

Overbearing 361

Chapter 361: This is a Set Up II

'Is Tang Zi a traitor? Nonsense!'

Empress Nalan had been dead for many years. The original master did not understand the situation. Even so, Tang Zi had endured all the hardships and she had never given up.

'How is it possible that Tang Zi is a traitor?'

Tang Yin was stunned too.

It was impossible that Tang Yin did not know about Tang Zi who had served in the Iron-Blooded army. But, she had never guessed that Tang Yin came from the Tang family.

It seemed that Master Tang Yi was the one who had protected Tang Yin that year when she was being harmed by the Tang family.

"Xiao Yin..." Tang Yin turned and she was met with a pair of cold and distant eyes.

There was a deep anger in the young girl. The wind all around had become wild too.

Feng Ruqing was like a fierce lion. Tang Yin had never seen Feng Ruqing like that.

But, her being like that could calm people down.

Tang Yin bit her lip and she held Feng Ruqing's hand. It was like her action showed that she would always stand by Feng Ruqing's side no matter what happened.

'Forever! Never give up!'

"Master, all that I do is for Xiao Yin's sake."

Tang Yi had his own decisions.

He could choose not to believe Feng Ruqing. He also would never believe in Tang Yin.

'Maybe... there's really something between Young Master Nan Xian and Feng Ruqing.'

Tang Yi searched for a partner for Tang Yin before because he wanted a strong force as a protection for her. If Feng Ruqing did have some kind of relation with Young Master Nan Xian, then maybe... Feng Ruqing could protect Tang Yin too.

Tang Yi sighed softly.

'Xiao Yin, I can only do this much for you. If you don't like the Tang family, then just don't ever come back here...'

"Tang Yi!" Tang Luo's facial expression changed suddenly. He scolded angrily, "Tang Er, Tang Si, Tang Wu, go and take Yin'er away. I don't want her to turn rogue."

Elder Tang San was ordered to go and look for Tang Yu as he was not at the Tang family at the moment. There were only four elders in the Tang family.

It was apparent that Tang Yi wanted to side with Tang Yin.

Tang Er said nothing and did nothing. It seemed that he had ignored Tang Luo's command.

Tang Si and Tang Wu were prepared and ready. They walked toward Tang Yin.

"Stop!" Tang Yi was outrageous. The wild wind blew at his sleeves. There was a determination in Tang Yi's eyes. "I am here today. No one can touch Yin'er!"

He turned and looked at Feng Ruqing.

"Feng Ruqing, just take Yin'er away from the Tang family. I could hold them here."

Feng Ruqing seemed calm. There was no emotion which Tang Yi could see in her seemingly calm black eyes.

He continued talking. "I just ask for a favor. Please take care of Yin'er for me. I'll let you leave without a scratch today if you're able to take good care of her."

Yin'er was not Tang Yi's granddaughter but Tang Yi treated her like one because it was he who had taken care of her since young.

Tang Yi was also the only person who treated Tang Yin with a true heart in the Tang family.

Tang Er chose Tang Yin because of his strong friendship with Tang Yi.

Feng Ruqing was still silent. There seemed to be a great storm in her seemingly calm eyes.

She raised her eyes and scanned all the people present there. Suddenly, there was a cold sneer on her face.

"I came to the Tang family for a deal. Now, it seems that this reclusive world is not a big deal."

The Tang family was just labeling people as traitors because of what the others said.

'How could Tang Zi have endured all of this here for twenty years?

'If Tang Zi did not meet my mother, would Tang Zi still be alive now?'

Chapter 362: This is a Set Up III

There was growing anger in Feng Ruqing when she thought of this. It was like she had swallowed a lot of gunpowder and it almost exploded.

At first, Feng Ruqing disliked only Tang Luo.

The two elders of the Tang family were snobbish but it was normal. Feng Ruqing had no right to force others to sell the Five Spirit Grass to her.

But now...

She not only disliked the Tang family, but she also had a sudden urge to destroy the Tang family because of Tang Zi.

"Little girl, you're being arrogant! You're only a girl from the secular world. You have no right to humiliate our reclusive world."

Tang Wu moved fast and soon he was above Feng Ruqing's head.

He could see nothing and accept nothing. He fixed his cold eyes on Feng Ruqing. He smiled and sneered.

Feng Ruqing still remained calm under this strong pressure. She raised her eyes calmly. Her eyes seemed to be deep in thought.

