

## Peerless 3441

### [Chapter 3441: OK, I will fulfill you!](#)

"Lingzhu's guests were rushed, and she had no choice but to give the guests medicated meals."

"The result just hit shopkeeper Xu's anger, shopkeeper Xu knocked over the medicine bowl with a slap, and slapped Zhong Lingzhu!"

"Also let her go, so that she is not allowed to appear here from now on, now Lingzhu is hiding behind and crying!"

The fierce atmosphere in Chen Feng's eyes flashed past!

If someone dared to treat Lingzhu like this, Chen Feng would never spare him lightly!

At this time, Zhong Lingzhu came over from behind.

Her face was full of tears and her eyes were flushed. She was still wiping tears at this time, sobbing and shivering.

Chen Feng quickly stepped forward.

After seeing him, Zhong Lingzhu immediately threw himself into his arms as if he had seen a relative.

Wow, crying and shouting: "Brother Feng Chen, someone is bullying me! Call me a bastard, bully me, beat me!"

As he said, there was another burst of crying.

When Chen Feng heard this, his expression became even colder.

He gently stroked Zhong Lingzhu's hair, and said softly, "Lingzhu, don't be afraid, don't be afraid, no one can bully you with Feng Chen's brother."

He looked down at the red palm print on Zhong Lingzhu's face, and he was very distressed.

At this moment, a fierce and hoarse voice came from behind Chen Feng: "Little bastard, I just bullied her, what can you do with me?"

Hearing this voice, everyone in the hall trembled with fear on their faces.

Zhong Lingzhu leaned tightly in Chen Feng's arms, clutching his shirt with a small hand, dare not let go.

After Chen Feng listened to it, but he didn't hear it, and didn't respond.

He just smiled and patted Zhong Lingzhu's head and said, "Don't worry, I'll say it again, no one can bully you with me today!"

Seeing his face so calm and calm, somehow, Zhong Lingzhu's sense of fear suddenly weakened a lot.

"Be good! Stay behind me!"

Chen Feng smiled and pinched her face on her nose.

Then, he turned around and faced the shopkeeper Xu.

Shopkeeper Xu saw Zhong Lingzhu's strong dependence on Chen Feng, and a touch of jealousy flashed in his eyes!

Then he raised his chin and said arrogantly and disdainfully: "Feng Chen, you are so courageous, you dare to speak such big words."

"But a pity, you are just a dog I raised! Hahaha..."

After that, there was a burst of laughter, and the words were full of contempt for Chen Feng, and he directly scolded Chen Feng as a dog!

After saying this, Chen Feng's eyes were cold, and murderous intent flashed.

Seeing that Chen Feng didn't speak, the shopkeeper Xu was even more proud. In his opinion, Chen Feng didn't dare to refute himself at all at this time. He was already restrained by himself.

His eyes swept across everyone's faces, and then he arrogantly said, "Who else is not convinced? Stand up!"

No one dared to speak.

Shopkeeper Xu was extremely proud.

He looked at Zhong Lingzhu, he smirked, and said, "Little lady, see clearly, no one here can protect you."

"Do you dare to offend me, I will let you not survive, but you cannot die, and..."

Suddenly, a cold voice interrupted him: "Have you finished fart?"

It is Chen Feng.

After the shopkeeper Xu heard these words, he immediately jumped up like a rabbit with an arrow in his ass.

He stared at Chen Feng, and said viciously: "Little bastard, you are so brave, how dare you talk to me like this? Who gave you the courage?"

If it is only aimed at himself, he can bear it because of Lin Ran's face.

However, bullying Zhong Lingzhu will not work!

If you can't bear it, you don't need to bear it anymore!

Chen Feng smiled and shook his fists, and said softly: "Who gave me the courage? Of course it is!"

"Yo? Are you? You are so arrogant, boy!"

Shopkeeper Xu was confident and arrogant. He looked at Chen Feng and said: "I know you are quite strong, but do you dare to beat me?"

He looked at Chen Feng and yelled: "The one standing behind me is Master Qiu!"

"His power, needless to say, you should also understand!"

"You hit me, no problem! As long as you dare to move me, I will tell you, Master Qiu will kill you!"

When he said the last sentence, he was already full of grimace.

