

Peerless 2851

[Chapter 2851: Mixed into the real dragon Arhat Gate](#)

This time Chen Feng repeatedly killed Xin Peiyu, and Ji Chengwen eliminated a trouble, and he still had great gains.

Chen Feng knew the clues to the third ring and the place where the martial skills were left in the Dragon-Jiang Arhat Scripture.

However, it is still very difficult to get to Sanjunzi Mountain and mix into the real dragon Arhat Gate.

Chen Feng thought of Lu Yutang for the first time.

Half an hour later, Chen Feng was already sitting in the small flower hall of the Seven Star Auction House.

After hearing what Chen Feng said, Lu Yutang frowned and said, "Brother Chen Feng, are you trying to get into that real dragon Arhat?"

"Yes," Chen Feng nodded, and said, "Ten days. I need to enter there for ten days at most."

Ten days was the last time Chen Feng left for himself.

Ten days later, Chen Feng will set off for the Southern Wilderness.

Because if he doesn't leave, it's really too late.

It takes a long time to go to the Southern Wilderness, but it is not easy to reach!

Lu Yutang pondered for a moment, and suddenly said, "Don't tell me, Brother Chen, if you come to me, you are really right!"

"This time, I can really help you!"

"Oh? Really?" Chen Feng said excitedly: "Do you have a way to help me get in?"

"Of course!" Lu Yutang said, "Just five days later, it is the 300-year-old birthday of the head of the real dragon Arhat."

Chen Feng listened very carefully.

Hearing this sentence, he also moved in his heart.

Because he once heard Xin Peiyu and Ji Chengwen talk about their Master's birthday.

The two of them also wanted to **** Ji Caixuan away, together with the natal knife box, as a birthday gift to his master!

"True Dragon Arhat is in charge of the birthday, many people will come to celebrate the birthday."

"You know, this true dragon Arhat Sect, although not comparable to the Nine Great Powers, it is also a very powerful existence. In other words, it is equivalent to the Eighth-Rank Family.

"So, there are still a lot of people who fudge."

Lu Yutang smiled and said: "At this time, Brother Chen, you only need an identity as a disguise."

"Good!" Chen Feng was overjoyed.

Lu Yutang showed a somewhat embarrassed look: "But, Brother Chen Feng, help you find an identity. I can't help you with this matter. There is no way on my side."

"But, I know that if someone looks at it, he can definitely help you."

"As long as you go to him, it will be done."

Chen Feng smiled and said, "Who?"

"Fu Wenbin!" Lu Yutang uttered three words slowly.

Upon hearing this name, Chen Feng's pupils shrank.

This person, he has dealt with, and he is not very happy.

An hour later, in front of a rather ordinary house in the seventh-level city.

The reason why this house is said to be ordinary is that it is compared with the surrounding deep houses.

In fact, it is quite luxurious.

There are continuous palaces and gardens inside, which are extremely delicate.

The door opened, and several servants stood there, looking at Chen Feng, with a trace of terror in their eyes, not knowing what he was doing here.

Soon, footsteps came from the inner house.

A figure came quickly, it was Fu Wenbin.

Chen Feng looked at him and smiled slightly: "Fu Gongzi, don't come here unharmed?"

When Fu Wenbin dealt with Chen Feng last time, Chen Feng was badly beaten.

However, now, there was no strangeness on his face. Instead, he greeted him with enthusiasm, holding Chen Feng's hand and laughing and saying, "Brother Chen, did you come? Really, it's Peng Xiaosheng. Hui!"

"Come, come, come, let's please inside."

"We have something to say, go inside and speak."

Chen Feng nodded, feeling slightly in his heart: "This Fu Wenbin is really a hero, capable of bending and stretching."

"The last time I lost his face like that, he just treated it as if nothing had happened."

Soon, Fu Wenbin welcomed Chen Feng into a huge garden.

In that garden, a variety of rare medicinal herbs and grasses are planted, exuding colorful fluorescence.

Under this sunset, it was magnificent like a dream, and the scenery could be said to be extremely beautiful.

There is a small pavilion in the center.

Everyone seated among them, Fu Wenbin smiled and said, "Master Chen, you also know that there are too many illegible things under my hand, and I am afraid of eavesdropping."

"Here, if there are people around, you can tell at a glance, but you don't have to be afraid of people overhearing."

Chen Feng nodded, but this person was thoughtful.

Fu Wenbin looked at Chen Feng and said, "Brother Chen, I don't know what advice you can give me this time?"

Chen Feng looked at him and smiled and said, "This time, I have to ask Young Master Fu for a favor."

"Oh? Do me a favor?" Fu Wenbin looked at Chen Feng and was surprised at first, then suddenly his eyes became hot.

He was very excited instantly.

Chen Feng did not pay attention to Fu Wenbin during this period, but Fu Wenbin pays attention to him all the time.

Because Chen Feng can be regarded as his enemy.

The reason why he pays attention to Chen Feng is naturally that he has no good intentions. He just thought, one day if Chen Feng is not strong enough, if he shows a trend of depression, he can step on it.

Before, he didn't dare to offend Chen Feng because Chen Feng was so aggressive and so sharp that he could not afford to offend him.

However, this does not mean that he has forgotten the hatred.

He is always waiting for an opportunity!

However, the more he waited, the more desperate he became.

Because all he heard was news about Chen Feng's continuous breakthroughs, continuous improvement in strength, and brilliant records one after another.

And when he heard that Chen Feng had entered the mainland young dragon list, he completely put out the idea of revenge.

Chen Feng, who has entered the mainland young dragon list, is far from what he can retaliate. It is not at all that people of his level can shake.

Therefore, he didn't even think about seeking revenge on Chen Feng, but thinking about how to make friends with Chen Feng and build a relationship with Chen Feng.

But he didn't expect that he hadn't thought of an eyebrow yet, the opportunity came by himself.

Chen Feng asked him for help?

This made him very excited.

He immediately said loudly: "Brother Chen Feng, you have something to say, but you just say it. It's a favor, as long as I can help, I will definitely help."

Chen Feng smiled and said, "I want to come, you should be able to help with this favor."

He looked at Fu Wenbin and said, "I need an identity."

"Oh? What status?" Fu Wenbin asked.

"The identity I need is to be able to reach Sanjunzi Mountain in five days and wish the head of the true dragon Arhat Sect a 300-year-old birthday."

Fu Wenbin laughed: "This is a trivial matter, it's my brother."

He patted Chen Feng on the shoulder and said: "You are looking for me, but you are looking for the right one."

Chen Feng nodded and said: "So, I have trouble!"

[Chapter 2852: Dare to move my woman?](#)

"Tonight, Brother Chen, you can take that thing and leave. You are another person to keep it." Fu Wenbin said.

He looked at Chen Feng, and suddenly his eyes were a little sly: "Brother Chen, I have another news here. I wonder if you are interested?"

He blinked: "This is about the real dragon Arhat."

"Oh? What news?" Chen Feng immediately lifted his spirits and asked.

Fu Wenbin whispered: "Five days later, not only will it be the 300-year-old birthday celebration of the sect master of the true dragon Arhat Gate, but there will also be a happy event on top of this celebration."

"What's the big happy event?" Chen Feng asked in surprise.

Fu Wenbin accepted a smile, and smiled solemnly: "On this day, the master of the real dragon Arhat Gate will accept a beautiful concubine."

"Oh? A beautiful concubine?" Chen Feng raised his eyebrows: "What does this have to do with me?"

Suddenly, he seemed to think of something, his heart contracted violently, blood rushing in his body madly.

The whole person's face flushed for an instant and was extremely excited.

He clenched his fists, gritted his teeth, staring at Fu Wenbin in a cold voice and said, "What do you mean? Who is the beautiful concubine he took?"

