### **Chapter 1891: The Person Behind Nan Fang V**

She moved the sculpture to the man's grave, even set up a formation that could not let other people in, and made him kneel in front of that grave for a thousand years.

The commoners regarded her as a god.

However, to him, this madman was a devil!

Even after they gathered countless skilled masters to kill her several times, she was too strong; They failed to defeat her.

In the end, they killed Nan Changfeng but caused all the powerful, skilled masters in this mainland to die in her hands!

"Feng Ruqing is not something you can mess with... For the time being, you should hide and not start any conflict with Tianya," the man in black said coldly.

Nan Fang froze.

He really wanted to rush out and fight with Tianya when that old man screamed and cursed outside his city, but the man behind him forbade him from going out.

However, this man was quite powerful.

Two years ago, during Nan Feiyu's inheritance test, this man made Nan Feiyu inherit one-tenth of Nan Changfeng's power.

Just this one-tenth was enough for him to prove to the world that his son was the reincarnation of Nan Changfeng.

All of this was all because of this man.

Nan Fang pondered for a moment and asked, "When will all the inheritance left behind by Nan Changfeng be inherited by my son?"

The man in black sneered, "You don't have to think about this matter yet. Your son is not the reincarnation of Nan Changfeng after all, so I don't have any other way for the time being."

Nan Fang sighed with some disappointment but did not say more. He pondered for a short while and asked, "Can Nan Luo enter Tianya's manor again this time?"

"If she wants to enter Tianya's manor, she has to stay away from the two people, Feng Ruqing and Nan Xian. Otherwise, she will easily be discovered by them."

The man in black was silent for a moment before he slowly spoke again.

"Well, I will take care of her. If there is nothing more, I will go out first. We will discuss it again after Nan Luo has woken up."

After Nan Fang said that, he walked out of the study room in large strides.

The man in black stared at Nan Fang's back as he left, and his figure gradually disappeared into the wooden room.

'Nan Changfeng... The Ninth Emperor!

'After a thousand years, I don't know if you guys still remember me.

'And this time, not only Nan Changfeng, all those who are related to you... All will die!

'I will not give you the chance to come back to this world!'

\*\*\*

Meanwhile, all the people in Nine Gate were busy with a lot of work.

They had to deal with Tianya and think of ways to get close to Nan Chiyu.

More importantly, Hui Yan's daughter had disappeared!

She was his only child. He loved his daughter and often gave her all the best things in the world.

However, someone had dared to kidnap Hui Yan's only daughter!

It was like they were pulling the tiger's fur, looking for death!

The people of Nine Gate did not care about the trouble from Tianya; they were all sent to the entire Land of No Return to look for Hui You...

### **Chapter 1892: The Person Behind Nan Fang VI**

Just as Nine Gate was anxious about this, Maiden Hui You suddenly appeared on her own.

After hearing the news, Hui Yan hurried out, and from afar, he saw the girl standing at the doorway. His eyes were red, and he hurriedly rushed toward her.

"You'er, where have you been? Who has taken you away? Tell Father... Father will go to settle accounts with him!"

The young girl looked up in a daze, her gaze blanked and dumbfounded as she stared at the old man in front of her.

Yes, the one standing in front of her was an old man.

Hui Yan had a daughter quite late in life, but he loved her and pampered her. His heart was quietly relieved as he saw her safe and sound.

However, if he knew who had taken his daughter away, he would never forgive them!

Hui You was a little lost, and she regained her sense after seeing the old man's concerned eyes.

Her voice was hoarse, and she hesitated for a long while before she managed to say a few words.

"I'm fine..."

"It's good that you're fine..."

The old man's eyes teared as he went forward and pulled the young girl into his arms.

The young girl's face was pale, but Hui Yan did not ask anything more. He called his men, "Take the young lady to rest. Prepare some meals for the young lady, and then bathe her well. She looks dirty."

The young girl's body stiffened for a moment and subconsciously grabbed the old man's sleeve.

Such care was something she had never enjoyed in all these years.

The only feeling she had was the fear of death...

She had thought that all the daughters in this world were treated like her until she met Feng Ruqing and... The people of Nine Gate.

The young girl pursed her lips and shook her head. "No, I can do it myself."

"What nonsense? Let these servants serve you. When have you ever done anything yourself?" The old man looked confused.

