

## **Overwhelmed 37**

### [Chapter 37 What He Cared About Most](#)

"Good morning, everyone."

Candice came in and bowed slightly to everyone present.

After that, she sat next to Healy.

Brooks looked at Candice with wide, surprised eyes. It was Mrs. Harman. How did she become the attorney of the opposing party?

Thinking that, he looked at Greyson. Were they going through some marital discord or something?

At the moment, Greyson's expression darkened more.

"Let me introduce her. This is Candy, our attorney."

Healy took a glance at Candice and continued, "She's amazing. She looks very young, but she's actually already the best lawyer in the Hope Law Firm."
