

## Overbearing 1641

### Chapter 1641: Not As Good As Him IX

Feng Ruqing held her head and rubbed her temples.

“Mother...” Qing Han lifted her cute small head. “Sister doesn’t seem to like Father. She keeps cursing him. Did Father do something wrong to her?”

Feng Ruqing looked a little embarrassed. “Well, it might be what happened a few days ago... We tried to make a baby.”

Qing Han’s eyes went blank. ‘Tried to make a baby? Don’t you already have a little sister? Why did you still want to make a baby?’

“We might have accidentally disturbed her sleep. It’s alright. She won’t remember anything after she’s born, much less this incident.”

Feng Ruqing would never have thought that the little brat was cursing because Nan Xian had stopped her from absorbing the spiritual qi.

The mainland had lost one talented man...

Of course, Feng Ruqing was even more unaware that this little brat was so evil and was holding a grudge...

“Qing Han, let’s go. Let’s freshen up and go to General Manor. There are some things that we need to settle with them.”

\*\*\*

General Manor.

Tian Ya could not sleep after Feng Ruqing was taken away by Nan Xian yesterday. His eyes reddened.

No one in the banquet hall dared to leave. They simply stood timidly on the side.

It was not Tian Ya who did not let them leave, but the countless spirit beasts were surrounding the banquet hall, making it impossible for them to leave.

Feng Lianyi had almost bled dry, and in one night, she had become so thin and weak that her appearance was quite heartbreaking.

Liu Yi kowtowed for a whole night. His head was still on the ground. It was not because he did not want to lift up, but Tian Ya’s rage was so overwhelming that there was no way for him to lift his head...

“Hey, kid...”

Tian Ya turned around and asked again, “Is my precious granddaughter going to be okay? Is that guy going to save her?”

“Mother is strong...” Fu Chen lifted his chin proudly, “A mere soul can’t hurt her.”

“But...”

No matter how powerful she was... She was his granddaughter. How could he not worry?

Tian Ya’s bloodshot eyes turned to look at Liu Yi. “Liu Yi, I’ll spare your life if my granddaughter can wake up. But if she never wakes up... I’ll crush your bones! I’ll kill you!”

Tian Ya did remember Liu Yi’s deeds.

Liu Yi followed him for so many years. He would punish him according to military regulations if he made a small mistake.

But now...

Liu Yi had hurt his granddaughter!

No one could smile, forgive and forget after a loved had been hurt and almost died.

No matter how important a subordinate was, it was nowhere near as important as a loved one!

Liu Yi bit his lip hard. After kowtowing the whole night, his pain was not in the knee but in the neck, that was about to break...

But facing General’s fury, he did not even dare to breathe loudly, let alone beg for mercy.

Feng Lianyi was much calmer. She sneered as she thought that Feng Ruqing couldn’t wake up and live in her body again!

‘Nope!’

‘She won’t die, but her body will never be hers again!’

‘Hahaha!’

Thinking of how miserable Feng Ruqing’s life right now... Feng Lianyi wanted to laugh out loud. If she could not escape this calamity, she would drag Feng Ruqing and let Feng Ruqing suffer the same pain as her!

As for Tian Ya...

She had followed him for so many years and had been with him on a few battles!

In the end, he still treated her like this...

### **Chapter 1642: Grandfather and Granddaughter Reunite I**

Feng Lianyi laughed sarcastically. Perhaps today’s ending was something she had not expected anyway...

“Feng Lianyi, you still don’t know your mistake by now?” Tian Ya’s gaze toward Feng Lianyi became more and more disappointed.

He took Feng Lianyi back then and kept her with him only because he felt pity for her.

But after this girl had grown up, she started to reveal her selfish and mean nature. He had taught her a lesson and scolded her. She was so well-behaved in front of him, but behind his back, she was so vicious...

“Grandfather Tian Ya...” Helian Yue stood up from her chair and sneered. “She never learned from her mistakes. Never! The same goes for Feng Lianqing.”

