### [Chapter 1871: Who abolished who?](#)

"Seeing that there is dust everywhere in the main hall, he must have been gone for a long time. What is the difference between entering this Wudong Academy and not entering?"

Even so, Chen Feng knew in his heart that as long as he stayed here, he would definitely have a chance.

Soon, the evening came.

Wen Yongning walked in quickly from outside the yard. At this time, Yang Dong and others who were waiting in the yard surrounded them one after another and asked, "What's the matter? Did you ask?"

Wen Yongning ran all the way, his face turned a little red because of excitement.

"After asking, I have all inquired out."

As he said, there was a look of disdain on his face: "What kind of background does this Chen Feng have? I know it. It turns out that he pretended to be before."

"He doesn't have any background at all, and his strength is quite low, and he offended Elder Li Sifeng Li when he started."

"What? Offended Elder Li Sifeng?" Upon hearing this, Yang Dong and the others showed incredulous expressions on their faces.

After a while, he laughed dumbfounded: "This \*\*\*\* is also capable enough. It is low-powered, but it can offend people so much. Even the elder Zihuo dares to offend. It's really impatient to live."

"It's more than that!" Wen Yongning said excitedly: "Also, do you know that when he was conducting the Martial Spirit Test, he had no blood Martial Spirit at all."

"The only body martial soul is still a lifeless waste martial soul!"

Hearing this, everyone in the yard was stunned.

After a while, Yang Dongfang laughed wildly: "Oh my god, Wudong Academy would actually collect this kind of rubbish? It's incredible!"

"What kind of waste is this? There is only one waste martial arts soul, and has offended the elder?"

He shook his head, and suddenly the expression on his face turned into an extremely hideous look: "This kid, who pretended to look like this in the morning, dare to deceive me. Now, it's time to take back all the benefits!"

As he said, he turned around and led everyone directly to the door of Chen Feng's wing, kicking the door to pieces, aggressively.

At this moment, Chen Feng was sitting at the table drinking tea. When the door was kicked open, his hand was just raised with the teacup.

There was such a big noise outside, he didn't even raise his brow, his expression was extremely indifferent.

Seeing him like this, Yang Dong felt an unspeakable rage in his heart. He shouted: "Little boy, are you \*\*\*\* still pretending here? Do you think you can still fool around this time?"

Chen Feng smiled and said, "I didn't pretend."

"Oh, you didn't pretend?" Yang Dong's eyes were cold and violent, and he roared: "Are you not pretending? You are already scared to the extreme in your heart, but you still pretend that nothing has happened!"

"Oh, I'm scared to the extreme?" Chen Feng raised his brows, feeling very funny!

"Okay, Brother Dong, stop talking nonsense with him, just get rid of this kid." Wen Yongning shouted loudly.

He stared at Chen Feng with hatred on his face, and he felt that he had been tricked by Chen Feng.

He geared up and said, "Brother Dong, should I come?"

Yang Dong nodded slowly: "Okay, you go and get rid of him!"

Wen Yongning smiled, stepped forward and ordered: "Chen Feng, now I should break my legs and kneel in the yard until Brother Dong asks you to get up."

"In this case, we can spare you a dog's life."

Chen Feng shook his head. He put the teacup on the table, then slowly stood up, and said, "Why do so many people in this world always find their way to death?"

A look of anger flashed across Wen Yongning's face and shouted loudly, "Chen Feng, you are looking for death!"

As he said, a punch came out.

And Yang Dong and the others even turned around and prepared to go out.

In their opinion, Chen Feng will definitely not be Wen Yongning's opponent.

Wen Yongning's punch was enough to kill Chen Feng.

But the next moment, they suddenly heard a scream, but it was not Chen Feng.

They immediately looked back and saw Chen Feng's fist collided with Wen Yongning's fist, and then Wen Yongning screamed and flew out heavily.

The person was in the air, spurting blood, he knocked over two four-star Wuwang level masters, and the three fell to the ground.

The two people who were hit by him also made screams, and the three fell heavily to the ground!

Their bones were shattered and blood surged, and all three of them were seriously injured and dying.

Wen Yongning screamed in disbelief: "How is it possible? How can you be so powerful as a waste?"

Chen Feng smiled and said, "Now, who abolished whom?"

And Yang Dong also shrank his pupils, looking at Chen Feng, his eyes were a little more wary.

Then, he slowly said: "I didn't see it, it turns out that you are still hidden, you are actually quite strong."

Chen Feng shook his head, suddenly lost interest, hooked his finger at them, and said: "You guys go on together, I'm very busy!"

Yang Dong was already a little more jealous of him, but Chen Feng's contemptuous attitude made Yang Dong furious in an instant.

He yelled: "Little boy, I really don't know how to live or die!"

With that, a few of them rushed towards Chen Feng together.

The corner of Chen Feng's mouth curled slightly, revealing a smile of disdain, his figure flashed out, his fists bombarded one after another.

Suddenly, the screams continued to sound.

These seven or eight people who besieged Chen Feng all screamed and screamed, and they were all beaten out by Chen Feng and landed in a courtyard.

Yang Dong was the first to bear the brunt. He was the most injured. He even got a big hole in his chest and kept coughing up blood.

He looked at Chen Feng with horror on his face: "How is it possible, how can your strength be so strong?"

Chen Feng smiled and said: "It's a pity that my strength is so strong!"

With that, he slowly walked out of the room and walked towards Yang Dong.

At this time, Yang Dong still had a hint of arrogance on his face: "Chen Feng, you dare not kill me, I am an official disciple of Wudong Academy."

"If you kill me, the sect will definitely pursue it. You can't have a good end!"

When he said this, as if he had given him courage by what he said, his voice suddenly rose, haha laughed wildly: "Chen Feng, if you have the ability, kill me! Come and kill me!"

At this time, he was still extremely arrogant, thinking that Chen Feng would not dare to kill him.

A sneer appeared at the corner of Chen Feng's mouth: "Did you kill you? Okay! Then I will fulfill you!"

With that said, he came to Yang Dong and stepped on it slowly, showing great momentum, extremely powerful.

A huge panic flashed in Yang Dong's eyes. He never thought that Chen Feng would dare to really kill him. At this time, all the arrogance on his face had disappeared, and only fear and panic had changed. .

## [Chapter 1872: Palm!](#)

He begged for mercy loudly: "Don't kill me, don't kill me, please..."

A bloodthirsty sneer appeared at the corner of Chen Feng's mouth: "Please don't kill you, am I? Unfortunately, it's too late!"

Speaking, his fist dropped and snorted, directly smashing Yang Dong into pieces.

When those other people saw this scene, their faces were also full of horror!

They were full of contempt and disdain for Chen Feng, and they were very arrogant. At this time, they were full of horror and shock.

"It turns out that Chen Feng is so powerful that even the five-star Wu Wang mid-term powerhouse, Yang Dong, the strongest among us, was smashed by his punch!"

"We are really ridiculous. It turns out that Chen Feng was really unwilling to be familiar with us just now, and we thought Chen Feng was cowardly!"

They feel they are extremely ridiculous.

At this time, Chen Feng slowly stood up straight and walked towards them with cold eyes.

Then, he walked towards Wen Yongning.

Wen Yongning saw Chen Feng coming towards him, his eyes immediately showed extreme despair and fear.

He twitched back, and while shrinking back, he murmured in his mouth: "Chen Feng, I didn't mean to. You don't want to kill me, don't kill me, please..."

At this moment, where did he still look half arrogant just now, with a pleading and desperate face.

A cold smile appeared at the corner of Chen Feng's mouth: "I beg for mercy now, it's too late!"

With that, he punched out and killed him.

As for the other people, Chen Feng sneered: "You guys, the death penalty is forgiven, and the living sin is hard to forgive!"

As he said, he blasted out several punches in succession, smashing all of their dantians.

These people have already been abolished by him.

