

Peerless 1051

[Chapter 1051: Universe Thunder Slash](#)

The dragon said: "After I have explained this to you, I will enter your mind, and then pour all the information into your body, so that you can inherit the nine-yin and nine-yang magic."

"But before that, there is still something to do."

Chen Feng asked in surprise, "What's the matter?"

The dragon snorted disdainfully: "Look at the martial arts that you are practicing now, what are they? How can it be worthy of my nine-yin-nine-yang divine skill so powerful? I'll improve it for you!"

As he said, he flicked his finger.

Chen Feng suddenly found that his body was completely out of his control.

He involuntarily tried Qiankun's Triple Slash from beginning to end. Although he hadn't comprehend the third cut, he used the basic movements and mental methods.

The same is true of Thunder Thunder Fist, which he used from beginning to end.

After a while, Chen Feng just stopped, he looked at the dragon's gaze, shocked.

He didn't expect the dragon to be so powerful that he could control his body so easily.

Looking at Chen Feng's expression, the dragon smiled triumphantly: "What's this? When I followed the Great Emperor Yin and Yang, I don't know how many strong men died under my hands."

"In the beginning, I didn't even need to kill the Soul Condensing Realm masters at all. The master would think that was too trivial!"

Then he closed his eyes slightly, seeming to be lost in thought.

Chen Feng didn't dare to bother him. After a while, the dragon suddenly opened his eyes and flicked the huge dragon claw.

Then, a light spot about the size of a fist floated towards Chen Feng.

The light spot penetrated into his mind like a firefly, and disappeared for a moment.

Chen Feng didn't have any resistance, he knew that the dragon would not hurt her, and in an instant, Chen Feng felt as if he had some enlightenment in his heart.

In his mind, at this moment Thunder Thunder Fist is automatically flashing every move, and Qiankun Triple Slash also flashes continuously.

A long knife slashed out in the air, smashing the mountains, a figure jumped up in the air, a punch blasted out, nine fist shadows ravaged the sky.

In the end, the knife merged with the figure.

In the end, Chen Feng saw that the figure was brandishing this huge long knife and slashed out.

In the sky, lightning and thunder suddenly!

Thunder and thunderbolts continued to emerge, as if the sky was split apart.

Then, Chen Feng suddenly opened his eyes, sweating profusely, and suddenly woke up!

He stood in place, constantly moving, as if simulating something.

This action lasted hundreds of thousands of times.

A little bit of time passed, and finally, in Chen Feng's eyes, the light was bright.

In his hand, the Broken Yue Sword suddenly appeared, and then Chen Feng strode forward, every step being extremely heavy, his feet on the ground seemed to have tens of thousands of kilograms of force to crush the earth.

As he moved forward, he swung wildly with the long knife in his hand.

Every time a knife is cut, a huge thunder and lightning light that is three meters long and thick as a thigh will appear.

The rays of thunder and lightning have formed a huge lightning net.

Suddenly, Chen Feng's body suddenly rolled forward. As he rolled, while waving the long knife in his hand, a huge lightning wheel was formed around him.

This thunder light wheel, constantly rolling forward, is extremely powerful and seems to be able to extinguish everything.

In the end, a heavy bombardment on the stone wall, even the stone wall made a loud noise!

The dragon was next to him, with a touch of color on his face, and smiled and said, "Although the strength is still weak, it can shake the stone wall of the tomb blessed by the earth, and the power is still passable."

"At least, not ashamed of my old man."

Chen Feng stood up, sweating profusely, panting, and even trembling.

Obviously, this trick is extremely expensive for him.

He looked at the dragon, with a grateful expression on his face, and said, "Senior, thank you very much."

The dragon shook his head: "Helping you is helping me. This sword technique combines your thunderbolt fist and the triple cut of the universe."

"Then call it Qiankun Thunder Slash!"

"Okay, good name!" Chen Feng applauded and laughed: "It's really domineering, and only a wise person like the predecessor can come up with such a wise name. Like me, I would never think of it."

He knows this guy likes to be praised, so he always praises him intentionally or unintentionally.

Sure enough, the dragon laughed and clicked on him: "You kid, you really can talk."

Chen Feng named this first move: Lightning Prison Round Light Slash!

The dragon let out a long chant: "Okay, I have said everything that should be said, and done what should be done."

"The next moment, I will enter your mind. From then on, you will inherit the nine-yin and nine-yang magic!"

As he said, his body rushed forward suddenly.

Chen Feng was caught off guard at all, feeling that this giant mountain-like dragon was directly hitting him.

It seems that in the next instant, he was knocked to pieces.

But the dragon just disappeared in front of him, never to be seen again.

Then Chen Feng felt that countless messy information seemed to be stuffed into his mind, his head almost exploding.

Chen Feng gritted his teeth and let out a fierce roar, controlling himself not to faint.

Chen Feng could hardly feel the movement of time, and after a long time, the pain in his mind gradually disappeared.

Chen Feng took a long sigh, his mind gradually became clearer.

Then, he began to carefully observe the complicated information that was poured into his mind.

These complicated information are just the magic of nine yin and nine yang!

After a long time, a smile appeared at the corner of Chen Feng's mouth: "Nine Yin and Nine Yang divine art, right? Now I will practice it to see how wonderful this divine art is."

"The most urgent thing for me now is to refine these yin and yang forces in my body."

"After all, these yin and yang forces are stored in my body and are extremely unstable. As long as there is a slight change, my body will burst immediately."

"After refining the Qi Jue for so long, it has only refined the power of yin and yang by one thousandth."

Chen Feng didn't know how long it would take the Nine Yin and Nine Yang Divine Art to refine it!

Then, Chen Feng began to practice the nine-yin and nine-yang magical technique. As soon as the nine-yin-nine-yang magical technique was operated, Chen Feng immediately felt the vastness of the magic.

As soon as it turned around, Chen Feng felt that his mind was gone for an instant, as if only a huge figure reaching ten thousand feet was left, slowly saying something.

Then, this huge figure flicked a few lightly, and the incomparable yin and yang power in Chen Feng's body was directly divided into nine.

Each of these nine yin and yang forces turned into a huge lightning dragon.

Then, this thunder and lightning dragon rushed out and came directly into Chen Feng's dantian, which was actually abruptly tripled Chen Feng's dantian.

[Chapter 1052: Fight Deng Xiangcai again!](#)

Chen Feng's dantian was in severe pain, but he gritted his teeth and held on, the pain made his face pale, and his whole body was trembling and sweating like rain.

But he persisted after all.

After entering Chen Feng's dantian, this thunder and lightning dragon went directly to the deepest part of the dantian, and then lurked.

Chen Feng let out a foul breath, opened his eyes, relaxed, his body softened and he fell directly to the ground.

He looked up at the top of the tall palace, with a smile on his mouth.

Because he felt that all the yin and yang forces in his body had disappeared and turned into a thunder and lightning dragon, and there was no longer a risk of death by body explosion!

"Nine Yin and Nine Yang divine art, really amazing, the first practice has resolved such a huge crisis in my body!"

"As for the effects of the nine lightning dragons, I really look forward to it!"

Aomori Mountains.

After Chen Feng left the valley, he didn't stop at the slightest, and went straight towards Ziyang Sword Field.

There is a mountain road ahead, and Chen Feng is running fast in it.

Suddenly, he felt a huge momentum approaching him.

Soon, this huge momentum came to the front.

There was a sneer on Chen Feng's face. He already felt that this momentum was powerful and familiar.

"If my guess is correct," Chen Feng said with a sneer at the corner of his mouth, "it should be Deng Xiang just here!"

As she said, she turned around and stood in the mountain road, facing the direction from the momentum, not evading.

Soon, the momentum came to the front, Deng Xiangcai, like a puppet King Kong, strode over and came directly to Chen Feng.

He glanced at Chen Feng up and down, a look of surprise appeared in his eyes: "You really are not dead!"

"Fortunately, I didn't leave the Qingfeng Mountain Range, otherwise you would really escape!"

He looked at Chen Feng and said coldly, "I'm very surprised that you didn't run away!"

Chen Feng smiled slightly: "Why should I run away?"

Deng Xiang just listened, and he was taken aback for a moment, and then his expression became a bit gloomy: "If you don't run away, that's a dead end!"

Chen Feng still has a smile on his face: "I don't think it is necessarily, it may be your dead end!"