Feng Lianqing’s legs trembled in fear, looking up at Helian Yue.

Helian Yue clenched her fists tightly, and her eyes were filled with anger and hatred.

Yes, she hated Feng Lianqing this time.

If... Feng Lianqing had listened to her early on and kicked Feng Lianyi out, there would not have been what happened today, and Xiao Qing’s life would not be in danger.

She could not do anything but wait for her here.

Tian Ya withdrew her gaze and turned to Feng Lianqing, scaring Feng Lianqing so much that he could barely stand.

“Master... Master, listen to my explanation. I’m innocent.”

“Grandfather Tian Ya, Feng Lianqing is also responsible for what has happened to Xiao Qing.” Helian Yue’s small face was filled with anger. “I was so foolish back then, so fond of Feng Lianqing. Feng Lianyi had deliberately sent someone to frame Xiao Qing in front of me, saying that Xiao Qing was seducing Feng Lianqing. Hehe, my Xiao Qing is such an excellent woman. Why would she have fallen in love with Brother Lianqing? If I hadn’t already known Xiao Qing, I would have hurt her as Feng Lianyi wished.”

‘Xiao Qing is so beautiful, and she has such a good looking and excellent husband. She doesn’t want Feng Lianqing. It’s only me, being crazy about him for years.’

In the end, he chose Feng Lianyi...

“But, Feng Lianqing didn’t even listen to me. He said Feng Lianyi was innocent! If we had kicked Feng Lianyi out back then, Xiao Qing would have been fine at all!” Helian Yue turned her head to look at Feng Lianqing. She walked toward the man angrily. Her voice was no longer as shy as before; instead, it carried rage. “If it weren’t for you, Feng Lianyi would not have the chance to hurt Xiao Qing. It’s all your fault. I hate you!”

Feng Lianqing was slightly startled. He raised his eyes and met the young girl’s eyes that were filled with anger.

The young girl’s gaze was like a needle that pierced his heart.

He had no intention of being in a relationship all these years and had always wanted to keep Helian Yue away from him, but now he felt so uncomfortable.

Perhaps... He just wanted Helian Yue to stop chasing after him, but he did not want her to hate him...

The corners of Feng Lianqing’s mouth twitched. He wanted to say something, but all the words seemed to be stuck in his throat, unwilling to come out.

“Hehe...” Feng Lianyi sneered. She covered her broken arm and stood up from the ground with sarcasm in her eyes. “Helian Yue, don’t you understand yet? Feng Lianqing never cared about you!”

Since just now, Feng Lianqing had not said a single word on her behalf.

If Feng Lianqing had been willing to plead for her, perhaps Tian Ya would not have broken her arm.

Just because he had done nothing, it made Feng Lianyi’s heart fill with hatred.

She was suffering, and she wanted Feng Lianqing to suffer too.

### **Chapter 1643: Grandfather and Granddaughter Reunite II**

He owed it all to her!

“You shut up!” Feng Lianqing was furious and looked sideways at Feng Lianyi.

Feng Lianyi sneered. “Helian Yue, Feng Lianqing will always trust me, not you. If it weren’t for the fact that Feng Ruqing is General’s granddaughter, who do you think he would be on the side of now? Do you think he would care about you? Funny, you’ve always been so bad for him! He said from the start that he would rather believe one word of my argument than a hundred of yours.”

“Feng Lianyi!”

Feng Lianqing clenched his fists tightly. “If you speak nonsense again, don’t blame me for being rude!”

“I’m already in this state. What more do I have to be afraid of? Helian Yue, you can ask these people, who in this world would like someone like you? You think Feng Ruqing is the best in the whole world just because she’s been nice to you! This shows how much you lack affection...”

Snap!

Feng Lianqing raised his hand and slapped Feng Lianyi.

Feng Lianyi’s broken arm was already hurting beyond everything, so she could no longer feel the pain on her face.

