

Overbearing 1901

Chapter 1901: Something Happened in Spirit Beast Mountain III

This group of spirit beasts quickly lapped up the whole pot of herbal soup.

They were like wolves seeing meat; eyes were flashing with madness.

Once the spirit beasts drank the herbal soup, they were no longer as hungry as before and no longer chased the leopard; they turned around and wanted to leave.

But just at this moment...

The wolf that was the first to drink the soup suddenly fell to the ground and let out a wailing sound.

"Howl!"

This sound was so miserable that it seemed to have a chain effect, and the other spirit beasts were also in pain and could not stand up, as if their internal organs were in severe pain.

When the leopard saw such a miserable situation, it subconsciously trembled and took a few steps back.

'Master said she wanted to help the spirit beasts regain their senses? But why does it look like she's trying to kill them?'

Time passed.

The sky was already dark.

The group of spirit beasts was much better. They spat mouthfuls of dirty blood.

Their eyes were no longer red and had become as clear as water.

"Ah Hua, you go and lure all the other spirit beasts over again. I'll prepare another batch of soup."

"Yes, Master."

Ah Hua howled and led the leopard group toward the depths of Spirit Beast Mountain...

Nan Manor.

Within the majestic study room, Nan Fang's expression was cold as he listened to the report from his men. He slowly stood up and said expressionlessly, "Tianya went to Spirit Beast Mountain? Hahaha! They have a death wish! I already know about that. How is Nan Luo doing in Nine Gate?"

"Master, the people of Nine Gate did not suspect anything. She is being treated very well there."

The old man's voice trembled a little when he said this.

He had witnessed how Nan Fang killed Nan Luo and how she was reborn by taking the girl's body.

If he could do such a ruthless thing to his daughter... No one knew what would happen to the people in this mainland if he ruled Land of No Return.

Initially, the Nan family enjoyed the help that Nan Fang brought to them.

The Nan family could have a powerful spirit beast on hand because of him, and no other forces dared to mess with the Nan family again.

Moreover, the young master of the Nan family, Nan Feiyu, was also the reincarnation of their great ancestor.

The Nan family soon would regain their glory.

However, later, he noticed that Nan Fang was crueler than he thought.

It made people scared of him...

"Hmm..." Nan Fang's face was expressionless. "Watch Nan Luo carefully. We can't allow her to have any chance to betray us again! If she dares to do so, just bring her back, and I'll get someone else in!"

The old man trembled and lowered his head.

Nan Fang sneered. "She has betrayed me once before. Of course, I'll be more careful with this girl. I've treated my daughter well. After all, when she is Nine Gate, she can enjoy what she cannot enjoy in the Nan family, and this kind of opportunity, I will not give to others."

The old man was silent.

'Perhaps Young Lady does not want such an opportunity. What she wanted more was to live well...

'But Master was so determined that no one could persuade him and stop him from killing her daughter...'

"Yes, Master," the old man replied respectfully.

"You can go now."

He waved his hand indifferently, his face expressionless.

The old man turned around and left the study room.

Chapter 1902: Nan Luo's Thoughts

Nine Gate.

In the middle of the quiet courtyard...

The young girl stood in front of the window, stretched out her fingers, and allowed a flying bird to land on her fingertips.

She then withdrew her hand and turned to the servant, who was serving her smilingly.

"Give the menu I want today to the kitchen."

"Yes, Young Lady."

The servant led the order and retreated.

Once all the servants left, the smile on the young girl's face suddenly disappeared. She grabbed the bird's beak and pulled out a slip of paper from its mouth.

The slip of paper was very thin and long, and it was stained with the bird's saliva.

The young girl's face changed dramatically after she saw what was written on the white paper.

"In a few days, make sure that the people of Nine Gate go to Spirit Beast Mountain! If you fail to do so, you will be responsible for the consequences!"

This handwriting was too familiar to the young girl, and she lowered her gaze to cover the hatred in her eyes.

But after hearing the sound of footsteps outside the door, she thought no more. A flame appeared from her palm, and she quickly burnt the note and cleaned the ashes.

Creak!

The door of the room was pushed open.

