

## Overbearing 1011

### Chapter 1011: Gu Shi's Trick VI

Gu Yiyi smiled.

With this, she would have the opportunity to occupy Xiao Qing and drive the vixen, Nan Xian, away!

"Young Lady Gu, we rarely have any interactions with each other, let alone any feelings for each other, so..."

"It doesn't matter. I just want to be Nan Xian's aunt."

1Mu Qingyin was speechless.

Mu Qingyin had always felt that he could not talk normally to this girl. Therefore, he just stopped talking and walked forward.

"Mister, wait!"

Gu Yiyi was anxious. She hurried to him. "You may have misunderstood me. I am an elegant woman! I am very obedient and have never caused any trouble. I have never fought with anyone. I won't disgrace you. You..."

4She stopped abruptly.

It was because Gu Yiyi saw that Luo Li was surrounded by a group of people in front of her not far away. Her face was red and her eyes were filled with anger.

She saw Qin Fei'er crying aggrievedly while many people were accusing Luo Li.

Gu Yiyi did not know what had happened, but she also understood that Qin Fei'er must have bullied Luo Li.

Without a second thought, she kicked the butt of the person standing in front of her and sent him flying.

1Mu Qingyin who was standing behind Gu Yiyi was speechless.

Where was the elegant woman that she had claimed to be just now?

Did she not say that she never fights?

After seeing Gu Yiyi protecting Luo Li behind her and staring at the group of teenagers fiercely, he could not help but smile.

\*\*\*

"Who has allowed you to bully Luo Li?" Gu Yiyi asked and glowered coldly at the people present.

Everyone became quiet. They seemed to be afraid of Gu Yiyi.

"No... it's not our fault. It's Luo Li's fault." Finally, someone spoke. "She hit Fei'er just now. Fei'er's health is poor, yet she still hit her. We just wanted to teach her a lesson."

Luo Li sneered. "I heard she and her maid were talking badly about Xiao Qing behind her back. I couldn't bear it and had scolded them back. It was also the people of the Qin family who had started the fight first. I just hit back to protect myself."

The teenager was stunned speechless. He then said firmly. "Fei'er is not someone who would talk badly of others behind their back. It is even more impossible for her to hit other people. Luo Li, don't insult Fei'er!"

Luo Li grinned ironically. "It doesn't matter if she doesn't admit it. I don't care about reputations now. So, what if I bully her? I just want to bully her! I will hit her every time I see her! Just don't let me see her again!"

"She has scolded Xiao Qing and hit you?" Gu Yiyi was so angry that she threw a kick again.

Her kick was directed at Qin Fei'er.

Qin Fei'er was flung away before she coughed up blood.

"Gu Yiyi!"

Those teenagers were furious and looked angrily at Gu Yiyi after seeing Qin Fei'er's miserable appearance.

Gu Yiyi squeaked, "I don't need any reason to hit people. I will just beat them when I want to. You can go to the chief manor and complain to my father if you are not happy about it!"

Everyone became silent. Going to the chief manor and complain to the manor master?

They would not be able to come out safely after going to the chief manor.

The manor master could be very unreasonable when it came to his precious daughter!

"Get out now!"

The group of people immediately dispersed like birds and dared not stay after hearing her yell.

Qin Fei'er also left with the help of the people of the Qin family.

She looked back and glanced at Gu Yiyi before she left.

## **Chapter 1012: Gu Shi's Trick VII**

Gu Yiyi could not help but shiver after she saw Qin Fei'er's darkened eyes.

"Luo Li." Gu Yiyi turned around. She then saw a flustered Luo Li behind her. There were bruises on her arms. "How are you?"

Luo Li shook her head. "I'm fine. By the way, don't let Xiao Qing know about this. She is too busy with the Mu family's matters. I don't want her to worry about it."

"What's going on with Qin Fei'er recently?" Gu Yiyi recalled Qin Fei'er's darkened eyes. She paused. "She seems to have changed..."