Her hair fell in disarray. Five fingerprints were left on her pale cheek, which soon turned red.

“Hehe...”

A low laugh, accompanied by that mocking voice, echoed through the hall.

“Am I right? Feng Ruqing treated her nicely because she felt pity for her, and Helian Yue was so after her. A girl without a father and loved by no one... Everyone hates you, Helian Yue.”

The banquet hall was silent.

In fact, what Feng Lianyi said was true. No one in Wu Shang City liked Helian Yue. She was too overbearing, and she often fought with other people. There were countless young masters and young ladies in the city who had been beaten up by her.

But no one dared to touch her because Helian Yue’s grandfather was the old master of the Helian family.

Helian Yue's eyes were red as she bit her lip hard.

Those people had feuded with her a long time ago...

They looked down on her for being an orphan.

She had her grandfather backing her up, so why did she have to be afraid of them? She could not stand when those people talked bad about her and tried to snatch Feng Lianqing from her... That was why she beat them up.

So what if she was arrogant?

Because of her arrogance, no one in Wu Shang City had dared to call her fatherless or motherless again.

One could not just stand still when being bullied by others. That was why she beat them up until they were too scared to bully her again!

"Helian Yue, Feng Ruqing is only pretending to like you. No one in this world will truly treat you as a friend..."

Boom!

Suddenly, a powerful force came from the doorway and landed violently on Feng Lianyi's body, sending her flying out like an arrow from a string.

Her body was already so weak. After crushing against the wall again, she spat another mouthful of blood, unable to say a word anymore.

The crowd turned to look at the entrance of the banquet hall.

The morning light was so bright.

A red dress stepped in through the door overbearingly.

The woman was so beautiful.

Her big belly did not affect her beauty but made her look even more stunning. She had an overbearing aura that was a little suffocating.

Not to mention the men present, even the girls could not help but be amazed by her beauty.

### **Chapter 1644: Grandfather and Granddaughter Reunite III**

"What do you mean I'm pretending to like her?"

Her gaze passed through the crowd and landed on Feng Lianyi, who was covered in blood.

Feng Lianyi raised her head and looked at the women dressed in red in horror. She trembled as she bit her lip hard.

'Impossible!

'There's no way Feng Ruqing is still alive!

'This person is not Feng Ruqing. It must be that soul that has possessed her body!'

Helian Yue seemed to be worried about this too and stood a short distance away, looking at Feng Ruqing timidly.

She was a little afraid to step forward. Her eyes were full of worry.

“Xiao Qing?”

‘Is she Xiao Qing? Or maybe it is another person...’

Until the man in a snow-colored robe followed, shielding her from the dazzling morning light with his hand. He pulled her into his arms and smiled gently. “Qing’er, why are you walking so fast?”

It was only at this point that Helian Yue heaved a sigh of relief.

She knew Nan Xian. He would not be close to that woman if she were not Feng Ruqing.

Feng Lianyi trembled. Her heart felt like it was tightly squeezed by a hand, and it felt somewhat difficult to breathe.

‘Why...’

‘Why is she still alive?’

‘Why has God been so kind to her?’

Tian Ya looked at the woman walking in through the door, tears suddenly falling from his eyes.

‘Thank God, she’s safe and sound...’

Otherwise, he would never be able to forgive himself in his life.

Liu Yi was also visibly relieved the moment he saw Feng Ruqing.

‘Fortunately, nothing happened to her, so... Will General forgive me?’

Feng Ruqing sneered as she walked toward Feng Lianyi. “Tsk, who did this to Feng Lianyi? Even your arm is broken.”

The crowd somehow felt that Feng Ruqing was enjoying this scene...

“It’s so cruel. We should be gentle.”

‘Gentle...’

The little fatty, who heard this, was a bit stunned, and he suddenly recalled the day he first met Feng Ruqing.

She also said to be gentle with him...

But in the end...

She just hung him up and smacked him hard.

This woman could never be gentle!

