

Overbearing 1751

Chapter 1751: The Coming Storm II

“Qiu Hui, we are both esteemed persons of Nine Gate. We shouldn’t do things like that. Tian Ya and we are destined to go on two different paths. We tried to invite Tian Ya to become one of the Nine Gate revered masters, but he had rejected us.”

The nine revered masters of Nine Gate only rely on their power to hold the position and be accepted by the other revered masters.

Initially, they adored Tian Ya’s talent. Furthermore, Tian Ya had a grudge against the Nan family, so they naturally wanted to let him join Nine Gate.

However, Tian Ya refused.

They did not expect Qiu Hui would hide it from them for Tian Ya’s sake!

“Qiu Hui, two days ago, someone came to tell us that a little girl from General Manor was born when the spiritual qi storm happened on that day. Someone witnessed a white light appearing in the room where the delivery took place. What else do you want to say now?”

Qiu Hui was speechless. ‘When Xia Xia was born, there was a strange light in the room?’

‘Why didn’t I notice it?’

“I don’t know what you’re talking about...”

“Qiu Hui!” Another white-robed old man could not sit still and stand up fiercely. “The ancestor of the Nan family was Nan Changfeng. Is it hard for you not to know the history of our Nine Gate?”

Qiu Hui was stunned and remained silent.

Thousands of years ago, Tianling Clan was wiped out, and their Holy Maiden was the only one who left in Tianling Clan but was killed when seeking revenge.

She was the one who built Nine Gate, and it was recorded by the ancestor of Nine Gate in the history book.

Tianling Clan people were all extremely talented and proud of themselves, especially the Holy Maiden, who was said to have been born without a father or a mother.

On the day she was born, the spiritual qi flocked to her, making Tianling Clan even more prosperous at that time.

And the Holy Maiden name was... Chiyou?

Qiu Hui clenched her fists tightly. When Feng Ruqing named her daughter Chiyou, she thought the name was familiar but could not remember it for a moment...

With the spiritual qi storm that suddenly appeared in Wu Shang City...

‘No!

‘Impossible!’

“What do you mean?” Qiu Hui sneered. “What right do you have to question me here? Since you don’t welcome me now, I’m leaving!”

She turned around and wanted to leave.

She had to go back and tell Feng Ruqing that... She could not call her daughter Chiyu for the time being.

If Xia Xia were the Holy Maiden, with the temper of these old men, they would definitely bring her here to cultivate her, and they would take her away from Feng Ruqing forever!

As a mother, Feng Ruqing would not agree to let her daughter achieve this much. She only wanted to spend the rest of her life with her daughter and watch her grow!

“Qiu Hui...” The old man in grey robes stood up and smiled coldly. “Do you want to go back and inform them about this matter? Unfortunately, the Holy Maiden of Tianling can only grow up in Nine Gate, and only in Nine Gate can she be cultivated and become more powerful! I know you have feelings for that little girl, and after we bring her back, we can leave her in your care. There’s nothing to worry about.”

‘The grudge between Tian Ya and the Nan family is so deep that it is definitely not safe for that girl to stay in General Manor...’

Qiu Hui turned angrily. “I have told you, she is just an ordinary girl, and you still want to separate the mother and daughter just based on mere speculation! I would never do such a thing!”

Chapter 1752: The Coming Storm III

“Qiu Hui, we are doing this for her good!” The old man in grey robes looked a little upset. His face sank “I admit that Tian Ya is quite powerful, but that doesn’t mean he can train the Holy Maiden well! Do you want to ruin her future? Besides, Nine Gate also needs a leader here.

“Moreover, there are other forces besides the Nan family and Nine Gate in this mainland. Have you ever thought about what will happen if they know about her existence? If we can find the cause of the spiritual qi storm, I don’t believe other forces can’t! Tian Ya is alone there. How can he defend himself against so many powerful people?”

Qiu Hui stopped in her tracks. She turned around and sneered.

“I’ve said that she is not the Holy Maiden of Tianling Clan. How do you know that Xia Xia does not want to stay with Maiden Feng? How can you bear to separate a mother from her daughter? If anything, they should voluntarily send Xia Xia here, but I don’t think Maiden Feng will do so. She loves her daughter. Even if she is really in danger, she will not send her daughter to Nine Gate.”