They screamed sternly, but didn't dare to complain, and left in a hurry.

At this time, what happened in this yard had already shocked others.

Although this courtyard is remote, there are many branches around it, and there are many disciples from Wudong Academy.

In a moment, there were hundreds of onlookers outside the courtyard, and everyone was talking about it.

"This new disciple named Chen Feng is really ruthless!"

"Yes, just after coming, he killed or abolished all his senior brothers and dozens!"

When they looked at Chen Feng, their faces were full of horror.

Chen Feng's strength shocked them.

At this time, in the crowd, another tall and tall young man said with a righteous expression: "This son is too murderous!"

"Slaying brothers just after getting started, what a shameful deed! This kind of person must not be kept, and it will ruin the reputation of my Wudong Academy!"

What he said was righteous, but in fact he didn't know what was going on, he didn't know that Chen Feng was forced to fight back, he didn't know the truth at all!

Chen Feng heard the words and looked at him slowly.

He didn't say a word, but when the Xuan Ang young man came into contact with Chen Feng's gaze, he felt that there seemed to be endless killing intent in it, like the sea water, flooding down the sky.

In an instant, it made him cold from head to toe, as if being thrown into ice water, the bone marrow was frozen and his whole body was shaking.

He stepped back several steps in succession, sat down on the ground, and exclaimed: "Don't kill me!" **novelusb.com**

He was actually surprised by Chen Feng's eyes, and he almost collapsed!

A joking smile appeared at the corner of Chen Feng's mouth, and he said softly, "This brother, don't you say that people like me should be killed?"

"Why, I was so scared by the look of my eyes? How can you ward off demons? How can you clean up the door?"

The people around all laughed slyly, looking at the magnificent young man with foolish eyes.

This Xuanang young man's face flushed red, and he had no face to stay here anymore. He turned around and was about to leave.

At this time, Chen Feng suddenly said coldly: "Did I let you go?"

The young man Xuan Ang turned his head and exclaimed, "What do you want?"

"What do I want?" A sneer appeared at the corner of Chen Feng's mouth: "Anyone must pay for their words!"

Chen Feng's expression suddenly became cold and severe:

"Nonsense, palm!"

With that said, Chen Feng slapped the Xuan Ang young man's face fiercely with a slap, and directly screamed at him, his head crooked heavily, and his teeth flew out mixed with blood.

"Right or wrong, palm!"

It was another big ear scraper, this time he directly hit half of his face like a pig's head.

"Black and white is unknown, palm!"

"Usual words, palms!"

...

Chen Feng directly beat him with a dozen big ear scrapers, lying on the ground, wailing and screaming, and couldn't stand up.

Chen Feng shook his sleeves and sneered: "Now, get out of here!"

The young man wailed in gratitude and ran away.

But not long after he left, suddenly, an extremely huge momentum came quickly from a distance.

At the same time, a grand voice suddenly sounded: "Who is it that dare to kill here!"

Word by word, with an extremely powerful aura.

When the voice fell, an electric light flashed over.

Amidst the lightning, a figure suddenly appeared and fell on the ground.

With a bang, the earth seemed to be crushed by him!

This is a burly middle-aged man in his forties. He is extremely tall and wide. Like a door panel, he is extremely fierce.

His face was full of beard and face savage, his eyes immediately locked on Chen Feng!

Then, his gaze swept across the ground, his brows suddenly wrinkled, and murderous intent flashed in his eyes, staring at Chen Feng, his voice Binghan said: "Boy, you made all the killings here, right?"

Chen Feng looked at him with a slightly awe-inspiring look: "This person has the cultivation base of the Six-Star Martial King, which is not something I can handle now."

And this person has a long sword on top of that white dress.

The people around immediately murmured and looked at the burly middle-aged man with horror: "This is the law enforcement elder?"

"Ah, yes, the long sword on their clothes is the hallmark of the law enforcement hall. There is only a long sword on the clothes, just a first-level law enforcement elder."

"The first-level law enforcement elder should not be underestimated. This person has the powerful strength of the Six-Star King Wu."

"This Chen Feng, this time is over, no matter how strong he is, he cannot be the opponent of the law enforcement elder!"

Everyone looked at Chen Feng's gaze, and there was a little more inexplicable taste, some pity, some sympathy, and they all thought that he would die this time!

The law enforcement elder said coldly: "I am Zongmen Law Enforcement Hall, law enforcement elder, Yan Gaofei!"

He coldly reprimanded: "Today, when you just entered the sect, you made such a murder!"

"It can be seen that your nature is extremely bad. For people like you, leaving behind is also a curse!"

[Chapter 1873: I hate! I am not convinced!](#)

"Say, do you plead guilty?"

Chen Feng clenched his neck and said loudly, "What is my sin?"

"Elder Law Enforcement, do you know that I didn't intend to provoke them at all. After I arrived, they made me kneel on the ground first, and then they wanted to abolish my cultivation base!"

"I killed them and fought back in desperation!"

"According to the rules of the sect, what is wrong with my behavior?"

Hearing this, Yan Gaofei was taken aback for a moment. He didn't expect Chen Feng to say such a thing.

However, he then became angry and yelled: "Is it the law enforcement elder, or are you the law enforcement elder?"

Chen Feng said coldly: "Even if you are the law enforcement elder, you can't frame me, and you can't tell right from wrong!"

A sneer appeared at the corner of Yan Gaofei's mouth: "Today, I just want to ignore black and white!"

"I am going to frame you today!"

"What can you do?"

He screamed: "I am today, not only do I have to be black and white, but I still have to deal with pain, I will kill you now!"

"These things of yours. Go to \*\*\*\* and talk to King Yama!"

With a loud roar, he jumped into the air.

With claws in his hands, he attacked Chen Feng fiercely.

In an instant, ten fierce air currents burst out of the air, like ten terrifying long swords, stabbing at Chen Feng fiercely.

Everyone was shocked, but Yan Gaofei did not expect that Yan Gaofei would directly kill someone!

This shows how overbearing this person is.

Chen Feng's eyes were cold, Yan Gaofei was completely unreasonable.

This also aroused the killing intent in his heart, and he roared: "I Chen Feng, how can I sit and wait for death? What!"

After speaking, Chen Feng also shouted.

He blasted out his fists one after another, and the incomparably powerful offensive blasted toward the ten powerful swords of air currents.

It's a pity that each of these ten air current swords possesses the powerful strength of the six-star martial king level.

Chen Feng's current defense was sufficient to withstand the attacks of the Five-Star King Wu, but he could not withstand the attacks of the Six-Star King Wu.

Chen Feng's fist force only knocked two of the air current swords into the air, while the remaining eight airflow swords all fell fiercely on Chen Feng. These eight air current swords directly penetrated Chen Feng's body. , Pierce Chen Feng's body with eight extremely deep blood holes.

Suddenly, blood burst out frantically like a bank burst.

In a blink of an eye, Chen Feng's body was dyed red.[nOvelUs.com](http://www.novelus.com)

Then, Chen Feng let out a cold snort, blood spilled from the corner of his mouth, and fell heavily to the ground.

He kept coughing up blood and was already seriously injured.

With one move, Yan Gaofei severely wounded Chen Feng.

As expected to be the Six-Star King Wu, the law enforcement elder, really powerful!

Chen Feng didn't back down, but gritted his teeth and laughed: "Come again!"

He roared loudly all his life: "The Eight Desolations of Silence!"

He flew up, his hands moved forward, slashing out frantically!

However, after cutting out his hands, he suddenly realized that his hands were empty at this time.

There is no knife in his hand!

Chen Feng hated it in his heart: "If I had a knife in my hand at this time, at least I would have the power to fight my life! It wouldn't be so miserable!"

But at this moment, Yan Gaofei sneered, and his claws had been grabbed one after another. Every time he hit a claw, there were nine violent air currents.

Once again, Chen Feng's body penetrated fiercely!

