Chapter 1431: Feng Wuhui, Tian Ya VI

Nan Xian nodded a little. "Maybe it's related to the spirit beast clan."

"Suyi isn't a spirit beast. She's human. She can't be from the spirit beast clan, maybe... Her enemy is related to the spirit beast clan? And very closed to the spirit beast?"

"That's about right. She's not quite willing to let us go to Land of No Return, but Feng Wuhui is there, so she cannot stop us."

Feng Ruqing said no more after hearing these words.

Her eyes carried an unreadable light as if she was contemplating.

Crack!

Just then, the sound of an object landing on the ground broke the silence, causing Feng Ruqing to turn her head to look.

Standing not far away was an ugly girl with a disfigured face. No one could see how she looked before her face was disfigured.

But she had a perfect figure, slim and adorable.

"Xiao Ya, you've just recovered from your injuries, why are you out working again? Just let the snow wolf and the others do these things."

For some reason, when faced with this mute girl, Feng Ruqing always had a little pity.

She felt somewhat familiar with this girl that made it impossible for Feng Ruqing not to feel sorry for her.

Xiao Ya was a little panicked as she squatted down, trying to pick up the box of spirit herbs on the ground, afraid that she had just broken the box.

"Xiao Ya..." Feng Ruqing looked at Xiao Ya, who had picked up the spirit herbs and asked, "Did you react like that just now when you heard us mention Land of No Return... Do you know anything about that place?"

Xiao Ya's fingers stiffened. She pursed her lips and nodded.

"You don't want us to go to Land of No Return, either?" Feng Ruqing stared at Xiao Ya and asked.

Xiao Ya froze and shook her head. She bit her lip and pulled out a piece of candy from her pocket.

She pointed at the candy and shook her head.

"Candy?" Feng Ruqing was silent, perhaps thinking again about what Xiao Ya was trying to say. She was somewhat confused. "Candy? Tang? You mean Tang Yin?"

Xiao Ya's eyes lit up, and she nodded desperately.

“You mean, tell Tang Yin not to follow me to Land of No Return?”

Xiao Ya continued to nod. A bit of hope flashed in her eyes.

If Feng Ruqing wanted to leave, Tang Yin would catch up sooner or later...

She did not want her to set foot in that place.

Xiao Ya thought about it and pointed to herself. Her dark eyes were suddenly glowing brightly.

“You want to follow me there? And to tell Tang Yin not to go?” Feng Ruqing walked toward Xiao Ya.

“Xiao Ya, I’ve always wanted to ask a question. Do you and Tang Yin have some kind of relationship? She seemed to act weird the first time you saw her.”

Xiao Ya panicked and hurriedly shook her head.

Feng Ruqing ignored Xiao Ya this time. She walked straight to her side and pulled up her sleeve.

There was an ordinary bracelet on Xiao Ya’s wrist, nothing special about it.

“Xiao Ya, initially, I didn’t want to ask anything more. From the first day you followed me, I knew your identity, this bracelet... Is used to hide the spirit beast’s scent. Even the strongest person can’t detect it.”

Feng Ruqing did not notice it either, but Fu Chen was a spirit herb and was inherently sensitive to smell. Therefore, nothing could be hidden from him.

Xiao Ya panicked even more. Her face turned pale as she took a few steps back.

“And Tang Yin... The Tang family elders told me that she’s a beastman! Xiao Ya, I wouldn’t have asked too much about what you and she were before, but Tang Yin is my friend, and I don’t want her to be in danger.”

Chapter 1432: Feng Wuhui, Tian Ya VII

She cared about Tang Yin because she had been an important person in Feng Ruqing’s life.

She would not let her life be in any danger.

Xiao Ya bit her lip hard, her body trembling.

Seeing her like this, Feng Ruqing felt a little heavy-hearted. She raised her hand to brush the woman’s hair off of her face and sighed lightly. “Xiao Ya, I want to know about Tang Yin, back then... The person who has handed Tang Yin over to the Tang family’s second master, was it you?”

Xiao Ya was startled as she stared at Feng Ruqing for a few moments. The young girl’s face was calmed and gentle... It was something that she could not resist.