Gu Yiyi did not like Qin Fei'er before. It was because Qin Fei'er was acting like she was the most righteous person and was always nitpicking on others' behaviors and attitudes.

That was it.

But now, Qin Fei'er was making her feel uncomfortable as if a venomous snake was staring at her.

"Maybe it was Qin Chen and Xiao Qing running away that has irritated her." Luo Li shrugged. "However, a person like Qin Chen is not suitable to stay in the Qin family. The Qin family is a big dye vat—a place full of deception and frame. I only understand now that no one from the Qin family is a good person."

She used to think that the Qin family would treat this adopted child very well. She just realized how ridiculous her thoughts were after discovering the true colors of these people.

"Yiyi, I'll go home first. Let's gather again when I have time."

Luo Li smiled. She greeted Gu Yiyi before turning around and leaving.

Gu Yiyi had initially wanted to ask about the Luo family's current situation today. Suddenly, something came to her mind and her body stiffened. She turned her head mechanically and looked at the elegant man standing behind her.

"Mister, would you believe me if I said that I didn't do anything just now? I did not kick and scold them. I'm a lady. I'm also not the kind who would bully people."

Mu Qingyin slightly smiled. "I saw it all."

Gu Yiyi was about to cry.

What should she do now?

What should she do if he did not want to marry her after seeing her violent side? How could she be Xiao Qing's family?!

"Too bad, I saw it all..."

Gu Yiyi was silent. After a long while, she carefully asked, "Can you just be blind and pretend that nothing has happened?"

Mu Qingyin was speechless.

Be blind?

"But I'm not blind."

"..." Gu Yiyi took a deep breath. "Mister, do you know that you are quite insensitive?"

Mu Qingyin raised his hand and caressed Yiyi's head. "There is no need to be too tolerant with the bad people. So, you did nothing wrong."

His palms were huge and strong.

The temperature of his palm startled Gu Yiyi. She looked up and stared blankly at the man in front of her.

"That... Then can you not tell Xiao Qing what has happened today? Xiao Yin said that Xiao Qing likes elegant ladies. It's not easy for me to pretend for so long. What if Xiao Qing stopped liking me if she knew that I was not an elegant lady?"

"Alright."

Mu Qingyin smiled. This girl was not as troublesome as he imagined.

The man's hand was still above Gu Yiyi's head showing no sign of taking it away.

Gu Yiyi's face was red. This was the first time she was so close to a man.

She was too fat in the past and nobody liked her.

Later, she had fallen in love with Xiao Qing and was extremely disgusted with men.

Several young men had come to the Gu family to propose a hand in marriage in the past. However, they were all driven away by her.

But now, she was not disgusted by Mu Qingyin's hand.

### ***Chapter 1013: Gu Shi's Trick VIII***

It might also be because Mu Qingyin was Xiao Qing's family.

She loved Feng Ruqing, so she could accept his touch.

"Are you going to find Qing'er?" Mu Qingyin slightly smiled. "I'm also going back. Let's go to the Mu family together."

Gu Yiyi blinked.

Did Mu Qingyin not ignore her just now?

Why did he want to go with her now?

Could it be that he was moved by her infatuation toward Xiao Qing? Was he going to help her? So, did it mean that she had a chance to become Xiao Qing's family?

Gu Yiyi thought about it and felt that there was no other possibility beyond that.

She accepted Mu Qingyin's suggestion.

"Okay then, let's go."

\*\*\*

Luo Fei hurriedly walked out of the Luo family. He then met an approaching Luo Li as soon as he stepped down the stairs. His eyes were full of joy. "Li'er, are you back?"

Luo Li frowned and pursed her lips.

She did not want to face Luo Fei since the incident that day. Maybe she still could not forget the incident and forgive him yet.

“Li’er, someone came to inform me just now that you were beaten up by Qin Fei’er?” Luo Fei saw the injuries on Luo Li’s arm at a glance. He panicked and grabbed Luo Li’s arm immediately.

He carefully avoided the wounds.