Liu Yi's eyes lit up, and hurriedly crawled in front of Feng Ruqing. "Young Lady, Maiden Lianyi doesn't know anything before she offended Young Lady. Please let her go."

Feng Ruqing glanced at Liu Yi coldly. "You're quite annoying, but I have a friend who wants to meet you."

'What?'

Liu Yi was stunned. 'A friend? Who is it?'

"Little Soul."

Feng Ruqing called faintly.

As soon as her voice fell, a soul suddenly appeared in front of her.

Feng Ruqing just realized that Little Soul did not have to stay in the black sword. He could appear at any time, but because of the black sword, his strength was limited and...

Feng Ruqing still could not take the black sword out of her dantian.

"Liu Yi!"

The man's eyes reddened as soon as he saw Liu Yi. It could be said to be a meeting for enemies. The atmosphere was filled with anger. "I will kill you! I will kill you!"

He roared and lunged at Liu Yi.

#### **Chapter 1645: Grandfather And Granddaughter Reunite IV**

If it was not for this bastard Liu Yi, he would not have met the Ninth Emperor again and... He would not have to become a sword spirit.

Liu Yi was dumbfounded, staring dumbly at the man rushing toward him. Before he had time to react, a sword light had already pierced his chest.

He looked down and saw that there was a large hole on his chest as blood spilled from it. Soon, his body fell backward with a thud... into a pool of blood...

The others were also dumbfounded. No one had thought that this soul that had been screaming to kill Feng Ruqing last night, had been subdued by her in the blink of an eye?

Of course, the others were shocked, but for Feng Lianyi, it was a bit too much for her to bear.

Her eyes stared wildly at Feng Ruqing, and her voice was hysterical. "Why does god always favor you so much? You have such a perfect husband and even a general's granddaughter. Why should you even own this soul? Why is god so unfair?"

Feng Ruqing lowered her eyes and smiled, "No. It's because god is fair that he makes you like this."

"FENG! RU! QING!"

“I’ve told you, don’t shout my name like a crazy woman. I don’t like women.”

Feng Lianyi was so angry that she almost fainted. Her face sunk, and her eyes were filled with hatred as she stared at Feng Ruqing.

“Qing... Qing’er?”

An old voice came from behind Feng Ruqing.

Feng Ruqing turned her head. She stared at the old man for a moment and suddenly said, “Oh, aren’t you the old master who exchanged the jade for my wine to drink?”

This time, Feng Ruqing no longer called him an old man as she did before.

Tian Ya was a little anxious. “What old master? I’m your grandfather! Didn’t that bastard Feng Tianyu tell you about me? I’ll kill him later!”

Actually, from the moment Feng Lianyi took out the jade stone, Feng Ruqing had already guessed some things in her heart.

‘There is no such thing as a coincidence in the world, and that jade necklace is proof that the old man is Tian Ya...’

Now all her guesses were right after hearing Tian Ya’s words.

“He has mentioned you.”

Tian Ya smiled. “Is that brat complaining about me all day long? Did he think I left Liu Yun Kingdom to him and go travel on my own?”

“No...” Feng Ruqing shook her head. “He doesn’t have time to complain about you.”

‘No time?’

Tian Ya was shocked.

‘Is he busy with the kingdom’s affairs? Impossible...’

“Father has been busy looking for Mother all these years, and he has never had a good day. He almost lost his life.”

Tian Ya frowned. “What happened?”

“I’ll tell you after we’ve settled things here...” Feng Ruqing turned to Feng Lianyi, smilingly. “Feng Lianyi, you don’t have to worry. We’re all civilized people. We don’t fight and kill every day.”

Somehow, after hearing these words, the little fatty could not help but tremble.

He subconsciously hid behind the empress.

‘Hmm...’

‘Pretty Sister is more frightening and fierce when she talks about being civilized...’

“What are you going to do?” Feng Lianyi gritted her teeth to endure the pain.

Feng Ruqing squatted down and smiled. "I'm a woman. What can I do to you? I've always been reasonable, so..."