Then, he walked to Chen Feng, stretched out his face directly, and placed it in front of Chen Feng.

He patted his face lightly, and shouted arrogantly: "Come on! There is something for you to hit!"

"If you don't fight, your \*\*\*\* is not a man!"

"If you don't fight, I will kill you today! You wait for me!"

Everyone looked worriedly at Chen Feng and the shopkeeper Xu's methods, they all understood.

"Oh, you want me to beat you? Really cheap!"

Chen Feng smiled, and then slowly uttered four words: "Okay, I will fulfill you!"

The next moment, shopkeeper Xu's pupils shrank sharply.

Because, he saw that a slap appeared in front of him, and then he got closer and closer to his face!

He let out a scream: "You, do you dare to fight..."

The word 'I' was not spoken yet, but it was interrupted directly by a loud, crisp sound.

And Chen Feng slammed his face with a big ear scraper, directly slamming his head, and sprayed out a mouthful of blood mixed with a dozen broken teeth.

His body was even directly slapped into the air, and he drove a few times in the air before he landed heavily.

Shopkeeper Xu was directly stunned.

He sat on the ground blankly, covering his face, and didn't recover for a long while.

But after a while, he covered his face and let out a stern and vague scream, and pointed his right finger at Chen Feng: "You? Do you dare to hit me? You dare to hit me?"

Chen Feng smiled and spread out his hands and said, "Since you want me to hit you so much, then I have to be disrespectful!"

There was a burst of laughter from the surrounding people, and some people even shouted in applause.

This slap was a relief, making everyone feel relieved and comfortable at once!

Zhong Lingzhu smiled even more, clapping his hands and shouting loudly, "Brother Feng Chen, good fight!"

The surrounding applause made shopkeeper Xu's face flushed even more.

He knew that he would lose his face today, and he was corrupted in the hands of this little bunny Feng Chen.

"Okay, you are fine! You little bastard!"

Shopkeeper Xu stared at Chen Feng with a bitter expression on his face, and said, "You wait for me, don't leave if there is something!"

The indifferent smile on Chen Feng's face suddenly disappeared, turning into a cold.

Pointing his finger to the ground, he said: "I'm standing here, not going anywhere, you can quickly move the rescuers!"

"Okay, you are ruthless!"

Shopkeeper Xu staggered to his feet and staggered out.

As he walked, he turned his head, looking very bitterly, and disappeared in an instant.

#### [Chapter 3442: Qi Leyu!](#)

Obviously, I went to find Qiu Leyu.

At this time, everyone gathered around and said loudly, "Big Brother Feng Chen, your slap just now was too much relief!"

"Yeah, haha, I just thought your slap was going to break his neck directly!"

"Look at his embarrassed look, he also has today!"

Everyone laughed loudly.

At this time, suddenly, a cold voice sounded: "You all retreat to me!"

Everyone was shocked when they heard it, and then when they looked back, they saw Lin Ranzheng walking over.

Her pretty face was filled with cold frost, and her eyes were full of anger!

When everyone saw her coming, they all bowed their heads.

"Good things you did! Especially you!"

She stared at Zhong Lingzhu and said, "If it wasn't for you, how could Feng Chen get into such a big disaster?"

Zhong Lingzhu was still smiling just now, but at this time, being trained by her, he immediately trembled.

Eye rims were red, and I cried again.

"Still crying? Just know crying! Do you know who is standing behind shopkeeper Xu?"

"Do you know how terrifying that Qi Leyu is?"

"Do you know that you are both over this time! Qiu Leyu will never let you go, you are all going to die!"

And when she mentioned Qiu Leyu, her body trembled slightly, her face showed extreme fear, and there was even a hint of despair in that fear.

Even when facing the powerful Sun Yongjie, she did not.

But now it is like this, which shows how terrifying Qi Leyu is.

Everyone bowed their heads, was silent, and then looked at Chen Feng with worry.

At this time, they seemed to think of the terrible Qiu Leyu.

Even Zhong Lingzhu stopped crying, looking at Chen Feng with a worried expression, and then at Lin Ran.

Seeing the crowd like this, Lin Ran couldn't bear to say any more, and sighed softly, "Is it enough to bear it? Why do you have to fight him?"

"Is it important to breathe, or is life important?"