Therefore... She nodded.

Nan Xian was standing behind Feng Ruqing all this while. His gaze fixed upon Feng Ruqing’s hand on Xiao Ya’s head. A cold light flashed in his eyes.

'It seems like... It would be better to let Qing'er have less contact with women in the future. If she continues this way... I don't know how many more girls will fall for her.'

"Are you from Land of No Return?" Feng Ruqing continued to ask.

Xiao Ya bit her lip and nodded.

"Is Tang Yin's father... Someone from Land of No Return?" Feng Ruqing remained calm.

Xiao Ya nodded again.

"Then, are you hurt like this because of her father?"

This time, Xiao Ya nodded first and paused for a moment before she shook her head. Feng Ruqing could not understand whether Tang Yin's father had done that to her face.

"The last question, if Tang Yin goes to Land of No Return, will she be in danger?"

She had not forgotten what Elder Tang Yi had said to her.

Tang Yin was a powerful beastman, and if she was captured and double-cultivated, she would definitely be able to boost people's strength.

That was why the second master of the Tang family had set up a seal within her body so that even if she had this power, she could not use it. Only in this way, she could live her life in peace and joy.

After all, the second master of the Tang family was a genius, but it was a pity that he had died too early. Otherwise, he would definitely be as strong as Tian Ya.

Xiao Ya quickly nodded, and this time she nodded harder than ever.

"I see..." Feng Ruqing turned to Xiao Ya. "Do you trust me?"

Xiao Ya was startled and nodded.

She trusted her.

She would trust her forever...

"Okay, since you trust me, I'll unseal Tang Yin before I leave Cang Yue Mainland this time!"

Ever since Elder Tang Yi had said those words, it was not that she could not remove the seal for Tang Yin, but she simply could not bring herself to do so!

Tang Yin was a beastman. Her life would be miserable if people noticed her strength.

Back then, she was not too powerful to take risks. She would always let Tang Yin hide behind her.

But now... Tang Yin's real identity had changed her.

Xiao Ya was silent. She chose to give Tang Yin away because she wanted Tang Yin to be safe and free.

Even more, it was also her request to that human... To set a seal on Tang Yin.

“Xiao Ya, I would not care too much if I didn’t know her origins. But now that I know, I can also see that in the future, Xiao Yin is destined to be in Land of No Return. I hadn’t thought of taking her this time, but she can’t escape since she’s from that place. She’ll return to that place, sooner or later.”

Feng Ruqing looked at Xiao Ya as she continued, “She can’t even fight back or run away if the people of that place come for her. So, why not allow her to improve her strength while there’s still time?”

Chapter 1433: Feng Wuhui, Tian Ya VIII

“She has the power, and I have herbal dishes. I’m confident enough to make her strength grow in a short period of time. Even if she’s not an opponent at that moment, she has a chance to escape instead of being very passive all the time.”

More importantly, no one in Cang Yue Mainland would dare to touch her anymore. So, now was the safest moment, and it would give Tang Yin enough time to improve herself.

In such a short period, she naturally would not expect Tang Yin to grow as strong as she could, but at least... She had to have the strength to escape.

She could protect Tang Yin for a moment, but not for a lifetime. There would always be times when she would be negligent, and Tang Yin could only help her for the rest of her life with her own strength.

This was the truth that she had understood since she came to Cang Yue Mainland.

Xiao Ya was somewhat stunned. She did not hesitate anymore and nodded firmly.

“You can follow me to Land of No Return. You go and get ready. We’ll leave in a few days.”

Perhaps hearing that she would return to that place again, Xiao Ya’s body trembled, but she still turned around firmly and headed down the mountain.

In Land of No Return.

In downtown, there was an ancient manor with live stone lions at the entrance. They stared fiercely at the pedestrians coming and going.

In the hall, an old master was lazily leaning on the rosewood carved chair with a snow-white kitten lying in his arms.

A young man stood at the side with a sword in his hand. He stared at the old master for half a day without moving. After a moment of silence, he asked, “Master... What should we do with that bastard, Jia Xin?”