Boom!

Feng Ruqing lifted her foot and kicked Feng Lianyi, crushing her against the wall.

The entire wall caved in, proving just how powerful her kick was...

### **Chapter 1646: Settling The Score I**

Feng Lianyi coughed out a mouthful of blood. Her face was twisted in agony.

She was already severely injured, and no longer even had the strength to speak.

However, Feng Ruqing did not stop. In a flash, she was already in front of Feng Lianyi, picking her up from the ground, and bringing her knee to Feng Lianyi's abdomen.

Poof!

Feng Lianyi spurted out a mouthful of blood and fell to the ground helplessly.

Of course, all of this was just the beginning.

Countless vines suddenly appeared on the ground, hanging Feng Lianyi in the air, and those vines were like whips, violently snapping at her body.

Feng Lianyi, who clearly had no strength left, stared at Feng Ruqing fiercely, as if she was using all her strength to show her rage. "Feng Ruqing, you will get your retribution sooner or later!"

She did not understand why Feng Ruqing tortured her to such an extent.

"Feng Lianyi..." Feng Ruqing stared at Feng Lianyi and smiled. "I'll ask you a question, and if you answer me truthfully, I'll let you go."

Feng Lianyi gritted her teeth as her eyes were filled with resentment and bitterness.

Feng Ruqing continued, "I heard Feng Lianqing mention that you are an orphan?"

"Oh..." Feng Lianyi laughed. "Orphan or not, this matter has nothing to do with you! Feng Ruqing, I wouldn't let you go even if I were a ghost!"

Feng Ruqing shrugged and sighed lightly.

As expected...

Feng Lianyi hated her so much, and she would rather suffer such torture than answer her correctly.

Since that was the case... Then, there was nothing she could do about it.

Swish!

Countless long swords appeared in the air, floating in front of Feng Ruqing.

All of these long swords were filled with a faint coldness that was so frightening.

“Since you don’t want to answer my question, then I can only-”

Boom!

Before Feng Ruqing could finish her words, a powerful force suddenly exploded behind her and headed toward her.

“Qing’er!”

Tian Ya’s face changed dramatically. He just wanted to go to Feng Ruqing’s side, who knew that there was a man who was one step faster than him who had pulled Feng Ruqing to his side.

The force was like a long sword, cutting off all the vines behind Feng Ruqing, causing Feng Lianyi to fall from mid-air.

A woman in a long blue dress leaped in swiftly and dragged Feng Lianyi to her side.

The woman veiled her face, but Tian Ya somehow felt that this woman’s fragrance seemed familiar, as if he had smelled it somewhere before but could not recall it...

Amid his hesitation, the woman in blue dress had already rushed outside of the banquet hall with Feng Lianyi.

Her palms were so strong and fierce that she had pushed the guards blocking the doorway in just an instant, and in the blink of an eye, they had lost track of her.

Tian Ya was stunned.

A few moments later, fury surged to his face.

“Someone has dared to come to General Manor to save the culprit!”

He ruffled his long sleeves and was about to chase after them.

However, before he could step out of the banquet hall, a calm voice sounded from behind him, stopping him.

“You don’t need to rush to chase after her. Someone is already following her.”

Tian Ya was slightly stunned. He stopped in his tracks and looked at Feng Ruqing, confused. “Someone is already chasing after them? When did that happen? Why haven’t I seen that?”

## **Chapter 1647: Settling The Score II**

Feng Ruqing yawned languidly. “Old Master, do you know who Feng Lianyi is?”

Tian Ya touched his head blankly. “Oh, I remember that she was being chased by the Nan family. The Nan family and I have never dealt with each other, so I rescued her. Regarding her background... It seems like her family abandoned her, but I did not ask much. Anyway, her family has never come for her even after so many years.”

Feng Ruqing fell silent.