'Dark Warrior tier...

'The elder from the Tang family is at Dark Warrior tier.'

"Stop!" Tang Yi was angry. He attacked Tang Wu with a palm directly.

Tang Si wanted to go and help but he was stopped by Tang Er.

Tang Luo saw that Tang Yi wanted to stop Tang Wu and his eyes soon darkened. He said, "Tang Yi, don't you want to know where Tang Zi is now?"

Tang Luo said those words calmly and he successfully distracted Tang Yi for a second. When Tang Yi recovered his senses and he wanted to stop the attack but it was already too late.

Tang Wu's attack soon fell on Feng Ruqing strongly.

Tang Wu still could not see any fear in Feng Ruqing up until that moment. It was just a fearless and sarcastic smile on her face.

Everybody in this world was afraid of death.

But, there was only a type of person who would never bow down even if they were going to die.

Tang Wu was stunned. He never thought that Feng Ruqing was that stubborn. But, she never should cling onto Young Master Nan Xian and destroy the Tang family's arranged marriage.

Suddenly, a soft wind blew and Tang Yin turned her body toward Tang Wu. She hugged Feng Ruqing tightly and she looked pale. Her eyes were closed.

"Little Lady!"

Qian Ning was in time to see that dangerous scene when she reached there. There was deep fear in her eyes and she could not help but cry.

"Yin'er, run away faster!"

Tang Wu saw that Tang Yin chose to stand against his attack and he soon felt nervous. He shouted immediately, "Quickly go! Hurry!"

It was too late!

Tang Wu could not retract his attack.

There was deep fear in Tang Wu and he seemed quite pale.

All the others were anxious and in despair.

They thought that Tang Yin liked Feng Ruqing just a little bit because she had never made any friends.

This kind of feeling was only temporary and it would soon be forgotten.

So, they would choose to attack Feng Ruqing even though Tang Yin was present.

But, nobody could have guessed that Tang Yin would protect Feng Ruqing like that.

That was a love which was so strong that life was disregarded!

Boom!

Suddenly, a white light emerged from Feng Ruqing's body. It was like a halo and it covered the two of them in that light.

Tang Wu's attack fell on the outside of that halo and rebounded. Tang Wu's body was flung away and he fell onto the ground.

There was a seemingly holy light on the young girl's face in the halo. She squatted down slightly and she hugged the little loli back.

Her hands were gentle and she patted Tang Yin's back.

"It's fine, Xiao Yin. We're fine."

Tang Yin's body shook heavily. It seemed that she was frightened just now.

Chapter 363: The Tang Family is Finished if She is Hurt

Although Tang Yin was so frightened that she might collapse any minute, she still chose to protect Feng Ruqing no matter what.

All the others were stunned but they subconsciously breathed a sigh of relief.

Tang Yin came from the Tang family and she was the hope of the Tang family's future. So, she must live!

However, they saw that there was a blurry shadow in front of the halo when they calmed down.

The man wore white clothes and he was handsome. He had a cold aura about him and he looked like a clean and pure lotus.

There was a heavy silence in Tang Manor.

It was pin-drop silence.

All the others' eyes fell on the blurry image in front of Feng Ruqing. There was deep fear in their eyes.

"Young Master Nan Xian?" Tang Luo was stunned. She did not know why Young Master Nan Xian was here.

No, it did not seem right. It was not the real Young Master Nan Xian but a mirage. Everybody understood now. But, even so, that image still represented Young Master Nan Xian.

That man seemed calm and serene. His beautiful voice was the voice of the devil now. All the people of the Tang family panicked.

"If I do not see Qing'er back home safe and sound in three days, I'll kill the whole Tang family!"

He stopped talking for a while before continue talking. "I don't want her to lose even one strand of hair. I know very well how much hair Qing'er has. I'll count her hair when she's back. If she loses even a strand of hair, the Tang family will cease to exist."

Feng Ruqing kept quiet.

Tang Yin who was shaking just now also remained silent.

The whole of the Tang family did not know what to say.

Tang Yi was the first one to recover his senses. Although he was disappointed that Tang Yin could not be Nan Xian's wife, it seemed that Tang Yin had found someone she loved. Moreover, the person she loved was Nan Xian's woman.

Hence, Tang Yin would always be protected by them. It was not much different from what he had wished before.

Tang Yi could finally breathe a sigh of relief.

