

## **Overwhelmed 164**

### [Chapter 164 Don't Touch Me](#)

Thinking that his hurting arm was the reason he didn't want to move, Candice got up and went to the bathroom to wet a towel.

The Mysophobia he had wasn't new to her. She started by wiping his palms, and then she meticulously wiped each of his fingers.

After she was finished, she lifted his arm and gently cleaned the area around the cut. Then she discarded all the torn clothes and stained gauze.
