

## Peerless 2901

### [Chapter 2901: wait for me!](#)

Just now, when he even asked these questions, he didn't want to ask or dared to ask.

Because, he was really afraid to hear from Shen Yanbing what made him grief!

Chen Feng was nervous to the extreme, even more nervous than when he was fighting Lian Xingjian just now!

Shen Yanbing looked at Chen Feng and suddenly smiled softly, and said, "Chen Feng, I know what I should say now. I should tell you some good news now to make you less worried!"

Chen Feng looked at her: "Now, what I want you to tell me is not good news, but real news."

"I hope to understand all this, no matter how tragic the truth is!"

Shen Yanbing closed the smile on his face and said softly: "Yes, what you want to hear is the real news."

"Fortunately, the real news is not terrible."

She whispered: "Let's talk about An Lao first, An Lao is now imprisoned in a soul hall, and there are many powerful men imprisoned in that soul hall."

"Of course, only the souls of these powerful people are imprisoned here. Each of their souls is locked in a flame, enduring the torment of the endless fire of karma, the pain is extremely painful, and the misery is extremely miserable."

"However, he can't die for a while."

"And I believe that An Lao will not die so easily."

When Chen Feng heard this, he felt a little relieved, but he was still uncomfortable.

He asked softly: "So? Does my senior sister still have Yaoguang?"

"You don't have to worry about this." Shen Yanbing sighed slightly and said, "In fact, before I came here, the three of us had been locked together."

"That is a very magical place, there is fog all around, and you can't see anything."

"The three of us live in a small courtyard, and we have a worry-free diet every day, and no one seals our strength. We can still practice."

"It's just..."

A wry smile appeared at the corner of her mouth, and said: "The people there are too strong. Just come out and you can easily clean up the three of us."

"The three of us didn't even move the idea of running away, because that would irritate those people."

Chen Feng said: "This is right."

"Our three days are pretty good, but this time they are looking for someone to come over and choose one of me and Sister Yuer!"

Chen Feng's heart suddenly became tense after hearing this.

He could immediately think that with the temperament of the people in the Soul Temple, he was afraid that he would definitely tell them what would happen during this trip.

And from this, it can be imagined how terrified the two of them were, how painful they were, and how torment they were in their hearts!

When Shen Yanbing saw Chen Feng's look, he knew what he was thinking.

She smiled and said, "We are both vying to come over. We both want to let each other live, and we both want to die for each other."

"In the end, Sister Yuer didn't argue with me, I came over."

She looked at Chen Feng, smiled and said: "Don't worry, Soul Destruction Palace, in fact, doesn't care about the following forces."

"The news of the demise of the True Dragon Arhat Gate will not reach the Soul Palace for a while."

"In this case, Sister Yu'er and Qingqiu Yaoguang should be safe for a long time."

She looked at Chen Feng with some doubts in her eyes, and said: "Speaking of which, this Soul Destruction Hall is really amazing."

"They don't seem to use us at all, because they don't lack anything, and they don't seem to know how to deal with me, so they just threw us there."

"Those people in Soul Destruction Hall don't deal with it, and those who serve us don't dare to neglect, so it's really good to live every day!"

Chen Feng suddenly realized: "So it is."

His heart is also a little more settled!

He was still a little worried and said, "However, after the news of the True Dragon Arhat Gate is returned, I am afraid..."

Shen Yanbing smiled and said, "Well, you don't need to worry about it. You are afraid that after the news of the true dragon Arhat Gate is passed back, the people in the Soul Destruction Hall will become angry and angry at Sister Yuer and Yaoguang."

"Actually, it won't be the case at all. The people in Soul Destruction Palace may be too strong, so they basically disdain to anger others!"

After Chen Feng listened, he was completely relieved.

He stood there, silent for a moment, with mixed feelings in his heart.

Chen Feng looked at Shen Yanbing with a tragic expression on his face, and said: "I am not capable. You have been arrested for so long, and I can't save you."

Chen Feng was extremely annoyed in his heart, wishing to reach out and slap himself severely.

When he thinks of Senior Sister, An Lao, Qingqiu Yaoguang and the suffering they have suffered inside, he can't tell the pain in his heart.

Shen Yanbing grabbed Chen Feng's hand and shouted sharply: "Chen Feng, what are you talking about? What are you thinking about?"

She looked at Chen Feng and said word by word: "I don't allow you to be discouraged!"

"I don't allow you to have any despair, and I don't allow you to have any self-pity!"

"All you have to do is to work hard! There is no need to complain about yourself, because we all know that you have done your best!"

"Chen Feng, do you understand?"

Chen Feng was stunned.

What Shen Yanbing said shocked him from the inside out.

Suddenly, the heart became clear, the trace of dirt that had obscured the emotions just now was immediately shattered and disappeared without a trace.

His eyes became clear and he looked at Shen Yanbing and said, "Yan Bing, I understand that I was wrong just now!"

At this time, Chen Feng had completely recovered.

He whispered softly: "Senior Sister, An Lao, and Xiao Yaoguang, you are waiting for me in the Soul Destruction Hall."

"Relax, I will definitely bring you back, and I will definitely bring you out of the sea of suffering! I will also make the Soul Destruction Palace pay the price!"

Although his voice was soft, it was full of unspeakable determination and determination!

At this time, a voice interrupted Chen Feng's thoughts.

This was the voice of a middle-aged man. Chen Feng heard it and felt that it was very familiar.

However, the last time this voice spoke to Chen Feng, it was full of arrogance and disdain.

But when he talked to Chen Feng at this time, he was full of thick flattery.

Chen Feng turned his head to look and saw that it was Qu Xingwen who was speaking in the black robe.

The middle-aged in the black robe looked at Chen Feng, bowed his waist, with a thick expression of obsession, and said, "Master Chen Feng..."

Chen Feng saw the look on his face, and an expression of interest appeared at the corner of his mouth.

He only reacted at this time. Before he could save him, Ji Caixuan, Chen Ziyuan, Shen Yanbing and the others were let go. Now it seems that the middle-aged black robe should have seen the opportunity quickly.

#### [Chapter 2902: The true dragon Arhat Gate is destroyed!](#)

Seeing that Lian Xingjian was killed, he knew that the real dragon Arhat Gate had gone, so he ordered Ji Caixuan, Chen Ziyuan and others to let go.

Chen Feng looked at the middle-aged in the black robe, smiled and said, "What do you have to say?"

The middle-aged black robe looked at Chen Feng with a hint of eagerness in his eyes: "Lian Xingjian, a dog thing, dare to offend you, my lord."

"I was killed by you, that's right."

"However, this true dragon and Arhat can't be left alone for a day, look at me..."

He smiled and rubbed his hands.

Chen Feng looked at him with contempt in his eyes.

Chen Feng knew very well what calculation he was making.

Chen Feng extremely despised this person's character.

Lian Xing Sword was his master anyway, and as soon as Lian Xing Sword died, he couldn't wait to change the door, and even called Lian Xing Sword the dog thing.

If Lian Xing Jianquan knows, I am afraid that I will die again!

Chen Feng looked at him, raised his eyebrows, and said, "Do you want to be the head of this real dragon Arhat?"

The middle-aged black robe smiled and said, "Now, among the true dragon Arhats, I have the strongest strength and the highest prestige. I am the head, and no one would say anything."

"Furthermore, only if I become the head, can I better serve you, my lord!"

"When the time comes, we will do whatever you say, our real dragon and Arhats will definitely do our best for you."

"Oh? Really?" Chen Feng looked at him, suddenly smiled, and said disdainfully: "I am not rare for the effectiveness of your real dragon Arhat."

"In fact, your entire true dragon Arhat Gate is not in my eyes."