Chen Feng was keenly aware that Fu Wenbin was definitely not the invincible person who set the target. Since he said that, he must have known something.

Seeing Chen Feng's performance like this, Fu Wenbin sighed in his heart: "This Chen Feng is really keen on his mind."

"I just revealed such a sentence, and he immediately realized that this matter was related to him."

He saw Chen Feng like this, and his heart was abrupt, knowing that if he was covering up at this time, he was afraid that Chen Feng would be furious.

He hurriedly said: "This beautiful concubine is more beautiful than a fairy, she is amazing on earth, and she has a very strong cultivation base and extremely talented."

"The most important thing is,"

He whispered: "This beautiful concubine was given to the True Dragon Arhat from the Soul Destruction Hall!"

"The Soul Destruction Hall was given to the True Dragon Arhat Sect?" Chen Feng gritted his teeth and repeated this sentence.

His eyes stared straight ahead, as if he had noticed something.

He just gritted his teeth and said cruelly: "Go on, you go on."

Chen Feng's gaze, without any emotion, made Fu Wenbin look at such heroes, and his heart suddenly burst.

He swallowed and quickly said: "True Dragon Arhat Sect, a year ago, returned to the Hall of Destruction of Souls."

"Over the past year, after running for the Soul Destruction Hall, I have done a lot of things."

"In order to reward him, Soul Destruction Hall sent this woman over."

"and,"

He looked at Chen Feng and said softly: "This woman is said to have been captured by the Soul Destruction Hall from the Tianyuan Dynasty some time ago."

"After I got the news at the time, I paid attention, because I knew Brother Chen Feng, you came from the Tianyuan Dynasty."

Chen Feng couldn't hear any of his words now. When he heard the four words of Tianyuan Dynasty, his head blasted like an explosion.

How many women who can be captured by Soul Destruction Hall from the Tianyuan Dynasty and are extremely beautiful and talented?

Either Han Yuer Yuer or Shen Yanbing!

In an instant, Chen Feng's gaze became without any emotion.

Numb and fierce.

He stared at Fu Wenbin in front of him in a daze, but Fu Wenbin knew that Chen Feng was not looking at him.

Because of this, he also shuddered in his heart and quickly stepped aside.

After a while, Chen Feng let out a chuckle and looked forward: "Okay, Soul Destruction Hall, you can do it!"

"There is also the real dragon Arhat, you old thing, you are good enough! You actually hit my Chen Feng's woman!"

He suddenly exploded, his fists hit the ground fiercely, and he roared: "You are looking for death!"

"I, Chen Feng, vowed to wipe out the real dragon Arhat Gate, and vowed to wipe out the Soul Destruction Hall!"

Chen Feng roared furiously, he was already extremely angry.

Because according to Fu Wenbin's description, this woman is either Han Yuer or Shen Yanbing, and these two are women he cares very much about!

Seeing Chen Feng burst out and roaring here, Fu Wenbin was relieved instead.

Because, Chen Feng's lack of anger just now made him even more afraid!

Chen Feng returned to normal after a while, but the coldness in his eyes made people feel palpitations.

He looked at Fu Wenbin and said indifferently, "What else do you know? Say it together."

"Okay." Fu Wenbin originally wanted to bargain and make Chen Feng pay some more price, but now he dare not, and quickly said everything he knew.

"The head of the True Dragon Arhat Sect, I heard that he is practicing a secret method of double cultivation. This secret method of double cultivation absorbs the talent of women."

"So, he needs a lot of talented women. The higher the talent of that woman, the stronger the cultivation base, the greater the benefits he absorbs, the longer he lives, and the skills."

Chen Feng said lightly: "Where is the woman who has been absorbed?"

Fu Wenbin smiled bitterly and said: "Being a waste, it's not bad to save your life."

Chen Feng's heart jumped again, and his voice Bingham said: "He really deserves to die!"

Chen Feng was extremely anxious at this time, and even panicked to the extreme.

The feeling of being at a loss, even made him unable to control his emotions, and his fingers trembled slightly.

Chen Ziyuan clearly felt that Chen Feng was wrong. She stretched out her hand to hold Chen Feng's palm. The cold and hard metal touch spread to her hand, but Chen Feng instantly chilled her palms and heart.

His emotions calmed down instantly.

He took a deep breath, and a voice echoed in his heart: "Chen Feng, why are you panicking?"

"Senior Sister or Yan Bing, who is still waiting for you to save her, you still have so many things to do, how can you panic?"

"Why do you panic? What right do you have to panic?"

Each and every voice roared in Chen Feng's heart, but Chen Feng calmed down.

He quietly retracted the trembling fingers into his sleeves, sighed lightly, looked at Fu Wenbin and said:

"Fu Wenbin, you really did me a great favor today."

"Great grace does not say thank you, Chen Feng, I am here to say a word, in the future, if you have something to ask me, as long as it does not violate morality, I will definitely keep you safe."

When Fu Wenbin heard this, he couldn't help being ecstatic.

Chen Feng's promise is also extremely precious in this Chaoge Tianzi City!

Chen Feng always said that he could do it. He said this and he would be able to keep himself safe.

He secretly rejoiced in his heart: "This is equivalent to giving me one more life!"

[Chapter 2853: 8.5 million dragon blood amethyst!](#)

He hurriedly said: "Brother Chen, you can use me in the future, so just say it."

Chen Feng nodded slowly.

Two hours later, Chen Feng left here.

However, at this time, he has a new identity.

Chaoge Tianzi City, the sixth family, the second son of the Lin family.

This time, by the order of the Patriarch, I went to Sanjunzi Mountain to celebrate the birthday of the head of the True Dragon Arhat Sect.

The few around him are his maids!

The second son of the Lin family, named Lin Chen!

Lin Chen is true, the maids are also true, so is the Lin family, and the fact that the Lin family sent a second son to celebrate the birthday of the true dragon Arhat family is also true.

Everything is true, only Chen Feng is fake.

The real Lin Chen and the few people around him were already sealed off at this time and imprisoned in a hidden place.

They will be released after Chen Feng returns from the True Dragon Arhat Sect!

After leaving here, Chen Feng went to the Seven Star Auction again.

I was a little bit upset just now. I remembered after leaving the house of Fu Wenbin, and the treasures he got from the Shadow Gang, which had never been auctioned by Lu Yutang.

Seven Star Auction, in the Flower Hall.

Looking at the gold thread kits Chen Feng took out, countless treasures poured down, Lu Yutang sighed and said, "Brother Chen Feng, how many treasures did you get this time?"

Lu Yutang was numb to the treasures that Chen Feng took out every time he came back.

Anything strange happened to Chen Feng, it became normal.

Chen Feng smiled slightly: "Just look at it for yourself."

His hand shook, and the golden thread kits began to pour out.

Chen Ziyuan slammed Ji Caixuan with her shoulder and whispered, "Guess how valuable is the contents of this kit?"

Ji Caixuan shook her head, her face a little dazed, and said, "I can't guess the specifics. There should be three or four million dragon blood amethysts anyway!"

Chen Ziyuan smiled slightly and said, "Absolutely more."

"I guess their price will be around 8.5 million Dragon Blood Amethyst."

"What? 8.5 million dragon blood amethyst?"

After hearing his number, Ji Caixuan was stunned.

She was stunned not only because of the high prices of these things, but also the precision of Chen Ziyuan's calculations.

She looked at Chen Ziyuan with some doubts, wondering why she said so surely, and the number was so precise.

After Chen Feng listened, he was also stunned, and looked back at Chen Ziyuan.

Just now, while he was releasing outside, he was counting.

Although I don't know how many of these treasures are, Chen Feng estimates that there should be at least much more than the Black Mountain Five Tigers.

