Chapter 711: Nan Xian? That's Impossible! V

At this time, a glimmer of wickedness flashed in Mu Ling's eyes.

Bang!

An aura was emitted out of Mu Ling's palm, striking straight at the man in black. The man in black did not dodge the attack and thus, spat out a mouthful of blood.

"Idiot! Do you truly think that everyone in the world is as foolish as you? If Nan Xian wants to hurt her, do you think he needs someone else to do it on his behalf? He could make her infertile without her knowing it."

'But... it's Lady Qingyan's suggestion.' Hearing this, color drained from the black-robed man's face.

As this was Lady Qingyan's suggestion, he did not put much thought into it and merely did as she had suggested. All he wanted to do was to completely ruin the relationship between Nan Xian and this lady.

"Idiot! Don't you know that Nan Xian would find out that it is the Mu family who is behind all these? Do you want Nan Xian to hold grudges against me?" Mu Ling clenched his jaw and punched the black-robed man squarely in the chest.

As Nan Xian had always disliked Mu Ling, Mu Ling had fully prepared himself before meeting him. If Nan Xian that knew all these are associated with Mu Ling, perhaps, Nan Xian would betray him for that lady. It was all because of this idiot!

"Young Manor Master, please spare my life. I am just doing what Lady Qingyan has suggested. Please don't kill me." The black-robed man flew into a great panic and kept kowtowing to Mu Ling.

"What did you just say? Qingyan has asked you to do so?" Dumbstruck by the man's words, Mu Ling's palm froze, mid-air.

'Why did Qingyan do this?'

"Yes. Young Manor Master, this subordinate only wants Young Master Nan Xian to leave this lady. Please have mercy on me."

Mu Ling pursed his lips coldly.

"If Qingyan has truly done this, she must have done this for me as she doesn't want to see Nan Xian lose his senses for a lady. She did this as she wants Nan Xian to return to the Mu family," Mu Ling said helplessly after a long while.

Although Qingyan had good intentions, she had done more harm than good. However, Mu Ling could not bear to reprimand her.

"I will spare your life because of Qingyan. However, never tell anyone about this when you return to the Mu family. I don't want Qingyan to feel bad."

Everything that Qingyan had done, she did for Mu Ling. As Qingyan truly cared for Nan Xian, if she knew that she had worsened the whole situation and that it would be harder to get Nan Xian back to the Mu family, she would feel very upset.

Mu Ling owed Qingyan too much. He could not bear to see her feeling bad.

"Thank you, Young Manor Master, for sparing my life." As if being granted a great amnesty, the black-robed man quickly thanked Mu Ling.

"Go back to the Mu family and tell the old master that I will be back together with Suyi and Nan Xian sometime later."

Mu Ling knew that Suyi still cared for him. Once her anger had faded, she would come back to the Mu family. Naturally, Nan Xian would also come back with her.

"At your command, Young Manor Master." The black-robed man got up and turned to leave.

Mu Ling stared in the direction of Liu Yun Kingdom. His eyes were as gentle as water, the corners of his lips slightly lifted.

"Suyi, it's time for you to come back..."

Qingyan had promised that when Suyi returned to the Mu family, she would move to another court so that Suyi would not throw a tantrum.

Mu Ling had indulged Suyi's every whim and even Qingyan had agreed to move out to another court. It would do no good to both Mu Ling and Suyi if she continued to be the way she was. Suyi was a smart lady. Naturally, she knew what to do.

"Suyi!" A shrill voice came from the sky, above the Southern Bamboo Grove.

Chapter 712: Nan Xian? That's Impossible! VI

Suyi raised her head only to see a white figure plunging toward her.

The white phoenix opened its arms widely in excitement and buried Suyi in its embrace.

"Sob... sob... Suyi, I'm finally back! You truly have no idea how many struggles I have gone through. I have lost my way for half a year. Those humans are truly mean. Knowing that I am lost, they had shown me the wrong way. I have been to the Northern Wilderness, traveled all the way from there to the Southern Ocean. I have even reached the Western Desert..."

Fortunately, the white phoenix was finally back to Liu Yun Kingdom after half a year.

The white phoenix scanned its surroundings and saw Nan Xian.

"Nan Xian, why are you here?" The white phoenix snorted disdainfully.