Hearing Chen Feng's words, the smile on the face of the middle-aged black robe solidified there.

His expression suddenly stagnated, and suddenly there was an ominous premonition.

Suddenly, a face became pale.

Chen Feng smiled and said, "Did you guess it?"

"I tell you, today, I once said that I would kill Lianxingjian, and at the same time I would destroy the real dragon Arhat Gate!"

"I, Chen Feng, do what I say!"

"What? You want to destroy the true dragon Arhat Gate?"

The middle-aged black robe said in horror: "Although the head of the true dragon Arhat Sect is dead, he still has great strength and many treasures. Are you willing?"

"As long as you say a word, we can all serve you."

Chen Feng's laughter shook the entire square: "The so-called effectiveness of your true dragon Arhats, the so-called force of your true dragon Arhats, is nothing in front of me!"

He laughed: "I, Chen Feng, is not rare at all!"

The sentence that Chen Feng didn't say was: "He has already understood the so-called treasure of the real dragon Arhat."

The keys to enter and exit the secret realm are in his hands. Where does he need other things from the real dragon Arhat Gate?

Chen Feng suddenly turned around, facing everyone on the square, and proudly said: "Now, within an hour, leave this true dragon Arhat Gate."

"If you don't leave within an hour..."

Chen Feng sneered and said, "I'm going to be blunt."

Many people from the real dragon Arhats trembled in their hearts when they heard this sentence.

They had seen Chen Feng's ruthless methods and powerful strength.

Chen Feng said you're welcome, they had already anticipated the terrifying consequences.

It's just that they are still a little confused, and some haven't recovered, and don't know what to do.

At this moment, the middle-aged Heipao looked at Chen Feng and said in silence: "This, no..."

Chen Feng looked at him and said faintly, "What? Are you still unsuccessful?"

The middle-aged black robe saw Chen Feng's cold eyes, his heart trembled, and all the words in his mouth were held back.

He didn't dare to have any opinions on Chen Feng's decision.

He knew that as long as he dared to say no word, he would immediately die in Chen Feng's hands.

He trembled all over and his lips trembled, but he closed his mouth and dared not say a word.

When the disciples of the real dragon Arhat Sect saw this scene, they all came back to their senses. They looked at each other, and their eyes were loose.

Suddenly, a real dragon Arhat disciple shouted and ran towards the huge palace behind the high platform.

After a while, it disappeared in it.

Seeing this scene, many people looked tight and shouted: "He must have gone to grab a treasure!"

"Yes, his mother, why should he only grab it? I want to get a share!"

Following these words, many people flew over and ran towards the palace.

With these people taking the lead, immediately, the real dragon Arhat disciples on the square ran toward there as if they had fried a pot.

After a while, a few true dragon Arhat disciples fleeing wildly with a lot of treasures and left Sanjunzi Mountain.

Seeing this scene, many people who came to watch were also shocked and rushed to grab it.

Chen Feng did not stop either.

In fact, Chen Feng is already at the end of the battle at this time, and there is no shortage of strong among these guests.

If Chen Feng could stop them, there would be no way to stop them.

It is possible that someone will see through his weakness at this time, and what will end up at that time, but it is hard to say.

Therefore, Chen Feng is simply laissez-faire.

Seeing Chen Feng's attitude, everyone on the square went crazy.

Many people had red eyes, screamed frantically, and ran towards the palace.

The tens of thousands of years of accumulation of the real dragon Arhats have saved countless treasures. They have been jealous for a long time. Where did they have the guts to make this idea before?

But now when they think that those treasures can be grabbed at will, no one will stop them, they are all excited.

Almost in an instant. Most of the guests on the square ran away, and they poured into the palace behind that.

The sound of snatching and scolding kept coming.

There were even screams constantly sounding.

This was due to the uneven distribution of the spoils. Hearing these voices, the middle-aged black robe couldn't help crying with a face, feeling unspeakably depressed and uncomfortable.

He originally thought that the master was dead and that this seat was to sit by himself.

But he didn't expect that when the master died, this real dragon Arhat Gate would be completely finished and destroyed.

I don't know who it was, but it set off a big fire.

The terrain here is extremely high and the wind is extremely strong. In a blink of an eye, the fire swept across the prairie prairie and enveloped the entire palace.

That huge palace is shrouded in boundless fire.

Palace after palace was burnt down, collapsed and turned into rubble.

However, in just over half an hour, this incomparably gorgeous real dragon Arhat has already turned into a huge torch.

Seeing this scene, the middle-aged black robe sighed and turned to leave.

Chen Feng didn't stop him either, he just smiled slightly, looked at Shen Yanbing and others and said, "Let's go, we should go back too!"

#### [Chapter 2903: Go back to Tianyuan Dynasty](#)

Chen Feng didn't care about the remaining treasures of the True Dragon Arhat Gate, he had already obtained the most precious and core ones.

On the Sanjunzi Mountain behind Chen Feng and others, there was a raging fire.

Dominating here for tens of thousands of years, the powerful force equal to the eighth-rank family, the true dragon Arhat, was completely destroyed in the hands of Chen Feng.

On the square, there are still some people who did not participate in the fight for the true dragon Arhat Gate.

They disdain, these are relatively high strength, relatively high level.

One of them naturally includes Mu Jianhong.

Mu Jianhong looked at Chen Feng's back with a look of loss on his face.

After a long time, she suddenly took a deep breath and closed her eyes.

And when she opened her eyes again, the sorrow on her face had disappeared without a trace.

Instead, it is intense to the extreme cold.

In that gaze, even more murderous intent appeared!

She whispered to herself: "I don't know what happened to me in the past two days, what kind of evil I have committed, and what disease has I caught!"

"But, I only know that Chen Feng is full of hatred against my Mu family."

"Chen Feng must kill me after he wants to kill him."

"Me and Chen Feng, you die and you live!"

"And this time, I saw with my own eyes how powerful Chen Feng is. I saw how quickly Chen Feng's strength improved. I can even think of what great danger Chen Feng will cause to my Mu family in the future!"

The look on her face was cold: "In this case, Chen Feng, how can I not want to deal with you?"

She shouted loudly: "Go back!"

After all, he turned and left.

On the ice field, a jade nun quickly slid across the sky.

It was ice and snow outside, and there was a warmth in this jade.

The people were seated separately, and Chen Feng told Shen Yanbing about his experience during this period of time. Shen Yanbing was just listening quietly there, with a cold and indifferent smile on his lips.

It seemed that she didn't care, but Chen Feng knew that she listened very seriously.

Seeing Chen Feng and Shen Yanbing's eyes looking at each other, Ji Caixuan couldn't help feeling a little sad.

She could see that Chen Feng really liked Shen Yanbing and also valued Shen Yanbing.

However, Chen Ziyuan had already leaned in, inserting a few sentences when Chen Feng was speaking.

When she heard about the relationship between Shen Yanbing and Chen Feng, especially when she knew that Shen Yanbing had stayed in the Tianyuan Dynasty for a long time, she felt a strong sense of intimacy.

You know, in this Chaoge Tianzi City, she is lonely.

No one knew anyone, no friends, she only had Chen Feng.

Now that she has Shen Yanbing, she feels like she has known an old friend, a friend who has known each other for a long time.

After listening to Chen Feng's own experience, Shen Yanbing sighed softly and said: "Chen Feng, the dragon and the phoenix among the people are the dragon and the phoenix among the people. You can become the strongest one wherever you go. You are already doing well.!"

She looked at Chen Feng and said, "Are you planning to go to the Southern Wilderness these days?"

Chen Feng nodded: "Yes, if I don't go again, it will really be too late."