Luo Li’s face stiffened. She wanted to pull back her arm that Luo Fei was holding.

“It’s all bruises. I’ll ask someone to bring some spirit herbs over. It will be better if you apply it.”

Luo Li sneered at the undisguised distress in Luo Fei’s eyes.

Why did he not act like this when she was scalded by hot water the other day? He had even defended Qin Xiaoyue at that time.

Soon, someone brought the spirit herbs.

Luo Li tried to remove Luo Fei’s hand from hers a few times but failed. She could only let him apply the spirit herbs to her arm.

It was cool and all the pain disappeared.

“Li’er, let’s go.”

Luo Fei did not let go of Luo Li’s hand. He then pulled her along with him and walked outside.

Luo Li was cold. “Where are you taking me?”

“To the Qin family to find Qin Fei’er. They have hurt you. I want an explanation from them.”

Luo Fei’s face was firm and unquestionable.

Luo Li’s heart trembled a little at this moment. She slowly closed her eyes and recalled her memory from before...

Before her father had met Qin Xiaoyue. He had always treated her like this.

If anyone bullied her, he would avenge her as soon as she went back and cry to him.

## **Chapter 1014: Gu Shi’s Trick IX**

Everything had changed since Qin Xiaoyue appeared!

“Do you think I will forgive you if you act like this?” Luo Li’s tears flowed uncontrollably. “I can accept that you marrying another woman. After all, Mother has died a long time ago. It’s not fair for you to be alone.

“I have never expected you to love only Mother forever. However, I don’t allow anyone to insult Mother! She has purposely spoiled Mother’s grave and even stamped on it. Why won’t you believe me? You only trust her. You only listen to her!”

Luo Fei stopped in his tracks.

He looked back at the little girl who was crying. He felt guilty and wanted to wipe her tears.

“Li’er, I was wrong. I was too stupid to believe in her words. I feel guilty about you and your mother. I promise you that there will be no other women in the Luo family, okay?”

He had forgotten.

He had forgotten that her daughter never lied.

He had believed in Qin Xiaoyue but not in his daughter.

He had always thought that Luo Li was making a fuss because she did not want anyone to snatch him away. He had also forgotten that Li’er had always been a good child and was never the kind of person who would unreasonably cause trouble.

So, it was all his fault. He would spend his whole life to make up to her!

Luo Li pursed her lips without saying a word. Her tears fell like rain dripping to the ground and it made his heart ache.

He was so stupid to have trusted Qin Xiaoyue and had almost brought calamity to the Luo family.

He suddenly realized how much he had done wrong over the years after discovering Qin Xiaoyue’s true colors.

“I won’t allow anyone to be disrespectful to Mother. Mother has already passed away, but she still treated Mother’s grave like this. She does not respect the deceased. I will never call such a woman ‘mother’ even if you ask me to!”

A mother was the most important person in all daughters’ hearts.

No woman could replace her!

She could accept the fact that Luo Fei married another woman. However, she could not accept the fact that the woman did not respect her deceased mother and insulted her.

Was she even a good daughter if she had accepted it?

“Li’er, I’m truly sorry. I know I was wrong. Can you give me another chance?” Luo Fei begged in a soft voice.

Luo Li lowered her head.

Her heart was softened.

Not because Luo Fei wanted to settle accounts with Qin Fei’er for her.

But...

Luo Fei had applied medicine for her before taking her out.

If Luo Fei had taken her to Qin Fei’er first and ignored her pain, she might still think that Luo Fei was not paying much attention to her.

But this little detail melted her heart.

"I will look at your performance then."

Luo Li bit his lower lip and snorted softly.

"You must also apologize to Mother in front of her grave! Besides, if you want to marry another woman in the future, she must be a person who respects the elders and also the young ones. She must not bully me, or else, I will fight back!"

"Okay." Luo Fei raised his hand and hugged Luo Li. "I promise you that there would be no other woman in the Luo family. So, there will be no other woman. I have learned my lesson this time. The Luo family has just managed to restore its peacefulness. I will not let another Qin Xiaoyue ruin it again."