Eighty-one air currents directly smashed Chen Feng into a sieve!

Chen Feng was hit on the ground again, let out a stern roar.

However, he did not give in at all, gritted his teeth, and shouted wildly: "Come on!"

Chen Feng is so brave, it also moved all the onlookers!

Chen Feng waved his fists, as if he wanted to kill him, and fought Yan Gaofei.

Yan Gaofei launched an offensive again and once again penetrated Chen Feng.

But this time, Chen Feng did not evade, he actually let go of his whole body, letting those air current swords penetrate himself again!

While spurting blood, he also strode to Yan Gaofei's front.

Then the next moment, Chen Feng's fist hit Yan Gaofei's chest fiercely!

Nine punches in a row, all printed in one place.

Yan Gaofei was also beaten up with a muffled hum, blood overflowing from the corner of his mouth, and backed three or five steps in succession.

However, Chen Feng was unreasonable, his figure violent, and he attacked frantically.

The people around are all looking silly.

"This Chen Feng is really too brave!"

"That's right, he is simply going to die, his strength is obviously far inferior to Yan Gaofei, but he can actually wound Yan Gaofei!"

And Yan Gaofei, with a haze on his face at this time, coldly shouted: "You dare to hurt me? Boy, I will never forgive you!"

As he said, he also screamed and attacked frantically.

After all, his strength is far better than Chen Feng, Chen Feng is not his opponent at all, after all, a gap in the realm cannot be made up.

Then the next moment, Chen Feng had his legs broken, his bones broken, and he stepped heavily on the ground!

Yan Gaofei said with a gloomy face: "Chen Feng, you are really seeking your own death!"

"Today, I will kill you!"

As he said, his fist fell towards Chen Feng's head.

At the next moment, Chen Feng was about to be killed by him.

At this time, Chen Feng's cheap master didn't know where to go. Liu Chengyi, who sent Chen Feng to this place, was seriously injured by Chen Feng's bloodline and martial spirit, and he hurried to heal.

Chen Feng now, no one can count on it!

Only rely on yourself!

At this time, Chen Feng raised the sky and let out a roar!

In the roar, full of unwillingness, full of anger, full of indomitability and pride!

"How can I die like this? How can I die in the hands of such despicable people?"

"I hate it! I'm not convinced! I'm unwilling!"

Chen Feng's roar was shaking the earth.

And these days, all the grievances, all the despair, all the humiliation he received, at this moment, all came to his heart!

So the next moment, inside Chen Feng's body, the martial arts Tianhe rushed wildly!

Chen Feng felt that there seemed to be something in his body, and it broke with a click.

Then in the next moment, above the sky, there suddenly thunderclouds condensed, and countless thick thunder pillars crashed down.

Those thunder pillars smashed Yan Gaofei's body fiercely, directly flying him out.

Yan Gaofei was stunned. He looked at this scene in disbelief, and exclaimed: "What? This little boy actually broke through at this time?"

And the people onlookers all exclaimed: "Chen Feng actually broke through at this time? It's incredible!"

"Huh, what can I do if he breaks through? Even if he breaks through, he is just a Samsung Wuwang, and he is still far from Yan Gaofei's opponent!"

"Yeah, Yan Gaofei is a dignified six-star Wuwang powerhouse!"

#### [Chapter 1874: Comprehend! Fifth knife!](#)

Everyone sighed.

A sneer appeared at the corner of Yan Gaofei's mouth, and after a brief shock, he immediately calmed down.

He said in a cold voice: "I will let you break through, and I will let you live for a while, what can you do?"

"After you break through, I will still kill you!"

Lei Yun condensed, and Lei Zhu disclosed that it lasted a full tea time without stopping.

At this time, the people around also noticed that something was wrong, and they all immediately said, "No, it's not possible to break through to the Thunder Tribulation of King Wu of Samsung, I remember it was half a cup of tea at most!"

"Your half a cup of tea is a long time. I just stayed down with nine thunders, and then it's gone."

"Then, why did Chen Feng last such a long time?"

"I see!" someone shouted in horror: "Chen Feng is absolutely unusual. His thunder calamity is stronger than others, so his strength is far better than others."

"When he was a two-star martial king, he could kill a five-star martial king expert, have you all forgotten?"

Everyone exclaimed.

Hearing this, Yan Gaofei frowned.

But the next moment, he sneered at the corner of his mouth: "No matter how strong you are, you can't be better than me! I can still crush you to death like an ant!"

At this time, Chen Feng didn't know what was happening outside, he was just immersed in that mysterious feeling.

At this moment, in Chen Feng's body, inside the martial arts Tianhe, the martial arts gods were frantically surging.

Then the turbulent waves hit the shore, slapped, and hit the end of Wudao Tianhe fiercely, smashing it directly.

Then, the martial arts gods spread crazily toward the void, extremely fast.

The martial arts Tianhe grows at an extremely fast speed.

22,000 meters, 23,000 meters, 27,000 meters...

At the same time, the countless thunderbolts fell, entered Chen Feng's body, and poured into the thunder dragon in Chen Feng's dan field.

The size of that Thunder Lightning Dragon also skyrocketed.

When the last thunder fell, the length of Chen Feng's thunder light dragon had reached 60,000 meters!

And the length of his Wuwu Dao Tianhe is also fixed at 30,000 meters.

The thunder was withered, and there were countless tiny thunders around Chen Feng's body. He was bathed in these countless thunders, like a god.

Chen Feng, break into the realm of Samsung Wuwang!

"The me now is enough to deal with me three or four before!"

The martial arts \*\*\*\* surging crazily in Chen Feng's body.

All Chen Feng's injuries were cured, and in an instant, his entire body recovered to its peak.

His whole person feels very comfortable, at this moment in his heart there is great freedom, great perfection, the whole person is transparent and clear from the inside to the outside.

When the last thunder dissipated, Chen Feng slowly opened his eyes and clenched his fists.

Then, a smile appeared at the corner of Chen Feng's mouth. At this time, the profound meaning of Bahuang Ji Mie Zhan suddenly came to his heart.

First cut, break the skin!

Second knife, minced meat!

The third cut, broken tendons!

Fourth knife, broken bones!

Chen Feng doesn't have a knife in his hand, but he has a knife in his heart!

Chen Feng stepped on the mysterious pace, moving in succession in his hands, and then the next moment, everyone was shocked to see that Chen Feng seemed to have a giant long knife in his hand, generally dancing in the air.

In the sky, with Chen Feng's sword, there was a strong wind, and the clouds in the sky seemed to be broken.*novelUsb.COM*

The first to fourth swords of Bahuang Ji Mie Zhan were used by Chen Feng one after another, incomparably coherent.

But the next moment, when Chen Feng used the fourth knife to break the bone, he didn't even stop, but took it again.

Cut with both hands, making a very mysterious knife.

This knife is mysterious and inexplicable, it seems to have the best of heaven and earth!

After Chen Feng's sword fell, in the sky, the wind stopped and the clouds cleared, and everyone felt that even time seemed to be stagnant.

There was a feeling of emptiness in everyone's hearts.

It seemed that their thinking, everything, and internal organs were all sucked by Chen Feng with this knife, making them feel so uncomfortable that they almost want to vomit blood.

And before they had time to understand the knife, Chen Feng had already received it and stood up.

He stood in place with a smile at the corner of his mouth: "I understand it!"

"Fifth knife, destroy the dirty! It is enough to kill the early masters of the Six-Star Martial King! Now, facing the Six-Star Martial King, I am no longer powerless to fight back!"

"Even, I can kill it instead!"

When he turned his gaze to Yan Gaofei next to him, the smile on his face suddenly became cold and severe.

He looked at Yan Gaofei, and said coldly: "Yan Gaofei, now it's time for you to pay your life!"

"I want you to see. Who killed whom, like a bug!"