"You are no better than those vicious humans. You took my storeroom away and stole my tear in a bottle..."

Nan Xian disregarded the white phoenix and did not even spare a glance at it. His eyes fixed on the devastatingly stunning lady who was coming his way from not far away.

The white phoenix turned its head to look in the direction that Nan Xian was looking. Seeing Feng Ruqing, its eyes lit up.

"Xiao Qingqing, good to see you again. I am White Phoenix. I am the best friend of your future mother-in-law!" The white phoenix said reluctantly when it said the word 'friend'. However, there was ample time ahead. It would definitely become Feng Ruqing future father-in-law one day.

"Suyi, I told you that Xiao Qingqing is pretty and amazing. Their children will definitely look better. Suyi, you will become a grandmother soon." The white phoenix did not notice that Suyi's face had stiffened.

'What can I do now? How do I make phoenix soup?'

'Did I say something wrong? I don't think I did. Nan Xian and Xiao Qingqing are so in love with each other. Suyi will definitely have grandchildren soon.' The white phoenix could finally sense the awkward atmosphere and rubbed its head. Its eyes were empty.

'Calm down! I must calm down! I can't lose my composure before Qing'er.' Suyi's hand on her sides balled into fists.

"Qing'er... I don't mean to lie to you. I am just..." Suyi's face stiffened. She turned her head around, her face was still calm as if nothing had happened.

"I know. You don't want me to know anything about the Mu family." Feng Ruqing broke into a bright smile.

"You're right... but..." Suyi sighed.

"How do you know that?" Just as Suyi wanted to say something, she paused as her elegant face stiffened.

"I knew that Nan Xian is your son a long time ago."

Otherwise, Feng Ruqing would never have let Suyi stay in the princess manor for half a year.

"When did you find out?" Startled, Suyi asked.

"Half a year ago. More precisely, I knew it since the second day I met you." Feng Ruqing shrugged as she smiled.

Suyi stroked the hair near her ear gently to hide her anxiety.

"Why did you never tell me that before?" Suyi thought that she had hidden it very well. She had never thought that Feng Ruqing had found out about her relationship with Nan Xian a long time ago.

"Oh, you seemed happy when you were pretending. I didn't want to upset you. Hence, I pretended that didn't know about it." Her squinting eyes shone with delight. Her smile was as dazzling as a bright ray of sunlight.

"Have you settled everything?" Nan Xian walked forward, his slender fingers stroking the hair on Feng Ruqing's forehead.

Nan Xian knew that Feng Ruqing went into closed-door cultivation as she had something on. However, he did not ask further and only stared calmly at the lady before him.

Chapter 713: Nan Xian? That's Impossible! VII

"Uhm, I am here to see you as soon as I take care of that."

Feng Ruqing walked toward Nan Xian and put her arms around him. She looked up at him, her eyes overflowing with joy.

"Cough! Cough! Both of you can take your time. White Phoenix, come with me. I have something to talk to you about." Suyi said calmly as she cleared her throat.

The white phoenix did not know what had actually happened. However, when it thought of Suyi wanting to talk to it and that there would only be two of them, its heart pounded excitedly.

"Alright, Suyi." Suyi turned around calmly and walked toward the Southern Bamboo Grove.

The white phoenix stumbled after Suyi. A gust of wind swept through, both of them quickly disappeared into the bamboo grove.

Feng Ruqing did not even spare a glance at the white phoenix since the beginning. She could only see Nan Xian in her eyes.

"Someone set you up?" Nan Xian stroked Feng Ruqing's head. His voice was still sweet as always, like a light gust of wind blowing by her ears. It was so comfortable!

"Uhm."

"Someone from the Mu family?" A glimpse of mysterious light flashed in Nan Xian eyes. Simply no one knew what was in his mind. However, Feng Ruqing could clearly feel the air surrounding them growing colder.

"Someone from the Mu family wants to make me infertile and he said that you are behind this." Feng Ruqing's lips curved into a smile.

"I don't know if he is a fool or he truly thinks that I am a fool. Why would you get someone to do this instead? I trust that you will never hurt me."

"Mu Ling is not a fool. He would not do this and push it to me after that." Nan Xian lowered his eyes.