After hearing this sentence, Deng Xiang was even more stunned, and then he showed extreme disdain on his face and let out a burst of laughter:

"Haha, Chen Feng, I haven't seen you for a few days, your confidence has grown a lot, and you have become even more arrogant than before!"

Suddenly he turned cold and grim, and said, "Do you think you are my opponent now?"

"Tell you, no matter what, you can't be my opponent! This time, I will kill you, and I will never let you run away again!"

Chen Feng smiled and said, "This is exactly what I want to say to you."

Deng Xiangcai was so angry that he was so angry that he was so angry that he nodded and said cruelly: "Okay, little bunny, you have the ability! You dare to talk to me like this!"

"You wait, I will kill you now."

As he said, his aura surged and he slowly walked towards Chen Feng.

And Chen Feng smiled slightly, and a Tianhe suddenly appeared behind him.

In the Tianhe, eight stars flickered slowly and brightly.

Seeing this scene, Deng Xiangcai was stunned and exclaimed: "You, your strength has already reached the eight stars of Tianhe, how can you break through so quickly?"

He was shocked in his heart, you know, Chen Feng's previous strength was only Tianhe Five Stars, but in just one night he has broken through to Tianhe Eight Stars!

Such a short time, such a powerful breakthrough, he couldn't believe it!

Chen Feng sneered and said: "There are so many things you can't imagine in this world, you can only blame you for being ignorant!"

Deng Xiangcai looked at him, and the shock on his face suddenly disappeared, instead turning into a touch of greed.

He looked at Chen Feng and sneered, "It turns out that this is what you rely on."

"It's just that, do you think Tianhe Eight Stars can compete with me? Tell you, that's a dream!"

"I am a dignified Sky Lake three-star master. The strength is definitely not what you can compare. Even if you are an eight-star Tianhe, I can still kill you!"

"Let me guess, you should have had an adventure at the bottom of the valley, so you can break through so many strengths at once!"

He looked at Chen Feng and smiled triumphantly: "I will capture you later, torture you, and tortured the secrets in your mouth."

"It can make you this trash improve three small realms in a short time. This secret is absolutely no small thing. Maybe this will be an opportunity for me to become a peerless powerhouse."

"With this secret, I can set foot on the top!"

As he said, he looked at Chen Feng gloomily and said: "Chen Feng, you hand over that secret now, I can keep you a whole body, and I will let you die when I kill you later. Have fun."

Chen Feng said lightly: "What if I don't hand it over?"

"If you don't hand it over..." Deng Xiangcai's mouth showed a fierce color: "Then it will be too late for you to regret it. I will torture you with extremely cruel methods and make you regret why you came to this world!"

"In our secret hall, we rarely torture the enemy, and we usually kill them directly, but when it comes to torturing inferior people, the **** in the law enforcement hall are no better than us!"

A sneer appeared at the corner of Chen Feng's mouth: "You are so confident, you can kill me, right?"

Deng Xiangcai laughed: "That's natural. Your strength has indeed improved, but you are still not my opponent!"

Chen Feng coldly shouted: "Then let's have a showdown!"

As he said, Duan Yue Dao suddenly appeared in his hand, and then cut forward with a sharp roar!

Deng Xiangcai also shouted violently, and shot out with the same punch.*novelUsB.com*

After he bombed out with this punch, he slammed into Chen Feng's Broken Yue knife.

At this time, Chen Feng, Tianhe Eight Stars, although he was only at the level of Tianhe Eight Stars, his combat effectiveness had already reached one star in the Tianhu Realm!

After the broken Yue knife and his fist hit each other heavily, Chen Feng thumped and retreated five steps, while Deng Xiangcai took one step back.

He looked at Chen Feng with a hint of surprise in his eyes, and said: "Unexpectedly, you look like Tianhe Eight Stars, but your actual combat power has reached Tianhu One Star."

"But so what? You are still definitely not my opponent!"

Chen Feng roared: "Kill!"

Broken Yuedao was severed again.

Deng Xiangcai showed a scornful color at the corner of his mouth, and shot out with the same punch, contemptuously said: "The more you fight, the more you realize the strength gap between us. I am definitely not what you can match."

At this moment, Chen Feng showed a mocking smile at the corner of his mouth and said, "Really?"

With that said, Chen Feng's sword posture suddenly changed.

[Chapter 1053: Absorb the true element](#)

The sword that had been slashed straight forward suddenly waved.

And in his dantian, the true essence surged, and the thunder light in the dantian was already full of waist-thickness, running wildly.

He broke the Yue sword and danced wildly. After each sword was cut out, a lightning beam of about ten feet long was formed in the air, forming a large net, and directly shrouded Deng Xiangcai.

Then, Chen Feng waved his hand to interrupt Yue Dao, and suddenly formed a huge thunder and lightning light wheel.

The Thunder Light Wheel rushed forward frantically, and banged directly on Deng Xiangcai's fist.

With a bang, Deng Xiangcai was directly knocked back again and again.

But Chen Fengsi did not stop, the thunder light wheel continued to squeeze forward, and it struck his fist countless times in an instant.

In the end, Chen Feng severely slapped the Yuedao Dao out and slapped him directly with countless lightning rays.

Deng Xiangcai was directly beaten and flew hundreds of meters away, and his whole body was charred, like a piece of charcoal, blood was sprayed wildly, and he was seriously injured!

He was shocked and said in disbelief: "How could you! How could you become so strong? How could you hurt me?"

"What kind of martial arts is this?"

Chen Feng grinned, with a deep smile: "This is a martial art that will kill you!"

With that said, another move of Thunder Prison Wheel Light Slash came out.

Lightning Prison Round Light Slash, again bombarded Deng Xiangcai heavily, directly beating Deng Xiangcai severely wounded and dying, lying on the ground, all bones broken, and blood vomiting!

He never had the strength to fight back.

Chen Feng slowly walked in front of him, Deng Xiangcai looked at him incredulously, and muttered: "Impossible, impossible, you absolutely can't beat me."

At this moment, Chen Feng smiled brightly at the corner of his mouth.

He is very satisfied with this martial art, as it deserves to be created by the nine-yin and nine-yang martial arts, it is indeed very powerful!

"Without the use of Lightning Prison Wheel Light Slash, I can reach the level of Tianhu One Star, and when using Lightning Prison Wheel Light Slash, even Deng Xiangcai of Heaven Lake Three Stars is not my opponent."

This martial skill is indeed very powerful, but after Chen Feng used it twice in a row, his true essence was exhausted at this time, and he could no longer use the third move.

He looked at Deng Xiangcai with a smile at the corner of his mouth: "You can't believe it, do you? But this is the truth."

With that, he walked to Deng Xiangcai's body, and Duan Yue Dao seemed to be slowly falling.

At this time, the fierce feeling on Deng Xiangcai's face has completely disappeared, and the arrogance just now can no longer be seen.

He kowtowed his head while begging: "Chen Feng, Uncle Chen Feng, please forgive me! I'm just following orders!"

Chen Feng sneered and said: "Unfortunately, you want to kill me, and you have beaten me so miserably, and you want to torture me, but it is a fact."

He suddenly looked at Deng Xiangcai and said, "You don't want to die, do you?"

Deng Xiangcai nodded repeatedly, "I don't want to die."

Chen Feng smiled: "Are you sure you don't regret it?"

Deng Xiangcai did not pay attention to the strange feeling in his eyes, and said repeatedly: "I don't regret it, I don't regret it."

Chen Feng smiled slightly, put the Duan Yue knife away, and said, "Okay, since you don't regret it, I will start."

With that, he directly sealed Deng Xiangcai's meridians, and then put Deng Xiangcai in a cross-legged posture.

And his hands were pressed on Deng Xiangcai's back.

Deng Xiangcai felt bad instinctively, and shouted in surprise, "What are you going to do?"

Chen Feng smiled slightly and said: "Deng Xiangcai, since you don't want to die, then I will let you taste the nine-yin and nine-yang magical arts I have recently practiced!"

With that said, he began to operate the Nine Yin and Nine Yang Divine Art.

After the nine-yin and nine-yang divine art functioned, the Zhen Yuan in Chen Feng Tianhe suddenly began to spin, forming something similar to a whirlpool.

Something like this whirlpool came with extremely powerful suction.