Yan Gaofei was taken aback for a moment, and then let out a disdainful laugh: "Haha, Chen Feng, I know that your strength is breaking through now and you are much stronger than before, but what about that?"

"No matter how strong you are, you are nothing but a three-star martial king!"

"As for me, I am the Six-Star Martial King! I am three realms higher than you, no matter how you are, you can't be my opponent!"

A sneer appeared at the corner of Chen Feng's mouth: "Oh? Really? Then I want to see!"

"Boy, you are looking for death!" Yan Gaofei felt offended.

With a violent roar, he shot out his palms one after another, using his strongest trick.

Nine huge paw prints appeared in the sky.

At the same time, ninety-nine and eighty-one air currents swords shot at Chen Feng fiercely.

Every sword of air current has the power to destroy Chen Feng.

But at this time, Chen Feng entered the realm of the three-star martial king, and realized that the fifth sword of the Eight Desolation Nimie Slash, which destroyed the dirt with the fifth sword, can already kill the six-star Wu Wang strong!

Chen Feng's first knife was exhibited in the air, destroying all these eighty-one air currents! Then, fall instantly!

Yan Gaofei's skin suddenly cracked on the surface of his body, and blood burst out.

Yan Gaofei snorted, bleeding from the corners of his mouth.

Then, the second knife fell!

Yan Gaofei's muscles exploded, revealing the bones inside. He let out a scream, staggering back three or four steps.

With two knives, Yan Gaofei's skin will be broken!

The third knife fell, and immediately, the sound of bang bang bang was endless, and Yan Gaofei's body was severely cut off.

He uttered an extremely screaming scream and flew out heavily and fell to the ground.

The fourth knife fell, and all Yan Gaofei's bones were chopped off!

Then, the fifth cut!

Fifth knife, ruin the dirty!

When this crashed, everyone felt that everything seemed to be still.

Then the next moment, Yan Gaofei let out a terrible cry.

Everyone saw that in his body, the sound of explosions continued to sound.

His lungs burst, liver bursts, spleen burst... His internal organs were all tragic!

In the end, his heart burst open with a thud!

[Chapter 1875: Six-star King Wu? Kill with five swords!](#)

His internal organs were crushed directly into debris by Chen Feng!

Fifth knife, so domineering!

His body fell heavily to the ground.

He knelt on the ground, looking at Chen Feng in disbelief, his fingers pointing to Chen Feng with only bones left, and vomiting two words: "You, you..."

Before the words fell, blood mixed with internal organs and poured out from his mouth, blocking the rest of his words abruptly.

Chen Feng's face was also pale. It fell to the ground and staggered.

But there was a smile at the corner of his mouth. He walked up to him and said with a smile: "Who is it that crushed whom?"

Yan Gaofei looked at Chen Feng in a daze, with extreme regret in his eyes.

He regrets, why should he oppose Chen Feng!

However, it was too late.

His body trembled heavily, and with a wow, a large mouthful of blood mixed with internal organs spurted out, and his body fell heavily to the ground!

Elder of the Law Enforcement Hall, the six-star Wu Wang strong, Yan Gaofei!

Beheaded by Chen Feng with five swords!

After killing Yan Gaofei, Chen Feng also stood still, motionless.

With the strength of the three-star martial king, he killed a six-star martial king expert, and at this time also exhausted all his strength.

He even sat cross-legged next to Yan Gaofei's body, adjusting his breath and recovering.

The people onlookers who looked at Chen Feng were also full of awe and admiration, and there was no more disdain or contempt!

"This Chen Feng is incredibly strong! He is no more than the three-star martial king, so he jumped three levels in a row and killed the six-star martial king!"

"Yes, the sword technique he later used was extremely tyrannical, killing Yan Gaofei with five swords!"

"That's right, and his understanding of the technique of swords is very strong. Although he doesn't have a sword in his hand, he has a sword in his heart, so it is extremely powerful!"

At this time, there were as many as thousands of people around.

There were still people joining in from behind, and those who had just arrived were horrified and inexplicably asking the people who came in front of what happened just now.

After all, a six-star Wu Wang-level first-level law enforcement elder was lying in blood at this time.

Then, those who came early will tell them what happened just now, in a tone full of pride.

It seemed to them that they had witnessed everything that Chen Feng did just now. It was an extremely honorable thing for them!

They have already planned it, and this matter is worth their lives!

After a while, the sound of breaking through the sky sounded one after another, and two or three figures swept over at an extremely fast speed. They were all wearing white robes, and on the robes were embroidered sword patterns.

Two of them, embroidered with an upturned sword, are like the dead Yan Gaofei, they are both first-level law enforcement elders and six-star Wuwang.

And the other person, on top of his robe, is two crossed blood-stained swords. This person is a second-level law enforcement elder, and his strength has reached the Seven-Star Martial King!

The second-level law enforcement elder is already at the same level as the purple fire elder.

The three of them looked a little careless and didn't take this matter to heart. However, when they saw Yan Gaofei's corpse on the ground, their pupils suddenly shrank, and their faces showed extremely guarded and solemn expressions.

The two first-level law enforcement elders even shrank back!

The second-level law enforcement elder glanced around, then let out an angry roar: "Who did this?"

His eyes were filled with anger and murderous intent, gritted his teeth, and the flesh on his cheeks suddenly burst, apparently he was extremely angry.

In his opinion, even daring to kill the law enforcement elders in the sect is a great provocation to the law enforcement hall. Such a person must die!

In the end, his gaze fell on Chen Feng, and he said coldly: "You did it?"

Chen Feng smiled and nodded slowly: "Yes, it's me."

"It's you?" Seeing that Chen Feng was wearing the clothes of a disciple who had just started, and he was so young, and his strength was only at the level of the three-star martial arts king, suddenly, the faces of several people were relaxed.

The two first-level law enforcement elders showed a trace of contempt on their faces, and no longer had the tension just now!

One of them reprimanded impatiently: "Boy, who made you so arrogant? How dare you sit on the ground and talk to us?"

"As you know, we are all law enforcement elders of the sect, and our strength and status are much higher than you!" He pointed to Chen Feng and ordered: "Now, stand up quickly!"

Chen Feng was sitting there, motionless. As if not hearing his words at all.

"Boy, really arrogant!" A first-level law enforcement elder stepped forward, staring at Chen Feng, with a disdainful expression: "You know, you are now facing the second-level law enforcement elder of the sect, Ma Yuanju!"

"Elder Ma Yuanjuma is a powerful Seven-Star Martial King, and you, the three-star Martial King, can't fight back in front of him!"

He held his chin up, pointed to the ground, and said: "Now, quickly kneel on the ground to abolish your cultivation, and you will be able to spare your life. Otherwise, I will kill you now!"

Chen Feng sat on the ground without making a sound, just shook his head slowly.

"What do you mean by shaking your head?" This level of law enforcement elder said with a cold look.

A smile appeared at the corner of Chen Feng's mouth, and said, "There are two dogs barking at me here, and I don't want to be familiar with them. What else can I do besides shaking my head?"

In an instant, the faces of these two first-level law enforcement elders swelled like pig liver!

The first-level law enforcement elder who made Chen Feng kneel down and begged for mercy, a look of anger flashed in his expression: "Boy, get out and fight me!"

"I don't need anyone else, I can kill you easily, and I can beat you up. Then, even if you want to beg for mercy, I won't allow it!"

"I will make you die terrible!"

Murder flashed past Chen Feng's eyes.

He slowly stood up, and at this moment, the aura that broke out made everyone lose their minds.

His aura is like a sharp, but at the same time extremely heavy knife!

At this time, the second-level law enforcement elder Ma Yuanju suddenly spoke slowly: "Yu Haohan, step back!"

The first-level law enforcement elder who claimed to make Chen Feng kneel to beg for mercy was named Yu Haohan. After he heard this, he was taken aback, but he stepped back, still staring at Chen Feng provocatively!

