### Chapter 421: Nalan Yan, Why Aren't You Appearing? I

Gu Zhenyang did not give Feng Ruqing any chance. His body moved.

Soon, he was in front of Feng Ruqing.

Qin Chen used his body to shield Feng Ruqing. The youth's face was lit by the evening glow.

It was gentle and warm, like when Feng Ruqing had met him for the first time.

Feng Ruqing and Feng Jianche were the children of a reformed family when they were at Hua Xia. They were not siblings by blood. So, they had met for the first time when they were only ten years old.

He had softened her cold heart that year.

Feng Ruqing knew afterward that Feng Jianche was not their stepmother's son but the son left behind by their stepmother's sister.

Hence, they became close and intimate as both of them were lonely. They consoled each other and relied on each other.

She thought that her death would make Che'er lonely again but she never thought that he would come here too...

'Great!'

Although he still did not remember her, she knew that he was her Che'er.

It was the only warmth of her former life.

\*\*\*

Qin Chen's body was like a fallen leaf and he fell down heavily in front of Feng Ruqing,

He did what he had always done... He protected her.

Feng Ruqing squatted slowly. Her hands were shaky as she stroked the youth's face.

It was as if the familiar face was being imprinted on her memory and that she could never forget it for the rest of her life.

"Che'er..."

'I should've noticed it much sooner.

'It's a pity that I have not given you enough warmth and too much has happened...'

There was a strong power from over her head. Feng Ruqing stood up slowly. Her gaze was cold and she sneered.

Gu Zhenyang's hand froze, midair.

'She resembles her so much...'

The young girl's expression resembled Yan'er so much.

Even her sneer was the same as Yan'er. It seemed as if Yan'er was standing there, right in front of him.

He could not move, facing that face.

"Gu Zhenyang, I finally understand the reason why my mother did not like you." Feng Ruqing walked toward Gu Zhenyang slowly. "It's because you're not as good as my father."

Gu Zhenyang liked Nalan Yan.

Feng Ruqing got to know about that from how he looked at her.

The man was looking at another woman through her face. There were infatuation and a deep sense of attachment in his eyes.

'What is that if it is not love?'

Gu Zhenyang's eyes narrowed. "What did you say?"

"Your love is to possess the person you love and not fulfilling her being. You hurt her family and her just to possess her. What kind of love is that? I'll never choose a man like you if I were my mother."

Love should only exist between two deeply attached people. It was not love if hatred rose just because of unrequited love.

That would only be the desire to possess the person you love.

"Moreover, why is Feng Rushuang here if you really loved my mother? If you have never stayed true to her, then you'll have no right to love her!"

It was no use mentioning that men could have three or four wives.

Feng Tianyu was able to do that. Why could he not?

So, Gu Zhenyang did not really love Nalan Yan.

"Little girls are really good at arguments. You're stalling for more time so that people would come and save you." Gu Zhenyang laughed coldly. "Nobody can save you given that you've offended the Divine Spirit Sect. Not even if God himself comes."

Feng Ruqing laughed coldly. "I just want to tell you the truth. You, Gu Zhenyang, are nothing but a bastard!"

Gu Zhenyang burst into laughter. "Even so, I'm better than Feng Tianyu. He's just a useless person!"

What use was he if he needed the protection of a woman?

"You're wrong." There was sarcasm in Feng Ruqing's eyes. "My father is the most outstanding person in the world."

Chapter 422: Nalan Yan, Why Aren't You Appearing? II

Feng Tianyu was stunned. He looked at Feng Ruqing helplessly.

The young girl's eyes were bright when she said that. It seemed like her eyes were glowing with an extraordinary light.

"He is not without talent. But, he lacks a place and time to train. He is the emperor of the kingdom and he has a lot of responsibilities to tend to. He sleeps at midnight. When does he have time to train?"

Even so, he had still reached Spirit Warrior tier a few years ago. His body became weak because he was poisoned. He was heartbroken and his energy was used up in attending to the affairs of the kingdom. Hence, he could not train.

"If you gave him all the resources you have to him and he did not have to tend to the government affairs, his power would have surpassed you long ago."

Feng Tianyu's talent was not any less than Nalan Yan's.

But, his strength was not as good as Nalan Yan's.

It was because Nalan Yan was just an empress and there were not a lot of people in the palace under her supervision. She had a lot of free time to train but Feng Tianyu could not do the same.