It is normal to think about it. Although the Black Mountain Five Tigers are notorious and notorious, they are after all robbed Jiangyang thieves, who can only stop at Zihuo Town on the road leading to Chaoze Tianzi City and rob some strong men.

The Shadow Gang is different. The Shadow Gang is entrenched in Zihuo Town, and all the warriors in the entire Zihuo Swamp will be skinned by them.

After years of accumulation, it must be extremely rich!

More than the savings of the Black Mountain Five Tigers, that is simply normal.

Chen Feng's calculation is roughly between 8 million and 10 million.

But he did not expect Chen Ziyuan to calculate so accurately!

Seeing Chen Feng looking at her, Chen Ziyuan put a smile on her mouth, pursed her mouth and said, "Brother Chen, this is also an ability I have only discovered in the past two days."

"It seems that after I have the five-element fine gold body, my memory becomes extremely high."

"There are many treasures of heaven and earth in it. I was also watching when you were sprinkling it out."

"Some of these treasures of heaven and earth have been auctioned at auctions, and some, although they were not auctioned by us, have appeared before, and many others have discussed the price."

"It's strange to say that when these things appeared in front of me just now, my mind was like falling from a waterfall, but inside the waterfall, there was all kinds of information."

"I thought of their prices, and then I figured it out easily."

"What?" Chen Feng couldn't help being shocked!

He exclaimed: "Ziyuan, you are so powerful now?"

Chen Ziyuan nodded slightly!

Chen Feng's heart moved, shaking a golden thread kit.

Suddenly, the dragon blood amethyst like a waterfall spilled out of it, shining brightly, making it impossible to see the one inside easily.

It just felt like dragon blood amethyst pouring down like a waterfall and river.

As soon as these dragon blood amethysts landed, Chen Feng instantly collected them again.

With a rush, these dragon blood amethysts were all included in the golden thread kit.

The next moment, Chen Feng looked at Chen Ziyuan and asked: "How many dragon blood amethysts did I pour out just now?"

Ji Caixuan shouted: "How is it possible? It's impossible to see it!"

Zihuo Zhenling also shook his head.

However, he seemed to think of something general and looked at Chen Ziyuan with interest.

Chen Ziyuan smiled slightly and said, "Brother Chen, the total amount you poured out just now is 234,521 dragon blood amethysts."

"And what you took back was two hundred thirty thousand four thousand five hundred and twenty dragon blood amethysts, and one more, it's here."

As she said, she flipped her right hand, and from behind to in front of her, a dragon blood amethyst was held in her palm.

Chen Feng was taken aback for a moment, and then laughed and said, "Ziyuan, it's so amazing, it's so amazing."

Chen Ziyuan received the five elements fine gold body, and his calculation ability was greatly improved. Chen Feng saw not only her calculation ability. He had such a memorable and precise discrimination ability, and he would have great ability in cultivation. help!

Lu Yutang glanced at Chen Ziyuan, with some disapproval in his eyes, and muttered in his heart: "Little girl film, I don't know the severity."

"I don't believe it. You can tell the value of these things at a glance?"

However, he saved face for Chen Feng, did not say much, just lowered his head and calculated the value of these things,

However, when Lu Yutang finally raised his head after half a day, when he looked at Chen Ziyuan, his eyes were full of wonder and disbelief.

Lu Yutang sighed and said, "It's really accurate. I calculated the price of these things after a short period of time."

He looked at Chen Ziyuan, a trace of awe flashed across his face: "These things, I estimate here, are exactly 8.5 million dragon blood amethysts!"

He added another sentence: "Of course, this is just the least."

"So,"

Chen Feng looked at Lu Yutang and asked, "Based on your experience, Brother Lu, what price should you sell for these things?"

[Chapter 2854: ready](#)

Lu Yutang pondered for a moment, then stretched out his hands and gestured to Chen Feng, and said, "These things, at least I can sell you brothers the price of nine million dragon blood amethysts."

"And if everyone is vying to catch up with the time, then it is not impossible to sell the price of 10 million Dragon Blood Amethyst."

"Ten Million Dragon Blood Amethyst!"

After hearing this, Chen Feng hissed and took a breath.

This is a total of 10 million Dragon Blood Amethyst! This is a huge sum of money!

An 8-Rank family can't produce so many dragon blood amethysts at once.

A Seven-Rank family, I am afraid that all the family properties add up to that amount.

I came to Chaoge Tianzi City in just a few months, and I have accumulated such a large amount of wealth!

Chen Feng said, "So, there will be Brother Lao Lu."

"I need these things urgently. Can I sell them all within ten days?"

Lu Yutang smiled and said, "There is nothing wrong with this."

"Brother Chen, you brought back too many things this time. Our seven-star auction house can even open a second-level auction for you."

"It's not up to the first level, but it's more than enough as a second-level auction."

"One time, you can sell all these things!"

"it is good!"

Chen Feng clapped his hands and laughed.

He pondered for a moment, then suddenly looked at Lu Yutang and said, "Brother Lu, there is one more thing, I want to ask you."

Lu Yutang said, "Brother Chen, just say it."

Chen Feng looked at him with a deep and distant gaze, and said, "Brother Lu, if I will go to a place to fight with two peerless strong men in ten days' time!"

"These two peerless powerhouses have enmity between each other, and I don't know how much they are stronger than them."

When Chen Feng said this, Lu Yutang's heart trembled.

"I don't know how much strength is over Chen Feng? God, who is that? Are the two Emperors Wu?"

He was shocked in his heart, but he suppressed it forcibly and didn't say anything. He just looked at Chen Feng and waited for him to continue.

Chen Feng went on to say: "The two have hatred with each other. One of them seems to have a good impression on me, while the other one wants to kill me and hurry up."

"I need to take something from the strong man who is hostile to me, you say, what kind of preparations do I need to do?"

After speaking, he stared at Lu Yutang with piercing eyes.

After Lu Yutang listened, his body twitched heavily.

The corner of his eyes jumped frantically, and a wry smile appeared in his heart: "This Chen Feng is really bold enough!"

"Two martial emperor realm powerhouses dare to provoke him?"

He has now concluded that Chen Feng is going to grab something from the hands of two martial emperor realm powerhouses.

There is basically nothing wrong with his inference.

However, he certainly did not think that these two martial emperor realm powerhouses were Teng Snake and Yellow Bird.

And the strength of Teng Snake and Yellow Bird is not just as simple as that of a Wudi realm powerhouse!

This news shocked him extremely.

But soon, he recovered from the shock, and then he thought about it for a long time.

Chen Feng didn't mean to urge either, waiting for what he said below.

After a long time, Lu Yutang broke his fingers and said to Chen Feng: "Brother Chen, I will tell you one by one."

"First of all, Brother Chen, you need a protective gear with strong protection."

"When you get that item from the strong person who is hostile to you, you will definitely suffer a very strong blow. At least I guess there are three times. Your protective gear needs to be able to withstand three powerful attacks. "

"Or, just buy three protective gears that you can consume at once."

Chen Feng nodded: "Go on."

Lu Yutang continued: "You need some concealed potions or magic weapons, so that you can get close to the two strong men."

"Otherwise, you can't get close, how can you talk about it?"

Chen Feng nodded for him to continue.

Lu Yutang said again: "At the same time, you need a one-time magic weapon that can immediately escape there after you succeed, or a very fast martial art."

Chen Feng then nodded.

Lu Yutang was very organized.

Lu Yutang finally said: "Finally, Brother Chen, you need a magic weapon with a strong offensive power, or martial arts, you can do it."

"However, it can cause a fatal blow, at least it must be able to scare others."

Chen Feng applauded and said, "Brother Lu, you are too right!"

He looked at Lu Yutang: "I don't have any other way to get these things. The only thing I have is from you. So in the next few days, I will ask Lu Yutang to help me pay more attention."