"You are saying that..." Feng Ruqing raised her head to squint at Nan Xian.

"That lady." Nan Xian sneered.

"I know who she is." Feng Ruqing's face darkened.

Both Mu Ling and Qingyan had hurt Suyi so badly. Now, she had even made her move on Feng Ruqing.

"Perhaps, that lady is worried as Mu Ling can't wait to get me back to the Mu family. Hence, she purposely did this to make me think that Mu Ling is behind all these so that I would hold grudges against Mu Ling and we wouldn't interfere with each other after this. However, little did she know that since a long time ago, anything related to the Mu family has nothing to do with me anymore."

Even since Nan Xian left the Mu family, he was no longer part of the Mu family. No matter what Mu Ling or Chen Qingyan did, it was all in vain.

"Qing'er, I won't let anyone hurt you." Nan Xian lowered his eyes as he smiled resolutely.

Simply no one could hurt Feng Ruqing.

"I trust you." Feng Ruqing raised her eyes to stare at Nan Xian. She did not know why she had never lost trust in Nan Xian. It was as if her faith in Nan Xian was embedded in her soul and bones, it would never fade away no matter how many times of reincarnation.

"Nan Xian, you knew from the beginning that I am not the old princess, didn't you?" Feng Ruqing smiled, faintly.

"Uhm, I knew."

"I am not saying that I have changed. What I truly mean is that I am not her! I don't belong to this world in my previous life. However, I have a strong sense of belonging to everything in this world, as if I was born here." Feng Ruqing shook her head as she said.

Moreover, there must be a reason that Feng Ruqing could take possession of this body. Just that she had yet to find out the reason behind all of this...

Nan Xian's hand that was stroking Feng Ruqing's head stiffened. He wrapped her in his arms tightly.

"I only have a brother and a big doggie in my previous life. Now, they are all here with me. My brother is Qin Chen and my big doggie is the dark dragon. Both of them are extremely important to me. I can't turn my back on Chen'er. No one can hurt him the slightest bit."

Chapter 714: Nan Xian? That's Impossible! VIII

Nan Xian tightened his arms around Feng Ruqing.

"Just let me know what you want to do. I will give you a hand." As soon as Nan Xian finished his words, Feng Ruqing raised her head and gave him a quick and light kiss on his lips.

Just as Feng Ruqing parted her lips, Nan Xian placed his hand at the back of her head and yanked her close to him. He leaned in and pressed his lips gently against hers once again.

In the Southern Bamboo Grove.

A light gust of wind swept through the grove.

The young master in a snowy white robe was stunningly handsome and unparalleled in this realm. The lady before him was devastatingly gorgeous. From afar, both of them looked more captivating than a beautiful painting.

Nan Xian parted his lips after a long while. With one hand around her slim waist, both of them soared into the sky like a gust of wind. Not long after, they descended right before a wooden hut.

A faint fragrance lingered in the wooden hut.

The wooden hut's interior was simple but elegant, just like Nan Xian's temperament—carefree and free from desire.

Nan Xian took Feng Ruqing to a wooden bed and gently laid her down.

Her hair fluttered in the wind—messy but did not in the slightest dim her beauty.

Nan Xian's slender fingers slid through her tangled hair and landed on her cheek.

"Where is Xiao Qing, the snake?" Feng Ruqing asked, anxiously.

"Xiao Qing has lost its way. It won't be back before tonight." The corner of Nan Xian's lips lifted.

"Ah, that's great." Feng Ruqing raised her head. She put her arms around Nan Xian's neck and kissed him on his lips.

She could taste the sweetness lingered between his lips and teeth. It was so delicate, like the taste of jasmine. She truly loved the taste of him.

After a while, she parted her lips with a faint smile on her face.

"Nan Xian... Do you still remember that I ate the fruit that Qing Han had given to me in order to save my mother? It had nearly crippled all my meridians."

"Uhm, I remember that."

"It's you who had saved me that day. However, I saw a man who looked like you inside of me. The only difference was that his hair was gray."

Hearing the lady's whispers, Nan Xian's hand that was stroking her hair paused as he stared her in the eyes.

"I have no idea if that was you, but I could feel that I know him..."