I saw the red light flashing on the surface of Chen Feng's body, and the red light was extremely bright on the back where his hands were in contact with Deng Xiangcai.

Deng Xiangcai felt a huge suction coming from him, directly absorbing the zhenqi in his body.

The true qi in his body penetrated outwards, and Deng Xiangcai was immediately taken aback: "What are you going to do? Why do I feel that my true qi is constantly flowing out?"

Chen Feng smiled and said, "This is just the beginning. You will soon know why."

Then he increased the suction power.

The red light flickered brighter and brighter, and Deng Xiang felt that the true essence in his body was only leaking out little by little at the beginning, and finally it was flowing outward like a river.

In the end, it rushed out like a levee collapse.

Deng Xiangcai trembled all over, with cold sweat dripping out of his forehead, hissing in pain.

His muscles collapsed rapidly at a speed visible to the naked eye, and even all vitality was being pulled away, and he was constantly aging.

Compared with the body, more important is the mental fear.

At this time, his fear was even better than when he was about to be killed by Chen Feng just now, because he felt that the true essence of his hard work was fading.

He panicked and yelled: "What kind of trick are you using to absorb my true essence? Stop it, stop it!"

Chen Feng laughed loudly and ignored it at all!

Chen Feng could see that after the Zhen Yuan in Deng Xiangcai's body was inhaled by himself, a cloud of aerosol formed above the dantian.

With the continuous influx of True Yuan, this mist became bigger and bigger!

Chen Feng was extremely excited, and the Nine Yin and Nine Yang Divine Skills were truly amazing, and he could directly absorb the other party's true essence and turn it into a mist in his Dantian!

In a blink of an eye, the Tianhe in Deng Xiangcai's dantian dried up.

The essence of his body was completely absorbed and disappeared without a trace, and his whole person also instantly aged, his figure withered, curled up into a ball.

The whole person looked like a corpse that had been dead for a long time.

He has died completely, and has no vitality anymore!

Chen Feng let out a deep breath, and at this moment he felt extremely comfortable.

At this time, a large group of gray mist had formed in his dantian.

Chen Feng knew that this was Deng Xiangcai's true essence!

Chen Feng stood up and looked around, then turned around on Deng Xiangcai.

He knew that the Alchemists Association had a method to see the situation before the death of the members of the Alchemists Association. Chen Feng did not believe that this would be a mysterious method.

If it is the subtle and mysterious method, how powerful a soul-man is needed to control it?

Danyang County Branch cannot have such a strong person!

So Chen Feng believes that it must be something.

Chen Feng looked for it carefully, and finally, did not disappoint him. He found something similar to earrings behind Deng Xiangcai's ear.

The earrings were so deep that they seemed to be able to absorb the soul, and it was completely dark.

Chen Feng smiled coldly, and directly crushed the earrings!

Then he turned Deng Xiangcai's body into a piece of green water with bone erosion water, and then left here quickly.

Soon, Chen Feng found a stone cave, sat cross-legged, and began to refine the true essence absorbed from Deng Xiangcai's body with nine-yin and nine-yang magic!

The true essence in Deng Xiangcai's body, after being absorbed by Chen Feng's nine-yin and nine-yang divine art, has become the purest technique without attributes.

It is very easy for Chen Feng to refine with Nine Yang and Nine Yin Divine Art.

[Chapter 1054: King's return](#)

When the morning sun rose the next day, Chen Feng opened his eyes. At this time, the true essence absorbed from Deng Xiangcai in his body had all been refined by him, falling like raindrops into the Tianhe at the bottom of his Dantian.

And the Tianhe in his dantian, the amount of true essence also broke through to ninety drops.

Behind Chen Feng, a Tianhe suddenly appeared, among which there were nine stars shining brightly!

A smile appeared at the corner of Chen Feng's mouth: "Nine Yin and Nine Yang Divine Art is really amazing, not only can kill people, but also absorb the other party's true essence."

"A Deng Xiangcai made me break through to the nine stars of Tianhe, only one step away from the Tianhu realm!"

Chen Feng let out a long laugh: "With the nine-yin and nine-yang magic arts, am I still afraid that I can't break through? Am I still afraid that I will practice slowly? Hahahaha!"

The yin and yang qi in his body turned into nine thunder light dragons, hiding in the depths of his dantian.

However, Chen Feng found with frustration that he couldn't drive or absorb these yin and yang qi after turning into Thunder Lightning Dragon.

Therefore, Nine Yin and Nine Yang Divine Art absorbs the power of other warriors, which is an important method for him to improve his strength now!

The core area of Ziyang Sword Field.

On the core square, a bunch of people are now surrounding here.

In the crowd, from time to time there was a thumping sound of fists and feet hitting the flesh, as well as the screams of several people, and of course some people were full of joking haha!

From time to time, there were laughter from the crowd, and they pointed inside.

It turned out that there were about six or seven people who were watched by everyone, and these six or seven people were beaten horribly at this time.

There were more than twenty people who surrounded them.

Each of these twenty-odd people is stronger than them, and if they join hands to beat them, they have no power to fight back.

If Chen Feng were here, he would definitely be able to recognize it, the people who were beaten turned out to be members of the Tiandao team!

"Bang!" With a loud noise, one foot kicked Liang Guangyu's chest heavily, kicking him into a roll, staggering backwards a few meters.

Then he was caught by another big hand, and his fist hit his face with three punches, hitting that handsome face like a pig's head.

Then he was placed on top of the dantian, pushed his knee fiercely, and vomited a mouthful of blood with a wow.

In his eyes, there was a terrible anger, and he screamed: "I'm fighting with you!"

With that, he raised all his strength and blasted towards the opposite person.

"Do your mother dare to resist? It's just looking for death!" The opposite person sneered, grabbed his arms directly, and twisted his arms alive.

Liang Guangyu couldn't help letting out a scream.

Then, the person grabbed his head and directly knelt him to the ground, and then pressed his knees heavily on the door of his face, putting his face full of blood and pain.

"Begging for mercy, you **** beg for mercy!" The person shouted sharply: "If you beg for mercy, I will let you go now."

"Want me to beg for mercy?" Liang Guangyu slowly raised his head.

He was beaten out of human form, but there was a touch of pride in his eyes: "Want me to beg for mercy? That is a dream!"

"Bah!" As he said, a thick **** sputum was spit on this man's face.

There was a hideous look on this person's face immediately: "Okay, don't beg for mercy? Then I will abolish your cultivation!"

Having said that, they directly pushed Liang Guangyu to the ground, and then slowly pulled out the long sword in his hand and put it on Liang Guangyu's dantian.

Liang Guangyu struggled violently. This person looked at Liang Guangyu with a sneer on his face:
"Please, please?"

"If you don't beg for mercy, I can pierce your Dantian directly with this sword!"

Liang Guangyu stared at him stubbornly, without saying a word, with an awe-inspiring expression in his eyes.

Not only him, but the other members of the Heavenly Dao team were forced to beg for mercy, but none of them begged for mercy. They stared at these people with fierce eyes, and looked at them with a slight tremor.

The onlookers on the side commented: "These people from the Heavenly Dao Team are really unlucky."

"They have just become core disciples. They are the weakest group of core disciples, and the members of the Angry Floodgate who have bullied them have been core disciples for more than three years. How can they be opponents?"

"Yes, and there are only six or seven of them, and the other is 20. No wonder they were beaten so horribly!"

"It's not a big deal, just be beaten up. What's most feared is that it will be difficult for them to stay in Ziyang to build a factory in the future.

"Want to practice? Not being beaten to death is a good thing!"

"It deserves it, who told them to call Chen Feng from the Tiandao team, offended Senior Brother Tu Yuwu!" A gloating voice rang:

"Senior Brother Tu Yuwu ordered it personally. There is no doubt that Chen Feng will die, and he wants Chen Feng to suffer extreme humiliation before his death, to completely eradicate the Tiandao team!"

"Senior Brother Tu has spoken, how could the Heavenly Dao Team still survive?"

One person sighed and said: "Speaking of which, Zhao Kaipeng and the others are indeed lacklustre. They are still senior disciples, bullying newcomers and bullying the weak!"

"Shhh, be quiet!" The person next to him hurriedly pulled him: "Let them hear, and even you will teach it together."

The person who had just spoken shut up immediately, obviously Zhao Kaipeng and others were notorious, and few dared to provoke them.

