Chapter 1521: Helian Yue's Protection V

"Helian..."

Helian Yue's eyes were fixed on Feng Lianqing as she asked, "Brother Lianqing, let me just ask you something. Are you willing to kick her out of this place immediately?"

Feng Lianqing was startled and paused for a moment. "When Master returns, he will deal with it."

'That sentence again!'

Helian Yue lowered her eyes to cover the grief in her eyes.

"I know that in Brother Lianqing's heart, I'm no match with Feng Lianyi in any way!"

Feng Lianqing was stunned.

He and Helian Yue had known each other for a long time.

Back then... Their relationship was not like this.

It was even more intimate than with Feng Lianyi.

But ever since Helian Yue had confessed her feeling to him, he had deliberately kept his distance from her, not wanting her to fall deeper for him.

But somehow...

He had treated her like a stranger now.

"I'll just ask one last question..." Helian Yue raised her head and looked deeply into Feng Lianqing's eyes.
"Will you let her go?"

Feng Lianqing was silent.

He knew what was behind this choice...

Only after a few moments did he ask hoarsely, "Yue'er, do you really have to do this?"

'Yue'er...'

It seemed like a long time since that name had been used.

He had not called her that since she had confessed her love to him.

Perhaps... She had taken a wrong step from the start.

Brother Lianqing never had her in his heart, and even if she fought for it, even if she was hostile to the women who came close to him, he... Still would not like her.

"You're defending her; so I can defend Xiao Qing. Is that wrong?" Helian Yue sneered, "I liked you because I liked your determination. I liked your fairness, and I liked your uprightness and boldness. You are the God of War in this world, and you will always be my hero.

"But..." She laughed to herself. "My hero can only live in my dreams. Now, you can't even distinguish right and wrong, so you are no longer the Brother Lianqing, who I once liked."

Xiao Xiao, who was right behind Helian Yue, was speechless.

'Young Lady, don't you feel ashamed to say that?

'Aren't you the biggest disaster in the world? If Master Lianqing were really upright and fair, he would have already punished you for bullying those people in Wu Shang City.

'Oh, and... You also said not long ago that you liked Master Lianqing because of his handsome face... When had he become your hero?'

"Forget it..." Feng Lianyi shook her head. "I'd better leave this place. The people in general manor can't forgive me, nor can Sister Helian. I don't want you to be embarrassed because of me. Big Brother Feng, I'll pack my things and leave, and this servant... Since you've made a mistake, you'll be leaving with me."

Feng Lianyi looked at every blade of grass and tree in the general manor with a bitter smile on her face.

"Enough!" Feng Lianqing snapped coldly. "I said I'd wait for Master to come back to settle this matter, so I'll wait for him to come back. Whether you can stay here or not is up to Master. I won't meddle with this! And I don't care if what happened just now had anything to do with you. She's your servant, so you're responsible for her. There is no way she can stay in the general manor again, and you must also meet Maiden Feng to apologize."

There was determination within Feng Lianyi's heroic brows and eyes. "I understand. My people have committed a mistake, and I admit it! I'll make sure to apologize!"

After hearing this, Feng Lianqing no longer looked at Feng Lianyi. He turned to Helian Yue.

"Young Lady Helian, I will give Maiden Feng an explanation, so don't worry. Maiden Feng has helped me a lot, so I won't let her suffer. Lianyi must kowtow and apologize until Feng Ruqing forgives her!"

However, what surprised Feng Lianqing was that hot-tempered, reckless Helian Yue could become friends with Maiden Feng...

Chapter 1522: All Had Been Dragged In As Coolie I

Helian Yue pursed her lips, and she no longer spoke much. She simply looked, disappointed, at Feng Lianqing.

"I understand."

She sneered and eventually took a few steps back. Without another word, she turned around and left.

Gazing at Helian Yue's departing back, Feng Lianqing somehow felt uneasy as if his heart had lost something...

"I'm sorry, Brother Feng..." Feng Lianyi apologized and lowered her head. "I'm the one who has caused you trouble. It's better for me to leave so that Sister Helian won't misunderstand you again. But I don't know what Feng Ruqing has done to her. Sister Helian obviously hates any woman who gets close to you, but why is she defending her..."