"And it just so happens that I am now promoted to the Seven-Star Martial Emperor, and I can compete with the Nine-Star Martial Emperor in terms of strength."

"Although it is far inferior to the Yellow Bird and Teng Snake, but I still have some certainty."

"I decided to go back to Chaoge Tianzi City, first go to Lu Yutang to see how I ordered, and then set off immediately."

Shen Yanbing nodded, she pondered for a moment and said: "But, if you go to Nanhuang, I shouldn't be able to accompany you."

"Oh, is it?" Chen Feng raised his brow.

Shen Yanbing sighed lightly, a sad look appeared in his eyes: "I want to go back to the Tianyuan Dynasty."

"At the beginning, the master died, and we were taken away by the people from the Temple of Soul Destruction. I didn't even collect the remains of the master, and I don't even know where the master died."

"Even, I didn't bury the master."

"When I was trapped in the Hall of Destruction of Souls, I vowed that I would go back to the Tianyuan Dynasty and set up a tomb for Master, so that the old man would know and feel relieved."

Chen Feng nodded his head and said, "This is a matter of course!"

Chen Ziyuan suddenly said timidly: "Sister Shen, are you going back to Tianyuan Dynasty?"

Shen Yanbing smiled and nodded: "That's right."

Chen Ziyuan looked at Chen Feng and said, "I, I also want to go back to the Tianyuan Imperial City. The friends I used to know are in the Tianyuan Dynasty. I have been away from them for a long time, and I miss them very much."

"And my family."

There was a complex look in her eyes: "Although that family has treated me badly, I also cut off from that family, but I always feel that I should go back and take a look."

Chen Feng nodded: "Indeed, this is what it should be."

He smiled and said, "This is my negligence."

"It stands to reason that I should have thought that you were going to the Tianyuan Dynasty to take a look."

"But." Chen Ziyuan said hesitantly: "In this way, I won't be able to accompany you to the Southern Wilderness."

Shen Yanbing smiled slightly: "You don't have to worry about this."

Her gaze swept across the faces of Ji Caixuan and Chen Ziyuan with interest, and said, "Actually, it is a good thing for him not to accompany Chen Feng to the Southern Wilderness."

After Ji Caixuan heard these words, she was suddenly excited.

She suddenly realized that in the process of getting along with her master, she always wanted to be with him, but she ignored it intentionally or unintentionally. Sometimes, she was really just a drag...

She felt that Shen Yanbing's gaze stayed on her face for an extra long time, as if to imply something else.

She understood what Shen Yanbing meant.

Shen Yanbing was not taking the opportunity to squeeze her out, she didn't bother to do this, she just told herself the truth.

At this moment, she was suddenly very grateful to Shen Yanbing.

She smiled softly and said to Chen Feng: "Master, Sister Shen and Sister Chen, are going to see Tianyuan Dynasty."

"This Tianyuan Dynasty is the place where you used to stay. I want to see it too. Why don't I go with them?"

Chen Feng was taken aback for a moment, and then immediately understood her thoughts.

He smiled slightly and said, "Alright, then you go back with them."

At this moment, beside him, Zihuo True Spirit rolled his eyes and opened his mouth and said, "I want to..."

He really wanted to see it. He hadn't left the vicinity of Chaoge Tianzi City for so many years, and he was very yearning for the outside world.

#### [Chapter 2904: what happened?](#)

The main reason was that he did not want to stay next to Chen Feng.

Chen Feng always cleans up him.

Before he finished speaking, Chen Feng stared and said, "Shut up, you are not allowed to say anything, you can't go anywhere, just stay beside me."

Zi Huo Zhen Ling suddenly suffered from a bitter face, her mouth slumped, and she didn't speak next to her, with a groaning look.

Everyone smiled uncontrollably.

It was faster when I came back than when I went.

Chen Feng only recuperated in the jade house for one day, and when his strength recovered a little on the second day, he used the Jinpeng Zongxue Jue to bring them back at an extremely fast speed.

And along the way, after Chen Feng took the white jade Arhat in his hand and tried to figure it out, he finally had some experience.

It turns out that this white jade Arhat can actually be regarded as a key.

This key is the key to unlock the secret realm of the real dragon Arhat Gate.

In fact, in the past, the True Dragon Arhat Sect used this key to open that secret realm before Lian Xingjian was the head.

But they are not strong enough, and the essence of the power of the dragon descending Arhat is not high enough, so it can only be activated once in a hundred years.

But after being in Chen Feng's hands, it can be turned on at any time, and it can be turned on anywhere.

As long as Chen Feng unlocked this key, he could immediately enter the Arhat Secret Realm, without having to return to Sanjunzi Mountain.

Because, you know, the huge round gate above Sanjunzi Mountain is actually just an entrance.

The real Arhat Secret Realm is not hidden in Sanjunzi Mountain, but in another void.

"It's just..."

Chen Feng looked at the white jade Arhat in his hand, vaguely worried.

At this time, the White Jade Arhat was far less round and gentle than when he first held it in his hand, but it was already a little gloomy.

Even a trace of cracks appeared.

Although it is only as small as a cow's hair, it is still a hidden danger after all.

Chen Feng was very worried and didn't know how many times he could use it.

"Anyway, if you want to cherish the opportunity, I guess you can use it twice at most." Chen Feng sighed softly.

Then, he carried the white jade Arhat into his arms.

He raised his head and looked forward.

The Chaoge Tianzi City is already in front of you.

After returning to Chaoge Tianzi City, Chen Feng didn't go anywhere else. He went directly to the Seven Star Auction House to find Lu Yutang and directly explained his intentions.

"Oh, going to Tianyuan Dynasty?"

Lu Yutang looked at Chen Feng with a look of surprise on his face.

Chen Feng nodded and said, "That's right."

He pointed to Ji Caixuan, Chen Ziyuan and Shen Yanbing next to him: "These three girls need to go to Tianyuan Dynasty. I hope you can arrange them to go there."

Chen Feng sought Lu Yutang because he knew how difficult it was for Chaoge Tianzi City to travel to Tianyuan Dynasty.

Chaoge Tianzi City is in Zhongzhou, in the center of the entire Longmai Continent, while Tianyuan Dynasty is in the Southern Wilderness.

The Southern Wilderness is a very huge area. Chen Feng once thought that the Southern Wilderness was the southernmost piece. Later, he learned that the Southern Wilderness is a huge area with a radius of more than one billion li.

Smaller than Zhongzhou, but not much smaller.

However, the Tianyuan Dynasty was just a very small force in the Southern Wilderness, and it was inconspicuous at all.

There are many powerful forces and clan-controlled areas on this road. These three women are all beautiful people.

Especially Chen Ziyuan, with the five-element fine gold body, is more likely to be coveted.

Therefore, the three of them are actually very dangerous.

Chen Feng must find reliable people to entrust them.

After listening to Chen Feng's concerns, Lu Yutang slowly nodded, and said, "Master Chen is very considerate. This is indeed the case."

He thought for a moment, then suddenly clapped his hands and said: "Our seven-star auction house, in three days there will be a caravan leaving."

"This caravan goes from Chaoge Tianzi City to the Southern Wilderness, and on the way it has to pass through the areas of major forces and major families."

"The main purpose is to buy various rare treasures of the Southern Wilderness, the farthest, in fact, can't reach the Tianyuan Dynasty, but..."

He smiled and said, "I still have some face now, and I can change their final destination to Tianyuan Dynasty."

"In this case, they can stay in the Tianyuan Dynasty for almost a month or two."

"At that time, a few girls will go with them, and there will be a caregiver on the way, and those forces, seeing my banner of the Seven-Star Chamber of Commerce, will always give some face."