The young girl trembled slightly; she pursed her lips.

'How nice it would be to be like this for the rest of your life.'

She also wanted someone to love her and spoil her.

So when she saw Suyi back then, it was like seeing hope.

That was why she tried every possible way to get Suyi to marry her father.

However, in the end, she still failed to make Suyi like her...

The young girl looked at the old man's concerned eyes.

However, just at this moment, she inexplicably remembered Nan Fang's words before letting her go. She trembled a little and hurriedly lowered her head.

'No, I can't rely on him!'

If this time she did not complete the task, Nan Fang would expose her, and Nine Gate would never let her go...

Thinking of this, the young girl raised her eyes and smiled gently.

"Alright, Father."

Hui Yan subconsciously sighed with relief. He felt weird because his daughter used to be lazy and never did anything on her own. But why did she say she wanted to do something herself now...

She must have suffered a lot...

The servant helped the young girl to leave.

The old man's face sank. He then shouted coldly, "Guard, find out who kidnapped my daughter! Even if she has returned, I will not let anyone who bullied her go!"

“Yes, Your Holiness.”

The two guards following the old man cupped their fists respectfully and retreated.

Hui Yan clenched his fists tightly as his breathing grew heavy.

He did not know what kind of hardship his daughter had endured outside, but now, she had changed a bit and was not as lively as before.

Before this, she would have jumped into his arms for comfort after being away for days.

But this time... She was different!

She was quiet, making him more angry and heartbroken.

### **Chapter 1893: Nan Luo vs. Hui You**

Nine Gates.

Inside a luxurious room...

Nan Luo's fingers brushed across the table as she walked toward the bed. She looked somewhat amazed.

In Land of No Return, the Nan family's status was not lower than Nine Gate.

And she was the eldest young lady of the Nan family. Her status was also equal to Hui You.

But...

What they had here was indeed different from the Nan family.

“Please let me out. Let me out...”

Within her soul, another voice came. It was filled with endless grief, weak, and almost inaudible.

Nan Luo looked down and tried to shut the voice.

The pain of death resurfaced in her mind, causing her to tremble in fear.

“You better stay there silently and wait for your death.”

Indeed, only one soul could exist in a body.

The current Hui You was not completely gone yet...

Nan Luo opened her eyes slowly...

These two years of life were like a nightmare.

If she returned to the Nan family, Nan Fang would be even crueler to her.

Therefore...

She could not return to the Nan family.

In the future, she would have only one identity, the daughter of the venerable Hui Yan of Nine Gate- Hui You!

“Please, don’t hurt any people at Nine Gate. Please...”

The voice continued, annoying Nan Luo.

“Shut up! I’m now a member of Nine Gate. How can I hurt Nine Gate? But... Everything you have is already mine.”

Nan Luo smiled.

This smile was so cold, and she no longer had a timid look.

No one knew there was evil hidden beneath this innocent face...

The voice finally did not speak again, and Nan Luo felt that the whole sky was finally quiet.

The sound of the door opening from outside the door made her slowly turn around. She saw a servant entering.

“Young Lady, this is the meal prepared for you by His Holiness.”

A whole long tray of delicious food was carried into the room by the servants and respectfully placed in front of her.

Nan Luo had never been treated like this when she was in the Nan family; often, the only one who had this kind of treatment was Nan Feiyu. So after experiencing this, her heart was quite touched.

Perhaps... It would be nice if she could stay in Nine Gate forever.

For a moment, this thought sprang up in Nan Luo’s heart, causing her to be startled for a moment.

She lowered her head, covering the shock behind her eyes. She pursed her lips and said, “You guys can leave now.”

“Yes, Young Lady.”

The servants put the meals on the table and left the room.

Nan Luo stared at the table full of delicious meals, and her heart trembled slightly.

‘No!

‘I won’t be able to stay here in peace.

‘That bastard Nan Fang will never let me go!’

Nan Luo bit her lip hard. If she wanted to stay, she had to get rid of Nan Fang!

Perhaps Nanfang did not know that once a person’s heart had been betrayed, she would no longer be submissive to him.

If there were enough opportunity, she would still betray him...

\*\*\*

General Manor.