The old master’s hand jerked the cat. He was dressed in bright red. “That bastard bullied my cat, and I’ll never let him go for the rest of my life! Tomorrow, you feed him some special medicine and find some more women to put in front of him. He can only watch them but can’t touch them! I want him to suffer!”

The young man’s mouth twitched suddenly.

'Master, can you think of some kind of physical torture? Like dripping wax oil, whipping or pinching his fingers...

'The punishment that you have given him... Is too light.

'But...' The young man thought for a while. Maybe it's even crueller to Jia Xin to only see those women but not touch them! Besides, he would have to be fed with the medicine and would be worse off than dead.

"By the way..." The old master Tian Ya finally lifted his head and looked at the young man. "Lianqing, you're not so young anymore, are you?"

The young man was stunned and slightly hesitant. "Master is asking this because..."

"Oh, it's nothing. I see that the little girl of the Helian family seems to be interested in you. If you're not interested in her, you should quickly make it clear to her. But if you're interested, I will set it up for you."

The young man smiled bitterly. "Master, I just want to stay with Master. I'm not thinking about marriage for the time being, and I've already rejected her. Moreover, I've even avoided her, and I'll try to stay away from her without hurting her."

"Alright..." Tian Ya nodded appreciatively. "You are a good man. You know how to make your own decision. If you don't like it, just say you don't like it. It's a pity that I don't have a daughter. Otherwise, if you don't mind her age, I'd like to fix her up with you."

The young man was speechless.

'Master, even if you had a daughter, she would be old enough to be a mother to me, right?'

"I don't know if my bad son has given me a grandchild..." Tian Ya sighed. "If I had a granddaughter, I could set you guys up. It's alright, just forget about it. So what if I do have a grandchild? I can't see them again anyway..."

Chapter 1434: Feng Lianqing I

The young man was speechless.

'Master's granddaughter...

'Uh...'

He could hardly imagine what she would be like.

"Master, if there's nothing else, I'll leave now."

"Alright. You go down first, and don't forget to feed the cat for me." The old master Tian Ya waved his hand and said calmly.

Feng Lianqing did a fist and palm salute and retreated.

Who knew that as soon as he stepped outside the hall, he immediately saw a little girl coming from a short distance away.

This little girl was short but beautiful. Her pair of eyebrows were curved, especially when she smiled, it was like stars in the sky.

“Brother Lianqing!”

Feng Lianqing just wanted to walk away, who knew that the girl saw him at once and smiled even more brightly. She was like a butterfly that could not be caught as she pounced toward Feng Lianqing.

Feng Lianqing hurriedly sidestepped and dodged. “Maiden Helian, please watch yourself.”

“Does Brother Lianqing really have to be so distant to me?” Helian Yue bit her handkerchief and looked at Feng Lianqing with sad eyes.

Feng Lianqing was sweating.

‘Master was right. If I don’t like her, I must stay away from her and not give Helian Yue any hope.’

“Maiden Helian, as a girl, you can not go overboard like this. Otherwise, you will embarrass the Helian family.”

Feng Lianqing felt that his words were already clear enough, and this time, Helian Yue should understand.

But who knew, Helian Yue still walked to his side shamelessly, her eyebrows curving and smiling.

“It’s alright. My grandfather loves me, so he won’t blame me.”

Feng Lianqing was stunned.

‘So that’s why you beat up all the girls in this town?’

‘Including your own cousin?’

However, no matter how vicious Helian Yue was in the world’s eyes, his master would still like her, and even he did not understand why.

“I know...” Helian Yue’s eyes sank, no longer as playful and cute as when she faced Feng Lianqing before. “It must be that b*tch Helian Ying! I saw her trying to hit on you a few days ago. Do you like Helian Ying, and that’s why you rejected me?”

Feng Lianqing frowned. “Maiden Helian, you don’t need to blame anyone else. I just have no intention of being in a relationship, whether it’s you or Helian Ying, it’s no difference to me.”

Only after hearing this did Helian Yue smile widely. “I knew Brother Lianqing wouldn’t like that b*tch. She’s so bad.”

Feng Lianqing was speechless.