This second-level law enforcement elder Ma Yuanju said in a deep voice: "Why kill?"

"Because he wants to kill me!"

"He wants to kill you, and then you kill him?" The law enforcement elder immediately contracted his pupils and his eyelids jumped wildly. This is the most domineering answer he has ever heard in these years!

Ma Yuanju said indifferently: "He wants to kill, that is right! He is the elder of the law enforcement of the sect, and you are just an ordinary disciple! He kills if he wants to."

Remarks: The previous introduction about the Eight Desolation Silence Slash is slightly wrong, hereby correct it, and follow the new introduction below:

The fourth knife is broken bones.

The fifth knife is to destroy the dirty.

The sixth knife is to destroy the marrow.

The seventh knife is to burn blood.

The eighth knife is a kill!

### [Chapter 1876: One punch!](#)

Chen Feng looked at him, and the smile on his face gradually became colder: "He wants to kill me, I will kill him!"

"I, Chen Feng, no matter who I am facing, whoever wants to kill me, I will kill whoever, God wants to kill me, I will fight this day!"

His domineering words made these people lose their voices in shock, and they couldn't say a word.

After a long time, Ma Yuanju took a deep breath, stared at Chen Feng, and said grimly: "Okay, kid, if that's the case, then I want to see today, what kind of strength you have!"

He shouted violently: "Do you dare to kill the sect law enforcement elder, I can kill you now!"

Chen Feng smiled and said, "You can kill me on the spot, that is, I can kill just a few of you on the spot!"

He hooked his fingers, and his face was full of contempt: "Although I am not as strong as you, but if I fight for my life, I can take you to \*\*\*\* together, believe it or not?"

Ma Yuanju's expression froze as soon as he said this.

Originally, his face was full of arrogance and self-confidence just now, but now he shrinks a bit more.

Facing Chen Feng, he was really not sure of winning!

A trace of scorn appeared at the corner of Chen Feng's mouth: "Come on, why don't you dare now?"

The smile on his face suddenly became cold: "Okay, since you dare not, then, now it's my turn!"

With that, Chen Feng walked slowly towards the three.

"You, what are you going to do?" Ma Yuanju couldn't help but feel a sense of fear, and he couldn't help but step back.

The three of them were all scared by Chen Feng and backed up a few steps, and Chen Feng's mouth showed a scorn: "Isn't it arrogant just now? Didn't you just ask me to kneel and beg for mercy? Why do I have nothing to do now? Scared like this?"

"Hahahaha!" Chen Feng looked up to the sky and smiled, "Zongmen law enforcement elder, really is so powerful, so domineering!"

The three of them turned red as pig liver for a moment!

Chen Feng suddenly closed his smile, stretched out his hand to Yu Haohan, and said in a cold voice: "Just now, you seem to have said that one person can beat me into a terrible way, right?"

Yu Haohan proudly said: "Yes!"

A smile appeared at the corner of Chen Feng's mouth: "Okay, then, let's try it now!"

With that, everyone seemed to hear a loud roar from the sky.

"Thunder God possesses!"

Then, in the next instant, behind Chen Feng's body, there was a huge ghost of Thunder Lightning Dragon.

This Thunder Lightning Dragon, almost one after another, seems to be infinite, revealing an ancient and desolate aura, extremely powerful.

Seeing this scene, everyone was shocked and exclaimed: "What is this?"

"This looks like a giant dragon! God, this giant dragon is five to six thousand meters long!"

"Yes, this, this, how is this possible?"

Some people are already frightened!

Then, the huge lightning dragon flashed light, and all of it entered Chen Feng's body.

The next moment, in their eyes, Chen Feng's aura became extremely powerful in an instant.

And around his body, countless electric lights crackled and made a burst of noise. He was as powerful as Thor!

Chen Feng clenched his fist, and there were countless thunders above his fist. There was a sneer at the corner of Chen Feng's mouth, and he looked at Yu Haohan: "The next moment, you will die!"

Yu Haohan let out a disdainful laugh, and was about to speak, when suddenly, his smile froze on his face.

Because, after Chen Feng's voice fell, even the hour and one moment of time was useless, and his figure turned into a flash of lightning and appeared in front of him.

Then, a punch came out.

This punch seemed unremarkable, but in reality it was mixed with countless extremely powerful thunders, which fell fiercely.

Yu Haohan felt extremely tyrannical aura from this punch, and even felt a trace of despair.

The warning sign in my heart suddenly sounded: "This punch is enough to kill me!"

With extreme shock in his heart, a long spear appeared in everyone in his hand, and it stabbed at Chen Feng fiercely.

The long spear has the thickness of an arm, and it is very huge. A single shot pierced out with hundreds of spear shadows.

Layers upon layers, like a mountain, fell fiercely towards Chen Feng!

His shot seemed to have only one shot, but in fact it stabbed a whole nine hundred and ninety-nine shots one after another. Each shot was powerful!

He yelled frantically: "Boy, die!"

There was a sneer at the corner of Chen Feng's mouth, his fist did not change at all, and countless thunder suddenly appeared around his fist.

Boom boom boom boom! Thunder slashed frantically, directly smashing the spear shadow like a mountain.

In the next moment, Chen Feng's fist fell forward towards Yu Haohan.

With a look of despair on Yu Hao's face, he let out a scream, the spear and Chen Feng's fist slammed together.

Yu Haohan's spear made of precious metal was directly blasted into countless pieces by Chen Feng!

Then, Chen Feng's fist was printed on Yu Haohan's chest.

At this moment, time seemed to stop, Yu Haohan was completely stunned. He lowered his head with difficulty, looked at the fist printed on his chest, opened his mouth, as if he wanted to say something, but after all, he said nothing. come out.

At the next moment, he screamed terribly.

Then, the screams stopped abruptly.

His chest sank directly, and it was charred.

Countless thunders burst out and tore it to pieces!

Six-star Wu Wang, first-level law enforcement elder Yu Haohan, was killed by Chen Feng with a punch!

Chen Feng looked up to the sky and roared, extremely happy.

Everyone around them looked at Chen Feng with a trace of awe and even intense fear.

The two remaining law enforcement elders turned pale and took two steps back.

None of them expected Chen Feng to be so powerful!

Chen Feng became the three-star martial king, and after comprehending the fifth sword of the Eight Desolation and Annihilation, he was enough to surpass three levels and kill the six-star martial king!

However, it can only kill the six-star Wuwang early stage.

Yu Haohan is already a mid-stage master of the Six-Star Martial King!

It stands to reason that even if Chen Feng used Bahuang Ji Mie Zhan, he would not be his opponent!

However, Chen Feng's possession of Thunder God can directly increase his strength to the peak of the Six-Star Martial King!

This is too terrifying, enough to kill Yu Haohan in the mid-stage of the Six-Star Martial King!

There was a lot of noise here.

This is intentional by Chen Feng.

He has made up his mind to make the trouble a little bit bigger this time. He is by no means a foolish man without tactics. Chen Feng's purpose is very clear, just to make trouble.

[Chapter 1877: Absolutely! Do not! cast! drop!](#)

Only in this way can Liu Chengyi know.

Chen Feng knew very well that in this sect at this time, the elder Chongxiao who had obviously looked at him differently was the only hope!

"Okay, boy, you are really amazing!" Ma Yuanju looked at Chen Feng with a look of regret in his eyes.

He regretted that he shouldn't let Yu Haohan deal with Chen Feng first, and regret that he shouldn't underestimate the enemy, and that Yu Haohan lost his life and lost an excellent subordinate himself.

He stared at Chen Feng and said coldly, "Little boy, don't worry, I will avenge Yu Haohan!"

"You must die!"

Chen Feng didn't say a word, just a stern roar: "Come then! Let's fight!"

As he said, his figure flashed out, like a bolt of lightning, coming to Ma Yuanju, blasting powerful moves one after another.