Feng Tianyu was limited in the border of the palace. He had numerous affairs to tend to and it made his training path much more difficult.

If not, Feng Tianyu would not be any weaker than anyone else!

"Hmm..." Gu Zhenyang laughed without taking heed to what Feng Ruqing had said. "What's the use of talking so much? He's still a person whose strength is weak and he has lost the fight. When you lose, you must sacrifice something!"

Gu Zhenyang was not softhearted toward Feng Ruqing anymore. He came swiftly at Feng Ruqing and hit her on her chest with a fist.

Feng Ruqing still endured the heavy blow even though she had decreased the impact in that attack. Her body shook and she vomited a mouthful of blood. Her face was pale and white.

"Qing'er!"

Feng Tianyu's heart hurt. He clenched his fists tightly and a feeling of helplessness engulfed him.

'Gu Zhenyang's right.

'I'm still weak no matter what had made my training difficult.

'I can't even protect the only daughter I have.

'I can't take it!'

"Gu Zhenyang, I'm the only person you have always hated. Qing'er is innocent. You can kill me. You can even humiliate me. Just don't hurt her!"

Gu Zhenyang laughed out loud. "Then, I'll do as you wish."

Feng Lan's expression changed. She came to stand in front of Gu Zhenyang.

But, even a Spirit Warrior like her could not fight against an opponent as strong as him. Her legs shook with fear and she could not stand upright under the strong pressure of the opponent.

Feng Ruqing ordered her to protect Feng Tianyu.

She just wanted Feng Lan to stop Feng Tianyu from joining in the fight.

But, nobody could stop him if Gu Zhenyang rushed forward.

"Father!" Feng Ruqing's eyes were red and swollen. She staggered and she stood up again.

Everybody fixed their eyes on her. She moved fast and shielded Feng Tianyu.

Boom!

A powerful force hit her body and she vomited a lot of blood.

Qin Chen's eyes narrowed and his heart soon stopped beating when he saw the young girl who had rushed forward.

Silence fell upon the scene.

The quiet wind seemed loud.

"Gu Zhenyang!"

Feng Tianyu's each and every word was filled with deep anger.

His heart was broken and his hatred was so deep that it soared to the sky.

"How dare you hurt Qing'er! I, Feng Tianyu, would turn into an evil demon and haunt you even if I need to crawl out from the hell!"

Feng Ruqing was Feng Tianyu's whole life without Yan'er.

Now, the person he loved the most had fallen in front of him.

Gu Zhenyang was not bothered by Feng Tianyu. He turned his gaze toward the sky and his hysterical voice filled the whole palace.

Chapter 423: Nalan Yan, Why Aren't You Appearing? III

"Nalan Yan, did you see? I have hurt your daughter. Feng Tianyu is going to die. Why aren't you coming out to meet me? I've looked for you for so many years. I've waited for you for so many years. I have even kept watch on Feng Tianyu for so many years. Why aren't you showing yourself?"

"How long are you going to hide from me? You've always loved your kingdom so much and you treat the people in your kingdom like your children. Your family and relatives are as dear to you as your own life."

Now, I'm killing your people and I'm hurting your loved ones. Why aren't you here to take revenge on me? Why?"

'Why?

'I have harmed your family and your people. Why are you still reluctant to meet me?

'It's been sixteen years now. Are you still reluctant to meet me?

'You have hidden from me in such a way.'

Gu Zhenyang held his head tightly. His voice was filled with grief and pain. Tears ran down his cheeks and his vision was blurred.

The reclusive world could not attack the secular world.

So, he had endured the pain up to this point.

At first, he did not have to appear that day.

But, he still came because he wanted to force her to show herself.

Feng Rushuang was stunned. She looked at the pain on Gu Zhenyang's face.

She had seen that kind of heartbreaking pain on Feng Tianyu. But, she had never thought that Gu Zhenyang felt like that too.

'Why?

'Why does every good man fall in love with Nalan Yan?

'Nalan Yan is an evil woman. Why do all the good men like her?'

On the other hand, Feng Rushuang's mother, Liu Rong was not bad too. If not, Gu Zhenyang would never have slept with her.

But, Feng Rushuang understood that Gu Zhenyang did not like Liu Rong so much as he could leave her behind.

"Why are you so useless?" Feng Rushuang was angry. "Even I could capture the state preceptor's heart. You're my mother. You're so useless that you could not even capture a man's heart. Both of you are women. Why are you so useless compared to Nalan Yan?"