Zhao Kaipeng's long sword slightly pierced into Liang Guangyu's dantian for about half an inch, blushing on his face, and roared viciously: "I ask you one last time, are you asking for mercy?"

Liang Guangyu suddenly laughed: "If you have the ability, you will abolish my cultivation base. When Chen Feng returns, he will definitely kill you."

"Chen Feng? Haha, Chen Feng? That waste that doesn't even have Linggen?"

"He also killed me? Hahahaha, oops, I'm so scared!" Zhao Kaipeng let out a wild laugh with disdain, arrogantly shouted:

"If he rushes back now, I will destroy him directly."

"Really?" At this moment, a sneer suddenly came from behind: "I think today, it is neither Liang Guangyu nor me who will be abolished, but you."

After speaking, everyone felt a flower in front of them, and a scream came.

Then, they saw that Zhao Kaipeng, who was still standing there proudly just now, knelt directly to the ground at this time.

Everyone took a closer look and was shocked to find that instead of kneeling on the ground, he was directly cut off at the knee, and the wound hit the ground directly, making him hiss and scream in pain.

At this moment, in front of him, a figure stood proudly, as if standing upright.

He looked at Zhao Kaipeng and sneered, "Are you going to recognize me as a grandfather? Why do you give this gift as soon as you meet!"

[Chapter 1055: Who else?](#)

Chen Feng looked around, his eyes rolled around, and a smile appeared on his face.

The smile was full of coldness: "I still remember my name, not bad."

"It seems that you haven't forgotten me, Chen Feng!"

"But a pity, some people seem to have forgotten my strength and what I did in the past!"

"At the beginning, those people surnamed Zhou were blasted into flying ashes and completely wiped out. I thought that they could be learned by others, but it seems that I really overestimated you."

"Some people are really looking for death!"

Chen Feng stared at Zhao Kaipeng with a murderous expression on his face: "If this is the case, then I will teach you a deeper lesson today!"

"Also let these people who dare to provoke a look, this is the fate of offending Chen Feng!"

As he said, he kicked Zhao Kaipeng fiercely, and directly knocked Zhao Kaipeng to the ground, and ran one foot directly on Zhao Kaipeng's face, which brought him extremely humiliating feeling.

Then, with a sneer on his face, he stepped heavily on his dantian, directly crushing his dantian, and completely abolished his cultivation base.

Zhao Kaipeng let out a stern scream: "Ah! Ah! How dare you abandon my cultivation base? Chen Feng, I will never die with you!"

He looked at Chen Feng with a bitter face.

Chen Feng smiled slightly and said, "I never die, right?"

"Well, in that case, if you die, wouldn't this matter be over?"

He said, kicked out, kicking directly on his chest.

With a bang, the extremely powerful true essence gushed out, and Zhao Kaipeng's entire upper body was directly exploded into countless blood mist and dissipated in the air!

When the people around saw this scene, their faces were shocked. No one had thought that Chen Feng would dare to kill people directly!

Liang Guangyu applauded and laughed loudly: "Kill well, kill well!"

Chen Feng smiled slightly, looked at everyone, and said, "Do you think this is over?"

With that, he walked to the other people.

Seeing Chen Feng coming, these people all stepped back again and again, with a look of horror on their faces.

Chen Feng looked at Liang Guangyu and said, "Which of them did it?"

A look of hatred appeared in Liang Guangyu's eyes: "Basically, we have done it. Our people were beaten so terribly. Several of them beat us one by one!"

"Have you all done it? Okay!" Chen Feng sneered, then his figure flashed, turning into a flash of lightning, and directly swept into these people!

Everyone only heard a crackling sound, and then they saw that these twenty people were knocked to the ground by Chen Feng.

One by one was seriously injured and it was terrible.

Then, Chen Feng waved his hands repeatedly, directly sealing their meridians.

Seeing this scene, everyone was stunned. Just now Chen Feng defeated Zhao Kaipeng at once, but it was excusable. After all, Zhao Kaipeng was alone.

But these twenty-odd people are the weakest and have the cultivation base of Tianhe Two Stars, otherwise they would not know Chen Feng's ruthless methods, and they came to clean up the Tiandao team in order to curry favor with Tu Yuwu.

It is because they feel that their strength is enough to deal with Chen Feng.

However, now these twenty people were knocked to the ground by Chen Feng in an instant!

"How strong is Chen Feng's strength? Is it possible that he has reached the peak of Tianhe?"

"How is it possible?" a person exclaimed: "The last time Chen Feng made a move, he didn't even reach the Tianhe Realm. How can he reach the peak of Tianhe now?"

Everyone speculated.

Chen Feng crushed Zhao Kaipeng and more than twenty people with his fierce attitude, which shocked everyone!

"Chen Feng, you, what are you doing? You quickly let us go!"

The people who were knocked down on the ground showed panic on their faces one by one, and shouted to Chen Feng in a fierce manner.

Chen Feng smiled and said, "Guess how I would punish you?"

When these people heard this, their face suddenly turned pale, and one of them shouted: "Chen Feng, if you dare to abolish our cultivation base, the sect will definitely not let you go!"

If the strength of twenty of them were abolished, that would definitely be a big event for Ziyang Sword Field.

They believed that Chen Feng would not dare to do that.

When they thought that Chen Feng wouldn't dare to treat himself and others like this, they suddenly felt that they had a bottom line in their hearts, and their expressions immediately became arrogant.

Chen Feng smiled and nodded, and said: "Yes, I really will not abolish your cultivation."

Upon hearing what Chen Feng said, these people's expressions became even more arrogant.

One of them yelled: "Chen Feng, it's fine if you know it, knowing that we are not something you can afford, just **** let us go quickly, and then heal us!"

"Kneel down again and kowtow to me and apologize, this matter is over!"

"Yo," Chen Feng said with a slight smile, "I feel that the terms you mentioned seem to be cheaper for me."

"Yes, of course it's cheaper for you, and we won't be as knowledgeable as you." This person said proudly.

Chen Feng is still smiling, but his smile has become colder: "I said just now that you will not abolish your cultivation base. In fact, I want to say that it's not just abolish your cultivation base."

"If you just abolish your cultivation base, it would be too cheap for you!"

These people understood what Chen Feng said, and immediately shouted with horror: "What are you going to do?"

Chen Feng had slowly stepped forward, and then blasted out with a punch, directly blasting one of them into a **** mist.

Then Chen Feng turned around and kicked another person tens of meters away, exploding into countless pieces in the air.

With one punch and one kick, Chen Feng killed all these twenty people in a blink of an eye.

Then Chen Feng stood proudly on the spot, looked around everyone, and screamed: "Who else?"

"Who else wants to clean up my Chen Feng to curry favor with Tu Yuwu, come on!"

"I Chen Feng is waiting here, my life is here, you can take it if you have the ability!"

"But if you have no ability," Chen Feng smiled extremely coldly: "If you have no ability, your life will stay with me, it's so fair!"

Then he let out a roar to the sky again: "Who else?"

The scene was silent, no one spoke, everyone looked at Chen Feng in silence, with a look of fear in their eyes!

Chen Feng's powerful strength and harsh methods shocked all of them.

At this time, thousands of people had gathered around, and some of these thousands had been disciples who had been in the inner gate for a long time.

After seeing this scene, they were all shocked.

Everyone whispered.

"How strong is Chen Feng?"

"More than 20 masters of Tianhe three stars and above have been killed, I guess his strength is at least Tianhe six stars or more!"

"Didn't he have no spiritual roots and can't cultivate? How can he cultivate so fast?"

[Chapter 1056: Be scrapped! Disfigured!](#)

"Who knows, that's a wicked one! Is he a genius?"

Many people have already made up their minds that they will never provoke Chen Feng in the future. This person is too powerful.

Then, Chen Feng took the Tiandao team and these people back to a residence of the Tiandao team in the core area.

After arriving in the core area, the Tiandao team did not disband, in fact, there are many societies in the core area.

Chen Feng saw that there was nothing in the house except for them.

Chen Feng immediately asked, "Where are the others? Where have they gone?"

Liang Guangyu smiled bitterly and said: "Today, the people from the Angry Floodgate Group hit the door, threatened with words, and hit people when they saw them. Some people were scared and directly announced that they would leave the Tiandao team."

