[Chapter 3421: The seal, it turned out to be a seal!](#)

Chen Feng shook his head and said, "I don't serve such people."

"Yes, why wait for her!"

When Miao Yiyun heard it, he didn't know what happened, and he was a little happy in his heart.

"Yes, Brother Feng Chen, you are strong, tall and handsome, and you are a disciple of the Beidou Sword Sect."

"What a great character, let's not look for such a person, some girls want to marry you!"

As he said, he suddenly turned to look at Zhong Lingzhu, and said, "Lingzhu, when you grow up, will you be a daughter-in-law for Brother Feng Chen?"

Zhong Lingzhu had been hiding in the crowd just now and didn't speak.

Suddenly, when Miao Yiyun said such a sentence, he was stunned.

Then the next moment, his little face flushed with shame, turned around and ran away, covering his face.

Chen Feng looked at Miao Yiyun helplessly, and said, "What nonsense?"

"Don't think I don't know, Brother Feng Chen."

Miao Yiyun smiled and said, "These days, the look in Lingzhu's eyes is different from that of us."

Chen Feng was taken aback, then touched his nose and smiled bitterly.

Only then did he know that they were all in the eyes of the things he wanted to talk to Zhong Lingzhu these days.

It's just not broken.

Everyone laughed together, but they all laughed kindly.

At this time, Zhong Lingzhu poked his head from behind the door not far away, and looked at Chen Feng curiously.

Chen Feng squeezed a grimace at her, Zhong Lingzhu giggled, and disappeared.

But perhaps because of this incident, Zhong Lingzhu has a sense of intimacy with Chen Feng.

Therefore, when Chen Feng held a cup of tea in the evening and went to look for Zhong Lingzhu slowly, Zhong Lingzhu also ran away as usual.

Chen Feng looked at Zhong Lingzhu, smiled slightly, and said, "How about a few words with Big Brother?"

Zhong Lingzhu nodded, looking at him with big eyes like morning stars.

Chen Feng took her to a clean room next to him. They sat cross-legged, and Zhong Lingzhu looked at him with a very curious look.

Chen Feng smiled, and did not immediately ask his own questions, but picked up the things he had experienced over the years, and made up several stories from the experiences on the mainland.

Soon, Zhong Lingzhu was very engrossed.

She has never left Tianlong City in these years. To be precise, she should have never left this bamboo forest medicinal food studio. Where does she know the excitement of the outside world?

Where have you heard such a story?

How could anyone be willing to accompany her like this and tell her about these things?

After telling a few stories, Zhong Lingzhu was very close to Chen Feng and said with wide eyes, "Brother Feng Chen, are there anymore?"

Chen Feng shrugged and said, "That's all for today. If you want to hear it, I'll talk to you tomorrow."

Obviously Zhong Lingzhu was still a little bit interested, and immediately ran over to hold Chen Feng's arm, and there was a sound of aegyo in his throat.

Said: "No, no, Brother Chen Feng, can you tell me another story?"

Chen Feng smiled, smug in his heart, and said, "Well, if you want your brother to tell you a story, that's fine."

"But you have to answer a few questions from brother."

"Okay, okay, I will answer them all." Zhong Lingzhu looked at Chen Feng and said expectantly: "Brother, ask!"

Chen Feng whispered, "Where were you before you came here?"

A look of confusion appeared on Zhong Lingzhu's face.

She looked at Chen Feng and said softly: "I, I don't know!"

"Don't you know?" Chen Feng raised his eyebrows and asked: "You have no memory of that paragraph at all?"

"No, I don't have any impression. I feel as if I only knew about my own existence since I came here."

"Before me, everything was stunned, I can't remember anything!"

Chen Feng's eyes shrank suddenly, thinking of a possibility.

He whispered: "Lingzhu, don't be afraid, brother wants to test it for you."

Zhong Lingzhu nodded heavily.

Chen Feng's hand was gently placed on Zhong Lingzhu's head, and then, a force quietly popped out.

That power is Chen Feng's spiritual power.

He was very cautious, for fear of harm to Zhong Lingzhu.

Chen Feng's spiritual power slowly probed in. At this time, it was a pale blue space, and there were countless spiritual powers wandering in the space.

It is the spiritual world of Zhong Lingzhu!

A golden spiritual power suddenly broke into it, and this spiritual power exuded a gentle and comfortable feeling. This kind of breath calmed down the originally frightening spiritual power in Zhong Lingzhu's spiritual world.

They even felt that the strength and gentleness of this golden spiritual power derived from Chen Feng, as well as the benefits of being around him.

They all got together one after another.

Chen Feng's golden spiritual power wandered in it, exploring forward.

Soon, he saw that in the center of the spiritual world, a cyan spiritual force hovered there.

Chen Feng was overjoyed. He knew that this was Zhong Lingzhu's main spiritual power!

Chen Feng immediately planned to lean over!

When Chen Feng's mental power had just come into contact with Zhong Lingzhu's mental power, he suddenly felt that the sky was spinning before him.

In an instant, it changed!

The extremely cold and obvious spiritual power just disappeared, and replaced by a vast white mist.

This white mist has no boundary, no size, no source.

Just like that suddenly appeared in front of Chen Feng, hovering here.

Chen Feng was startled: "How can my mental power suddenly fall into the mist?"

The next moment, suddenly, in the mist, there was an earth-shaking roar.

This roar was extremely tyrannical and bombarded Chen Feng fiercely.

And Chen Feng's eyes that were already closed instantly opened.

In those eyes, the pupils were turned outwards, there was no focus, or even a loss!

But at this moment, in a daze, a trace of domineering fierceness flashed through.

A golden lightning flashed across!

The next moment, in Zhong Lingzhu's spiritual world, Chen Feng's spiritual power also roared not to be outdone!

Behind him, there seemed to be a figure of Ba Snake Wuhun flashed by.

It collided with the power in the mist fiercely!

The next moment, Chen Feng was struck by lightning.

In the real world, he opened his eyes violently and his body shook violently.

He felt a great pain in his head, and he even tilted his body and fell directly to the ground.

It turned out that under that collision, Chen Feng's mental power was already injured and he was directly forced to return to his body.

However, the unknown spiritual power in the mist was not better, and Chen Feng hit back directly back into the mist without any movement.

After a while, Chen Feng slowed over.

The expression returned to normal, and a sneer appeared at the corner of his mouth: "Seal, it turned out to be a seal!"

[Chapter 3422: Help you teach him!](#)

It turned out that at that moment, Chen Feng felt that in Zhong Lingzhu's spiritual world, the periphery of his spiritual power was actually enveloped in a mist.

And that layer of mist is a powerful seal!

This seal is obviously...

Chen Feng coldly spit out a few words: "Her memories before she was five years old!"

"I don't know who set this seal, and I don't know what your purpose is!"

Chen Feng's eyes were cold: "But if you dare to touch the most important person right now, that is, you can't live with me, Chen Feng!"

"Wait, I will find you! Let you know how good I am!"

At this time, Zhong Lingzhu slowly regained consciousness.

Her face was blank, looking at Chen Feng, she asked in a daze, "Brother Feng Chen, how is it?"

Chen Feng asked softly: "You didn't suffer any damage just now, did you?"

"No."

Zhong Lingzhu said: "Just now, I felt confused, and then I didn't know anything."

Chen Feng sighed lightly, smiled and said, "Nothing else, come, brother will continue to tell you the story, OK?"

Zhong Lingzhu quickly forgot about the incident, clapped his hands and smiled: "Okay!"

So Chen Feng told a few more stories and coaxed her down.

At noon the next day, Chen Feng remembered the agreement with Qi Wenxia.

He didn't want to go, but after thinking about it, he sighed slightly and said, "Forget it, Aunt Su treats me well and is very enthusiastic."

"Qi Wenxia fooled around with them, and didn't know what would happen."

"I went, and there is always a babysitter."

Chen Feng was very kind, so he walked directly to the agreed place.