### **Chapter 1015: Becoming A Big Joke**

Luo Li lowered her head. She did not answer Luo Fei's words. She did not know how she should face Luo Fei now.

"Li'er, let's go to the Qin family first. I won't let anyone bully you in the future."

Luo Fei held Luo Li's hand tightly. His pace was brisk and his palm was strong giving her a warm and reassuring feeling.

This was the feeling she had never experienced in a long time.

Luo Li pursed her lips. She allowed Luo Fei to pull her forward. A tear fell from the corner of her eye and dissipated with the wind under the breeze.

\*\*\*

"Father."

Inside the room, a strong voice came from behind Mu Ling when he was about to turn around and leave.

Mu Huan clenched her fists tightly. She could hardly breathe.

"Father, where are you going? Mother hasn't woken up yet. Are you going to find that bitch?"

Slap!

Mu Ling raised his hand and slapped Mu Huan's face.

He did not feel guilty this time and he was disappointed.

How could his obedient and lovely daughter become so selfish?

Mu Huan covered her red cheek. She stared at Mu Ling fiercely with her stubborn and resentful eyes.

Her beautiful eyes that were full of hatred were like needles piercing through Mu Ling's heart.

"Huan'er, when have you become like this? Or, have I never known you?"

Mu Huan smiled sarcastically. She put down her hand that was covering her cheek. She said coldly,

"Father, it was because we have never known that you are such a person. Mother was infatuated with

you, but you just don't care about her. Now, Mother is still in a coma, you can't even wait until she wakes up."

Infatuated?

Mu Ling laughed.

Qingyan did dote on him.

But her behavior had ruined the Mu family! She had even treated him like a fool to avoid being blamed for her mistakes.

When did it start? When was Qingyan no longer sincere to him?

"Did you know that Qingyan's behavior has caused the Mu family to be in such a desperate situation!" Mu Ling said loudly as he was very angry.

Mu Huan sneered. "You can forgive Suyi no matter what she has done wrong and you have even begged her to come back again and again. Mother just made a little mistake, but you cannot accept that. Do you only like Mother when she is caring and can't accept it when she makes mistakes?"

Mu Ling's body stiffened.

'You can forgive Suyi no matter what she has done wrong.'

The girl's voice kept echoing in his ear. He closed his eyes slowly.

It seemed that he did tolerate Suyi a lot.

Although it was Suyi's fault that he could not have children anymore, he could still forgive her. He could even beg her in a soft voice.

However...

Suyi had never harmed the Mu family.

The Mu family was much stronger back then when she was still around.

"I was wrong." Mu Ling opened his eyes and burst into tears. He suddenly laughed. "I have been wrong all along. Hahaha, it is I who has ruined the Mu family. It is I who has ruined the Mu family!"

"Huan'er, you don't have to worry. I will not be so heartless toward Qingyan. After all, she saved my life. I will not drive her away no matter what she has done.

"But she shouldn't have treated me as a fool. She was afraid of death and has even been exposed to faking it in public. She has made a big joke out of me!"

There were so many people at that time. He was already a joke in everyone's eyes!

## **Chapter 1016: Males Are More Important Than Females I**

Mu Huan's voice was cut off abruptly. She looked at Mu Ling furiously, feeling cold and unable to say a word.

Before Suyi returned, her parents were as loving as when they first met.

Everything had changed since Suyi returned.

So, why did she come back?

Mu Huan clenched her fists tightly and even after Mu Ling had left, she did not react at all. Her eyes were filled with hatred.

She hated Suyi for using force to gain favor and for stealing the man her mother loved the most.

'I hate Suyi, I'll make sure she never live in peace!'

Cough! Cough!

There was a weak coughing sound coming from the bed.

This voice instantly pulled Mu Huan away from her thoughts. She turned and hurried to the bed, with a face full of joy she asked, "Mother, are you awake?"

"Ling... Brother Ling..."