"The remaining few of us couldn't resist, so they were taken to the square and beaten wildly."

Chen Feng sneered and said, "This kind of person who sees the wind and makes the rudder will leave after leaving. It's nothing to be a pity."

He suddenly changed his face and asked, "Where are Wei Hongxiu and Wei Qingyi? Where did they go?"

In the square today, Chen Feng felt a little surprised when Wei Qingyi was not there.

With Wei Tsingyi's strength, if she were there, these people in the Angry Floodgate would definitely not be able to raging like this.

"Wei Hongxiu went home to visit relatives. It will take more than half a month to come back. As for Senior Sister Tsing Yi..."

Liang Guangyu's face immediately showed a touch of sorrow, and his expression instantly dimmed.

Seeing this scene, Chen Feng immediately trembled in his heart, and asked in surprise, "Say it? What's the matter? You say it!"

Liang Guangyu pointed to the inner courtyard and said: "She is inside, you can go and see for yourself! I, I can't bear to say."

Chen Feng immediately strode towards the inner courtyard.

At this time, the core area, the law enforcement hall.

The Hall of Law Enforcement is an institution in the core area that specializes in punishing offenders. There are hundreds of law enforcement elders, each of which is quite powerful.

And the lord of the Hall of Law Enforcement is Sun Hengbo!

After listening to the report of the law enforcement elder in front of him, Sun Hengbo showed a grinning smile on his face, his face flushed, and his eyes showed excitement.

He sneered and said: "This little **** dared to kill people directly on the square, and he killed more than 20 disciples. It is simply bold and has violated the door rules."

He snorted and said, "Elder Zhao, Elder Liu, you two, go get that Chen Feng back!"

Elder Zhao and Elder Liu responded and immediately turned to leave the Hall of Law Enforcement.

Looking at their backs, Sun Hengbo couldn't help rubbing his fists, a smile of excitement appeared at the corner of his mouth.

"Chen Feng, Chen Feng, you will soon fall into my hands, and see how I clean you up then!"

He and Chen Feng had a deep hatred for a long time, but it was a chance to clean up Chen Feng!

The home of the Tiandao team, the inner courtyard.

With a bang, Chen Feng directly kicked the door of the room open. When he saw the situation inside, his eyes were suddenly cracked and his face was extremely angry.

It turned out that there was a person lying on the bed in the room, Wei Qingyi.

However, Wei Qingyi's face was pale at this time, there was no martial artist on his body, and he felt as weak as an ordinary person.

There was a huge wound in her dantian, and at this time there was still true essence overflowing in it.

But her whole body, countless bones were broken, and she collapsed softly on the bed.

What made Chen Feng even more shocked was that her face was marked with more than a dozen scars, her skin and flesh rolled, and her originally beautiful face was now extremely ugly.

It makes people feel scared at first glance!

And there, it seems that some medicine has been wiped out, and there is no healing!

A feeling of extreme anger and sadness surged in Chen Feng's heart, and he exclaimed: "Sister Wei, who did this? Which **** did this fuck?"

Hearing Chen Feng's voice, Wei Qingyi on the bed seemed to be awakened. She turned her head to the side with difficulty and glanced at Chen Feng.

Seeing Chen Feng's face, her eyes showed a hint of relief, and she said, "Chen Feng, are you back?"

The sound was harsh and uncomfortable.

Chen Feng saw that there was also a huge wound in her throat, **** and bloody.

Obviously, this caused him to speak with problems.

Chen Feng quickly walked to the bed and knelt on the ground.

He looked at Wei Qingyi and said, "Sister Wei, who did it on earth?"

Wei Qingyi was so miserable, Chen Feng was trembling with anger, and his heart was even more uncomfortable!

A bitter smile appeared on Wei Qingyi's face: "It was Tu Yuwugan. He forced me to compete with him. I knew I was not his opponent, so I didn't agree."

"As a result, he was on the square and attacked me directly."

"Originally, he wanted to kill me directly. If it wasn't for an elder who had a better relationship with me passing by, I'm afraid I would not be able to see you alive."

"Even so, I was abolished by him, my face was scratched, and my limbs were broken!"

She looked at Chen Feng with a sad smile on her face and asked: "Chen Feng, me, am I very ugly now, ugly to the extreme?"

There was despair in her eyes.

As a woman, no matter how strong she is, she cares about her appearance after all.

Chen Feng shook his head desperately, and said with a trembling: "No, no, Senior Sister, you are very beautiful, you are in my eyes, you are beautiful at this time."

There was a look of extreme hatred in his eyes, and said: "Sister, the reason why you are like this is because you are implicated by me."

"That's why Tu Yuwu will deal with you like this, don't worry, Tu Yuwu, I will definitely kill him!"

Chen Feng's voice was extremely firm, as if he had made an oath.

Wei Qingyi looked at his face and her heart trembled.

He felt that what the young man said, he would be able to do it.

"Furthermore, sister, don't worry, I will definitely find medicine to cure your injury! And also cure your appearance!"

After hearing Chen Feng's words, Wei Qingyi was very moved, and his heart was warm.

At this time, there was a sudden shout of cursing outside.

"Where is Chen Feng? Let him get out, we are from the Hall of Law Enforcement!"

"We want to apprehend him and bring him to justice. Let the Law Enforcement Palace take care of things. You all get out of here!"

A cruel smile appeared at the corner of Chen Feng's mouth: "Are you from the Hall of Law Enforcement? They came very quickly!"

He looked at Wei Qingyi and said softly: "Senior Sister Wei, take a short break here. Two dogs are here. I will kill the two dogs first, and then come back to accompany you."

With that, Chen Feng left the room and strode towards the front yard.

As soon as he entered the front yard, he saw two elders in their thirties standing there, wearing elder robes and arrogant faces!

Seeing Chen Feng approaching, the elder Zhao among them said in a cold voice, "You are Chen Feng, right?"

[Chapter 1057: Come to die, right?](#)

Chen Feng nodded slightly: "Yes, it's me."

"Then you come with us!" Elder Zhao showed a vicious look on his face: "You blatantly murdered on the square today and violated the door rules. We will take you to the Law Enforcement Hall by the order of the Hall Master!"

"Oh, will you take me to the Hall of Law Enforcement?" Chen Feng sneered, "It's better to just say that you want to kill me."

"Take me to the Hall of Law Enforcement, where am I still alive?"

Elder Zhao sneered: "You little bastard, you still have some knowledge."

"Yes, it's hard to think of it after entering my law enforcement hall."

Another elder Liu said coldly: "Old Zhao, don't talk nonsense with him, just take him away."

Elder Zhao nodded and walked up straight up, grabbing Chen Feng by the neck as soon as he stretched out his hand.

Chen Feng shouted coldly: "What are you doing?"

Elder Zhao said of course: "Of course I am here to catch it!"

Seeing him like that, it was as if Chen Feng was taking them for granted.

Chen Feng said coldly: "If I don't go with you?"

"You won't follow us? How dare you defy the order of the Hall of Law Enforcement?" Elder Zhao showed an incredible look on his face.

He had never encountered such a person.

"Do you know that defying the order of the Hall of Law Enforcement and fighting against the Hall of Law Enforcement is to openly confront the sect!"

Chen Feng sneered and said: "It's nothing more than wanting my life. I said before that if you want my life, you can take it yourself."

"But if I don't have enough strength, and I'm killed, don't blame others."

Elder Zhao laughed wildly, and said disdainfully: "It's really arrogant, do you think you have a strong strength by killing a few disciples?"

"Tell you, both of us are Tianhe five-star cultivation bases. You can never be our opponent."

"Since you want to die, OK, then I will kill you directly here!"

As he said, he rushed directly up, leaping up in the air like a big bird, and shot from top to bottom with both palms, the true essence surged, and the momentum was very great.

There was a smug look in his eyes. From his point of view, Chen Feng would be severely injured directly after the slap.

Although Chen Feng's strength is not weak, he does not think that Chen Feng's strength can be compared with him.

How high can Chen Feng be at such a young age? That is, Tianhe three stars four stars.

However, a scene that shocked him appeared. Chen Feng glanced at him coldly, with disgust in his eyes, and gently waved his hand: "Get out!"

Chen Feng's expression was like driving away a mosquito.