Suddenly, in the sky, the thunderbolt, the thunder snake danced wildly, there were dozens of thunder pillars, and they fell crazily.

In the sky, clouds condensed, and a pouring rain fell suddenly.

Chen Feng's offensive actually stirred up astronomical phenomena!

These countless thunder pillars blasted down, and Chen Feng's fist had already fallen fiercely towards Ma Yuanju.

At this time, Chen Feng's offensive seemed to have no moves and no rules, but in fact every punch had great power.

There are countless thunder and lightning lingering, and the momentum is strong.

Ma Yuanju's weapon was a long knife. He slashed it out, and Chen Feng's fist struck it, directly smashing his long knife that had accompanied him for ten years into pieces.

A heartache flashed in Ma Yuanju's eyes, and he roared: "Little boy, how dare you destroy my love knife? I have another reason to kill you!"

Chen Feng said disdainfully: "Even if you have thousands of reasons to kill me, you still don't have the ability to kill me!"

The two smashed into a ball.

Chen Feng attacked, he did not dare to be hit.

Because, his current attack is as powerful as the Six-Star Martial King, but the defense is still at the level of the Five-Star Martial King, unable to resist the attack of the Six-Star Martial King!

Ma Yuanju is worthy of being a Seven-Star Martial King. He is tyrannical. Even Chen Feng, who was possessed by Thor, is far from being an opponent. But Chen Feng desperately wanted to survive and fought frantically.

Although Chen Feng was suppressed, he could barely support it.

In a blink of an eye, time passed ten full breaths.

Chen Feng was awe-inspiring: "My Thor is possessed, the duration is only fifty breaths!"

Fifty breaths, roughly equivalent to one minute.

In fact, Chen Feng's possession of Thunder God can only make one move! Every time he insists on a breath now, he is burning part of his life!

At this time, Chen Feng's hair was even slightly dyed white.

"No, I can't go on like this!"

An awe-inspiring color flashed in Chen Feng's eyes, and his thoughts kept running: "Until now, I haven't waited for Liu Chengyi to arrive. It seems that he is either not there or doesn't care about me at all."

"And in the sect, I can only rely on him. If he doesn't come now, I will have no power to fight back against these people!"

"Although I have killed a few now, these people are just the low-powered people in the law enforcement palace. The strength is really high, and I am definitely not an opponent!"

"If you are taken into the Hall of Law Enforcement, then there is no life!"

"So now, there is only one choice, that is, kill it!"

Chen Feng is definitely not a person waiting to die.

This decision made Chen Feng extremely unwilling. He finally entered such a powerful force. He was forced to leave before he had time to learn powerful martial arts. How could Chen Feng be willing?

However, there is no way.

After Chen Feng made the decision, he no longer had any hesitation. He suddenly blasted a dozen punches one after another, showing his strength without any reservation.

The offensive of these dozen punches is extremely powerful.

A sneer appeared at the corner of Ma Yuanju's mouth opposite, as Qixing Wuwang's offensive was launched one after another, shattering most of his offensive.

However, two fists still fell on his body, knocking him back two steps, a muffled grunt, and bleeding from the corners of his mouth.

The incomparable thunder power poured into his body, actually making his body numb.

Ma Yuanju suddenly felt numb, unable to move forward.

However, Chen Feng didn't pursue it at this time, but turned around and ran away quickly.

Ma Yuanju roared furiously: "Little boy, want to run? Dreaming!"

Chen Feng pursed his lips, his face is full of fortitude and unyielding. [ovelus.com](http://www.ovelus.com)

And at this moment, suddenly, three or four tyrannical auras surged toward here in the distance, and in a blink of an eye, they came to Chen Feng and surrounded him.

This is surprisingly two people wearing the costumes of a second-level law enforcement elder, and two people wearing the costumes of a first-level law enforcement elder.

They all looked coldly at the door indifferently.

At this moment, Ma Yuanju also chased up from behind. He panted and shouted loudly: "My colleagues, this kid killed the two of us, and now he wants to run!"

Among the two second-level law enforcement elders, one of them looked like a leader. He said in a cold voice: "Catch this kid and bring back to the law enforcement hall!"

"Yes!"

Several other law enforcement elders responded in unison, and killed Chen Feng.

Chen Feng was embarrassed on all sides at this time, and it was impossible for him to win.

Ma Yuanju coldly shouted: "Boy, hurry up and catch it!"

A sneer at the corner of Chen Feng's mouth flashed, and suddenly he spit on the ground. He laughed and said, "Only Chen Feng who died in battle, and Chen Feng who never surrendered!"

"Absolutely! No! Surrender! Surrender!"

A look of decisiveness flashed across his face, and he killed the second-level law enforcement elder in front of him with an attitude of tens of thousands of people.

The fierce offensive blasted fiercely. When these law enforcement elders saw that he was still actively attacking, their faces showed extremely cold expressions: "How dare you still attack?"

Several people attacked Chen Feng.

But Chen Feng didn't care about their offensive, and his fist fell in front of the law enforcement elder. He vomited blood, screamed and flew out hundreds of meters, and was seriously injured.

And Chen Feng was also beaten up and down, no one was intact, and he was directly injured and dying.

He fell heavily to the ground.

But Chen Feng still struggled to get up. He spit out a \*\*\*\* saliva and grinned slightly. His face was full of blood, and his smile was full of unyielding and awe-inspiring, and he shouted: "Come again! "

With that, he took the initiative to attack again.

This time, he still attacked the law enforcement elder, and the law enforcement elder was so scared by his brave posture that he lost his soul and lost his mind.

With a scream, he turned and fled.

#### [Chapter 1878: Am I going to die?](#)

He was frightened by Chen Feng. He was obviously stronger than Chen Feng, but he didn't even have the courage to fight Chen Feng!

Although Chen Feng was brave and brave, his strength was far behind them after all. In a blink of an eye, he was beaten without the strength to fight back.

And soon, when the effect of Thor's possession was lost, Chen Feng didn't even have the strength to stand up.

He was lying on the ground, squinting, and looking at the blue sky.

At this moment, he was covered in blood and breathing weakly.

Suddenly, the corner of his mouth twitched slightly, and he muttered: "I, is this going to die?"

The next moment, endless darkness enveloped him, and Chen Feng fainted directly.

The leading second-level law enforcement elder glanced at him deeply, with an unconcealable shock in his eyes, and then said coldly: "Bring him back to the law enforcement hall!"

"Yes!" Several law enforcement elders caught Chen Feng and flew away with him in the direction of the law enforcement hall.

They were obviously very jealous of Chen Feng, even if Chen Feng was seriously injured now, they still held Chen Feng firmly.

Several people flew by in the sky and left this floating mountain.

Wudong Academy occupies a total of nine floating mountains, of which eight are floating on the periphery, surrounded by a circle.

And in the middle of this circle, surrounded by their stars Gongyue, is the largest floating mountain.

This floating mountain may not be much larger than the others in terms of size, but above the entire mountain peak, there are pavilions and pavilions all over the place, and the installation is extremely exquisite. Some pavilions are as high as a kilometer, even from above the peak. Flying out diagonally, piercing the space.

It seems that this floating mountain is just the trunk of a big tree, with countless branches and leaves all over the air, but it is just a sustenance.

Therefore, this floating mountain doesn't look like it really doesn't look like a mountain anymore, but like a huge sky castle!

This is the core of Wudong Academy, and all the key points of Wudong Academy are concentrated here!

The Hall of Law Enforcement is naturally no exception.

Soon, they were brought here with Chen Feng.

In the center of this floating mountain is a huge square. In front of the square, facing south, there is a huge white jade stairway up to tens of thousands of steps.

At the end of this step is the core hall of Wudong Academy, and around the square are many buildings such as the Hall of Law Enforcement.

On the square, flying was forbidden. They had to land and drag Chen Feng to the Law Enforcement Hall.