The more he talked, the more he felt what was going on. He clapped his hands and said with a smile: "It just so happens that the Tianyuan Dynasty was in the Southern Wilderness, and there were a lot of goods unique to the Southern Wilderness, so it's reasonable to go there."

Chen Feng smiled slightly, knowing that this matter was resolved in this way.

"Then, thank you brother Lu." Lu Yutang laughed and said, "The two of us, don't be so polite!"

The caravan will not set off until three days later, and now it is not in a hurry.

Therefore, Chen Feng returned to the Xuanyuan family with Ji Caixuan, Chen Ziyuan, Shen Yanbing, and Zihuo Zhenling.

When they came to the gate of the Xuanyuan family and saw Chen Feng, the guards straightened up immediately.

It's just that they looked at Chen Feng, and there was a strange look in them.

In the old days, they looked at Chen Feng's gaze, and there was nothing but respect, and even a lot of flattery.

But at this time, it was with a trace of mockery, a trace of joking, and a trace of gloat.

Many people's eyes are full of expectations.

Chen Feng glanced at them, feeling that their emotions seemed a little weird.

However, Chen Feng didn't think much, just shook his head, and led a group of people into the high gate compound.

Unlike other people, although Shen Yanbing came here for the first time, she knew how prominent the Xuanyuan family was, but she still looked calm and calm.

Chen Feng has a lot to say to him, but because of Ji Caixuan, Chen Ziyuan is there, but it is not convenient.

Therefore, he wanted to have a long conversation with Shen Yanbing Bingzhu after everyone was asleep after returning home, to talk about the past of this period of time.

There is no distracting thoughts, after all, although he and Shen Yanbing have love between men and women, they are more like friends and confidantes.

As soon as he entered the Xuanyuan family, Chen Feng immediately felt something was wrong.

The maids in the Xuanyuan family looked at Chen Feng, as if they were full of profound meaning.

Many people's eyes are gloating.

And some people still have a trace of pity in their eyes, just like looking at a dying person.

"What exactly is going on?"

[Chapter 2905: A good dog does not stand in the way!](#)

Chen Feng saw their expressions, and then thought of the expressions of the guards at the door just now, and suddenly there was a slight uncomfortable feeling in his heart.

However, he didn't feel any danger, and there was no ominous warning.

It just felt that the attitude of these people made him very uncomfortable.

There was no change on Chen Feng's face, but his eyes became colder!

Chen Feng has not yet returned to his small courtyard, and is walking forward on this square.

Suddenly, in the courtyard next to it, a group of people came out talking and laughing, hundreds of them.

Most of these people are young people, all of whom are strong.

Chen Feng couldn't help but was taken aback, and then suddenly.

They were the children of the Waizong. Chen Feng hadn't seen them in some days. After all, he didn't return to the Xuanyuan family much.

After seeing Chen Feng, their faces were taken aback.

Then, most people showed respect on their faces, after all, they had personally seen how powerful Chen Feng was.

However, there were still a few people who looked at Chen Feng with a hint of deep meaning.

One of them, a young man in white robe in his twenties, raised his chin and said, "What are you doing with this look?"

"He still doesn't know if he can survive today! Hahaha! Is it useful to still flatter him now?"

"Maybe he will die soon!"

After speaking, he raised his brows and looked at Chen Feng with a very provocative look.

The "he" in his mouth is naturally Chen Feng.

Chen Feng frowned, "What does this person mean?"

After the white-robed youth said this, many people now echoed: "Yes, he may not survive today."

"Hahaha, that existence appeared? He will really be killed!"

"Yes, after all, that person is so strong, how can Chen Feng be his opponent no matter how strong it is?"

Chen Feng frowned.

"That one exists?"

At this moment, suddenly, a roar like a thunderstorm suddenly sounded: "Chen Feng, you bastard, the old man is here to take your life!"

Chen Feng heard this voice a bit familiar.

The moment he reacted in his mind, he immediately thought of who it was.

So Chen Feng immediately understood what was going on.

In the palace in front, a person walked out slowly.

This person is extremely tall, with gray hair and extremely cold eyes.

He was wearing a white cloak with a huge star embroidered on it.

The Greatcloak was hunting in the wind, and he slowly walked towards Chen Feng, his eyes full of murderous intent!

The murderous aura on the body was almost as strong as it condensed into the same substance.

This incomparable murderous aura overflowed, and the people around were forced to step back again and again, with a look of horror on their faces!

"What a murderous spirit!"

"Such a murderous intent, I don't know how terrifying the strength is!"

Facing this incomparably powerful murderous aura that seemed to crush people to death, Chen Feng's mouth showed a slight smile.

He raised his chin and said slowly, "Xuanyuan Ruofeng, don't come here without problems?"

It turns out that this person is Xuanyuan Ruofeng!

The only star-catching elder in the outer complex!

At the beginning, Chen Feng had dealt with him. His grandson died in Chen Feng's hands. He was also humiliated by Chen Feng on the spot. Later, he was punished to face the wall and was not allowed to leave.

Unexpectedly, he came out today.

As soon as Chen Feng saw him, he immediately understood all this.

Thinking of the weird expressions on those people's faces, thinking of the provocative words of the white-robed youth just now, it turned out that all of this came from Xuanyuan Ruofeng's exit.

They all believed that when Xuanyuan Ruofeng left the customs, it was time for him to die.

A sneer appeared at the corner of Chen Feng's mouth: "It's really a bunch of idiots!"

Xuanyuan Ruofeng stared at Chen Feng, his face extremely cold, and said, "Chen Feng, should you remember?"

"Not long ago, on the big campus, my grandson was killed by you."

"And I was humiliated by you on the spot, faceless, and later I was forced to face the wall."

"Today, I am out!"

He smiled and looked at Chen Feng and said, "Today is your death date. I must let you die!"

His face was very peaceful, and his voice was not very loud, as if he was talking about something very ordinary.

It sounded like there was no fluctuation in mood, and even afterwards, there was a smile on his face.

However, the bitter hatred buried in that voice is clear to everyone!

At this time, Shen Yanbing and his party also saw the crisis facing Chen Feng.

But none of them panicked, all stood aside, for fear of disturbing Chen Feng.

There was a confident smile on his face.

Not long ago, they had just seen Chen Feng destroy the true dragon Arhat Sect with their own power.

"What is this old thing? Can it be compared to the real dragon Arhat? Chen Feng must have no problem dealing with him!"

Chen Feng glanced at Xuanyuan Ruofeng, but just glanced at it.

Then, he lowered his head boringly, rubbed his fingers, then yawned, and said lazily, "A good dog does not stand in the way!"

Seeing what Chen Feng looked like at this time, and hearing these words, everyone was in an uproar.

The coldness in Xuanyuan Ruofeng's eyes suddenly became countless times more intense, and it seemed that they could all turn into flames and soar.

His expression was extremely cold, and Chen Feng's attitude at this time was undoubtedly full of contempt and disdain.

With his current appearance, he obviously didn't take Xuanyuan Ruofeng into his eyes at all.

Among the crowd, the white-robed youth shouted: "Chen Feng, what are you crazy? What are you crazy?"

"Don't pretend to be here, don't you think we can't see it?"

He snorted disdainfully, and said: "You must have been panicked to the extreme right now, you are just trying to pretend to be calm."

"You must be very scared now, very worried that Senior Xuanyuan Ruofeng will kill you?"

Chen Feng didn't even look at him, and yawned lazily.

He suddenly said: "Are you the roundworm in my stomach? How come you know my thoughts so clearly?"

There was a burst of laughter among the crowd.

The white-robed young man's face was flushed red, and he yelled frantically, "Chen Feng, it won't be long before you are proud, you will be killed in a while."