“Qiu Hui!” The white-robed old man was not as calm as the one in grey robes. He snapped, “Whether she’s the Holy Maiden or not, we will know it once we bring her back to Nine Gate. Since you already know what we’re up to, I won’t allow you to leave Nine Gate again.”

Qiu Hui’s eyes grew colder. “And what if I still want to?”

“Qiu Hui, how can you be a match for the eight of us?” The old man laughed. “You don’t have to worry too much. We won’t harm the Holy Maiden’s mother. After all, I still expect the Holy Maiden to be our master in the future, but... She must follow our rules!”

Qiu Hui clenched her fists tightly.

When she and Maiden Feng were inside the room that day, she did not see any strange light at all, not even the people outside. How did someone else see a strange light? Nine Gate wanted Xia Xia. Maiden Feng and the others still did not know about it. There was no guarantee that they would not be in danger...

So, she must go to them!

Qiu Hui drew her long sword, smirked.

“I have owed a favor to Tian Ya, so even if I kill all of you today, you won’t be able to stop me!”

“Qiu Hui!”

All the masters were a bit annoyed. They were doing it for the Holy Maiden and the sake of Nine Gate. Why did Qiu Hui betray them like that!

“Qiu Hui, we call you back today not to confirm the Holy Maiden’s identity, but... We don’t want you to interfere! We have sent our people to Wu Shang City. Do you think that even if you leave, you can stop them?”

Qiu Hui’s face changed dramatically, and her eyes flamed with anger.

“Separating mother and daughter is against human conscience and morality! God will punish all of you!”

“We are not hurting anyone. We just want to take her away, and god will not meddle in such idle matters. Qiu Hui, that girl has been destined to come to Nine Gate. If you stay, you can still take care of the child for us. But if you leave, we can’t guarantee if the other people can treat her well...”

Qiu Hui’s hand trembled as she looked at these people’s cold faces. She then dropped her sword helplessly and closed her eyes...

‘Indeed... I won’t be able to come back if I leave now.

‘But if I stay, I can still take Xia Xia away and send her back to Maiden Feng...’

Chapter 1753: Teaming up to Kidnap a Child I

Land of No Return...

The storm was coming.

General Manor was unusually quiet, as quiet as the calm before the storm...

“What did you just say?”

Feng Ruqing stood up from the chair angrily. She frowned at Rong Qi, who was standing in front of her, and said coldly, “Say it again!”

“Maiden Feng, I’ve sent my men to Nan City, and they said Young Lady Suyi has returned to the Nan family!”

Rong Qi’s expression was serious.

Feng Ruqing’s face sank. She turned to look at Nan Xian. “Nan Xian, do you think... That Suyi, who has returned to the Nan family, is your mother?”

Nan Xian glanced at Rong Qi coldly. “Is there someone else following her?”

“Oh, and a white phoenix accompanied her...”

A white phoenix!

“Why didn’t she come to us, but instead went directly to the Nan family? Nan Xian, I can’t wait any longer. Let’s go to the Nan family now so that Suyi won’t be bullied in the Nan family!”

Those people did not dare to bully Suyi openly, but Rong Qi said that Suyi had almost married Nan Fang.

Nan Fang did not marry Suyi back then, and he might not be willing to do so now.

“Alright, then we can go.”

Nan Xian knew why Suyi did not come to them.

She did not want... To drag them in this matter...

Perhaps she wanted to settle the matter of the Nan family alone so that no one could threaten them before she returned.

“Rong Qi, I’ll go with Nan Xian. The rest of you stay at home. You must follow Xia Xia like a shadow to protect her.”

Xia Xia loved to run around. There were so many outsiders in the city now. What if they kidnapped her...

Feng Ruqing sighed helplessly. After giving her orders, she walked out of the room.

Rong Qi wanted to follow Feng Ruqing to the Nan family, but he did not dare to disobey her, so he had to stay in General Manor.

The moment she stepped out of the room, Feng Ruqing met Xia Xia playing around.

She smiled and walked toward Xia Xia.

“Mother...”

Xia Xia’s eyes lit up, running to Feng Ruqing. She raised her hands and hugged her mother’s legs, smiling brightly and innocently.

Feng Ruqing touched Xia Xia’s head, looking up to see Tang Yin following the little girl. “Tang Yin, where is my grandfather?”

Tang Yin smiled. “Grandfather Tian Ya has gone out, saying he’s meeting with an old friend.”