At the entrance of this square, there is a huge golden platform.

All the people who came to Wudong Academy, no matter how high their status, whether they are the overlord of one party, the head of the sect, or the chief marshal of the court, come here, get off their horses and sedan chairs, and walk to the main hall.

This is the power of Wudong Academy. The rules he set must be followed by everyone!

And almost at the same time when Chen Feng and others arrived on the square, a clear call came from the sky in the distance, and then a red cloud floated over here.

When the red clouds fell here, everyone looked up.

But I saw, what kind of red cloud is this, it is unexpectedly a huge monster beast!

This huge monster beast was a red fire snake, with a length of tens of thousands of meters. It was huge, and its thickness reached three to four hundred meters, almost equivalent to the height of a tall building with hundreds of stories.

The most shocking thing is that he has nine necks at the neck, and there are nine huge snake heads.

And above his body, there are two huge wings.

Together, these two huge wings are 30,000 meters long, more than 10,000 meters wide, extremely long and wide, just like clouds hanging down from the sky.

With the flap of the wings, two huge red clouds floated above the sky, covering the sky and the sun.

The red cloud just now was the wings of this fiery snake!

His aura is huge, and that's all. Generally speaking, snakes are more gloomy and venomous, but this nine-headed winged fire snake is extremely sacred and majestic.

Each of his scales is tens of meters in radius, crystal clear, like a red jade carving!

Seeing this huge nine-headed winged fire snake, these law enforcement elders all stopped, and after seeing it clearly, the leading law enforcement elder suddenly changed his face and shouted, "Nine-headed winged fire snake! This is the Eight-Star Demon King, the Nine-Headed Winged Fire Serpent!"

Everyone listened, with shocked expressions on their faces: "It turned out to be the Eight-Star Demon King, God, the Eight-Star Demon King is equivalent to the Nine-Star Martial King!"

The Nine Star Wu King, extremely powerful, is the existence they can only look up to.

Although they are all six-star martial king masters, it seems that they are only three stars away from the nine-star martial king, but only three stars is like a world apart.

In the Martial King Realm, every breakthrough becomes extremely difficult, especially above the Five-Star Martial King.

It takes 50 years for ordinary geniuses to step into the realm of the Six-Star Martial King Realm.

It takes a hundred years for the Seven-Star Martial King Realm to enter the Eight-Star Martial King Realm.

To break through from the Eight-Star Martial King to the Nine-Star Martial King, then the average genius has no hope at all. Not only does it require an extremely talented genius, it also needs a great opportunity.

Having both at the same time can only be achieved.

In the Tianyuan dynasty, there were many six-star martial kings like ants, seven-star martial kings were quite rare, eight-star martial kings were extremely rare, and nine-star martial kings were the pillars of the country!

As for the existence of surpassing Jiuxing Wuwang, that is the peak force of the dynasty!

This kind of existence is extremely rare, and no one has heard of it.

Everyone exclaimed, because they saw that behind this nine-headed winged fire snake car, with a golden chain, it was implicated in a huge car wheel that was hundreds of meters high and three hundred meters in length!

The car wheel is entirely made of bright red metal, covered with layers of layers, like a wave in the sea, the beauty is extremely beautiful!

"God, I'm not mistaken, what kind of existence is it like pulling a cart with a nine-headed fire snake?" someone exclaimed.

The leading law enforcement elder, with solemn eyes, a look of jealousy flashed on his face, and said in a deep voice: "Nine-headed winged fiery snake, a hundred feet of red gold!"

"It can drive an eight-star demon king's strength to reach the nine-star martial king realm, and a demon beast to pull a cart, there is also a chariot made of ten thousand feet of sea mica pure gold, this kind of ostentation, the entire Tianyuan Dynasty, a radius of 80 million li, except for General Yun, Who else?"

Hearing the words of General Yun, these arrogant law enforcement elders all showed fear and fear on their faces!

#### [Chapter 1879: The general cloud broke the sky!](#)

A second-level law enforcement elder showed a touch of envy on his face: "General Yun, really is so powerful and domineering!"

He looked at the leading law enforcement elder and asked, "Master Bai, you said, why did he come here?"

Master Bai shook his head and said, "The level of General Yun is at the same level as the sect master and the elder Chongxiao. How can we intervene with such powerful people?"

"All honestly, just as if you haven't seen anything!"

"Yes!" Everyone quickly bowed their heads.

A younger law enforcement elder with a rather frivolous aura looked over there with his toes, his face was full of envy and jealousy, and he was obviously very jealous of General Yun's aura.

Then, he glanced at the corner of his mouth, revealing a look of disapproval, and said softly: "This surname is Yun, really is such a big show, who came to our Wudong Academy to put such a big shelf?"

His voice fell, and in an instant, Lord Bai's complexion changed, his complexion suddenly turned pale, and he shouted: "Shut up! Kneel down and apologize!"

However, he said this sentence too late.

Just as the young law enforcement elder's voice just fell, everyone seemed to hear a cold hum from amidst the huge chariot.

Then, a purple thunder and lightning suddenly fell from the sky and hit the young law enforcement elder fiercely.

With a bang, the young law enforcement elder didn't even have time to make a scream, and was directly chopped into a pile of coke, with no bones left.

Seeing this scene, everyone was shocked, and couldn't help but step back a few steps, making their faces pale!

But after regaining consciousness, their faces were full of indignation!

And the Lord Bai did not dare to have a look of dissatisfaction on his face. He suddenly fell to his knees and kowtowed his head in the direction of the chariot, saying: "The person who said bad words is dead, and I hope that General Yun will calm down. Don't be angry. others!"

Then, he turned his head and shouted in a low voice: "What are you doing in a daze? Kneel down!"

"Yes!" The law enforcement elders quickly kneeled down as ordered!

After the purple thunder and lightning killed the young law enforcement elder, they kept hovering over their heads. At this moment, seeing them all kneeling respectfully, the purple thunder and lightning seemed to be satisfied just now, turning around in the air, and then Suddenly disappeared!

Everyone knelt on the ground, even though they were dissatisfied, they didn't dare to show it. They just sighed in their hearts: "I have heard that General Yun is extremely overbearing and kills people at every turn. As expected, it is true!"

Finally, the nine-headed winged fire snake turned a circle in the air, and it made a clear and sharp call, without the slightest meaning of the viciousness of the lunar calendar, but full of a sense of grandeur.

Then, he circled around. It is quietly falling on the golden platform.

With the shaking of his wings, the boundless red clouds flashed in the sky. It was not an illusion, but a red cloud and clouds shrouded here, shining brightly around the square like a sea of fire.

This is the strength of the Eight-Star Demon King, enough to affect the range of the surrounding blockbuster!

Every move is a sight!

At this time, everyone heard a series of crisp calls again, and only then saw that behind the nine-headed winged fire snake, there were thousands of knights,

Every knight rides a huge gold-winged flying tiger that is more than ten feet long. This gold-winged flying tiger has the strength of a one-star demon king on each end. When in the sky, they dare not fly to nine. The front of the winged fire snake.

At this time, these knights drove the gold-winged flying tigers under the hips and flew over, and then, the brushes actually formed two straight lines.

These two queues form a channel, leading from the Golden Terrace to the 10,000 steps below!

Then, these golden-armored knights turned over from the gold-winged flying tiger and stood proudly there.

A total of three thousand people, everyone of the same height, tall and mighty, handsome in appearance, and powerful.

Two rows of golden-winged flying tigers and two rows of golden-armored warriors form a golden passage.

Then, the three thousand people suddenly knelt to the ground, and the sound of their knees shook the floating mountain with a tremor.

Then, they shouted: "Welcome to the general!"

The sound shook the fields, and the entire floating mountain could be heard clearly!

At this moment, everyone in Wudong Academy knew who came.

