

## Overwhelmed 60

### [Chapter 60 He Needs To Be Taught A Lesson](#)

Milton glanced at Candice.

Her left hand was swollen as the bracelet was stuck around her knuckles. It was tricky to push it in or take it out.

Milton glanced at Candice.

Milton glanced at Candice.

Her left hand was swollen as the bracelet was stuck around her knuckles. It was tricky to push it in or take it out.

The longer it took, the more difficult it would be to remove.

Seeing that Candice's hand had turned blue from the lack of blood, Erica hurriedly took a bottle of body lotion from her bag and spread

The longer it took, the more difficult it would be to remove.