Hui Yan walked in through the door smilingly. He glanced at the bird in the young girl's hand and did not react to it.

"You'er, how are you today?"

Nan Luo smiled faintly. "Father, I'm fine. You don't have to worry about me."

"Good..." Hui Yan touched her head as he smiled warmly. "Can you... Tell Father who kidnapped you?"

Nan Luo panicked a little. She lowered her head and looked somewhat sad.

Hui Yan's heart ached, and he could not bear to press on again.

"It's fine if you don't want to say it. I will go and find out by myself. No one can bully my daughter."

At that moment, Hui Yan's words hit Nan Luo's heart hard.

She raised her head, and tears welled up in her eyes.

"Yu'er, what's wrong? Are you feeling uncomfortable? Do you want a physician to take a look?"

Nan Luo wiped the tears from the corner of her eyes and lowered her head.

"I'm fine. I'll be fine after resting for a while."

'How great would it be if... Hui Yan is my father... '

No one had cared about her... Except Suyi...

Even though Suyi said nothing, she still saved her from her mother's punishment.

But then...

Why did Suyi suddenly hate her?

Nan Luo bit her lip hard, sobbing in her heart.

If only there were no Feng Ruqing...

Suyi would not have misunderstood her, and she would not have suffered like today...

However, compared to Feng Ruqing...

The person she wanted to destroy more than anything else was Nan Fang!

"Father..." Nan Luo raised her head. "It's not that I don't want to talk about it... Actually, I don't remember what happened to me. But... I remember a place called... Spirit Beast Mountain?"

'Spirit Beast Mountain?'

Hui Yan fell silent. He had heard about the strange thing that happened in Spirit Beast Mountain this past few days.

However, he was busy with her daughter and had no time to care about others.

'Could it be that... The person who kidnapped You'er has something to do with Spirit Beast Mountain?'

Hui Yan looked down. "It looks like I have to send my Nine Gate to Spirit Beast Mountain!"

Chapter 1903: Sending Yourself to Death's Door

Nan Luo smirked.

'Nan Fang, I should thank you for giving me this opportunity!

'And I will grasp this opportunity, never letting it go!'

Spirit Beast Mountain was quiet as always.

However, the spirit beasts all over the mountain had followed Feng Ruqing, and their eyes were no longer as fierce as before.

"This should be the last group."

Feng Ruqing frowned. "But why hasn't the Nan family come yet?"

If these spirit beasts were important to the Nan family, Nan Fang should be afraid and would have come over to stop them long ago.

Unfortunately, he did not come!

They had not seen anyone from the Nan family since they came to Spirit Beast Mountain.

Nan Xian walked toward Feng Ruqing. "I don't know what the Nan family is planning, so we should be careful."

“Hmm.”

Feng Ruqing nodded. She then turned to the group of spirit beasts in front of her.

“Before we came, did the people from the Nan family come to Spirit Beast Mountain?”

These spirit beasts were quite strong and could speak like a human, so after hearing Feng Ruqing’s words, a wolf slowly opened its mouth.

“The people of the Nan family have not come to Spirit Beast Mountain. However, I vaguely remember that they have asked us to guard something.”

“What is that?”

“I’m not sure. It is in the depths of the mountain range. We’ve never been inside because the Nan family did not allow us to enter.”

Feng Ruqing turned to Tianya. “Let’s go see?”

“Alright...” Tianya nodded. “I, too, want to know what he is hiding in the depths of Spirit Beast Mountain!”

“Hmm...” Feng Ruqing looked down. “Although these spirit beasts have regained their sanity, there are many traps in Spirit Beast Mountain. We’d better leave during the day.”

Some traps were laid by the Nan family, and these spirit beasts rarely walk around outside, so it was not practical to rely on them alone.

“Spirit Beast Mountain is indeed safer during the day than at night. We will camp for the night and leave tomorrow morning.”

This time they did not bring many people.

Apart from Feng Ruqing’s family, there were only Tang Yin and Feng Lianqing, and a few guards with good strength.

Soon, those guards set up the tent and stood by, respectfully waiting.

It was already late.

Tianya had just settled down to rest when his ears suddenly twitched, and he instantly opened his eyes.