"Shut up!"

Feng Lianqing snapped coldly, turning to Feng Lianyi expressionlessly. "Feng Lianyi, mind your own business. I've forgiven you, and I'll never allow you to make another mistake. If I find out that this matter has something to do with you, even if Master hasn't come back, I'll drive you out on his behalf!"

As soon as he finished his words, Feng Lianqing walked out of the courtyard without so much as a glance at Feng Lianyi.

The sun was warm today, but it still could not warm his cold heart...

East Street, Wu Shang City.

A beautiful courtyard was located here, with small bridges, flowing water, and a hundred flowers in full bloom.

Feng Ruqing leaned lazily on the soft couch. Little Qing Han carefully snuggled into her embrace, afraid that she would accidentally injure the baby in her womb.

"Now that I've left the inn and bought a manor, I don't think anyone should be able to find me for a while."

It was so hard for her to have a few days of leisure...

"Let's go, Little Qing Han. Let's go see how those spirit beasts are doing." Feng Ruqing yawned and stood up from the soft couch smilingly.

"Alright!"

Little Qing Han stood behind Feng Ruqing and followed her out.

Those spirit beasts from the spirit beast mountain were good at their jobs, taking care of the courtyard, and keeping it in order.

"Xiao Qing..."

Suddenly, a familiar voice came out of the courtyard door, making Feng Ruqing's body freeze abruptly.

The moment she turned around, she could see Helian Yue rushing toward her.

Feng Ruqing's face darkened.

Fortunately, Little Qing Han was fast enough, and with a swish, vines came out of the ground, instantly wrapping around Helian Yue's body and hanging her in the air.

"Young Lady!"

Xiao Xiao was terrified, and her face turned pale with fear.

Feng Ruqing glanced at Qing Han and said, "Qing Han, put her down."

"Alright.. "

Little Qing Han was very obedient, and after Feng Ruqing ordered her to, she had released the vines and threw Helian Yue on the ground.

Helian Yue was only dropped from the mid-air, but the fall caused great pain to her buttocks. She looked so pitiful and miserable.

"How did you find me?" Feng Ruqing's face darkened.

She had purposely bought a manor to avoid these people, but she had not expected to be found this soon.

"I've asked the waiter to send someone to follow you," Helian Yue said this as if she had done nothing wrong, not feeling the slightest bit ashamed by it.

Feng Ruqing was speechless.

Helian Yue bit her lip and asked, "Xiao Qing, am I annoying?"

"Well, maybe just a little..."

'Like too clingy...'

She had purposely avoided these people, and they still would not leave her alone!

'Can't I even have some quiet time alone with Nan Xian?'

Chapter 1523: All Had Been Dragged In As Coolie II

Helian Yue's face was pale, and her eyes were overflowing with tears, but she finally managed to endure it with a bitter smile on her face.

"It seems like no one else has truly loved me except Grandfather and Grandfather Tian Ya. Even my uncle, who I used to think was sincere, is only treating me like this because I'm his own daughter, and he feels guilty about it..."

Feng Ruqing rubbed her temples as if she had a headache. She looked down, picked up a spade from the ground, and handed it to Helian Yue.

Helian Yue was stunned. "What's this?"

“With all that time to think about so much mess, why don’t you tidy up my back garden. I’m going to plant some spirit herbs later.”

“Oh...”

Helian Yue was startled at first, but she realized that she had held the spade for some time when she came back to her senses.

“But I’ve never done this kind of work before.”

She was a little anxious.

She had been spoiled since she was a child, and her servants served her everything. When had she ever done this kind of work?

“There’s a first time for everything. You’ll slowly get used to it. Once you know how to do it correctly, you’ll naturally forget those unpleasant things...” Feng Ruqing smiled as she squatted down to pick up another spade and passed it to Xiao Xiao. “This is yours. These spirit beasts will tell you what to do later.”

Xiao Xiao was dumbfounded. So, she and the young lady came here only to be coolies?