Chen Qingyan opened her eyes partially. Her voice was as weak as a soft breeze. Her eyes darted around but she did not see the person she was expecting. She lowered her eyes slightly and a bitter smile hung on her pale face.

"Huan'er, your father... Didn't he come to see me?"

Mu Huan trembled. She could not bear to tell her mother that her father had left before she had even woken up.

"Mother... Dad left earlier due to some matters. He will come back to see you soon."

"Huan'er, you don't need to comfort me, I know it very well." Chen Qingyan closed her eyes, her heart was in pain. What she had worried about for so many years had finally happened. "He will not return again."

Mu Ling was affectionate.

And equally ruthless.

All these years, Mu Ling had always been spoiling her, making her feel like she was in heaven. Similarly, he could also make her fall into hell at any given moment.

To this man, nothing compared to the Mu family!

He took the family more seriously than anything else!

"Mother, you don't have to think too much about it. Get well soon. He won't ignore you. If he didn't care about you, he wouldn't have taken out the elixir from his private collection to save you."

Mu Huan's comforting lit up Chen Qingyan's eyes for a moment before quickly darkening and filled with pain.

“Huan’er, your maternal grandmother died in the hands of the old master ...”

Mu Huan’s heart skipped a beat as she looked at Chen Qingyan in shock.

The events of that year were taboo in everyone’s heart, so no one had talked about the past. As such, this was the first time Mu Huan had heard Chen Qingyan’s talk about her maternal grandmother.

“Logically speaking, I should hate the old master and the Mu family, but I have fallen in love with your father anyway. For him, I am willing to let go of all the hatred, but why... why does your father still not care about me in the end?

“He’s all that I have, he’s my life! How would I live this life without him?”

Chen Qingyan voiced out hoarsely, tears of grief flowing from her eyes and all over her pale face.

Her body was shaking as if there was an abyss of sorrow within and it seemed to take great effort to keep it all from exploding entirely.

“Huan’er, only you can help me, now only you can help me!” Chen Qingyan held Mu Huan’s hand tightly and said distraughtly. “Besides you, there is no one else who can help me.”

Mu Huan bit her lower lip hard, her body was trembling with anger. “Mother, what should I do? How can I help you...”

Chen Qingyan lowered her eyes, a light flashed in her eyes.

“I want you to seduce someone.”

“Mother?” Mu Huan’s eyes widened in disbelief. The hand that Chen Qingyan was holding stiffened.

“What did you just say?”

### **Chapter 1017: Males Are More Important Than Females II**

Chen Qingyan wept silently. “Huan’er, in this world, only he can help me. Go and seduce him. If you get his help, the Mu family and even the entire Tian Shen Manor will be ours.”

Mu Huan’s face turned pale as her head throbbed.

She never knew that her mother had such ambitions ...

The entire Tian Shen Manor?

What she wanted was actually the entire Tian Shen Manor?

“Huan’er, your father doesn’t care about us anymore. If I continued living in the Mu family, that vicious woman, Suyi, will torture me to death.”

Chen Qingyan’s eyes were filled with pain and deep grief.

“Also, she is a jealous person by nature. It is impossible that she would let you and Xi’er go. Your younger brother’s position has been taken away by Nan Xian and now only you can help us!”

Mu Huan closed her eyes slowly and opened them after a while. “Mother, you want me to... do this kind of thing... Is it to make life easier for our family of three or is it for... Mu Xi?”

If Nan Xian had not returned and the old master had not recovered, Mu Xi would have been the heir of the next generation of the Mu family.

However, Nan Xian had returned and the old master's body was also healthy.

Mu Xi would never have a chance again!

Therefore, she wanted to know whether it was to survive or to give Mu Xi power.

"Stupid child, Mother is not that kind of biased person. How could I sacrifice you just to let Xi'er gain the power to control Tian Shen Manor? Mother really have no other choices. Huan'er, Mother can only rely on you."

Chen Qingyan's eyes were filled with pity and reluctance. She gently stroked Mu Huan's hair, her voice soft.