Tianya rushed in, and from afar, he saw the woman standing in the courtyard. His eyes were red, and tears appeared in his eyes.

“Qing’er!”

The woman looked up, and her gaze fell upon Tianya’s pale face.

After two years of not seeing him, Tianya was even older than before. His white hair made her heart ache.

Chapter 1894: He’s Still Jealous

The woman looked and immediately saw Tianya, who was standing not far away.

She was slightly stunned and said with a smile, “You’re back.”

“Yes... I’m back.”

Tianya’s eyes were moist. He could not believe that he would see his granddaughter again so soon.

He raised his hand, wiped the tears from the corners of his eyes, and smiled faintly.

“I’m glad you’re fine.”

He finally could say these words, which he had been waiting to say for two long years.

The stone hovering over his heart finally fell away.

“Little Nine!”

Big Black rushed toward Feng Ruqing with eyes filled with tears.

Suddenly, a cold aura stopped him before he could get close to Feng Ruqing, sending chills down his spine.

Big Black transformed into a young man in the sky, looking at Feng Ruqing with sad eyes.

“Nan Xian, don’t scare him for now. I need him to help me.” Feng Ruqing smiled at Nan Xian gently, then turned his gaze to Big Black. “Big Black, I heard that your blood could temporarily seal the demon inside a human’s body.”

Big Black was created from the surrounding spiritual qi, so his blood contained powerful spiritual energy, which had many powerful effects.

The young man blinked. “Fu Chen told you, right? Little Nine, has someone been possessed by a demon?”

“Well, it’s Chen’er...”

‘Chen’er?’

Tianya stared blankly at Feng Ruqing, “Has our family received a guest? And he is possessed by a demonic spirit?”

Feng Ruqing froze; she looked up at Tianya and pondered for a moment, “Has no one told you that you have a grandson?”

Tianya rubbed his head and was a little hesitant as he said, “It seems like someone has mentioned it, but I don’t really remember.”

Feng Ruqing was speechless.

Tianya looked at Feng Ruqing and asked, “Do you need my help?”

She shook her head. “No need for the time being. Big Black can help me. Grandfather, I think... It’s time to settle the score with the Nan family and Nine Gate. I need you to prepare for this.”

She suddenly had a feeling that their peaceful days would not last long.

Tianya looked down. He did not see Nan Fang when he went to Nan City with Big Black.

That bastard was like a shrinking turtle, hiding in Nan City and not coming out.

“Qing’er, the current situation of Nan City is a bit complicated now. They have set up several formations to guard the city gate. Some of the skilled masters who attacked us back then are hiding in Nan City. I think it’s not that easy to attack them.”

‘Formations?’

Feng Ruqing stroked her chin; a cold light flashed in her eyes.

“When the time comes, I’ll go and take a look. Big Black, come with me. Chen’er is still waiting for us.”

“Oh, alright.”

The young man glared at Nan Xian.

Hmph!

‘So what if Little Nine is yours now? She still needs me, and there are some things that only I can do for her.’

“Qing’er...” Nan Xian looked at Big Black and smiled faintly. He then walked toward Feng Ruqing. “I’m with you.”

He wrapped his arm around her waist and glanced at Big Black coldly.

Big Black froze, clenching his fists tightly. At this moment, he had to admit that he was still jealous of Nan Xian.

‘I can’t wait to break this bastard into pieces and snatch Little Nine back!’

**Chapter 1895: Never Give Up**

Big Black stared at Nan Xian with eyes full of hatred.

If he could kill Nan Xian... Nan Xian's blood would have splattered all over the place in the blink of an eye.

Feng Chen saw the oncoming crowd from afar in the middle of the silent backyard, and a smile broke upon his cold face.

"Qingqing..."

His voice was warm, only when he was facing Feng Ruqing.

Tianya's eyes were fixed upon Feng Chen. He then smiled and nodded in satisfaction. "Hmm, not bad. At least he's better than that kid, Feng Tianwu."

The old housekeeper who followed behind Tianya was a bit sweaty.

'General, you weren't like this when you met Young Lady back then.

'Sure enough, General loves his granddaughter more than his grandson...'

Feng Chen frowned and looked at Tianya in confusion; he turned to look at Feng Ruqing again. There was a hint of stubbornness in his gaze.

"Qingqing, who are they?"