Chen Feng looked at him, but there was a smile on his face.

Lin Ran seemed to be talking about him, but in fact it was all for his good.

Chen Feng's heart moved, and he was about to speak, showing her part of his strength.

At this time, Chen Feng had already decided to show some strength, so he was not afraid to let Lin Ran and the others know.

As long as Chen Feng said this, Lin Ran would feel at ease!

Because Qiu Leyu is nothing to Chen Feng's revealed strength!

However, before Chen Feng could speak, Lin Ran squeezed his arm hard, looked at him angrily and said, "I'm still smiling, at this time, can I still laugh?"

However, it seemed that some important decision had been made, and it seemed that he had made some determination. Looking at Chen Feng, he said loudly:

"Neither you nor Zhong Lingzhu can stay here anymore."

"Then shopkeeper Xu will come back to retaliate, you can't escape, and he has coveted Zhong Lingzhu for a long time, this time he is not afraid of tearing his face, then you will definitely not escape Lingzhu!"

"No, don't stay here, the night is long and dreamy!"

After that, she took out a small bag from her arms and handed it to Chen Feng, saying, "Take Zhong Lingzhu, hurry up!"

"In this bag are some of my savings over the years, enough for you to use on the road!"

Her behavior directly stunned Chen Feng.

But after a moment of stunned, my heart was deeply moved, and I only felt warm and warm.

Lin Ran was really sincere to him, it was extremely good!

Of course, Chen Feng knew very well that if he took Zhong Lingzhu with him, then the shopkeeper Xu would bring Qiu Leyu over, and if he couldn't see himself or Zhong Lingzhu, he would definitely cast all his anger on Lin Ran.

When that happens, Lin Ran will be the unlucky one.

How cruel are Qiu Leyu's methods?

When that happens, Lin Ran will not be able to ask for death!

It can be said that Lin Ran desperately let himself and Zhong Lingzhu escape!

Why is Chen Feng not grateful?

Seeing Chen Feng stunned there, Lin Ran became anxious, dragged him, and violently dragged out:

"What are you still stunned for? Go away!"

Chen Feng looked at her suddenly and said, "If we leave, what will you do?"

"what should I do?"

Lin Ran was stunned for a moment, and then said: "Okay, don't worry about what I do, where is there still time to manage so much now? Go!"

Chen Feng turned around, smiled slightly, looked at her and said, "Sister Lin Ran."

Lin Ran was stunned and looked at Chen Feng blankly.

Chen Feng patted her shoulder lightly, and said, "Don't worry, everything is mine."

"That Qiu Leyu is here, will you leave it to me?"

His voice was very gentle, but for some reason, Lin Ran felt inexplicably at ease after listening.

At this moment, a cold voice suddenly came from outside the door: "They are all dead, and they are still talking big words here."

"Should I say you are stupid, or should I say you are ignorant?"

After hearing this voice, Chen Feng saw that the expressions of everyone in the hall had changed dramatically.

Especially Lin Ran, his face turned pale in an instant, obviously full of fear for the owner of this voice.

Although she had made the decision to die together with Chen Feng, now at this moment, she is still terrified.

After all, this is a matter of life and death.

Chen Feng patted her back lightly, smiled and said, "Don't worry, everything is mine!"

Then, he lowered his head and spoke to Zhong Lingzhu in a low voice, his expression calm, his emotions did not change at all, as if he hadn't heard the voice at all.

The next moment, from the gate, two people walked in.

The shopkeeper Xu was walking in front.

Behind him, there was a person who was about fifty years old, wearing a black suit, and a very strong figure.

A pair of thick eyebrows, black hair, extremely majestic, apparently in a high position on weekdays!

After seeing him come in, many people felt their legs weakened and almost could not stand.*novElus&.com*

Needless to say, Chen Feng also knew that this person should be the backer behind the treasurer Xu: Qiu Leyu!

After the two came in, shopkeeper Xu immediately pointed to Chen Feng with a bitter expression on his face and jumped and shouted: "Brother-in-law, that's him!"

"It's just that he hit me just now, you must be the master for me!"

As he said, he started howling there.

Qiu Leyu said coldly: "Don't worry, who dares to touch you, I will let him die today!"

After Qiu Leyu came in, he did not immediately look at Chen Feng, but at Lin Ran first.