An understatement waved his hand, but it was this wave of his hand, and a lightly slapped hand, directly knocked Elder Zhao away several tens of meters, and hit the courtyard wall heavily.

The beaten vomited blood and was seriously injured!

He shouted in surprise: "Little bastard, how can you be so strong? I'm the elder of the hall of law enforcement!"

Chen Feng smiled coldly: "The elder of the Hall of Law Enforcement is a fart!"

Another elder, seeing this scene, his face also showed disbelief.

Then, he watched Chen Feng slowly walking towards him.

He couldn't help but step back, and then realized that he was the elder of the sect, and he didn't need to be afraid of Chen Feng.

He swallowed immediately and said sternly, "What are you going to do?"

"What am I going to do?" Chen Feng smiled slightly: "You two are going to kill me. Is it possible that I have to put my life in your hands?"

"Since you want to kill me, you must be prepared to be killed by me."

Speaking of this, his expression was already extremely cold, he teleported out directly, and hit this person's chest with a fist.

This time, directly killed him.

Then, Chen Feng walked to Elder Zhao again.

Elder Zhao looked at him in horror and said, "What are you going to do? I am the elder of the sect. If you dare to kill me, you will commit a serious crime."

Chen Feng sneered: "Noisy!"

Then he took out a slap, hit his face heavily, and directly flew his head out!

Sun Hengbo waited for almost an hour in the Hall of Law Enforcement. Before returning to the two Elders Zhao, he immediately showed a haze on his face and whispered:

"These two wastes, this thing can't be handled well!"

As he said, he shouted coldly: "Vice-master Qu, you take twenty elders to bring Chen Feng back."

A middle-aged man in his forties, with a thin body, respectfully responded, and then took someone away.

At this time, Chen Feng was standing in front of Wei Qingyi's bed.

Wei Qingyi was seriously injured and very tired. After talking to Chen Feng for a while, he fell asleep again.

Chen Feng was saying this to An Lao, and his voice was low for fear of disturbing her.

"Old An, what will happen to Senior Sister Wei in this situation? Is there a cure?"

An old man slowly said: "She is already a three-star cultivation base of Tianhe Jing. There is indeed a way to cure her dantian, but for you now, it is still quite difficult."

"I know that there is a pill called Dahuandan."

"This kind of pill can treat people with strength below the Tianhu realm who have been disbanded and injured, but this kind of pill is a third-grade pill, and it is very difficult to refine among the third-grade pill."

"The price is high, and the most important thing is that money can't buy it, it's very scarce!"

Chen Feng sighed softly and said, "If there is hope, I am afraid there is no hope. As long as there is this kind of pill, no matter how difficult it is, I will definitely be able to get it for Senior Sister!"

Then, he pointed at the injury on Wei Tsing Yi's face.

An Lao said: "This is also quite difficult, because her wound has been smeared with a strange poison, which makes it difficult to heal."

"Now that the toxins penetrate deep into the body, it is difficult to get rid of it."

"I only know that there is a kind of spirit beast called Qingling Ziyuevine. It is said that this kind of spirit beast evolved from vines and is very rare."

"It's juice can be applied to the face to heal such an injury!"

Chen Feng nodded slowly, remembering these words in his heart.

At this time, he suddenly heard a loud bang from the bed, as if the door was kicked open.

Chen Feng raised his brows, his murderous aura was revealed: "Another person who doesn't have eyesight came to die!"

As soon as Deputy Hall Master Qu led a person into the gate, he saw two corpses lying on the ground.

It is his law enforcement elder.

Seeing this scene, Deputy Hall Master Qu narrowed his eyes.

At this time, Chen Feng walked out of the lobby, stood on the steps, and looked at him coldly: "Why? I think two lives are not enough, are you here to kill me again?"

Deputy Hall Master Qu stared at Chen Feng coldly and said, "Chen Feng, you are so bold and dare to kill the law enforcement elder! This is contempt for the door rules!"

[Chapter 1058: Kill the law enforcement palace!](#)

"Where were you when my senior sister was disfigured and abolished her cultivation base?"

"When the disciples of our Heavenly Dao Team were beaten on the square and were about to be killed, where are you people from the Law Enforcement Palace?"

"At that time? Why didn't you talk about the rules?"

When speaking the last sentence, Chen Feng's voice exploded like a spring thunder, righteous, and his eyes were full of anger!*noVELUS&.com*

Vice Palace Master Qu was speechless by his refutation.

Because they were partial to Tu Yuwu.

They all knew that Tu Yuwu destroyed Wei Qingyi, and even at that time there were quite a few elders of the Law Enforcement Hall nearby, but they simply ignored it.

The members of the Tiandao team were almost killed in the square, and they knew that they still didn't care.

Vice-Hallmaster Qu turned into anger, looking at Chen Feng with a cold face, and said: "These words, let's talk about these things after going to the Hall of Law Enforcement. I hope someone will hear you say these by then."

Chen Feng smiled coldly: "Want to take me back to the Hall of Law Enforcement? Very simple!"

"Abolish my cultivation base, or even take my life, you can take me away."

Vice-Hallmaster Qu stared at him with a gloomy expression, threatening to say: "To resist the Hall of Law Enforcement is to fight the entire Ziyang Sword Field. You have to think about the consequences."

Chen Feng laughed loudly, and his voice shook all over the country. It spread thousands of meters away: "You are acting unfairly and favoring private individuals. You can't act impartially at all."

"What's the use of such a law-enforcement palace? Come and kill one, and one pair, I kill one pair!"

"Furthermore, I want to kill the Hall of Law Enforcement, and slay your Hall of Law Enforcement up and down, killing everything!"

"Arrogant, you junior, extremely arrogant!" Vice-Hallmaster Qu rebuked coldly: "It's simply not knowing the height of the sky."

"After killing a few disciples and elders, I thought I was invincible in the world, right?"

As he said, he smiled coldly, and then his aura suddenly soared.

Behind him, a Tianhe appeared.

In the Tianhe, nine stars are looming.

He let out a triumphant laugh: "Little bastard, have you seen it?"

"I am the Tianhe Nine Stars, and I am already the peak powerhouse of the Tianhe Realm. The elders Zhao and Liu you killed were only the Tianhe Five Stars."

"I estimate your strength, that is, around Tianhe six stars and seven stars, how could you be my opponent? Now obediently kneel down and beg for mercy, I can spare you a way out and bring you back to the Law Enforcement Hall."

"Otherwise, if you wait for me to do something later, you will be killed on the spot today!"

The elders of the Hall of Law Enforcement he brought were all touted one after another.

"Vice Hall Master Qu is really powerful, he is already at the peak of the Tianhe Realm, and in our Hall of Law Enforcement, he is the first person besides the Palace Master Sun Hengbo!"

"Little bunny, knelt down and beg for mercy, or after a while, Deputy Palace Master Qu can kill you with one move!"

At this time, outside the courtyard, there were already hundreds of disciples, and more and more of them were gathering here.

These people were shocked when they learned that the elder of the Hall of Law Enforcement had come to hunt down Chen Feng, and they were killed by Chen Feng. They all rushed to watch the excitement.

"This Chen Feng is really stupid. He even dared to fight the Law Enforcement Palace, it was just looking for death!"

"Yes, the elder of the Hall of Law Enforcement is so powerful, and Deputy Hall Master Qu is a dignified Heavenly River Realm pinnacle master. No matter how powerful Chen Feng is, he will definitely not be an opponent."

But among the crowd, some people expressed different opinions and said: "I think Chen Feng is very courageous!"

"The Hall of Law Enforcement is so unfair, why should they let them fish? You have to resist!"

"To resist, you have to have the capital!" Someone retorted disdainfully: "I'm afraid your last resistance will have no effect at all, but you will take your own life!"

Chen Feng was full of disdain, and said mockingly: "It turns out that as long as you can slacken and slap a horse, you can become the elder of the law enforcement hall. It seems that the threshold is very low!"

This sentence directly made these elders of the Law Enforcement Hall flushed, and their faces were full of shame!

An elder of the Law Enforcement Hall with a dark face like the bottom of a pot and a stout body, furiously, screamed: "You are looking for death!"

"I think with your strength, there is no need for Qu Fudian's initiative, I can kill you directly!"

As he said, he leaped up into the air, shot out his palms, and bombarded Chen Feng.

A slight sneer appeared at the corner of Chen Feng's mouth, and he threw a punch without fancy.

