

Peerless 2621

[Chapter 2621: I want to divorce!](#)

There is no decoration on her body, only holding a long sword in her hand, she walks slowly down the colorful rainbow!

A cold breath sounded from the crowd below: "It turned out to be Miss Mu Family?"

"Miss Mu Family, Mu Jianhong!"

"You are young, but I heard that the cultivation base is already extremely powerful, reaching the peak of the Eight-Star Martial Emperor, extremely powerful, and superb with one hand of swordsmanship!"

"Yes, not only is the strength extremely strong, but also the looks are extremely beautiful, all of the younger generation can be regarded as extremely outstanding!"

"Even if you get the nine major forces, you can be considered one of the most outstanding people!"

"She actually came to our Xuanyuan family? What is she doing here?"

Everyone is whispering underneath!

The old man with a face like a dead tree quickly followed.

When the two walked to the high platform, the woman glanced around, but said nothing.

The old man who looked like a dead tree looked at Xuanyuan Ruofeng.

Xuanyuan Ruofeng hurried forward, arched his hands, laughed, and said, "Brother Mu, Brother Mu, since we met one person five years ago, it has been five years since we haven't seen each other. Little brother, I miss you so much. what!"

The middle-aged man he called Brother Mu smiled faintly and said nonchalantly: "Brother Ruofeng, don't come here without any problems?"

Hearing what he said, Xuanyuan Ruofeng seemed to have a bright face, haha smiled and said, "Thank you brother for your concern, thank you brother for your concern."

He changed the conversation and said, "I don't know if my brother came to our Xuanyuan family this time for?"

When talking to him, Xuanyuan Ruofeng's face was quite polite.

No, it can't even be described as polite, it can be said to be quite respectful!

The Xuanyuan family is one of the nine powers.

Among the nine major powers, all the families, among the family levels of the entire Dragon Vein Continent, were rated as nine-rank families.

That is, the family with the highest rank!

All the sects among the nine great powers were also rated as the highest-ranked sects among all the sects, reaching the nine-grade sect.

At this time, the Mu Clan who came to them, although only the Eighth-Rank Clan, not as good as the Ninth-Rank Xuanyuan Clan, but the Xuanyuan Clan here refers to the core of the Xuanyuan Clan and refers to the Xuanyuan Clan's strongest strength. Those people.*novelusb.com*

They can reach the level of Ninth Rank.

For the Xuanyuan Family's Outer Sect, it was far from reach.

The power level of the Xuanyuan family's outer sect was two levels lower than that of the strongest sect, which was roughly equivalent to the level of the seventh-grade family.

At this time, the two who came to the Xuanyuan family were all masters that the Mu family could count.

That, with a dry body, like a piece of burnt wood, the old man, named Mu Huaping!

This person is even one of the four masters of the Mu Family. His strength has reached the realm of transformation. It is said that he has broken through the realm of the Nine Star Martial Emperor and reached the level of Emperor Wu!

To put it bluntly, the two people they came over were the highest level of power of the 8-Rank family, while Xuanyuan Ruofeng and the others were the lowest level of power of the 9th-Rank family.

Therefore, not only does the other party not fear them, they are also very polite to each other!

Hearing this question, Mu Huaping did not answer. Instead, he smiled, politely but estranged and stretched out his hand, and said, "This is our Mu family lady."

Xuanyuan Ruofeng hurriedly said respectfully: "I have seen the eldest lady!"

Mu Jianhong just nodded faintly, without saying anything, obviously not paying attention to him.

But even if she just nodded, Xuanyuan Ruofeng had a flattered expression.

At this moment, the attitude on his face has changed from the polite and even respectful before to a hint of flattery.

Mu Jianhong swept around, and then asked faintly: "I don't know, do you have a disciple named Chen Feng here?"

When she asked this, everyone was stunned.

Xuanyuan Ruofeng was dumbfounded, and a voice echoed in his heart: "They often come here to look for Chen Feng? What do they look for Chen Feng for? When did Chen Feng get involved with the Mu family?"

Everyone below was also shocked. Chen Feng would even know the Mu family?

Everyone's eyes immediately turned to Chen Feng in the crowd.

Chen Feng was also a little surprised: "People from the Mu family? I don't know him! What do you come to me for?"

Chen Feng has experienced many things and knows many people.

However, Chen Feng was sure that he had never seen this woman.

In fact, not only had he never seen Mu Jianhong, he had never even heard of Mu Family or the three words Mu Jianhong before today.

He stood up directly from the crowd, looked at Mu Jianhong, and said in a deep voice, "I am Chen Feng. I don't know why Miss Mu is looking for me?"

"You're Chen Feng?" Mu Jianhong glanced at Chen Feng, his expression was still very calm, but his eyes suddenly burst into a cloud of inexplicable light.

In the light, there was surprise, relief, and a deep disgust and disgust.

Her gaze swept across Chen Feng's face and body, and then the touch of disgust and disgust in her eyes became more intense.

A voice in his heart screamed: "He looks tall and handsome, with sword eyebrows and stars, but he is a kind of talent, but it is a pity, it is a waste!"

The more handsome Chen Feng was at this time, the more angry she was at this time.

A voice in her heart answered: "Why? Why? He who is so handsome and such a talented person, but his strength is so bad? It is a waste that cannot be cultivated. Why?"

She stared at Chen Feng, and even a hint of hatred flashed in her eyes.

"Are you Chen Feng?" At this time, Mu Huaping also walked up and looked at Chen Feng.

He looked at Chen Feng, full of indifference, without any emotion.

Even that kind of vision is not like looking at a dead person, but looking at an item!

Then, he cast his gaze on the Mu Jianhong next to him and nodded slowly.

"Chen Feng, I am here today to..."

She finally spoke.

Everyone's eyes fell on her, and when he said this, Mu Jianhong paused.

Then, she took a deep breath, facing everyone, her voice was calm and cold, and she slowly uttered four words: "Quit you!"

"What? Divorced from you?" At this moment, the entire square was quiet like a tomb.

Everyone had their eyes widened, looking at Mu Jianhong on the high platform in disbelief, and then they all cast their eyes on Chen Feng below.

They couldn't believe their ears, and they were shocked to the extreme.

[Chapter 2622: Contempt and disdain!](#)

At this time, many of them and even many of them have been shocked and haven't recovered.

"What exactly is going on?"

"If you want to divorce, Mu Jianhong wants to divorce, with Chen Feng?"

"Could it be that the two of them have a marriage contract? God! How is this possible?"

They were all shocked not knowing what to say.

In their eyes, these two people, one in the sky and the other underground, how could there be any connection?

Xuanyuan Junxiong opened his mouth wide, his face full of incredible expression.

Those elders on the high platform, Xuanyuan Ruochen, Xuanyuan Ruofeng and others, are the same.

At the next moment, a huge voice of discussion sounded above the square, and everyone screamed in shock.

"Chen Feng unexpectedly has a marriage contract with Ms. Mu's family? God, what is Chen Feng's background? Actually he has an engagement with Ms. Mu's family?"

"Yes, this is not the daughter of any branch of the Mu Family! This is the daughter of the Mu Family Patriarch, the most noble woman in the Mu Family!"

"It's incredible, why does Chen Feng have such a background?"

They looked at Chen Feng and wondered!

However, in the next moment, many people's faces were gloating.

Xuanyuan Junxiong looked at Mu Jianhong, then at Chen Feng, with a deep jealousy on his face: "Why does this trash have a marriage contract with Miss Mu Family? How can he have this qualification!"

He immediately uttered aloud, laughed, and ridiculed loudly without mercy:

"What if I have a marriage contract? It's a pity, now I'm being killed by someone to divorce. I really lost my Xuanyuan family's face!"