"Such things, the more the better, I don't think it is too little, Chen Feng."

"and,"

He said: "It doesn't matter how much it costs."

"My dragon blood amethysts are prepared for today!"

Lu Yutang said loudly, "Okay, I will definitely help Brother Chen pay attention to you."

Chen Feng left these things here and took everyone away, preparing to go back to the Xuanyuan family.

As soon as he arrived in the seventh-level city, Old Wei suddenly said, "Master, I have a personal matter, and I want to go there."

"Private matter?" Chen Feng looked at Old Wei in surprise.

Old Wei pointed to the temples and houses hidden in the dark in the distance, and said softly, "I have some long-cherished wishes for the old things. I need to go there."

Chen Feng looked at him thoughtfully.

Seeing Chen Feng's gaze, he sighed softly and said, "My son, you don't have to worry about me, the old man is going to check the whereabouts of a few people this time."

"Check whereabouts?" Chen Feng raised his brows.

Old Wei nodded and said, "Yes!"

There was a sense of unwillingness in his eyes, and looking into the distance, his voice was ethereal and desolate: "I was also a genius, strong, with infinite revenge, and at a young age, I have a lot of strength."

"I also wanted to see the world and see the peak of the Dragon Vein Continent, but I didn't expect it to spend decades in this small town."

He gritted his teeth and said with a cold voice: "The more I think about it, the more I feel that something is wrong that day!"

"There are many doubts, I suspect, that was the person I offended that day, the game was set!"

"I'm going to see how strong they have become! If I am stronger than them, I will kill them directly!"

Chen Feng shook his head, feeling that this matter was afraid to hang.

"You think so too, don't you?"

Seeing Chen Feng's look, Old Wei smiled bitterly: "They have cultivated for many years, and I have been squandering for many years, I am afraid that my current strength is far inferior to them."

"Don't say kill them, it's fine if you don't kill them."

He looked at Chen Feng and said, "Actually, the old man followed the young man, and he also had this thought."

[Chapter 2855: Go to True Dragon Arhat Gate](#)

"What I think is simple!"

"Now, if I let myself take revenge, it is almost impossible. You can only do it if you follow the son."

Chen Feng nodded. Old Wei said this very frankly, without any falsehood.

In fact, Chen Feng had guessed some of Wei's purpose before, but he didn't reveal it.

Chen Feng asked: "Do you want me to avenge you?"

Old Wei said: "I am indeed for this purpose. If you don't want to, then I will definitely not bother."

Chen Feng smiled and said, "Old Wei, what do you think?"

"Our relationship lies here, if you are a favor, can I not help?"

"Besides, you are a golden robe alchemist!"

"If you show your identity, go to a big family to be the guest chief, and state the conditions, I am afraid that those big families are willing to avenge you and make you go home."

He laughed and said, "You came to my Chen Feng to give me face."

Old Wei pointed at Chen Feng and laughed!

This is a deal for the two of them.

Ji Caixuan looked at Old Wei curiously and said, "Old Wei, were you a pharmacist before coming to Zihuo Town?"

He smiled and asked: "Lao Zhang, you have a great skill in refining medicine! Were you a pharmacist at the beginning?"

The old man sighed lightly, shook his head, and said, "Actually, when I first came to Zihuo Town, I didn't know anything about refining medicine."

He glanced at Chen Feng and said faintly: "When I came to Zihuo Town, my job was Pure Sun Giant Lingwei."

"After I came to Zihuo Town, my legs were broken and my cultivation base was abolished, so I had to learn the art of refining medicine."

Chen Feng's expression was also a little sad, he could imagine it was not easy to see the old man.

The old man smiled freely and said: "Haha, don't worry about it, I, it's a blessing in disguise."

He sighed softly and said: "I am here in a humble position and weak in strength. I cannot enter the Purple Fire Swamp to collect medicine. And those warriors are afraid of the strength of the Shadow Gang, and most people dare not use the medicine. Sell it to me."

"I can only pick up some leftovers they don't want to ask for, and some medicinal materials bought by bold people."

"To be honest, the quantity of medicinal materials they sell to me is very small, and the quality is extremely poor."

"but!"

He raised his head proudly, with a hint of arrogance on his face: "I just used these waste-like medicinal materials abruptly to practice many pills, and I have refined the strength of my golden robe alchemist!"

"I know that I don't have any wealth in my hands, so I cherish it very much. Therefore, my alchemy success rate is extremely high, my consumption is very low, and the quality is extremely high."

His gaze swept across the dark Chaoge Tianzi City, and he said proudly: "As soon as I return to Chaoge Tianzi City, I am extremely excited. This is where I can show my talents!"

"Above the town of Purple Fire, I didn't even dare to show the level of my golden robe alchemist before, and the pill that I secretly refined was not visible, and sometimes I deliberately broke the refinement, just because I was afraid that people would notice me. !"ηοVelusB.Com

Chen Feng smiled and said, "You don't need to do it in the future, you just let it go!"

That night, Old Wei bid farewell to find the whereabouts of several enemies.

Naturally, this stalking thing would not be finished for a while, so Chen Feng simply agreed to see him in ten days.

So, this time to go to the True Dragon Arhat Gate, Old Wei will not go.

At noon that day, when the sun was scorching hot, Chen Feng and his party left Chaoge Tianzi City.

Chen Feng took Ji Caixuan, Chen Ziyuan, and Zihuo Zhenling and his party, left Chaoge Tianzi City, and quickly headed northwest.

This time, it was two whole days and two nights.

Within two days and two nights, Chen Feng had traveled 20 million miles northwest!

"Huh!" Chen Feng let out a long suffocating breath and looked into the distance.

Above the sky in the distance, lead clouds piled up, and heavy snow of goose feathers fell.

Not far in front of him, there was a snow country scene.

But where Chen Feng and others are now, there is still no snow falling.

He looked towards the distant sky with great eyes, and saw that in the very far front, three huge mountain peaks pierced into the sky.

The three huge mountain peaks are all silvery white, because the surface is covered with a thick layer of ice and snow.

Looking down, the ground is covered with ice and snow.

A big river meanders past, and it has also been completely frozen.

Chen Feng looked back and saw that the sky was also a plain white, covered with clouds, and the sun could only shine shallowly.

Many floating mountains appeared in the line of sight, and most of them were covered in snow and ice.

Chen Feng looked at Ji Caixuan and Chen Ziyuan next to him, smiling and saying, "The scenery around Chaoge Tianzi City is really different!"

"Yes!"

Ji Caixuan nodded and said, "Unexpectedly, the real dragon Arhat Gate is here."

It turned out that after Chen Feng and his party left Chaoge Tianzi City, they went all the way to the northwest. The farther they went, the lower the temperature.

Arrived here, it was already a land of ice and snow wrapped in silver.

Even the floating mountains are mostly frozen.

Along the way, Chen Feng also passed many large floating mountains, all of which were rich in resources, occupied by many people, and many warriors shuttled back and forth among them.

And most of the monster medicinal materials that are abundant in it are mostly ice and snow attributes.

If there is more time, Chen Feng will have to hunt in it and get some treasures.

But this time, time is urgent, and he has no problems.

Chen Feng looked at the three huge mountain peaks in the distance and let out a sigh of breath, and said, "The three peaks are also called Xiaojunzi Mountain."

"Because it also has three peaks, which are very similar to Sanjunzi Mountain, and are also covered in silver."

"Therefore, it is called Xiaojunzishan!"

"Xiaojunzi Mountain, also known as the gateway to Sanjunzi Mountain, is 100,000 miles apart."

"When we get here, we are not far from Sanjunzi Mountain. We can no longer fly in the sky. If we don't, it will be seen by people, which would have revealed our whereabouts."