Everyone only felt that time seemed to stagnate for a moment, and then saw that the body of the sturdy law enforcement elder instantly stagnated in the air for a breath of time.

In the next instant, with a bang, his body turned into a cloud of blood and suddenly unfolded.

Everyone was surprised.

"Elder Hao is an eight-star master of Tianhe, one of the most powerful elders in our Hall of Law Enforcement apart from the main and deputy heads. He was killed by this little rascal!"

"How could this little **** be so strong?"

Vice-Hall Master Qu also showed a touch of shock on his face.

He wanted to shake the elder Hao of Tianhe Eight Stars into powder with a punch, even he couldn't do it!

Chen Feng smiled slightly, looked at them, and said softly: "What? Do you think I might have a hard idea now? It's a little bit sticky, not easy to deal with?"

Vice-Hallmaster Qu was said to be the central issue, and his face suddenly became even more ugly.

At this time, Chen Feng laughed loudly: "It's too late to regret now."

"Since you are here and you still want to kill me, then you have to die here!"

As he said, he strode forward, moving forward with great momentum.

Vice-Hallmaster Qu changed his face and screamed: "Kill, let's go together!"

More than ten elders of the Law Enforcement Hall behind him gritted their teeth and rushed towards Chen Feng.

The Vice-Hallmaster Qu retreated directly, hiding behind.

He wanted to observe and see how strong Chen Feng was.

Then, the shock on his face grew deeper and deeper, and in the end, it turned into disbelief.

With a punch, Chen Feng easily killed an elder.

Then he reached out his hands and grabbed one of the elders, knocked them two together, and smashed them into pieces in the sky.

Then, Chen Feng exhaled, violently, blasted out with a punch, and shattered the three elders at the same time.

In an instant, all the eleven elders were killed by him.

Seeing this scene, Vice-Hallmaster Qu did not hesitate and ran straight backwards wildly.

Chen Feng laughed: "Want to run? It's late!"

He blasted out with a fist from a distance, hitting Deputy Hall Master Qu's back, and then saw that Deputy Palace Master Qu's back exploded a basin-sized hole, directly dividing his upper body into two parts.

Vice-Hallmaster Qu fell heavily to the ground, with a shocked expression on his face, his eyes had lost vitality!

Chen Feng took a deep breath, he pulled out the broken Yue knife at his waist, dragged it down to the ground, and then strode outside.

Liang Guangyu walked out of the hall quickly and shouted in surprise: "Chen Feng, where are you going?"

Chen Feng didn't look back, just smiled coldly: "Kill the Hall of Law Enforcement, Tu Guang, the unfair elders of the Hall of Law Enforcement!"

[Chapter 1059: Sun Hengbo, get out!](#)

"What?" Liang Guangyu was shocked when he heard these words.

In the Hall of Law Enforcement, there are hundreds of elders in the Hall of Law Enforcement, and there is even Sun Hengbo, the owner of the Hall of Law Enforcement, who is unfathomable.

The most important thing is that the Hall of Law Enforcement represents the majesty and authority of the Zongmen. To kill the Hall of Law Enforcement is to openly confront the Zongmen.

This is a felony!

He exclaimed: "Chen Feng, you don't want to die, right? Do you know the consequences of killing the Hall of Law Enforcement?"

Chen Feng said: "Of course I know! I also know what it means to do this!"

"However, Senior Sister Wei was beaten up like this, this hatred must be reported!"

"I have a sigh of anger in my heart, I can't help but express my anger!"

"These people from the Hall of Law Enforcement dare to provoke me, I will kill the Hall of Law Enforcement!"

"Tu Yuwu dare to do this, I will kill Tu Yuwu one by one, no one can escape! Even if it is to take this life, I will not hesitate!"

With that said, Chen Feng dragged the Broken Yuedao to walk out of the courtyard.

Outside, the number of onlookers at this time has reached thousands.

After everyone saw Chen Feng coming out, they all made an uproar of extremely complicated meaning.

Looking at Chen Feng, there was hatred, disdain, ridicule, and admiration and admiration in his eyes!

What Chen Feng said touched the hearts of many of them.

"I'm angry, why should I suppress it?"

"Why can't I vent my dissatisfaction?"

Chen Feng strode towards the Hall of Law Enforcement, and these people followed him.

Soon, Chen Feng came to the Hall of Law Enforcement.

At this time, the number of people following him has reached thousands.

People are constantly gathering here, and everyone wants to see, what kind of waves will this Chen Feng, who has become famous after entering the core within a few months, stir this time?

Standing at the door of the Hall of Law Enforcement, Chen Feng shouted: "Sun Hengbo, get out of here!"

In the crowd behind him, there was a huge exclamation.

"Chen Feng dared to call the name of the Lord of Law Enforcement Hall!"

"Sun Hengbo is one of the youngest elders in our Ziyang sword field. He is in charge of the Hall of Law Enforcement, everyone is afraid, but Chen Feng dare to call his name directly."

"Chen Feng is really a bit reckless. How powerful is Sun Hengbo? He is not an opponent at all. One move can destroy him!"

At this time, in the Hall of Law Enforcement, Sun Hengbo heard the voice outside clearly.

There was an extremely dark color on his face immediately, and he suddenly stood up, with a cold smile on his face, and laughed hard:

"Chen Feng dared to come to the door to find death! I will go out and abolish him!"

At this time, a thin, forty-year-old man next to him smiled and said, "Hall Master, a mere Chen Feng, isn't it a bit of a sledgehammer for you to work? I can solve him by going out!"

"Okay." Sun Hengbo nodded slowly and said, "Then you go out and solve him."

The thin man nodded, and immediately took more than ten law enforcement hall elders out.

The thin man is Li Zhaoyuan, the other deputy head of the Hall of Law Enforcement, besides Sun Hengbo.

Li Zhaoyuan walked out of the gate, condescendingly, looking down at Chen Feng, and said in a cold voice: "Chen Feng, do you know that you have committed a capital crime like this! You dare to directly provoke the law enforcement hall!"

Chen Feng suddenly raised his head, staring at him, and said coldly: "The Law Enforcement Hall has not performed justice, so what's the use of keeping it!"

With that, without saying a word of nonsense, he rushed forward with a broken Yue knife.

Li Zhaoyuan snorted coldly: "Arrogant!"

He still doesn't know the circumstances in which Vice Palace Master Qu and others died under Chen Feng, otherwise he would definitely not say that.

He waved his hand and said coldly: "Come on, kill this little bunny."

More than a dozen elders of the Hall of Law Enforcement responded and immediately besieged.

Chen Feng let out a violent roar, and the Broken Yue knife slashed horizontally. A dozen screams sounded almost simultaneously.

Then, everyone felt that there was a flash of blood in front of them, and the blood was full.

More than ten elders were cut by Chen Feng at the same time, not only by Chen Feng, but also by the huge force carried on the Broken Yue knife. The blood was all over the sky, as if a layer of blood was cast in front of everyone. !

Seeing this scene, Li Zhaoyuan was completely shocked.

At this time, Chen Feng dragged the Duan Yue knife upside down and walked towards him like a demon god.

Li Zhaoyuan stepped back again and again, his legs trembling, looking at Chen Feng, his eyes showed extreme fear.

He exclaimed: "Chen Feng, don't kill me, don't kill me!"

Chen Feng laughed loudly: "Is it too late to beg for mercy? Today, I, Chen Feng, will bloodbath the law enforcement hall!"

"And you, of course, are no exception!"

With that said, Duan Yue Dao slashed out.

Li Zhaoyuan let out a desperate cry, waved his fists, trying to resist, but it was useless at all, he was cut into two pieces by Chen Feng from left shoulder to right waist.

Terrible!

Seeing this scene, everyone around was silent, and everyone was shocked by Chen Feng.

"The deputy head of the Hall of Law Enforcement, the strength has reached the peak of Tianhe, if you want to kill him easily, at least you must be a master of the Tianhu realm!"

"And the Heavenly Lake Realm, even a disciple who has been in the Ziyang Sword Field for more than five years can hardly reach it!"

"This Chen Feng's strength is too terrifying, doesn't it mean that he is a waste without spiritual roots? How can he be so strong? Progress so fast?"

Everyone was surprised and talked a lot.

At this time, dozens of elders from the Hall of Law Enforcement emerged from the gate.