“Who is it?” His voice was cold.

Suddenly, a laugh came from behind him.

Tianya turned to look and saw an old man approaching him slowly.

A beautiful young girl followed this old man. There was also a group of skilled masters, staring at Tianya sternly.

Tianya clenched his fists and sneered. “These days, I’ve been busy dealing with the Nan family. I haven’t had the time to settle accounts with Nine Gate. But I didn’t expect you to come to me!”

Hui Yan laughed out loud. "Tianya, long time no see. Your temper is still bad, but this time I am not here to argue with you. I am here for my daughter..."

Chapter 1904: The Unforgettable Hatred

'Nine Gate!'

A burst of anger surged in Feng Ruqing's heart!

She would never forget how Nine Gate had tried to abduct her daughter.

She almost lost Xia Xia, and it was all because of Nine Gate!

Feng Ruqing's heart was burning with anger as she looked at the people from Nine Gate with eyes filled with murderous intent.

Nan Xian looked up and glanced at them coldly.

"Your daughter?" Tianya sneered, he glanced at Nan Luo coldly.

With just one glance, he already had a bad feeling about this girl.

He had seen Hui You before, but he did not feel this way. This time, he did not know what was wrong that made him feel uncomfortable with this girl around him.

"Mother..."

Fu Chen's soft voice came from the medium. "There's something familiar about that woman's scent."

Feng Ruqing was slightly stunned. She frowned as she looked at Hui You.

"Are you sure?"

"Yes, her breath is not emitted by the body. I can feel the breath of her soul... Very familiar, as if I had seen her somewhere, but I can't remember..."

Fu Chen was a bit distressed.

He had met so many people these years, so it was really difficult to figure out why this breath would make him feel familiar.

"There's something wrong with this woman."

Feng Ruqing and Nan Xian looked at each other.

Even though they did not yet know why her scent was familiar, but... Fu Chen had said so; then they must have seen her before.

Only this face was indeed unfamiliar...

"Yes!" Hui Yan's face was cold. "My daughter has lost some memories. I brought her here to find her memories again. Tianya, I hope what has happened to my daughter has nothing to do with you. Otherwise, I will definitely not let you go!"

"Haha!"

Tianya laughed sarcastically.

“You think I would let you go?”

Tianya laughed again. “You tried to snatch Xia Xia back then. I never had time to settle this score with you, but do you think I have already forgotten or didn’t dare to find you?”

He had never forgotten the hatred.

It was only because there were too many things going on during this period that he did not have the time to take revenge.

He had been overwhelmed by anger after what Nan Fang had done to General Manor and only wanted to settle accounts with the Nan family.

But after the Nan family... Nine Gate would be next!

Hui Yan sneered. “She can only be better trained if she is in Nine Gate. We are doing it for her good, but you don’t understand anything and stubbornly insist on limiting her future.”

Feng Ruqing suddenly stepped forward.

The woman’s eyes were cold and her face expressionless. “Xia Xia’s future?”

“Her future will be ruined by Nine Gate! Just like your daughter, so weak. Where is her future?”

“How dare you!” Hui Yan was furious.

Feng Ruqing smirked. “Or, can you consider leaving her with me for the sake of her future?”

“You...” Hui Yan pointed at Feng Ruqing angrily.

“Tianya, your granddaughter is so vicious that she wants to snatch my daughter. Ridiculous!”

Chapter 1905: Her Familiarity

Tianya looked at Hui Yan coldly. “So you’re not vicious if you want to snatch our Xia Xia, but my granddaughter is vicious when she only says a word? The people from Nine Gate are really powerful, making me admire them to the core!”

Tianya laughed sarcastically and clapped his hands.

Boom!

Hui Yan’s eyes were red, and his entire body emitted a cold aura.

Nan Xian walked up to Feng Ruqing and stood next to her.

“Father...”

Suddenly, a soft voice came from the side, causing Hui Yan’s cold aura to fade away.

“We came here to make me recall what happened, so don’t take it too seriously with them. It’s late now. Can we also camp here?”

She smiled warmly.

Immediately, Hui Yan's anger subsided, and he glanced at Tianya and the others.