In these few days, perhaps because he had always been with her, Feng Chen had recovered a lot.

The only thing that remained the same was that he still could not remember these people.

"But..." Tianya frowned, "This kid's blood is somewhat special. As far as I know, he should have been restricted from even cultivating at first. I don't know how he recovered."

When Feng Ruqing first met Feng Chen, he was already unable to make any breakthrough.

She did not know how Feng Chen had followed her to Land of No Return and what he had gone through all these years. It was so heartbreaking to see him in such a condition.

"I'll talk to you about these things later. Big Black, I want you to help me."

Feng Ruqing's eyes fell upon the young man's handsome face. "Chen'er, come with me."

"Mm..."

Feng Chen smiled brightly, but his smile was always reserved only for Feng Ruqing.

His smile disappeared instantly when facing others, leaving only a cold expression.

If it were not because Feng Chen was Feng Ruqing's brother, perhaps Nan Xian would have misunderstood Feng Chen's feelings for her.

"General..."

The old housekeeper stood behind Tianya, looking at Feng Ruqing's departing figure, and asked respectfully, "Can Young Master..."

"I trust Qing'er. Old Housekeeper, summon all skilled masters. The Nan family has hurt my granddaughter. I will never let him go." A cold light flashed in Tianya's eyes.

"Yes, General."

'Young Lady has woken up, and Young Master is back...

'It seems like Land of No Return is no longer a land of peace now...

'But all of this... All of this is long predestined...'

The Nan family had dared to attack Tianya. It proved that the conflict between the two sides had reached the point where they could not coexist in the same territory!

The old housekeeper left.

The sun was warm, but it could not melt Tianya's cold gaze.

"Nan Fang, I don't care who's behind you. You can't escape from me again, and I won't ever give up till I find you!"

### **Chapter 1896: Let Little Nine Help Me**

Ever since Feng Ruqing brought Big Black to treat Feng Chen, they had not left the room since three days ago.

Feng Chen had just returned, but he was the young master of General Manor. Of course, everyone in General Manor was so worried about him.

Even Xia Xia sat at the door waiting for them for three days. She placed her hand on her cheek, looking at the closed door unblinkingly.

Until three days later...

The door was slowly opened.

Feng Ruqing walked out; her face was calm, expressionless.

However, seeing her calm expression, everyone understood that she had succeeded.

"Xiao Qing..."

Tang Yin walked toward Feng Ruqing, and her face was filled with joy. "Did you succeed?"

"Yes..." Feng Ruqing nodded slightly. "We have sealed the demon, but Chen'er suffered a lot of injuries, and he still doesn't know anyone else besides me. But now we don't need to worry about him getting sick again. Even if I'm not here, it's still safe."

As for getting rid of it completely, that would be somewhat difficult...

Sealing the demon was quite simple. Either Nan Xian or Feng Ruqing could do it.

However...

The demon had almost taken over all of his body and his heart. Only with Big Black's blood could help him regain his control over his body.

Big Black followed behind Feng Ruqing, pouting.

'I've lost almost a spoonful of blood this time. Little Nine must help me replenish my energy...'

Feng Ruqing paused for a moment. "Big Black has great blood, and its meat is also a great tonic. I still remember when Mu Ling was trying to help Chen Qingyan catch Big Black back then..."

The day she met Big Black, Mu Ling happened to be there, but she knew that Nan Xian was following her, so she left early, leaving only the Mu family behind.

"Really?"

Xia Xia's eyes lit up. She turned to Big Black, subconsciously swallowed her saliva that almost flowed out.

Big Black trembled as he took a few steps back. "Little girl, my meat is not tasty. It's bitter!" "Oh..."

Xia Xia smiled. "Now Uncle Dragon is in human form, Xia Xia will not eat people, but... When Uncle turns into a dragon, I will eat your meat."

Big Black froze.

He would never turn into a dragon again.

"Little Nine, don't let this little girl and Qing Han play with each other. Look at this girl. She wants to eat everything." Big Black huffed and puffed.

Feng Ruqing smiled faintly. She raised her hand and touched Xia Xia's small head, then looked at Big Black. "You're not a real dragon."

Big Black was the surrounding spiritual qi that transformed into a dragon, and he was not really a dragon.