Without waiting for them to open their mouths again, Feng Ruqing has already held Qing Han’s small hand and walked away.

“Finally, we’ve found something for them to do, otherwise...”

Feng Ruqing slowly exhaled. Her front foot had just stepped into the room when a heartbreaking scream suddenly rang out violently, making her whole face livid.

“Ahhhh, why are these leopards following Pretty Sister back. My meat doesn’t taste good, don’t eat me, go away!!!”

Feng Ruqing suddenly clenched her fists tightly, and the smile on her face had disappeared entirely. She looked tense, and the air around her turned cold.

In the front yard.

The little fatty was paralyzed on the ground. He had peed his pants, emanating a foul smell.

A big leopard stood in front of him, gazing down at him with a disdainful sneer.

“Aaaahhhh!” The little fatty was crying with fear, tears, and snot streaming down his face. “Someone help me! The leopard is going to eat me. Help me!”

It was hard for him to escape from the spirit beast mountain, but he did not expect to end up in these leopards’ mouths after all.

At this moment, the little fatty’s heart was so cold as if he had already predicted his end...

“Leopard!”

A familiar voice came from the side, causing the leopard to stop moving. He then turned back and looked at Feng Ruqing respectfully. "Master, do you need anything?"

"These people have volunteered to come here to work, so don't waste them. Go get him some shovels and let him work in the backyard too." Feng Ruqing smiled.

She was already having a hard time hiding in this place, and none of these people could let her live peacefully! In that case, she would have to drag them in and make them her coolie.

"Pretty Sister..."

The little fatty still had fear in his eyes, but Feng Ruqing's appearance eventually made him feel better, and he hurriedly pounced at her.

However, the little fatty was not like the snow wolf that would forget things easily. He still remembered...

'Pretty Sister hates men. Don't ever touch her, or you'll be kicked!'

The little fatty was very obedient and stood not far from Feng Ruqing. He looked a bit sad and said, "I went to the inn to look for you, but the waiter said you've moved here. I had a hard time looking for you, and this leopard almost ate me..."

Chapter 1524: All Had Been Dragged In As Coolie III

Feng Ruqing was speechless.

'Who is that waiter? Does he hold a grudge against me? And why did he trap me like this?!'

Feng Ruqing's face changed dramatically. She smirked as she looked at the little fatty.

The little fatty shivered and subconsciously took a few steps back, gazing timidly at Feng Ruqing. He did not understand why Feng Ruqing looked at him like that as he had done nothing wrong.

"Come with me."

Feng Ruqing turned around and walked toward the back garden.

"Alright.."

That little fatty was no longer as arrogant and overbearing as when he first met her and obediently followed Feng Ruqing.

As he reached in the back garden, he suddenly saw the Helian family's young lady, Helian Yue, holding a shovel.

He was stunned and confused.

At that time, Helian Yue had also turned her head and immediately saw the little fatty following behind Feng Ruqing. She jumped up and pointed at the little fatty with the shovel.

"What is this fatty doing here?"

Looking at Helian Yue's livid face, Feng Ruqing shrugged and said, "Same as you."

Helian Yue was puzzled at first, but she seemed to have figured out what Feng Ruqing meant just now. She could not help but stare at the little fatty who was also holding a shovel, startled.

Seventh Prince Qi Yu, who had always been pampered by the emperor and the empress, had always done whatever he wanted. He was arrogant and overbearing. Like her, he was also the bully of Wu Shang City, feared by everyone.

But now, this bully... Wanted to come and work in the backyard with her?

Helian Yue suddenly wanted to laugh because she never thought this fatty would come to this. Hahaha!

"Hurry up and get to work."

Feng Ruqing lazily stretched her body, smiling at the little fatty. "I will come to check on you from time to time."

"But..." The little fatty was hesitant. "These jobs are done by people in the palace. I've never done it before, and I'm not one who can do rough work."

He was the seventh prince of Wu Shang City. How could he do this kind of work that had always been done by a servant?