Nan Xian's mirage disappeared after he finished talking.

Tang Luo stood there helplessly. He looked in the direction where the image of Nan Xian had just disappeared.

'Is Feng Ruqing really Nan Xian's woman?'

Tang Luo clenched his fist. He thought of that possibility. His facial expression worsened and it was an ugly sight.

But, he was not so daring as to want to attack Feng Ruqing again.

The Tang family had spent quite a lot of effort in order to make Tang Yin fall in love with Nan Xian. They had always talked about Nan Xian's gentleness and kindness.

But, nobody knew about Nan Xian's true characteristics.

They did not guess that Nan Xian was that cruel and cold just by looking at his handsome face.

Tang Wu was in despair and he was laying on the ground.

'It's over now. Feng Ruqing is really Nan Xian's woman.

'I... attacked Nan Xian's woman just now.'

"This is a misunderstanding." Tang Si wiped away the cold sweat on his forehead. He smiled and said, "Lady Feng, our Tang family did not mean that. It was done out of the provocation of others. We have misunderstood."

Feng Ruqing raised her eyes. Her calm gaze fell on Tang Si.

"A misunderstanding?"

She raised her hand and a sword appeared out of the air in her hand.

The sword cut at Tang Si's arm and the blood gushed out quickly.

Tang Si was a Dark Warrior now. Feng Ruqing would never beat him in a fight.

But, who was daring enough to want to attack Feng Ruqing now?

If she plucked out her hair intentionally and blamed it on the Tang family, Young Master Nan Xian would surely make the Tang family disappear from the face of the earth.

Tang Si decided to endure the pain as long as Feng Ruqing could release her anger.

Feng Ruqing stood up and her face showed no emotions. "My attack was a misunderstanding too. I hope that you won't mind."

She attacked again when she was finished talking.

Tang Si subconsciously avoided the attack this time. He did not want to endure another attack.

He was unable to avoid the attack when he saw that Feng Ruqing had opened her sleeve and was looking for her own hair.

Tang Si was so frightened that his body froze and did not dare to move an inch.

Chapter 364: Feng Rushuang? I

Tang Si's body was flung away from the sword's attack. The blood on his chest dirtied his clothes. His face was pale. He fell backward in an awkward manner.

Both Tang Wu and Tang Luo were stunned looking at that scene.

They saw that Feng Ruqing had thrown her glances over at them. They soon felt that there was cold air rushing toward their heads. They could not even move their feet.

"Yin... Yin'er..." Tang Wu almost burst into tears. "Quickly tell Lady Feng how we have treated you all these years. Now, we know that it really was a misunderstanding. Can you ask her to stop given that we have taken care of you all these years."

Tang Yin was stunned at first. She was skeptical. Then, her hesitance became helplessness.

“And you are?”

Tang Wu’s old face froze at that. He could not even bring himself to smile just a bit.

It was a waste, how he had treated Tang Yin all these years. He had treated her nicely. But, Tang Yin refused to admit her relation with him.

Feng Ruqing held her sword in her hand and walked toward Tang Wu slowly.

“Xiao Qing...” Tang Yin was angry. “This old man was really too wicked. How dare he tried to claim that I’m related to him! I’m from the princess’s manor. I have no relation with that old man. You need to teach him a lesson for me.”

Tang Yin was not one of them anymore when they had decided to attack Feng Ruqing.

‘The Tang family’s destiny has nothing to do with me now!’

Tang Wu was stunned. He looked at the approaching Feng Ruqing. He was in fear and his legs were shaking.

“Lady Feng, we can talk this out.”

The attack came at him and Tang Wu did not dare to resist for fear that Feng Ruqing would go on and pluck out her own hair. So, Tang Wu endured the attack and it fell on his shoulders. Blood gushed out and his entire sleeves were covered in blood.

“This attack is for Tang Yin’s sake. You have chosen Fengyun manor instead of her!”

Another attack came again.

“This attack is for how you dreamt of marrying my state preceptor to another person!

“This attack is for how snobbish the Tang family is. You forced Yin’er to do the things that she did not like without asking her opinion.

“And this attack is for how you tried to attack me just now!”

Feng Ruqing was able to protect herself without being killed by Tang Wu.

But, Tang Yin came to protect her without bothering for her own life.

Feng Ruqing could protect herself well but she could not guarantee that she could protect Tang Yin too.