Mu Huan looked at Chen Qingyan's gentle face, her eyes were filled with tears.

In this life, she thought very highly of herself. Innocence, to her, was better than all.

However, she understood that with their standings in the Mu family, they were destined to be bullied. They had lost their father's protection, maybe one day they would really lose their lives in Suyi's hands.

"Very well."

Mu Huan's face bloomed into a bright smile. "Mother, I will listen to you ..."

"Huan'er, Mother's good daughter." Chen Qingyan's hand caressed Mu Huan's face and sighed. "If it weren't for Suyi's return, it wouldn't have turned out like this. You wouldn't have needed to commit to others."

Mu Huan trembled and dropped her head. Her eyes were filled with hatred.

Yes, everything was Suyi's fault!

If it wasn't because of Suyi, she wouldn't have needed to seduce anyone at all!

It was Suyi who had forced her to this extent. She would never let go of this damned bitch!

"Whether it's Suyi, Nan Xian or Feng Ruqing, this group of people all deserve to die. What has happened to me today is all because of these people. They are the culprits!"

When Mu Huan said these words, she did not see Chen Qingyan's small smirk.

However, she collected her expression and put on the same distressed look again.

"Huan'er, it's difficult on you..." She touched Mu Huan's face, her voice was weak and gentle. "You have done enough of taking care of me today. It is good to go back and get some rest first. Mu Xi will take care of me later."

Mu Huan sneered.

What other things could her brother do besides having fun with women all day?

Even when his mother was hurt so badly by others, he had only stood aside silently.

Count on him?

Hehe, might as count on the servant girl of the Mu family.

“Mother, then I’ll leave first. I cannot be rest assured with Mu Xi, I’ll ask the servant girl to come.”

### **Chapter 1018: Males Are More Important Than Females III**

Mu Huan pursed her lips. After looking at Chen Qingyan, she turned and left.

The moment Mu Huan turned around, the gentle smile on Chen Qingyan’s face disappeared and her eyes were filled with guilt.

‘Sorry...

‘Huan’er.

‘Mother knows that you are filial, but you are still a girl after all. Sooner or later, you will need to marry someone. This family still has to rely on Xi’er.’

‘If the old master were not clear-headed, it would not have mattered. Now that the old master is clear-headed, he would never give the Mu family to Xi’er. I can only use other methods.

‘On top of that, if the Spectral Flower is ruined, he will blame it on me. Then, I can only use you as a scapegoat.

‘Don’t blame Mother, Mother did this for our family’s consideration. Only after Xi’er has control of Tian Shen Manor, only then can leave him again.’

Squeak.

The door was pushed open and the sun shone on Mu Xi’s figure. His handsome face was full of femininity. He slowly walked through the door.

“Mother, has she promised?”

“Yes.” Chen Qingyan smiled lightly. “Previously I couldn’t open my mouth. With what happened today, she has also felt the danger. I have to thank Feng Ruqing, otherwise, Huan’er would never have agreed.”

Mu Xi breathed a sigh of relief. “That’s good. If Mu Huan doesn’t agree to be his woman, he might use me as a guinea pig for medicine. I don’t want to be his guinea pig. After all, Mu Huan won’t be losing out.”

“Xi’er...” Chen Qingyan frowned and said nothing about Mu Xi’s words. “You must not say that in the future, Huan’er has agreed to this matter for our sakes. I am ashamed about what I have done to her.”

But she had no other choice.

She had to choose either one—Mu Xi or Mu Huan.

Otherwise, she could not afford to compensate for the Spectral Flower that cost so much.

'Xi'er looks good. He not only likes beautiful women but also shows great concern for them. We can only rely on Huan'er to be safe. With his support, Tian Shen Manor will be Xi'er's in the future.

'Furthermore... since Huan'er will be following him, there will be no way to leave him. She will definitely be faithful to him only, therefore she wouldn't as bad as Suyi.'

Even if Mu Ling had given up on Suyi, Suyi was not qualified to go outside and hook up with others.