"For the sake of my daughter, I will not bother with you today."

"Your word does not count here."

Tianya laughed out coldly.

However, just as he was about to strike, Feng Ruqing suddenly raised his hand and stopped him.

Tianya froze and turned to look at Feng Ruqing, his gaze blank.

"Qing'er..."

"I'm tired. Let's rest first. We'll talk about other things later."

Faced with Feng Ruqing's decision, Tianya was puzzled.

However, he understood that Feng Ruqing must have her reason, so he did not say more. He grunted coldly and walked toward the tent.

Feng Ruqing and Nan Xian glanced at the crowd for the last time and left.

Hui Yan turned away from them and looked at Hui You with a much gentler look.

"Yu'er, let's stay away from these people. We don't know what they will do in secret."

"Alright..."

The young girl lowered her head and smiled faintly, hiding the cold light in her eyes.

Tianya sat down inside the tent, stared at Feng Ruqing in front of him, and asked.

"Qing'er, tell me. What's going on?"

Feng Ruqing and Nan Xian looked at each other before looking at Tianya.

"That girl called Hui You... Something is familiar about her."

"Familiar?"

"Yes. Fu Chen told me that her scent is familiar, but I'm sure that I haven't seen her before, so... I want to know what she wants from us?"

Tianya was slightly stunned, and the doubt in his gaze grew even more.

Nan Xian smiled and said, "I also feel something weird about her. Her breath makes me very uncomfortable."

It was not only Feng Ruqing who felt this way; even Nan Xian felt the same.

Tianya pondered for a moment. "Hui Yan does have a daughter. His wife died in childbirth, so he loves his daughter so much."

"If you said there's something wrong with that girl... What should we do now?"

"Wait!" Feng Ruqing frowned. "I feel that she will come to me!"

Tianya stood up, panicked. "Then, you can't meet her again!"

He must not put his granddaughter in danger.

Feng Ruqing smiled and shook her head. "Don't worry. She can't hurt me. I need to find out who she is. Even if we secretly kill her, maybe there will be other conspiracies behind the scenes. So now, we can only wait for her to reveal her identity, and I feel like... All this is related to the Nan family."

Chapter 1906: Her Purpose?

"The Nan family?"

"Indeed!" Feng Ruqing smiled faintly and said, "How is the relationship between the Nan Fang and Nine Gate these days?"

Tianya pondered for a short while. "I don't know what happened between them. Before this, both of them had reunited. I recently heard that there's a conflict between them, and they have lost contact since. Maybe Nine Gate can't bear with Nan Fang's evil behavior?"

Tianya sneered.

'If the Nan family is evil, then what about Nine Gate? They're just the same!

'One has lost his morality and killed people recklessly, while the other one has tried to separate a mother with her daughter!'

Therefore, he did not feel good about both Nine Gate and the Nan family.

"It's getting late..." Feng Ruqing raised his eyebrows. "State Preceptor, I'm going to wait for Hui You. You stay here with my grandfather."

Nan Xian frowned. "I'll join you."

"No..." Feng Ruqing shook her head. "If you are there, she will not appear. I can feel that she is coming for me."

Nan Xian stared at Feng Ruqing, and after half a second, he nodded gently.

"Alright. If something happens, just call for me, and I'll be there instantly."

"She won't dare to make any move because Hui Yan is here, and with her strength, there's nothing to be worried about."

"Mm..."

Nan Xian smiled faintly.

Feng Ruqing did not stay; she turned and walked toward her tent.

The night in Spirit Beast Mountain was very quiet; even the spirit beasts had returned to their territory to rest.

Feng Ruqing entered her tent; she lay down to rest.

The moonlight poured in from outside the tent and fell upon her body.

Suddenly, a sound of footsteps came from outside the tent. Feng Ruqing slowly opened her eyes and smirked.

‘It looks like she has really come to find me!’

As expected, the tent’s flap was lifted, and a young girl in a long green dress stood under the moonlight.

She smiled gently. “Maiden Feng...”

Feng Ruqing sat up from the bed and asked with a faint smile, “You have come to see me?”