This makes sense. Chen Feng's Golden Winged Cross-Strength Art is now quite famous in Chaoge Tianzi City, and the possibility of being recognized is not small.

Everyone nodded, and Chen Feng went down.

Soon, everyone landed.

Then, Chen Feng waved the golden thread kit in his hand, and suddenly, it was a juggler, and in front of him was a luxurious jade, which looked extremely gorgeous.

Naturally, Fu Wenbin bought this jade for him.

On top of the jade, the emblem and logo of the Lin family are carved.

If there are people who are familiar with the various families in the vicinity of Chaoge Tianzi City, they will know that this is the Lin family's chariot.

[Chapter 2856: Uneven road](#)

Then, Chen Feng's figure flashed and disappeared directly.

After a while, he came back carrying a behemoth.

This behemoth huge object is ten feet long and five feet tall, and it looks like a giant deer.

However, there are two twisted and thick horns that are ten meters long, and the color is jet black.

It seems that a bit of hideousness is added to the luxury.

This monster, named the Giant Horned Dragon Deer, is a six-star monster emperor, and its strength is almost comparable to that of the seven-star Wuhuang Emperor.

Putting it in the surrounding thousands of miles, it is also an extremely tyrannical existence, and ordinary warriors are not regarded by him.

Even some smaller schools can be easily destroyed by him.

But at this time, this behemoth was firmly grasped by Chen Feng.

Chen Feng came to the front and smashed it to the ground.

With a sob, the giant horned dragon deer lay down on the ground, looking at Chen Feng, his eyes were full of fear, and there was a trace of unspeakable grievance.

He raised his head. Shaking his body, it seems that he wants to stand up.

But seeing Chen Feng glared next to him, he immediately tilted his body again and lay down directly with a whimper in his throat. Looking at Chen Feng, he seemed to be begging for mercy!

There are no wounds on his body, he looks shiny and clean, very beautiful,

However, only he himself knew how much he had suffered just now.

Just now, when Chen Feng found him, he was also very domineering.

In fact, he is this kind of temperament. This kind of giant horned dragon deer looks extremely gorgeous, white all over, and has a little plum blossom pattern on the surface of the body. It looks extremely elegant and noble, but in fact it is very violent.

Not to mention that they often kill other enemies, even people of the same race often kill.

After he saw Chen Feng, he stepped forward to swallow this warrior in one bite.

As a result, Chen Feng naturally cleaned up his meal, and he was hit like a docile kitten in front of Chen Feng.

Seeing him like this, the true spirit of Zihuo laughed: "Master, did you get him to pull the cart?"

"Of course." Chen Feng said with a smile.

He pointed to the jade nun and said to the giant horned dragon deer: "I will not trouble you, and I will not kill you. You took this jade nun and dragged me to Sanjunzi Mountain a hundred thousand miles away. Even if it is done."

"When I come, I will naturally let you come back, but if you dare to have the slightest ambiguity."

Chen Feng sneered and shook his fist: "I smashed your head with one fist, believe it or not?"

Hearing Chen Feng's threatening words, the Giant Horned Dragon Deer trembled violently, remembering Chen Feng's methods.

He hurriedly nodded violently, without any disobedience to Chen Feng, he was also shocked by Chen Feng.

Besides, Chen Feng's conditions were not harsh, and it was only a matter of one or two days to drag Chen Feng to a hundred thousand miles away.

For him, it is not too difficult.

He quickly nodded and agreed.

Chen Feng smiled slightly: "That's good."

As he said, he put the golden rope on the jade nun on its body, and then everyone got into the car.

Chen Feng gave a soft drink, and the giant horned dragon deer immediately fluttered with all four hoofs and flew directly.

The altitude of his flight in the air is not high, about thirty to fifty meters high, and his feet are in the air, as if he were stepping on a big road.

The speed is extremely fast, turning into a white light, and with a swish, it rushes to the northwest.

And even more rare is that it is very stable.

Sitting in the imperial house is like sitting in the clouds, without the slightest tremor.

Chen Feng smiled slightly and said, "This guy is used to pull carts, but it's top grade."

Ji Caixuan shook her head and said: "Master, even in Chaoge Tianzi City, there are not many who can use this powerful person equivalent to the Seven-Star Martial Emperor to pull a cart!"

Chen Feng laughed, "Does this fit our Lin family's identity?"

"Our Lin family, after all, is a sixth-grade family."

As he said, blinking, everyone laughed!

The giant horned dragon deer was running very fast, and Chen Feng deliberately suppressed his speed, but even so, in the evening, he had already arrived at a distance of only 50,000 miles from Sanjunzi Mountain.

Tomorrow, it will be there.

The day after tomorrow is the time for the birthday, so there is more than enough time.

Chen Feng looked at the direction of Sanjunzi Mountain in the distance, and his heart was hot.

He gritted his teeth, his voice was cold, and he whispered: "Wait for me, wait for me!"

The night had just risen, and Chen Feng was about to stop and let the giant horned dragon deer take a rest.

Suddenly at this moment, he heard a sound of golden and iron clinking not far from the side, as if a weapon hit.

At the same time, there was a soft voice from a woman.

When Chen Feng heard this, he frowned and said softly, "Huge horned dragon deer, stop."

The giant horned dragon deer immediately stopped very docilely.

Chen Feng opened the curtain and went out.

At this time, Chen Feng covered his white robe with a black cloak, which was made of very precious alien animal fur.

It seems that it is extremely gorgeous.

He also wears a purple jade crown on his head, plus is tall and handsome, and he knows that he is the son of Pian Pianjia.

And this outfit can also match the identity of his family.

Chen Feng heard that voice came from right in front, his figure flashed, and he moved quickly toward that side.

Ji Caixuan and Chen Ziyuan also followed closely.

Of course, the true spirit of Zihuo wouldn't fall, and soon a group of people came to a hill.

The voice came from behind the hill. As soon as Chen Feng came here, he heard a woman's icy voice:

"Mu Xingwen, you dog thief, I would rather die today than fall into your hands!"

"I would rather die than be insulted by you!"

The next moment, a hoarse laughter came: "Sang Youhan, you little bitch."

"It's up to now, do you dare to stand up with me here?"

"It's up to now, are you still telling me these things?"

His voice suddenly turned dark: "Sang Youhan, don't think I don't know what you **** think!"

"Don't you just look down on me? Don't you just look down on me?"

"I show love to you over and over again, but you don't take me seriously! Today finally annoys me!"

"I will capture you now and clean you up! Insult you! Torture you!"

"When I tell you to play enough, I will sell you to the most sordid brothel kiln, and it will be ruined!"

"Hahahaha..."

The voice was full of resentment, and there was a trace of unbearable pride.

The next moment, the woman screamed angrily: "I'm fighting you!"

Then came the sound of the sword breaking through the air.

[Chapter 2857: Go away, or die!](#)

The man's voice was triumphant and disdainful: "With your strength, you dare to be presumptuous in front of me?"

The next moment, a roar came.

The turbulence in the air suddenly increased, and then the woman let out a painful cry, followed by the sound of a heavy object falling to the ground.

Chen Feng and the others had already turned the hill at this time, and saw a woman in a red shirt lying on her face on the snowy field in front.

Beside the body, there were patches of blood, obviously injured.

She was lying there, her body trembling slightly, and she couldn't even stand up.

A giant in black robe approached slowly.

This black-robed giant man, with a huge stature, looked like a giant bear standing next to a little fox in front of the woman in red.

He was extremely ugly, with a fierce face, and forced him towards the woman in red with an obscene smile.

As he walked over there, rubbing his hands back and forth: "Tonight, you are mine!"

He flushed with excitement and reached out to grab the woman in red.

The woman in red let out a scream, her eyes filled with despair.

The black-robed giant made a proud voice: "Little bitch, I'm going to take care of you tonight, hahahaha!"