“Oh, recently, there are more cultivators in Wu Shang City. Tang Yin, you look after Xia Xia and don’t let her go out. Nan Xian and I are going to the Nan family. We might take a while...”

‘At least there are many people in General Manor who can protect Xia Xia.

‘If she goes out... And gets abducted by someone...’

Feng Ruqing sighed; she finally understood what was on her father’s mind back then...

It was not easy to raise a daughter...

Feng Ruqing turned and looked at Nan Xian. “Nan Xian, aren’t you worried about Xia Xia?”

“Oh, there’s nothing to worry about as long as she doesn’t run off...”

“If Xia Xia grows up and wants to marry someone, then...”

“Well? If he’s a good man, then she can marry him as she wishes.”

Feng Ruqing was speechless.

It seemed like not all fathers in the world were like Feng Tianyu...

Chapter 1754: Teaming up to Kidnap a Child II

Nan Xian looked so calm, and she could not see any emotions on his face as she mentioned Xia Xia.

However, Feng Ruqing knew that even though Nan Xian did not show it, his concern for Xia Xia was no less than hers as a mother.

It was just that he was more likely to let Xia Xia have more freedom and would not bother too much.

“Mother!”

Xia Xia pulled Feng Ruqing’s sleeve, almost crying out. “Don’t go...”

Feng Ruqing’s heart softened. “We’ll go find your grandmother, and when we come back next time, we’ll bring her back with us.”

“Don’t go...” Xia Xia seemed to sense that Feng Ruqing would leave for a long time, and her eyes were red.

“Let Father go alone. Mother, don’t leave...”

Nan Xian was speechless.

He glanced at Xia Xia, pulling Feng Ruqing into his arms.

“It’s getting late. Let’s go.”

“Alright...” Feng Ruqing squatted down and raised her hand to hug Xia Xia, a bit reluctant to leave her here. “I promise I’ll be back soon.”

Xia Xia looked at Feng Ruqing, eventually letting go of her small hand. She pouted, pitifully, “Can’t we let Father go there alone?”

“No...”

“Oh...”

Xia Xia lowered her small head, a little frustrated.

Feng Ruqing was afraid that the more she stayed, the more reluctant she would be to leave. She stood up and looked at Nan Xian.

“Let’s go. Let’s bring Suyi back.”

Nan Xian nodded slightly; a smile appeared on his handsome face.

“Little Nine!”

A voice came from the back.

Feng Ruqing turned and saw a young man in a black robe dashing toward her, his face full of anxiety.

“Little Nine, if you want to go to the Nan family, wait for me. I want to go with you.”

He and the Nan family still had a grudge against each other, and he would never let them go!

“Alright, let’s go.”

Feng Ruqing smiled faintly. She looked at Xia Xia once again before turning around and walked out of General Manor.

Feng Ruqing only spoke to Rong Qi about her departure. She did not tell Tian Ya because she knew Tian Ya would also want to go with her.

One thing that Feng Ruqing did not understand... These few days, her heart was beating hard, and she somehow felt a bit restless...

The sunset glowed in the entire sky in Wu Shang City.

Xia Xia stared in the direction where Feng Ruqing had left, and her tears almost fell again.

Tang Yin squatted down and squeezed the little girl’s chubby cheeks. “Xia Xia, look, I also can’t leave your mother behind, but your mother chose that dog. We can’t do anything about it.”

Xia Xia turned to Tang Yin blankly. “Is Father a dog?”

‘Why did Aunt Tang call Father a dog?’

“Yes...” Tang Yin nodded, smiling and laughing. “He is a dog who specializes in taking other people’s lovers.”

Xia Xia was stunned. ‘So... Father is a big doggie.’

Just as Tang Yin was about to leave with Xia Xia, the whole sky suddenly darkened, as if overcast with clouds.

She stopped in her tracks and pursed her lips, confused.

Countless figures came from the sky and landed in front of Tang Yin.

Tang Yin held Xia Xia's hand tightly and looked at the group of people in front of her.

"Who are you? What are you doing here?"

A woman in a green dress with a beautiful face smiled. "We have come to take the little girl next to you. If you give her to us, we won't harm anyone in Tian Ya's Manor."

Chapter 1755: Teaming up to Kidnap a Child III

This little girl's eyes were as clear as water, and even when she was facing so many people, she did not show the slightest bit of timidity.