“Yes...” Nan Luo slowly stepped inside the tent. “I heard that Tianya has been fighting against the Nan family recently, but this Nan family is not so easy to deal with. I wonder if Maiden Feng would like to join hands with me?”

“Join hands?” Feng Ruqing sneered. “Nine Gate wants to steal my daughter, and do you think I would still want to work with Nine Gate?”

Nan Luo smiled. “I can apologize on behalf of Nine Gate. My father has always listened to me, and I can also guarantee that such things will not happen again.”

“And then?”

Feng Ruqing smirked. “What do you want us to do?”

“It’s simple. Join hands with me and exterminate the Nan family!”

A flash of hatred flashed behind Nan Luo’s eyes.

She wanted to destroy the Nan family so she could stay in Nine Gate forever and never have to be threatened again.

“What if...” Feng Ruqing frowned. “I refuse to?”

Nan Luo smiled and walked toward Feng Ruqing. “Maiden Feng, you have no choice now. After all... You don’t want Nine Gate to unite with the Nan family. You can see that my father will always obey me. I hope you will think about it again.”

Feng Ruqing was stunned.

‘Obey you?’

A biological daughter would never say such words about her father.

This girl had confidently and arrogantly said that her father would always obeyed her!

Chapter 1907: She is Nan Luo I

Feng Ruqing smiled coldly and walked toward Nan Luo.

“What will happen if I don’t agree?”

She maintained the calmness in her voice as she looked intently at Nan Luo, trying to find something from her face.

Nan Luo sneered. “I disappeared some time ago. Later, I told my father that I forgot what had happened during that time. If you disagree with me, I will tell my father and say that it was the people from Tianya’s manor who kidnapped me in the first place. By then, he will join hands with Nan Fang. Maiden Feng, I hope you can think about it properly.”

Feng Ruqing stared at Nan Luo expressionlessly, and it made Nan Luo a little panicked.

Nan Luo bite her lip hard, forcing her heart to calm down.

“Why do you want to join forces with us?” Feng Ruqing asked coldly.

Nan Luo was silent for a second. “I just can’t see what the Nan family is doing.”

“Is that so?” Feng Ruqing smirked, staring at Nan Luo.

Her tone was so indifferent that there was no hint of emotions, and Nan Luo was unsure if the woman believed in her.

“Maiden Feng, we don’t know each other. What reason do you think I have to deceive you?” Nan Luo forced her heart to calm down and sneered. “You can only choose to believe in me now. Otherwise, you have no idea what other plans Nan Fang has.”

“Plans?”

Feng Ruqing looked up at Nan Luo.

Nan Luo sneered. “Yes. What Nan Fang wants is not just Land of No Return. There is someone else behind him. He wants to conquer the world.”

“And...” Nan Luo lowered her eyes. “Nan Fang’s son, Nan Feiyu, is not related to Nan Changfeng.”

“Nan Changfeng?”

Feng Ruqing was stunned.

Nan Luo took a deep breath and continued, “Nan Changfeng is the ancestor of the Nan family. He once made a promise that he will return to the Nan family. That’s why the Nan family always prioritizes male heirs.”

The old master Nan was an exception. He only had a daughter, Suyi, and he loved her more than anything else.

"Nan Fang has announced that Nan Feiyu is Nan Changfeng. He did so to make sure all the members of the Nan family submitted to him."

Feng Ruqing was speechless.

She surprisingly did not know about this matter.

"But Nan Feiyu is not related to Nan Changfeng. I don't know what Nan Fang has done to make the world believe in him." A cold light flashed in Nan Luo's eyes.

"Moreover, Nan Fang has some other purposes, and I am not clear about that. But I can only tell you one thing. There is someone behind Nan Fang, and he is working for that person. If this continues, I am afraid that many people in the world will suffer..."

Feng Ruqing fell silent, her gaze was fixed upon Nan Luo's face, and she asked, "How do you know all this?"

Nan Luo panicked, she looked up at Feng Ruqing with a pale face.

"Because the person who kidnapped me is Nan Fang. I heard it by accident."

This was something that Nan Luo had heard when she was locked in the Nan family two years ago.