"I asked you to work so that you can cultivate your temperament. One of you only knows how to chase after men, and the other one has a bad attitude. If you work for me for another ten days and half a month, you might be able to control your temperament."

A snow leopard pushed a chair toward Feng Ruqing.

Feng Ruqing sat down lazily, her body leaning against the chair, looking a little lazy. She smiled as she gazed at the two persons under the sun.

"Oh..."

The little fatty was somewhat dumbfounded, nodding his head. "So Pretty Sister does this all for my own good. Mother is right. She wants me to learn more from Pretty Sister; that's why she had allowed me to leave the palace to come to you."

Feng Ruqing frowned abruptly. "The empress sent you to find me?"

The little fatty nodded honestly, his eyes blinking.

At that moment, Feng Ruqing's face was as black as the bottom of a pot, gritting her teeth. "She sent someone to stalk me in the first place, and I haven't gotten even with her yet, and now she wants to kill me with this kid!"

She just wanted to spend a few days in peace with Nan Xian. She had deliberately chosen such a remote place to hide from them...

But in the end...

A waiter, a lunatic, an empress... All of them would not even let her live peacefully!

Feng Ruqing suddenly smiled.

Somehow, Helian Yue felt that this smile was a little cold and eerie, and she could not help but take a few steps back.

“Xiao Qing, your smile is... A little scary.”

Feng Ruqing recomposed her expression and said, “All of you continue to work, and when you’ve improved your temperament, you can leave.”

Chapter 1525: All Had Been Dragged In As Coolie IV

“Oh...”

The little fatty nodded obediently. ‘Pretty Sister is always right, and since she said it could help prove my temperament, it must be so.’

Therefore, he obediently picked up a shovel before walking to the back garden and shoveling the soil.

“Leopard, you watch them.”

Feng Ruqing yawned languidly. “I’m tired. I’m going to rest for a while.”

She walked to the room after saying this.

The leopard frowned and scanned the little fatty who had almost become its food, drooling again as its eyes were filled with greed.

Seeing its bloodthirsty gaze, the little fatty trembled all over and took a few steps back in fear.

Feng Ruqing could sense something. She stopped in her tracks and said calmly, “Ah Hua, don’t eat it.”

‘I’m still short of coolies.’

Sure enough, Feng Ruqing’s words caused Ah Hua to withdraw its gaze. It walked toward the little fatty proudly. “You two handle this place. I need to take the spirit beasts to plant the herbs.”

“Alright...”

Helian Yue was used to such an attitude from the leopard.

But when the little fatty had been treated like this, he was about to get angry. His eyes suddenly met the leopard’s eyes, and he was so scared that he immediately swallowed back the words he had almost said.

“Alright...”

The leopard saw that these two were indeed obedient, so he did not stay any longer and walked forward proudly.

Feng Manor.

Nan Xian was dressed in white, standing outside the manor with one hand behind his back calmly. He stared at the plaque with 'Feng Manor' written on it. "This should be the general's manor."

The general's manor was not strictly guarded, but Nan Xian did not intend to go in. He was just taking a look on behalf of Feng Ruqing.

After taking a glance, he planned to leave.

At this time, Feng Lianyi happened to walk out of the gate. She immediately saw Nan Xian, who was about to leave. She was stunned at first, but then joy surged to her heart.

"Master Nan Xian, are you here to find me? Why don't you come in and sit? Why are you leaving so soon? Where's your wife? Is she not with you?"

This voice... Was unfamiliar to Nan Xian.

However, he still turned back to look at the woman standing at the main gate of the manor.

The woman was in a snow-colored dress, her eyebrows were thick, and her lips seemed to be curved into a slight, shy smile.

Feng Lianyi looked at Nan Xian's white robe that was also as white as snow. Who knew what came to her mind that had made her face turn even redder. But she did not bow her head like those other shy girls; instead, she looked boldly and directly at Nan Xian.

"Master Nan Xian, why are you alone? Where's Maiden Feng?"

Nan Xian glanced at her coldly. "You know Qing'er?"

Feng Lianyi was stunned, her eyes somewhat blank as she looked at Nan Xian. "Master Nan Xian, didn't we travel together when we were in the spirit beast mountain back then? Didn't your wife come along for the ride?"