Tang Yin's face darkened, protecting Xia Xia in her arms. "I won't give Xia Xia to you."

She did not know why these people were looking for Xia Xia. She only knew that Xia Xia was the life of everyone in General Manor. She could not let Xia Xia be taken away by this group of people!

"Young lady, we really don't want to hurt you. Don't force us. Don't worry. We'll take good care of this little girl and help in her cultivation."

Tang Yin hugged Xia Xia so hard that her body was trembling.

Tian Ya was not here.

Feng Ruqing and Nan Xian had just left when this group of people came to the door.

If she failed to protect Xia Xia, she might not see Feng Ruqing again in this life.

"Xia Xia, are you afraid?" Tang Yin lowered her eyes and asked gently.

Xia Xia shook her head and looked at Tang Yin with a pair of bright eyes. "Xia Xia is not afraid."

"Good..." Tang Yin smiled, revealing her teeth. "Xia Xia doesn't need to be afraid. Your Aunt Tang will protect you."

She lifted her head slowly, staring at these people coldly.

"I don't care what your intentions are. I won't hand over Xia Xia to you. Go away. You damn dirty human!"

The woman was stunned, somewhat startled.

'Damn dirty human?

'Did she mean me?'

"Young lady, we don't have any evil intentions. If you disagree, then we have no choice..." The woman raised her hand, and in an instant, everyone drew their weapons.

The cold light on their swords made Tang Yin tremble hard.

At the same time...

Rong Qi and the others had rushed over and saw the group surrounding Tang Yin and Xia Xia.

The woman saw Rong Qi, and her eyes flashed with a cold light.

‘Why are the people of the Nan family here?’

Fortunately, she had changed her face, and the man could not recognize her.

Otherwise...

Although Nine Gate was not afraid of Tian Ya, it would still be troublesome if he went to Nine Gate and attacked them...

And there was also Qiu Hui who would support Tian Ya.

“Who are you? How dare you come to General Manor and cause trouble?”

Rong Qi was furious. He had brought a few skilled masters with him.

The woman laughed as if she had nothing to fear. “We came to take this little girl with us. I’m afraid it’s not so easy for you to stop it. We want this girl, and we will take her away.”

Rong Qi did not say more; he quickly drew his weapon and rushed toward the woman.

The others made their moves as well...

The woman frowned.

‘Master only asked me to bring that little girl back, not to hurt any Tian Ya’s men...

‘But... These Nan family’s men have suddenly come to stop us.

‘Could it be that... The Nan family also wants to take the little girl away?’

The woman’s face sank. When she thought of this, she did not intend to be polite to Rong Qi. She moved as fast as the wind, and in the blink of an eye, she was already in front of Rong Qi...

A battle between Emperor Warriors was not something that ordinary people could interfere with.

Moreover, the woman had brought many skilled masters with her.

Tang Yin held Xia Xia tightly, her eyes vigilantly looking at the people under their swords’ shadow. Suddenly, her eyes fell upon Qian Ning, who came running in panic from a short distance away.

Chapter 1756: She is a Beastman I

Rong Qi and his men were so dumb! None of them reported it to Tian Ya.

The only person who could be counted on now was Qian Ning.

Tang Yin quickly gave Qian Ning a wink, and for once, Qian Ning was smart enough to understand what Tang Yin was trying to say.

She quickly turned around and ran as fast as she could.

Tang Yin was relieved as she watched Qian Ning leave. She held Xia Xia tightly, and her eyes were filled with caution.

Bang!

The woman in green dress punched Rong Qi's chest, sending him a few steps back. He stood up again and rushed toward her.

Looking at Rong Qi approaching her, the woman quickly ordered two people next to her to take Xia Xia away. "Mo Xia, Mo Shuang, you take that little girl away."

"Yes, Master."

These two were also women, one in a long blue dress while the other in all-black attire.

In a flash, the two of them were already in front of Tang Yin.

Tang Yin was shocked; she hugged Xia Xia tightly.

"Hand over that girl to us."

Mo Shuang looked at Tang Yin coldly.

If it wasn't for her master's orders not to harm Tian Ya's people, perhaps they would not have been gentle and would have already killed Tang Yin.

Tang Yin sneered. "As long as I'm still alive, I won't hand over Xia Xia to you!"