Nalan Yan was a forbidden name to Liu Rong. Liu Rong had prohibited anybody from bringing her name up. So, what Feng Rushuang said was like a needle pricking at her heart. It was a painful feeling.

Liu Rong wanted to tell Feng Rushuang that what she said in the jail that day was a lie. But, she could not bring herself to say it when she saw Feng Rushuang's facial expression.

Feng Rushuang did not understand the reason why Liu Rong could be that useless. Luckily, she was different from Liu Rong. Feng Ruqing did not take Feng Rushuang's man away.

'Feng Ruqing likes the state preceptor. However, he loves me deeply.

'Feng Ruqing will never be my opponent!'

There was a smug smile on Feng Rushuang's lips. She looked at Feng Ruqing provocatively.

But, Feng Ruqing's gaze fell on Gu Zhenyang. She did not even hear what Feng Rushuang said.

Feng Ruqing frowned slightly. She felt that there was something wrong.

'Isn't my mother dead? Why?'

"Nalan Yan, come out now. You better come out. If not, I'll slaughter the whole of Liu Yun Kingdom and no one will be left behind." Gu Zhenyang's face was covered with tears. There was no more seriousness and calmness. He shouted hysterically, "If you come out now, I'll leave straight away. If not, I'll kill everybody in Liu Yun Kingdom!"

What answered him was a total silence.

"Nalan Yan, you love Feng Tianyu deeply and you love your daughter so much. You won't be far from Liu Yun Kingdom. I know you're watching now. Nalan Yan, I want to meet you. I just want to see you again."

Chapter 424: Nalan Yan, Why Aren't You Appearing? IV

He waited for so many years and he could not wait anymore. Even though the others would notice it, he was unwilling to wait any longer.

He wanted to destroy her kingdom and kill her family so that she would make an appearance. Other than that, he did not know how else he could meet her.

Feng Tianyu's body froze. He looked at Gu Zhenyang who was now lying on the ground in pain. There was hope rising in his heart.

But, he soon suppressed that thought.

He buried Yan'er's corpse himself that year.

But, he did not know why his calm heart began to beat vigorously after hearing what Gu Zhenyang said. He could not stay calm anymore.

"Nalan Yan, you're so cruel!" Gu Zhenyang's voice was filled with deep pain. It was heartbreaking. "If you cannot accept me then why did you appear in my life? Why did I get to know you? You have even ruined my whole life!"

"I just want you to be by my side for a few years. You have reported to the sect master and I was punished because of that. You even took that chance to run away!"

"If you dislike the women in my manor then I can ask them to leave. I can kill everybody who has humiliated you. But, why are you still reluctant to meet me? Why?"

\*\*\*

Feng Rushuang fixed her eyes on Gu Zhenyang.

It seemed that everybody present could feel the grief in his heart.

Feng Rushuang was unable to reconcile with the fact that other people loved Nalan Yan that much. But, the man in front of him was her own father.

Her own father loves another woman. How ridiculous was that?

Feng Rushuang clenched her fists tightly. She wanted to go over there but she could not move. Her legs felt like they were being planted to the ground and rooted there.

Feng Tianyu walked toward Gu Zhenyang in staggering steps. His hands were shaky. He pulled at Gu Zhenyang's collar.

Feng Tianyu was infuriated and there was a suppressed anger on his pale handsome face.

"Gu Zhenyang, what is the meaning of that? You better explain!"

'Is Yan'er alive?

'Is it?'

Feng Tianyu cried. He wanted to know the answer. He was afraid that what he had heard just now was only him deceiving himself.

He said that he did not care whether Yan'er still loved him as long as she was alive. He did not care whether she had fallen in love with another man.

'As long as she's alive!'

Gu Zhenyang laughed coldly. He pushed Feng Tianyu aside with a slap.

Feng Ruqing quickly rushed forward and held Feng Tianyu's body. Her cold eyes fell on Gu Zhenyang.

"Feng Tianyu, you're just an emperor of a kingdom in the secular world. Even though you're strong in the secular world, your strength could never be compared with those in the reclusive world. But, I'm jealous of you. I'm so jealous of you that I want to kill you!"

Gu Zhenyang's body was shaky and there was deep pain on his face.

"It's because you have still gained Yan'er's love even though you have nothing!"

'If possible...

'I'll throw away my status in the Divine Herbs Sect. I'll abandon the power and status I have now.