"Yes!"

Someone next to him immediately echoed loudly and said, "Chen Feng, your existence really makes my Xuanyuan family face bewildered!"

Everyone seemed to have just awakened at this time, and they suddenly realized: "Yes, Chen Feng is about to be divorced. Having a marriage contract will cause him to be humiliated!"

They were all jealous of Chen Feng, so they ridiculed and insulted loudly.

Xuanyuan Junxiong was even more proud of seeing so many people supporting him.

He laughed and said, "Let my Xuanyuan family suffer such humiliation, Chen Feng, you trash, should commit suicide and make amends!"

And when Chen Feng heard Mu Jianhong say these four words, the whole person was a little confused.

He didn't even know about it before, and he also opened his mouth wide and dumbfounded: "What does she mean? She actually wants to divorce me? Is it possible that we have a marriage contract?"

The next moment, suddenly, a light flashed in Chen Feng's mind.

He felt a boom, inside his head, like an explosion, the next moment, countless fragments surged. *Novelusb.com*

On a high cliff, two young men with high spirits, great strength, and famous mainland stood side by side.

Pray three times towards the bright moon that day and become brothers.

The two of them are friends of life and death, and even more agreed that if they have a son, they will become brothers, and if they have daughters, they will become sisters.

If you have one son and one daughter, you are married!

In the next moment, in Chen Feng's memory, there was a little girl who was very beautiful in appearance.

She tilted her head and looked at herself.

Then, the face in the memory suddenly fell apart, and then it merged with the handsome face full of disdain and indifferent in front of him.

Chen Feng sighed softly. At this moment, a part of his memory awakened.

He remembered something.

Mu Huaping looked at the crowd and said lightly: "You are not told, my eldest lady, I had a marriage contract with Chen Feng back then, but now this marriage contract is over."

"My eldest lady came here today to divorce!"

He looked at Chen Feng and said lightly: "Chen Feng, we are here to tell you that you have nothing to do with my Mu family in the future, don't come to my Mu family again!"

In an instant, Chen Feng's anger suddenly rose.

Mu Huaping's attitude was extremely contemptuous, and even with a trace of worry, as if he was afraid that Chen Feng would haunt their Mu family.

A voice in Chen Feng's heart reverberated wildly: "Who do you think of me? Why do you humiliate me so much!"

Seeing Chen Feng not speaking, Mu Jianhong's eyes flashed a little, thinking he knew what Chen Feng was thinking.

Then, it became a deep disgust.

She shook her head, curled her lips in disdain, and said contemptuously: "I knew it would be like this!"

She looked at Chen Feng, raised her chin, and said impatiently: "Trash, don't you speak? Don't you want to agree?"

"Tell me what you want? I will reward you ten times what you want! From then on, my Mu Jianhong has nothing to do with you anymore!"

Her attitude was like giving alms. Obviously, she thought that Chen Feng didn't speak in order to extort more benefits from her!

Chen Feng looked at her, and the anger in his heart had risen to the extreme.

He said word by word in a cold voice: "I don't want anything from you!"

"Then what do you want? Pills? Martial arts, or do you want exercises?"

Mu Jianhong looked at Chen Feng, frowned, and said faintly: "I advise you, don't have too much appetite, and don't be too greedy!"

"You are not as valuable as you thought. I retired this marriage today, and I also retired. The reason why I proposed to compensate you is just to give you Xuanyuan family a face."

She pointed at Chen Feng and said lightly: "Don't be shameless!"

"Yes!"

At this time, Xuanyuan Ruofeng, who was next to her, suddenly stood up and said loudly, "Chen Feng, Miss Mu Family retired from you, that is a matter of course."

"You don't take a picture of yourself with soaking urine. Are you worthy of Miss Mu Family? What are you?"

"Miss Mu Family has given you a face, don't you know it! Shame on the face!"

"Am I shameless?"

At this moment, Chen Feng laughed loudly, and the laughter was full of endless grief and hatred!

Suddenly, his laughter stopped, and he stared at Mu Jianhong and Xuanyuan Ruofeng fiercely: "They came up to divorce, with such a contemptuous attitude, they regarded me as stubborn!"

"And you, as the elder of the Xuanyuan family, actually helped them and spoke bad words to me?"

Mu Jianhong waved his hand, not paying attention to what Chen Feng said, but said indifferently: "Today, this marriage, I must retire!"

She looked at Chen Feng, the corners of her mouth curled slightly, revealing an arrogant arc, her eyes were full of disdain, and she said lightly: "You are also worthy of being my husband?"

She looked at Chen Feng, her face was full of disdain and contempt, and even a hint of hatred.

She had been told from a long time ago, since she was sensible, that she would marry a man named Chen Feng in the future.

[Chapter 2623: Would rather die than ask!](#)

The two of them have ordered a baby kiss since childhood.

When she was young, she looked forward to this relationship very much.

Because she knew that her father would not find herself a man who had no abilities. Her man would definitely be a great hero, a great hero, and an extremely powerful peak powerhouse!

But later, he heard that his husband had disappeared from the Xuanyuan family since he was a child, and he was living outside, not knowing where he went.

At that time, her heart was half cold.

It wasn't that he cared about his husband and feared that he would have an accident, but because he knew that if he hadn't been cultivated among the nine powers since he was a child, he would have been left out, no matter how talented he was, his strength would not be strong.

Later, this marriage contract became a burden for her. Everyone knew that she was going to marry that person, and everyone knew that that person was missing.

Later, she heard that that person had come back and returned to the Xuanyuan family.

She was in ecstasy at first, and then she became extremely angry and felt humiliated to the extreme.

Because, she heard that even though that person came back, he was a waste, a waste that even Wuhun didn't have, and his strength could never increase!

A waste that will never reach the Martial Emperor Realm!

This made her angry to the extreme, and she immediately told herself: "I absolutely cannot marry such a trash, I am going to divorce!"

However, her father disagreed.

She, and her mother, had been in trouble for three months before her father reluctantly nodded.

So, she immediately couldn't wait to come to the Xuanyuan family.

With such a condescending, so arrogant, and so unceremonious attitude, he announced his resignation to Chen Feng!

Xuanyuan Ruofeng said coldly, "Go, invite Xuanyuan Ruolan over."

When he said the word "please", he deliberately increased his tone.

Obviously, although he said please, his heart was full of hatred.

"Yes!" Behind him, the two elders walked out, turned and left with strides.

Chen Feng's eyes were full of hatred, and he shouted sharply: "You dare to have any disrespect to my mother, I must kill you two!"

The two elders laughed wildly: "Boy, you are going to be divorced by the Mu family now, which makes you worthless."

"Your current situation is even worse than before, and even worse, and because the Mu family wants to retire your marriage, I don't know how many people are waiting to kill you!"

"You still want to kill us now? Worry about how you died first!"

As they said, the two laughed loudly.

Xuanyuan Ruofeng also sneered beside him!

Below, the children of the Xuanyuan family all showed ordinary expressions, and obviously they all thought the same.

At this time, a clear and tough voice suddenly rang: "I don't need you to invite me, I will come by myself now!"

With that, a woman in a green robe slowly walked onto the high platform.

She is about thirty years old and looks very beautiful. Although her face is a little sick, she can't hide her very beautiful face.

And in her gaze, there was even more awe-inspiring power, so awe-inspiring not to offend.

Her gaze swept across the faces of the many elders on the stage. Somehow, after those people came into contact with her gaze, they all felt guilty in their hearts and felt quite ashamed. They all bowed their heads and dared not touch her gaze. .