"Then, don't blame us for doing this..."

Swish!

Mo Shuang jumped in, swinging her fist fiercely.

Fearing that Xia Xia would be hurt, Tang Yin hurriedly blocked the attack by turning around and hugging Xia Xia.

A fierce punch hit Tang Yin's back. She spurted a mouthful of blood, her delicate and lovely face turned pale.

"Aunt Tang..."

Xia Xia blinked blankly, not understanding what was happening. Why did these people want to take her? And why did they beat Tang Yin?

However, when she saw that Tang Yin was injured, tears appeared in her big eyes, which had turned red.

"Does it hurt?" Xia Xia's mouth was slightly parted slightly. It seemed if Tang Yin had even admitted a little pain, she probably would have cried out.

Tang Yin's face twisted into a painful grimace.

She had never been beaten up like this when she was in the Tang family. After leaving them, Feng Ruqing and the Nalan family had always protected her well, so she had never suffered such pain before.

However, looking at Xia Xia's teary eyes, she managed to hold back her tears and smiled.

"It doesn't hurt. It's like scratching an itch. Don't cry, Xia Xia. Aunt Tang will protect you."

However...

Before Tang Yin could say another word, the woman behind her attacked again, sending her flying away.

Even so, she still held Xia Xia firmly in her arms.

"Do you think you can protect her with your strength?" Mo Xia asked coldly.

Tang Yin wiped the blood from the corner of her mouth and stood up from the ground. "I must protect her even if I can't."

"Protect yourself first."

Mo Xia sneered; she was already above Tang Yin's head.

Tang Yin closed her eyes...

Feng Ruqing once said that she could not use her spiritual qi outside. Otherwise, her identity as a beastman would be revealed.

However, she had no choice now...

She knew that she could not beat these people; all she could do was stall for time... Until Tian Ya came and saved Xia Xia...

Chapter 1757: She is a Beastman II

Boom!

Tang Yin suddenly opened her eyes, and powerful force surged from her, gathering like a storm in the sky.

This extraordinary spiritual power caused the Mo sisters to be stunned, subconsciously took a few steps back, and their faces filled with shock as they looked at the small but determined-looking girl.

"You... a beastman?"

The spiritual power of humans and spirit beasts was not the same.

Therefore, they could see at a glance that Tang Yin was not a human nor a spirit beast...

Thus, she must be a beastman!

"Interesting..." The woman in green dress flung Rong Qi out of the way. She smirked and turned to Tang Yin. "I never thought there would be a beastman in General Manor. You guys go and stop them. I'll take care of these two girls."

The woman moved like the wind, and in a split second, she was already in front of Tang Yin.

“Advanced Emperor Warrior tier?” Rong Qi looked at the woman in shock. “Are you an Emperor Warrior? You’re not from the four major forces. Where are you from?”

The woman smiled and said, “I didn’t want to expose my strength, but since there is a beastman here, I’ve to use my real power. Young girl, you better hand this girl to me.”

She sneered at Tang Yin, who could not move, and raised her hand, pulling Xia Xia toward her with great force.

Tang Yin’s face was pale. She could not move her feet, but she still stretched her hand out with all her might and pulled Xia Xia’s dress. Tears streamed down her face.

“Xia... Xia Xia... Let go of Xia Xia, don’t take her away. I beg you, don’t take her away...”

Xia Xia cried out loudly. She reached out with her small hand to grab Tang Yin’s...

The woman raised her hand, and a flash of light cut off the corner of her dress Tang Yin was holding onto.

“What are you doing here? Let her go!” a child’s voice suddenly said.

The woman looked out of the courtyard’s gate and saw two kids rushing to her with a group of spirit beasts. Her face sank.

“Tian Ya’s people are annoying. Mo Xia, take her with you. I’ll stop these people.”

She threw the little girl in her arms to Mo Xia, who was waiting on the side.

Mo Xia nodded. She was about to leave when countless vines came from the ground, and in an instant, wrapped around her legs.

The woman in green waved her hand to cut off those vines and said coldly. “Take her back now! Go!”

“Xia Xia!”

Tang Yin cried, her heart lurching with panic. She did not know how she found the strength to stand up and rush madly toward Mo Xia ...

Mo Xia landed a punch on Tang Yin’s chest, sending her flying back, smashing through the wall.

Red blood poured out of her mouth. Her eyes were bloodshot as she stared at Mo Xia.