The agreed place is a medicated food restaurant.

Medicinal Food Studio has an extremely important position among the powerful and powerful families in Tianlong City.

They meet and talk about things on weekdays, and many of them are held in the medicated fast.

This medicinal restaurant is not as noisy as a restaurant, but there are food and drink.

What's more, they drink medicated meals that can increase their strength or beauty, and they eat extremely delicate delicacies, which is much higher than the average wine floor.

Moreover, it is quite elegant, and it is also very face-to-face here.

So they come here very often.

This medicated diet is called Baihua medicated diet.

The Baihua Medicinal Diet Zhai is much higher than those in Xiacheng District.

It can be seen from the location.

This place is located in Zhongcheng District, and the ability to open such a large medicinal food fast in Zhongcheng District should not be underestimated.

Of course, this is just compared with the general medicated food fast in Xiacheng District.

For example, Zhulin Medicinal Food Studio, which has a special background, is not necessarily much weaker than Baihua Medicinal Food Studio.

There are large areas of white birch trees around Baihua Medicinal Cafe, and the scenery is quite good.

In a sacred house near the woods with a great view, Qi Wenxia and two women were sitting around a small table.

There is a large window next to it. At this time, the bamboo curtain is rolled up and the scenery outside is unobstructed.

Qi Wenxia was opposite the two women, one of whom was wearing a black tight leather jacket, which perfectly outlined the figure.

She has a small round face, short hair about to reach her ears, and she looks quite wild.

There is a small dagger hanging around his waist, but it looks more decorative than actual combat.

At this moment, her face was smiling and she was talking to Qi Wenxia.

The chattering in his mouth is obviously a kind of silly temperament.

And there was a hint of arrogance between the eyebrows.

Next to her is a tall woman who is wearing a blue dress.

The fabric of the cyan long skirt is quite ordinary, it seems that it is just ordinary people's, not very expensive.

And she didn't apply powder on her face, and even the hairpin on her head was an ordinary ebony hairpin.

Obviously, this person's family situation may not be very good.

But she has a very good body, a beautiful appearance, and a noble temperament.

Wearing an ordinary cyan dress like this, sitting there, silently, like an empty valley orchid.

It seems that this entire space has become quiet.

No one can ignore it.

In terms of appearance, she is the first among the three women.

In terms of her temperament, she is even more doing her part.

At this time, the wild girl snorted, a little more dissatisfied between her eyebrows, and said: "This Feng Chen is really big enough to let us wait for him?"

"Doesn't he think that it is wrong for three young ladies to be waiting for him such a humble and tiny boy of unknown origin?"

Qi Wenxia sighed, and said, "After all, it's from a small place. What kind of etiquette can I know?"

The round-faced girl smiled and said, "My Zuo Tian and brother are the best."

"That is, who can compare with Zuo Tian? Who doesn't know, Miss Gui Qing Wengui, no one is convinced, just to Zuo Tian's kimono?"

It turned out that this wild woman was named Gui Qingwen.

She chuckled, and suddenly leaned in and said, "Miss Qi, tell me the truth, is this Feng Chen stalking you now?"

Qi asked Xia in a daze.

She thought about it, and it seemed that Feng Chen hadn't stalked herself.

Even, there is some indifferent attitude towards oneself.

But she changed her mind: "Perhaps Feng Chen wanted to use this method to attract my attention to him?"

Seeing that he didn't speak, Gui Qingwen looked like this as expected.

She snorted and said with disdain: "A kid from a foreign country, what kind of thing? It's also a toad who wants to eat swan meat!"

"He still wants to be with you? Is he worthy?"

After that, he looked at the tall woman next to him and asked, "Bai Jingwan, don't you think?"

The two of them are discussing lively here, only the tall girl did not speak.

On the contrary, he frowned, as if it was a bit wrong to talk about others behind his back.

She just smiled politely, and didn't talk.

Qi Wenxia and Gui Qingwen seemed to be accustomed to her reaction.

Gui Qingwen suddenly hugged her, clattered, kissed her on the face, and smiled: "Jing Wan, you, you are too cautious, what's not to say?"

Bai Jing shook her head slowly and said, "It's not hard to say, but I don't want to say it."

They obviously have a very good relationship, she said so, and Gui Qingwen was not angry.

Just giggled and said: "Okay, okay, it's up to you."

She said a few words to Qi Wenxia, suddenly winking her eyes, and said narrowly: "Miss Qi, do you want me to let Zuo Tianhe help you teach that guy named Feng?"

When Qi asked Xia, he was stunned.

Then, a little worried, he said, "Qingwen, don't mess around."

[Chapter 3423: Melt yourself in the world!](#)

"My mother likes Feng Chen very much. If he has a long history and two shortcomings, my mother will never spare me."

"Oh, you can rest assured!"

Gui Qingwen giggled, gently squeezed Qi Wenxia's face, and said:

"Don't worry, just humiliate him and make him faceless in front of everyone, and he won't have the face to stalk you again in the future."

"However, there is absolutely no life worry."

Qi Wenxia listened to it, and did not speak any more, just as acquiescence.

At this moment, she glanced out of the window, and suddenly saw a figure walking towards this side.

He whispered: "He's here."

"Oh, the kid surnamed Feng is here?" Qi asked Xia and Bai Jingwan both looking out with interest.

Then they saw, at this moment, on the path in the forest, a figure slowly came.

At this time, it is already late autumn.

A gust of wind came, and the yellow leaves drifted.

Above the white-flowered tree, there was a mottled body, which seemed to add a bit of bleak and bleakness.

This morning, there had just been another autumn rain, and the air was a little bit colder.

On the gravel path, the yellow leaves were covered, and the rain was wet.

During the walk, a few drops of rain fell from time to time.

It fell on the hair and wet the temples.

A young man in white came slowly to this side.

His sword eyebrows are deep into the temple, and he is extremely handsome.

His white clothes were like snow, hanging down because of the weather.

Walking among the white birches in this late autumn, with the feet on the fallen leaves, it adds a bit of poetry.

It is as if he is a part of this world, and he should be integrated into this place right now.

He is walking in a painting, and he seems to be part of this painting.

Just like the white birch next to it, just like the yellow leaves under the feet, not at all obtrusive!

Seeing this scene, Qi Wenxia couldn't help but startled.

A flash of surprise flashed in Gui Qingwen's eyes, and a voice in her heart muttered: "It turns out that Feng Chen, who Qi asked Xia, actually looks so good-looking?"

At this moment, there was even some jealousy in her heart.

And the more so, an inexplicable force suddenly surged in her heart: "Why! Why is an unknown person looking so good?"

"Why does he belong to Qi Wenxia?"

"But it doesn't belong to me?"

At this moment, she was shocked by this thought of her own, and she was speechless for a while.

Bai Jingwan stared at Chen Feng blankly.

I don't know why, as soon as Chen Feng appeared, she gave her a very familiar feeling.

This familiarity is not just the kind of familiarity that you know, but the kind of familiarity that you are willing to get close in your heart.

It was as if the fate between them was entangled with each other.

Bai Jingwan was immediately shocked by her own thoughts: "Well, what's going on?"

At this time, Chen Feng was immersed in the general feeling of blending with heaven and earth.

It's not just an illusion. In fact, as soon as Chen Feng stepped here, he felt that his feeling of being integrated with the heaven and the earth was closer!

At this time, every time Chen Feng took a step forward, he felt that his feeling was deeper and more integrated into this world.

This feeling made Chen Feng extremely comfortable.

He felt that his will and spirit seemed to have separated from his body and came to the sky above this white birch.

Even at this time, he even had an extremely powerful control over this space.

He saw countless details at a glance.

This white birch covers an area of 36 acres and three points,

The Medicinal Food Studio in the middle of this white birch. There are three floors above and below, and there is a dark room underground, with a total of 26 rooms.

In addition, there are eight mezzanines.