'As long as she's by my side!

'However, Feng Tianyu owns nothing. But, he has Nalan Yan. It's like he owns the whole world.'

"I'll make you the young master of the Divine Herbs Sect. I can even give you my master. Just give me Yan'er. Give her to me!" Gu Zhenyang was mad now. His expression was frantic and his lips were shaky.

"I can give you everything I own. You just give me Yan'er's heart!"

Chapter 425: What a Delight! Nalan Yan is still Alive I

Feng Tianyu laughed coldly. "For me, she is my whole life. There's nothing that could compare to her no matter how big the world is or how strong the power and influence are."

In these past years, Feng Tianyu had no ambition to pursue more power or status. He just took care of his people in the kingdom and he did not strive for any more power. All fights had lost their meanings.

'It's pointless even if the whole world has the same surname as I or if I could unite the six kingdoms without Nalan Yan by my side.'

Losing the person who could be with you for the rest of your life and then you were left all alone in this world to watch the world pass you by. Even if the world was breathtaking, it was nothing compared to being in hell with her.

\*\*\*

Liu Rong's mouth twisted in disgust as if she had swallowed a fly.

She had always known that Gu Zhenyang liked Nalan Yan. But, she had never thought that Gu Zhenyang's love for her was that deep.

Gu Zhenyang could use all of his power and influence in exchange for Nalan Yan's heart.

But, Feng Tianyu could also resist all temptation just to keep her heart.

'Why?

'Why do all the men around me love Nalan Yan deeply?

'Nalan Yan is just a woman who had ruined the kingdom and the people!'

Feng Tianyu coughed again and he vomited a mouthful of blood. It might be because he had talked too much. There was a sarcastic smile on his weak face. "Gu Zhenyang, you say that you love Yan'er but your love for her is hurting the people she cares about."

Yan'er was someone who valued her loved ones. She cared about her family and relatives. She loved the nation's people. But, the man who said that he loved her was now hurting all the people she loved.

"To the Divine Herbs Sect, all the common people in this world are useless people. You don't care about lives. You trample on lives for your own amusement. You can even bear to kill the woman you love. So, Yan'er would never accept you!"

'My Yan'er is kind. It's impossible that she would love that cruel and savage person.

'Even if I'm not here, Yan'er would never accept Gu Zhenyang.'

"You're spewing nonsense!" Gu Zhenyang's facial expression was manic. He laughed out loud. Tears ran down his cheeks as he laughed. "I don't care about lives. Only strong people can survive in the mainland. The weak people would only be killed even if I don't kill them. But, all I care about is Yan'er. I can hurt all the people in the world. But, I'll never hurt her. I have only appeared in her life after you. That was why she did not fall in love with me."

There was a flash of light in Feng Tianyu's eyes. He was unable to bear it and he clenched his fists tightly. His breathing was heavy and quick. "Yan'er is still alive!"

There were endless happiness and excitement in his heart.

His body was shaky and there was excitement on his pale face.

"Yan'er is not dead. She's really alive!"

He had always thought that Yan'er was killed by the Divine Herbs Sect. But, now that Gu Zhenyang had spilled the beans! That meant that his Yan'er was still alive.

Gu Zhenyang finally recovered his senses. His eyes were cold. "Are you trying to make me say something I didn't mean to say?"

'No wonder...

'No wonder Feng Tianyu talked so much with me given that he can barely hold himself together in that condition.

'How dare he does that!'

"I came today just to force her to show herself. There's no need to hide now!" Gu Zhenyang laughed coldly. "At first, I did order somebody to go and attack your kingdom. You're poisoned anyway. I don't have to order someone else to destroy your kingdom. I just have to lead you away so that I can take her away."

Feng Tianyu's fists were clenched even tighter now. Gu Zhenyang's words made the clouds in his heart disappear. He became happy and excited.

"Why does Yan'er want to leave with you?"

Yan'er never told Feng Tianyu those things. So, he had never faced the danger with her before.

## **Chapter 426: What a Delight! Nalan Yan is still Alive II**

'How lonely would Yan'er be at that time...'

"I told her that if she did not go away with me, I'll definitely destroy Liu Yun Kingdom one day! I will definitely do what I have said! Yan'er promised to be with me for a few years because she wanted to protect you." There was jealousy in Gu Zhenyang's eyes. He gritted his teeth in hatred. "That's why I hate you so much!"