If the state preceptor had not given her a jade pendant, Tang Yin would have been handicapped for the rest of her life even if she was not dead from the attack just now.

“The last attack...” Feng Ruqing closed her eyes. After a while, she opened her eyes and they were cold and distant. “... is because... you nearly harmed Xiao Yin just now!”

Tang Wu was injured badly after those five attacks. He was covered in blood and his clothes were torn now.

Tang Luo was no better. His messy hair fell onto his shoulders and his fists were clenched tightly. He felt that there was no energy left in him. He could not even resist the attack when he was facing with that fierce lady.

And... he could not resist.

In fact, luckily all of them were Dark Warriors. Feng Ruqing's attack could harm them seriously but they would not be killed.

This was the difference in the level of cultivation.

But, she had the time. She had enough strength to cultivate so that she would be able to destroy the Tang family completely.

Tang Yin opened her eyes and looked at Feng Ruqing in shock. Her eyes brightened.

Her Xiao Qing was so cool! It made her heart pound so uncontrollably fast.

Thump... thump...

Feng Ruqing walked toward Tang Luo. She raised her cold eyes and looked at the man in front of her, emotionlessly.

Chapter 365: Feng Rushuang? II

"Tell me now. Who told you about my relationship with Nan Xian?"

Tang Luo inhaled helplessly. "A disciple of the Tang family rescued a woman a few days ago. That woman seemed to be running away from the barracks. She's called Feng Rushuang and it's she who had told me."

'Feng Rushuang!'

Feng Ruqing's eyes darkened. Feng Rushuang was kept at the border of the kingdom for a few months. She should be staying there. Why did she run away?

Did something happen there?

Feng Ruqing was subconsciously rather nervous. She could not suppress this feeling and her facial expression turned sour.

"Where's Feng Rushuang?"

Feng Ruqing's eyes turned cold as she asked.

Tang Luo turned and looked at the maid who had delivered the message just now.

The maid knelt on the floor out of fear. "Master, Lady Rushuang's injuries have healed. So, she left the Tang family after telling me about that incident. Tang Shan went away with her too."

'Tang Shan?'

Feng Ruqing's eyes narrowed.

'Isn't Tang Shan the one who went after Tang Zi that year? Didn't he want to kill Tang Zi then?

'It was he who had saved Feng Rushuang.'

A few months ago, Qin Chen wanted to rescue Feng Ruqing at the Forest of Spirit Beasts when she was being taken away by Tiger Mama. If not, they would never have let Tang Shan go away.

'I never expected that he would be with Feng Rushuang now!'

"Xiao Yin, we're heading back to Liu Yun Kingdom."

Feng Ruqing was rather anxious and nervous.

Feng Ruqing felt that there might be something wrong given that Feng Rushuang had run away. Liu Yun Kingdom might face some problems...

"Xiao Qing, let's go." Tang Yin was thinking about the princess's manor now.

There was excitement all over Tang Yin's face after knowing that they were going back to the princess's manor. She smiled happily.

Feng Ruqing's heart was heavy like a stone was pressed onto it. She felt that there were some unfinished business in the Tang family. But, she knew that her father was waiting for her and she was rather anxious about that. She nodded slightly then she turned and walked to the front yard.

Feng Ruqing did not see that someone was just descending from the mountain when Feng Ruqing turned and walked away.

That woman's face looked like Feng Ruqing's and even her sickness could not hide how beautiful she was.

Her plain clothes moved with the wind. She seemed both graceful and elegant.

Rong Yan looked at the girl's back.

Suddenly, there was an explosion in her head. Her heart felt like it was being hit by a hammer. It was painful and her body shook vigorously.

'No!

'Don't go!'

Rong Yan was turned as pale as snow. She was anxious and nervous. She wanted to stop Feng Ruqing from leaving. But, her body was too weak. She fell down as she took a step forward.

Tang Luo mentioned that she could not meet Feng Ruqing for fear that she might transmit her own diseases to Feng Ruqing.

But, she still decided to come and meet Feng Ruqing.

She just wanted to look at her from afar.

She wanted to know why a name could make her heart grieve so much.

Her heart was like being pricked by a needle when she saw Feng Ruqing's silhouette even if it was only from the back. There was endless pain and guilt in her. She wanted to make Feng Ruqing stay. She wanted to give Feng Ruqing all the most beautiful things in the world.