This woman is Xuanyuan Ruolan.

Chen Feng yelled out: "Mother, why are you here?"

Xuanyuan Ruolan smiled and said, "I don't worry about you, so come and have a look!"

She looked at Xuanyuan Ruofeng and let out a cold snort of disdain: "Xuanyuan Ruofeng, that's okay. Isn't she the one who had my legs beheaded and half of his face lost? Is the prestige coming?"

Speaking of the past, Xuanyuan Ruofeng showed extreme hatred on his face, and said miserably, "Xuanyuan Ruolan, are you still proud of it?"

"Tell you, today is the death date of your mother and son!"

Xuanyuan Ruolan smiled coldly: "Really? I don't believe it!"

After she said this, she ignored the furious Xuanyuan Ruofeng, and cast her gaze to the Mu Jianhong next to her!

She looked at Mu Jianhong with a reminiscence on her face, sighed, her face was full of memory.

"Last time, when I saw you, you were a baby in a swaddling baby. Although you are still very young, you have a strong talent for playing as a child."

"Sure enough, now, you have become a very strong master among the younger generation outside of the nine powers. Even if you get among the nine powers, you should definitely not be underestimated."

Mu Jianhong looked at him coldly, without saying a word, with a look of contempt in his eyes.

Xuanyuan Ruolan felt the look in her eyes, and immediately felt a pain in her heart, and a wave of humiliation surged. *nOvElus&.coM*

But she turned her head and glanced at Chen Feng, suppressing the humiliation and anger, and said with a smile:

"At the time, my brother, my own brother, Feng'er's uncle, had a very good relationship with your father."

"The two are friends of life and death, and they agreed that if they have children, they will be married, but at that time my brother was not married, let alone heirs..."

"So, you picked up a bargain, didn't you?" Mu Jianhong suddenly interrupted her.

When she spoke, she was so bitter, so mean, so merciless, just like a murderous steel knife!

"So, I am going to marry this trash, am I?"

Her face was full of arrogance, and she said lightly: "Auntie, for the sake of affection in the past, I call you auntie, but I will never again."

As she said, the look on her face suddenly changed, becoming crazy and fierce, even with a trace of hideousness, and shouted sharply: "Xuanyuan Ruolan, what are you? You are worth talking to me, and you are worthy of you. Trash son intercedes?"

"I am here to tell you plainly, today's marriage, I am retiring! I will never marry such a waste!"

She looked at Xuanyuan Ruolan, looked down, and said arrogantly: "What do you want? I'll give it to you! Even if I offer a price!"

These words are not polite.

Chen Feng was furious and was about to step forward, but Xuanyuan Ruolan stopped him.

A look of humiliation appeared on Xuanyuan Ruolan's face, but she soon suppressed the humiliation.

She lowered her voice, bent down slightly, and pleaded in a low voice: "Miss Mu, can you think about it again?"

She paused, her voice softened, and her lips trembled twice before she said the words: "Just be my aunt, please."

With a buzzing in Chen Feng's head, he almost exploded!

Mother, actually begged Mu Jianhong not to divorce!

Chen Feng knew exactly why his mother did this.

Because my mother knew that if the Mu family really retired, she would be extremely dangerous in the Xuanyuan family.

[Chapter 2624: Nine Dead Rejuvenation and Rongrong Dan!](#)

She did it all for herself!

Seeing that his mother was wronged for her own sake, she begged Mu Jianhong lowly here, Chen Feng's eyes were splitting, and his heart was full of anger and humiliation!

He yelled: "Mother, don't ask him! I would rather die, and I don't want you to beg her!"

"I'd rather die, and I don't want you to bend in front of her!"

With that, Chen Feng strode forward and stood in front of his mother.

Hearing what Chen Feng said, Xuanyuan Ruolan was stunned for a moment.

She stared at Chen Feng's back blankly, not knowing what to say for a while.

After the film was connected, the corner of her mouth suddenly bends, raised upwards, revealing a smile, and whispered in her mouth: "Yes, this is my son!"

"This is my strength of style, so rather bend than bend, so fierce and fierce, just like I was back then!"

Mu Huaping looked at Xuanyuan Ruolan, and said lightly, "Mrs. Xuanyuan, I also know what happened back then."

"Back then, my brother, who had risen like a comet, was extremely powerful, and he was a life and death friendship with our Mu Family Patriarch. Our Mu Family has not forgotten this affection until now."

"At the time, Chen Feng and our eldest lady made a baby kiss, and it can be regarded as a good match...but it's a pity!"

He glanced at Chen Feng indifferently. There was no feeling in his voice, but a strong sense of contempt and superiority: "Chen Feng is too trash, he is not worthy of our eldest lady."

"So, for today's marriage, you have to withdraw, and you have to withdraw if you don't!"

Speaking of the last sentence, his voice is already very tough.

It turned out that he thought Xuanyuan Ruolan might disagree!

But at this time, Xuanyuan Ruolan interrupted him suddenly: "Okay, no more talk!"

She smiled slightly, and then her smile turned into a hearty face, patted Chen Feng on the shoulder, and said: "Feng'er, she wants to divorce, then let's divorce!"

Seeing Xuanyuan Ruolan nodded, Mu Jianhong sneered and said, "Count you guys."

She looked at the two of them and said lightly: "After all, we had a marriage contract. Now that I have retired, I won't quit in vain. This thing will be rewarded to you."

With that, she raised her chin.

Suddenly beside him, a maid walked forward and threw a white jade box at Chen Feng.

She was full of disdain, with a charity-like expression, and said, "Trash, take it."

However, Chen Feng didn't even stretch out his hand, allowing the white jade box to fall to the ground, smashing to pieces.

A small emerald green pill rolled out of it!

After the emerald green pill appeared, the green radiance was immediately radiant, and then burst towards the sky, forming a phantom like a large forest above the sky.

There are countless giant trees faintly inside, and countless seedlings under the giant trees.

They struggled to break through the soil, and then quickly thrive and become towering trees.

Then, it withered instantly.

Then, it was reborn again, full of new life and disillusionment, and full of extremely powerful and majestic vitality.

As soon as this pill appeared, it made people feel refreshed and happy when they smelled it, and their strength even increased.

Xuanyuan Ruofeng exclaimed: "Nine Dead Rejuvenation Withered Rong Dan? It turned out to be the Nine Dead Rejuvenating Rong Dan?"

"What? It turned out to be the Nine Dead Rejuvenation Rong Dan?" After hearing this name, the people below, who had a little knowledge, all shouted in exclamation: "This pill is said to have the magical effect of the flesh and bones of the living dead. !"

"Yes, as long as it is not dead, no matter the multiple injuries, it can be recovered in one bite!"

"Yes, this kind of pill has reached the level of the second-tier golden pill. Although it can't affect Emperor Wu, as long as it is below Emperor Wu, as long as you have a breath, just swallow this pill. All strength can be restored immediately!"

"Too strong, too ruthless!" Everyone exclaimed.

And many people looked at that green pill, and their eyes were greedy and extremely hot!

Even Chen Feng couldn't help being slightly awe-inspiring.

The pill that Chen Feng bought for his mother that day was already very precious and required an extremely expensive price to buy, but even Shaoyin Purifying Sha Pill was just the pinnacle of ordinary pill.

Between the second-tier golden core and the second-tier golden core, there are still half a step away from the second-tier golden core and the first-tier golden core, two major levels!

The difference in value cannot be counted in a reasonable way, even if it is a few hundred and thousands of Shaoyin Purification Pill, it cannot be exchanged for a Nine Dead Rejuvenation Pill!