Back then, Gu Zhenyang would definitely have destroyed Liu Yun Kingdom if Nalan Yan did not leave with him because of the hate that had arisen from his love.

He could leave Liu Yun Kingdom behind because Nalan Yan had left with him.

"I went and ordered somebody to brew something to alter a person's looks so that you'll not go and look for Yan'er. That potion is not used for regular disguises. It appears more real than that. So, the corpse that you buried that day in the imperial mausoleum was not Yan'er."

Gu Zhenyang closed his eyes in pain. "She's the only woman I have loved in my life. I never thought of forcing her to do anything. If she was unwilling to let me approach her, then I'll not do so. The women in my manor had always gone and annoyed her. I had even asked them to leave.

"I even redecorated my manor so that it would look exactly like General Manor. Hence, she would have a sense of belonging there. I sacrificed a lot for her but she had never accepted me. She had even reported me in front of the sect master on the day of the meeting."

The people of the Divine Herbs Sect were not the only people there on the day of the meeting. The people of Tian Shen Manor were there too.

The sect master wanted to defend him but he could not do so. Therefore, Gu Zhenyang was locked up and Yan'er was then sent away.

However, he could not locate her anymore after he was finally freed from jail.

"That year, Yan'er went back to the Divine Herbs Sect with me but she still treated me coldly. I returned to Liu Yun Kingdom because I wanted to take revenge on you. I slept with Liu Rong so that she would be pregnant. Then, my child would fight against your child. But, I never thought that Liu Rong was that stupid and useless. Even the Liu family could not be helped. My effort was a waste!"

'I thought that Yan'er would come back and look for you so I hid here for a long time. But, there was still no sight of her after so many years!

'Feng Tianyu, I'm really jealous of you sometimes. There's a woman who has her whole heart for you. She could live without meeting you and she let you thought that she's dead so that she could protect you!'

In fact, Gu Zhenyang knew the truth all the time. Nalan Yan would not be doing anything all this while. She must have hidden somewhere and was preparing for a retortion so that she could overcome his power and influence. Then, she would come back and meet Feng Tianyu.

But, the sect master was dissatisfied with him because of what had happened that year. So, he did not dare to use the power of the Divine Herbs Sect and he could not even locate her.

But, he could wait no more.

He still wanted to force her to show herself even though the Divine Herbs Sect got to know about that incident. He still wanted to see her again although he might have to endure another heavy punishment.

Feng Tianyu staggered forward. His body was shaky. There was deep anger and pain in his eyes.

"I remember now... During the first three years when Yan'er was not around, I had drowned myself in the government affairs just to forget about the pain. I was unwell at that time and I had even fainted in the imperial study room a few times.

"I had even ordered all the eunuchs and maids out so that no one knew that I had fainted.

"But, I was already at Yang Xin Hall when I woke up. The eunuchs and maids did not know how I came back.

“There were a few other instances. Qing’er had cried and come looking for me. She said that she met with a woman who looked just like her mother in the picture. I had always thought that we missed her so much that we were hallucinating. But, now that I think about it, Yan’er has been by my side those three years.”

#### Chapter 427: What a Delight! Nalan Yan is still Alive III

Yan’er must have secretly looked at Qing’er from afar during those three years. But, Qing’er was still young and she could not voice out her feelings.

Then...

‘What happened next? Why didn’t Yan’er return after that?’

Gu Zhenyang burst into laughter and tears at the same time.

Nobody knew better than Gu Zhenyang the reason why Nalan Yan did not appear after three years.

Nalan Yan reported him to the Divine Herbs Sect that year. Gu Zhenyang was forced to stay in the Divine Herbs Sect for three years without being able to leave. But, the Divine Herbs Sect did not kill him for such a small matter as that. Hence, Nalan Yan did not dare to appear in front of the public.

After three years, Gu Zhenyang could finally leave the Divine Herbs Sect. Nalan Yan was afraid that Gu Zhenyang would take revenge on Feng Tianyu. Therefore, she did not dare to appear.

“Yan’er, is that how deep your love for him is? He couldn’t protect you and he couldn’t even protect your son and daughter. Why did you fall in love with him?”

Gu Zhenyang shouted hysterically, “I’m much more outstanding than him. Why don’t you like me?”

Feng Ruqing stood beside Feng Tianyu all this while. She clenched her fists tightly. She had gained much force by doing so.