Feng Ruqing could feel the heart-wrenching sorrow behind the man's eyes. Like a sword that had pierced right into her heart, it was so painful that she had nearly broken into tears.

The man was so elegant. He should not suffer from such pain.

"Also, I have taken a painting from Paramount. I don't know why, when I look at the painting, my heart aches..." Feng Ruqing's smile faded and pain crept into her eyes.

The pain in Feng Ruqing's eyes pierced into Nan Xian eyes and broke his heart. He leaned over to kiss her, wildly. His kiss was no longer as gentle as before. It was so passionate as if he wanted to taste every bit of her.

In Feng Ruqing's eyes, Nan Xian had always been free from desire. This was the first time Feng Ruqing saw Nan Xian behave like this. However, she did not stop him but simply raised her head to kiss him back.

"Qing'er, will you marry me?"¹

"Hmm?" Feng Ruqing's head tilted. She had always wanted to sleep with Nan Xian but she had never thought of marrying him

"State Preceptor, tell me honestly. Since when did you start having the desire for me? Why have I never felt that?" Feng Ruqing squinted as she smiled.

If a dream was counted, it should be the year when Nan Xian was five years old. It was the first time his heart was broken...

Chapter 715: Wait Until I Have Conquered the World, Then I Will Marry You I

In his dream, Feng Ruqing was overwhelmed by a feeling of profound sorrow. He felt a tug on his heartstrings as he watched her face.

Nan Xian's fingers slid across Feng Ruqing's cheek.

"Perhaps... it started since the day you told me that you wanted to sleep with me in the Southern Bamboo Grove."

Nan Xian did not tell her that it had started when he was five years old. Just that he did not manage to find her.

Stunned, Feng Ruqing broke into a smile. Her smile was so alluring and innocent.

"You are saying that you, too, wanted to sleep with me that day?" Nan Xian sank into silence. Somehow, he could see a threat hiding in her smile. He knew that everything that he said did not seem to be right. Hence, he chose to remain silent.

"State Preceptor, do you still remember that you told me before—if I want to sleep with you, my strength must surpass you. What can I do now? I still cannot defeat you." Feng Ruqing smiled even wider.

Feng Ruqing had seduced Nan Xian so many times, but he did not seem to have any desire for her. It turned out that Nan Xian was just pretending all this while.

'Well, that's great!'

"I said that you can do so when you can finally defeat me."

'What's the difference?' Feng Ruqing was dumbfounded.

Nan Xian's arms were wrapped tightly around Feng Ruqing's waist. They were so close that they could even feel each other's heartbeat.

"You can defeat me now because... I can never defeat you in my whole life." Nan Xian held Feng Ruqing's hand gently and rested it on his face.

Startled, Feng Ruqing raised her head to stare him in his eyes.

The young master before her was enchantingly handsome. The faint smile on his face was full of tenderness and affection. One could easily fall in love with him so deeply and they could hardly get out of it.

Feng Ruqing could not restrain the desire burning within her. Once again, she climbed up onto his body, toward his neck, hugged him tightly, and kissed him gently on his lips.

A light gust of wind blew, their hair was entangled in the wind, their robe disheveled, their shoulders were half-covered by thin pieces of fabric. Erotic!

Suddenly, the young master paused. He held onto Feng Ruqing's head as he stared at her with passionate eyes.

"Qing'er, give me some time."

"Hmm?" Feng Ruqing opened her lustful eyes and stared at the young master before her.

"Give me some time. I will marry you when I have conquered the world." Nan Xian lowered his eyes, his hand was stroking her head, his smile was full of tenderness.

Feeling startled, how could Feng Ruqing tell Nan Xian that she never had thoughts about marriage on her mind? Marriage was nothing but a formality. She could spend a lifetime with him just the way they were now.

"State Preceptor, I have never feared criticism." Feng Ruqing tightened her hand around Nan Xian and yanked him close to her.

The world had never been fair for ladies. It was normal for a man to lose his chastity. However, if the same happened to a lady, she would be condemned and cursed. If the lady got pregnant before marriage, the overwhelming criticism from the people around could take her life.

"I know." Naturally, Nan Xian knew that Feng Ruqing took no heed to criticism. However...

"I am afraid that I might lose my mind and kill all those who malign you."