On the high mountain outside of Wu Shang City, Feng Ruqing could not help but stop in her tracks, her fingers gently caressing her chest, her heart was beating fast, and she couldn’t seem to breathe.

Nan Xian stopped and turned to Feng Ruqing. “Qing’er, what’s wrong?”

Chapter 1758: She is a Beastman III

“I don’t know... I’ve had a bad feeling since this morning. I thought something happened to Suyi, but after I left Wu Shang City, my heart started beating faster...” Feng Ruqing clutched her dress more tightly.

Her breath grew heavy.

“Qing’er!” Nan Xian saw Feng Ruqing’s face was slightly pale; he held her cold, trembling hand. “What happened?”

Feng Ruqing closed her eyes, trying to calm her racing heart.

A voice echoed in her mind and whispered into her ears.

“Ninth Emperor, my name is Chiyou.

“This is the mark of our Tianling Clan. If there is an afterlife, I will come back to you. You must wait for me...”

Her pale face was covered in a cold sweat. “Xia Xia!!!”

Feng Ruqing quickly rushed back to Wu Shang City.

Her eyes were filled with anxiety and madness.

“Brother Fu Chen, these people want to kidnap our Little Sister!”

Little Qing Han was anxious. She wanted to rush toward those people, but Fu Chen stopped her. “Tian Ya is probably already on his way back. It’s safer here, so you stay here. I’ll go after them.”

Light suddenly surrounded Fu Chen, and a moment later, his small figure had grown into a young man.

Without any hesitation, he chased after them.

“Brother Fu Chen seems to have grown up some more...”

She was the only one who was always short as if she could not grow tall.

Qing Han turned to the woman in green. “Bad woman, why are you taking my sister away?!”

Boom!

As the spiritual energy surged out, more vines came out of the ground, like countless tentacles.

“It won’t do her any good if she stays. Everything we do is for her!” The woman’s voice was cold.

“As for you...” The woman turned to look at Tang Yin. “They asked me not to touch General’s people, but the appearance of the beastman will affect the mainland. To prevent unnecessary war on this land, I have no choice but to demolish your power.”

All men in this mainland would fight to get the beastman and use her as a slave to boost their strength.

However, the beastman could only have one man in her life, and only her lover could make a breakthrough when he was with her.

However, there had been no beast in love with a human in the last thousand years, and no beastman had ever appeared.

She was the only one...

She could not bear to see this girl being used by men in the future. Destroying her ability was the best option for her to live peacefully...

The woman raised her hand, and a long sword floated in the air. She held her sword tightly and raised it high.

“Aunt Tang!”

Qing Han’s face turned pale. She could not keep up with the long sword’s speed with her speed, so she hurriedly sent the vines wrapping around the sword.

However...

The long swords sliced through the vines and thrust straight through a woman’s chest.

Puff!

She spurted out a mouthful of blood, sprinkling all over her face with red.

Tang Yin was stunned.

Her gaze fell upon the woman who was falling to the ground in front of her. An extreme pain came, making her tears flow like fountains.

Chapter 1759: She is a Beastman IV

“Mother!!!”

Xiao Ya’s eyes were fixed upon Tang Yin’s tear-filled face.

She reached out with her bloodied hand and tried to wipe away the tears from Tang Yin’s face.

However, no matter how hard she tried, she could not wipe it off, and instead, her face was covered with blood...

The woman in green was dumbfounded. She did not expect someone to run out and block her way.

Besides, she only wanted to destroy the girl’s dantian, but she never expected to injure others...

Before she came here, her master had told her not to hurt anyone, but... She did not do it on purpose. Would she still be punished for this?

“Mother!”

Tang Yin held Xiao Ya’s hand tightly. “Mother, don’t scare me. Please don’t scare me...”

‘Why?’

‘Why did these people want to take Xia Xia and hurt me?’

‘Just because... I’m a beastman?’

‘Does being a beastman mean I should die? Who says that the beastman has no choice in the world?’

Tian Ya had just rushed back from outside, and all he saw was Xiao Ya lying in a pool of blood.
Anger surged to the surface of his heart, and he flew and landed in front of the woman in green.
He did not even say a word before making his move.

The group of spirit beasts had not stopped fighting.

Rong Qi and the others were already wounded, and their lives were in danger...

