, she was excited to have this thing inside her again. She wanted to feel stretched and full.

She was jacking Calix while Calix was fingering her. They were both grunting and moaning while their hands kept moving to please each other. They looked at each other and smooched, their tongues playing, then they both cum at the same time. Kimberly clutched on Calix so hard while her body was shuddering, her hips twitching and her feet kicked into the air. She screamed and released all the tension. But not only her, Calix's also grunted and had an orgasm. His thick accumulation of sperm burst and tainted Kimberly's palm and skirt.

They were both in bliss and sighed in relief as if they escape painful torture. Kimberly giggled when she touched Calix's big dick, it was still hard.

"Fufu, I guess I have to keep it inside to calm it down." She glanced at Calix, kissed his cheek, and stood up.

She turned around and bend over, she slowly and sensually took off her clothes. She started with her skirt then undies, she gave her red cotton thong to Calix. Calix grabbed it and smelled it, God, it smells so goooooood!!

The thong was wet and the smell of her hormones lingered so strong.

Kimberly was happy to see his reaction and faced him, she took off her shirt while her hips swinging seductively.

She kneeled and looked up at Calix, all Calix could see in her purple crystal eyes was his reflection. Kimberly sweetly smiled and softly touched his fat cock, she gave it a few kisses on the head, treating it nicely. She kissed his balls and licked them too, Calix brushed her hair while she doing her job.

He sighed when Kimberly shoved the thick dick inside her mouth. Kimberly used her throat to accommodate him, she did not gag. She closed her eyes and felt his cock inside her mouth, it was a unique sensation. As if she was housing a treasure. Her tongue moved while she was bobbing her head, Calix guided her and his hips started moving too.

"Fufu, how about this?"

Kimberly wanted to give Calix the best pleasure so she performed a titty-fuck, she squeezed her boobs around Calix's hard rod. She felt that his cock was throbbing and she eagerly moved her chest up and down while licking the cock's head. Suddenly, hot stuff of semen poured out and Kimberly was surprised. She tried to swallow the thick cum but she coughed instead, her throat did not listen to her. She was coughing, she was ashamed that she could not give Calix a good show. On top of that, she regretted that she could not swallow the tasty cum, it was wasted on the floor.

She was clumsy.

She subconsciously licked her lips and stared at his cock, perhaps she could drink another batch of hot cum. It was still raging on. She gulped and stood up, trying to grab it. However, Calix already lost himself. Calix was not the type who control himself, especially in sex. Now that there was a beautiful woman who was bare naked in front of him, and gave him a paizuri, Calix wanted to do more to her.

Calix pushed Kimberly against the cold wall, the woman yelped. Her left cheek was rubbing the wall while her ass was stuck out. Calix buckled up, he rubbed his still hard-on cock between Kimberly's thighs.

"Mmmmmm!"

Suddenly, Kimberly shuddered when she felt the big fat cock enter her. She gasped, her mouth opened but no words came out. Her body was struck by lightning and she lost herself to pleasure. Her pussy felt so stretched, she could not believe that her pussy was fitted well with his cock. She recalled how his big dick ravaged her, almost sending her to heaven.

"Mmmmm, Ahhhhh! Yes! Fuck me like an animal~~~ Aahhh!" Kimberly hissed.

"Fuck you!"

"Fuck me!! This pussy, fuuuccckkk~~!!"

It was a lengthy moan and lengthy sigh. She looked back at Calix with her glossy eyes, her hips started moving. She started moaning, begging Calix to dig deeper inside her.

"Gosh, I'm aching for this. P- please. Fuck me! Oh yes, oh yes, yes!!! Guuuhhhhhhhh!"

Calix watched how Kimberly's beautiful ass bounced, she's so beautiful. Her luscious brown hair swiveling and her purple eyes were being out of focus because of pleasure.

"Hhuupppp!"

Calix activated the devil inside him, he grabbed her waist and started fucking her. Kimberly made cries, moans, and long grunts. Guttural sounds came out of her mouth as Calix pistoned her, her vision turned black and white, back and forth.

Her pussy was so wet that it splashes juice every time Calix thrust in. In fact, the floor was already wet with their love juices and sweat.

The whole night, they kept going. Kimberly was filled with cum in her mouth, in her pussy, and on her chest. She was covered with spunk and sweat. Globbs of spits around her cheeks as she gave Calix a blowjob as a closing program. Of course she had to clean Calix's cock after long sex. It was a standard procedure, always clean the cock after a good fucking.

She had a satisfied expression when she fell asleep. Calix was embracing her and they slept inside the laboratory... Yeah, they fuck inside the workplace. It was fortunate that no important stuff was broken while they were rocking each other.