Nan Xian frowned and thought for a moment. All he could think of was a blurred face.

It was impossible to recall that person's face.

But after Feng Lianyi had mentioned it, he did know who that person was.

A woman who looked similar to Tang Yin, who had piqued Qing'er's interest!

He did not even clearly remember Tang Yin's face, let alone the one in front of him.

"Well, are you the one who wanted to harm Qing'er?" The wind blew at his sleeves, making him look as calm as an immortal. "I was looking for you, but I couldn't find you. And now you've come to me yourself..."

It was true that Nan Xian could not find Feng Lianyi because... His mind was all a blur, and he was completely unable to remember her face.

Even the name... He had somehow forgotten her name.

Chapter 1526: Helian Yue Has Changed I

Feng Lianyi would still be somewhat happy if she only listened to Nan Xian's last words, but her expression suddenly changed when she recalled his previous sentence.

"Master Nan Xian..." Feng Lianyi took a deep breath. "I think you might have misunderstood me. I didn't want to harm your wife. I was just telling the truth about what happened that day. I can't cover her just because she is your wife. But who would have thought that the emperor and the empress would misunderstand it..."

If it were not because of her, Nan Xian would not have even had the chance to meet the emperor and the empress, and she was not even afraid that Nan Xian would tell them that.

"Master..."

Qing Zhu came out from Nan Xian's sleeve. It looked somewhat annoyed as it rolled its eyes at Feng Lianyi and said, "Didn't that empress come to see Feng Ruqing? Why don't you go ask her if she misunderstood Feng Ruqing..."

Feng Lianyi was stunned. The empress went to see Feng Ruqing... Why? The high noble empress did not have to go by herself even if she had misunderstood Feng Ruqing.

'Ridiculous!

'This damned snake is lying to me!'

"Master Nan Xian, you've misunderstood me. I, Feng Lianyi, have always strived to be a righteous person all my life. I have never done anything against my conscience..." Feng Lianyi smiled bitterly. "But if you really misunderstood me, then I can't do anything about it. I certainly didn't do anything wrong."

Qing Zhu was stunned. It widened its eyes and stared at the shameless girl in front of it. It did not expect her to say these words as if nothing had happened.

Qing Zhu turned its head and saw a young man in a silk robe walk over while waving his folding fan.

Qing Zhu was somewhat familiar with that young man. It seemed like he was the man who had bullied Helian Yue at the inn that day.

Qing Zhu frowned and sneered. "Hey, idiot!"

The young man was still laughing with the person next to him, ignoring Qing Zhu.

Qing Zhu was furious. "I'm talking to you, Fourth Prince! The idiot who bullied Helian Yue!"

The young man turned and looked at Nan Xian.

"Were you the one cursing me just now?"

Nan Xian was stunned.

He silently lowered his head and looked at the snake that came out from his sleeve.

"Stupid! I'm the one shouting at you, not my Master..." Qing Zhu snapped.

The young man followed the voice and saw a small green snake...

The snake looked arrogant, raising its chin to stare directly at him.

"You're insolent!" The Fourth Prince was furious.

"How dare this little snake be so rude to me!"

Qing Zhu smiled. "This woman is bad-mouthing your royal family."

The young man was stunned. He raised his eyes, and his blank gaze fell on Feng Lianyi.

Feng Lianyi was quite beautiful, but unfortunately, she was not his type.

He was more interested in cute little girls...

"What are you talking about?"

Feng Lianyi's expression changed slightly, looking a little frustrated. "Why did this bastard appear here? Damn!"

Chapter 1527: Helian Yue Has Changed II

"Just now, you said that you didn't frame Feng Ruqing in front of the emperor, but the emperor himself was too stupid and misunderstood Feng Ruqing." Qing Zhu smirked.

Feng Lianyi's expression changed immediately, somewhat panicked. "Ridiculous! When have I said such a thing?"

However...

Before Feng Lianyi could explain, the young man's cold eyes were already fixed upon her.