‘You’re the one who’s actually bad, aren’t you?’

Of course, he would not dare to say that. Although he did not have any fondness for Helian Yue, he also did not hate her.

He simply had no feelings for her.

Helian Yue snorted lightly. "Brother Lianqing, you are not allowed to let Helian Ying or any other woman come close to you. Otherwise, I will tell my grandfather."

Feng Lianqing was speechless again.

No wonder so many people in the city did not like her. This little girl was really a bit too spoiled.

Fortunately, he did not have a girl he liked right now. Otherwise, with Helian Yue's temperament, she would never let that girl go.

"Maiden Helian, I have other things to do. If you have nothing else, I'll leave first."

Feng Lianqing did not even wait for Helian Yue to reply and hurriedly left.

Helian Yue looked at Feng Lianqing's departing figure and shyly said, "Brother Lianqing must have been shy... That's why he leaves so quickly."

Chapter 1435: Feng Lianqing II

The servant who was following Helene Yue was speechless.

'Young Lady, where did you get the idea that Master Lian Qing is shy?

'He's obviously avoiding you!'

But the servant did not dare to say it out loud.

"Xiao Xiao, let's go. I haven't visited Grandfather Tian Ya for a long time. I brought him a jar of good wine this time. Grandfather Tian Ya will definitely like it."

Helian Yue turned around with a smile. As long as she saw Feng Lianqing, she would be happy all day.

More importantly, she could come and go in and out of Feng Manor as she pleased, but not Helian Ying!

Helian Ying could not even see Brother Lianqing if she wanted to!

It was already dusk.

Helian Yue walked out of Feng Manor. She had just stepped out of the door when she heard a cold voice.

"Recently, I heard that Master Lianqing has been looking for a spirit herb called Flame Fruit. He went to many herbs stores but was still unable to buy it."

"I know where Flame Fruit is... I saw it not long ago when I went to Wood Spirit Mountain. It's at the top of the mountain, but I don't need it. Why don't let Eldest Young Lady Helian know about this? After all, she is in a relationship with our young master."

"Indeed. I also saw Eldest Young Lady Helian and Young Master hugging each other last time. He will definitely be the young lady's future husband."

There were two young ladies in the Helian family.

One of them was Second Young Lady, Helian Yue, and the other was Eldest Young Lady, Helian Ying.

Helian Yue's parents were both from the imperial family, so the master of the Helian family must have favored her a bit more than Eldest Young Lady Helian Ying.

That was why Helian Yue's face changed dramatically after hearing the two guards' discussion.

'That little slut Helian Ying has really hooked up with Brother Lianqing!'

Those two guards had probably just spotted Helian Yue. Their faces turned pale as they noticed her eyes darkened.

"Helian... Second Young Lady?"

Helian Yue's face was cold as she walked toward the two guards arrogantly. She then fiercely raised her chin and said, "No one is allowed to tell Helian Ying about what you have just said!"

The two guards shivered and lowered their heads.

"Yes, Young Lady."

"Good..."

Helian Yue's facial expression returned to neutral as she walked away from the guards.

"Young Lady..."

Xiao Xiao followed behind Helian Yue. "Wood Spirit Mountain is very dangerous. We'd better not go there. If Master finds out..."

"No!" Helian Yue said angrily, "If I don't go, Helian Ying will definitely go as well. I know she also likes Brother Lianqing. I can't let her steal my chance."

"But, Young Lady..."

"I don't care! I'm willing to take even the greatest risk for Brother Lianqing."

The servant was startled. She sighed heavily as she looked at her young lady's determined steps.

'Love really can drive someone to do irrational things...'

In the desert.

A red-figure stood in the middle of the desert, seemingly domineering.

The man next to her was dressed in white, handsome, and stunning.

Like a pair of immortal couples, these two people walked together like a picture of a couple walking together, so harmonious.

"Nan Xian, where is the place that Suyi was talking about?"

This time, Feng Ruqing did not bring anyone else with her.

Chapter 1436: Feng Lianqing III

Besides Fu Chen and Qing Han, she had only brought a mute girl with her. And she had not even told Feng Tianyu where she was going.