Chen Feng shook his head, feeling very crooked in his heart.

He suddenly turned his head, looked at the white-robed young man, smiled and said, "You must think that Xuanyuan Ruofeng has left the pass, it is my death date."

"You definitely think I'm not his opponent at all, do you?"

The white-robed youth nodded his head and said, "Yes!"

#### [Chapter 2906: I choose, the third way!](#)

"Senior Xuanyuan Ruofeng, but the senior masters of my Xuanyuan family, who rank in the forefront of the entire outer sect."

"What about you? Although you have some adventures and are now famous, how can you compare with such a long-standing master?"

"Senior Xuanyuan Ruofeng, he was suppressed by Elder Xuanyuan Xiaoyue at the beginning, so he had to face the wall. Do you think it is really your credit?"

There was a disdainful sneer from his nostrils: "You are only drenched in the light of Elder Xuanyuan Xiaoyue, now Elder Xuanyuan Xiaoyue is not here, I see who can save you!"

As soon as he said this, many of the Xuanyuan family's children from the outer sect nodded and agreed.

Their gazes at Chen Feng also changed, with more doubts and disdain, and a lot less awe before.

They remembered what happened that day, and they also felt that Chen Feng was able to make Xuanyuan Ruofeng so embarrassed by the power of Xuanyuan Xiaoyue!

"Now Xuanyuan Xiaoyue is not here, Chen Feng faces Xuanyuan Ruofeng, there is only one way to be killed!"

"Yes, Chen Feng will undoubtedly die today!" Everyone said one after another.

At this time, there were already many people around, there were as many as thousands.

There are not only these Xuanyuan family's outer children, but also many Xuanyuan family's maids and servants to guard and so on.

They are all here to watch the fun.

"Yes, of course Master Xuanyuan Ruofeng will win."

"What a master master is, how could Chen Feng be his opponent?"

One person shouted.

This person is a guard, with no knowledge or strength.

However, his opinions represent the opinions of most people.

They heard something about how powerful Lord Xuanyuan Ruofeng was, and naturally they didn't think Chen Feng would be his opponent.

Chen Feng looked at them and shook his head: "It's really fearless for the ignorant!"

It turned out that at this time, Chen Feng's record in the true dragon Arhat Sect, his glorious deeds, and the news of killing the Nine Star Martial Emperor peak power Lian Xing Sword, had not yet reached Chaoge Tianzi City.

After all, Chen Feng came back using Jinpeng Zonghou Jue.

In this world, how many people can have his speed?

Moreover, there are many warriors onlookers who are busy snatching the treasures left by the true dragon Arhat Gate and fighting each other. Where can there be time to go out?

It will take at least a few days before Chaoge Tianzi City can get the news that Chen Feng has killed Lianxingjian.

At that time, they could realize the power of Chen Feng.

These nine forces, like the Xuanyuan family, should have known earlier, but they won't find this level.

Therefore, they don't even know that Chen Feng already has the strength comparable to the peak level of the Nine Star Martial Emperor, and they don't even know how powerful Chen Feng is!

Because of ignorance, they dare to mock Chen Feng so much!

If they knew, Xuanyuan Ruofeng would not dare to challenge, let alone speak to Chen Feng so arrogantly!

At this time, around, dozens of rays of light flashed, and many foreign elders appeared here.

However, they were all onlookers from a distance, and no one had the intention to shoot.

Many people looked at Chen Feng with gleeful expressions on their faces, thinking that Chen Feng would definitely die.

They also longed for Chen Feng to die.

Xuanyuan Ruofeng said in a dark voice, "Boy, come here now and kowtow! Apologize! Apologies!"

"Oh, isn't it?" Chen Feng looked at him, suddenly a joking smile appeared on the corner of his mouth, and said: "This doesn't look like your style!"

"Can I just kneel and apologize? Will you spare me?"

After hearing Chen Feng's words, the crowd burst into laughter.

"Haha, this kid is really subdued!"

"Yes, he is begging for mercy!"

Chen Feng shook his head: "A group of mentally handicapped people did not even hear my ironic tone."

Xuanyuan Ruofeng said proudly, "Of course, these are not enough."

"I will take you to my grandson's grave, make you kneel there, kowtow to him, and then I will be there and kill you!"

Chen Feng smiled and spread out his hands and said, "It sounds like I am dead if I resist, and I will die if I follow you. What benefits can I get?"

"In that case, why should I listen to you?"

Xuanyuan Ruofeng said coldly, "If you kneel and kowtow for mercy, at least you can leave a whole body, I can at least let you die."

"Otherwise, I will make your death terrible! I will make you pay a heavy price for the things you did that day!"

Chen Feng smiled and said, "It seems that I have only two ways to go now."

"One is to kowtow to you, and the other is to wait for death, right?"

Xuanyuan Ruofeng laughed loudly: "You kid can see clearly!"

Chen Feng looked at him, and suddenly the smile on his face turned into a cold smile: "Sorry, I don't choose either of these two roads!"

"I choose, the third way!"

"The third way?" Everyone was taken aback when they heard: "Where is the third way?"

At this time, Chen Feng's volume suddenly rose, and he roared, and his figure jumped into the air: "The third way, that is, kill you!"

At the next moment, Chen Feng's figure was already flying straight towards Xuanyuan Ruofeng.

The person is in the air, with a punch!

Everyone exclaimed: "This Chen Feng is so bold that he took the initiative to attack Xuanyuan Ruofeng!"

"Yeah, does he think he died fast enough?" [ovelus8.com](http://ovelus8.com)

The white-robed youth sneered disdainfully and said, "I really can't help it, the worm shakes the tree!"

Xuanyuan Ruofeng laughed loudly, and said disdainfully: "Little boy, you are really overwhelmed. You don't know how many catties you have!"

"You dare to take the initiative to attack me? You really think you died too slowly!"

The next moment, he jumped up in the same figure and roared: "Little boy, I will let you see the strength of my Nine Star Martial Emperor today!"

As he said, he pointed out a finger and said: "I can crush you with one finger!"

A finger pointed out, and the extremely sharp power turned into a sword energy and shot at Chen Feng fiercely.

Blast his fist!

Xuanyuan Ruofeng's face was full of complacency.

In his opinion, this one can directly break Chen Feng's offensive and can abolish Chen Feng's cultivation.

The people around also said loudly: "Chen Feng is going to die under this finger!"

"Yes, Chen Feng can't even survive this trick!"

"No way, who told him to seek his own death? No wonder others!"

And the next moment, the proud look on Xuanyuan Ruofeng's face suddenly froze.

#### [Chapter 2907: Just one punch](#)

A touch of disbelief flashed across his face, and he exclaimed: "How is it possible? How can there be such a huge momentum?"

It turned out that at this moment, he felt Chen Feng pressed down with this fist, and the momentum was almost as if the mountain was pressed down, making him unable to resist at all!

Even, there was a mood called despair.

He screamed: "Impossible?"

Chen Feng laughed: "How can it be impossible?"

With a loud bang, the fist and the finger wind slammed together.

That finger wind was directly smashed.

But Zhifeng was unscathed, and blasted away toward Xuanyuan Ruofeng.

Xuanyuan Ruofeng was so panicked, he didn't dare to neglect anymore, and amidst the roar, he hit a dozen punches one after another to meet Chen Feng's fist.

Everyone could see that he had really tried his best.

Everyone exclaimed: "How is it possible? Chen Feng broke his offensive so easily?"

"Xuanyuan Ruofeng's offensive was actually broken by Chen Feng?"

"Chen Feng actually forced him to use all his strength! God, is this Chen Feng's strength really so much stronger than before?"