"Are you saying that my father is stupid?"

Fourth Prince was always arrogant and overbearing, bullying women, and committed all sorts of crime.

But he was so loyal to the emperor!

He would not tolerate anyone insulting his father! Especially this little girl from the general's manor!

"I didn't..." Feng Lianyi's face turned pale, and she looked at Qing Zhu with eyes filled with hatred.

Fourth Prince sneered. "Feng Lianyi, call Feng Lianqing out! The people of the general manor are revolting! I'll report to the emperor about this and tell him that you are trying to plot a rebellion!"

Feng Lianyi panicked. She was just thinking of defending herself in front of Nan Xian. How could it have escalated to the general manor trying to plot a rebellion?

If the general knew about this, he would definitely not let her go!

"Fourth Prince..." Feng Lianyi smiled forcibly. "It was Master Nan Xian and the others who have misunderstood. I didn't insult the emperor like that; it's just that they had some misunderstandings about me before. I just wanted to explain a bit. I didn't mean anything by it."

Qing Zhu nodded. "Hmm, so you just told the emperor that Feng Ruqing was only there to remind Feng Lianqing that he had gone the wrong way, causing him to be angry and drive that little fatty away?"

Fourth Prince's expression looked much better as he heard the words 'little fatty'.

The snake had just addressed him as Fourth Prince...

And the three words 'that little fatty' had made him happy.

To him, Wu Shang City only needed one prince.

The empress was the little fatty's mother, and she had always given the Fourth Prince a hard time. Therefore, he was not in a good relationship with that little fatty, but he did not dare to go against him openly.

Therefore, Qing Zhu's disrespect for the little fatty made him feel happy, so happy that he wanted to laugh out loud.

"That's right. At that time, you told Father that it was Feng Lianqing who harmed the little fatty, right?"

Feng Lianyi's face was pale, and her lips were trembling.

Facing Nan Xian, she could still tell a few lies, but the one standing in front of her now was Fourth Prince.

If Fourth Prince told the emperor about this, her life would be miserable.

"Fourth Prince... I didn't mean that." Her voice was trembling.

"Then, what did you mean?" Fourth Prince's face was livid. "Is it really my father's fault? Feng Lianyi, I will definitely tell Father that the general manor is plotting a rebellion, and you'll see what will happen to all of you."

Nan Xian looked at Qing Zhu with a cold, expressionless face.

Qing Zhu quickly got back into Nan Xian's sleeve.

'Oh, no! Master is angry.'

The general of the general manor, Tian Ya, was most likely the princess's grandfather, and if he were dragged down because of this matter, its master would definitely chop it up.

Nan Xian's method of dealing with the situation was simple and straightforward.

He waved his sleeve, and with a boom, Fourth Prince's body was violently lifted and thrown into the middle of the street.

Chapter 1528: Helian Yue Has Changed III

Fourth Prince was stunned.

He did not understand what was happening and looked at Nan Xian angrily.

He was so angry his whole body burned with rage.

"You..."

Bang!

Nan Xian raised his hand again, causing Fourth Prince to roll on the street a few times like a ball until he disappeared...

Feng Lianyi was shocked. She slowly raised her head, her gaze fixed upon Nan Xian.

Her heart was beating so hard that it seemed like it was going to jump out of her body, making her face blush.

'Was Master Nan Xian... helping me just now?'

Even if the one who wanted to harm her was his pet snake, did Master Nan Xian ultimately choose her?

Feng Lianyi smiled and slowly walked toward Nan Xian.

She wanted to lean into him more, she wanted to feel his breath...

She wanted to... Embrace him...

He had just kicked the prince away to save her.

"Thank you..."

Boom!

A powerful force came slamming into her chest, sending her flying away. Her eyes were filled with shock and confusion...

"Too close, gross."

He could not tolerate anyone standing too close to him except for Feng Ruqing.

It was a feeling that made him feel nauseous.

Bang!

Feng Lianyi fell from the sky and into the courtyard. Her mind was blank, clearly not understanding what was happening now.

He had just saved her...