After all, from the rumors in the mainland, that place was very dangerous, so she did not dare bring her family with her, not until she found Feng Wuhui and brought him back.

"We are almost there..." Nan Xian looked at Feng Ruqing gently. "Qing'er, when we arrive in Land of No Return... Don't ever leave my side."

"Alright..."

Feng Ruqing responded to him with a faint smile.

Their gazes fell on the yellow sand. The scenery was so beautiful that one could never bear to spoil it.

Across this desert was an icy land, the extreme opposite of the yellow sand just now.

The temperature of the snowy ground was extremely low, making it difficult for even cultivators to enter. It was said that only Holy Warriors could withstand such coldness.

However...

Feng Ruqing looked back at Xiao Ya and found that she did not look any different. A hint of suspicion suddenly flashed in her eyes, and then quickly faded.

No matter what, Xiao Ya was following her with all her heart, and that was enough.

Feng Ruqing would not dig out her past. Everyone had their own secrets, and she had already known what she wanted to know anyway, so she did not need to ask anything else.

As long as Xiao Ya did not betray her... That was all that matters!

"Qing'er, Mother said after walking through here, you will reach a bridge, and if you jump from the bridge, you'll arrive in Land of No Return. You must grab my hand then and don't let go! Only then, we will not be separated."

"Alright."

Feng Ruqing held Nan Xian's hand tightly. Her face was filled with determination, and even her steps were slightly firm.

As expected, she soon saw the bridge.

Under the bridge was a bottomless chasm.

If she did not trust Suyi, she would never have come to this place, not even have the courage to jump off the bridge.

"Xiao Ya..." Feng Ruqing gripped Xiao Ya's arm tightly. "Don't leave my side."

Xiao Ya nodded.

The three of them were already standing on the bridge.

Feng Ruqing slowly closed her eyes, her fingers caressing her abdomen, and only after a moment did she open her eyes.

She and Nan Xian looked at each other and jumped off the bridge together without turning back.

Darkness...

There was nothing but darkness!

It was no wonder no one had found the other path to Land of No Return. It was because no one would ever try to jump off this bridge.

Feng Ruqing could not see where Nan Xian was at all, but the warmth she felt in her hand assured her that the man would always be by her side.

She did not even know how long she had been in free fall after the jump. She only knew that her body would drop with each passing minute...

Wood Spirit Mountain.

On top of the mountain...

A demonic flower stood out, swaying in the breeze.

"Young Lady..."

Xiao Xiao held an incense stick in her hand, and she was about to cry. "The incense stick is running out. What should we do? If those spirit beasts find out, we will definitely die."

Helian Yue had only brought her servant with her without any guards as she did not want the manor master to stop her from coming to Wood Spirit Mountain.

Initially, they had brought enough beast repelling incense so that lower-ranked beasts would not notice them. Unfortunately, they had somehow lost a few incense sticks halfway up the mountain.

The beast-repelling incense that they had right now was enough to hike up the mountain, but it was no longer enough to help them leave this place.

"Hold on. I almost got Flame Fruit."

Helian Yue hooked one hand to the stone, and with the other hand, she tried to grab the red-colored fruit.

She was cautious in her movements, afraid that she would accidentally fall off the cliff.

Chapter 1437: Falling from the Sky I

Fortunately, Helian Yue got hold of the fruit, and she was so happy that she hurriedly plucked it off its branch and steadied her footing.

But the moment she stood firm on her feet, a furious roar suddenly came, causing her to be slightly startled, and she subconsciously looked sideways.

Not far away, a fire lion was rushing toward them angrily. Its eyes were red and bloodshot, cruel and vicious.

Helian Yue's small face was white with fear. She was panicked and quickly took a few steps back, but behind her was a ten thousand feet drop over the cliff. She could not retreat anymore.

"Young... Lady..."

Xiao Xiao trembled hard. She was panicking so much and was on the verge of tears.

The fire lion's gaze was fixed upon Flame Fruit in Helian Yue's hand. Its ferocious teeth carried a cold aura, and in the blink of an eye, it was already in front of Helian Yue.