Then, a sullen smile appeared at the corner of his mouth: "Lin Ran, that's okay, now you're good at it too!"

"In your shop, you dare to let people do something to my people? Do you still put me in your eyes?"

Facing his question, Lin Ran shivered with fright, his legs became weak, and he almost knelt on the ground.

#### [Chapter 3443: Noisy!](#)

Her face was pale, her lips trembled, and she wanted to speak, but she didn't say a word for a long time.

Obviously, she was extremely afraid of Qiu Leyu.

Seeing her like this, Qiu Leyu was obviously very satisfied, and then he turned his gaze to Chen Feng and took a look.

Seeing that Chen Feng was only a one-star martial artist, he immediately felt relieved.

Then he said indifferently, "Boy, you are the one who moved me, right?"

"Now, if you commit suicide, I can keep a whole body of you!"

His voice was indifferent and gentle, without any emotional fluctuations.

And when he said this, it seemed to give Chen Feng a great reward.

Hearing his words, Chen Feng was taken aback.

Then he laughed, full of disdain.

Chen Feng stood up abruptly, staring at Qiu Leyu, and said lightly: "If you want to commit suicide now, I will leave you a dead body!"

This is actually returning Qiu Leyu's words.

Everyone was shocked: "Chen Feng is too courageous!"

"Yes, she dared to speak to Qiu Leyu! She must die today!"

Everyone was worried about Chen Feng, and no one thought that he would be Qiu Leyu's opponent.

Even Lin Ran looked at Chen Feng with worry in his eyes.

Only Zhong Lingzhu still has great confidence in Chen Feng!

After hearing Chen Feng's words, Qiu Leyu was stunned, and then he slowly shook his head.

He wasn't even furious. He just looked at Chen Feng and said slowly: "Okay, you have the courage, if that's the case, then I will..."

He stared at Chen Feng, and his eyes flashed with extreme tyranny: "I will tear you to pieces, and you will be fine!"

He smiled: "This is the price you paid for offending me."

His tone was very calm.

He was not intimidating, he just felt that what he was saying was true. From the bottom of his heart, he did not regard Chen Feng as an opponent of his own level.

Full of contempt!

Chen Feng looked at him with a flash of murderous intent in his eyes. He didn't say a word, just gently hooked his finger.

This contemptuous action made Qiu Leyu stunned for a moment, and then he roared incomparably ferociously, "Boy, you are looking for death!"

The next moment, his figure jumped and fisted at Chen Feng.

His eyes were full of pride, in his opinion, this punch was enough to break this person into pieces!

At this time, many women screamed, including Lin Ran.

She covered her eyes, not even daring to watch the scene where Chen Feng was killed.

But the next moment, they heard an incredulous shout: "How is it possible?"

At the same time, there was a bang, and the sound of heavy crashes came!

Everyone was stunned, Lin Ran was taken aback: "What's the matter? It doesn't sound like Chen Feng's voice!"

She quickly put down her hand, and then she saw a scene that she couldn't believe.

At this time, Chen Feng stood still and did not move.

But Qiu Leyu fell to the ground hard, vomiting blood again and again.

The shirt on his chest was already red.

His right hand dropped unnaturally, and it was obvious that his right arm had been shattered by the entire shaking bone.

It turned out that Chen Feng just hit it with a punch!

The two fists hit together.

He didn't move, but Qiu Leyu flew back directly.

Sitting on the spot, Qiu Leyu shouted in disbelief: "How is it possible! How can your strength be so strong?"

"I just felt that I can't compare with your strength at all!"

Chen Feng looked at him with a slight tick at the corner of his mouth, and said lightly: "It's not that you feel that you can't compare with me, but you are not qualified to compare with me at all!"

A joking smile hung on the corner of his mouth: "You still feel quite accurate."

"How is it possible? How can you be so strong?"

Qiu Leyu glared at him, the disdain and arrogance in his eyes had disappeared, replaced by a hint of shock and panic.

Shopkeeper Xu was completely stupid. He stood there blankly for a long time.

Then, suddenly like a cat with its tail stomped on, it screamed: "How can you be so strong? How can you be so strong?"

They don't seem to say anything else.

He was so shocked that his voice was broken.