Moreover, Nan Xian wanted to give Feng Ruqing the best thing in the world. He wanted to give her the whole world. Hence, he would marry her when he had finally conquered the world.

"Alright." Feng Ruqing's eyes met Nan Xian's. Her heart pounded, erratically. The corner of her lips subconsciously lifted.

Nan Xian looked at Feng Ruqing, as if wanting to say something but eventually, he did not say a single word.

Chapter 716: Wait Until I Have Conquered the World, Then I Will Marry You II

"Qing'er, you could spend a night here today."

"Aren't you afraid that I can't control myself and eat you up?" Feng Ruqing smiled, faintly.

"No."

If that was the case... He would throw away his reserve, sleep with Feng Ruqing, and marry her after.

Previously, Nan Xian was not the slightest bit interested in intimacy. However, after meeting Feng Ruqing, he seemed to have exhausted all his energy to control his desire for her.

If Feng Ruqing continued seducing him, he might no longer control himself.

Feng Ruqing subconsciously glimpsed at Nan Xian's private part. Seeing something protruding from his body, she could not help reaching out, and squeezed it.

"..."

"State Preceptor, you truly have strong self-control." Feng Ruqing said with a teasing smile.

"Hmm." Nan Xian could only speak after a long while.

Knowing that Nan Xian had spent all his energy to suppress his strong desire, Feng Ruqing stopped seducing him. Just as she wanted to leave him, Nan Xian stretched his arms to yank her into his embrace.

He lowered his head to kiss her on her lips and roll around in a passion of love.

"Qing'er..." Nan Xian's voice was so gentle and pleasant to the ears.

"Have you forgotten what you have just said?" Feng Ruqing turned her head to look at Nan Xian with a smile on her face.

Nan Xian did not say anything. He reached out to loosen up the string on her robe. In a flash, the robe slid down her body and onto the ground.

"Let's sleep."

Nan Xian held her by her waist and put her down the bed. He took off his robe, got into the bed, and hugged her from the side.

"I cannot sleep during the day."

"Don't worry. You will fall asleep when I hug you..."

Nan Xian was still staring at Feng Ruqing. He just could not take his eyes off of her.

"Nan Xian..."

"Only for today, alright?"

Nan Xian's voice was not as cold as it used to be, as if begging for her. Originally, Feng Ruqing's heart that was once pounding rapidly had finally slowed.

"Are you sure... you want to hug me like this?"

"Mhmm." Nan Xian's lips lifted slightly.

"Then... don't you regret this." As soon as Feng Ruqing finished her words, she leaned closer to Nan Xian and closed her eyes slowly.

As Feng Ruqing did not rest well these past few days, she was totally worn out and had quickly fallen asleep.

However, Nan Xian did not seem to have a good rest.

Feng Ruqing's body was not hot but when she leaned against his chest, she was like a fireball, sweeping over his entire body.

Currently, the lady in his embrace was only dressed in a thin transparent coat. His eyes slid down her body, over her collarbone, a beautiful curvy figure came into view.

"I shouldn't have let you off just now."

Nan Xian put his arm around Feng Ruqing, his slender fingers slid through the hair on Feng Ruqing's forehead.

However, he did not regret the things that he had done. He would never allow anyone to tarnish her reputation. Moreover, he would never hesitate to kill anyone who dared to do so.

Feng Ruqing slept for one whole day.

When she opened her eyes slowly, Nan Xian's stunning face came into view.

A bright ray of sunlight poured down on him, making him look extremely cold and aloof.

The corner of her lips lifted. Her fingers slid across Nan Xian's face. She lowered her head and kissed him on his lips.

Without saying a word, she left and did not wake up the young master next to her.

Feng Ruqing did not realize that Nan Xian had opened his eyes and was lost in thought right after she left. Half lying on the bed with a snowy white robe half-covering his body, his face was devastatingly handsome like a deity who had descended from the sky.

Chapter 717: Wait Until I Have Conquered the World, Then I Will Marry You III

After a long while, the azure snake crawled into the wooden hut from outside.

"It seemed that Her Highness wants to leave Liu Yun Kingdom. Why don't you stop her?" The azure snake asked after hesitating for a while.

"There is no need. I won't stop her from doing the things that she wants to do. If she needs a hand, she will let me know." Nan Xian's cold eyes were filled with a gentle smile.

