[Chapter 189 Protecting Her Self-esteem](#)

Candice poured the hot water into a disposable paper cup, and then put his spoon in the hot water to rewash it, before handing it to Milton. As she held out the spoon, her hand suddenly froze. Was she crazy to take the initiative to do these things for him?

The memory of Greyson's humiliation during their last dinner still lingered in her mind. Candice used to take the lead and pick food for Greyson during their dinners. But Greyson had exposed her past foolishness, leaving her feeling ashamed.