Under the setting sun, Tang Yin grabbed Xiao Ya's hand and placed it on her face.

"Mother, Xiao Qing said that she had researched the herbal dish that can make you speak again. Only one spirit herb is missing. After she finishes her cultivation, you will get your voice and face back.

"I know... Mother must be very beautiful. I've never seen your face before it was scarred... Can you not leave me?

"Mother, I've been working hard to cultivate. Xiao Qing has praised me a lot. I've worked so hard in the hope that one day I can protect you, but... I made you injured again..."

Xiao Ya looked at Tang Yin helplessly. The blood coming out of her mouth stained the ground red.

She should have died back then.

She was already satisfied to be reunited with her daughter...

She had no regrets...

"Mother..." Tang Yin trembled hard. "They have taken Xia Xia away. I'm going to get her back. You have to watch me get her back. I've stolen some herbal soup from Xiao Qing. It's already expired, but I think you can still drink it..."

She panicked and took the herbal soup out of her bag and force-fed it into Xiao Ya's mouth.

However, blood was still flowing continuously from Xiao Ya's mouth, and her breathing was getting weaker as if... It could stop at any time...

"Young Lady..." Qian Ning cried out loud.

Tang Yin paid no attention to Qian Ning; her eyes were fixed upon Xiao Ya, tears streaming down her face.

She pressed the wound on Xiao Ya's chest as if she thought that she could stop her from bleeding out...

Chapter 1760: That Familiar Feeling

Boom!

Tian Ya smashed the woman in green. His eyes were filled with rage.

The woman's face darkened as she fell backward.

She took advantage of Tian Ya's absence to make her move. Otherwise, it would have been difficult to take the little girl away.

However, she did not expect Tian Ya to come back so soon.

Fortunately, she had asked her people to take the little girl away from here. Even if Tian Ya came back, he could do nothing about it...

"Who are you? How dare you come to my place and hurt my people!"

Tian Ya's speed was like the wind, and in a flash, he was in front of the woman...

The panic in her heart had intensified since just now, and she could not help but speed up to return to General Manor as fast as possible.

From afar, she saw many people in the sky above General Manor, and Tian Ya was dressed in red, which was very conspicuous under the moonlight.

She did not know what was happening, but somehow she was shaking. She was like lightning, and in a flash, she was already inside the manor.

Many corpses were lying on the ground, and in that group of people, she saw Tang Yin covered in blood.

Tang Yin's face was pale, holding a woman in her arms. Her eyes were filled with sadness and despair.

Feng Ruqing trembled as anger surged in her heart. It was enough to destroy the entire world.

"Mother!"

Qing Han was the first to see Feng Ruqing, and all her fear and dread turned into tears that flowed down from her eyes. "Little Sister has been snatched away by bad people!"

Feng Ruqing trembled and fell from the sky.

Nan Xian rushed in front of her even faster and pulled her into his embrace before she fell to the ground.

A mouthful of blood gushed into her throat, and she spat it out, spilling bright red blood on Nan Xian's lapel. He was shocked, looking toward the courtyard full of enemies with murderous intent.

"Nan Xian, go find Xia Xia! Go find her!" Feng Ruqing grasped Nan Xian's lapel; her voice was filled with despair and grief. "Go find Xia Xia!"

Nan Xian was worried about Feng Ruqing. He frowned.

"Don't worry about me. Grandfather is here, and I'll be fine. You go find Xia Xia immediately!"

Xia Xia was her life.

She could not let her be in any danger!

Nan Xian raised his eyes and looked at Tian Ya, fighting with someone in the sky. He then nodded. "Qing Han, take care of Qing'er. I'll go and bring Xia Xia back."

He did not say any more. He moved like the wind, and in the blink of an eye, he had disappeared...

"Mother..."

Qing Han went to hold Feng Ruqing's hand.

Feng Ruqing trembled as she walked toward Tang Yin.

"Xiao Yin..."

"Shh..." Tang Yin put her fingers to her lips and smiled faintly. "Xiao Qing, don't say anything. My mother is tired. She wants to sleep."

"Xiao Yin! Forgive me..."

She should not have left... She should not have walked out of General Manor.

If she had not left, none of this would have happened. No one would take Xia Xia away and hurt Xiao Ya.

A dark light flashed beside Feng Ruqing, and then she saw the little soul run out of the black sword again and stood next to her.
