

Overlord 99

Chapter 99 Why So Agitated?

"What's wrong, Mr. Yang?" Tong Yunshu saw that Yang Fei was speaking to her and suddenly looked away, his expression confused, so she couldn't help but ask.

Yang Fei came back to his senses, smiled, and shook his head, "It's nothing."

Tong Yunshu gave him a look, knowing that he had a lot of matters to deal with and said, "Since the matter has been resolved, I shall take my leave first."

Yang Fei smiled and said, "Alright, thank you for today, Miss Tong. I'll treat you to a meal tomorrow."

Tong Yunshu smiled sweetly, "Then, I'll be looking forward to it."

Yang Fei nodded.

Tong Yunshu then greeted Li Zhengyi and left with Zhou Chun and Qin Hu.

Once Tong Yunshu had left, Li Zhengyi smiled at Yang Fei and said, "Little Brother Yang, we from the Martial Alliance will handle the situation here; you may leave now."

Yang Fei glanced at the corpse of Situ Xian, then turned his gaze toward the other members of the Situ family.

According to his intentions, his plan for today was to exterminate all the Inner Strength masters of the Situ family. Now, having only killed two and seriously injured several, his goal had not been achieved.

But with the members of the Martial Alliance here, he obviously couldn't continue to attack the Situ family.

After some thought, Yang Fei's gaze fell on Situ Yunxin, and he said indifferently, "If the Situ family cannot accept this, they can seek vengeance against me. But remember, it can only be me. If anyone dares to threaten my friends, I will ensure that the whole Situ family is buried alongside me."

Situ Yunxin, seeing Yang Fei still talk so boldly in the presence of a Martial Alliance Steward, couldn't help but be greatly shocked.

This young man, despite his age, was decisive in killing.

With their father dead at his hands, the Situ family's hope for vengeance was impossible.

Unless the elder sister could persuade the Yan Family's experts to take action.

However, aside from his father's death, today's events could also be considered a good thing for him personally; with his second brother dead, the position of the next family head would belong to no one else but him.

Therefore, Situ Yunxin personally didn't harbor much hatred towards Yang Fei.

But in front of the family's members, he couldn't afford to speak any words of surrender and simply harrumphed, bowing his head in silence.

Seeing his reaction, Yang Fei smiled faintly and stopped paying him any attention.

It was then that Li Zhengyi spoke up, "Little Brother Yang, rest assured; conflicts between martial artists must not harm innocent bystanders. Since the Martial Alliance has already made a judgment on this case, I believe the Situ family will not dare to act rashly."

Yang Fei listened and nodded slightly.

Even if there were still dissenters in the Situ family, they would no longer dare to act hastily after today.

Moreover, now that the Situ family's strength had been greatly reduced, and with Xu Mao and Xu Xingzhou joining the Dragon and Tiger Hall, the Situ family in Binhai no longer had any chance to turn the tables.

At this moment, Xu Xingzhou came up to Yang Fei and whispered, "We need to take Xu Xinghai's body away and dispose of it quietly."

Yang Fei nodded and said to Zhang Long, "Take the body and let's go."

Zhang Long's throat twitched, and he hurriedly agreed before scurrying away to lift Xu Xinghai's body with one hand.

He felt slightly aggrieved in his heart.

Why is it always me who has to do these things?

I'm an Inner Strength master too, okay? Mr. Yang, next time you go out to handle affairs, you can bring me along. Besides janitorial work, I have other uses too.

Seeing Yang Fei and others leave, taking with them a body of unknown identity, Li Zhengyi didn't stop them, and the other members of the Binhai Martial Alliance were even less likely to say anything.

Li Zhengyi's gaze then fell upon Situ Yunxin and several other Inner Strength masters of the Situ family like Situ Yunzhong and sighed lightly, "It's truly a pity that the Situ family has suffered this catastrophe. However, since Sect Leader Jiang has personally given his verdict, you should understand that you cannot act rashly, even if you disagree, right?"

Situ Yunzhong coughed, wiping the blood from the corner of his mouth, and said vehemently, "This hatred, this grudge, the Situ family will not let it go easily."

Li Zhengyi's brow furrowed and he reminded, "By saying this, does it mean that the Situ family does not accept Sect Leader Jiang's judgment?"

Situ Yunzhong's expression changed, and he dared not speak any further.