She must be faithful, even if Mu Ling did not want her anymore! She also had to keep her innocence!

"Mother, you don't have to worry about Huan'er. We are giving her a chance. If she has the ability to firmly grasp that person's heart, that person has always been gentle, generous, and indulgent to women. Would there be anything that Huan'er would be dissatisfied with?"

Chen Qingyan sighed and shook her head with a bitter smile. "By the way, Xi'er, you must not let that person see Feng Ruqing. Once he sees Feng Ruqing, he will not accept Huan'er."

The man had always been lustful, but his lust was different from Mu Xi's.

If Mu Xi could not get a girl, he would swear to never give up. However, that man, even if he would not give up, he would never force any woman.

He was gentle.

To a man, he was cruel like the devil, but to a woman, he had always had a little more concern and consideration.

In the beginning, he had just happened to see Mu Huan and could never forget Mu Huan.

Chen Qingyan knew, back then, that it was impossible for Mu Huan to commit to one person for power, so she could not accept it on behalf of Mu Huan.

Even so, that person did not force her, he would only make her his woman if she was willing.

One thing that made him different from other men was that he brought the phrase "disliking the old and taking delight in the new" to an extreme level.

#### **Chapter 1019: Males Are More Important Than Females IV**

Even if other men had concubines, they could never forget the old ones.

Yet, he was different.

Once he got a new woman, he would never touch the old one again.

Therefore, Chen Qingyan would never allow that person to see Feng Ruqing and she would not let anyone snatch the backing she had sought for her daughter!

"Mother, don't worry about this, the man is a clean freak and won't fancy unclean women." In Mu Xi's mind, Feng Ruqing's face emerged and he licked the corner of his lower lip. "To me, it's different. No matter how dirty Feng Ruqing is, I am still willing to spoil her until I get tired of her."

Chen Qingyan's expression changed as she shouted angrily, "You are in the Mu family. Don't reveal your intentions toward her now. Nan Xian is protecting her closely. If he hears this, he will not let you go."

"I am still not that stupid, let Nan Xian be proud for a while now and let's wait for Huan'er to win that person's heart. As long as Huan'er says the word, that man will inevitably go to Gu Shi and give us this Tian Shen Manor. By then, with his backing, would I be afraid of Nan Xian alone?"

Mu Xi sneered, his brows were filled with wickedness.

Nan Xian would be trampled under his feet.

Feng Ruqing would also surely be under him!

All he needed now was patience.

Only after hearing Mu Xi's remarks, was Chen Qingyan relieved.

"It's good as long as you understand. I'm a little tired, I will rest first..." Chen Qingyan paused, lowering her eyes sadly. "If your father... can change his mind before then, he will still be your father, you must not be rude to him."

She had always been true to Mu Ling.

During her most difficult years, it was his appearance that had warmed her heart!

If...

Mu Ling repented, she would give him a chance and then they would share all the riches in the world.

If he insisted on continuing on this path, no matter how painful it was, she will never spare the Mu family anymore!

"Mother, do you think... he will change his mind? He doesn't love you anymore, he just wants to pursue Suyi now."

Mu Xi sneered as he said that before leaving Chen Qingyan alone, lying on the bed stiffly.

Tears blurred her sight and flowed from her eyes.

Salty and bitter.

Over the same thing, Mu Huan had always comforted her, just to make her feel at ease.

Something that Mu Xi had said... stabbed her in the heart!

'I don't know if my choice is right or wrong...'

No matter how much she loved Mu Huan, Mu Huan was a girl after all and would not be by her side in the future.

Mu Xi was different.

She believed that no matter who, given the same choices as she had, the choice... would definitely be the son.

Her son was the only one she could depend on.

Chen Qingyan wiped away the tears on her face and a smile appeared on her pale face.

"I'm right, I wouldn't be wrong if I let Huan'er commit to him! I'm just forced into desperation and there's nothing I can do about it. The person who has done wrong... is the mother and son duo or Feng Ruqing!"