"What if Her Highness refuses to do so?" the azure snake asked, hesitantly.

"Then she must have her reason."

Nan Xian trusted and respected Feng Ruqing. Hence, he would never ask her for too many things. He knew that Feng Ruqing would tell him if she truly wanted to do so.

"However, it seems that Qing'er does not fully rely on me. Go and get everything ready. We are leaving soon." Nan Xian smiled, faintly.

"Master, where are we going? Are we going to Tian Shen Manor?" The azure snake was slightly surprised.

"We are going after Qing'er."

"Wait, we will set off when she is a thousand meters away. Otherwise, she will notice that someone is stalking her." Nan Xian paused for a while.

'Master, what are you doing? If you cannot bear to part with her, why don't you stop her from leaving?' The azure snake was rendered speechless.

"Master... are you sure? Are we really going after Her Highness? I thought you said that you respect and trust her?" the azure snake said hesitantly.

"Hmm. That's why I didn't stop her. However, it doesn't mean that I am fine with her to go alone," Nan Xian said, calmly.

"I think the people around Her Highness might be in danger instead," the azure snake said, fearfully.

Nan Xian chilly gaze was fixed on the azure snake. Stunned, the azure snake shook violently as it said, hastily, "The people out there are too mean. Her Highness is such a weak lady. How could she handle them? We must go after her. We should secretly protect her."

"Hmm." Nan Xian's face softened.

"However, yesterday was such a good chance. Why didn't you make good use of it?" The azure snake blinked.

"Do I look... handsome?" Nan Xian responded only after a long while.

Dumbstruck by Nan Xian's words, the azure snake was lost in wonder.

'Since when has Master become a narcissist?' Moreover, the azure snake was no human. How could it tell whether Nan Xian looked good?

"Many ladies have fallen for you and would pounce on you as soon as they see you... Hence, you must be very handsome." The azure snake answered after some time.

"If I no longer have this handsome face, Qing'er... would she still want to sleep with me?"

The azure snake's eyes widened in shock.

'Master has always been a cold and aloof person... since when did he start to worry about personal gain or loss? He is actually worried that Her Highness wanted to sleep with him because of his handsome face?'

"Master, is that the reason why you didn't grab the chance yesterday?"

"No. The things that I had told her were true. I must marry her before having children with her. I don't want anyone to humiliate her."

"Then what you truly mean is..."

"Hmm. I want to get everything ready. If she wants to sleep with me because of my physical appearance, when I no longer have my stunning face, I will disfigure whoever approaches her. In that way, I will still be the most stunning man."

The azure snake slithered backward. It felt that ever since Nan Xian had met Feng Ruqing, he was getting more and more terrifying.

What if he disfigured the azure snake? It had not found a female snake that it loved yet...

Chapter 718: Wait Until I Have Conquered the World, Then I Will Marry You IV

Nan Xian stared nonchalantly at the azure snake as he could read its mind.

"She won't fall for a beast. Moreover... you are ugly."

'You are ugly'... the three words were like three swords, piercing right into the azure snake. It was so painful that the azure snake burst into tears and nearly spat out a mouthful of blood.

"Master, I need to be respected too. Moreover, I am the best-looking snake in the snake clan. You could malign me but not the entire snake clan."

"Hmm... then I will replace all the spirit beasts around her with snakes. That would be a great relief."

'Wait, Master, what do you mean. Are you condemning the snake clan?'

Nan Xian did not wait for the azure snake's response and walked out of the wooden hut.

As soon as he stepped out of the hut, a deadly aura rushed toward Nan Xian from afar. A glimpse of viciousness flashed in his eyes. In an instant, he disappeared without a trace.

Suyi was standing on a bustling street. Her cold gaze was fixed on the man before her. Her face was cold and nonchalant.

"Suyi..." Seeing Suyi once again, Mu Ling's voice was stuck in his throat, he could not resist the urge to walk forward and hold her hands.

Seeing this, Suyi quickly retracted her hand to dodge him.

Mu Ling's outstretched hand was left hanging mid-air. He put down his hand slowly after a while.

"You have always been simple. It would be fine if you are still in the mountains. However, people here are vicious. I am worried about you."