It opened its bloody mouth wide. Its saliva flowed downward, carrying an unpleasant smell.

Helian Yue's legs trembled nonstop. It was as if her legs had taken root on the ground, unable to move, and she could only watch as the fire lion pounced in front of her...

Right at this moment...

A light flashed in the sky, lighting up the space above her head.

Helian Yue gradually raised her head and looked around. Suddenly, a figure fell from the sky and smashed the fire lion's head.

Puff!

The fire lion spurted out a mouthful of blood. Its eyes rolled up, and it gradually lost its consciousness.

Above the fire lion's head was a girl dressed in a red robe stained with blood. Her brain buzzed a bit as her fingers gently rubbed her temples, trying to clear her head.

'State Preceptor?

'Xiao Ya?'

Feng Ruqing slowly regained her senses.

When she was about to land on the ground just now, there was a force that suddenly came, and to avoid it, she and the state preceptor were forced to let go of their hands. And Xiao Ya... She did not know where Xiao Ya had gone.

'Hmm?'

As Feng Ruqing raised her eyes, she saw a pretty and adorable little face.

The young girl's face was pale, and her lips slightly trembled, pointing at Feng Ruqing, unable to say a word.

Feng Ruqing was slightly startled as she lowered her eyes and saw the fire lion that she had crushed was still unconscious. She looked somewhat uncomfortable.

'Could it be that...

'This fire lion is the little girl's pet? Did I just sit on someone's pet and killed it?

'No way!'

She was not as heavy as Tang Yin, so the fire lion was not dead yet. It was just passed out.

"Is it yours?"

Feng Ruqing stood up from the fire lion's head. She was embarrassed, but her face showed nothing.

"It's okay. It's not dead yet, I can save..."

Before Feng Ruqing could finish her words, the little girl brought out a long sword from nowhere and pierced the fire lion's head.

Feng Ruqing was speechless.

'This girl is so vicious!'

The panic faded from the little girl's face after she stabbed the fire lion to death.

Xiao Xiao was still trembling as she asked, "Young Lady, this is the fire lion! Why would the fire lion, who has been expelled from the lion beast clan for killing the people in the city back then, appear in this place? It scared the hell out of me..."

Helian Yue glanced at Xiao Xiao. "It's just a spirit beast. Look at how scared you are... You'll definitely disgrace me if you go out like this, and Helian Ying will laugh at us!"

She had somehow forgotten that she was so scared just now that she could not even walk and was about to pee her pants.

Helian Yue lifted her chin slightly as she turned to Feng Ruqing. "My name is Helian Yue."

Chapter 1438: Falling from the Sky II

"Oh..."

Feng Ruqing responded, uninterested.

'She's not as cute as Tang Yin, and not as pretty as Yiyi.

'Not interested...'

Feng Ruqing then turned around and left.

Helian Yue was anxious. She looked at Flame Fruit on her hand.

She had not only picked Flame Fruit, but the lotus flower with the roots around it was all pulled out too.

Therefore, she carefully picked off the fruit and put it into her storage bag. She then quickly went in front of Feng Ruqing and handed the flower to her.

"It's for you."

Feng Ruqing looked at the flower in the girl's hand silently before she turned to Helian Yue. "I have a husband. I don't like women, so it's useless for you to confess to me. Besides, I like edelweiss. I don't like these kinds of flowers that are too bright."

Helian Yue's face darkened.

She gritted her teeth. "My grandfather said that a man should know how to repay a kindness. You have just saved me. I can only give you this flower right now, or do you want my Flame Fruit?"

Helian Yue hurriedly hugged the storage bag in her hand.

"No, I want to give this to Brother Lianqing. I can't give it to you."

Feng Ruqing's gaze moved toward the storage bag that Helian Yue was holding. She slowly raised her head to look at the little girl's flat chest.

"You... What are you doing?" Helian Yue's teeth trembled as she tightly covered her chest. "I'm telling you, there's no way I'm going to give myself to you, I... I don't like women either..."

"Oh..."

Feng Ruqing calmly responded. She did not want to say anything more to Helian Yue, but she did take the flower that Helian Yue handed over.

