

## Overlord 107

### Chapter 107: A Task with Both Financial and Personal Gains

By Ning Xiaodong's side, the youth who had shown a surprised delight upon seeing Tong Yunshu regained his composure, glanced at Yang Fei, and seeing that Tong Yunshu and Yang Fei were dining alone, a flicker of jealousy and inexplicable anger clearly passed through his eyes.

Then, he looked at Ning Xiaodong and said, "Xiaodong, what did you just say, he is a scumbag?"

As he said this, he deliberately glanced toward Tong Yunshu.

"Exactly, this guy is a scumbag. He's deceiving a teacher from our school and at the same time having dinner with this beautiful woman. He's definitely two-timing!" Ning Xiaodong pointed at Yang Fei, indignantly spoke, and with his other hand, he was taking photos of Yang Fei and Tong Yunshu.

Yang Fei frowned and said to Ning Xiaodong, "Stop taking pictures."

Upon hearing this, Ning Xiaodong laughed loudly, thinking Yang Fei was scared, and immediately said, "I will take pictures. I want Yanyang to see your true colors, to let him realize I am the best."

Yang Fei coldly said, "Are you sick? Don't talk nonsense about things you don't understand. Ever heard of the saying 'trouble comes from the mouth'?"

Ning Xiaodong was taken aback for a moment, then burst into laughter, "Hahaha, are you threatening me? Kid, you probably don't know about my connections in Binhai, do you?"

Yang Fei was speechless.

By Ning Xiaodong's side, the youth directly said to Tong Yunshu, "Yun Shu, you just heard it. This guy may look impressive, but he's a total scumbag. Be sure not to be deceived by him."

Tong Yunshu slightly smiled and said, "I know he's married."

"What?"

The youth was completely dumbfounded, swallowing the words he had on the tip of his tongue, unsure of what to say next.

Ning Xiaodong was also stunned. After clearly seeing Tong Yunshu's face, envy, jealousy, and hatred surged in his heart. He secretly thought this guy was too good at finding women. Not to mention Qin Yanyang, and now being with another stunningly beautiful woman who is not only as attractive as Qin Yanyang but even more feminine, damn, was there any room left for other men to live?

Consumed by jealousy, he immediately labelled Yang Fei a scumbag and even mentioned that Yang Fei had a girlfriend, just wanting to embarrass Yang Fei on the spot.

But what he didn't expect was that this top-class beauty actually knew Yang Fei had a wife.

Ning Xiaodong felt like his brain wasn't working.

"Yun Shu, you... you know he's a scumbag, and you still stay with him?" The youth finally regained his composure and looked at Tong Yunshu in utter surprise.

Tong Yunshu said softly with a smile, "What's wrong with having a meal with him?"

The youth calmed down and asked, "So, you're just friends?"

Tong Yunshu suddenly smiled slightly and said, "Sort of, but it's true that I like him."

As she spoke, she even winked at Yang Fei, her eyes carrying a hint of the bashfulness and reserve typical of teenage girls.

Yang Fei was speechless.

Not again!

Ning Xiaodong and the youth by his side felt like their hearts were breaking.

Such a beautiful and graceful woman, how could she not like them and instead like a married man?

The young man with Ning Xiaodong was named Sun Kangnian, who had been college classmates with Tong Yunshu. Back then, their relationship at school had been quite close, subtly nearing a romantic involvement.

Later, Sun Kangnian went abroad, and their relationship naturally faded.

It was a case of an unfulfilled first love.

After years apart, upon seeing this girl from his youth now so stunningly attractive, Sun Kangnian felt even more determined to complete his mission.

Upon hearing what Tong Yunshu said, he immediately showed a deep melancholy, reluctantly looked at Tong Yunshu and said, "Yun Shu, I... all these years, I actually couldn't forget you. I've realized that I love you. I came back to the country just to pursue you and to spend the rest of my life with you."

Hearing Sun Kangnian's bold confession, Tong Yunshu was slightly stunned.

A hint of melancholy and longing flashed through her eyes.

If he had been brave enough to take this step at school five years earlier, to sincerely confess his feelings, perhaps she might have really accepted him because of the budding youth.

But unfortunately, there are no what-ifs.

Life is always full of regrets.

Now, Tong Yunshu, successful in her career and well-informed, also able to access the Martial World, which most ordinary people couldn't reach, may have had a bit of a crush on Sun Kangnian once, but after many years apart, that feeling had long since disappeared.

"I'm sorry, I might disappoint you, but I haven't thought about dating recently," Tong Yunshu said, regaining her composure with a smile to Sun Kangnian.

Upon glancing at Yang Fei, and thinking about Tong Yunshu's attitude towards him just now, Sun Kangnian felt resentful.

However, he hid his thoughts well and smiled politely at Tong Yunshu, "I should be the one to say sorry. It was abrupt of me to say this upon meeting today; perhaps I scared you? Yun Shu, I came back to the country just for you, and I'll slowly prove my sincerity through my actions."

Faced with this situation, Tong Yunshu seemed already accustomed. Being so outstanding and beautiful, naturally, many gentlemen pursued her, so she just smiled faintly at Sun Kangnian, then turned her gaze to Yang Fei and said, "Mr. Yang, have you finished eating? Shall we take a walk outside?"

Yang Fei stood up and said, "Sure."

Seeing Yang Fei about to leave, Ning Xiaodong stared fiercely at him and said, "Yang Fei, I know Yanyang brought you here as a shield, so I advise you to leave her as soon as possible."

Yang Fei was truly angry now.

This guy was so obsessed with Qin Yanyang that it twisted his mentality. Although Qin Yanyang and he were indeed married without the actual marital obligations and lacked a substantial emotional foundation, they had, after all, obtained a marriage certificate.

You prance around in front of me every day, acting like you're trying to steal my wife, thinking I have no temper, right?

But this was a public place, and following Ning Xiaodong's earlier remark, many patrons were looking this way.

Yang Fei suppressed the urge to get physical and simply picked up a cup of tea and splashed it on Ning Xiaodong's face, coldly warning, "I'm warning you for the last time, stop provoking me."

Ning Xiaodong, having tea splashed in his face by Yang Fei, immediately flew into a rage and charged at Yang Fei.

He was passionate about Taekwondo and trained frequently, considering himself an expert. Filled with hatred for Yang Fei, he saw this as the perfect opportunity to beat him up.

"Smack!"

As Ning Xiaodong rushed towards Yang Fei, Yang Fei swung back a slap.

Instantly, Ning Xiaodong spun 360 degrees on the spot, and his phone flew off and shattered.

By the time he regained his senses, Yang Fei and Tong Yunshu had already left.

"Ah!"

Overwhelmed with humiliation, Ning Xiaodong let out an angry roar and set off to follow them.

He felt he had been careless just now, not performing well.

However, Sun Kangnian grabbed him, his eyes showing a hint of icy intent as he shook his head at Ning Xiaodong, "Don't be impulsive, Xiaodong. To deal with this sort of riff-raff, there are plenty of ways without us getting our hands dirty."

Cooling down, Ning Xiaodong thought of the gang leaders he knew, an evil notion forming in his mind: "That's right, I'll make that kid's life hell."

Sun Kangnian's gaze lingered on Tong Yunshu's graceful figure, swallowing his saliva with a burning intensity in his eyes.

Completing this mission would not only secure money but also win over such a top-quality beauty. It was too good a deal.