Feng Ruqing did not notice the person behind her. She held Tang Yin's hand and walked toward the lobby.

'No!'

Rong Yan wanted to make a sound desperately but it seemed like her throat was being blocked by something. She could only make a sound so small like the sound of an ant. It was shaky and hoarse. It did not make any difference to anybody.

'Don't go. I beg you. Don't go!

'Bring me along if you want to go.'

Chapter 366: Please Turn and Look at Me

There were tears running down Rong Yan's cheek and a hint of deep sadness in her eyes. She wanted to rush forward desperately.

She did not understand the situation. But, she knew that she wanted to stop Feng Ruqing from leaving.

But, the distance between her and Feng Ruqing was just too far.

She used up all her energy and still she could not stop Feng Ruqing from leaving.

"Yan'er."

Suddenly, a gentle voice was heard. He hugged Rong Yan who nearly fell down again.

Rong Yan neither liked or hated Tang Luo before.

But, a sense of hatred rose in her heart now. She used her hands to push Tang Luo away harshly.

"Let go. Let go of me..."

'If you do not let go of me, my daughter will leave soon. She'll never come back!'

"Yan'er, you're sick again." Tang Luo frowned and sighed softly. "Let me bring you back to rest."

"No. I'm not sick." There was a kind of madness in Rong Yan now. Her tears blurred her eyes. She reached her hand in the direction where Feng Ruqing had just left. Tears kept streaming down her beautiful face. "Don't go, Qing'er, my daughter. Don't go, my daughter."

'Please turn and look at me.

'Just take a look at me...

'I'm right behind you.'

Tang Luo's eyes soon became cold and distant. "Yan'er, both of your son and daughter are dead!"

Rong Yan's body froze. Finally, she turned and looked at Tang Luo.

"What did you say?"

Tang Luo hugged Rong Yan's body tightly and he did not allow her to struggle or move. "I didn't tell you that both of your son and daughter were killed by your husband. He killed his own children. I didn't tell you because I was afraid that you couldn't take it."

Rong Yan was stunned. She pushed away Tang Luo desperately.

"No! She's my daughter. She is my daughter. Go away! I want to go..."

Boom!

Tang Luo raised his hand suddenly and hit Rong Yan at the back of her neck.

Rong Yan's body weakened and she fell into Tang Luo's embrace weakly.

There was a bottomless pit of sadness in Tang Luo's eyes.

He held her up at the waist.

The woman's hair fell and covered her beautiful but pale face.

"I'm sorry, Yan'er. I have done wrong at first. I couldn't help but continue what I have started. I had no choice because I did not want you to leave."

He would use up all his strength just to not let her leave no matter what.

Feng Ruqing subconsciously stopped walking.

She turned around and her gaze fell on the mountain at the back of the manor.

There was a woman in Tang Luo's embrace. That woman wore plain clothes and her hair was loose. Her face was hidden by Tang Luo and Feng Ruqing could not see her face.

"What happened?" Tang Yin looked at Feng Ruqing surprisingly. Then, she looked in the direction where Feng Ruqing had fixed her eyes on. She looked at Tang Luo and blinked. "Tang Luo must be carrying the woman he kidnapped ten years ago. That woman did not come down from the mountain for the past ten years. Why did she come down today?"

Feng Ruqing frowned slightly. Her hands were on her chest. Her heart beat so fast without reason.

"That's right. That woman seems to be mad. It looks as if she had lost a son and a daughter and she couldn't take it. I wanted to go and look at her once but I was caught by Tang Si. He punished me for that. So, I'm always curious as to what kind of woman could make Tang Luo that desperate. He even drove her mad."

'Was she really mad because of the loss of her son and daughter? That's what Tang Yu said.'

Tang Yin still felt that Tang Luo kidnapped that woman because of her beauty. He had even driven her mad.

Chapter 367: Rong Yan's Madness I

"Her children are gone?"

Feng Ruqing did not know why she wanted to know about that incident but she asked anyway.

Tang Yin shook her head. "I'm not sure about that too. But, Tang Luo said that she seems to be mad. So, nobody in the Tang family is allowed to go to that mountain."

Rong Yan had come to the Tang family for ten years now. Tang Yin had never even met her once. The elders in the Tang family did not allow Tang Yin to go to the mountain because of that.

It was a loss when Tang Yin thought of that.

Feng Ruqing felt some kind of sadness in her heart. She lowered her eyes and there was a bitter smile on her face.

