

One Night Stand With The Uninvited Wolf President

Chapter 277 Who Exactly Are You?

This was too disgusting!

It was a video of a girl and a man having sex with each other.

The parents who took children with them on spot hurriedly covered their children's eyes.

Many men stared at the big screen with interest. It was simply too exciting!

When the screen lit up, people were even more flabbergasted. Wasn't that girl in the video the bride standing on the stage?

However, everyone was certain that the man was not Johnny.

The bride had an affair with someone else!

After one video ended, another one followed. The latter one was still very explicit and the female lead was still the same girl. There was only one change, which was the male lead.

There was even one with a female lead and three male leads.

It was really exciting!

Johnny glared at the big screen.

"I'm sorry, Johnny. I've let you down. I won't do it again. I promise. From now on, I'll only be with you. I swear!" Ceres knelt on the ground and hugged Johnny's legs.

In the beginning, the screen brightness was not enough. There were times when the screen lit up, but the pictures only flashed by. Although people found the girl in the video to look like the bride, they were not sure.

Now that the bride had knelt down and admitted her mistake, everyone was certain that the person on the screen was indeed the bride. She had betrayed Johnny.

How dramatic!

Johnny was cuckolded! The crowd was surprised that Ceres was such a lewd girl. How interesting!

Suddenly everything was in chaos.

"Johnny, please forgive me. I just failed to resist the temptation. I swear I won't do it again!" Ceres was still kneeling on the ground and begging.

Bob and Bill were also shocked. How could Ceres be such a loose girl?

This was impossible!

Johnny stood where he was still.

"Johnny, just forgive me. Please!"

Just as everything went out of control, Johnny suddenly grabbed Ceres by the neck and tore off her veil.

"Who are you?"

Johnny roared.

Jamie didn't expect that Johnny would recognize her at this time!

She and Ceres were half-sisters, so they looked similar to each other.

Caleb had a perky nose and a full chin. However, Jamie's nose was inherited from Mike. It was a little flat and her chin was a sharp oval face. In order to let Caleb believe that she was Ceres, Jamie had specially done plastic surgery.

She had had a nose filler and a chin filler. Because they were only slightly adjusted, one could hardly tell she had done the plastic surgery. The only thing was that she and Ceres were more alike!

Besides, she had put on thick bridal makeup. After all, the bride should be the most gorgeous at her wedding.

She had put on the same makeup as Ceres today, and there was even a veil covering her face. She did not expect Johnny to discover her.

She absolutely could not admit that she wasn't Ceres!

"I am Ceres! The girl you love deeply. Johnny, I know that I have let you down, but you can't fool everyone by this. This is our wedding. Can we finish the wedding? Just pretend that nothing happened just now."

Jamie was still begging.

She could definitely not expose herself at the moment. She must hold on!

She knew that she might have a chance to fail, but she must go on. She just wanted everyone to know that Ceres was a slut!

She needed to let everybody know that Johnny was cuckolded and married a slut!

"You are not Ceres! Mary!" Johnny snorted coldly.

Jamie was startled. "What nonsense are you talking about? Of course, I am Ceres. Babe, I am Ceres!"

"Ceres never calls me that way, because I don't call her like that either."

Johnny pinched Jamie's neck.

Jamie's face immediately flushed. She was speechless. Johnny suddenly loosened his grip. "Tell me! Where is Ceres?"

"I don't know what you are talking about. I am Ceres! I know that you hate me, I know that I have let you down, but I have admitted my mistake. It won't happen again!"

The guests were very confused.

Some people felt that the girl on stage was not Ceres but someone who pretended to be Ceres and tried to destroy the wedding.

While some thought that the girl above was indeed Ceres, meantime her scandal was exposed. Johnny claimed that she was another person so that they would not become the laughing stock.

Both sides had their own views. No one understood the truth.

"You're not Ceres!" Alice took a step forward. "When I went out, I brought Ceres some fruit juice and specially inserted a straw for her. When I came back, I heard that your voice was not right, so I asked you what happened. You said that you had choked on the fruit juice, but there was no lipstick mark on the straw!"

When Alice said this, the scene became even more chaotic.

"First, lock all the places here!" Johnny roared.

Bob immediately started to do it.

Johnny knew that Ceres must have been hidden by Mary. Ceres should still be in this hotel.

Some of the guests at the scene were a little impatient. They were all rich and powerful people, which were all very busy. Bare to stay no more, some people were ready to leave.

However, Johnny had sealed off the entire hotel and no one was allowed to leave.

A wonderful wedding had now completely been ruined.

Jamie cried in pain, "Please, don't do this to me. I am Ceres!"

Johnny knew that she was acting, but now she was too similar to Ceres. He did not know what to do.

"I want to see how long you can continue acting!" Johnny pushed hard, and Jamie crashed into the wall hard.

"I am not acting. I am Ceres!"

"Bring her to the room upstairs!" Johnny gave the order.

After being brought upstairs by the bodyguards, Jamie finally removed all her disguise.

"Tell me now! Where did you hide Ceres?"

Jamie sneered. "I didn't expect you to know so quickly. I thought that you wouldn't find out late until you spend the night with me."

This also made Jamie go crazy with jealousy. He probably noticed it from the moment they held hands.