These elders shouted to kill Chen Feng, and Chen Feng sneered, dancing wildly with the Broken Yuedao to kill.

Before the Hall of Law Enforcement, almost instantaneously, blood flowed into a river.

There are blood and corpses everywhere on the ground!

"Stop!" A voice full of anger suddenly sounded, and then a figure appeared in front of the Hall of Law Enforcement.

He looked at Chen Feng, his eyes full of coldness. *noVeluSb.com*

Chen Feng stopped and raised his head to look at him without showing any weakness. He said coldly, "Sun Hengbo, you are finally willing to come out!"

Sun Hengbo looked at Chen Feng with stern eyes: "Chen Feng, you are so brave!"

Chen Feng sneered and said, "No more nonsense, didn't you just want me to die?"

"Don't you want to find an opportunity to do something to me? If so, why are you hesitating? I brought it to the door myself, but you did it!"

Sun Hengbo looked at Chen Feng and said with a sneer: "Chen Feng, I don't know what you rely on? But I can tell you clearly that today you will definitely die!"

Chen Feng screamed: "Kill!"

He raised the Broken Yue knife high, rushed towards Sun Hengbo in strides, and soon came close to Sun Hengbo.

The Broken Moon Knife was swung and weaved into a lightning net, and then the whole person turned to form a huge lightning light wheel.

The Thunder Light Wheel smashed toward Sun Hengbo!

[Chapter 1060: Your mouth is too stinky, you should palm your mouth!](#)

Soon, before he hit Sun Hengbo, he slammed into Sun Hengbo with an indomitable attitude.

Sun Hengbo also showed a trace of awe-inspiring color on his face, his face was solemn, and he punched out because he felt a powerful destructive force on Chen Feng's knife!

With one knife and one punch, they hit each other hard.

Sun Hengbo took a step back and snorted, while Chen Feng was directly bombarded and flew out several tens of meters, and fell heavily to the ground.

At the corner of his mouth, there was a splash of blood, which was obviously injured.

Obviously, the strength gap between the two is still huge!

Seeing this scene, Sun Hengbo settled down and said with a haha: "Little bunny, have you seen it? The difference between our two strengths is very huge, you are not my opponent at all!"

Chen Feng ignored it, he just let out another violent roar: "Kill!"

Then strode forward again, still the Thunder Prison Wheel Light Slash, and slew towards Sun Hengbo, the two crashed together again!

Chen Feng was beaten out again for dozens of meters.

This time, he spurted blood violently, his arms were even shaken and his bones were broken!

Someone nearby made a disdainful sneer: "This Chen Feng is so stupid and low-powered. He is not an opponent of Palace Master Sun at all. As a result, he went up to find him again and again."

"Yes, I think this Chen Feng really does not know how to live or die, and seeks a dead end!"

"This Chen Feng is really stupid. I don't think it will take him a while before he will be beaten to death by Elder Sun."

And Chen Feng, as if he hadn't heard their discussion, still got up from the ground.

Then he rushed to Sun Hengbo fearlessly.

Then he was knocked to the ground again, but he gritted his teeth and rushed up again.

So, repeated dozens of times.

In the end, after Chen Feng swung a knife, the bones all over his body were shattered, blood spurted wildly, and the whole person vomited blood on the ground.

He can't even stand up.

But he still stubbornly supported his body, squeezed the broken Yue knife, and then rushed towards Sun Hengbo.

He walked a few steps forward and fell heavily to the ground, but he still gritted his teeth, his eyes filled with indomitable looks, struggling to stand up.

At this time, there was no sound around, everyone looked at Chen Feng with extremely complicated eyes!

The ridicule and contempt are gone, replaced by admiration!

Chen Feng moved them and brought them great shock!

I don't know who among the crowd said: "Chen Feng is a real hero!"

"Yes!" Everyone nodded!

Among the jade pendant, An Lao sighed softly: "Why are you doing this?"

Chen Feng grinned: "An old man, I have my persistence!"

At this time, Sun Hengbo's eyes also showed a touch of shock, and he said to himself: "This Chen Feng, I must kill him today, otherwise, there will be endless troubles."

He walked towards Chen Feng, his eyes were full of murderous intent.

He walked up to Chen Feng and said coldly: "Chen Feng, remember, I was the one who killed you. I am not afraid of your evil spirits coming to kill you."

With that, he smiled coldly, and stepped on Chen Feng's head.

As long as he fell, Chen Feng's head would be crushed directly.

Chen Feng looked at him with no fear in his eyes, but smiled slightly: "She should be here too."

Suddenly, a sharp shout came: "Stop!"

A slight smile appeared at the corner of Chen Feng's mouth, and he murmured, "I knew it, you won't leave it alone."

The person who came was the woman in black.

Sun Hengbo stopped his movements, frowned, looked at the black-clothed woman, frowned slightly, and said, "Is it you?"

"Yes, it's me." The woman in black said lightly.

She pointed at Chen Feng: "Let go of him."

Sun Hengbo let out a sneer: "Why? You let me let him go, I let him go?"

He knew the woman in black and knew that she was the leader of Broken Blade Peak, but he only knew it, and didn't take her to heart.

The woman in black glanced at Chen Feng on the ground, with a hint of appreciation in her eyes.

Then she raised her head, looked at Sun Hengbo, and said coldly: "It seems that you don't put the first place of Broken Blade Peak in your eyes."

Sun Hengbo laughed: "The first seat calms down."

Although he said so on his lips, there was no respect on his face.

Broken Blade Peak has long since fallen, and his position in the Ziyang Sword Field is quite low. He hasn't paid attention to the black-clothed woman at all, and lacks the necessary respect.

The black-clothed woman said lightly: "You still know the superiority and inferiority, now give Chen Feng to me, you can go away."

When Sun Hengbo heard this, his eyes suddenly became cold, and he said lightly: "The first seat, I'm afraid it's a bit wrong!"

"I am the elder of the Hall of Law Enforcement. This person violates the door rules, and I have the right to deal with him."

The black-clothed woman sneered and said, "Do you remember that there is another one in the door rules. You must not violate the order of the first seat, otherwise the first seat is qualified to teach you to kill it directly."

When Sun Hengbo heard these words, he was taken aback for a moment, and then burst into a burst of disdainful laughter: "Hahahaha, what did you say? Do you mean you want to kill me on the spot?"

Sun Hengbo was extremely disdainful.

The black-clothed woman nodded and said, "I mean it."

Sun Hengbo was taken aback for a moment, and then let out a more disdainful laugh, tears almost coming out of his laughter.

Suddenly he looked cold and became savage. Looking at the woman in black, he said coldly:

"I respect you as the first seat, somehow give you some face, but don't shame you! You are just the first seat of Broken Blade Peak, Broken Blade Peak has not been completed like this, there are not many disciples, you are still there Here is my brilliance? Are you worthy?"

"Tell you, I, the Hallmaster of the Law Enforcement Palace, are much better than you, the first of Broken Blade Peak."

The black-clothed woman looked at him and said coldly: "The mouth is so stinky, you should slap your mouth!"

With that, he slapped him directly, and slapped him in the face!

Sun Hengbo sneered: "I'm afraid your strength is not as good as me, so you still slap me?"

His palms blasted out, but something that shocked him happened. The black-clothed woman's palm seemed to be an understatement, but it directly shattered his palms.

Sun Hengbo desperately resisted and dodged desperately, but was still heavily slapped on his face.

Directly fanning him out several tens of meters, Sun Hengbo fell to the ground, looking at the black-clothed woman with a face of disbelief, and shouted in surprise: "You are so powerful?"

The woman in black sneered coldly: "The frog at the bottom of the well, do you really think how strong you are?"

With that said, when he walked in front of him, he slapped dozens of slaps again and again.

Sun Hengbo had no power to fight back at all, and the surrounding crowd also let out an exclamation!

"It turns out that the first strength of Broken Blade Peak is so strong, I really can't see it!"

"Usually I can't see her at all, but I didn't expect him to be so powerful. It seems that being the first person in a peak is definitely not an idle person."

Sun Hengbo was beaten horribly, and finally kicked out.

The black-clothed woman looked at him and said coldly: "For the first time you have offended me, I will spare your life, and the next time, I will kill you directly."

He said, picking up Chen Feng, his figure disappeared instantly.