She knew that if she wanted to join forces with Feng Ruqing, she had to make Feng Ruqing trust her.

Chapter 1908: She is Nan Luo II

"Oh..."

Feng Ruqing responded with a smile. "I got it."

Nan Luo was stunned and hesitantly asked, "Then..."

"I have to discuss it with Nan Xian."

Hearing this name, Nan Luo's expression showed a flash of pain.

Even though she hid it well, Feng Ruqing still noticed it.

Feng Ruqing nodded and smiled. "You go back first. Otherwise, your father will notice you're missing."

"Alright..."

Nan Luo turned and looked at Feng Ruqing. "I hope you can give me an answer as soon as possible."

She stepped out of the tent after saying that.

The moonlight poured down and fell upon Nan Luo's pale face.

She looked back at the tent behind her with intense coldness in her eyes.

'I'll use these people first to settle Nan Fang!

'Feng Ruqing, I'll let you go for now!'

Inside the tent.

Feng Ruqing sat in front of the table and poured a cup of tea when the tent's flap was suddenly lifted.

She looked up and smiled gently as she saw the man who entered her tent.

"State Preceptor..."

"Are you done talking?"

Nan Xian took his seat next to her and smiled.

"Well..." Feng Ruqing took a sip of tea. "I think I know who she is."

"Who?"

"Nan Luo!"

Nan Xian was slightly stunned. He frowned, pondered for a moment but still could not remember who Nan Luo was...

"Someone from the Nan family?"

Her family name was Nan, so he guessed she must be from the Nan family.

Feng Ruqing was speechless.

"Yes. She's Nan Fang's daughter," Feng Ruqing said with a faint smile.

"Oh..."

He remembered that Nan Fang had a daughter but forgot what her name was and did not recognize how she looked. He only remembered that Suyi and Qing'er did not like her.

"What did she come to see you for?" Nan Xian frowned. "Did she hurt you?"

Feng Ruqing shook her head. "She is trying to join forces with me to deal with the Nan family. She's different now. Suyi once said the Nan family had hurt her countless times, but she still wanted to stay with them. Now she has Nine Gate... The Nan family is no longer important to her."

Suyi had a reason why she did not like Nan Luo.

That girl was quite arrogant outside because the Nan family was so powerful. She did not care about being bullied in the Nan family and refused to leave her position as the Nan family's young lady.

After all, no matter what her situation was in the Nan family, the people outside always looked at her as the high and mighty Young Lady Nan.

Now it was different.

She had the venerable Hui Yan of Nine Gate as her father, so she did not need Nan Fang anymore.

"I think it's Nan Fang who has helped her into Hui Yan's daughter's body. I don't believe Nan Luo has the courage to commit suicide and then possess another person. Now, she wants to kill Nan Fang so that no one will know her real identity anymore."

Chapter 1909: She is Nan Luo III

Feng Ruqing sneered. Suyi did not like Nan Luo at first, when it was really Nan Luo's problem.

There were some things that outsiders were able to see through at a glance.

"And you agreed?" Nan Xian asked with a smile.

"Not yet, but there is no harm in agreeing to her." Feng Ruqing shrugged. "But when Nan Fang knows that Nan Luo has betrayed him, he will definitely kill Nan Luo, not giving her any chance."

Nan Fang had always been proud and arrogant, and he hated a betrayer the most.

"Alright..." Nan Xian stood up, raised his hand, and touched Feng Ruqing's head. "I'll follow you. Let the father and the daughter kill each other, and Nine Gate..."

Nan Xian lowered his eyes; a cold light flashed in his eyes.

"They're digging their graves!"

Feng Ruqing smiled.

"It's late now. Let's rest up for now." Nan Xian extended his hand and pulled Feng Ruqing into his arms, his fingers caressing the woman's lips. "Xia Xia said she wants a sister."

The moonlight poured like water.

The man waved his hand and extinguished the candle flame on the table. He wrapped his hand around the young girl, and the two landed on the bed inside the tent.

Nan Luo suddenly realized that she had not seen Nan Xian tonight. Perhaps, Feng Ruqing already knew that she would come and was waiting for her on purpose?