Someone said solemnly: "It seems that we underestimated Chen Feng's strength before. Chen Feng's strength can fight Xuanyuan Ruofeng."

"Yes!" In their gazes looking at Chen Feng, the disdainful color disappeared a lot, replaced by a hint of solemnity and wonder.

And the smile of the white robe youth is also frozen on his face.

But the next moment, he still said very stiffly, "Just now, because Senior Xuanyuan Ruofeng didn't put him in his eyes, he said that he didn't use his full strength."

"If Senior Xuanyuan Ruofeng uses his full strength to deal with him now, he will definitely die!"

At this moment, Chen Feng suddenly looked at him, smiled and said, "Really?"

"I have already slapped you in the face once, so you must be in a hurry, do you want to get hit by me a second time?"

In the sound of Chen Feng's playful words, he turned his head to look at everyone, and he didn't even glance at Xuanyuan Ruofeng at all. He didn't even put Xuanyuan Ruofeng in his eyes.

And his huge and incomparable fists still flew forward.

With a bang, it collided with the dozen or so punches that Xuanyuan Ruofeng had hit.

With a loud bang, Xuanyuan Ruofeng's dozens of punches were already easily broken.

In the next moment, Chen Feng's white jade-like fist was directly printed on Xuanyuan Ruofeng's chest.

In Xuanyuan Ruofeng's unbelievable gaze, a tremendous power bloomed on the surface of his body.

With a loud noise, Xuanyuan Ruofeng let out an extremely scream.

There was a clear sound of broken bones, click, click, instantly, Xuanyuan Ruofeng's chest bones did not know how many broken.

He let out a scream, spurted blood, and fell heavily on the ground, unable to get up.

He was vomiting blood crazily, his face was extremely pale, his figure was shaking, and he was already seriously injured and dying!

Everyone exclaimed: "With one punch, Chen Feng severely wounded Xuanyuan Ruofeng on the verge of death!"

Chen Feng didn't even bother to deal with Xuanyuan Ruofeng. Xuanyuan Ruofeng was just the middle stage of Nine Star Martial Emperor.

In the Xuanyuan family's outer sect, he was considered a strong person, but among those people killed by Chen Feng, it was nothing at all.

Chen Feng has killed many people who are better than him. In Chen Feng's eyes, he is like an ant that can be crushed with a wave of his hand.

Chen Feng looked at him and said jokingly: "Xuanyuan Ruofeng, now you come and tell me, how many catties do you have?"

These words immediately made Xuanyuan Ruofeng's face turn red.

Then, Chen Feng smiled again and said, "Now, you tell me, who the two of us are overpowering?"

Upon hearing these words, Xuanyuan Ruofeng blushed like pig liver.

The whole person froze there.

He looked at Chen Feng, his face was full of shock.

At the same time, there was a deep regret in his heart.

At this time, he realized how powerful Chen Feng's strength was, and it was easy to crush himself.

And he actually said something like that before, now it seems that he is really ridiculous!

Chen Feng smiled and said: "You said just now that you can crush me with one finger, but it seems that you didn't crush me with a finger. Instead, I punched me into this miserable appearance! "

Xuanyuan Ruofeng was so humiliated that he couldn't lift his head completely.

At this time, he still had a question in his heart, which became stronger and stronger.

He struggled to stand up and staggered, looked at Chen Feng, and said in a voice full of unwillingness: "You, why have you become so strong?"

"This is just a short time, how can you become so strong?"

Chen Feng smiled and said, "My world is not something you can guess. You simply can't understand why my strength will increase so quickly."

"But a pity, I can only tell, I am so strong, that is, I improve so fast!"

"How do you deserve to be compared with me?"

This sentence caused Xuanyuan Ruofeng to be struck by lightning, and blood spurted out.

At this time, Chen Feng suddenly turned his head and looked at the young man in white robe who had been mocking him before.

Smiled and said, "Did you see this scene just now?"

"Now you tell me, Xuanyuan Ruofeng and I, who is stronger? Xuanyuan Ruofeng and I, who can crush each other?"

The white robe youth was completely stupid at this time.

He looked at Chen Feng blankly, dumbfounded, his face showed an expression that he could not believe.

He just knew how ridiculous his behavior was just now.

Chen Feng is so powerful, and he is so ignorant that he dared to humiliate him, saying that he is not as good as Xuanyuan Ruofeng, he is really ridiculous!

He looked around and saw that many people around him were looking at him.

The emotions in his eyes are all pity, disdain and ridicule!

What Chen Feng said was more like a slap in the face, slapped on his face, making him uncomfortable and making him faceless.

His face was flushed and he couldn't say a word, and suddenly he turned and ran out.

Chen Feng's sneer suddenly sounded in his ear: "I just said so much bullshit, I want to run now? Do you think it's possible?"

The next moment, a force came directly from behind him.

He suddenly felt that his body was being held tightly, and he could not help but flew directly.

There was a panic in his heart, yelling, kicking his legs indiscriminately, struggling hard.

But, where are you struggling?

Suddenly, the powerful force covering his body disappeared.

With a bang, he fell directly to the ground, smashed.

[Chapter 2908: The news is coming!](#)

The people around made a burst of laughter. The white-robed youth didn't know, but they knew exactly what happened just now.

Just now, Chen Feng waved his hand, an invisible force immediately restrained the white-robed youth, and grabbed him back abruptly.

The white-robed youth stared at Chen Feng, and said with a trembling, "You, what do you want?"

He didn't have the slightest arrogance just now, replaced by a deep fear.

An ominous premonition surged in his heart, and he knew he was going to be unlucky today.

And this is the price for daring to mock Chen Feng.

"What am I going to do?"

Chen Feng looked at him, smiled and said, "As you are a child of the Xuanyuan family, I will spare your life."

"However, capital crimes are unavoidable, and living crimes are hard to forgive. You can abandon your cultivation!

"What? Cultivation at your own expense?" After hearing this, the white-robed youth trembled heavily as if struck by lightning, his face instantly turned pale, and his face was full of fear.

Self-abolition of cultivation base, for these warriors, this kind of punishment can be said to be extremely heavy!

"Why? Don't you want it?" Chen Feng looked at him with a smile and said, "Whether it's okay or not, then I will kill you by myself!"

"Now, give you two choices!"

His voice suddenly became cold and cold: "One, do it yourself, abolish the cultivation base."

"Two, let me do it, you go to die, which one do you choose?"

Hearing Chen Feng's words and seeing the cold look on Chen Feng's face, the white-robed youth immediately knew that Chen Feng was definitely not joking.

He was terrified to the extreme, and his whole body was trembling, like sifting chaff.

When everyone looked at him, there was no sympathy on his face, but gloating.

"This person really asked for it!"

"Yes, he dared to mock Chen Feng so much, he must be prepared to be killed by Chen Feng!"

"Hahaha, he deserves it! How can Chen Feng mock him? Where does he have this qualification?"

"Now be stupid!"

Chen Feng smiled at him and said, "Now, tell me, which one to choose?"

Chen Feng was smiling at this time, but the smile fell in the eyes of the white-robed youth, but it was nothing more than a desperate smile.

He was shivering and speechless.

Chen Feng's voice suddenly rose up: "Tell me, which one to choose? Otherwise, I would assume that you choose the second way!"

Upon hearing this, the white-robed youth trembled violently, and then said with a trembling, "I, I choose the first one."

Although it is painful to be abolished and repaired, it is better than losing one's life.

He gritted his teeth, and suddenly he slapped his dantian with a palm, suddenly let out a scream, and a mouthful of blood spurted out.