Feng Lianqing had sensed that something was up and walked out of the manor. He frowned as he saw Feng Lianyi lying on the ground helplessly. He then looked at the gate and saw a man dressed in white and looked as cold as the moon standing in front of the manor.

He suddenly turned back to Feng Lianyi and said coldly, "Feng Lianyi, have you forgotten what I once said to you?"

Feng Lianyi pursed her lips lightly as she covered her scuffed arm and stood up from the ground, her face filled with frustration.

But when she looked up at Nan Xian, she suddenly realized that Nan Xian had already turned away. He never looked at her from the beginning.

At this moment, her heart was cold as if she had fallen into a trough, and coolness invaded her heart.

“Feng Lianyi!”

When Feng Lianqing saw Feng Lianyi still in that state, he was angry. His gaze was cold and stern. “I have said that what is not yours won’t be yours no matter what. Why are you so persistent about it?”

Feng Lianyi was slightly startled, which was why she turned to look at Feng Lianqing, disappointedly.

“Big Brother Feng, we’ve been together for years since we were kids, and you’ve never trusted me, right?”

Feng Lianyi looked tense.

“That’s right. I did make a mistake at first because I was jealous of her, and at the same time, I wanted to save you, so that was all I could do!” Feng Lianyi sneered. “But when it’s clear that I didn’t compel Sister Helian to trouble her, you still doubt me!

“I’m not even doing anything now!” Feng Lianyi raised her head; her face was cold. “I don’t know what Maiden Feng has told him that made him do that as soon as he saw me. I didn’t even have time to say a word to him.

“And you... When you show up, you lecture me! They’re the ones who made this mess. I grew up with you. I am your childhood friend. You haven’t even listened to my explanation, but you’re already so sure that I did it!”

Chapter 1529: Helian Yue Has Changed IV

Feng Lianyi laughed bitterly as tears flowed from her eyes.

“Mistakes... Committing it once is enough. I won’t commit it for the second time. Besides... I was in love with Master Nan Xian before. He is the most beautiful and gentle person I’ve ever seen, but he has given his heart to Maiden Feng. How could I still be a shameless woman to go to him again?”

Feng Lianqing remained silent, but he did not look as angry as before.

“Big Brother Feng, if you feel that the things I’ve done before can’t be forgiven, I’ll just leave. Why do you all have to be so aggressive toward me? It is already like this with Sister Helene. Now it is the same with you! I, Feng Lianyi, still have dignity. How can I live under your suspicious eyes? Don’t I have a shred of dignity?”

Her voice hysterical, and her face was full of anger.

Feng Lianqing spoke. “I won’t ask any more questions about today’s matter. Feng Lianyi, I only hope that you can remember my words and don’t expect anything of him. I have long seen that Master Nan Xian’s eyes are all on Lady Nan. He has no desire to look at other women, and she is no longer a maiden, you have to call her Lady Nan!”

Feng Lianyi’s body stiffened slightly. That name... She could not say it no matter what.

But seeing Feng Lianqing's cold face, she reluctantly said, "I know."

"Well..." Feng Lianqing's face was cold. "Have you gone to Lady Nan to apologize?"

Feng Lianyi's face was livid as she clenched her fists tightly. "No..."

As expected, Feng Lianqing's face grew colder. "What did you promise me?"

Feng Lianyi was a bit embarrassed; she exhaled slowly and continued, "I have no way of going there because she has moved away from the inn. I don't know where she has gone."

"Oh..." Feng Lianqing responded faintly, "I've already made inquiries. The waiter said that she has moved to a manor on East Street. I'll tell you her exact location later. You go find her and apologize!"

Feng Lianyi's fists tightened; her nails dug into her palm.

She was silent for a moment before she said, "It's already late. I'll go to her tomorrow."

When Feng Lianqing looked at the sky, it was indeed already dark, so he did not say anything more.

After all, Feng Ruqing still needed to rest, and it was too late to disturb her!

"I heard Lady Nan has good self-discipline. She will wake up early, so you will go to her first thing in the morning and be sure to apologize before you return. You can't come back until she has forgiven you."

