

Peasant 540

Chapter 540: Fifteen Minutes

After Madam Hu left, Chu Heng heaved a sigh of relief and turned to look at Ye Muyu, only to see her buried in the blanket.

“Ah Yu, Madam Hu has left. You can come out now.” Chu Heng’s voice was filled with joy. Although he was interrupted at the last second, he had done everything he could except for the last step. Their outer clothes were scattered on the bed, and even Ye Muyu’s white inner clothes were scattered on one side.

The clothes on her chest had also been untied, revealing her sexy chest.

Looking at these items, his eyes darkened. He felt that he had a reaction again. Thinking of Ye Muyu’s beauty just now, he could not help but take a deep breath and restrain his impulse.

He finally understood that in why some men in his previous life liked to visit brothels. Seeing a woman’s clothes stripped off was really tempting!

Especially since the woman was Ye Muyu...

Chu Heng saw that Ye Muyu did not say anything and did not come out. He quickly leaned over and reached out to lift the blanket. He gently coaxed her, “Ah Yu, I was wrong. Can you come out first?”

“I don’t want to.” Ye Muyu’s voice was muffled as she hid under the blanket. Her face was red and she did not know how to face him. She...She had almost been eaten by Chu Heng just now. More importantly, she had not rejected him!

Although she felt that she had Chu Heng in her heart, she also felt that... things were going a little too fast.

“Even if you’re angry with me, you can’t keep it to yourself. If you have anything to say, you can tell me slowly. Be good...” Chu Heng was already very satisfied tonight. Although he could not eat Ye Muyu completely, just the fact that Ye Muyu did not reject him was already a big improvement.

He also knew that haste makes waste. Ye Muyu was a soft-hearted person, and he could always move her slowly.

Ye Muyu felt that the blanket was lifted very lightly. She realized that Chu Heng really did not force her. Her mood improved a little.

“You go out first. I’ll get dressed myself.” Ye Muyu said.

Chu Heng wanted to take care of her, but seeing Ye Muyu’s insistence, he hesitated for a while before nodding.

“Then I’ll get you some water first. Call me if you need me,” Chu Heng said as he got up and slowly put on his clothes.

He was not surprised that Ye Muyu did not answer. His eyes were filled with helplessness and affection. He walked out of the room and closed the door tightly.

After Chu Heng left...

Ye Muyu slowly got out of the blanket. After confirming that she was alone, she quickly put on her clothes.

She had very little clothes left on her body. Thinking of Chu Heng’s burning hands, she felt embarrassed and embarrassed, but she made a decision in her heart.

After changing her clothes and sitting in front of the mirror, Ye Muyu saw that her lips were slightly red and swollen. She quickly took out the lip cream from the dressing box and tried her best to cover it up.

“Ah Yu, the water is full. Come out and take a bath.” Chu Heng’s voice sounded from outside the door.

Ye Muyu became nervous at the thought of seeing Chu Heng. She quickly stood up and walked to the oil lamp. She blew out the oil lamp and opened the door.

Because it was dark, she could guarantee that Chu Heng could not see her face clearly, so she heaved a sigh of relief.

Unexpectedly, when Chu Heng saw her come out, he reached out and pulled her into his arms.

“Ah!” Ye Muyu exclaimed softly and patted his shoulder nervously. “There are people around... Don’t touch me.”

“You’re my wife. It’s just a hug. It’s fine.” Chu Heng’s voice was filled with joy.

Ignoring Ye Muyu’s struggle, he carried her into the bathroom..