“Qing’er, why are you asking about her background? Do you want to kill her family? Qing’er, if this is what you want to do, just tell me so I can prepare my army and set off with you.” Tian Ya sneered, “No, I’m going to dig up her ancestors’ graves!”

Qi Fang, Feng Lianqing, and all the people present were stunned.

Tian Ya was regarded as a man of integrity, but what had happened to him now?

He was going to kill Feng Lianyi’s family only because of the mistakes that she had committed...

And he was going to dig up someone’s grave!

Feng Lianqing supported his forehead, somewhat embarrassed. He did not want to admit that this old man was his master...

“Little Qing’er, I’m glad you’re alright...” Tian Ya smiled as he walked toward Feng Ruqing. Suddenly his old face sank. “Wait! Who the hell got my precious granddaughter pregnant?”

Nan Xian pulled Feng Ruqing into his arms. “It’s me.”

Tian Ya’s face showed mixed feelings.

He thought about last night... He was actually scared of this man and had allowed him to leave without daring to chase after them.

This was the shame of his life!

“Did I agree to that? Don’t you need my permission to marry my granddaughter?” Tian Ya’s face was cold. “You brat, take your hands off my precious granddaughter!”

Nan Xian looked at the girl next to him and smiled gently. “My father-in-law has agreed to this, and he couldn’t wait to marry Qing’er to me.”

Feng Ruqing was speechless.

She only remembered that his father wanted to kill Nan Xian...

As expected, after hearing this, Tian Ya’s old face was livid. “Feng Tianwu, you bastard! I’ll kill him when I go back. He has allowed my granddaughter to get married without even waiting for me!”

His grandson-in-law had to be the most excellent man to be worthy of his precious granddaughter.

He must also be loyal to her. This boy had not passed his test yet, so why did Feng Tianwu agree to this union?

However...

Tian Ya was quite satisfied with Nan Xian’s looks. He was quite handsome and powerful.

“Nan Xian, they have been gone for some time. I don’t know if Xiao Zhu has discovered something or not. Let’s go. We can follow them.” Feng Ruqing laughed coldly. “I hope... Xiao Ya will be fine...”

Tian Ya knew nothing about this, so they could not count on him anymore. Feng Lianyi hated Feng Ruqing, and she would be happy if Feng Ruqing did not get the answers she wanted. It seemed like Feng Lianyi would never tell her anything.

Fortunately, she had a back-up plan!

“Alright, let’s go.”

Nan Xian wrapped his arm around Feng Ruqing’s waist and headed out the door.

In an instant, they had disappeared in front of the crowd.

Tian Ya slightly frowned. “My granddaughter must think that I’m useless...”

After all, he would not have been able to answer the first question from his beloved granddaughter...

### **Chapter 1648: Settling The Score III**

“Master, you said that Feng Lianyi was being hunted by the Nan family back then. Is it true?”

‘The Nan family!’

They were the most powerful men in this land. No one could beat them...

Why would the Nan family hunt down Feng Lianyi?

“I had a grudge against the Nan family, and when I saw someone being hunted by them, of course, I’d rescued her. But if I had known that Feng Lianyi would turn like this, I wouldn’t have even saved her in the first place.”

Back then, Feng Lianyi was still young and well-behaved.

Every family had its problems, and when Feng Lianyi was kicked out, he could not bear to make her sadder, so he did not ask any questions about her family.

He respected her privacy, and he had not even investigated her family history.

Perhaps... He did not take the people of this mainland seriously.

He was unafraid even if he had many enemies because he did not think anyone could plot against him.

However, he did not expect Feng Ruqing would appear...

At the thought of this, Tian Ya was a bit frustrated and wished he had never saved Feng Lianyi.

“Master...”

“Shut up!”

Tian Ya turned to Feng Lianqing angrily. “I haven’t settled you yet. If you make any more sound... Believe me. I’ll kill you now. Have you forgotten the rules here? Feng Lianyi has accused my granddaughter, even if she is an ordinary citizen, she must be expelled just based on this kind of action!”