“Gu Zhenyang!” Feng Ruqing fixed her eyes on Gu Zhenyang. “What do you mean by that? Why did you mention about a son and a daughter?”

There was a cold smile on Gu Zhenyang’s face. “That year, Yan’er gave birth to a pair of twins. She had a son and a daughter. She threatened to kill herself if I did anything to her children. So, I didn’t hurt them. But, I realized that there is only a princess in Liu Yun Kingdom when I came here. There was no prince. It looks like that child was murdered.”

Boom!

A loud thunder exploding in Feng Tianyu’s brain.

‘I still have another child...’

Feng Tianyu remembered that there was only Yan’er’s corpse and a daughter when he went back to the palace after fighting off the enemies.

‘Then, where’s my son?’

'Who took my son? Who dared to steal my son from my palace?

'But, I've been lied to for so many years!'

There was inexpressible happiness in Gu Zhenyang's heart when he saw the pain on Feng Tianyu's face.

Gu Zhenyang wanted to destroy all of Feng Tianyu's hope and force him into despair. Gu Zhenyang wanted Feng Tianyu to realize that his uselessness was the cause of his son's death.

"Are you saying that... I still have a brother?" Feng Ruqing suddenly let go of Feng Tianyu. She moved toward Gu Zhenyang quickly. "Tell me! Do I have a brother?"

Her reaction was drastic. It was not only sadness but it was also filled with deep anger. She had the desire to kill.

Everybody was stunned.

Even if Feng Ruqing knew of the existence of an unknown brother, she would be sad instead of angry. Why did she have the desire to kill?

Feng Ruqing clenched her fists tightly. She asked, word by word, "Tell me! Is it true?"

Gu Zhenyang laughed out loud. "That day, I hid outside the door and saw her gave birth to two children. You do have a younger brother. He's been born a few seconds later than you."

Feng Ruqing clenched her fists tightly. Her breathing was quick abnormally. There was a great desire to kill in her and she was infuriated.

"Xiao Qing!" Qin Chen walked toward Feng Ruqing. He pulled her fingers open with much force.

Her fingers were clenched tightly. There was blood oozing out from between her fingers when they were pulled upon. Her palms were badly mutilated.

Qin Chen was worried for her. "Xiao Qing, what's wrong with you? Tell me. What's wrong with you?"

That kind of grief and anger did not arise because of the fact that she had realized the existence of a brother. But, it seemed like something terrible had happened and she could destroy the world for that.

Chapter 428: What a Delight! Nalan Yan is still Alive IV

Feng Ruqing closed her eyes slowly.

"That girl seems to have gone and she had lost a son and daughter before. She was hurt. I wanted to secretly go and look at her before but I was caught by Tang Si. He had even punished me for that. So, I was always curious as to what kind of woman could captivate Tang Luo like that. He had even driven her mad."

What Tang Yin had said before came back to Feng Ruqing. There was also the weak image and messy hair of that woman in the back hill.

'Why?'

Feng Ruqing saw the woman in Tang Luo's embrace that day and her heartbeat quickened. But, she did not venture to take a look at her.

'Because...'

Feng Ruqing always thought that Nalan Yan had died and that she was the only daughter that Nalan Yan had. She did not dare to think too much.

Feng Ruqing pursed her lips tightly. There was blood on her lips but she seemed to be ignorant of that.

The young girl's face was pale, it was almost as white as a sheet of paper. Her lips were stained red because of the blood. There was a bloody taste in her mouth and a desire to destroy the world in her.

Her fury this time was so strong that it could destroy the whole world so that nothing would be left behind.

'Damn it! All the people in the Tang family deserve to die!'

Gu Zhenyang looked at Feng Ruqing's facial expression. His heart shook and he quickly went toward her.

Qin Chen and Feng Tianyu blocked Gu Zhenyang from approaching Feng Ruqing, both on each of her sides.

"Get lost!" Gu Zhenyang was angry and he hit Qin Chen.

Qin Chen endured that attack but he did not retreat.

"Feng Ruqing, tell me. Do you know where Yan'er is?" Gu Zhenyang looked at Feng Ruqing and asked her.

Feng Ruqing recovered her senses and she finally smiled.

That smile was captivating and dazzling.

But, there was a deep hatred and anger in her eyes which was frightening.

"It's none of your business where she is. I'll bring her back. I'll take revenge on those people who have harmed her!"

Feng Tianyu was stunned. He turned and looked at Feng Ruqing.