'This is a good item...

'I don't know if the girl is really stupid...

'Taking away Flame Fruit, and giving the most important thing to me.'

With this flower, she could grow as many Flame Fruits as she wanted in the future.

But still, Helian Yue was so generous.

Feng Ruqing took out a bottle from the medium and threw it to Helian Yue.

"Take it. Apply it once before you go to bed. Your breast will grow bigger after a month."

This was the essential oil that Tang Yin had asked her for a long time, and luckily she had one bottle left to give to this girl.

Helian Yue's face was red, but she eventually took it as she thought about her unattractive figure.

For Brother Lianqing... She must take it!

"My grandfather said that we must repay kindness. If this thing you gave me is beneficial..." Helian Yue paused for a moment and took out Flame Fruit again. She carefully scraped the black seeds off and handed it to Feng Ruqing. "So, this is for you."

Flame Fruit was red, but there was a layer of black seeds covering it.

Yes, black seeds.

The seeds of other fruits were inside it, but the seeds of Flame Fruit were outside of it.

Feng Ruqing looked at the black seeds that Helian Yue handed over.

'This girl is foolish.'

If she gave her the fruit's essence, what use was there for the rest of the fruit?

However, since Helian Yue wanted to give it to her, she received it without hesitation.

After a moment of silence, she took another bottle from the medium and threw it to Helian Yue.

"This is a reward for you. It will make you taller."

Helian Yue was anxious. "You can't do this. I don't have anything to give you now! I didn't bring anything with me when I went out, and I have to give this flame fruit to Brother Lianqing. I can't give it to you anymore!"

"Oh, then if you don't want it..."

Feng Ruqing was about to take back the bottle, but who knew that this Helian Yue was so quick to snatch it right away.

Chapter 1439: Falling from the Sky III

She quickly kept the bottle inside her bag. She searched around before realizing that she did not have anything else to give Feng Ruqing.

Therefore...

She looked at the servant beside her.

Xiao Xiao was about to cry.

'Young Lady, just because she says it can help you grow your breasts, doesn't mean it really can, right? She says you can grow taller, but can you really grow taller?

'This woman is lying!

'You don't need to give me to her in return.'

"Young Lady..." Xiao Xiao cried. "I can help you think of how to deal with Helian Ying, and I can also help you watch Master Lianqing. I'm really useful to you."

Only then did Helian Yue reluctantly turn her gaze from her servant. She bit her lip and said, "What about, the next time someone offends you, you come and tell me? I will beat that person up for you... I no longer have anything else I can give you."

For this kind of strong person who could smash a fire lion with her butt, giving her gold and silver was useless. She definitely did not care about it.

Feng Ruqing cocked her eyebrows. "You take care of yourself first. You seem to have offended many people, so I'll leave you alone. Goodbye."

After she said this, she turned around and wanted to leave.

But who knew, countless forces came out of nowhere and surrounded Helian Yue.

"Helian Yue... Finally, we've caught you!"

Among the crowd was an old man.

That old man's white robe was floating in the wind. He looked quite strong with sagelike features.

But his eyes were cold, and his gaze was filled with murderous intent.

"You are..." Helian Yue was somewhat dazed. "You're from the Jia family, right?"

"Hahaha, yes! I am indeed from the Jia family! Your family has bullied many people! You guys have chase after Jia Xin for so many years. Jia Xin is still a disciple of our Jia family, after all. And you should not bully our Young Lady!"

"That's right. Helian Yue, you're so arrogant. Sooner or later, the gods will punish you for us!"

The one who said this was a young man whose eyes were filled with anger and hatred as he stared fiercely at Helian Yue.

Helian Yue took a few steps back. "Fang Hui, are you coming for me as well? Aren't you afraid that my grandfather will go and settle the score with the Fang family?"

"Heh! Helian Yue, you bullied my sister. Did you think I would let you off that easily? Before this, you were always hiding in Wu Shang City, of course, we did not dare to do anything to you. Now that you've left on your own, and after I got the news, I definitely won't let you go back alive."