Feng Ruqing turned to Tang Yin and asked, "Where is Grandfather?"

Tang Yin blinked. "In the study room? He's been waiting for you."

"Alright..." Feng Ruqing smiled, "Tang Yin, because of the last incident, you and my cousin's wedding did not go on as we planned. We will re-organize it then, but I have to settle the Nan family first."

Tang Yin was stunned. Her cheeks were slightly red as Nalan Jing's face suddenly appeared in her mind. She shook her head and said, "I do not want to marry him. I want to be with Xiao Qing..."

### **Chapter 1897: Something Happened in Spirit Beast Mountain**

In that instant, Nan Xian glanced at Tang Yin coldly, causing Tang Yin to shut her mouth suddenly.

'Oh, so this dog will not allow me to go near Xiao Qing, then I will be her cousin's sister-in-law! In the future, Gu Yiyi and I will be his elders. I want to see how he will drive us away!'

Feng Ruqing smiled, did not stay any longer, and went to the study room with Nan Xian.

\*\*\*

Inside the study room...

Tianya frowned as if he was thinking of something serious.

The door pushed open.

He looked up and saw two familiar figures pushing open the door and walking in.

Tianya stood up and smiled as he walked toward them.

“Qing’er, Nan Xian, you’ve come out?”

Back when he first met Feng Ruqing, he was very disapproving of this kid, Nan Xian.

After all, he had not even met his granddaughter yet, and she had already married someone, so it was a little upsetting to think about it.

However, over time, he could gradually accept Nan Xian.

Moreover, Nan Xian had sacrificed a lot when Feng Ruqing was unconscious for two years. Even his hair had become as white as snow...

“When are we going to find the Nan family?”

Feng Ruqing lowered her gaze.

The Nan family had not only tried to hurt Suyi, but they were the real culprit who had spread the news about Tang Yin, inciting the battle in General Manor two years ago.

The old and new grudges would be settled together!

“There have been some changes in Land of No Return in these few days. Do you still remember Spirit Beast Mountain?”

Spirit Beast Mountain was where Feng Ruqing went when she first came to Land of No Return.

And that was the place she had met the group of leopards.

“What happened to Spirit Beast Mountain?”

“Recently, the spirit beasts on Spirit Beast Mountain all seem to be crazy. I suspect that Nan Fang must have done something to them. The Nan family has controlled all the spirit beasts in Land of No Return. The old master Nan said that Nan Fang has a drug that can make people confused. He is relying on this drug to get the spirit beasts.”

The spirit beasts had always been arrogant, and it was hard to tame them.

Because of the drug in his hands, he could control those spirit beasts and use them as his slaves. Nan Fang was also called a god-like figure by the Nan family!

“What else does Nan Fang need these spirit beasts for?” Feng Ruqing frowned.

Initially, Nan Fang was weak, and he needed the spirit beasts to consolidate his power, but now that he had reached this level, he should not require the spirit beast.

"I'm not sure. Maybe... He feels that all the spirit beasts belong to him, and he does not want others to have them." Tianya sneered.

Feng Ruqing lowered her gaze. "The spirit beasts don't belong to anyone. They have the right to choose their master."

Feng Ruqing had never forced the spirit beasts to work with her.

She only used some offer of benefits to tempt them.

It was equivalent to an employment relationship, which later developed into a master-servant relationship.

However, if any spirit beast wanted to leave, she would not stop them.

Every spirit beast had the right to choose for itself!

"I don't know much about the details. Spirit Beast Mountain is not safe now, Many people have been attacked there, and if I'm not mistaken, Nan Fang is hiding something in Spirit Beast Mountain. That's why he had driven all the spirit beasts crazy to stop others from approaching Spirit Beast Mountain..."

#### **Chapter 1898: Trust**

'So, what is Nan Fang hiding?'

Feng Ruqing stroked her chin and pondered for a moment.

Suddenly, she laughed out loud.

"Grandfather, Suyi once said that the Nan family has many formations. It's not impossible to break in. It just takes a little longer, so... Since Nan Fang doesn't allow anyone to go near Spirit Beast Mountain, why don't we just go there and force him out?"

"What's more..."

A cold light flashed in Feng Ruqing's eyes. "I want to know why the spirit beasts are going crazy."

"Alright..."