'Does Qing'er know where Yan'er is?'

Feng Tianyu's heart sank when he saw the hatred in Feng Ruqing's eyes.

'Yan'er has not returned for so many years. She did not even appear when Liu Yun Kingdom was under attack. She must be faced with danger. But, all who hurt her deserve to die no matter who they are!'

"Tell me, where she is?" Gu Zhenyang seemed furious as he rushed toward Feng Ruqing again.

There was a strong force coming down from the sky this time and Gu Zhenyang was unable to approach Feng Ruqing. His body shook and he froze midair.

Feng Ruqing was stunned too. She raised her head slowly. Soon, a familiar person entered her vision.

That man was dressed in plain white clothes. He had a murderous look on his face. He looked at the man in front of him expressionlessly.

He hit Gu Zhenyang's chest with a great force with a stroke of his sleeve.

Gu Zhenyang was thrown out before he vomited a mouthful of blood.

He wanted to make a retort but he soon saw the cold face in front of him when he raised his head. All the words were lost. It was like a broken ball and all of a sudden no more words were heard.

"State preceptor?" Feng Rushuang was still shocked and she could not believe that Nalan Yan was still alive. She raised her head and she saw the man who was beyond everyone's reach.

There was a smile on her face. She felt shy as she rushed toward Nan Xian immediately without being bothered with Liu Rong trying to pull her back.

"State Preceptor Nan Xian, why are you so late? Feng Ruqing is bullying me. If you want to marry me, go and do something to Feng Ruqing first. If not, I'll be angry. If I'm angry, I'll never marry you even if you begged me!"

Her voice was all sweet and coy. She did not realize how Liu Rong's facial expression had darkened because of what she had done.

Chapter 429: Go and Fetch Nalan Yan from the Tang Family I

Qing Zhu was speechless.

It came out from behind Nan Xian. It was just about to greet Feng Ruqing but it soon saw a shameless woman approaching them.

Her eyes were sweet but clingy. It was disgusting.

Nan Xian's attention was completely on Feng Ruqing's palm.

It seemed that there was only the young girl's presence in this whole wide world.

The noise around them was like mosquitoes and ants. He blocked the noise out and was not even hearing any of the noise.

\*\*\*

In the medium.

The man got down.

He walked fast. He covered a distance of ten meters with every step he took. He soon came to stand in front of Feng Ruqing after taking a few steps.

Feng Rushuang had a smug smile. She said dominantly, "Feng Ruqing, your mother is a shameful vixen. She had taken Feng Tianyu away and she had even seduced my father! But, as her daughter, you're a

loser to me. And what about your love for the state preceptor? There's only me in his heart. He would kill anybody for me!"

Liu Rong rushed toward Feng Rushuang just as Feng Rushuang opened her mouth. But, Feng Rushuang had already said what was not to be said.

Liu Rong's face was pale. "Feng Rushuang, stop talking now!"

"Why can't I talk? Did you forget how Nalan Yan had treated you? Her daughter has lost to me. Shouldn't you be proud of that? Feng Ruqing, you don't know how deep State Preceptor Nan Xian's love for me is. If it is not for you, he wouldn't have kicked me out of the Southern Bamboo Grove. He hates you so much that he hated me too. If it were not for you, I'd have been his wife by now!"

Liu Rong wanted to cover Feng Rushuang's mouth but Feng Rushuang slapped her hand away. Feng Rushuang stared at Feng Ruqing angrily. Then, she looked at Nan Xian with a warning look.

"State Preceptor Nan Xian, I won't blame you for thinking that I'm just like Feng Ruqing then. It's because Feng Ruqing's actions were over the top. But, you need to kill her yourself. If not, I won't marry you even if you used a big sedan carried by eight people!"

Liu Rong's body shook. Her lips were half opened and she seemed helpless.

How could she confess that she had lied to Feng Rushuang the other day when everybody was present?

She could not even utter those truths.

At the wasteland.

Nan Xian's eyes fell on Feng Ruqing bloodstained palm. He frowned slightly as he gently held her hands.

"Who did this to you?"

"This..." Feng Ruqing was calmer when she saw Nan Xian. She replied, "I accidentally hurt myself."

Nan Xian used his long and slender fingers to wipe away the blood from the corner of the young girl's mouth softly.

"Then, who did this to you?"

"Gu Zhenyang." Feng Ruqing was honest. "He punched me once."

