

One Night Stand With The Uninvited Wolf President

Chapter 327 Being Caught

"I didn't expect that Jamie would be so cunning!"

Roy also had to admire that a little girl had such a good plan and such a good ability to adapt to the situation.

"It's more difficult to solve this."

Ceres could not help but admire Jamie. When Ceres was in the Hot Spring Villa, she had already made enough preparations. Ceres knew that Jamie would do something from the beginning. So, Ceres had already hidden the blade with her in advance.

When Ceres and Roy were tied up, Ceres directly cut the rope on her body with her blade. Then, Ceres told her plan to Roy. At the same time, Ceres told Roy about the possible plans that Jamie might take.

Ceres realized that Jamie was likely to take the opportunity to kill Caleb and frame the two of them.

At this time, Ceres thought of something, but there was still something that she did not think of.

For example, Jamie found two people with similar figures and even used a voice changer to let Caleb hear the conversation between them. Jamie even won the support of Dylan from the beginning.

Also, Jamie changed her plan so fast as the situation changed!

"We are still too kind. If we hadn't cared about Caleb in the beginning, we would have just caught Jamie directly!"

"This is why good people can never win against bad people." Ceres sighed deeply.

"Alright, let's not be emotional for now. Mr. Caleb is in danger now. Let's think of a way to get away." Roy nudged Ceres with his elbow. "Where's your blade?"

When they were in the Hot Spring Villa, Ceres had secretly prepared a blade.

"I only prepared a blade. It was lost when I was in the Hot Spring Villa. Who would have thought that I would be tied up twice a day!" Ceres was also a little upset.

Roy also had no idea for a moment.

The bodyguards outside the door were guarding them were all the men of Roy.

Roy shouted towards the outside, "Is anyone there?"

The bodyguard immediately came over and looked at Roy "Mr. Roy, what's the matter?" The bodyguard was a little embarrassed and asked.

"You bunch of idiots! Do you even suspect me? Hurry up! Let go of me! Mr. Caleb is in danger now. The real murderer is Jamie. She wants to kill Mr. Caleb and then occupy the Bullock Group by herself. The one tied up here is the real miss of the Bullock family!"

Roy roared.

The bodyguards looked at each other, but no one moved.

"Mr. Roy, I'm sorry. We can't let you go."

"You've been with Mr. Roy for so long. Don't you know what kind of person he is?" Ceres was truly speechless.

"Mr. Roy, we all believe that you are innocent. But, we can't let you go. We are just trying to make a living. If we let you go, the housekeeper will blame us. We will also be in trouble."

The bodyguards were in a very difficult position.

Roy looked at them. Although he was angry, he understood their situation very well. They were people who needed to support their families.

They had always done whatever the boss ordered them to do.

Ceres turned her face to the side in anger. Ceres thought, 'It seemed that there was no more hope. It would be good if Johnny was here. Johnny was omnipotent.

I wonder if Jamie would let me live until the day I met Johnny.'

It was in the hospital.

Jamie and Dylan waited outside for four hours. In these four hours, Jamie cursed countless times in her mind. She hoped that when the doctor came out, he would tell her that the rescue was ineffective. Caleb was dead.

These four hours were too long.

The lights in the emergency room finally went out. Dylan and Jamie stood up at the same time.

They were nervous!

"Doctor, how is my father?" Jamie rushed over.

Dylan was the same.

"We have tried our best."

When she heard this, Jamie finally felt that she was going to be at ease.

"Mr. Caleb was sick before, and this time, someone injected the drug into his body. We spent a lot of effort to save him, but..."

Hearing the doctor's words, Jamie became nervous again. She thought, "Was he still alive?"

"Mr. Caleb still hasn't woken up. His condition is also very critical. He is in a severe coma and needs to be protected in the ICU."

Jamie fell to the ground, "How could this be? How could this be?"

Dylan immediately helped Jamie up from the ground, "Miss Jamie, don't be anxious.

"How can I not be anxious? Doctor, when will my father wake up?" Jamie grabbed the doctor's hand.

"Sorry, we can't predict when Mr. Caleb will wake up. Maybe one or two days, maybe... Anyway, there is still hope. We will do our best."

After listening to the doctor's words, Jamie bowed deeply to the doctor, "Doctor, please save my father."

"Yes, we will do our best!"

Dylan and Jamie looked at Caleb, whose body was full of tubes. He was pushed into the intensive care unit.

The intensive care unit did not allow family members to visit, and they could only stay outside.

Jamie sat on the bench outside. She covered her face and cried again.

Dylan comforted her, "Miss Jamie, it is not the time to be sad. I believe Mr. Caleb will wake up. You still have things to do."

"What am I going to do? Dylan, tell me, how can I help Dad?"

Jamie asked.

"Mr. Caleb had been hiding his illness from everyone. He was born to be strong, and he didn't tell everyone about this when he was sick. So, no one knew that he was sick. Now, he is in a coma. The company might be in turmoil. Miss Jamie, you have to take charge of all of these things!"

Jamie became more and more nervous after hearing Dylan's words, "But I can't do it. I've only been in the company for a few days. I'm not familiar with many things."

"You are Mr. Caleb's daughter. I believe that you are as good as he is. Mr. Caleb started from scratch back then. Miss Jamie, you must also be able to do it. You have to stabilize the company while Mr. Caleb is not awake and wait for the day when he wakes up!"

Dylan grabbed Jamie by the shoulder as if he was giving her strength.

Jamie nodded solemnly.

"By the way, Dylan, has Dad written something like a will? If Dad has a will, then when Dad is unconscious, I can take the will to take charge of the company. You also know that I don't have any real power in the company now."

Jamie revealed a troubled expression, "The power is in Mr. Roy's hands, so..."

"I will disclose the matter of Mr. Roy to everyone. As for the will... Mr. Caleb has never told me about it. But, there is a dark room in Mr. Caleb's study. Perhaps Mr. Caleb has prepared the will and hid it in the dark room."