Everyone also exclaimed, and their gazes towards Chen Feng were full of shock!

They knew Chen Feng was very strong, but they all thought he was not Qiu Leyu's opponent.

Unexpectedly, Chen Feng's strength far surpassed Qiu Leyu.

With one palm, he was severely injured!

Lin Ran was also dumbfounded, and the dumbness turned into ecstasy in the next moment.

A voice murmured in his heart: "Feng Chen, Feng Chen, is he so strong?"

"Great, no need to die, no need to die now! We can all live."

Her eye sockets were sore, she actually had a feeling of wanting to cry.

She hurriedly sucked her nose, only to endure the feeling.

Chen Feng walked forward slowly, but shopkeeper Xu was still screaming there.

Chen Feng took a palm shot, directly screamed at shopkeeper Xu, and fell to the ground, his body stopped moving, he was already dead!

Chen Feng coldly spit out two words: "Noisy!"

Then, he walked to Qiu Leyu and looked down at him, with murderous flashes in his eyes!

At this time, he finally panicked.

The calmness, the aura of a superior person, and the indifference that were forced out just now were all blasted to pieces!

He looked at Chen Feng and trembled: "You, you can't kill me!"

"I am Master Lan Zihan's steward! I am his steward!"

"Our master is a majestic general of the Heavenly Dragon Guards. He is extremely powerful, only under the Heavenly Dragon Guards!"

"If you dare to kill me, he will definitely not let you go!"

And the more he said, the more excited his face became.

It seems that the string of words he just said, it seems that the strength and influence of his master has brought him incomparable confidence.

The panic and despair on his face disappeared, replaced by a trace of arrogance and disdain, even full of deep resentment.

He stared at Chen Feng and said cruelly: "Boy, you must not dare to kill me!"

"Not only did you dare not kill me, but even if you beat me now, you still have to die in my hands!"

He resentfully said: "You wait for me, if you offend me, you have offended Master Lan!"

"When I return to Master Lan's mansion and move in to rescue the soldiers, you will definitely die!"

He seemed certain that Chen Feng would never dare to kill himself, and he became arrogant again.

Chen Feng stared at him, smiled and said, "Really? Are you so sure?"

The murderous flashes in his eyes meant that the killer would behead Qiu Leyu here.

And at this moment, Qiu Leyu's ears moved suddenly, as if he was listening.

[Chapter 3444: He wants you to die, why don't you die!](#)

Then he shouted excitedly: "Master, are you here? Why are you free to visit Zhulin Medicinal Food Studio?"

Then, there was a rather strong and steady voice from outside:

"Out of the city to do errands, and pass by Xiacheng when you come back."

"I have nothing to do. I just thought that you have an industry here. There is a kind of medicated diet in it. Although the grade is low, the taste is not bad."

"Just come over and have a taste."

With this voice, Qiu Leyu has completely restored the arrogance and arrogance he had just now.

He looked at Chen Feng and laughed loudly: "Boy, it's a coincidence that my master is here!"

"You know what, my master is here!"

He laughed wildly: "You are dead, I tell you! You are already a dead person!"

His hand lit Chen Feng, full of pride: "My master can run you to death with just one finger!"

The next moment, a person walked in slowly!

After seeing him, everyone was shocked.

The master in Qiu Le's tongue, they thought at first that they would be older, but they didn't expect to be a fine and strong man who looked only 30 years old.

This sturdy man, not tall, does not look like a person who often holds high positions.

It feels like it is extremely capable.

The whole body is cast like iron bars, but when I look at it, it gives people a feeling that he must be a general fighting on the battlefield!

Above his body, there is endless murderous aura.

This murderous aura around his body, as if it had been condensed into substance, gave people the feeling that it was not a human being coming, but a moving Asura hell!

Within 100 meters of his body, he felt that his breathing was almost stagnant.

It seems that all around the body is smelling of blood, and all are murderous.

When I opened my eyes, I saw countless ghosts and terrifying Shura hell!

Everyone's breathing was stagnant.

Even a few people with weak cultivation base fainted directly!

Everyone was panicked, Lin Ran felt his head dizzy: "Yes, yes, is Lan Zihan here?"

"Qiu Leyu's backing, Lan Zihan actually came?"

"God, what day is it today! How could he come here?"