"Then, is his life enough?"

Feng Ruqing was silent.

'What?'

"A punch. A life."

The air was still.

Feng Rushuang looked at the angelic man in shock. It seemed like her heart was being heavily punched. It felt heavy.

‘No, it’s not right. It shouldn’t be like that. Nan Xian should have killed Feng Ruqing by now. Why is his voice so gentle? I’ve never seen him like that before!’

“Mother, didn’t you tell me that the state preceptor likes me? What’s happening between him and Feng Ruqing? Tell me!” Feng Rushuang’s eyes that were filled with pain turned toward Liu Rong. She demanded an answer from Liu Rong.

Liu Rong’s facial expression changed. ‘This girl has finally blurted it out...’

However, Feng Tianyu coughed out loud before Liu Rong could answer Feng Rushuang.

He was not coughing out blood but just to remind Nan Xian to let go of his hand.

Nan Xian ignored Feng Tianyu and continued to put Feng Ruqing’s palm in his hand.

Feng Tianyu somehow looked annoyed.

He likes the state preceptor, but his fondness was only limited to the state preceptor taking Feng Ruqing as his disciple.

Back then, he was reluctant for Feng Ruqing to marry Liu Yuchen, but he was forced to agree on the marriage when his daughter threatened to kill herself. Now, his daughter was finally divorced, and it was only natural for him to be reluctant for her daughter to be married to someone again.

Son-in-law and father-in-law... are always enemies.

“State preceptor...” Feng Tian finally tried to remind him. “You may let go of your hand now.”

Nan Xian finally turned to look at Feng Tianyu.

He slightly frowned and asked, “Who hurt you?”

Feng Tianyu honestly answered to Nan Xian in surprise. “Gu Zhenyang.”

“Two punches, two lives.”

Feng Tianyu was speechless.

‘Wait, that’s not the problem now. State preceptor, can you let go of your hand first? When will you stop holding her?’

“Nan Xian!”

Feng Rushuang rushed in front of Nan Xian before she could wait for Liu Rong’s response. She asked furiously. “Tell me, what’s your relationship with Feng Ruqing?”

Nan Xian looked coldly at Feng Rushuang as if he was thinking about something. However, he still could not come up with an idea after a while. So, he blurted out and called, "Xiao Qing."

"Master, I'm Xiao Qing." Qing Zhu's little head popped out as it protested weakly.

"Xiao Qing, who is she?"

Feng Rushuang said nothing.

"Master, she's Feng Rushuang." Qing Zhu grudgingly humped, twice. "You have asked me the same questions twice, do you really have a memory of seven seconds? You asked me who she was just now and you have forgotten now."

Feng Rushuang almost stopped breathing. Her delicate face was red with anger.

"State Preceptor, how could you be so heartless? Are you deliberately trying to distance yourself from me? Is it because of Feng Ruqing? Did you fall for her because she has turned pretty now? You came to send me off that day before I was sent to the barracks in borders!"

Nan Xian coldly replied, "Oh, Qing'er doesn't like Xiao Qing so I threw it away that day."

Feng Ruqing was stunned.

When did she hate Qing Zhu? How could she not know?

Perhaps only Qing Zhu knew what was going on. Its master was envious of it when Feng Ruqing said she wanted to give birth to a nest of little snakey. So, he got so envious and wanted to abandon it without caring for its feelings.

"But... but then you still watched me leaving?" Feng Rushuang bit her lip. Her eyes were red.

It was true that the state preceptor liked her, or else, why would he feel reluctant to send her off?

"Yup, it was because Xiao Qing told me that Qing'er would be happy if I killed you," Nan Xian still spoke with a light voice, but his voice could easily send chills down a person's spine. "But Qing'er told me not to meddle in her affairs, so I was thinking to teach you a lesson that time... it wasn't considered as murder, is it?"

The man's words were just like a pot of cold water that was poured onto Feng Rushuang's heart, soaking it in coldness.

Before that, no matter how many times she lost to Feng Ruqing, she still did not feel hopeless.

It was because she had always believed that the state preceptor loved her!

Or else she could never have been able to bear to live through the sufferings and nightmarish life back in the barrack. She even had sneaked out just to come to see him!

Why...

Why would she get such an ending!

“No, that’s not it!” Feng Rushuang’s eyes were filled with agony. “Nan Xian, I’ve loved you for so many years! Why would you treat me like this?”