Indeed, he was not convinced, but as for showing disrespect towards Jiang Ziman, that was something he did not dare to voice.

After all, that was the Sect Leader of the Provincial City branch, and it was said that any Martial Alliance Sect Leader was a grandmaster at the Energy Transformation Level.

Such a figure, with both powerful personal strength and the position of Martial Alliance Sect Leader, commanded respect and authority. Even if Situ Xian were still alive, he would have to be extremely respectful; where would he dare to show dissatisfaction now?

Fearing that other members of his family might speak out of turn and say something unpleasant, Situ Yunxin hastily said, "Thank you, Deacon Li, for the reminder. Our Situ family understands this matter."

Li Zhengyi glanced over the members of the Situ family, nodded, and said, "That's good. Anyway, within my jurisdiction, I don't want to see anything like today's incident happen again."

Since even Jiang Ziman had to show consideration for Tong Yan, and now that the Tong family's young lady was single-mindedly protecting Yang Fei, and considering Yang Fei's cultivation strength at such a young age, Li Zhengyi naturally had to treat him well and do him a favor.

...

In the car, Xu Xingzhou was driving, with Xu Mao and Yang Fei sitting in the back seat.

As for Qi Tai and his disciple Zhang Long, they were driving another car and also carried the body of Xu Xinghai, following behind.

"Mr. Yang, where shall we go? Should we drop you home first?" Xu Xingzhou asked Yang Fei.

Yang Fei thought for a moment and asked, "Can you handle the disposal of Xu Xinghai's body?"

Xu Mao said, "The body is easy to handle, but Xu Xinghai held a high position in the family and was one of the potential heirs to come. Moreover, his grandfather is one of the three great clan elders of the Xu family, with extraordinary strength. His sudden disappearance, I'm afraid, will not be taken lightly by the family; they will surely investigate thoroughly."

Xu Xingzhou also nodded again and again, feeling rather heavy-hearted.

Although it was Xu Xinghai who wanted to put him to death first, now that Xu Xinghai died by his hand, he could not escape dealing with the subsequent troubles.

Yang Fei said indifferently, "Keep it a secret for as long as possible. The Xu family does not have concrete evidence that you killed him."

A look of concern flashed in Xu Mao's eyes as he said, "Many people from the Situ family witnessed it. It's just uncertain how many of them know Xu Xinghai's true identity."

Thinking of the possibility of the secret about Xu Xingzhou and himself killing Xu Xinghai being exposed, a cold murderous intent flickered in Xu Mao's eyes. He said, "Mr. Yang, how about I make another trip to the Situ family tonight?"

Yang Fei glanced at him sideways.

Xu Mao felt a chill in his heart and quickly lowered his head, saying, "I'm sorry, Mr. Yang, I was rash."

Yang Fei smiled faintly and said, "For us martial artists, being decisive in killing is a good thing. However, since Li Zhengyi has facilitated things for me today, I can't add to his troubles. Let's leave the matter at this for now. As for the Xu family's issues, we'll deal with it when the Xu family sends someone."

"Yes," Xu Mao replied.

Xu Xingzhou asked again, "Mr. Yang, shall I take you home first?"

After looking at Xu Mao's wounds, Yang Fei said, "Let's go to Dragon and Tiger Hall."

Half an hour later, they arrived at the Dragon and Tiger Hall. Yang Fei addressed Xu Xingzhou and Xu Mao, "As for the affairs of the Xu family, I indeed won't interfere in the future, but if you want to seize power within the Xu family, you need to make efforts on your own. Currently, your strength is not sufficient. I will give you a helping hand so you can increase your chances when dealing with trouble from the Xu family in the future."

Hearing this, Xu Xingzhou was overjoyed, visibly trembling with excitement as he bowed deeply and thanked him, "Thank you, Mr. Yang, for the promotion!"

Having been with Zhang Long for so long, he had long learned from him about the secret behind Zhang Long's breakthrough to the Inner Strength realm.

Now that Yang Fei was willing to help him improve his strength, one could imagine how thrilled he was.

Xu Mao was unaware of all this, and seeing Xu Xingzhou's excited demeanor, he was somewhat speechless.

Such flattery.

It's just treating injuries, why get so worked up?

Meanwhile, Zhang Long and Qi Tai beside him displayed envious and jealous looks.

Qi Tai was particularly agitated, opening his mouth to say, "Mr. Yang, do you think I... can I still improve?"