"Alright..." Feng Lianyi responded expressionlessly.

She lowered her eyes to hide the resentment and anger in them.

Feng Lianqing said no more and walked out of Feng Manor.

Today... It seemed that he was indeed a bit harsh to Helian Yue. After all, Helian Yue had helped Feng Ruqing, and with Feng Ruqing, he always had an innate fondness for her.

Therefore, it was better for him to go to Helian Yue to apologize before that girl reported him to his master.

Feng Lianqing smiled bitterly. He was not this distant with Helian Yue back then, but Helian Yue confessed to him and made things awkward.

He had only ever treated her like his own sister and bore no other feelings for her.

Chapter 1530: Helian Yue Has Changed V

He did not want to give her any hope. Therefore, he could only keep a distance from her.

Unfortunately, Feng Lianqing had waited all night outside Helian Manor, but Helian Yue still did not return home.

He was afraid that Feng Lianyi would cause trouble to Feng Manor again, so he could only return to Feng Manor first.

The next morning, he came to Helian's Manor, hoping that it would make him look more sincere to apologize so that Helian Yue would not complain to his master.

Initially, he thought he would have to wait for a long time for Helian Yue to leave the manor, but who knew that not long after he had arrived at Helian Manor, he saw a girl with a servant sneakily coming out of the gate.

Of course, the guards guarding the door would not stop her.

But she quietly slipped out, and her little face was filled with joy.

When Feng Lianqing saw Helian Yue, he was delighted and called out, "Young Lady Helian."

This voice was familiar to Helian Yue.

If it had been in the past, she would have definitely pounced over excitedly.

But this time, she just calmly looked back at Feng Lianqing and smiled...

"Brother Lianqing, why are you looking for me?"

Feng Lianqing smiled faintly, "I just want to apologize to you for what happened yesterday. Young Lady Helian, are you free now?"

"Oh, I'm not." Helian Yue rejected without hesitation.

She still had to take care of Xiao Qing's herbs garden, so how could she have time to pay attention to him?

Feng Lianqing was stunned.

He suddenly felt like Helian Yue was different today.

"Is Young Lady still mad at me? I knew that you were protecting Lady Nan yesterday. I've also warned Feng Lianyi. She will not dare to do so again. Besides, I will always be on Lady Nan's side."

Helian Yue laughed and shook her head. "Brother Lian Qing is overthinking. I won't complain to Grandfather Tian Ya that you are helping Feng Lianyi. I'm not that kind of person now. You don't have to worry too much and don't have to come to me. I'm really busy and don't have time now!"

Feng Lianqing was confused.

Helian Yue was busy?

As the eldest daughter of the Helian family, she had no work to do. What could she be busy with?

Furthermore, Helian Yue would always put him first, but why was she rejecting him now?

Feng Lianqing stared at Helian Yue dumbfoundedly.

"Xiao Xiao, let's go. Xiao Qing is still waiting for us."

Helian Yue quickly pulled Xiao Xiao and walked away. She did not give Feng Lianqing the chance to stop her again. Her figure quickly disappeared under the morning light.

Early in the morning.

Feng Ruqing was sleeping deeply and comfortably in her bed.

But noisy sounds came from outside the door, waking her up.

“Who the hell is disturbing my sleep so early in the morning?”

Nan Xian slowly opened his eyes and pulled the girl into his arms. “Shall I go take a look?”

“No need...” Feng Ruqing rose from the bed and took the clothes in her hands. Her face darkened. “I want to see myself who is so immoral to disturb a pregnant woman’s sleep!”

Nan Xian looked at Feng Ruqing’s face.

Never disturb a pregnant woman’s rest, or else... that person who bothered the pregnant woman would face a miserable end!

Fortunately, he had slept well at night and was very restrained in the morning; otherwise, the first miserable person would definitely be that person making the noise.

After Feng Ruqing had finished putting on her clothes, she came out with a livid face. Her eyes were cold.

She saw Helian Yue standing in the doorway from afar, not knowing what she was arguing with someone about. She was so loud that... Feng Ruqing’s face darkened even more.