Hearing this, Suyi's lips curved into a sneer. Mu Ling was right, there was a vicious man standing right before her now.

"Suyi... when are you going back with me? It's the old master's birthday in a few months. He misses you so badly. Moreover, Qingyan has moved out because of you."

Mu Ling had always been true to Suyi. However, he owed Qingyan too much and failed to keep his promises to her. So, he had made Qingyan his concubine as it was his promise to her.

"Oh," Suyi said, indifferent.

"I will be back on the old master's birthday. You can leave now. Don't disturb the life of our family of three."

Our family of three ...

Mu Ling smiled wryly. It seemed that Suyi really liked Feng Ruqing.

If Feng Ruqing had a good family background, Mu Ling would take a step back and make her Nan Xian's principal wife. However, she had none. She was of no help to Nan Xian.

"Suyi, you know that I have always missed you. Don't you know my feelings for you?"

Mu Ling stared affectionately at Suyi. This time, Mu Ling was smart. He did not mention Feng Ruqing.

Suyi merely frowned.

If not for the fact that she had a good upbringing and did not want to dirty the street, she would have thrown up. Suppressing the feeling of nausea, Suyi turned her head slowly to stare at Mu Ling.

"I thought you only have Qingyan in your heart?" It had always been like that, it will be like that in the future.

Mu Ling's face darkened. However, he did not burst with anger like he used to but suppress the anger in his heart.

"Suyi, you know very well that I would never have married you if I don't love you. Moreover, you were just an orphan back then," Mu Ling said, begging.

Chapter 719: Wait Until I Have Conquered the World, Then I Will Marry You V

"Shut up!" Suyi snarled, her eyes were filled with anger.

"Suyi, I feel sorry for Qingyan... I owe her too much. She would even have risked her life for me. I couldn't just turn my back on her. I thought you would understand me..."

Previously, Suyi had always been considerate and kind. Mu Ling thought that Suyi would accept Qingyan with an open heart. It turned out that Suyi had harmed Qingyan so much.

However, Mu Ling forgave Suyi as he could not bear to reprimand her.

Why was Suyi still not satisfied? She had even taken Nan Xian away for years...

Suyi closed his eyes slowly. After a long while, she opened her eyes again, this time, her eyes were colder.

"You don't love me. Qingyan is the only one you truly love. If you love someone, you would trust her wholeheartedly. You have never trusted me, but you trusted Qingyan... and have never, even in the slightest bit, doubted her."

Previously, Suyi did not understand this until the day she heard Feng Tianyu and Nalan Yan's story from the white phoenix. Also, she had seen how Nan Xian and Feng Ruqing had treated each other.

A few days ago, the Mu family had sent someone to harm Feng Ruqing, and had made Nan Xian the scapegoat. However, Feng Ruqing trusted Nan Xian without the slightest hesitation.

Not to mention that the scheme was full of flaws, even if it was a flawless scheme, Suyi knew that Feng Ruqing would never doubt Nan Xian. The same went for Nan Xian.

One would always believe in the person he loved wholeheartedly. Seeing the way Mu Ling trusted Qingyan, Suyi had once again believed in love. No matter what Qingyan did, Mu Ling had never lost his trust in her. Mu Ling had even trusted Qingyan every time she had set Suyi up. There was no doubt that Mu Ling would truly love Qingyan, until the end of time.

Why would Suyi want to get herself involved? Why would she not let him go?

"Suyi... I have never been so soft-spoken and submissive to a lady. You are the first one. Is this not enough to prove my feelings for you? What do you want me to do? Do you want me to divorce Qingyan?" Mu Ling's eyes were full of sorrow.

"There is no need. Qing'er told me before. The best thing to do to a cheating couple is to wish them a lifetime of happiness together so that they would never harm others." A faint smile broke on Suyi's once cold face.

"Suyi!" Mu Ling could no longer restrain his anger. His handsome face darkened a few shades.

"I know you are here for Nan Xian. Do you think he would listen to you and go back to the Mu family? That's total nonsense! After you laid your hand on Qing'er, do you truly think Nan Xian would listen to anyone from the Mu family?" Suyi smirked.

"You were not that kind of person back then..." Mu Ling was slightly startled.