"This, but the second-tier golden core, I am afraid there is not one in the entire outer sect!"

"The entire Xuanyuan family, I'm afraid I won't be able to get a few of them. This thing can be said to be extremely precious. Pieces!"

"Of course, having this pill is equivalent to one more life!"

Xuanyuan Ruofeng looked at this pill with a greedy expression.

His gaze flickered a few times, then he turned around, suddenly a smug smile appeared on the corner of his mouth, and he said in his heart: "How does Chen Feng deserve to have such a precious pill?"

"He will definitely be excited and take away the pill. By then, this pill will be mine!"

Mu Huaping looked at Chen Feng and the two of them, and said lightly: "This nine-dead rejuvenation and withered Rongdan is a compensation for you."

Mu Jianhong curled his lips and said with some dissatisfaction: "Uncle Ping, is it a bit too much to compensate him for such a precious thing? Why is he worth this pill?"

This sentence made Chen Feng's face even colder.

Mu Huaping smiled slightly and said, "Give him this, and also sealed everyone's mouth. If he comes to entangle him in the future, he doesn't have to be polite to him!"

The people in the square looked at Chen Feng and wanted to see what he did.

Many people laughed in a low voice: "This Chen Feng can only bear it!"

"Yeah, if you want to change me, you know you can't do anything, and now there is such a pill that you can get, I'm really anxious to divorce!"

"Haha, that is, this pill is really much more precious than Chen Feng!"

But at this moment, Chen Feng suddenly sneered. He straightened his body, and his whole body was extremely high, exuding a fierce aura, like a javelin.

At this moment, the indomitability that Chen Feng broke out also made Mu Jianhong startled slightly.

But the next moment, Chen Feng stepped forward and held the pill in his hand.

Many people were stunned, first for a moment, and then ridiculed.

"Hahaha, Chen Feng, who looked so righteous just now, hasn't he taken advantage of it now?"

"That's right, this Chen Feng is just pretending, in fact, it is not a spineless waste!"

[Chapter 2625: Destroy Dan!](#)

The look on Mu Jianhong's face is even more contemptuous!

However, the next moment, a scene that shocked everyone appeared.

In Chen Feng's hands, suddenly there was power rushing out crazily, and he smashed the Nine Dead Rejuvenation Rong Dan fiercely.

With a bang, endless green light burst out from the nine dead rejuvenating and withered rong Dan.

Then, there was a loud noise in the void. There seemed to be a sudden cry of grief.

In the next moment, the nine dead rejuvenation and withered Rong Dan, directly exploded with a bang, turned into countless green rays, and suddenly disappeared.

Chen Feng opened his hands, and everyone saw that there was only a piece of green powder left in the palm of his hand, and there was no nine dead rejuvenation pill.

These nine dead, rejuvenated and withered Rongdans were directly destroyed by Chen Feng!

This scene stunned everyone and looked at Chen Feng blankly.

At the next moment, someone shouted in distress: "Huh? This Chen Feng actually ruined the Nine Dead Rejuvenation Rong Dan?"

"He actually did this? Doesn't he know that this thing is a second-tier golden core? Doesn't he know how precious it is?"

Everyone felt that they were going crazy: "This Chen Feng has destroyed such a precious pill?"

"This Chen Feng is really violent!"

"You don't want it, you can give it to me!" Someone shouted violently.

Xuanyuan Ruofeng had a painful expression and looked at Chen Feng's gaze, which was even worse!

However, many people looked at Chen Feng with a hint of admiration on their faces, and said softly: "This Chen Feng is really a spine!"

"Yes, it is absolutely impossible for ordinary people to destroy such a precious pill so decisively!"

And seeing this scene, Mu Jianhong and Mu Huaping, who were standing opposite Chen Feng, were also directly stunned and couldn't believe it.

In the next moment, Mu Jianhong exclaimed: "Chen Feng, you ruined it? You ruined it?"

Mu Huaping was also full of disbelief, neither of them had expected that Chen Feng would do this!

Mu Jianhong yelled furiously!

In fact, her emotions at this time were not only anger, but also a trace of panic.

Before that, she had always looked down on Chen Feng.

At this time, Chen Feng's move made her realize at this moment that she seemed to have made a somewhat wrong decision.

She found that Chen Feng seemed a little different from what she thought.

The next moment, this emotion made her even more angry!

Chen Feng slowly walked up to the high platform, looked at her, and then waved his hand to spread the powder all over the sky.

The fingers of his right hand stroked his left wrist.

Suddenly, a stream of blood sprayed out.

Then, Chen Feng waved his left hand, and immediately, the blood drawn a **** arc in the air.

In the sun, magnificent and blurred.

Chen Feng looked at everyone, especially, his gaze was firmly nailed to Mu Jianhong's face.

Her voice was huge, shocking Tianyu and roaring!

"Today, I, Chen Feng, are here to terminate my engagement with Mu Jia Mu Jianhong!"

"Remember, I, Chen Feng, take the initiative to release!"

"I, Chen Feng, don't want any benefit from your Mu family, let alone any trouble with your Mu family!"

"From then on, En renounced righteousness, there is nothing to do, only hatred!"

Chen Feng stared at Mu Jianhong: "One day, I will flatten Mu's house!"

"One day, I will make you kneel in front of me and cry!"

"One day, I will make you regret what you have done today!"

Chen Feng hated it to the extreme, wishing to kill Mu Family to death!

Although the face does not seem to care, although it is very tough.

But Chen Feng knew that he and his mother were greatly humiliated today!

Feeling Chen Feng's anger, hatred, and unyielding gaze, Mu Jianhong's heart trembled heavily, and there was an inexplicable feeling.

But then, he pressed this feeling down to death and let it disappear without a trace.

There was a frantic roar in her heart: "This **** trash, this humble trash, dare to threaten me?"

There was another nasty, arrogant and confident expression on her face. Looking at Chen Feng, she said coldly:

"Okay, I'm waiting for you, but I'm afraid you are a trash, there will never be such a chance in this life!"

She stared at Chen Feng and said bitterly: "You will always be a waste, and there will never be a waste in your first day!"

At this time, a clear and sweet voice suddenly rang from the crowd: "Really? I don't agree with you saying that!"

Suddenly, the entire square was quiet, and everyone was stunned, with a dumbfounded expression on their faces.

Can't believe it, incredible!

Everyone was thinking: "Who is this? Really brave!"

"This is Mu Jianhong, the dignified Mu family eldest lady, he dare to stand up?"

"She even dared to object to what Mu Jianhong said, she was looking for death!"

"Yes, who is this person?"

Everyone cast their eyes in the direction of the sound.

Then, they saw a person in a purple robe standing in the crowd.

The man in the purple robe lowered his head, his long hair covered his face, and he couldn't see his appearance clearly.

However, it can be seen from the figure that this person seems rather thin!

The people around him also cast their eyes on him, and then they looked at each other, but their faces were all surprised.

Someone said: "Who is this? Why haven't I met him yet?"

"Yeah, I haven't seen him either. It seems that he is not our outer disciple!" *nOvelusB.Com*

"Who is this? How did you get in?"

However, Xuanyuan Ruofeng suddenly turned around, staring at this person extremely coldly, his voice filled with murderous intent, and said coldly:

"I don't care who you are, no matter how you got into our Xuanyuan family, now hurry up and apologize to Miss Mu Family!"

"Otherwise, I can't spare you!"

At this time, no one noticed Chen Feng's expression.

The moment Chen Feng heard this sound, his whole body was stunned, froze there, his body motionless.

He felt that his whole person seemed to be rusty, and it was very difficult to even move.