"There are a total of 131 people in there, some of them are drinking tea, some are cooking, some are serving, some are counting the number of dragon blood amethyst..."

"Hmm. There are two other people in a small dark room next to the kitchen tossing about each other!"

all of these. Chen Feng could see clearly.

He felt that he seemed to be able to control everything between heaven and earth.

And not just that, even he doesn't need to do anything in a flash of thought. With a single thought, someone in this world can die silently.

No one can find out, no one can find the reason.

This feeling refreshed Chen Feng's heart to the extreme!

Melt into the world and regard yourself as the world!

Chen Feng felt that after he had such an understanding, it seemed that the speed of cultivation could be much faster!

"It's a pity that I can't practice now, otherwise I will definitely be able to break through if I practice now!"

An extremely firm thought flashed in Chen Feng's mind.

When Chen Feng was about to arrive at the Abode, he suddenly raised his head, a bright light flashing in his eyes.

"The power of the outer world, which I have merged with this world, has increased a bit."

"Above the realm of Outer Heaven and Earth, I have gone further." *NovelSB.COM*

At this time, if a strong man was here, he would be extremely shocked.

After all, Chen Feng's realm is too terrifying.

However, Qi Wenxia and others could not tell at all.

After a while, Chen Feng entered this room.

Qi asked Xia nodded slowly: "Are you here?"

Gui Qingwen giggled, "Ah, Feng Chen, I've been admired for a long time!"

She tweeted and said, "Sure enough, she has a good skin!"

In this remark, there is a hint of irony, irony Chen Feng is just that he looks good, and has no abilities.

Because Qi asked Xia's jealousy and inexplicable hostility, Gui Qingwen attacked Chen Feng when he came up.

But Chen Feng didn't even look at her at all.

Chen Feng didn't pay attention to her, but stared at Bai Jingwan.

In an instant, he was stunned for a while!

It turned out that Chen Feng discovered that this woman knew herself.

It was Bai Jingwan, the woman who was rescued by herself that day.

And his somewhat stunned look fell in the eyes of everyone, but he was considered to be granted by the lust.

It was thought that after seeing Bai Jingwan's stunning beauty, she couldn't help it.

Qi Wenxia couldn't help but feel a little unwilling, while Gui Qingwen snorted, disdainfully said: "Sure enough, an unseen kid from the country!"

"I can't help it when I meet our beautiful white lady?"

She suddenly walked to Bai Jingwan, took her shoulders, and giggled, "Feng Chen, you are so amazing after seeing Bai Jingwan, how about introducing Bai Jingwan to you?"

Chen Feng smiled faintly and said, "Don't bother you."

He looked at Bai Jingwan and said, "Bai Jingwan."

Bai Jingwan was taken aback: "How do you know my name?"

Chen Feng smiled and said, "Perhaps I have seen it in my previous life!"

When Qi Wenxia heard this, she felt even more unhappy, and secretly said: "I didn't expect Feng Chen to have such a glib side! Mother really misunderstood him."

[Chapter 3424: Have you seen such a precious thing?](#)

"This kind of person is worthy to be with me?"

She didn't want to think about how she treated Chen Feng.

Gui Qingwen mocked even more disdainfully: "Oh, Feng Chen, it's too much!"

"Even in front of Qi Wenxia, are you here to molest our beautiful Bai Jingwan?"

"And, do you molest girls?"

"It's not so much molesting!"

But the next moment, Bai Jingwan's reaction made her stunned.

He thought Bai Jingwan would look cold, and scolded Feng Chen severely.

But the fact is indeed the case. If another person said such things to Bai Jingwan, Bai Jingwan would definitely show no pretensions.

However, for some reason, she felt a warmth in her heart at this time, and there was some inexplicable joy.

I couldn't help but the corners of my mouth curled up, a sweet smile appeared on his face, and he smiled and said, "Maybe it is."

Bai Jingwan's reaction directly made Gui Qingwen Chuli angry!

Gui Qingwen was shocked, looked at Bai Jingwan, and said, "Jingwan, you, what are you doing?"

Bai Jingwan was also a little bit shy, and said softly, "I, I just feel that I am close to him from the bottom of my heart."

Upon hearing this, Gui Qingwen couldn't stand it even more, and a fierce hostility in his heart suddenly went straight to the sky.

She stared at Chen Feng, wondering how to make him a big embarrassment later.

After losing his face, letting Bai Jingwan see that he was a trash when he vented his hatred.

At this time, the door was gently opened.

A maid walked in with a tray in her hand.

On the tray, there are three cups of medicated diet.

These three cups of medicated food are like purple jelly, with a rich and fresh fragrance.

Let people smell it, and feel comfortable.

Seeing this scene, Gui Qingwen suddenly had an idea.

He rolled his eyes, and immediately thought of a way to suppress Chen Feng.

When the maid put the three bowls of medicated diet on the table, she glanced at Gui Qingwen in surprise. It was obvious that the four people here only had three bowls of soup, which made her feel a little at a loss.

Gui Qingwen didn't mean to ask Chen Feng for a bowl of medicated food.

She just chuckled, then looked at the maid and said, "Come on, tell us, what kind of medicine is this?"

The maid pursed her lips and smiled, and then whispered: "This kind of medicated diet is called Zicao Jiuzuantang."

"It is made by adding nine kinds of extremely special medicinal materials to the raw material of the very rare Morningstar Purple Spirit around our Sky Dragon City."

"When it came out of the pot, the snake gall fluid of the amethyst snake was added to it!"

"This amethyst giant snake is said to have the blood of a dragon, and its snake gall liquid, after drinking it, can double the eyesight and increase the cultivation base. It is an extremely good medicinal diet."

Gui Qingwen clapped his hands and smiled: "Good point!"

Then, she raised her chin, looked at Chen Feng, and said provocatively: "Feng Chen, have you seen such a precious thing?"

At this moment, a joking voice suddenly came from outside the door: "Qingwen, what you are asking is wrong!"

As soon as the voice sounded, Gui Qingwen's eyes lit up, revealing a touch of joy.

She jumped up directly and smiled: "Brother Zuo is here!"

As soon as the voice fell, the door opened.

Several maids walked in with a young man respectfully, and then retired.

That young man, about thirty years old, was wearing a purple robe. He was not handsome in appearance, but he was quite domineering.

Two thick eyebrows, a square face, a little reddened face, thick hair, straight roots, and a strong aura!

After he walked in, his gaze fell on Bai Jingwan, and then an amazing color flashed in his eyes!

However, this stunning was well hidden by him!

Except Bai Jingwan and Chen Feng, no one else noticed.

Then, he nodded to Qi Wenxia.

Gui Qingwen was greasy in Zuo Tianhe's arms, clutching his arm and acting like a baby.

Zuo Tian and haha laughed, stroked her hair, and they were intimate for a while.

Then, Gui Qingwen looked at Chen Feng and said: "Feng Chen, this is my betrothed fiancée, Zuo Tianhe."

She said proudly: "Brother Zuo was born in the Zuo family of Tianlong City. His ancestors once lost a 26th-level General of Guide!"

"Even now, Brother Zuo's father is also our Tianlongwei's 23rd-level loyal general."

When she said this, her face was full of arrogance and looking down.

Zuo Tianhe had golden wings and an arrogant smile on his face, looking at Chen Feng, his eyes were full of looking down.

He even waited for a look of shock on Chen Feng's face, then flattered and flattered him.

He has seen so many people like this, and after hearing about his family background, he was very fond of him.

However, let him down.

After Chen Feng listened to it, his expression was faint, and he didn't even change at all. He just said faintly: "Happy meeting."

Chen Feng has seen too many masters, a level 23, what is it?

Even General Tianlongwei, Pu Xingzhou, must be polite in front of him.

The 30th-level Zhonglang will even be respectful in front of him.

Chen Feng doesn't take him seriously!

This performance of Chen Feng made Zuo Tianhe's eyes cold instantly!