He was extremely excited.

At this moment, suddenly not far from the side, a faint voice came: "I don't think you can clean her up tonight."

The voice was light and light, but still with a hint of banter.

After hearing this voice, the stout giant suddenly shivered all over his body, and a sense of astonishment surged in his heart.

"Who? The cultivation base is so high? I have already touched me not far away, I haven't found it yet?"

He suddenly stood up straight and looked in the direction where Chen Feng and others were.

Then, I saw Chen Feng and the others.

After seeing Chen Feng and others, the color of fear in his eyes faded instantly, turning into a trace of jealousy and suspicion.

In the next moment, this trace of fear and suspicion turned into a touch of disdain.

It turned out that the cultivation bases of several Chen Feng instantly fell into his eyes, and he saw them clearly.

He saw that Chen Feng's cultivation was only the pinnacle of the Six-Star Martial Emperor, so he didn't take them seriously.

He stared at Chen Feng and others, grinning: "I thought it was a master? It turned out to be just a waste of a six-star martial emperor! Hehehehe..."

Suddenly, his expression changed, and he roared ferociously: "Boys, I advise you not to be nosy."

"Otherwise..."

He threw a punch, and with a bang, a big pit appeared on the ground.

Numerous huge cracks spread out, and the ice sheet was shaking violently.

The power of this trick is quite huge.

He shook his fist triumphantly, demonstrating.

As for the woman in red, when she heard Chen Feng's voice, there was a hint of hope on her face, and she looked at Chen Feng and the others expectantly.

The next moment, she also saw the cultivation level of Chen Feng and others.

Suddenly, the hope on his face turned into a trace of disappointment, even with a deep boredom!

She sighed softly in her heart: "This cultivation base is just a six-star martial king, dare you come to take care of nosy? The cultivation base is not as good as me, but I will die!"

"It's really disappointing, I don't know how to practice my own cultivation skills if I want to be nosy!"

This person's temperament is also not good. No matter how strong Chen Feng is, she will come to save her after all, but she has no gratitude in her heart, but is full of boredom and despise Chen Feng and others.

The sturdy giant Mu Xingwen roared: "Little boy, have you seen it? I'm so strong, you get out now!"

He stared at Chen Feng, like a ruling, coldly spit out a sentence: "Either go or die!"

Chen Feng shook his head, but it felt ridiculous!

This person's strength, but Er, was not regarded by Chen Feng at all, and he even dared to speak to Chen Feng so arrogantly.

Seeing Chen Feng shaking his head, Mu Xingwen suddenly became even more angry.

He stared at Chen Feng and said coldly: "Boy, what do you mean?"

Chen Feng smiled and said: "What I mean is, you two paths, I don't choose either, I choose the third way!"

"That is!"

Chen Feng yelled: "I killed you!"

The next moment, his figure flashed, like a black ray, directly in front of Mu Xingwen.

Then, a punch came out.

The pupils contracted at the moment of laughter, and my heart trembled: "This kid is so fast?"

And this is just the beginning, and what makes him even more shocked is yet to come!

After Chen Feng's punch was blasted, he carried a huge power, extremely domineering!

With a punch, press down!

In Mu Xingwen's eyes, he felt as if the entire sky was pressed down!

He let out a crazy roar: "How could your strength be so strong? Aren't you the pinnacle of the Six-Star Martial Emperor?"

He used his strongest strength to hit dozens of punches one after another, trying to resolve Chen Feng's offensive.

But, unfortunately, he thought too simple.

After these dozens of punches, each punch can only weaken Chen Feng a little bit.

After dozens of punches, there was a loud bang, and Chen Feng's fist was still half as powerful as it hit him.

The chest he hit instantly sank.

He leaned back suddenly, and a mouthful of blood rushed out.

His feet were nailed to the ground, and he was beaten back hundreds of meters, plowing a deep mark on the ground.

At the same time, blood was spilled.

The trace was scary red.

Seeing this scene, the woman in red was also stunned, covering her mouth in disbelief.

The next moment, she looked into Chen Feng's gaze, and the disdain and impatience she had just disappeared, replaced by extreme heat!

Mu Xingwen glared at Chen Feng, and shouted: "How come? How can your strength be so strong?"

"Where is so much nonsense?"

Chen Feng stared at him, and said lightly: "Either go or die!"

This is what Mu Xingwen said just now, and is now returned by Chen Feng.

Mu Xingwen got up from the ground and glanced at Chen Feng with a bitter expression on his face. He didn't dare to say a word, and left without saying a word.

Chen Feng clapped his hands, as if crushing an ant to death, understatement.

Looking at Chen Feng, the red-clothed woman Sang Youhan's eyes flashed with fire.

"This young man, who seems to be in his early twenties, already has the cultivation base of the Eight-Star Martial Emperor, and he knows that he is a descendant of the family!"

In fact, Chen Feng didn't fully demonstrate his strength just now, he just used the strength of the Eight-Star Martial Emperor.

But this strength was enough to dismiss that sturdy giant Mu Xingwen.

[Chapter 2858: Suffering Girl](#)

If he uses stronger power, Chen Feng is really afraid of scaring them!

The woman in red got up and came to Chen Feng, Yingying bowed down, and said, "Thank you for your help."

"If it weren't for Grace today, I'm afraid I will be insulted by the villain."

Chen Feng glanced at her, this woman was extremely beautiful, and she had an indescribable flattery.

The posture is romantic, and the speech is quite advancing and retreating, obviously from an extraordinary background.

It's just that the clothes on his body are rather shabby, and his face is quite colorful, as if he can't eat well and sleep well.

That kind of pale color made people look at it with pity.

Just now, Chen Feng did not see the impatience and a trace of disdain in her eyes. At this time, she regarded her as an orphan in trouble.

He said lightly: "It's just a matter of effort, the girl doesn't have to worry about it."

"I don't know where the girl came from, why did she go on the road alone?"

He looked around and said, "The ice field at night is very dangerous."

When I talked about this topic, the red-clothed woman burst into tears and said softly, "The little girl, named Sang Youhan, was born in the Sang family."

Then, she said something.

After Chen Feng heard it, he also understood her origin.

It turned out that her Nasang family was also a decent family near Chaoge Tianzi City.

At least, it can deter thousands of miles, and the grade is four.

The ancestors of the Sang family were disciples under the head of the true dragon Arhat sect two hundred years ago, and the head of the true dragon Arhat sect, speaking of which they have the affection of brothers.

Later, he left the real dragon Arhat Gate and founded the Sang family, which has been passed on. NoVeLusb.com

The result was unexpected, but within a few generations, the generation of Sang Youhan's father had completely declined.

Moreover, her father provoked a big enemy.

That big enemy, a while ago, led someone to kill her mansion during the night, and killed her mansion up and down.

Only Sang Yuhan escaped.

This time, Sang Youhan went to Sanjunzi Mountain to ask for help from the real dragon Arhat Gate.

When she said this, Chen Feng was already aware of it.

This Sang Youhan seems to be from a small family, and that small family should have had something to do with the true dragon Arhats of Sanjunzi Mountain.

However, this relationship is probably quite distant.

As for this small family, she is the only one left in the dilapidated family, so she went to the True Dragon Arhat Gate this time to pray for birthdays, but she also asked for help.

Chen Feng glanced aside and saw Sang Youhan's mount.

It was a steed with scaly armor all over, quite tall, and had been killed at this time, lying on the ground, surrounded by blood.

Chen Feng looked at it and shook his head secretly.

Her family should be so completely defeated that she has no long objects and can only ride on such a horse.

Although this horse can be regarded as a good monster beast, it is somewhere else.

In the vicinity of Chaoge Tianzi City, this is very influential, even the Demon Emperor Realm has not reached it.