On the contrary, Chen Feng's heart was pounding, almost jumping out of his chest.

His blood flowed wildly, his face flushed with excitement.

At this moment, in Chen Feng's heart, a voice was yelling frantically: "It turned out to be her, it turned out to be Ziyue? It turned out to be Ziyue!"

It turned out that at this moment, Chen Feng could hear from this voice, who was the person talking?

[Chapter 2626: Ziyue, long time no see!](#)

Chen Feng was very familiar with her voice. Although she hadn't heard her voice for several years, Chen Feng could remember it immediately when she heard it.

Because this voice has quietly sounded in his ears in the midnight dreams countless times.

Crisp, with a hint of naughty, who is it if it's not Ziyue?

The purple-robed person in the crowd suddenly raised his head.

Everyone exclaimed, this turned out to be a woman, and still such a beautiful woman!

"These looks are really beautiful!"

"Yes, even if you look at the entire nine forces, I'm afraid they are all stunning!"

"I'm afraid, her face is not as good as Mu Jianhong I see!"

Many people are talking about it.

Some people whispered, "I'm afraid that Mu Jianhong can't match her face, right?"

What she said was already very offensive to Mu Jianhong, but someone nodded unexpectedly.

This shows how beautiful this woman is.

When the woman said those words, Mu Jianhong didn't even look at her at all. He seemed very arrogant, showing that the other party didn't even have the qualifications to let him care.

But now, after seeing the face of the purple-clothed woman, she couldn't help but take a deep breath, and her whole person was shocked, almost astonished.

It turned out that this was a woman with a beautiful face. It could be said that she was so beautiful that she was so beautiful that she was unimaginable, like a dream.

When all of them looked at it, they felt as if they had been slammed.

A thought flashed in everyone's mind at the same time: "This woman is so beautiful!"

But the purple-clothed woman didn't blink her eyes, and no one looked, just looked at Chen Feng.

Her eyes were full of unspeakable nostalgia.

At this time, Chen Feng finally turned back slowly.

He felt that this action seemed to have exhausted his strength.

His neck creaked.

Finally, Chen Feng turned around. He looked at Ziyue with his eyes facing each other.

Chen Feng felt that there was a buzz in his head, like countless rushing thunders, and the whole person was instantly stunned.

He didn't have any thoughts anymore, and the whole person seemed to be confused, he just looked at Ziyue so blankly.

"Ziyue, it is really Ziyue, I actually saw Ziyue again!"

And Ziyue looked at him so blankly, and in a blink of an eye, both of them were already in tears.

There was no madness that Chen Feng had just imagined, nor the fierce hug that Chen Feng had just imagined, and he did not cry.

At this moment, Chen Feng's mood was extremely calm, and his whole body was full of joy and peace.

It feels as if the whole world has become better.

Only four words flashed in his heart: "Zi Yue, long time no see!"

He just looked at Ziyue quietly.

Ziyue was in the same mood as Chen Feng, she also slowly uttered four words: "Long time no see!"

The voice is so low that no one can hear it, it seems to be talking to myself.

In fact, the two of them are talking to their hearts.

The two of them did not have such intense emotional expressions, but this kind of reaction is enough to explain everything, that is:

"With you, the whole world, I feel so beautiful!"

"With you, the whole world has become a lot brighter and more alive!"

Their emotions are naturally not known to others.

At this time, Xuanyuan Ruofeng saw that the purple-clothed woman dared to ignore what she said, and instead stood there in a daze, she suddenly felt that she had lost face greatly.

He screamed: "How dare you ignore what I said? You are looking for death!"

As he said, as soon as he stretched out his hand, a huge black claw with a radius of several tens of meters suddenly formed and grabbed it towards the purple-clothed woman.

But the purple-clothed woman stood there motionless.

A grinning smile appeared on Xuanyuan Ruofeng's face, and many people around him exclaimed.

"This claw, but Elder Xuanyuan's fame stunt, even the Eight-Star Martial Emperor, will be caught alive by him!"

"It's over, this woman must be dying!"

"Yes! She will definitely die under the claws of Elder Xuanyuan. What a pity, such a beautiful woman!"

Many people showed regret on their faces, and they were about to grab this huge black claw.

And at this time, suddenly, behind this woman, two black figures suddenly flashed out.

One of the black figures chuckled softly: "Dare the rats!"

With that said, he also took a palm.

His palm hit the huge eagle claw with a bang, and both disappeared without a trace.

And this man in black stood motionless on the ground.

If there is wind in Xuanyuan, it is pedaling, retreating for several steps.

"Who are you?" Xuanyuan Ruofeng was suddenly shocked, his face changed drastically.

It turned out that the offensive that this person just launched gave him the feeling that it was much stronger than his own strength!

He was horrified and looked at the man in black.

The man in black was tall and thin, but his face was extremely dull and expressionless. He just stared at Xuanyuan Ruofeng miserably at this time without saying a word.

However, it brought tremendous pressure to Xuanyuan Ruofeng.

Suddenly, his aura rose out of his body, extremely tyrannical, and pressed against Xuanyuan Ruofeng.

Xuanyuan Ruofeng felt that his body was actually crooked, and his aura rushed out to fight against it, but he was barely able to resist it.

Xuanyuan Ruofeng was shocked: "His strength is actually stronger than mine?"

At this time, he also saw that another short and chubby man in black was standing behind the purple-clothed woman, holding his arms, and sneered.

He didn't say a word, but the aura on his body was not inferior to the lanky man in black next to him.

Xuanyuan Ruofeng was even more shocked: "Where are the two masters from here? Both are much stronger than me!"

"The children of the Xuanyuan family around are also shocked and speechless!"

Everyone exclaimed: "Who are they? How come they come?"

"The strength of these two people is not weaker than the great elder?"

"God, what happened to our Xuanyuan family today? Why do mysterious figures pop up one after another?"

"Yes! First it was from the Mu family, and then there was a purple-clothed woman. The two black-clothed people have been hiding in our crowd for so long, but no one noticed it! It's terrible!"

Everyone looked at them with horrified eyes!

Xuanyuan Ruofeng stared at them, yelling out of control, "Who are you guys? How dare you come to our Xuanyuan family?"

"Do you know what kind of place our Xuanyuan family is?"

The tall and thin black man said miserably, "Of course I know what kind of place your Xuanyuan family is!"

[Chapter 2627: See me vent your anger!](#)

"I know better, you dare to offend our eldest lady today, you are done! The Xuanyuan family will never spare you, and will definitely kill you and apologize!"

"What?" Xuanyuan Ruofeng's whole body trembled when he heard this sentence.

He is keenly aware that this person is definitely not ranting, nor is he lying to himself.

What he said is absolutely true!

And when he looked at the two men in black, a flash of light flashed through his mind, and two names suddenly passed, and he immediately exclaimed: "It's you, it's you? The second old Xuan Tie?"

It turned out that the two of them each carried a profound iron sword behind their backs. They were dark and inconspicuous.

The skinny man in black tweeted and laughed: "Unexpectedly, our brothers have been hidden in the world for so many years, and there are still people who remember us!"

"It turned out to be the second elder Xuan Tie? God! Why are these two monsters?"

Suddenly, there was a huge exclamation on the square.

Everyone looked at them with shock and fear.

"Elder Xuan Tie, that is a master who has become famous hundreds of years ago!"

"Yes, the two of them are extremely powerful. It is said that they have reached the peak of the Nine Star Martial Emperor!"

"That was still decades ago, decades ago, and reached that state, now? What terrifying state has it reached now?"

Then, they suddenly realized something more terrifying!

"The two of them have been missing for many years, but they didn't expect to appear again."