He lowered his voice and asked Gui Qingwen: "What's the background of this kid?"

Gui Qingwen smiled lowly: "I am also a new disciple of the Beidou Sword Sect. He has no background in his family and was born in a small town."

"That's it." Zuo Tianhe's eyes immediately became extremely contemptuous.

Zuo Tianhe stepped forward, staring at Chen Feng, and said without a smile: "Feng Chen, you can enter the Beidou Sword Sect at a young age. It seems that your family has learned a lot!"

He smiled and said, "I don't know, Brother Feng Chen, which family were you born into in Sky Dragon City?"

"What important positions do the elders of the family hold in the Tianlongwei army? I must be very prominent!"

After speaking, he smiled, and Gui Qingwen giggled even more, holding Zuo Tianhe's arm, waiting to see Chen Feng's joke.

Zuo Tianhe's question was obviously unkind.

Gui Qingwen had already told him about Chen Feng's background. He knew that Chen Feng was an ordinary person with no background, and there were no elders in the family who served in the Dragon Army.

Asking this in front of everyone was obviously to embarrass Feng Chen.

Chen Feng glanced at him and said lightly: "You can't compare Zuo Tian and Young Master in Xia. No one is in the army."

"So that's it!" Zuo Tianhe deliberately laughed loudly: ""

Gui Qingwen suddenly remembered something, and immediately dragged Zuo Tianhe, and said with a slightly dissatisfied hum, "Brother Zuo, what did you mean by that?"

[Chapter 3425: fling in teeth](#)

"Why do you say that I asked Feng Chen wrong?"

"Oh, Xiao Nizi, remember these words!"

Zuo Tian and haha laughed.

"Of course I remember, you have to tell me this clearly today." Gui Qingwen said without hesitation.

Zuo Tianhe smiled and said, "Okay, okay, I'll tell you clearly."

He glanced at Chen Feng, and then a joking smile appeared on the corner of his mouth, and said: "You shouldn't ask this Feng brother whether he has ever seen this comfrey soup, because the answer is obvious. How could he have seen it? ?"

"From a small place like him, you should ask him if he has ever heard of it!"

After that, there was a burst of laughter, looking at Chen Feng, his eyes were full of disdain and teasing.

Gui Qingwen froze for a while, then chuckled, lightly hit Zuo Tian and said with a smile: "You, it's so bad!"

However, she naturally didn't mean any accusations in these words, but she felt very happy.

When Chen Feng heard this, his brows wrinkled.

He felt very funny in his heart. Chen Feng didn't even bother to drink this Ziyu Nine Turns Soup.

Which of the pills he took, and even the things he eats daily, is not a hundred times better than this Ziyu Jiuzhuan Tang?

Chen Feng's daily food, I'm afraid to say that Gui Qingwen Zuotian and these people, they will not be able to taste it once in their lives, and they will not have any chance to contact!

But he didn't care too much, Chen Feng disdain to have the same knowledge with this group of people who have just entered the Martial King realm and have not seen anything in the world.

Will he care about the ants' mockery?

Chen Feng said with a faint smile: "I have never heard of this purple jade nine-turn soup."

"Right?" Zuo Tian and haha laughed, extremely proud, and seemed to confirm his idea.

He pointed to Chen Feng and said jokingly: "Unexpectedly, Brother Feng, you are still a happy person! You don't hide it!"

It's just that there is a strong irony in these words.

Gui Qingwen squinted at Chen Feng next to her. She glanced at Qi Wenxia lightly. The expression in her eyes seemed to say: "Let me vent your anger for you!"

But Qi Wenxia was a little silent.

She looked at Chen Feng, and she was suddenly very angry, feeling that Chen Feng had lost face to her!

They all thought that Chen Feng had never heard of Ziyu Jiuzhuan Tang because Chen Feng was not qualified to have heard of it.

I don't know, it's because the grade of the Ziyu Ninth Rank Soup is too low, and Chen Feng doesn't even bother to hear about it!

This kind of thing doesn't even enter Chen Feng's eyes.

And Chen Feng's expression was indifferent, without any change.

At this time, Bai Jingwan looked at Chen Feng, her eyes condensed slightly, with a trace of scrutiny and curiosity in her eyes.

She was different from Qi Wenxia, Gui Qingwen, Zuo Tianhe, and she keenly felt a unique breath from Chen Feng.

The breath is unclear, and the way is unknown, but it makes her feel very close.

This kind of breath made her feel very at ease.

However, until now, Bai Jingwan has not connected Chen Feng with the bronze masked man who rescued herself that night.

He saw Chen Feng's strength very clearly, but he was just a man who had just entered the Martial King Realm.

But the bronze mask man that day was extremely powerful and tyrannical, and between his gestures, he beat the Black Mountain two bears miserably.

Bai Jing Wan laughed at herself: "How can Feng Chen be that person? How can he have such a strong strength?"

Suddenly there was a loud noise outside, Zuo Tianhe listened for a moment, and then laughed: "Martial arts and the others are here, let's go, let's go out."

Everyone walked out, and soon came to the door of this medicated food restaurant.

The gate of the Medicinal Food Studio was opened on a cliff, and below it was a cliff several hundred meters high.

It is also a relatively remote location in the Midtown District, and the environment is very quiet.

Not to mention ordinary people, even people in Midtown rarely come here.

Before the cliff is a huge canyon, separating this place from the rest of Midtown.

At this time, there were already a dozen people standing on the platform by the cliff at the door.

Most of them are in their twenties and thirties, and they are divided between men and women. Each is dressed in luxurious clothes and has a huge body.

After seeing Zuo Tianhe coming out, everyone greeted him, surrounded him, talking babbledly.

Many people's faces showed a touch of flattery.

Obviously, he is the master among the people.

Qi Wenxia, Gui Qingwen, and Bai Jingwan also naturally blended into them and talked to them.

They were obviously already quite familiar with each other, and there was no need to introduce each other. Only Chen Feng was left alone, and no one paid any attention to him.

It is very obvious to be excluded.

Gui Qingwen and Zuo Tianhe obviously noticed this, but they didn't seem to see it at all, and had no intention of introducing Chen Feng.

Qi Wenxia's eyes flashed and he was silent.

Bai Jing opened her mouth and seemed to want to introduce Chen Feng to resolve this situation.

For their behavior, and for the behavior of Gui Qingwen and Zuo Tianhe, Chen Feng can see clearly.

He just chuckled and didn't care about it at all.

After a full cup of tea, Zuo Tianhe seemed to think of Chen Feng.

He patted his head, looked at everyone, and said with a smile: "Come on, everyone, I will introduce you to you."

He said, pointing at Chen Feng and said, "This one is Feng Chen, this time he joined us in the Beidou Sword Sect."

"He, from Baishi Town."

"Baishi Town? Where? I have never heard of it."

A flamboyant young man in colorful robes laughed.

This person is Wu Feng.

"Hey, don't say that!"

Zuo Tianhe pretended to say, "Baishi Town is a big place, I'm afraid it's not much worse than our Sky Dragon City!"

"Feng Chen can enter the Beidou Sword Sect from there. The competition is extremely fierce. I heard that there are six people participating in the competition!"

"There are three people to choose from. This is one of two choices! How fierce is the competition?"

"Say you guys, don't you?"

Wu Feng also shouted loudly: "Then Feng Chen can enter the Beidou Sword Sect, that's incredible!"

Everyone was taken aback when they heard it, and then came back to their senses and laughed in disdain.

"Hahahaha, it's really amazing!"

"Yes, the ratio of choosing one from the other! It's amazing! The person who can enter the Beidou Sword Sect from there is a genius!"

Everyone laughed again.

They blatantly mocked Chen Feng here.

Chen Feng looked at them, his expression unchanged, but his eyes were slightly cold.

[Chapter 3426: Feng Chen, there is no place for you here!](#)

Chen Feng doesn't know about these little things that are good or bad. It's not that he can't, but he's too lazy!