Tian Ya was a caring grandfather. He would be overbearing and protective only for his granddaughter.

But...

If it were not about Feng Ruqing, he would remain strict with all the rules!

“And you!”

Tian Ya looked at Qi Fang and smiled coldly. “Feng Lianyi had done something wrong. Why didn’t you punish her?”

Qi Fang was startled and somewhat ashamed. “Feng Lianyi is from General Manor. I am just...”

“So what if she’s from General Manor? Do you think I’m a corrupt and unreasonable old man? She made a mistake that should have been dealt with long ago, and whether or not Qing’er is my granddaughter, the fault committed by Feng Lianyi must be severely punished!”

It was because these people had always let her off the hook that she became so daring to break the rules! So much so she had almost harmed his precious granddaughter.

Qi Fang shut his mouth. Under Tian Ya’s monstrous rage, he was too wimpy to say a word.

“Old Housekeeper!” Tian Ya’s face was cold. “Is that bastard Jia Xin still around?”

The old housekeeper trembled in fear when Tian Ya shouted his name but was relieved after hearing the question.

“General, that bastard refused to tell us how he could escape to Cang Yue Mainland. So, I am still keeping him around.”

One would lose all his strength if he used Jia Xin’s method to go to Cang Yue Mainland. Therefore, Jia Xin would never tell them, and he would prefer to be tortured and die...

“Bring him to me later...” Tian Ya paused. A cold light flashed on his eyes. “And send someone to check Feng Lianyi’s background. My granddaughter wants to know about it. Then, I’ll find out for her!”

“Yes, General.”

The old housekeeper bowed and was about to leave.

“Wait...” Tian Ya opened his mouth again.

The old housekeeper trembled again and stopped in his tracks. He turned back with a pale face. “Is there anything else, General?”

“What did you do yesterday? Why didn’t you say a word when Feng Lianyi took out a fake jade stone, and you had watched her bully others? If anything happens to my granddaughter, I will kick you out of General Manor!”

#### **Chapter 1649: Turned Against Each Other I**

The old housekeeper’s face stiffened. He knew that General would definitely settle the scores with them.

“General, I didn’t know Feng Ruqing was the young lady. Feng Lianyi was a member of General Manor. I was afraid people would look down on General Manor, so...” He wiped the cold sweat on his forehead; his voice trembled.

Tian Ya sneered. “Now people have lost respect for General Manor. It’s all because of you. Get out of here immediately! If you can’t find Feng Lianyi, don’t ever wish to come back, and the same goes for you!”

He turned his head and glared at Feng Lianqing.

Feng Lianqing was too scared to say anything, only hoping to leave this place.

Somehow, seeing Feng Lianqing’s miserable looks, Helian Yue could not help but smile happily.

‘Who asked this bastard to hold Feng Lianyi’s back. Now he’s being punished, right?’

‘You deserve it!’

Feng Lianqing also saw the flicker of pride in Helian Yue’s eyes. He was a bit dumbfounded. Back then, whenever his master was scolding him, Helian Yue would always come and protect him.

This time...

He felt that he no longer had a place in Helian Yue’s heart.

Not as much as in the past...

\*\*\*

Outside of Wu Shang City.

The woman dressed in blue stopped and threw Feng Lianyi, who was already half-dead, onto the ground. Her face was cold and expressionlessly. “Feng Lianyi, I just left Wu Shang City for a few days, but you’ve given me so many troubles, and I have almost exposed myself in front of Tian Ya.”

The wind lifted her veil, revealing that delicate face. Her gaze was fierce.

As soon as Feng Lianyi left General Manor, she felt her mind was in a mess, and she had almost fainted from the pain.

If it were not for the bumpy journey, she would have been unconscious long ago.

Seeing that Feng Lianyi was in pain and unable to speak, the woman reached out and pulled out a piece of spirit herb from her lapel and shoved it into Feng Lianyi’s mouth.

“Eat it.”

