

Overbearing 51

Chapter 51: The Princess's Notice III

However, when he saw the content of the princess's notice, his face darkened in anger, and his eyes flared with rage.

"Yuchen?" Tan Shuangshuang nudged Liu Yuchen worriedly and asked him in concern, "What's wrong with you?"

Liu Yuchen let go of Tan Shuangshuang's hand. A bone-cracking sound was heard when he clenched his fist as he held back on unleashing his fuming rage.

That atrocious woman, how dare she divorce him in public?

She thought she could do whatever she wanted because of her position as a princess. Yet, she wanted to search for true love? With her current looks, which man would truly fall for her if not for her royal power and influence, instead of out of true love?

Liu Yuchen remained silent and walked away.

Although he never wished for Feng Ruqing to keep bothering him, her action of announcing their divorce to the public really humiliated the whole Chancellor Manor. He could not take this humiliation!

"Yuchen?" Tan Shuangshuang panicked as she quickly rushed forward to hold Yuchen's hand. There was some tension swimming in her beautiful eyes. "Yuchen, where are you going?"

Liu Yuchen stopped walking abruptly. He finally turned around and stroked Tan Shuangshuang's head gently. He then told her in a soft voice, "Shuangshuang, you go back first and wait for me at home. I have something to take care of. I'll look for you later."

Tan Shuangshuang was startled. She loosened her grip slowly and bit her lip desperately while watching Liu Yuchen's leaving silhouette. She was immersed in deep thought for a long time.

Why?

Why did Feng Ruqing still manage to interfere between her and Yuchen even though she had made Feng Ruqing disappear from Liu Residence?

She was not satisfied!

Apart from family background, she was much better than Feng Ruqing in all aspects, but Feng Ruqing had managed to steal her lover without much effort!

"Feng Ruqing ..." Tan Shuangshuang lowered her gaze, hiding her dissatisfaction and hatred in her eyes.

'Feng Ruqing, you have decided to give him up. Why do you still use this kind of tactic to attract Yuchen's attention?

'Could it be that... you never had the intention of letting us go?'

She hated it. She loathed it so much! However, she had no solutions at all. She did not even have the courage to stop Liu Yuchen from leaving ...

.....

Supreme Princess Manor

At the back of the hill, Feng Ruqing was taking care of her spiritual herbs. Meanwhile, the snow wolf was lying under the sun and peeked at her occasionally as it was drooling over those herbs.

At this time ...

Liu Li's voice was heard from not far away and it caught her attention.

"Young Master Liu, you cannot go inside. Her royal highness has given order not to allow anyone to enter the back hill area."

Feng Ruqing squinted her eyes and smiled sheepishly at the snow wolf that was lying on the ground. "Snow Wolf, someone is trying to steal your Divine-Spirit Fruit."

Whoa!

The snow wolf suddenly rolled its body and got up from the ground. It growled furiously and glared fiercely.

Who? Which bastard dared to steal its precious Divine-Spirit Fruit? If this snow wolf did not teach him a lesson, he would jump from the hill!

"Yes, the one at the bottom. You take care of him properly, I do not wish to see him," Feng Ruqing said calmly. She added, "Oh, by the way, you must not finish him off. If he dies, I will deduct your Divine-Spirit Fruit for one day. You just need to throw him out and put his name in the Princess Manor's blacklist in the future.

Although the snow wolf did not know what a blacklist was, it still understood that humans were not allowed to enter Princess Manor anymore.

The snow wolf was very furious. How dare this weakling human dream of stealing its Divine-Spirit Fruit! This was totally unforgivable!

Looking at the snow wolf who hastened away at the speed of the wind, Feng Ruqing stroked her chin thoughtfully. "This snow wolf is good in every aspect except for its brain. It is so easily taken advantage of, there is no need to be afraid if it refuses to take care of my home."