Tianya nodded. "Then, I'll start preparing now, and we'll go to Spirit Beast Mountain tonight. I want to kill that bastard!"

Smiling, Feng Ruqing turned around and walked toward the door.

She saw Suyi standing in front of her from a distance, and she slowly walked to Suyi's side.

"Grandfather and I have decided to go to Spirit Beast Mountain. Nan Fang will come and stop us. Even if he is unwilling to leave Nan City, he will definitely come. Do you... Want to go with me or...?"

Suyi smiled faintly. "Of course we'll go together."

Her answer was what Feng Ruqing had expected.

After all...

Suyi's hatred for Nan Fang was not less than theirs.

"Well, then I'll go prepare some herbal dishes, and I also have to see Xia Xia."

Feng Ruqing always worried about Xia Xia.

Xia Xia was still young, no matter how strong she once was, she could not protect herself now.

"Alright..."

Suyi smiled. "I also have to do some preparation."

Feng Ruqing nodded and turned around, walking toward the backyard.

Nan Xian kept following her smilingly.

"Qing'er, I'm always with you."

Feng Ruqing paused and smiled. "I know."

No matter what, Nan Xian would always stay with her.

When Feng Ruqing stepped into the courtyard, she saw Qiu Hui playing with Xia Xia.

Two years ago, after Qiu Hui knew something had happened to General Manor, she rushed back, and she was the one who brought Xia Xia back.

"Qiu Hui..."

Qiu Hui stood up and turned to look at Feng Ruqing: "Maiden Feng, you're here?"

"Qiu Hui, we will be leaving General Manor tonight. I will leave Xia Xia in your care." Feng Ruqing's voice was as firm as her expression.

Qiu Hui froze for a moment, she lowered her head and suddenly laughed out loud.

"When the people of Nine Gate wanted to take Xia Xia away, you should know that I am a venerable member of Nine Gate. Now you are leaving, but you want to leave her in my care? Are you not afraid that I will bring her to Nine Gate?"

Feng Ruqing smiled faintly. "I trust you. If you want to take Xia Xia away, you had many opportunities in those two years when I was unconscious. Everyone else is coming with me tonight, and the only one I can trust is you."

Qiu Hui froze; she felt a sense of warmth filling her heart.

She was a member of Nine Gate.

Yet, Feng Ruqing still trusted her.

This feeling of trust warmed her heart.

"Moreover..." Feng Ruqing paused. "I believe in Grandfather. He had such a good relationship with you before proves that you're a good woman."

Qiu Hui was speechless.

'Maiden Feng, have you forgotten about Feng Lianqing?'

Tianya had taken Feng Lianqing in. She looked quiet, and no one would have expected that she would cause so much trouble in the end...

## **Chapter 1899: Something Happened in Spirit Beast Mountain I**

"Mother..."

Xia Xia pounced over and hugged Feng Ruqing's thighs; she looked at her without blinking.

"Are you and Father going out again?"

Feng Ruqing looked down at the little girl in front of her, smiled, and stroked her small head. "Well, this time, we have some things we need to take care of. Xia Xia, just listen to your Aunt Qiu at home. We'll be back soon."

"Oh..."

Xia Xia was a little lost; her eyes were full of reluctance. "Father and Mother, you must come back as soon as possible. I'll wait for you at home."

Feng Ruqing did not say more; she turned to look at Nan Xian and smiled.

"Nan Xian, we can go now."

"Mm..."

Nan Xian nodded. He reached out and pulled Feng Ruqing into his arms. "Let's go, don't let them wait too long."

Suyi and Tianya got ready quickly, and now they were probably ready to leave.

Tang Yin appeared behind Feng Ruqing. She bit her lip and stood silent for a few seconds before walking up to Feng Ruqing.

"Xiao Qing, can I go with you?"

Feng Ruqing was slightly stunned. She turned to look at Tang Yin, pondered for a while. "You and Xiao Ya stay here. I need more people in General Manor to protect Xia Xia. Don't worry. We won't go for too long this time. We'll be back soon..."

"Oh..."

Tang Yin pouted. At such a time, she wanted to accompany Feng Ruqing.

However, she understood that with her strength, even if she went, she would only be a burden to Feng Ruqing.

Tang Yin clenched her fists tightly; she became more determined.