In Chaoge Tianzi City, even some small families can control the Demon Sovereign level monsters!

When Chen Feng saw it, he couldn't help feeling pity in his heart.

He looked at Sang Youhan and said, "This girl, if you don't dislike it, then walk with us!"

"We also went to the True Dragon Arhat Gate to celebrate our birthday."

"Ah? Young Master, you also went to the True Dragon Arhat Gate?" Sang Youhan said in surprise.

Chen Feng smiled and nodded.

From the cloak next to him, the voice of Zihuo True Spirit came.

Zi Huo Zhenling squeezed his throat, sounding like a little waiter: "My son, but the young master of the Lin family of the sixth-grade family of Chaoge Tianzi City."

"This time, I went to the True Dragon Arhat Gate to congratulate the head of his 300th birthday."

"What? Young Master, you are the Young Master of the Lin Family? The Lin Family of the Sixth-Rank Family of Chaoge Tianzi City?" Sang Youhan exclaimed, his eyes piercing, and looked at Chen Feng.

With a touch of eagerness.

Chen Feng smiled and nodded.

Sang Youhan was even more excited after seeing his action.

There was a burst of extreme eagerness on her face, and there was a hint of flushing on her face, which was obviously very excited.

She immediately became more enthusiastic than before, and even bowed a little bit, walked up quickly, saluted Chen Fengying, and said: "The little girl has seen the son! Just now she was so rude, don't blame it."

Chen Feng smiled and said, "Don't be polite."

Sang Youhan got up and looked at Chen Feng, with a strong charm in his eyes, and cast a wink at Chen Feng.

The eyes are watery, as if water can drip out.

Looking at Chen Feng, she was full of flattery.

Chen Feng froze for a moment, and then felt a little disgusted in his heart.

In Sang Youhan's action, the meaning of seduce is already very obvious.

However, Chen Feng was also a little afraid of his own illusion. He was concerned about Sang Youhan's face, so he coughed lightly without saying much.

Sang Youhan trembled all over, and immediately knew that Chen Feng had seen through his little trick, and he smirked, not daring to say anything.

Soon, the group was on Yu Nian.

This jade does not look big on the outside, but in fact there is a cave inside, with a radius of tens of meters.

This kind of trick to compress a small space, any big family can do it, not surprisingly.

Both Ji Caixuan and Chen Ziyuan looked at Sang Youhan with a trace of hostility.

They could see the action that the woman had just hooked up with Chen Feng just now!

And Sang Youhan obviously also noticed the hostility between the two of them. At this time, both Ji Caixuan and Chen Ziyuan did not hide their faces in this carriage.

Ji Caixuan looks beautiful and charming. Needless to say, although Chen Ziyuan is obviously hard and cold, she can also be said to be a stunning beauty.

After seeing them two, Sang Youhan felt a sense of crisis in his heart.

She thought to herself secretly: "This Young Master Lin, a talented person, is extremely handsome and strong, and the most important thing is that he comes from the Lin family."

"It's rare to run into a noble son of such a prominent background. I must take care of it."

"As for these two little foxes, hehe, how can you fight the old lady?"

She glanced at Ji Caixuan and Chen Ziyuan, a disdainful smile was drawn at the corner of her mouth, her eyebrows were raised, and her face was provocative.

In the next day, she got along fairly well. She didn't show Chen Feng too deliberately to seduce her. It's just that her obsession with her from time to time still bore Ji Caixuan and Chen Ziyuan.

Chen Feng didn't pay much attention to it, he was not tempted to see a woman.

In the early morning of the next day, it was only tens of thousands of miles away from Sanjunzi Mountain.

[Chapter 2859: Rob money](#)

You can arrive in the evening.

I can arrive the next day at the latest, but there is still time.

At this time, the morning light was faint.

The dark clouds in the sky have also disappeared.

A ray of sunlight gleams on this icy and snowy land, passing through the window of the car, illuminating the inside of the car transparently.

Everyone was shocked.

But at this moment, Chen Feng suddenly smiled, looked to the side and said, "An unexpected guest has arrived. Let's go out and meet them."

When this was said, everyone was stunned, not knowing what was going on.

And at this moment, suddenly, an arrogant voice came from outside: "The inside of the car wheel, get out of me!"

"Hand over all your belongings and all your treasures, and I'll spare your life and let you get rid of it!"

"Otherwise, kill you all!"

Full of air, sounds very overbearing, as if ordering!

Hearing this, Chen Feng not only didn't panic, but smiled slightly.

He yelled, and then the giant horned dragon deer outside stopped.

Then, Yu Nian stopped slowly, and Chen Feng and others filed out of the carriage!

After everyone came out, they saw that there were already three people standing next to Yu Nian.

Each of these three people is about a few hundred meters away from Yu Nian. At this distance, they can launch an attack as long as they raise their hands.

These are three middle-aged people, they are all ugly, and their appearance is almost the same.

All three of them wore a green robe.

This green robe is like a string of leaves, but it is shining with shining green light, and it looks like it is extraordinary.

The three people have the same clothes, the same looks, and even the height and body shape.

The only difference is the weapons in their hands.

One person is holding a long sword, the other is holding a sledgehammer, and the last person is holding a long sword.

On the three weapons, the light is shining, crystal clear, exuding extremely powerful aura!

Looking at Chen Feng and the others, there was a strong look of greed on their faces.

Especially their eyes swept over Ji Caixuan, Chen Ziyuan, and Sang Youhan. When they looked at them, a strong **** and greed flashed in their eyes.

The leader was the big man with the golden hammer. He stared at Chen Feng and said arrogantly: "Boy, hand over all your belongings."

Chen Feng smiled slightly: "Oh? If you ask me to hand over the property, I will hand over the property? Why?"

He might be able to see a little bit about the strength of these people, but he was not so sure yet.
nov&lusb.cOm

Therefore, Chen Feng intends to probe their bottom first.

"Why? Of course, our three brothers are strong enough!"

The big man with the golden hammer laughed wildly.

He suddenly looked at the other two people and said loudly: "Come on, let this little guy have a good experience, let him know how strong our strength is."

All three of them laughed, and then their aura suddenly rose.

The momentum of the three people is crazy.

After Chen Feng looked at it, he couldn't help but raised his brow slightly.

And Sang Youhan exclaimed: "What a powerful strength!"

It turned out that the strength of these three people was quite strong.

The person holding the golden hammer was approaching the middle stage of the Nine Star Martial Emperor.

Although it hasn't reached it yet, it's almost there.

The remaining two are both in the early stage of the Nine Star Martial Emperor.

The three are extremely powerful!

Sang Youhan trembled and said, "Such a powerful strength can't be without fame."

She thought for a while, and then suddenly shouted out: "You, are you the third brothers of the Zhang family?"

"Oh, you little girl, you know a lot!"

"Yes, the three of us are the three brothers of the Zhang family!"

"It's bad luck for you to meet the three of us today, it's just..."

He laughed and said: "A few of our brothers, who are also reasonable people, as I said just now, as long as you hand over all the treasures, then you will be spared your life."

Sang Youhan yelled out: "Young Master Lin, don't believe them, they will never keep their promise."

"As long as we hand over things, it will be a dead end."

At this time, Chen Feng looked at the three of them, but thoughtfully, said, "Really?"

"If we surrender all our belongings, you can let us go?"

As soon as Chen Feng said these words, Sang Youhan's face immediately changed when he looked at him.

"It turns out that this person looks quite powerful and a good skin. I didn't expect to be a cowardly and incompetent person."

"At this time, did he choose to submit? He wants to hand over his property in exchange for a life?"

"He is too naive, does he think the other party will really let him go?"

She looked at Chen Feng, her eyes flashed with a dense disdain!

