

Overwhelmed 43

[Chapter 43 Apologize](#)

"No way!!" After hunching his shoulders, Healy remarked, "I had no idea she is your personal attorney. Forget about it."

No matter how much Healy clenched his teeth in frustration, he was powerless at the moment. The loss of almost three hundred million dollars paled in comparison to the consequences of offending Milton. After all, Royal Garden Corporation was Universe Financial Group's primary source of revenue.

At that very moment, Candice dusted off her clothes and said, "The remaining matters are family matters. I'm out."

As she finished speaking, she took her bag and left the conference room.