"She has lost her children and I have no mother. We're quite alike in that way."

'So, I can't lose my father too.'

Feng Ruqing did not stay there for long. She turned away from Rong Yang and turned to walk toward the entrance of the Tang manor.

Her eyes seemed cold and distant when she turned and walked away.

She would definitely take revenge on the Tang family for what they had done to Tang Zi.

She would bring Tang Zi and walk into the Tang family just like they owned the place. They would get back at them for what the Tang family had done.

There was a woman in white sitting cross-legged at the top of the mountain.

The white phoenix beside her raised its head and looked at her from time to time. There was gentleness in its beautiful eyes.

Suddenly...

The white phoenix felt upset when it felt a presence nearby. It quickly got up and stared at that God-like body angrily.

Su Yi also noticed something and opened her eyes. She smiled slightly and looked at Nan Xian. "Are you descending the mountain today?"

Nan Xian nodded. "Yes, Qing'er is still waiting for me."

"Then, quickly go now. Don't let her wait for you for too long."

"Alright." Nan Xian frowned slightly. He seemed to be using his calm voice subconsciously. "I need to leave Shenyun Mountain now because Qing'er is facing some troubles."

Su Yi frowned slightly. "Trouble?"

"The Tang family wants to attack Qing'er." His calm eyes fell on Su Yi.

It was calm as usual.

Su Yi's finger stroked at the white phoenix beside her. She seemed to be talking to herself. "The Tang family?"

It seemed that the person who wanted to find a fiancée for Nan Xian also came from the Tang family.

Now, the Tang family wanted to attack Nan Xian's woman.

"Nan Xian." Su Yi's facial expression was gentle. She was as beautiful as an angel. "Take this dudou and give it to her."

Nan Xian's gaze fell on Su Yi's hand slowly.

There was a red dudou on her palm. The red dudou lied on her palm quietly.

"I made this by using the silk spun out by the spirit silkworms. I even asked the fire spirit wolf to roast it with its fire. Then, I immersed it in the Holy Water Pond for half a month. It will protect her life in a dangerous situation. It will work for three times."

Su Yi's eyes darkened when she talked about that dudou. Her eyes were cold.

"I made this dudou that time. He wanted to take it to give to his lover. I did not let him so I hid it and I never thought of taking it out for my whole life. But, I had no choice now."

Nan Xian held out his hand and took the dudou away.

He smiled slightly. "I'll thank you for Qing'er."

Su Yi also smiled. "This thing is useless to me. It's worth it if I give it to her."

Nan Xian said no more. He turned his gaze upon the white phoenix.

"The feathers of the white phoenix is so beautiful."

'Qing'er must be very happy if I pluck out its feathers to make clothes for her.'

Swoosh!

The white phoenix was scared and it quickly got up. It hid behind Su Yi and glared at Nan Xian angrily.

Chapter 368: Rong Yan's Madness II

Nan Xian had never praised it before!

So, as soon as it heard Nan Xian words, it knew right off that he was a bastard who was up to no good.

“Nan Xian, don’t you always bully white phoenix.” Su Yi smiled helplessly and said, “Or else, it’s going to cry again.”

The white phoenix kept nodding.

‘True, if Nan Xian dares to bully it again, it will cry for him to see!’

Nan Xian did not think much at first, but a light flashed in his calm eyes as soon as Su Yi finished her last sentence.

‘Cry?’

‘Why don’t I... collect more tears for Qing’er?’

He had already emptied the white phoenix’s secret chamber of treasures. If he wanted to make it cry, the only way to do it was to go with the feather that it had always been proud of.

“Well,” Nan Xian slightly cocked his eyebrows. “I can stop bullying it, but someone’s bullying Qing ‘er, and I feel terrible about it.”

Su Yi frowned a little and turned to look at the white phoenix.

“Nan Xian’s right, White Phoenix. The little girl is being bullied. You, as our family member, don’t you want to offer something to protect that little girl?”

The white phoenix was so angry that it stomped the ground with its feet.

Its treasure, all of its baby treasures had been ransacked by Nan Xian! What else could it offer to help?

However...

Su Yi’s last sentence had struck the white phoenix’s heart as every of its grudge had been swept off in a minute.

Family member. Su Yi said that it was their family member... Did not that imply Su Yi had already accepted it as one of their family members?