However, if they don't know what is good or bad, Chen Feng doesn't mind teaching them a little lesson.

At this time, it seemed to be tired of mocking. Zuo Tian and haha laughed and said, "Okay, let's not talk about it."

"Let's go, brothers, let's go to the Red Cuixiu Tower today, I will be the host!"

"Red robes and green sleeves building!"

When everyone heard it, their faces were full of surprises, and they all laughed loudly: "Young Master Zuo is really big!"

"Zuo Shao is generous, this time we can have the honor to see the red-clothed Cuixiulou!"

"Haha, I heard that every woman in the red-robed and green-sleeved building is beautiful and unparalleled, and many of them are the powerful female warriors captured when the God of War Mansion is fighting outside. This time, they will be eye-opening. !"

"What is a female warrior? There are many other races in it! Don't tell me, I have never heard of it!"

"This time I really thank Young Master Zuo!"

Everyone fawned loudly to Zuo Tianhe.

After hearing this, Chen Feng frowned slightly: "How does this red-robed and green-sleeved building sound like a brothel?"

Zuo Tian laughed with them, and said, "Today is Miss Qi's birthday."

"Ms. Qi and Qingwen of our family have been good friends for more than ten years. I have to give this face!"

A smile appeared on Qi Wenxia's face, and it was obvious that Zuo Tianhe's words made her very face.

Only then did Chen Feng know that it turned out to be Qi Wenxia's birthday today, so he celebrated it!

"And..."

Zuo Tianhe paused and smiled triumphantly: "This time. I even invited Miss Xiao Ruoxianxiao to play a song for everyone."

When everyone heard it, they were even more upset, and their faces were full of excitement!

It turned out that Xiao Ruoxian was known as one of the three big oirans of the Red Cuixiulou!

It is said that piano skills are the first among the three oirans.

To be able to get him, that is a matter of great face!

Then Zuo Tianhe snapped his fingers.

So, in an instant, dozens of blue streamers flickered in the distance.

Swipe, just stop before everyone.

There are five blue floating tanks in total.

This floating tank is not big, only five meters long and two meters wide. It seems that it can only accommodate four or five people in it.

However, although the floating tank is small, it is very beautifully built, and the whole body looks like it is made of blue crystal jade.

It looks like a blue flying tiger.

And on the top of the tiger's head, that is, at the front of the car, there is a nearly transparent gemstone about the size of a fingernail.

A wave of strength burst out from above.

Everyone exclaimed again: "Young Master Zuo, today is a big deal!"

"Yeah, even the flying tiger chariot from your mansion was brought out?"

Zuo Tianhe laughed and said: "Of course, many of our brothers went to the Red Cuixiulou for the first time. We can't lose the prestige and make us look down upon us."

"Go with a flying tiger chariot, who would dare not look at us high?"

Everyone was amazed and complimented again!

It turned out that this flying tiger chariot was a precious treasure of the Zuo family, which was extremely treasured.

Although small, it is very luxurious. The most precious thing is that instead of floating gem powder, each car uses a whole piece of floating gem.

Therefore, these vehicles can fly at extremely fast speeds and extremely high altitudes.

It beats most floating tanks in Sky Dragon City.

In Chen Feng's view, it is probably like a fully weakened version of Ruyizhou.

Zuo Tianhe and Gui Qingwen walked into a car first.

Then, everyone walked into it one after another.

There are only five chariots here, and their number plus Chen Feng are more than twenty people.

Soon, the five tanks were full, but none of them were empty for Chen Feng!

Seeing this scene, Zuo Tian and the proud laughed.

Looking at Chen Feng from the car window, he said, "Feng Chen, you see this is making trouble, it just happens to be out of your seat!"

"How about you go by yourself?"

"Anyway, your strength is so high, you may be able to get to the Red Cuixiulou building before us!"

His voice was full of jokes.

There was loud ridicule from several flying tiger chariots.

At this time, Chen Feng was really angry.

Chen Feng is unwilling to have general knowledge with them, and disdain to have general knowledge with them, does not mean that Chen Feng is not qualified to have general knowledge with them!

If Chen Feng really wanted to be familiar with them, they would be so scared that his parents would not recognize him!

"There is no place, is it?"

A sneer appeared at the corner of Chen Feng's mouth.

The next moment, he walked forward slowly.

Chen Feng has decided to teach them a lesson.

Zuo Tianhe said there is no position, right?

Chen Feng intends to pull him out of this flying tiger chariot and let him see if he has a position!

In the next moment, Chen Feng will do something to let these dudes of Sky Dragon City know how good he is!

At this moment, Bai Jingwan's eyes flashed with unbearableness.

Suddenly stretched out his hand to greet Chen Feng, "Feng Chen, I can still squeeze here, you can sit with me!"

After all, he gave aside.

When everyone heard this, they were stunned, staring blankly at Bai Jingwan, and then at Feng Chen.

"What's the situation? Could it be that our goddess, Bai Jingwan, who has never liked anyone, is actually interesting to this kid?"

"Impossible, she should just be too kind, so she doesn't want this kid to make a fool of herself!"

"should be."

Everyone didn't want to believe that Bai Jingwan might have favored Chen Feng.

Chen Feng was also taken aback for a moment, and then sighed softly.

"Today is Qi Wenxia's birthday. For the sake of Aunt Su's face, I don't know them in general!"

Chen Feng forcibly endured this breath.

After that, her figure flashed, she came into the flying tiger chariot where Bai Jingwan was and sat down beside her.

Next to Bai Jingwan, there was a woman who was sitting, but she was squeezed by Bai Jingwan and abruptly inserted Chen Feng.

She was immediately unhappy, and shouted: "Bai Jingwan, what are you doing? Why should Feng Chen come in?"

At this moment, Bai Jingwan didn't even care about him!

Seeing Chen Feng's flying posture, Bai Jingwan suddenly widened her eyes, and a touch of extreme shock flashed in her heart.

Chen Feng's flying attitude at this time gave her a very familiar feeling.

She trembled, and a thought came up: "This posture makes me feel very familiar."

"Could it be that he, he turned out to be?"

She couldn't believe her guess.

There was another voice in his heart: "How could it be? How could he be that person with such a low strength!"

[Chapter 3427: Crimson Sleeve House](#)

However, even if she warned herself this way, Bai Jingwan was still a little surprised.

At this moment, she was upset, but the woman was still yelling nearby.

Bai Jingwan immediately turned to look at the woman, and said loudly, "If you don't want to stay here, you can go down!"

The woman was stunned.

Bai Jingwan was among them, always known for her taciturn and gentle temper.

And she, with a stubborn temper, has been saddened by Bai Jingwan several times, and Bai Jingwan also laughed it off.

But at this time, when Bai Jingwan got angry, she felt an awe-inspiring power, and her heart trembled, she didn't dare to say a word!

Chen Feng smiled slightly, looked at Bai Jingwan, and said in a low voice: "It's pretty impressive!"

Bai Jingwan looked at Chen Feng blankly, and suddenly whispered: "Compared to your awe-inspiring the previous two nights, it's nothing."

Chen Feng spread his hands, chuckled and said, "What two nights ago?"

"Ah? Ah! Nothing, nothing!"

Seeing Chen Feng's reaction like this, Bai Jingwan was taken aback, and then sighed softly, feeling a little relieved.

"Sure enough, it really wasn't him."

"Let me just say, how could he be my benefactor? How could my benefactor only have such a little strength?"

But there was some loss in my heart.

At this time, Chen Feng and Bai Jingwan's actions fell in the eyes of others, and they became two people's ears and ears, and they were very intimate and whispered here.

Suddenly, many people had fire in their eyes, looking at Chen Feng with jealousy.

A look of contempt flashed in Qi Wenxia's eyes: "Feng Chen is really not a serious person, and he wants to hook up Bai Jingwan?"

Gui Qingwen and Zuo Tianhe also frowned.

