

# One Night Stand With The Uninvited Wolf President

Chapter 146 He Had a Thing for Her

Johnny looked at Ceres in shock. He didn't know how Ceres knew about this!

Looking at Johnny's expression, Ceres knew that what Bill said was true.

She just felt sorry for herself.

"Ceres, listen to me."

In fact, he didn't know how to explain it. As a man, it was indeed shameful for him to do so.

"I don't want to hear it! There's nothing to explain. That's the truth." Ceres stopped him. She jumped off the bed and took her pillow.

"Ceres..."

"I know you are the master of the Winsors. You are respected, while I am just a humble person. My father is also a criminal. I am not qualified to talk about this with you. Our relationship is not equal in the first place. I need to calm down. Let's sleep separately for the time being."

After saying that, Ceres strode out of the bedroom with his pillow in his hand.

Johnny rubbed his forehead with one hand. Why did Ceres know that when he was about to solve all the problems?

He had planned to confess to Ceres when everything was settled, but she happened to know everything at this critical moment.

But how did she know?

Johnny immediately thought of Bill. The two must have talked a lot when they had hotpot yesterday. It must be him.

Johnny picked up his phone and called Bill. When Bill received the call, he was very excited, "Johnny, what's wrong? Is Ceres cooking something delicious again? I'll be there soon!"

"Did you tell Ceres that I pretended to be a vegetable and a bodyguard?"

Bill paused for a few seconds and replied, "Didn't you say that before?"

"Bill! You are an idiot! Who allows you to say that!"

"I, I, I ... I thought you had already..."

"Stay away from Ceres!" Johnny said as he threw his phone aside.

Ceres came to a room nearby. After she picked up the cock from Evian Town, it had been kept in this room. When the cock saw Ceres come in, it let out a "cackle" sound.

She carried the cock to the bed and said, "Cock, you are the best."

For the first time, Ceres felt that human beings were so complicated, while love was so tiring.

Annie didn't come to her senses until it was dark outside. At that time, Mary was standing beside her bed. Annie felt as if her whole body was about to be hollowed out and she was very tired.

"Ms. Annie, are you feeling better?" Mary asked with a smile.

Annie sat up and leaned weakly against the head of the bed, recalling what had happened today, "What's wrong with me?"

Although she had received the best education from Augsta, knew all the etiquette that a noble Augsta knew, and knew that an Augsta girl should have self-respect, she was a western after all, with Western enthusiasm and freedom, and this was her personality.

But she didn't think she would throw herself at Johnny the first time they met.

Thinking of what she had said, she blushed and felt ashamed.

"Eh ... Ms. Annie, you'd better have a good rest. Don't worry. After I send you back to your room, I close the door and send away all the servants here. No one will know what you have done."

Mary stood up and was about to leave.

But Annie stopped her in a hurry, "So you know what happened to me?"

Annie's eyes were full of hatred. She was afraid that this woman had seen her ugly performance.

Mary turned around and said, "Ms. Annie, nothing happened. Have a good rest."

Annie squinted at the woman in front of her, she was a smart woman, "I heard that the Winsors has an Mrs. Mary?"

Annie knew that the woman's clothes were expensive and she was definitely not a servant, so she guessed that she must be the Mrs. Mary of the Winsors, but she never paid attention to it.

Johnny was the heir of the Winsors. His wife was the one who had the final say. Mrs. Mary didn't deserve her attention.

"It's me."

"Then you know what happened to me?"

Mary walked back to the bedside and said in a low voice, "Ms. Annie, it's my brother's fault, but it's not all his fault. After all, Ms. Annie is so beautiful and elegant. Every man wants to get you."

"You mean..."

"Don't tell my father about Ms. Annie being drugged. If anyone else in my family knows about it, my brother's reputation will be ruined."

Annie was so happy!

It was Johnny who drugged her! It was Johnny who wanted her!

'Oh my God! That's great!'

But she didn't show it in front of Mary, "Oh, I see."

"So Ms. Annie, please forgive my brother. After all, he is a man. Maybe he just wants to develop a relationship with Ms. Annie as soon as possible."

"But he left!" Annie was very dissatisfied with Johnny's escaping halfway.

"My brother has something urgent to deal with, so he left temporarily."

"Oh, I see."

"Well, Ms. Annie, have a good rest. I'll go out first."

Then Mary left Annie's room.

Annie pursed her lips and thought, 'It seems that he also likes me. That's good. I have to create opportunities for us.'

Zara saw Mary come out of Annie's room with a proud smile. It seemed that she had underestimated this woman.

But Zara didn't stop her. She just let her do whatever she wanted. The more she did, the better it would be to make the house a mess. In this way, she wouldn't have to do it by herself.

Mary copied the video from the pinhole camera. Unfortunately, Johnny didn't touch Annie, so the video was less convincing.

Megan, her personal servant, stood aside and watched the video, "Mrs. Mary, why are you so upset? We can ask someone to make a video for us."

Megan used to serve Henry and was very loyal to Henry. After Mary came, she was quickly bribed by Mary.

"No, that woman is very smart. She can tell at a glance, and she won't believe it easily."

Mary knew that Ceres was a smart woman. If she made a fake video, if she found something wrong, she would deny all the video and know that she was the one who did it.

So she couldn't do that.

She needed to think about how to make the best use of this video.