The white phoenix was so happy as its little pee-pee was erect. It poked around for half a day and finally, it took out a feather and handed it to Nan Xian.

“This is the most precious thing that you can get from me. If she lights up this feather, my doppelganger will show up right away. Even if I’m not capable of transforming into a human form now, it’s not a problem for me to handle and deal with that so-called Tang family.”

Nan Xian seemed calm. It was obvious that he was not satisfied with the present.

However, he understood that the white phoenix could not offer anything better anymore.

He accepted the feather from the white phoenix and gently replied, “This feather is considered to be useable. At least when Qing’er wants to destroy the Tang family, she need not stain her hand. It’s good to have you in helping her on the cleaning part.”

The white phoenix went numb and then it got angry. "Nan Xian, you look down on me! This is the most exquisite feather from our white phoenix clan as it can create a doppelganger of me. I've spent twenty years to get this one exquisite feather, do you know how much power it has?"

"Okay."

Nan Xian simply replied coldly even though the white phoenix was furious.

The white phoenix did not want to say anything anymore as it felt that the situation was very unjust to him.

Like mother like son. Both of them were the kind of people could not carry a conversation.

"I'll go first."

Nan Xian turned back and looked at Su Yi. "Take good care of yourself."

Su Yi nodded. "Off you go."

Nan Xian turned and looked away. That long snowy robe gradually faded away in those fluffy and mountain-like clouds.

Blood was everywhere.

In the bloodstained palace.

The woman tightly gripped onto the quilt she was laying on, on the sandalwood bed. Her stunning face was pale and covered in tears.

"Your Empress..." The old granny standing next to her was so worried and said, "The assassin was inside the palace, but no one could fight against the assassin. His Majesty wishes to deal with the assassin on his own, but no worries. Your Empress, his Majesty is strong and talented, he will be fine. His Majesty will be back after Your Empress has given birth to the baby.

The girl tightened her grip on the quilt then. Her pretty eyes were not only filled with anxiety but more anger deeper inside.

How could—

That bunch of people come here?

How could they ignore the rules and break them?

Chapter 369: Rong Yan's Madness III

She felt resentful and helpless about it. She felt helpless because she did not know why she was forced to give birth to a baby at such a crucial moment

She hated it... she hated those people who were there to hurt the person she loved!

There was a throbbing pain in her stomach. That pain was strong enough to turn her pale. The bedsheets and comforters were already wet with her cold sweat, also, sticky enough.

"Your Majesty, Your Majesty, it's over. The baby is a little princess! Congratulations, Empress!"

"Oh, there's another one, another one. A little prince."

Bang!

As soon as the old granny finish her words, a force surged up from Rong Yan's neck, her mind went blank and then she passed out.

The girl failed to notice what was happening as she was gently staring at both her babies. She kissed and caressed them in turn as her eyes seemed to look very reluctant to part with them.

"I'm sorry..."

'I'm sorry. Mother can no longer stay by your side in the future.

'I'm sorry... Mother cannot take care of you and watch you grow up.

'But your father, he will protect and take good care of you!

'Mother... will try everything I can to protect and keep you safe.'

Suddenly, her world blacked out. The lovely little figures were slowly fading from her eyes.

She started to panic.

She fought so hard to reach for their little hands that were stretching out to her...

Even just for one more time, only if she could touch or kiss them again.

However, no matter how hard she tried, she still failed to reach for their little hands. All she could do was helplessly watch everything around her fade into darkness...

"No!!!"

In the cabin, Rong Yan was lying on the bed. Suddenly, she opened her eyes and felt great pain in her head, then she held her head tightly.

Everything in the dream... what was happening exactly?

Why did she feel like she had gone through all of these before?

Who was she exactly? Where were her children?

"Yan'er."

Tang Luo, the person who was staying by Rong Yan all the time, he stretched out his hands as he wanted to hug her as soon as she awoke.

She pushed him away before he could get close to her.

"Go away. I want to find Qing'er, I want to find my Qing'er!"

She could not remember anything, but when she saw Feng Ruqing's eyes, she knew it. She knew that was her daughter!

The daughter that she had waited and missed for many years!

That surge of excitement and happiness that she got as soon as she saw her! That was what life about! A life where she had gone through ten months of pregnancy and had finally given birth to that daughter!

"Yan'er, you're getting sick again." Tang Luo did not get angry but sighed as he could do nothing.