Gui Qingwen whispered, "Bai Jingwan doesn't know what he is after, why is she following a demon today?"

Zuo Tianhe smiled coldly: "Don't worry, I have a way to embarrass this kid!"

"After you go to the Red Cuixiulou building later, you will wait and see!"

"Bai Jingwan, if you really like such a waste, there is no way!"

Gui Qingwen giggled, hugged his neck, and kissed him: "I knew you had the best way!"

The flying tiger chariot flew away quickly. *nOveluSB.com*

The Crimson Sleeve Tower is in the Shangcheng District, which is why these powerful children rarely come here.

Because of itself, Shangcheng is not something they can come to.

Among them, the only ones who live in Shangcheng District are Zuo Tianhe and others.

The Hongyicuixiulou is not a splendid palace, but a huge garden.

This huge garden has been cut into many small pieces, divided into small gardens, each with its own characteristics.

Some are made into the northwest desert, and some are made into the southern bridge.

In addition, it is even a barren jungle, with some tree houses built on the trees, but they are made into the characteristics of the southern barren land.

Sweeping away at a glance, there are dozens of them, I'm afraid they cover most of the distinctive places on the Dragon Vein Continent!

These flying tiger chariots stayed in front of the red-clothed Cuixiu Tower and landed on the square.

In the gate, a group of people soon greeted her, headed by a middle-aged beautiful woman in her forties.

The middle-aged beautiful woman wore a goose-yellow dress, her eyebrows were charming, and her eyebrows were full of charming attitude, and the charm still existed.

Still a very attractive stunner.

She bowed to Zuo Tianhe and giggled, "I said, I heard the cranes in the garden screaming loudly this morning."

"I just said that there are noble people coming today, so it was you, Young Master Zuo!"

Zuo Tianhe and haha laughed, squeezed her face, and said, "Mei sister, you can really talk."

Sister Mei smiled and said, "Where can I speak? Because what the slave family is telling is the truth."

Zuo Tianhe was even more happy, and then said to everyone: "Everyone, this is Sister Mei, but there are a lot of girls!"

He blinked, and then glared at his sister and said, "All my good friends are here today! We will be in the Beidou Sword Sect in a few days."

"After you finish your studies, you want to serve the God of War Mansion. When you enter the Heavenly Dragon Guard army, you won't have a low official rank."

"When the time comes, I will come to you again, so I say, today..."

He paused and said with a smile: "Sister Mei, you have to ask people to take care of my brothers."

"Of course, of course!"

Sister Mei saw a few women among the crowd, but she took it for granted and didn't care.

She smiled and said, "Everyone, please follow me."

Then he walked in with everyone, walked through several gardens, and finally came to one place.

This garden, with a radius of tens of miles, creates a scene of ice and snow.

From Bingfeng, there are mountains and rivers, and a huge ice lake.

And in the very center of the ice lake, there is a towering palace, and the palace is actually made of huge blocks of ice!

Here, it is a kingdom of ice and snow, but it is quite ingeniously designed.

Zuo Tianhe raised his eyebrows and said with a smile: "Sister Mei, this is really good today!"

"That is."

Sister Mei chuckled and said, "You can't shame Young Master Zuo!"

After all, it is to greet everyone to come to the ice and snow palace.

Everyone was amazed.

Although they are in the northwest border, they have never been to the north, and they all feel dizzy when they come here.

Seeing the faces of the people, Zuo Tianhe felt very face.

The crowd came to the ice and snow palace and took their seats separately, and then Sister Mei greeted the maid for a variety of exquisite refreshments, drinks, and even medicated meals.

Zuo Tianhe looked at Chen Feng and smiled and said, "Brother Feng Chen, how is it? How is our enjoyment of Dragon City better than yours in Baishi Town?"

After all, there was a burst of laughter.

Chen Feng raised his eyebrows, glanced at him, and said nothing.

Somehow, after Zuo Tianhe came into contact with Chen Feng's gaze, his heart was chilled, and he couldn't say a word.

He was shocked at first, and then the shock was replaced by a wave of anger.

"Damn it, this kid dares to look at me with this look?"

He stared at Chen Feng, his heart was already secretly ruthless: "Feng Chen, you wait for me!"

Not long after, Sister Mei came back again, clapped her hands and smiled: "Come in!"

In the next moment, a bunch of Yingyingyanyan swarmed into the palace, at least fifty or sixty people.

Chen Feng glanced at them and saw these women, all of them were really beautiful, and they were quite good.

Chen Feng secretly said in his heart: "This red-clothed and green-sleeved building must also be the first-class sales gold cave in Tianlong City, it is really good.

However, his eyes were purely appreciative, and there was no profanity in his eyes.

[Chapter 3428: conflict](#)

But at this time, Chen Feng didn't see it. Not far from him, Bai Jingwan stared at him without blinking!

After seeing Chen Feng's clear gaze, her heart trembled again: "This gaze is very similar to the gaze of the benefactor I met that day!"

At this moment, her heart was in chaos. On the one hand, she hoped that Feng Chen was her benefactor, but on the other hand, she couldn't accept it.

"My benefactor, how can his strength be so low?"

Then, Sister Mei smiled and said, "Everyone, please choose!"

Zuo Tian and haha laughed: "Choose all at random."

Everyone cheered.

I chose two or three more, and one less. As for the women who came together, they were used to such occasions, but they were not stage fright.

Even the grinning ones were chosen.

Anyway, after the election, there will always be an open meeting here. After the election, it is nothing more than drinking, picking up dishes, singing songs, playing piano, amusement, flirting, etc.

Chen Feng did not choose.

Seeing that Chen Feng did not choose, Zuo Tian and laughed loudly, but instead of asking Chen Feng, they looked at the crowd, seemingly explaining, and said:

"Everyone, don't blame Feng Chen!"

"I've come from a small place, and I haven't seen anything in the world. It's normal to be unable to let go of your hands and feet at this time."

The Jin-robed young Wufeng looked at Chen Feng contemptuously and said, "After all, it is from a small place! You can't even enjoy it. What do you mean by being alive?"

Everyone made a sound of mockery.

Suddenly, Zuo Tianhe's face became cold, and he twisted his brows and looked at Sister Mei and said, "Sister Mei, something is wrong!"

"Why is Miss Xiao Ruoxian not here?"

Sister Mei barely squeezed a smile on her face, and said nervously, "Oh, Miss Xiao?"

"Today, she is slightly unwell, please forgive me."

"Slightly uncomfortable?" Zuo Tianhe stared at Sister Mei, with evil fire on his face, and said coldly:

"Are you a three-year-old kid? You can fool me?"

"I sent someone to pass the message yesterday, and I must let Miss Xiao Ruoxianxiao be present today, and you should too!"

"Today I told me that Miss Xiao Ruoxian couldn't come, do you treat me as a bully?"

When the last few words came out, Zuo Tianhe was already murderous!

Seeing her angry, Sister Mei was extremely frightened, waved her hand and explained, "Where does the slave dare?"

Zuo Tianhe stared at her, saying word by word, "Tell me, what is going on?"

"Girl Xiao Ruoxian, where is it?"

Sister Mei couldn't help it, so she lowered her voice and said, "You tell me, Miss Xiao Ruoxian is not sick today."

"It's just that she was called away by others."

"What?" Zuo Tianhe's eyes widened.

Sister Mei cried bitterly: "The Nujia can't stop it!"

"I was called away by someone? Who was called away?" Zuo Tianhe said yinly.

"The slave family doesn't know who was called away, only that it was a general from outside."

Zuo Tianhe moved in his heart and asked, "How many levels?"

"It should be around 16th or 7th grade."

"It's just a grade sixteen or seven!" Zuo Tianhe smiled, his eyes rolled, he already had an idea!

At this time, Zuo Tianhe felt very faceless.

He just boasted about going to Haikou in front of everyone, and today he wants to ask Xiao Ruoxianxiao, who is said to be able to rank the top three in piano skills, to play a piece for everyone.