"Helian Yue, you're so evil. Everyone wants to kill you! Today, none of us will let you go!"

Xiao Xiao was scared to death. She had already warned her young lady that she should not leave Wu Shang City. Her young lady was too domineering before, and countless people wanted to revenge her.

Initially, they thought they could hide from these people, but they still found them in the end.

'It's over...

'This time... We're doomed...'

"Young Lady, you'd better run first. I will settle this." Xiao Xiao was trembling with fear, and she was on the verge of crying.

Helian Yue was also panicking. "How can I run? They're blocking the road, and there's nothing I can do about it."

"Didn't the book say there would be other life opportunities after jumping off the cliff? A lot of people get stronger that way. And maybe a skilled master is waiting for us just below the cliff. How about we try our luck, Young Lady?"

At this moment, Helian Yue could not wait to strangle her servant to death.

'She really wants me to jump off the cliff...'

Did she know that if they were not lucky enough, they might end up dead...

Chapter 1440: Do You Know Jia Xin?

"Helian Yue!"

Fang Hui took a few steps closer to Helian Yue and smiled coldly. "You are here now... You can't escape even if you have wings. And no one will find out if you do die in this place."

The people of the Jia family also approached Helian Yue along with Fang Hui.

And behind Helian Yue was a ten thousand feet cliff.

The little girl's little face turned pale as she clenched her teeth and asked, "How did you know that I'm here? It must be Helian Ying who told you, right?"

Fang Hui laughed. "You don't have to care about how I knew this. You just need to know that you will die today."

Fang Hui rushed forward as soon as he finished his words. His eyes were so fierce, and the long sword in his hand carried a cold light.

Helian Yue was so scared as she trembled harder. She could not even move her legs and could only watch the long sword heading toward her. Despair filled her heart.

Suddenly...

Vines came out from the ground and wrapped around Fang Hui's hand.

He tried to free his hand a few times with great force but was unable to break it. His whole body was firmly fixed to the spot, unable to move.

Fang Hui's eyes were filled with rage, and he was about to growl, but then a figure suddenly arrived and kicked his chest.

Fang Hui's body flew away before falling to the ground helplessly. His bones cracked, and his face turned pale with pain.

But without waiting for Fang Hui to stand up at all, the vines emerged from the ground again and wrapped around his feet, hanging him in the air...

Helian Yue was stunned. She turned her head and saw a red figure flying to her side.

The young girl's fine hair blew in the wind, stunningly beautiful. She held a long sword in her hand, and her eyes were cold.

"Haven't you already left?" Helian Yue was dumbfounded. She did not understand why Feng Ruqing was still around.

Feng Ruqing obviously did not pay much attention to her. She stared at Fang Hui calmly. "Do you know Jia Xin?"

"I..."

Fang Hui's face was red. But before he could say another word, he had been thrown down hard from high in the sky.

He felt dizzy from the fall, and he could not seem to spit out another mouthful of blood as it was stuck in his throat.

"Do you know Jia Xin?" Feng Ruqing asked again, expressionlessly.

Fang Hui quickly lifted his head and was met with the girl's cold eyes.

Her eyes were so cold that he trembled harder. Before he could utter a word of denial, the vines came out of the ground again, lifting him into the air and slamming him down onto the ground again.

This time Fang Hui was slammed down hard. He spurted out a mouthful of blood, almost fainting.

Helian Yue was dumbfounded. She looked at the miserable Fang Hui before turning to Feng Ruqing and said weakly, "Actually... He's not from the Jia family. He's from the Fang family, and the Jia family is the other one."

Feng Ruqing was speechless.

'I have hit the wrong person...'

"Oh, I'm sorry. I've gotten the wrong person..." Feng Ruqing raised her eyes and followed the direction Helian Yue pointed to, seeing the old man in the crowd. "So, you know Jia Xin?"

The old man was cold and arrogant. "Yes, I know Jia Xin. He is a disciple of my Jia family. Girl, I advise you..."

Bang!

Before he could speak any further, a fist met his face, interrupting him.

Feng Ruqing retracted her fist. Her face remained cold. "This time, I didn't hit the wrong person..."