"I'm not sick, I told you I don't have any disease!" Rong Yan went completely mad. Her eyes were red with tears as she looked resentful, fierce, and annoyed. "Yes, I was sick before, but that was because I'm sick of missing my children. I'm fully recovered now, she's my daughter and my love. I want to leave the Tang family. I want to look for her!"

Tang Luo frowned. The thing that he had always worried about was finally happening.

He knew. He knew that it was not any good thing to let Feng Ruqing into Tang Residence.

That was why he tried all he could to not let Yan'er bump into her.

But he had never thought of Yan'er, a woman who was always reluctant even to take a step to go out of the back hill, would leave the mountain and meet Feng Ruqing at that very moment.

"Yan'er, are you starting to remember?" He asked again, quite hesitant.

Rong Yan sneered. "I may not remember who I am, but it's enough that I remember who she is. Nobody can stop me from finding my daughter!"

"It seems like you haven't fully recovered yet." Tang Luo smiled as he walked toward Rong Yan. "What you saw was only her back. You didn't even get to see her from her front, how can you be sure that she's your daughter? I think you should take a good rest, I'll call the doctor and check on your condition again."

Chapter 370: Why? I

"I told you I'm not sick!" Rong Yan was unusually agitated. She was so mad that she pulled out a sword from the headboard of the bed and placed the sword on her face.

Tang Luo was shocked. "Yan'er, what are you doing?"

Rong Yan sneered and said, "Don't you and the Tangs think I'm not aware that all of you are talking behind my back and saying that I'm the Helen of Troy! The truth is, you are the one who doesn't want to let go of me! You guys have treated me such a way just because of my pretty face. I should disfigure myself so that I can be in peace for the rest of my life."

She did not want much. All she hoped was to find her daughter and husband. And by doing that, she would feel as if they could live healthily and peacefully for the rest of their lives.

She was not ambitious too. All she hoped for was for her daughter to be by her side; her husband would only care for her, and wished the state to always be in peace.

But why was everyone so harsh on her!

She got this countenance from her parents, was that her fault? Why should she bear all of the sufferings?

Why!!!

The sword had already slashed her face. However, she acted as if nothing had happened as the blood was oozing out, she grinned.

“Yan’er!” Tang Luo frowned and said, “Put down the sword, quick.”

Rong Yan’s face was dull. “I want to leave the Tang family!”

There seemed to be a storm in Tang Luo’s eyes. He had treated her so good, he was by her side for ten years, and in the end, she still wanted to leave him!

“Yan’er, I won’t let you go.” As usual, his face turned gentle and clear as jade again. “I will never let you hurt yourself again.”

Just like a gust of wind, he was suddenly in front of Rong Yan and he gripped her arms so hard.

Her arms were already weak. As he gripped her arms tighter, she lost all her strength as the long sword in her hands immediately fell to the ground.

“If it were ten years ago, I was no match for you. But you are now weaker than before, also with a serious condition now, for sure you can’t fight against me.”

He was afraid.

He was afraid that Rong Yan would leave him when she recalled her past.

So he had been poisoning Rong Yan’s food all these years.

The poison would not hurt her body, though, it was enough to weaken her day by day.

All these years, Rong Yan was silly and dumb enough as she was never aware that someone was poisoning her, especially when she did not use her spiritual power.

It was lucky for him to have the foresight to poison Rong Yan. Or else, no one from the Tang family ...could even fight against her power then.

He had never fallen for her ability but the person herself, Rong Yan, all this time.

Rong Yan’s eyes were cold.

He had never seen that piercing-cold expression before.

“Yan’er, I’m the one who loves you the most in this world.” Tang Luo looked down. He was smiling as he stretched out his hand to hold Rong Yan to him. “Nobody loves you more than I do. They will never love you more than I do in this world.”

“Go away!!!”

Rong Yan roared and stretched out her hand to push Tang Luo away.

She could not stand on her feet as she pulled herself away from his arms and almost fell.

However, she was still reluctant to let Tang Luo get close to her, not even one step!

“Yan’er, I have tried not to harm you for years. Now, I will make you my woman and you will never be able to find him again for the rest of your life.”

His eyes were suddenly filled with hatred before they turned gentle again. His voice was as gentle and soft as water. “He will not accept a fallen angel. No man can accept you except me.”

He could also ignore the fact that she had given birth to a baby.

Only true love could be so tolerant.

Therefore, no one in the world loved her more than him.