Suyi was such an elegant and noble lady back then. Not to mention bad-mouthing others, she had never even said anything spiteful before. But what did she just say?

"Because you, Mu Ling... have never known me." Suyi walked toward Mu Ling slowly.

If a lady has made up her mind, she would never change for anyone.

"You can leave now. I don't want Nan Xian to see you." Suyi turned around, calmly.

"You don't have to come to me. I will go back on the day of the old master's birthday. Also, if you don't want to see the Mu family being massacred, don't ever lay your hand on Qing'er! Don't think that both Nan Xian and I will sit back and do nothing."

Mu Ling... Not only Mu Ling. The same went for Qingyan.

Not only had the people of the Mu family hurt Nan Xian and Suyi, but they had also harmed Feng Ruqing. Suyi would never forget about this. They must pay for the things that they have done someday.

"Suyi..." Mu Ling called out sadly.

Suyi paused. "The reminder was not for your sake. I only hate you and Qing Yan in the Mu family! I don't want the Mu family that was set up so hard by the old master to be ruined. I also don't want my brother-in-law who has treated me well to get hurt... However, Nan Xian had no affection toward anyone. If you push him too hard, he could do anything."

She smirked with pride in her eyes.

After all, Nan Xian was her son. She knew his character well.

"By then, don't expect me to stop him!"

Mu Ling's face darkened. "Nan Xian wants to destroy the Mu family. I think... he doesn't have this ability yet."

Suyi smiled lightly. "You know Nan Xian's talent the most. How many people have you sent over the past ten years? Those people have witnessed his growth. The Mu family... will be stomped under his feet sooner or later!"

Up until now, Suyi still could not figure out the extent of Nan Xian's strength. However, she understood that the Mu family would be crushed under his feet sooner or later!

She just hoped that Mu Ling would not ruin the old master's efforts.

"He is my son!" Mu Ling was so furious. "How dare he does this?"

Suyi smiled ironically. "Nan Xian doesn't accept you. You will never be his father. Don't blame me for not warning you. If you don't want to see bloodshed in Tian Shen Manor and those innocent girls to die under the sword, don't find him any wife or concubine."

"..." Mu Ling stopped breathing for a moment. "That Feng Ruqing! Who does she think she is? Furthermore, is she capable of killing those girls in Tian Shen Manor?"

"Qing'er is so gentle and kind. She wouldn't do such things. I'm talking about Nan Xian..." Suyi looked up. In the breeze, her white clothes were light and picturesque. "My son... I know him better than anyone. He dares to do anything if you pushed him too much!"

Mu Ling had not seen Nan Xian for a long time. Even though he knew that Nan Xian was a little unfriendly now, he could not figure out what Nan Xian's temperament had become.

Thus, he was silent for a while before he asked. "Then why don't you stop him?"

Suyi turned back, indifferently. She glanced at Mu Ling's dark face.

"Nan Xian is not as half-hearted as his biological father. His devotion to Qing'er is whole-hearted. Why should I stop him from protecting her? On the contrary, if he did, I would think that he has done a good job."

Suyi was married to a bad husband—Mu Ling.

Nevertheless, Suyi had always believed that there would always be someone in this world who would treat her wholeheartedly.

Mu Ling was shocked.

Suyi had changed greatly and become more vicious since she left home.

Besides...

Where did she see Feng Ruqing's tenderness and gentleness?

Was Suyi blind?

How could Feng Ruqing be kind and gentle? Ridiculous!

"Suyi..."

"Can you leave now?"

Suyi spoke firmly. She was apparently reluctant to continue talking to Mu Ling.

She initially wanted him to get out. However, she still used the word 'leave' instead of 'get out' due to her status.

"You want to fight me?" Mu Ling's face darkened. He stared at Suyi's pretty face in disbelief.

"Yes," Suyi answered indifferently and walked slowly toward Mu Ling.

Mu Ling took a deep breath. He felt distressed.

"Okay, I'll leave! Suyi, I thought you would understand my heart after all these years. But in the end, you still don't repent."

He had talked nicely and begged her to go back. What else did she want? Not enough trouble yet?

However, Mu Ling could not bear to do anything to Suyi after all. Hence, he could only glance at Suyi sadly. Then, he turned and left.