"Furthermore, looking at their identities, they seem to be self-contained servants, mainly the purple-clothed woman in front of them! How powerful is that the purple-clothed woman can drive two nine-star martial emperors to protect him?"

"How noble is her identity?"

Everyone shouted in exclamation!

However, Xuanyuan Ruofeng knew a little bit about the second old Xuan Tie, and knew where the two of them went afterwards.

As a result, his expression immediately changed.

Unlike just now, when he saw these two people just now, he was just a little scared, but now he has become extremely afraid, and his face is all white!

He looked at the purple-clothed woman, his face twitched, and his mouth trembled, "Could it be that she, she turned out to be... the winner?"

"Yes! You still have some knowledge!"

The skinny man in black raised his chin and said proudly: "This is my eldest lady in the Ying family, the jewel in the palm of my winner's Patriarch, to win Ziyue!"

As soon as these words were said, it was like a huge boulder thrown into a pond, causing an uproar.

Everyone was shocked: "God, this turned out to be the winner's eldest lady who won Ziyue?"

"Yes, and her eldest lady is different from the young ladies of our Xuanyuan family. What are their identities? They are ordinary maids in front of this eldest lady!"

"Yes, this winner, but the Patriarch's daughter, is one of the most distinguished individuals among the nine major forces!"

"It turns out that this woman is so noble. She can even be said to be one of the most distinguished people on the Dragon Vein Continent!"

They looked at Ying Ziyue, and in their admiration just now, there was a little more respect and disbelief.

In their hearts, this woman is like a fairy in the sky!

Ziyue took a deep look at Chen Feng again, then looked away.

She didn't recognize Chen Feng immediately. Chen Feng didn't know why, but he believed in Ziyue.

He believed that Ziyue would not do anything bad for him.

So, he just stood there, did not move or speak!

However, at this moment, Chen Feng saw that Ziyue suddenly looked back at herself, smiled mischievously, blinked, and said clearly in her eyes:

"Watch me vent your anger!"

At this moment, even Mu Jianhong was stunned. She stared at Ying Ziyue blankly. The next moment, the expression on her face became very gloomy, and a faint bit of resentment flashed in her eyes.

Just now, all the glory belonged to her.

Everyone's eyes were full of admiration, respect, and admiration.

She has gathered thousands of glory in one, she enjoys this feeling very much, and now, she feels that the limelight has been taken away by Win Ziyue, which makes her angry!

Who is her Mu Jianhong?

That is the jewel in the palm of the Mu Family Patriarch, the most noble woman in the Mu Family. The Mu Family is the most powerful family within hundreds of millions of miles!

The following includes dozens of empires, huge sects, and families that have been passed down from ancient times. Within these hundreds of millions of miles, her Mu Jianhong is a princess-like figure.

Wherever she went, she was held by others, who would dare to crush her?

Who can overpower her?

Has she ever been so wronged!

Although, this is not actually wronged.

However, in her opinion, where she is, everyone has to hold her, and everyone has to cast their eyes on her, otherwise she would be wronged.

Since she grew up, apart from the matter of Chen Feng, she has had nothing to worry about. She has long developed a domineering temperament that is above everyone else.

At this moment, she looked at Ying Ziyue, with a look of hatred on her face, her eyebrows were erected, and she was about to take a step forward.

At this moment, Mu Huaping stretched out his hand, stopped her, looked into her eyes, and slowly shook his head!

Although Mu Huaping did not speak, Mu Jianhong immediately understood her meaning.

Then a very thin voice came into her ears. It was Mu Huaping's voice: "Miss, don't be restless, don't act rashly."

"The two people around Miss Winner are extremely tyrannical masters, I'm afraid that either one can match me."

"Although Miss Winner is not particularly well-known outside, how can she be a daughter of her kind?"

"Today, here, we are weak, if there is a conflict with them, I am afraid we will suffer!"

Mu Jianhong was stunned, looking at Mu Huaping with a look of surprise on his face.

In the past, no matter how domineering she was, no matter how capricious she was, Mu Huaping would always support her, would never say anything to her, let alone stop her.

Now, Mu Huaping has stopped her for the first time in more than ten years.

She trembled heavily in her heart, and suddenly realized that, as the eldest lady of the Mu family, she could not do whatever she wanted.

She took a deep breath, retracted her outstretched foot, and forcibly endured the bad breath!

At this time, Xuanyuan Ruofeng had already struggled out of the huge shock, and he was terrified.

[Chapter 2628: Can you take me, how?](#)

He knew that the act just now had greatly offended Miss Winner, as well as the winner!

However, as the Great Elder of the Waizong, the only elder Zhanxing in the Waizong, he has lived for hundreds of years, and he is also well-informed.

Soon, he returned to normal and knew what to do.

She looked at Ziyue, with a thick smile on her face, her face was full of flattery, and she said, "Miss Ying, coming to my Xuanyuan family, it's really brilliant!"

"You are the most distinguished guest of my Xuanyuan family, please sit down, please sit down!"

As he said, he greeted his elders loudly: "Don't hurry up to seat the eldest lady?"

"Yes, yes!" The elders ran back and forth like servants at this time, and quickly placed that gorgeous seat on the top of the platform, the most prominent position.

Seeing Xuanyuan Ruofeng and the others so contrived, Mu Jianhong's eyes were even colder, but he did not dare to attack.

Xuanyuan Ruofeng flatly said, "Ms. Win, please..."

The two words "Shang Zuo" had not been spoken yet, but winning Ziyue suddenly interrupted him.

Her eyes were cold, without any emotion at all, and her voice was full of disgust and disgust: "What are you? You deserve to talk to me? Go away!"

The expression on Xuanyuan Ruofeng's face immediately froze there, and his mouth opened wide. At that moment, his face was panicked and he didn't know what to do.

In the next moment, his face turned red and swollen like pig liver, then it was pale, and the next moment it was iron blue.

He loses face to the extreme.

Ziyue's words are equivalent to giving him a big slap in front of everyone, making him lose face!

Mu Huaping secretly smiled: "What are you? You deserve to talk to the winner lady?"

He walked forward, smiled and said, "Win the eldest, don't come here without problems?"

"Five years ago, when you just returned, you celebrated the winners and hosted a banquet for the nine powers. On that day, my Mu family was fortunate to be among them."

"On the day of the old, I once met the young lady. I didn't expect that after five years, the young lady's style will be better than before."

Ying Ziyue waited quietly for him to finish, and then suddenly the corner of his mouth curled slightly, and he smiled and said, "Then, is it because your Mu family picked it up?"

"Originally, only the nine major forces were eligible to participate in the banquet, but your Mu family got in."

As soon as he said this, Mu Huaping's face instantly became extremely ugly, his fists were instantly clenched, and a fierce light shot in his eyes.

He was furious!

Mu Jianhong on the side was even more upset: "What did you say?"

At this time, Mu Huaping's gaze was even more surprised, staring at Ying Ziyue.

Because it was someone who could hear it. Win Ziyue's remarks were clearly aimed at Mu Jianhong's remarks about Chen Feng's mother and son just now, saying that the two of them had taken advantage of it.

At this time, there was no slightest contempt on Ying Ziyue's face, just a faint expression of emotion.

The difference between Mu Jianhong and Mu Jianhong just now was that she even waited for Mu Huaping to finish saying these words just now, which seemed very polite.

And only in this way, is the contempt to the extreme, the ignorance to the extreme.

Now, Ying Ziyue's contempt for Mu Family is far more than Mu Jianhong's contempt for Chen Feng and Chen Feng just now!