As a result, at this moment, Sister Mei said that Miss Xiao Ruoxian was ill and could not come over.

The evil fire in his heart burst out, and he felt a great loss of face in front of everyone. Where could he suppress the fire?

The next moment, he suddenly got up and said, "Come on, I will bring Miss Xiao Ruoxian back for you!"

Then he grabbed Sister Mei with one hand and said, "Go, take me to find Xiao Ruoxian."

Seeing that the matter was over, Mei Jie'er had no choice but to admit that she was unlucky and walked out with Zuo Tianhe.

And everyone rushed to watch the excitement.

Soon, they came to a garden, and at this time, in that garden, a Ding Dong Qin sounded in a palace, like a fairy music.

When everyone heard it, they were all relaxed and happy, so they all knew that the piano player must be Xiao Ruoxian!

At this time, there was still a rough man sitting in the palace.

Fang Kong, with a dark face and a short stature, laughed while shaking his head while drinking, "Okay, it's really good to play well!"

The next moment, he saw Zuo Tian and his party rushing in.

Suddenly he was furious, slapped the table, pointed to Zuo Tianhe and said coldly, "Where is the bastard? Get out of me! Or else the knife will chop you to death!"

Zuo Tianhe Yin smiled: "Do you have that ability?"

Then, he came to him and threw a punch.

This person quickly resisted.

However, his strength was much worse than Zuo Tianhe, and he was beaten in a hurry after a while.

Then, Zuo Tianhe banged his face with a punch, and the blood flew out with broken teeth.

He threw himself out, pointed at Zuo Tian and screamed: "You, who are you?"

Zuo Tianhe laughed and said, "Ask your grandfather's name? You are not qualified yet!"

With that, he just raised his collar and threw it outward.

He laughed loudly and said, "Do you dare to **** Miss Xiao from me? You are really blind!"

After that, he looked at the woman sitting in the corner and smiled: "Miss Xiao, please come with me!"

The woman is quite tall, wearing a white dress.

His face was covered with white gauze, and he couldn't see his face clearly, but his demeanor must be a beauty.

Xiao Ruoxian had obviously seen this kind of thing a lot, and was not surprised at all. He stood up without saying a word, just followed Zuo Tianhe and walked out.

Zuo Tianhe glanced at the pudgy man with disdain, and walked away!

The humpty man looked at Zuo Tianhe's back, his eyes flashed with coldness: "Well, you wait for me!"

Soon, everyone returned to the ice and snow palace and praised them.

"Young Master Zuo is really domineering!"

"That's right, that kid still dare to go crazy with us Zuo Shao? He was beaten up by Zuo Shao directly!"

"Haha! See who will dare to follow us Zuo Shaoheng in the future!"

"That's right, if we made a decision by Young Master Zuo, he would dare to grab it? Just looking for death!"

Gui Qingwen smiled even more, feeling very face-conscious!

Only Sister Mei, who was beside her at this time, was full of worries.

She hated it in her heart: "Unfortunately, the person in charge here is not here today, so I can only let him do anything."

"Hey, I don't know how much trouble it will cause!"

Zuo Tianhe smiled and said, "Come on, Miss Xiao, please play a song to cheer me up."

Xiao Ruoxian nodded slowly, without speaking.

Just gently stroking the piano, and in an instant, Dingdong Xianle came out.

[Chapter 3429: Scared to pee!](#)

The sound of the piano is melodious, and it makes people feel uncomfortable when they hear it.

Chen Feng was also taken aback. He didn't expect Xiao Wanqing to have real skills!

"The sound of this piano, I have only seen it in my life, but it is really good."

Then, more than a dozen women began to sing and dance in the hall, and everyone was very happy.

But at this time, what they didn't know was that after Zuo Tianhe was humiliated by Zuo Tianhe, the short and chubby man left the red-clothed Cuixiulou.

But he didn't go far, instead, he went straight to a medicated restaurant next to him, and entered one of the quiet rooms.

In that room, he was only a tall and mighty burly man with a cold and murderous face, sipping medicated food there.

Seeing him coming in with a sullen face, he raised his brows and said: "Tian Mingfei, what did you do? How did you make it like this?"

Tian Mingfei sat down beside him, apparently very familiar with him.

He waved his hand and said, "Stop talking, it's **** bad luck!"

"Originally, I went back to Tianlong City this time to find my old brother and you played a little bit. I also thought that I haven't been to the Hongyi Cui Xiulou for a while. I didn't want to drink these tasteless medicinal meals with you just now, so I went to Hong Yi Cui. Sleeve floor."

"I didn't expect..."

Then, he talked about what happened just now.

After listening to this, Sun Yongjie's face was instantly covered with cold, murderous intent against the sky, extremely terrifying.

"good very good!"

There was a touch of coldness on his face: "Dare to move my Sun Yongjie brother, which brat has such courage?"

"go!"

He suddenly got up and said: "Brother go to vent your anger for you!"

"Okay!" Tian Mingfei said loudly: "I have an old brother, you are in charge of me. Today, this tone will definitely come out!"

Everyone was spending time and drinking here, and suddenly, they heard a sound of cursing outside.

The sound of cursing continued to approach here.

At this time, Zuo Tianhe drank a few glasses of wine and was already slightly drunk.

He was in high spirits, and he was furious when he encountered such a thing.

He put the wine glass on the table heavily, slapped the table, and shouted: "Where is the bastard, dare to disturb your uncle's interest?"

Sister Mei's face changed drastically at this time: "It's over, it's over. The thing I've been worried about has finally come. It must be the master."

As soon as Zuo Tianhe's voice fell, there was a cold and thick voice outside: "Dare to call Lao Tzu a bastard? You don't even know your dad when Lao Tzu beats you later!"

The next moment, with a bang, the door of this ice and snow palace was directly kicked and hit the ground heavily.

Then, two figures strode in.

Everyone knew the next one, it was Tian Mingfei, the short and fat man who had been humiliated by Zuo Tianhe just now.

But at this time, he followed step by step, his face was full of sullen and proud light.

In front of him, there was a man walking like an iron tower with a cruel and bloodthirsty expression on his face!

After seeing him come in, many people were taken aback.

Then, they all shouted: "Who? Where did they come from?"

"Get out! Dare to disturb our interest?"

But soon, everyone stopped clamoring.

Because they found that Zuo Tianhe's expression changed at this time!

Zuo Tianhe had a little drunk on his face, and his faces were full of arrogance, disdain, and impatientness.

At this time, the impatience had disappeared, and it was replaced by a touch of shock.

After the shock, there was endless fear.

His pupils shrank sharply, and his deep fear made his face extremely pale for a moment, and his whole body was trembling.

His lips moved twice, and he was speechless.

Everyone was stunned!

Seeing him behaving like this, they couldn't guess where it was. The cold-faced man who came by at this time is definitely a character with a very good background!

Finally, after a long while, Zuo Tianhe swallowed, and then said with a trembling voice: "You, are you Sun Yongjie?"

Sun Yongjie, the gloomy big man, laughed and clicked on Zuo Tianhe and said, "Well, it seems that the family has a little background, so you can still know me?"

"Yes, you I am Sun Yongjie!"

As soon as he said this, there was an uproar in the hall, and everyone looked at him with shocked eyes.

"It turns out he is Sun Yongjie!"

"Is it Sun Yongjie, who is known for his cruelty in that black armored cavalry?"

"Yes, who else is there but him?"

At this moment, there was a tremor in their voices.

Sun Yongjie's strength among the mysterious armored cavalry is not that high, but it is enough to crush them.

And it is extremely cruel, and the methods are harsh!

"The strength is not too high, it depends on who is compared, but he has reached the peak of the Martial King Realm, an infinitely close to the powerhouse of the Martial King Realm."

"Compared with us, he is an extremely tyrannical existence!"

A person trembling with hands, his face pale and said: "Sun Yongjie has always been known for being cruel and bloodthirsty, and as long as he turns his face, no one will recognize him, no matter who it is, he will directly be killed by him cruelly."