Yes, it was all that group of people's fault.

If Huan'er wanted to hate, then those were the people she should hate!

Chen Qingyan's mood got much better, but the pain in her abdomen was still apparent and it constantly reminded her of what those people had done to her ...

\*\*\*

In the medium.

The sky was blue and the grass was green.

With a loud rumbling, a powerful force came from somewhere near. The girl sitting on the grass with her eyes closed and her knees crossed finally opened her eyes.

Intermediate Dark Warrior tier!

It had been some time since she had arrived at Tian Shen Manor and now she had finally broken through to Intermediate Dark Warrior tier!

## **Chapter 1020: The Secret Realm Behind The Chief Manor I**

"Mother!"

Little Qing Han leaped into Feng Ruqing's arms. With a bright smile on her little face, she giggled. "You have finally made a breakthrough!"

'How nice.

'Mother is becoming more powerful, it may not be long before she would be as strong as the Ninth Emperor.'

Feng Ruqing stretched out her arms and embraced the soft bundle in her arms. She stood up from the grasslands and her eyes fell upon the little boy who was deep in sleep on the grass.

"How long more until Fu Chen wakes up?"

The little boy sleeping among the grass had a white and smooth face, more refined than an immortal child.

He slept very soundly, no matter how loud the outside world was, it was not possible to wake him.

Little Qing Han raised her head, staring blankly ahead and said, "I don't know either, Brother Fu Chen will wake up when he is supposed to wake up I guess."

Ever since Fu Chen consumed a huge amount of elixirs, he was constantly sleeping. On the contrary, it was not known why little Qing Han had suddenly woken up.

“Qing Han, let’s go.”

After Feng Ruqing said that, she looked at Fu Chen who was still asleep and left the medium.

The sky outside was just starting to brighten, everything had not yet awakened...

Boom!

A loud sound came from the chief manor, shaking the whole Tian Shen Manor.

Feng Ruqing’s face changed, she had no time to notify anyone. She flew across the sky quickly, heading toward the chief manor...

\*\*\*

The chief manor.

Behind the top of the mountain.

The dungeon holding Xiao Ya was flattened.

Gu Shi’s handsome face was panic-stricken. His face was pale and fear filled his heart.

He was blocked by an invisible door in front of him. He tried to rush forward a few times but was blocked. It was as if a hand was pushing him back, forbidding him to take a half step closer.

“Are all of you sure that Yiyi has suddenly disappeared?”

In front of Gu Shi, the guards and servant girls were kneeling by the sides. There was a middle-aged woman kneeling next to them, her face trembling with terror.

“Manor... Manor Master... I came to the back hill with the eldest young lady. I don’t know what happened. The prison suddenly exploded and the young lady had suddenly disappeared.” The servant cried. “I really don’t understand what has happened. It’s Lady Fenghua, she has led the young lady here ...”

Gu Shi looked at Zheng Fenghua with red eyes, his eyes filled with raging anger.

“Who has allowed you to come back to the chief manor? What did you do to Yiyi?”

Zheng Fenghua was so scared that she could not even speak.

It was only because her daughter was treated this way at the Mu family old master’s birthday party. Gu Yiyi, as a relative, did not help An Cui, so she had tried her best to enter the house.

She just wanted to persecute Gu Yiyi for a bit and had never expected for this to happen.

“Brother-in-law, I don’t know, I really don’t know anything.” Zheng Fenghua understood that she had created trouble. She crawled toward Gu Shi with a face full of tears. “Someone asked me to bring Gu Yiyi to the back hill. I have never thought of harming Yiyi. I am her aunt. How could I harm her? I just wanted Yiyi to allow me to return to the chief manor.”

Her voice was strained, hoarse, and exhausted. She sounded absolutely miserable.

In a fit of anger, Gu Shi kicked Zheng Fenghua's chest, causing her to be flung away.

Zheng Fenghua fell to the ground pitifully and looked desperately at the angry man in front of her, her face pale.