Mu Huaping stared at Win Ziyue, his voice gradually became cold, and said faintly: "Miss Winner, I don't know what you mean by this?"

"Why? Am I wrong?"

A ridiculous smile was drawn at the corner of Ziyue's mouth and said: "At the beginning, the winner didn't send an invitation to the Mu family. I remember this clearly!"

"Then you said, didn't your Mu family come up with a shy face?"

When she said the last sentence, her voice was already full of ridicule, and her expression was even sharper.

At this moment, Mu Huaping's complexion became extremely ugly, his face was flushed and he stayed in place, his mouth was speechless, and he couldn't say a word.

It turned out that the winner did not send an invitation to the Mu family, and it was indeed the Mu family that made it together.

At the beginning, the winner wanted to celebrate within the nine major forces, and did not want to invite the Mu family, but the Mu family took the initiative to get the news.

What Ziyue said was not bad at all!

There was a burst of laughter from everyone below.

Someone laughed and said: "This is interesting. Originally, Mu Jia licked his face and moved up. Now Mu Huaping is doing this, he is licking his face and moved up. Slapped!"

"Hahaha, look at those from the Mu family, the expression on their faces is like pig liver!"

"So what? The identity of the winner's eldest lady is much more honorable than them, and the power of the winner is much stronger than that of the Mu family. They just don't dare to attack!"

"This kind of anger can only be held in my heart!"

Everyone laughed!

After the Mu Family arrived, he was very domineering, and he didn't put the Xuanyuan Family in his eyes at all. He looked arrogant and arrogant.

The child of the Xuanyuan family had long been dissatisfied, and at this moment there was such an opportunity for ridicule, and naturally he would not let it go.

These words came one after another, making the faces of the Mu family extremely ugly!

The two tall and short men in black looked at each other, and both saw a wry smile in each other's eyes: "This eldest lady's temper is really tough and violent! Don't see the people she valued get a little wronged!"

"No, there was a conflict with the Mu Family immediately. This slapped Mu Family in the face, but it was hard enough!"

The two of them have been in the mainland for a hundred years. They are both human beings. They have just won the expression of Ziyue, and the two of them have been staring at Ziyue. If they still can't tell that Ziyue cares about Chen Feng, Then these years have really been in vain!

Mu Jianhong shouted in a sharp voice: "Win Ziyue, do you dare to insult my Mu family?"

She clenched the long sword in her hand!

Ying Ziyue smiled slightly and stared at her and said: "Yes, I'm just insulting Mu Family!"

She stared at Mu Jianhong and said word by word: "Can you take me, how about it?"

The chunky man in black looked at the tall and thin man in black, with a hint of question in his eyes.

"Brother, do you want to dissuade the eldest lady?" The voice of the short, fat man in black sounded in the ears of the tall and thin man in black: "This way, you offend the Mu Family too hard, right?"

The tall and thin man in black thought for a moment, then slowly shook his head, and said, "Forget it, we will have one more important thing to dissuade the eldest lady later."

The chunky black man's eyes narrowed: "You said, what happened to her and Chen Feng?"

"Yes, it's obvious now, the eldest lady came out to find this Chen Feng!"

[Chapter 2629: I just deceive people too much!](#)

"The eldest lady seems to have a secret affection for him!" The tall and thin black man's voice was extremely cold and hard: "This matter, absolutely not!"

"Let's try to discourage the eldest lady on this matter later, so please don't persuade the eldest lady on this trivial matter."

The chunky black man nodded convincingly and stopped talking.

In their eyes, offending the Mu Family is nothing more than a trivial matter!

This is the bottom line of the nine forces! Emboldened!

Chen Feng's eyes were full of emotions.

He knew that Ziyue did this, and that Ziyue and Mu Family were so tit-for-tat, all for themselves.

At this moment, Xuanyuan Ruolan looked at Ying Ziyue with an expression of interest on her face.

With her cleverness, how can she not tell that this winner's eldest lady, one of the most honorable women among the nine major forces, has an inexplicable love for her son.

He looked at Chen Feng and squeezed his eyes, revealing a hint of mischief like a girl in his eyes.

He pushed Chen Feng with his shoulder, and said with a grin: "Feng'er, yes, it has attracted the winners to fall in love with you!"

"She maintains you so much, she must like you to death in her heart."

Chen Feng smiled slightly, then in a low voice, looking at his mother, and slowly said: "Mother, my face will not rely on a woman who loves me so much to fight for me."

"My face, I want to get it back by myself, and win it myself!"

Xuanyuan Ruolan was taken aback for a moment, and then the smile on her face was even brighter.

She reached out and patted Chen Feng on the shoulder: "This is my son!"

At this time, over there, when Ying Ziyue said Mu Family like this, with such words, such an unceremonious attitude, and such a contemptuous manner, Mu Jianhong's expression was extremely ugly.

She gritted her teeth and took a step forward, her hand already on the hilt.

With a bang, the long sword was half out of its sheath.

She stared at Win Ziyue, her voice Bingham said: "Win Ziyue, I respect you as the winner lady, so be patient, but you can't humiliate my Mu family like this!"

"Yo? You still want to do it?" A sneer appeared at the corner of Ying Ziyue's mouth.

Before she finished her words, two tall, thin, short and chubby men in black strode forward and stood in front of Ziyue.

The two of them were suppressed by their incomparable aura, and Mu Jianhong's face suddenly turned pale.

Not to mention her, even Mu Huaping was shocked.

The two elders, Xuan Tie, were already out of frame.

When they didn't go to the winners, but went to the world with partners, they made a big name.

Everyone knows that the two of them are surly tempered, and they kill people when they say they don't agree, no matter what your background is, let alone your background!

Moreover, they happen to be so strong.

Mu Huaping is not afraid!

Ying Ziyue raised her brows, with endless provocation and arrogance in her eyes: "Do it! Mu Jianhong, don't you want to do it?"

"Do you dare to do it, believe it or not you two will explain here today?"

Mu Jianhong's face suddenly stagnated, and he couldn't say a word when he was blocked.

Below is another roar of laughter.

The look on Ying Ziyue's face now, her attitude is very much like the Mu Jianhong just now.

The difference is that Mu Jianhong humiliated others just now, but now he is the one who was humiliated!

Mu Jianhong and Mu Huaping looked at each other and resisted the tone.

Mu Huaping stared at Ziyue, nodded heavily, and said with a sneer: "Okay, very good, Mu took note of what the eldest lady said today."

"The green hills will not change, the green water will flow long, let's talk about it next time!"

With that said, he strode around and walked towards Yu Nian, about to leave.

Mu Jianhong also gave Chen Feng a cold look and turned around to leave.

They admit it!

At this time, a cold voice came: "Did I let you go?"

It was the voice of Ziyue.

The footsteps of Mu Huaping and Mu Jianhong stopped.

Mu Huaping turned around and stared, staring at Ziyue, and said, "I wonder if Miss Winning has any advice?"

Ziyue smiled slightly and repeated the words just now: "Did I let you go? You want to go?"

As soon as these words came out, Mu Jianhong and Mu Huaping were furious.

Mu Huaping shouted: "Miss Winner, don't deceive people too much!"

Mu Jianhong's chest was violently bullied, extremely angry.

She thinks she has forbore, and wins Ziyue, deceiving people too much!

"Too much deception?" Ying Ziyue sneered: "I am going to deceive too much!"

"Today, I just want to slap you in the face, you can watch me honestly, no one can leave!"

Suddenly, her voice became high-pitched, extremely sharp, and extremely cold: "Today, your Mu family, no one can leave, just stand here honestly and show me the rest. Finish!"

"I'm going to let you stay here, stretch out your face, and slap you fiercely!"