"We provoke him today, we will definitely die!"

Their hearts are filled with despair!

After Zuo Tianhe got this sure answer from Sun Yongjie, his face showed extreme despair.

Everyone suddenly smelled a bad smell, and saw that his pants were wet.

It turned out that he was actually scared to pee!

Even Gui Qingwen, who has always been arrogant and domineering beside him, has an extremely pale face!

Sun Yongjie looked at Zuo Tianhe without speaking, just looking at him with a sullen smile on his lips.

Then, he strode forward and came directly to Zuo Tianhe's seat.

One kick kicked him out.

Zuo Tianhe screamed, he didn't even have the courage to resist, and even if he resisted, it was useless at all!

Zuo Tianhe fell to the ground, spurting blood.

Sun Yongjie sat directly at Zuo Tianhe's position, eating meat, drinking from a large bowl, and wiping his mouth only after eating and drinking.

Then, staring at Zuo Tianhe, he said word by word: "Boy, let's talk about it, how can this matter today be solved?"

His voice was an understatement, but it made people shudder.

Especially people who are familiar with Sun Yongjie know that if he is like this at this time, it means that he has been murderous.

Looking at him, Zuo Tianhe trembled and said, "I, I..."

His lips trembled, and he couldn't speak anymore.

Seeing him behaving like this, Bai Jingwan's eyes flashed with contempt.

When she faced life and death that night, she faced the danger of being insulted, not as unbearable as Zuo Tianhe!

Zuo Tianhe swallowed and forced himself to calm down, then a thick flattering smile was squeezed out of his face, looking at Sun Yongjie, he smiled:

[Chapter 3430: I want them three!](#)

"I, I will make amends for you, and I will make amends for your friend."

"How can I make amends?" Sun Yongjie sneered.

Zuo Tianhe hurriedly said, "My lord, you said, you can offend as much as you say."

"Let me tell it myself? Your kid is looking for death!" Sun Yongjie suddenly turned his face, screamed, and slapped Zuo Tianhe with a palm.

Everyone was stunned, and never thought that Sun Yongjie would turn around suddenly.

Such a transformation under the elbows and armpits made them unable to react.

And Zuo Tianhe felt an extremely powerful force falling toward him fiercely. At this moment, he felt despair, even he felt a strong breath of death, directly covering himself.

In the next moment, he will be slapped to death by a living palm!

A voice in his heart yelled frantically: "I'm going to die! I'm going to die!"

And at this moment, his instinct was to plop, kneel to the ground, and kowtow frantically.

He shouted loudly: "I kowtow to apologize! I kowtow to apologize!"

Sun Yongjie smiled and said: "The kid is not bad!"

At the same time, that huge force dissipated directly.

Zuo Tianhe was already frightened and limp all over at this time, without a trace of strength, and he just lay on the ground, panting, like a dead dog.

At this time, the despair and fear in his heart were even greater than before.

The despair and fear just now were added to him by himself, and came from his imagination.

After all, Sun Yongjie hadn't really done it yet.

At this time, Sun Yongjie started.

That powerful force was crazily suppressed, making him instantly feel that he was only one step away from death.

He felt that Sun Yongjie's power was so powerful that he could easily kill himself.

Sun Yongjie looked at Zuo Tianhe and said coldly: "Today, you want me to spare your life, it's fine!"

Hearing his words, Zuo Tianhe's face instantly showed a touch of extreme ecstasy.

He was completely shocked by Sun Yongjie.

He knew that if Sun Yongjie did what he said, he really dared to kill him.

Moreover, he almost killed him just now.

At this time, I heard that Sun Yongjie could spare him, he was so excited that he didn't know why, so he quickly knocked his head a few times.

Looking at Sun Yongjie, he said like a pug: "Then you, how can you let me go?"

"You just offended my brother because of this little bitch."

Sun Yongjie pointed at Xiao Ruoxian coldly, and said with a smile: "Since this matter started because of women, it must end because of women!"

Sun Yongjie looked at Zuo Tianhe, his face suddenly showed fierceness and greed, and said: "Since you have robbed my brother's woman, you should give him back some women!"

Zuo Tianhe hurriedly said: "The kid never dared to **** your brother again. The younger one dare not."

"The young one will return Xiao Ruoxian back."

After that, he waved his hand to Xiao Ruoxian quickly: "Go, go, don't stay here!"

There was a look of contempt on Xiao Ruoxian's face, but he did not move.

Sun Yongjie smiled and said: "What? A Xiao Ruoxian can send my brother away?"

"My face is too worthless, right?"

He smiled, his eyes swept across the faces of Qi Wenxia, Gui Qingwen, and Bai Jingwan.

Suddenly, there was an ominous premonition in the hearts of several people.

At the next moment, Sun Yongjie sneered: "You robbed one of my brother's women, then three women will be returned!"

"I think these three are not bad!"

After all, he ordered a little and asked Xia, Bai Jingwan, and Gui Qingwen together: "You will return the three of them!"

Upon hearing this, Qi asked the three of Xia's faces instantly turning pale.

They had all seen Sun Yongjie's strength just now.

Sun Yongjie's power is even more terrifying!

It is absolutely impossible for them to resist.

"Are we going to be insulted today?" This thought flashed through the three of them at the same time, with a touch of pain on their faces.

In that pain, there was also boundless panic and despair!

Especially Gui Qingwen was so scared that he couldn't speak at this time.

Even though she is domineering, but after all, she is a little girl who has never seen wind and rain.

Qi Wenxia is similar.

On the contrary, Bai Jingwan was the most calm at this time.

What everyone didn't see was that at the moment Sun Yongjie said this, Chen Feng suddenly flashed a cold murderous intent!

Qi Wenxia and Gui Qingwen both turned their eyes to Zuo Tianhe, looking at him pleadingly and dependently.

All they can count on at this time is Zuo Tianhe.

Only Zuo Tianhe can hope to help them avoid this bad luck.

At this time, Sun Yongjie's gaze also fell on Zuo Tianhe's face, his eyes were full of joking, as if waiting for Zuo Tianhe to make a decision.

At this time, Zuo Tian was at war with heaven and man in his heart.

Suddenly, he gritted his teeth as if he had made a decision.

Then, looking at Qi Wen, Xia Baijingwan and Gui Qingwen, they shouted sadly: "I don't want to die! I don't want to die today!"

Tears and snot on his face were running!

Qi Wenxia and Gui Qingwen were both stunned, both of them showed incredulous expressions on their faces.

Gui Qingwen shouted loudly: "Zuo Tianhe, what do you mean? You want to dedicate the three of us to him?"

"Do you mean that? You can say something like this!"

Zuo Tianhe had a mental breakdown, and cried frantically: "I don't want to either! I don't want to either! But I don't want to die!"

Qi Wenxia was there in a daze, unable to say a word.

Only Bai Jingwan seemed to have thought of this scene a long time ago, her expression was cold and she said nothing.

Just cast his eyes on Chen Feng.

She didn't know why she had to do it, but she made this action instinctively!

Even at this time, her heart was burning. [novelupdates.com](http://www.novelupdates.com)

A voice echoed: "Chen Feng, was it you that day?"

"Are you going to stand up? Are you going to do something?"

Sun Yongjie laughed wildly: "Okay, no need to say it again, three chicks, come and let me enjoy it!"

After all, he hooked his fingers at the three of them.

Qi asked Xia and Gui Qingwen, huddled together, shaking.

Sun Yongjie laughed triumphantly: "A few little bitches, no one can save you now!"

"Have you seen? He doesn't care about you anymore, and even offers your hands and let me ruin it!"

"Just accept your fate!"

Having said that, he laughed obscenely and walked forward, ready to catch the three directly.

Qi Wenxia and Gui Qingwen were unable to resist even under his pressure.

Both of them were tearful and screaming, their eyes were already full of despair!