And hearing what Chen Feng said, the three people on the opposite side looked at each other, and they all saw a smile in their eyes.

"Haha, this kid is really a baby! At first glance, he is inexperienced, and he would believe us!"

The leading man with a giant hammer said loudly: "Don't worry, our brother will keep the promise."

"As long as you hand it over, our brother will naturally let you go."

When he spoke, a sullen look flashed in his eyes, and he winked at the other two at the same time.

"Once Chen Feng handed over his property, he would immediately kill them all."

The other two nodded slowly, indicating that they understand.

The main reason why they do this is to save time.

Because many people hide their treasures in very rare places, or even somewhere above their bodies. If they don't let the other party take the initiative to hand it over, then whether it is to injure the other party and then torture, or kill the other party to find , It takes a long time.

This time is enough to attract the attention of the real dragon Arhat!

These three people are also fierce and bold people.

They are quite powerful, but no matter how powerful they are, they dare not run wild near the real dragon Arhat Gate.

After all, like the true disciple of the True Dragon Arhat Sect that Chen Feng killed before, all have the strength of the Nine-Star Martial Emperor in the middle stage, and the head of the True Dragon Arhat Sect is even more mysterious. It is said that the strength has reached the peak of the Nine-Star Martial Emperor. territory.

With his strength, he wanted to kill these three people easily.

If these three are too arrogant, they will really be killed by him.

But this time, the three of them couldn't sit still.

Because these few days are the three-hundred-year-old birthday of the head of the true dragon Arhat Sect, and he wants to marry a concubine Ji who is said to be the best furnace, so all the major forces have prepared generous gifts.

[Chapter 2860: What a waste bag!](#)

Those gifts are very rich, and when they think of them, they are extremely tempted.

Therefore, the three brothers discussed it, gritted their teeth, and came here.

They are on this main road leading to the Sanjunzi Mountain, killing people and overtaking goods.

Looted property and then killed people. Before Chen Feng and the others arrived, they had already done several votes, robbed countless property, and killed dozens of people.

As for those who were killed, they destroyed their corpses, leaving no trace in the valley of abandonment.

Therefore, so far, it has been here for two days, but it has not been discovered.

Even on the Three Gentlemen Mountain, the real dragon Arhat Sect was in charge of this matter, but it was a little strange. I don't know why, this time there seemed to be slightly fewer guests!

However, how could their plan be hidden from Chen Feng?

Chen Feng knew what they were playing.

Chen Feng was about to speak, and suddenly at this moment, not far behind everyone, a cold snort came.

Then, a disdainful voice sounded: "It looks like a good skin, and it looks tall and handsome, but how can it be such a daring trash bag?"

When Chen Feng heard this, he was startled. NOVELUS.B.COM

The next moment, in his eyes, a cold light flashed by.

This person is mocking him, of course!

When this sentence was just said, this person was still far away from everyone, quite ethereal, and when it came to the last word, it was already close!

Everyone was attracted by this sound, and they all looked at that person immediately.

A purple light suddenly stopped above the sky, and then everyone saw a purple-robed youth floating in the air.

Changed the previous golden light to purple light, the youth in purple robe, looks medium, but the figure is extremely strong, it looks like an unspeakable domineering.

On his body, an incomparably heavy force burst forth, already reaching the middle stage of the Nine Star Martial Emperor.

After everyone saw this, they all let out an exclamation.

And Sang Youhan looked at the purple-robed youth with a dazzling look on his face: "This is the real strong man!"

"With the strength of the Nine-Star Martial Emperor in the middle stage, among the young talents, I'm afraid it can be regarded as first-class!"

This person seems to be thirty or forty years old, but this age can still be called a young handsome.

After all, the lifespan of these strong people is too long.

Unconsciously, Sang Youhan moved two steps in the direction of the purple-robed youth.

Looking at him, his eyes are full of eagerness.

The purple-robed young man glanced at Chen Feng and said with disdain: "I look at you. You are also a child of a big family, and you are so graceful. Why are you so careless?"

"I was frightened for a while, and I'm going to be subdued?"

"What a shame! You are also worthy of being called a child of a big family?"

Chen Feng glanced at him, a cold color flashed in his eyes.

He was sure that he didn't know this person at all, and this person sneered at himself as soon as he came up, as if reprimanding a younger generation, which made Chen Feng extremely disgusted.

"What do you look at?" The purple-robed youth saw Chen Feng looking at himself, and immediately raised his chin, very arrogant.

In a reprimanding tone, he said, "You are still not convinced, are you? I teach you, are you still not convinced?"

He stared at Chen Feng and sneered disdainfully: "A person like me is the demeanor of a big family."

"You don't deserve to give me shoes like that!"

He looked at Chen Feng, his face was full of arrogance and disdain, he did not put Chen Feng in his eyes at all!

In his words, Chen Feng was humiliated.

Both Ji Caixuan and Chen Fengziyuan showed anger on their faces.

Ji Caixuan shouted: "Who are you? How dare you say that to my young master?"

And Chen Ziyuan clenched her fist even more.

Her fist is her strongest weapon!

In the next moment, they will do it. They will not tolerate anyone who dares to humiliate their young master.

But at this moment, Chen Feng smiled slightly, stretched out his hand to hold them both, and said, "Be calm and not irritable."

On the way to the True Dragon Arhat Gate this time, Chen Feng did not want to have any conflicts, and did not want to have extra branches.

There is only one thing he wants to do now, and that is to go there quickly, find clues, and improve his strength!

Seeing Chen Feng stopping Ji Caixuan and Chen Ziyuan, the purple-robed youth was even more proud, haha smiled and pointed to Chen Feng and said:

"You rubbish, although your strength and courage are low, you have one advantage, that is, knowing how many catties you have."

"You know it's absolutely impossible to be my opponent, and you know that people like you don't deserve to give me shoes together. I can solve you with one hand, so I am very witty and dare not do it."

He laughed and said: "If you don't do it, I really have no excuse to clean up you!"

With that said, he seemed to disdain to look at Chen Feng again, instead he turned his attention to Ji Caixuan and Chen Ziyuan, and then saw Sang Youhan again.

These women can be called stunning in the world, he couldn't help but his eyes brightened when he saw them, and a hint of greed flashed.

He secretly said in his heart: "This kid is not good enough, but the women around him are really top-notch!"

Then, he lifted his chin and straightened his chest, and his entire popularity increased crazily.

Then he smiled ostentatiously: "Boy, let you see how strong I am."

His strength soared wildly, and he didn't stop until the middle stage of Nine Star Martial Emperor.

Sang Youhan immediately covered his mouth and exclaimed: "Nine-star Martial Emperor mid-stage powerhouse! Son, you are actually a nine-star Martial Emperor mid-stage powerhouse?"

She looked at the purple-robed youth in her eyes, filled with admiration and dazzled.

The purple-robed youth was even more proud to see her look like this.

"This woman has already fallen in love with me."

He laughed and said: "Yes, I am the mid-stage powerhouse of the Nine Star Martial Emperor!"

His eyes swept across the faces of Ji Caixuan, Chen Ziyuan and Chen Feng like a demonstration.

Chen Feng shook his head, but it felt very ridiculous. The strength of this purple-robed youth was just the same as that of Ji Chengwen who was killed by him. It was nothing in front of him.

He killed two of his own strengths, and he didn't know anything about it, so he was still showing off here.

Really ignorant.

Sang Youhan looked obsessed.

Then, she glanced at Chen Feng, and seeing the calm expression on Chen Feng's face, Sang Youhan flashed with contempt.

"This Young Master Lin has already reached this point, and he is still pretending."

"His strength is nothing more than the Eight-Star Martial Emperor, and these people, one Nine-Star Martial Emperor is approaching the mid-stage and two Nine-Star Martial Emperors are in the early stage."