With these words, the momentum completely shocked Mu Huaping and Mu Jianhong.

The two of them stood there for a moment, and they didn't even react.

Ziyue looked at Mu Jianhong, smiled and said, "You seem to say that Chen Feng will never have a chance to get revenge, and that Chen Feng will never have a chance to make his life, right?"

Mu Jianhong was stunned by her momentum. She didn't know what to say, but just nodded.

"Then look at it, open your dog's eyes and show me!"

Ying Ziyue smiled coldly, and suddenly walked towards Chen Feng.

And her move, as well as the words just said, shocked everyone's faces.

Someone yelled, "What is the winner lady doing? She actually walked towards Chen Feng? Could it be that the two of them are old acquaintances?"

"how is this possible?"

Hearing this person's words, Xuanyuan Junxiong suddenly screamed and said flatly, "It's absolutely impossible!"

A disdainful smile appeared at the corner of his mouth: "What is Chen Feng? He is also worthy to know Miss Mu Family?"

"Just him? The humble one is like the worm on the ground, and if you win the eldest lady, it is the phoenix in the sky, and the two identities are totally different!"

"Yes, he doesn't even know the qualifications to win the name of Missy!"

For some reason, when someone said that Chen Feng might know Miss Winner, his heart was extremely cold, making him extremely uncomfortable, and making him want to explode.

So he categorically denied it loudly.

At this time, many children of the Xuanyuan family under the high platform echoed one after another: "Yes, what kind of identity is Chen Feng, and where is the right to know Miss Winner? The two are far apart!"

"Chen Feng is not qualified to give shoes to the winner!"

[Chapter 2630: Chen Feng, shall I marry you?](#)

These people are actually jealous.

Because Chen Feng was so out of the limelight today that made them all jealous!

At this time, Xuanyuan Ruofeng on the high platform also frowned, looked at the disciple who had just spoken, and said lightly:

"Don't talk nonsense, what is Chen Feng's identity and deserve to know Miss Ying?"

"You said these words, it is almost equivalent to insulting the winner, the winner is blamed, can you afford it?"

The disciple was so frightened, he dared not say anything!

But the next moment, suddenly, the expression on Xuanyuan Ruofeng's face froze there.

There was an expression of resentment and disdain on his face, and in a blink of an eye it disappeared without a trace, and replaced by a huge shock and disbelief.

He opened his mouth wide, his eyes rounded, and his face was full of shock.

The next moment, he let out an incredulous shout: "How is it possible? How is this possible?"

It turned out that at this time, Miss Winner had already slowly walked to Chen Feng.

While everyone was watching, she stretched out her hands and slowly touched Chen Feng's face.

The corner of her mouth was slightly hooked, and a gentle and warm smile was outlined. Looking at Chen Feng, her face was full of joy.

Regardless of everyone's gaze, she said softly: "Chen Feng, I finally saw you again!"

At this time, Chen Feng's emotions were almost uncontrollable, and he trembled and said, "Yes, Ziyue, you and I finally recognize each other!"

Xuanyuan Junxiong's expression was so ugly, he stared at the scene blankly, and let out an angry roar: "No, this is not true! I can't believe it! How could it be?"

"How can someone like Chen Feng be qualified to know Miss Ying? How is he worthy?"

He screamed in disbelief!

The Xuanyuan family children in the audience were also dumbfounded.

At this moment, Ying Ziyue suddenly turned around and looked at them with a smile, especially her eyes, staying on the faces of Xuanyuan Ruofeng and Xuanyuan Junxiong for an exceptionally long time.

With a sneer of disdain, she looked at them with a smile, and said, "Brother Chen Feng is my old friend."

"Not only did I know him, but the two of us had a deep relationship."

As she said, she stretched out her hand slightly, slapped twice, slapped two empty palms in the air, then looked at both of them, and said:

"You guys, didn't you just say that I didn't know Chen Feng?"

"Didn't you say that Chen Feng is not qualified to know me?"

"So, how about these two slaps? Does it hurt?"

The expressions on the faces of Xuanyuan Jianxiong and Xuanyuan Ruofeng were even harder to see.

No, it's not ugly anymore, but embarrassing, the two of them flushed.

What Ziyue said just now was like two big slaps, slapped them on the faces fiercely, making them faceless.

Xuanyuan Junxiong clenched his fists, his heart was furious!

The emotions in his heart are extremely complicated, it is anger, jealousy, and shame!

Chen Feng laughed, "Ziyue, you really broke your studies!"

It turned out that Ziyue's actions at this time were the same as before, obviously before he learned from him!

Win Ziyue at this time, look back.

She looked at Mu Jianhong, with a contemptuous smile drawn at the corner of her mouth, raised her chin, and said coldly:

"Mu Jianhong, are you still retiring to my brother Chen Feng? Do you still say that he is not worthy of you? Do you still say that he is a trash? Do you still say that he will never make his head?"

"And what I want to say is!"

Ziyue's hands were already wrapped around Chen Feng's neck, intimate.

She turned her head and looked at Mu Jianhong, smiling and finishing the sentence that hadn't been finished just now.

Her voice was full of deep ridicule, she looked at Mu Jianhong with an extremely arrogant and overlooked attitude, and said: "What are you? You deserve to marry my brother Chen Feng?"

With these words, Mu Jian Honghong was furious in an instant, and the blue veins on his forehead violently, the whole person was extremely angry in an instant.

After saying these words, and at this time, an even more incredible scene appeared for everyone!

Ying Ziyue turned her head and looked up at Chen Feng with her small face up. There was a gleam in her eyes, and a shyness flashed in her eyes.

However, despite being shy, she opened her mouth and said:

"Brother Chen Feng, since the two of you have no engagement, then, shall I marry you?"

"Brother Chen Feng, shall I marry you?"

As soon as this sentence came out, the entire square was extremely silent.

Everyone is stupid, and they feel that the things that shocked them when they met today were not as shocking as this sentence!

"Brother Chen Feng, shall I marry you?"

This is not an ordinary sentence!

It is not an ordinary woman who said this!

She is the daughter of the winner, the eldest lady of the winner, and one of the most distinguished persons in the entire nine powers!

She actually said this to an unnamed Chen Feng, to a man who had no martial arts soul and was regarded as trash: Brother Chen Feng, will I marry you?

They feel that their brains are not enough, and they feel like they are going crazy.

There was a weird silence on the square, and they were shocked that they had lost their voices, and even no one screamed.

Ziyue suddenly looked at the audience and everyone.

Her lips fluttered, her face flushed, and her heart was extremely excited.

She shouted loudly: "I know what you think, I know you are envious of Chen Feng, and even envious of Chen Feng, I also know that you think Chen Feng is unworthy!"

"But, have you ever known that I, who is so honorable now, and who are so strong, were a weak and weak me who didn't even have the ability to protect myself. I was a figure that hadn't grown up yet, and I was just like a yellow man. The skinny bean sprouts are generally inconspicuous. I am the one who is in a big trouble and is chased and killed, and can cost him his life at any time!"

"At that time, I came to him!"

"And he will never leave me, he depends on life and death!"

"During the years we were together, he loved me and protected me, and never disliked me. Whenever he saw danger, he was never willing to let me fight for my life."

"He has always used his blood to win me a ray of life!"

"Can you do it?"

She looked at everyone with a deep scorn on her face: "How do you deserve such feelings?"

"Except for my brother Chen Feng, who can be so affectionate and kind, and who is worthy of my favor?"

These words shocked everyone.

Even the two men in black showed a touch of shock on their faces. When they glanced at each other, they saw a touch of shock and touch on each other's faces.