And at the place of his pubic area, there was a small opening, blood gurgling out from it, and at the same time, there was an incomparably powerful natal force.

Chen Feng's face became extremely cold: "Do you think I can't tell, don't you? You are like this. I don't know how many days will you be able to release your strength!"

The white-robed youth finally showed despair on his face, let out a miserable howl, and hit his abdomen with his fists one after another.

Boom boom boom, the lower abdomen was hit hard one after another.

The pubic area was shattered, and boundless power poured out frantically.

In an instant, all its power was poured out, and he was lying on the ground, covered in blood, and the whole person was already full of death.

Although he was not dead, his cultivation base was abolished, and he was almost dead!

Chen Feng looked at him, smiled coldly, and looked at everyone's faces.

The faces of the people who came into contact with Chen Feng's eyes showed a touch of fear, and they did not dare to look at him.

Then, Chen Feng looked at Xuanyuan Ruofeng, smiled and said, "Now, without me, you should know what to do, right?"

A sorrowful smile appeared on Xuanyuan Ruofeng's face: "Of course I know what to do. You will never let go of my life."

Both of them knew that Chen Feng could not spare Xuanyuan Ruofeng, he could not leave this huge danger in the Xuanyuan family.

Xuanyuan Ruofeng raised his hand and was about to commit suicide.

At this moment, a red light suddenly lit up in the distance, like a red cloud flying towards this side.

The red cloud hadn't reached the vicinity yet, it made everyone feel the surrounding temperature rise.

Soon, the red cloud floated to the front, and everyone knew after seeing it clearly, where is this red cloud? It was a huge red bat!

However, this red bat looks more like that ray in the water.

There was no feather on the two huge wings, and they looked very soft, like red water waves stirring.

This huge red bat, with a radius of several hundred meters, was still standing on it, and rushed towards the Xuanyuan Family.

In those years, those who were quite experienced and experienced in the family immediately exclaimed and said, "This is a messaging bat!"

"Yes, this is a special kind of bat monster that is unique to our Xuanyuan family."

"It doesn't have much offensive power, and it's not very powerful, but the speed is extremely fast, and it is specially used to communicate between various parts of the family."

"Why are you here in such a hurry?"

"Yes, generally speaking, this messenger bat descends silently at night, in order to fear that the news will walk and cause people to panic. Unless it is a very important matter, it will not be in front of the day. The face of so many people landed!"

"What happened?"

Many people are panicked.

At this time, the huge red bat also fell on the square, and a man jumped from above.

His face was pale, and his lips were chapped. It was obvious that he had been rushing all the way and suffered a lot.

After arriving on the ground, he staggered and almost couldn't stand firmly.

As soon as he turned his head, he saw Chen Feng, and his eyes burst into a huge expression.

Then, he looked at the dozen or so elders above the sky, and he also saw Xuanyuan Ruofeng, but his eyes stopped for a while on Xuanyuan Ruofeng's face, and he didn't notice him at all.

Seeing this scene, Xuanyuan Ruofeng's heart was like falling into an ice cellar.

At that moment, there was hope in his heart. *novelusb.com*

What if this messenger bat was sent by a powerful figure in Nei Zong to save his life?

Although he knew that the possibility was very slim, he still hoped for it.

But now, this hope is dashed.

Everyone's eyes fell on the messenger, wondering what kind of news he brought.

The messenger faced everyone with a smile at the corner of his mouth, the smile getting bigger and bigger.

Then, his eyes finally fell on Chen Feng.

He shouted: "Just two days ago, Chen Feng, a son of the Xuanyuan family, at the True Dragon Arhat Sect, killed the Nine Star Martial Emperor peak powerhouse, the true dragon Arhat Sect Lianxing Sword!"

### Chapter 2909: The whole city is shocked!

"And destroyed the entire true dragon Arhat Gate!"

"With my own power, I overturned this powerful sect comparable to the Eighth-Rank family!"

He shouted loudly: "This is a great event for our Xuanyuan family, a happy event, worthy of everyone's congratulations!"

"what?"

When this sentence was said, everyone was dumbfounded.

"Who would have thought that Chen Feng was so terrifying to this degree?"

"It's amazing! Chen Feng has grown into a powerhouse of this level before quietly speaking!"

Some people disdainfully retorted: "What does it mean to grow up to this level in silence? It's obviously that you are ignorant."

"If you are more concerned about things in Chaoge Tianzi City, you will know that Chen Feng has already become famous for a long time!"

"God!"

Someone exclaimed: "It's so amazing. I know he is very strong, but I didn't expect him to be so strong."

"Even the nine-star peak powerhouse can be killed. Doesn't that mean that his strength is infinitely close to the half-step Wudi?"

"It's terrible! A young man of twenty-six or seventeen years old, can he achieve this level?"

What this person said also represented the aspirations of everyone at this time.

All members of the Xuanyuan family, including the elders above the sky, all turned their eyes to Chen Feng.

The gaze was full of exclamation, praise, disbelief, reverence, and awe!

Chen Feng is really a collection of miracles!

If they hadn't known that the family messenger would never say a lie, I am afraid that no one would believe the news!

In the face of everyone's gaze, Chen Feng's face was indifferent.

He didn't even have too much in his heart, because Chen Feng knew everything he did.

These people didn't know before, just because they were ignorant!

And that is, tonight, countless messengers shuttled around the Dragon Vein Continent, bringing this news to the major forces.

Overnight, the entire Chaoge Tianzi City, the sects and clan who were eligible to receive the news, all knew the news that Chen Feng killed Lianxingjian!

This night, I don't know how many people stayed up all night, re-evaluating Chen Feng's strength!

There are even more powerful elders among many forces, looking at the direction of the Xuanyuan family with envy!

"Xuanyuan Family, there are people who succeed!"

This is the first thought that springs up in many people's minds.

At this time, the despair on Xuanyuan Ruofeng's face was already strong to the extreme.

He let out a loud roar: "I knew you were so powerful, even if I died, I wouldn't dare to provoke you!"

As he said, he drew the long sword from his waist and drew it across his neck.

His body fell heavily to the ground, and the light in his eyes was scattered, he was already dead!

Glancing at him faintly, Chen Feng ignored the others and walked forward with Shen Yanbing and his party directly.

Everyone gave way and looked at him with awe.

Even the elders who looked at Chen Feng at this time, including the elders of the outer sect, no longer had the previous provocation.

At this time, their hearts are full of convincing.

They wanted to provoke Chen Feng, and wanted to give Chen Feng a look, because they felt that Chen Feng was not that strong yet.

But now, Chen Feng has grown to a point where they are not even qualified to look up. Then, they found that all the hatred had no meaning.

Because they knew that no matter how much they hated Chen Feng, they couldn't hurt Chen Feng's feathers.

An elder sighed dejectedly, looked at the others and said, "When Chen Feng first came to our Xuanyuan family more than two months ago, who would have thought that he would grow to this level?"

"It's terrible! This Chen Feng will surely become a legend in the Longmai Continent in the future!"

Everyone nodded, and they thought so too.

And when Chen Feng was in the Xuanyuan family and taught Xuanyuan Ruofeng, in Zihuo Town, tens of millions of miles away from Chaoge Tianzi City, a stranger in black robes also ushered in.

This person is not tall, wears a black burqa, and has no momentum.

It looks like countless warriors who are walking around in various places around Chaoge Tianzi City.

Ordinary and ordinary.

He came to this purple fire town and looked around.

Zihuo Town at this time was already much more prosperous than before.

Chen Feng destroyed the Shadow Gang with one hand. After the Shadow Gang disappeared, a large number of forces quickly poured into Zihuo Town, trying to divide the benefits of the Zihuo Marsh.