The more she thought about it, the more uneasy she became, and she turned back again.

From far away, she seemed to notice something... A figure in a white robe inside Feng Ruqing's tent.

Nan Luo clenched her fists tightly.

Nan Xian was so cold to her and had hurt her countless times.

Yet, she still could not forget him...

The man's beauty was so exceptional.

She fell for the man at first sight.

She had never thought of marrying anyone, and for the first time, after she met him, she had the urge to have a family...

The man looked so handsome and gentle the first time they met. Even if his tenderness was not for her, it also made her fall in deeply.

So, no matter how badly he treated her, she still could not remove this man from her heart...

Nan Luo closed her eyes sorrowfully and stood outside the tent; her heart was cold.

Suddenly...

A burst of power came from the tent and landed on her chest with a bang, sending her flying away into the night...

The next day.

Feng Ruqing walked out of the tent and saw many people surrounding her tent.

Among them were the angry voices of Hui Yan, which echoed throughout the sky.

"Tianya, your people are really shameless! You don't dare to fight with me, so you made a move on my daughter! Look at my daughter's injuries... All caused by you guys!" Hui Yan trembled with anger, staring hard at the old man in front of him.

Tianya looked at Nan Luo quite sympathetically, smiling. "I guess you did too many bad things, and your daughter has to pay for it. Whatever it is, we did not touch your daughter."

Chapter 1910: She is Nan Luo IV

"Who else is in this Spirit Beast Mountain besides us? If you didn't do it, could it be that I did it?" Hui Yan asked angrily.

"Maybe it was you who did it." Tianya raised his eyebrows, sounding arrogant.

Hearing the two arguing with each other, Feng Ruqing slowly walked out.

She then saw Nan Luo with a swollen face and some cuts.

Nan Xian glanced at Nan Luo coldly and frowned.

'It seems the strike last night was too light...'

"Grandfather..." Feng Ruqing walked toward Tianya and looked at Nan Luo, surprised. "Yesterday, when Nan Xian and I were going to sleep. But someone was hiding outside, eavesdropping in the corner. Nan Xian did not hold back and struck out. Could it have been her?"

Hui Yan's face darkened. "What are you talking about? How could my daughter do such a thing?"

"Oh..." Feng Ruqing looked a bit distressed. "I'm not sure. Hui You, why don't you tell us what happened to you last night?"

Nan Luo bit her lip hard, holding her anger. She then smiled and said, "Father, I could not sleep last night. I wanted to go out for a while to see if I could recover some memories, and I accidentally fell. I did not come to their tent last night."

Hui Yan looked at Nan Luo, frowned, and asked, "Really?"

He did not believe it. How could his daughter fall and hurt herself like this?

"Yes, it's true, Father."

Nan Luo turned to Feng Ruqing, signaling with her eyes for an answer.

Feng Ruqing smiled and nodded slowly.

Seeing her action, Nan Luo understood her meaning. She smiled and turned to look at Hui Yan.

"I think I've remembered who kidnapped me."

Hui Yan was stunned and rushed toward Nan Luo.

"You'er, you have really recalled that? Tell Father, who kidnapped you? Father will definitely not let them go!"

"I remember I was dragged to a dark room that day. That dark room was so scary. I stayed there alone for several days before I heard someone had come, and... They called him 'Master'..."

Nan Luo pondered for a few seconds. "It's Nan, the person who kidnapped me is Nan!"

Nan Luo raised her head in a panic; tears streamed down her face.

"He said he was going to use me to threaten Nine Gate!"

"You'er, how did you escape then?" Hui Yan's heart ached. His hands trembled with rage.

"He drugged me, saying that after I took it, I would act according to their orders, and he would release me. But I didn't take it because I knew that I would be just like those spirit beasts and would only obey the Nan family once I took it.

"I don't remember what happened later..."

Nan Luo was trembling, her face covered in tears, and her eyes were filled with a painfully frightened look.

Hui Yan's anger surged fiercely. He gritted his teeth. "Nan Fang!!!"

Surprisingly, it was the Nan family!

He had long known that Nan Fang and the Nan family were ambitious, but he did not expect that they would dare to touch his daughter!