Feng Lianyi swallowed the pills with a grunt, and the pain started to ease quite a bit. However, her broken arm was still hurting.

“I... I didn’t do it on purpose. Besides, I didn’t expose you, right?” Feng Lianyi’s voice was a little weak, drifting away with the breeze.

The woman sneered. "If I hadn't appeared in time, who could've guaranteed that you would not confess before you died."

Her rescue was so smooth that she could not even believe it herself.

There was also a hint of hidden uneasiness in her heart...

Feng Lianyi pursed her lips. 'This woman doesn't trust me at all.'

Since Tian Ya was so protective of Feng Ruqing, then why should she expose her?

Tian Ya would still kill her either way.

"I didn't expose you because now, I want to destroy General Manor, too!" Feng Lianyi raised her eyes; the depths of those eyes were filled with resentment and anger.

The woman laughed sarcastically. "Unfortunately, you're no longer useful to me. I'll spare your life as you're quite obedient, but your stupidity will eventually get you into trouble."

She had warned Feng Lianyi more than once to stay away from Feng Ruqing, but Feng Lianyi had ignored her warnings and caused many troubles!

## **Chapter 1650: Turned Against Each Other II**

She just never expected that Tian Ya would have a granddaughter...

"You don't care about me anymore?" Feng Lianyi panicked and grabbed the woman's sleeve. "You can't leave me alone! I have nowhere else to go now. My father is so busy with that vixen. He won't even care about me!"

The woman pushed Feng Lianyi's hand away impatiently.

"Isn't that old master of the Duan family protecting you? No matter what, Duan Qiong wouldn't dare to disobey the Duan family's old master's orders! You'd better go back to them."

Feng Lianyi's face was pale, trembling. "Grandfather is helping me... But I'm just a girl, the most important person in the Duan family is my brother! Besides... The Duan family is still keeping my mother because they thought... Tian Ya is protecting me."

Her grandfather had tried every possible way to make her father agree to marry her mother back then because her mother was her grandmother's niece, and... Both families were close.

Her grandparents had deliberately set them up, causing her mother to become pregnant before they married. However, her father still could not forget that vixen.

The good thing was that the vixen left his father, and later... Her grandfather had threatened to kill that vixen, making it impossible for that b\*tch and her child to return to the Duan family again.

After that vixen had left, she thought her mother could marry her father, but he still rejected her. Her grandfather had no other choice than let her mother enter the family as a concubine.

She did not marry him, so she could only be a concubine...

Not long after, her mother's family lost their political power, and they needed to rely on the Duan family...

Her grandfather had an obsessive desire for power. He turned against her father to satisfy her mother's family, but he refused to help them and reunite with her father when they lost their power.

Fortunately, she had met the woman in front of her.

She was the one who sent her to Tian Ya.

Back then, when Tian Ya was in the limelight, her grandfather had the intention to befriend him. He was even more eager to get close to Tian Ya after he knew Tian Ya had reached King Warrior tier.

Hearing that she was treated as a young lady in General Manor, her grandfather had again forced her father to marry her mother.

Therefore...

If they knew Tian Ya had kicked her out of General Manor... Would the Duan family still treat her nicely?

"Don't leave me. I can't go back to the Duan family. My father is so crazy about that vixen. He's been trying to find his bastard illegitimate child all these years and doesn't care if I live or die!"

The woman frowned. "That mute is your father's legal wife. If her child is a bastard, what are you?"

Feng Lianyi stiffened, annoyed. "Don't lecture me in such a tone. Don't think I don't know that... You liked Tian Ya, and you've confessed to him back then. However, he rejected you, and that's why you hate him so much. You want to kill him, but you can't beat him!"

"What are you talking about?" The woman shouted harshly, "Don't speak nonsense, or I'll rip your mouth off!"

"Oh, have I said anything wrong? No matter how well you hide it, your voice is different every time you mention him. Do you like Tian Ya's old face? Or his status? Who do you think you are? You're only a lovesick woman, so who are you to lecture me?"