Then, from the front of the hundred-zhang red gold car, a single tree, Lao Pu, dressed as a coachman, gently swept down, silently fell on the ground, and opened the door.

Then, one foot stepped out, wearing bright yellow with black military boots, one thigh stepped out, like an Optimus pillar, with unparalleled aura.

A figure slowly walked out from the inside, and as soon as he walked out, he seemed to have taken all the domineering power of the world.

He stood there as if a mountain suddenly appeared.

Then, he shook his sleeves and walked forward proudly, like a big mountain, slowly moving, majestic.

This is a middle-aged man in his forties. He has a face with Chinese characters, his face is extremely rigid, his lips are tightly pressed, his face is expressionless, and his hair roots are like ink, like steel needles. , Combed neatly.

He wears a bright yellow jade crown on his head, and a bright yellow robe on his body. The robe is embroidered with the pattern of a large golden peng bird with double wings.

The double-winged golden penguin bird is a legendary beast that exists in ancient times. It is extremely powerful and has the power to destroy the world. It can even traverse the void and traverse one world after another, leaving countless legends.

It is said that the imperial family of the Tianyuan Dynasty has a very meager double-winged Great Golden Peng bird bloodline, but with this little two-winged Great Golden Peng bird bloodline, they have laid down the grand foundation of the Tianyuan Dynasty!

Bright yellow is the color of the imperial family of the Tianyuan dynasty.

The bright yellow robe embroidered with the big golden peng bird with double wings was bestowed by the emperor of the Tianyuan dynasty. No more than ten people in the entire Tianyuan dynasty were qualified to wear this gown!

His stature is not very tall, but his body is full of fierceness without casting, dominating the world, and disdainful of Qunlun.

He was clearly a few kilometers away from the people in the Hall of Law Enforcement, but the momentum had already come, pressing the people in the Hall of Law Enforcement directly on the ground, and threw them on the ground.

They can't even maintain their kneeling posture, and this is not what he did intentionally!

At this time, in the vicinity, many people of high status in the Wudong Academy also appeared quietly, looking at this figure with awe.

#### [Chapter 1880: You are my son!](#)

This person is Yun Potian, one of the six great generals of the Tianyuan Dynasty!

Commanding tens of millions of troops in northern Xinjiang, the strength is extremely powerful, and the power is also extremely powerful!

Suddenly, at this moment, Chen Feng, who was in a coma, suddenly felt that the heat inside his body was scary.

A sense of scorching heat penetrated directly from the body, instantly burning him all over and sweating like rain.

Chen Feng's face was red, and then he immediately regained consciousness.

He felt like he was thrown into a stove, with extremely hot temperatures everywhere, flames everywhere, it became difficult for him to breathe, and flames burned from inside to outside.

Chen Feng felt that there was fire from inside his seven orifices. Chen Feng's mind was already confused at this time, but he was still desperately searching for the source of the flame, and he found it immediately.

This flame actually came from his blood, from his blood.

And the next moment, suddenly, all the flames in Chen Feng's body were collected and returned to his blood.

Then, his blood began to boil, and there was a sound like a rushing river in the air. At this time, Lord Bai and the others also realized this. They immediately looked at Chen Feng with a touch of light on their faces. The color of horror.

At this time, Chen Feng's blood, which seemed to be burning, suddenly penetrated from his body, forming an inexplicable pattern behind him.

This pattern is majestic, majestic and domineering!

Then, on top of this pattern, violent fluctuations were emitted, exuding a unique rhythm.

Then, everyone heard a bang, bang, bang, like a beast's heart beating, ringing in their ears.

And this voice suddenly came from Chen Feng's body.

The people in these law enforcement halls were immediately shocked, and the movement here also attracted everyone's attention. Even the general Yun Potian couldn't help but cast his sights here.

Suddenly, everyone sent a selection, more than one pounding heartbeat.

A first-level law enforcement elder swallowed, with a hard voice, and asked his colleagues nearby: "Have you heard? It seems that two hearts are beating."

The person next to him also nodded blankly: "I heard it."

Then he followed the voice and looked back, finally, his eyes fell on someone.

Wearing a bright yellow robe, this person is extremely domineering, just like the clouds broke the sky.

At this moment, on the surface of Yun Potian's body, blood filled the surface, forming a \*\*\*\* totem behind him, exactly the same as that behind Chen Feng.

At this time, there was a sound like the heartbeat of a giant beast in his body constantly banging, the rhythm and the rhythm were the same as Chen Feng!

When everyone saw this scene, they were completely stupid.

Master Bai blinked his eyes in disbelief, and said blankly, "Yes, what's the matter? Why is it so?"

At this time, Chen Feng also raised his head and looked at Yun Potian.

The eyes of the two faced each other. At this moment, Chen Feng suddenly felt a sense of blood connection. The blood of the two seemed to be tied together.

There was a flash of ecstasy in Chen Feng's heart. He seemed to have guessed something, his lips moved and he was extremely excited.

But suddenly, at this moment, the familiar feeling suddenly became stronger, and after it became stronger, it didn't become even closer.

Instead, Chen Feng felt a domineering aura coming towards him, it was from Yun Potian, from that familiar bloodline!

However, this breath is like a lion on the grassland, driving out the little lion bitterly. This is what Chen Feng felt!

It is connected by blood, but also indifferent, even killing!

Chen Feng immediately shook his head and expelled this idea from his heart. He had already concluded at this time that this Yun Potian must have an extremely close relationship with him, and he might even be his...father!

Chen Feng couldn't even believe these two words in his heart, because these two words are really heavy as a mountain!

A voice echoed in Chen Feng's heart: "No, no, this feeling of mine must be wrong, he may be my father, how could he feel this way to me?"

At this time, Yun Potian slowly walked up.

He came to Chen Feng, looked at him, and suddenly spoke slowly. His voice was sonorous and powerful, with unquestionable majesty and strength: "You, are my son!"

Then, he stared at Chen Feng with a scrutinizing gaze for a long, long time.

Chen Feng even felt that everything about him was seen through by him.

Then, he suddenly sighed slightly: "It turned out to be you, but it was you. You are back."

Chen Feng was stunned: "What does this mean?"

But obviously, Yun Potian did not intend to explain.

He just frowned and glanced at Chen Feng, and said faintly: "How did you make it like this?"

Chen Feng opened his mouth. Just as he wanted to talk about the framing of himself, Yun Potian shook his head and said, "No need to say anything, you are beaten like this, then it must be your cause and your fault."

"It's useless to say, I won't make the decision for you."

When Chen Feng heard this, he was shocked! *Novelusb.com*

"What kind of words are this? Is this something a father can say? He doesn't ask himself why this is the case? He doesn't even ask who he was beaten up like this. He simply and rudely believes that he is wrong!"

"What kind of father is this?" Chen Feng looked at him, and the enthusiasm in his heart suddenly dropped a lot.

But he still squeezed out a smile, his lips whispered softly, ready to say those two words.

But at this time, Yun Potian stretched out his hand to stop him, and said: "Don't say those two words, you are not worthy of being my son! Even though you are my son!"

When Chen Feng heard this, he was even more stunned. His hands trembled, his face turned pale, the enthusiasm in his heart disappeared without a trace, and the rest was full of doubts, puzzles, and grievances.

"Why is this, why is it so?"

At this moment, Yun Potian looked at Master Bai, and asked in a deep voice, "Is this someone from your Wudong Academy?"

"Yes, this is the disciple that our Wudong Academy just selected this year." Lord Bai said respectfully.

Yun Potian directly reached out and clasped Chen Feng's shoulder, but he didn't mean to heal Chen Fengfeng, but coldly said, "This is my son. Now, I want to take him away."

His attitude at this time shows that he wants to take Chen Feng away purely because he is Chen Feng's father, such a simple name!

It is not because he and Chen Feng have any feelings.

Master Bai immediately showed a look of embarrassment on his face, and said, "General Yun, this, is this something wrong?"