Previously, she had never thought of trying to cultivate, and even the Tang family did not allow her to cultivate. However, after she met Feng Ruqing, she somewhat understood how important it was to be strong and not only rely on others...

If she were stronger now, she would have already followed Feng Ruqing and fought with her, rather than watching her from behind.

Xiao Ya opened her mouth, wanting to say something, but she stopped herself.

"Don't worry. You can leave this place to us."

Her voice was beautiful.

That one accident had made her shed her scarred skin and regained her voice.

"Mm..."

Feng Ruqing nodded slightly, she looked at Xia Xia with some reluctance, and finally turned toward the main gate.

Xia Xia stared at Feng Ruqing, and she somehow felt a sense of unease in her heart. Her eyes were wet with tears.

"Xia Xia..."

Qiu Hui squatted and said gently, "Don't worry, they will be back soon. I will take care of you during this time."

Xia Xia nodded. She understood that this time her parents would do something very important. Even if she did not want them to leave, she could not stop them.

After all, she had to be a good and obedient child so that her mother would love her more.

Qiu Hui let out a soft sigh as she raised her head and looked up into the sky...

'I hope Nine Gate will not interfere in this matter. Otherwise, I can't help them if anything happens to them...'

She grew up in Nine Gate, and she was also a member of Nine Gate for years. She still cared about Nine Gate and was worried.

However, she understood that what Nine Gate had done to Xia Xia and Feng Ruqing was really unacceptable!

## **Chapter 1900: Something Happened in Spirit Beast Mountain II**

In Spirit Beast Mountain.

The entire mountain looked desolate.

The leopard clan followed Feng Ruqing into this place again, and they were all quite heartbroken.

After all, this mountain was where they had lived for many years, but now it had become so desolate and lifeless.

From afar, they could already sense powerful energy hidden within Spirit Beast Mountain, and they could not help but walk more cautiously.

Feng Ruqing brought Ah Hua and other leopards with her because they were more familiar with this mountain terrain, so it was convenient to make any move.

"The old master Nan once mentioned that Nan Fang was using a drug to make the spirit beasts lose their minds and finally obey him."

"I guess..." Feng Ruqing frowned. "He has probably used a root from an enchanted tree to make the drug."

The enchanted tree was an ancient tree that grew in the deepest part of Spirit Beast Mountain.

It was rumored that anyone who got close to this tree would be mentally affected and lose their sanity.

Feng Ruqing did not know how Nan Fang had obtained it, but she had a way to remove its effect.

"I have prepared some spirit herbs here. I will use the spirit herbs to boil the soup. Ah Hua, you think of a way to lure all the spirit beasts here and make them drink the soup. It can help them regain their senses. I'm afraid only these spirit beasts know what happened in Spirit Beast Mountain."

"Yes, Master," Ah Hua answered obediently and left with the leopards.

Feng Ruqing took out all the pots and pans and used the tree branches to light a fire and set the pot on top of the tree branches.

Nan Xian, Tianya, and the others stood quietly, listening to the movements around them.

Only the sound of the wind whistling past, but that powerful oppressive energy did not dissipate.

A few minutes later...

A faint aroma wafted out of the pot.

Wild footsteps came from not far away.

Feng Ruqing looked up and saw that the leopards were chased by a group of spirit beasts behind them.

The group of spirit beasts looked fierce with red eyes and open mouths, ready to bite.

Fortunately, the leopards were very fast and dodged the bites.

Feng Ruqing was stunned.

She had asked the leopard to lure the spirit beasts over, and it seemed that the way they had lured them over was not very friendly.

She felt that these spirit beasts were ready to tear the leopard apart...

However...

When the group of spirit beasts approached, a refreshing aroma forced them to stop in their tracks.

The Nan family was very petty.

They thought that these spirit beasts had been bewitched and could never betray them.

Therefore, they would rarely feed the spirit beasts and mostly leave them to eat some leaves and fruits in the forests.

When they smelled this tempting aroma, all the spirit beasts could not help but walk toward the pot...

A wolf ran the fastest.

That wolf looked a bit like a snow wolf.

It rushed straight to the pot, and out came its tongue to lick the herbal soup inside the pot. The other spirit beasts also came forward and tried to get some of the soup, afraid that they would not have a chance to taste it...