However, for a while, no one can convince anyone.

Moreover, without the shadow gang, this behemoth is rampant here, the warriors who come here don't need to hand in so many things to the shadow gang, they can leave more in their hands.

Therefore, more warriors are attracted here.

Almost overnight, there were ten times more people here than before.

Among them, there is another extremely important reason...

Several warriors walked on the street here, and one of the small round-faced young men lowered their voice to the companions next to them, and said with a somewhat curious look:

"I just went out to inquire about it. Guess, what did I find out?"

Everyone turned their gazes at him, he smiled lowly and said very proudly:

"It is said that when Chen Feng first came to Zihuo Town, although his strength was strong, he was not so strong that he was not the target of an elder of the Shadow Gang."

"As a result, he has only stayed here for more than a month, and he has grown to an extremely terrifying level."

"Even, the Shadow Gang was killed by him!"

"It is said that there are several very rare and powerful treasures buried in this purple fire swamp, and Chen Feng got one or two of them."

"There is more, waiting here for people to find."

Hearing what he said, the faces of his companions were different.

Some were very excited, while others were full of disbelief, and said, "How is it possible? If there is a treasure, someone has long been discovered, and Chen Feng's turn?"

The small young man was rebutted and said unconvincedly: "The treasure has its own chance, and it has nothing to do with time."

"Furthermore, if it weren't for the treasures here, how to explain Chen Feng's strength after coming here?"

The person who refuted him said: "It may be that Chen Feng's talent is already good, so let's break through here."

However, the words of the small young man have been recognized by more people.

They argued for a while, and finally, a tall middle-aged man who looked like their leader whispered: "Okay, don't say anything."

[Chapter 2910: The hatred of the ancestors of Montenegro!](#)

"This secret, although many people know it, it is not yet known to everyone."

"I also think that Chen Feng should have an adventure here. Let's go in quietly. It's best if we can find nature."

Everyone nodded fiercely, their faces full of longing!

These words of theirs lowered their voices so that no one could hear them, but the black-robed man passing by them could hear them clearly.

A sly smile was outlined at the corner of his mouth, and he whispered to himself: "Is Chen Feng?"

"It sounds like a very interesting young man."

And suddenly, at this moment, his ears moved and his expression suddenly became cold.

Because he heard four words: "Black Mountain Five Tigers."

He immediately looked in the direction of the sound.

It was in a shop, and he stepped into that shop, which was a drug store. He looked around pretending to be nonchalant, but he was listening to someone talking in the corner.

Those were two middle-aged people, one of them smiled at the other tall and thin man: "Brother Zhao, I asked you to come to this purple fire swamp several times and you haven't been here. Why did you come here by yourself this time?"

The stiff look on Brother Zhao's face twitched, and he said: "Who didn't know, the Five Tigers of the Black Mountain and the dog thieves, among the Purple Fire Marsh and Chaoge Tianzi City, intercepted and killed people, specifically staring at those A strong man."

"I can be considered a bit of strength. It's the kind they can just kill. If I come here, I dare say that no matter what I take with me, they will definitely be targeted on the road."

"At that time, I don't know how to die, do you think I will come here?"

Hearing what he said, his companion nodded and said, "That's right."

"Brother Zhao, with your strength, the Black Mountain Five Tigers can just kill them, but they can't kill anyone who is stronger than you."

"It is the truth." Brother Zhao said.

A smile of joy suddenly appeared on his face: "Do you think I don't want to come here? It's just that I dare not come."

"But it's different now!"

He laughed and said, "The Black Mountain Five Tigers have already been killed by Chen Feng, and no one can intercept them anymore."

"So, I'm here this time, ready to make a fortune, by the way..."

He lowered his voice and said, "Look at the legendary treasure that made Chen Feng soar."

"Hahaha, how about that little brother and older brother?" his companion said with a smile.

"Good! Then let's go together!"

The two said, leaving here.

Looking at their backs, the black-robed man's complexion was already as cold as ice.

In his eyes, there was a murderous look.

He also walked out of this shop, with a cold smile on his mouth, and whispered to himself: "That's it, you did it."

"What I said, why when I was cultivating, the breath of my good disciples suddenly disappeared without a trace, it turned out to be killed by you!"

"Boy, you are cruel!"

There was a strong murderous intent on his face: "How can I spare you?"

"Chen Feng, you must die!"

At this moment, the voices of several people nearby floated over.

"Have you heard? The Five Black Tigers are dead!"

Someone sighed and said, "The Black Mountain Five Tigers are not only terrifying, but the existence behind them is even more terrifying."

"This person is said to be the master of the Five Tigers of Montenegro. He was also a lone thief who murdered without blinking his eyes, crossed the world, and did all bad things."

"He killed, not ordinary people. He specifically killed the young strong men in the big clan and big families, because these young strong men have poured a lot of family and sect effort into them. They often carry a huge amount of pill, precious Magic weapons and very rare drugs."

Another person said in an interface: "Yes, he obtained a lot of training resources very quickly from this, and built himself into a nine-star Wuhuang peak power."

"Not only is he strong, but he has a wide range of knowledge and knowledge, so he can teach apprentices like the Black Mountain Five Tigers!"

An old man sighed: "It was the peak of the Nine Star Martial Emperor, but now I don't know how strong it is!"

"Then Chen Feng, offended such a strong man, I'm afraid it is a bit bad!"

"Yes!" Everyone nodded.

The man in black listened quietly, with a smile on his face.

It turned out that this man in black was actually the ancestor of Montenegro!

Hearing these words, the ancestor of Montenegro was a little proud.

He wandered around here for a few laps, carefully inquired about the situation, and finally confirmed that it was indeed the Five Black Tigers killed by Chen Feng.

Even, he even knew many details.

After confirming that it was Chen Feng, he quickly left here.

The direction he was going was absolutely: Chaoge Tianzi City!

After returning home, Chen Feng discovered that his mother was not here and did not know where she had gone.

However, Chen Feng is not worried.

Mother herself is powerful, and her whereabouts may have been a bit secretive, many times Chen Feng did not know her whereabouts.

It's just that the house is not enough for living now.

So Chen Feng and Shen Yanbing and the others altogether cut wood and dig stones together, and built three more wooden houses behind the three houses now.

Although it is simple, it was built by itself, and it was a pleasant one.

Chen Feng will stay here for another day, because when he went to the Seven-Star Auction, he had already asked Lu Yutang and got a positive answer.

That is, after a day, he can prepare those things he needs.

Now it is not available.

After the house was built, Ji Caixuan took a look at Chen Feng and said wittily: "Master, the slave and maid will not bother you. The slave and maid are a little tired. Go back and rest first."

After speaking, he turned and left.

Before leaving, she pulled Chen Ziyuan's sleeve.

Chen Ziyuan was stunned for a moment, and then also knowing.

Ji Caixuan wanted to leave room for Chen Feng and Shen Yanbing.

She couldn't help but feel jealous, but she was also a person of general knowledge, nodded with a smile, and followed Ji Caixuan to leave.

Not to mention Zihuo True Spirit, he didn't know where he went.

For a time, only Chen Feng and Shen Yan were left in it.

, The air in the room was momentarily stagnant, and it was quiet.

Chen Feng turned his head and looked at Shen Yanbing.

Shen Yanbing's face is still extremely cold, even the expression on her face hasn't changed, faint, full of calmness.

In the depths of his gaze, there was unspeakable strength.

Just like myself, when I first met her.

For a moment, Chen Feng felt a little surprised.

"When I first saw Yan Bing, I was still in Qian Yuanzong."

"At that time, I was just sixteen years old."

"Now, time is passing by. I am twenty-six years old. We have known each other for ten years."