Lin Ran has seen Qiu Leyu a few times.

As for Lan Zihan, Lin Ran has only heard of it once or twice.

He was not qualified to see these legendary characters.

And she looked at Chen Feng with great worry.

Although Chen Feng easily beat Qiu Leyu miserably and proved his strength, Lin Ran didn't think he would be Lan Zihan's opponent.

Even, the two cannot be comparable!

But when she saw Chen Feng's expression, she was stunned!

It turned out that Chen Feng's expression was neither surprised nor panicked at this time.

It was filled with a kind of clarity as it was, even with a smile on the corners of his mouth, without any tension.

It's not like seeing an enemy, but like seeing an old friend!

After that Lan Zihan walked in and saw Chen Feng, his pupils shrank instantly and he was taken aback.

At this time, Qiu Leyu still didn't understand what was going on. He didn't notice Lan Zihan's expression.

He just walked quickly in front of Lan Zihan, then threw a plop, knelt on the ground, and cried out with sobbing, "Master, you must be the master for me!"

He turned around and pointed at Chen Feng with a bitter expression on his face: "This bastard, he is not only the one who beat me!"

"I'm here to preside over justice, he still beats me, he wants to kill me!"

"Master, you almost couldn't see me!"

He said bitterly: "Master, you must strip his skin, tear his bones, and tear his tendons, making him die miserably!"

He looked at Chen Feng with a bitter expression on his face.

But he hadn't noticed that after listening to his words, Lan Zihan's face muscles twitched, and the complicated expression flashed in his eyes.

There was a hint of anger in that expression.

However, the anger was not against Chen Feng, but against him.

It was like a kind of unconvincing anger that one of his subordinates caused trouble, with a hint of embarrassment.

It's like the embarrassment that oneself loses face in front of outsiders.

He lowered his head, stared at Qiu Leyu, and said slowly, "He hit you?"

"Yes Yes!"

Qiu Leyu nodded fiercely.

"He wants to kill you?" Lan Zihan continued to ask.

"Yes, he said that he would kill me. If the master didn't come in time, he would really kill me!" Qiu Leyu nodded frantically.

He looked at Lan Zihan and trembled: "Master, you must be fair to me!"

He looked at Lan Zihan hopefully.

At this time, Lan Zihan's eyes flashed a touch of hostility.

Seeing this vicious atmosphere, Qiu Leyu was immediately extremely excited.

In his opinion, since the master is furious, Feng Chen will undoubtedly die.

The next moment, Qiu Leyu suddenly felt a sharp pain on his face.

Then, the whole person actually flew up like clouds and fog, and fell directly to the ground.

At this moment, the pain of being beaten to pieces on the left cheek was violently heard.

Let him let out a scream!

However, compared with the physical pain, he was more shocked, but psychologically!

He covered his face with horror, and at the same time asked blankly, "Master, you, what are you doing?"

It turned out that Lan Zihan actually snapped, and a big slap slapped his face bitterly!

Hit him directly!

At this time, Qiu Leyu was still there, and he had no idea what was going on.

He was completely stunned, with just a thought in his mind: "Master, why did the master hit me? Why did the master hit me?"

"It's you dog!"

Lan Zihan strode forward, slapped again, and slapped his face fiercely: "He wants you to die, why don't you die!"

Then, there was another slap in the face, and he cursed: "You still let me kill him?"

Then there was another slap in the face, and another curse: "Do you know who he is?"

It was another slap in the face: "You dog, you have caused great trouble for me!"

This beating and cursing directly made Qiu Leyu stupid.

The dozens of powerful generals walking behind Lan Zihan were completely stunned.

They all understood this Qiu Leyu, and it was a highly regarded steward in Lan Zihan's mansion, and the relationship was also good on weekdays.

But now, he was beaten and scolded so madly by Lan Zihan.

Some people who are thoughtful and wise have already guessed something.

So he turned his attention to the young man standing behind.

At this time, the tall and handsome young man in white stood there without saying a word.

It's just that there is a slight smile at the corner of his mouth, full of calmness.

[Chapter 3445: Brother Chen Feng, long time no see!](#)

And this scene made these powerful generals chill in the bottom of their hearts, and they couldn't help but wonder where this person came from!

Qiu Leyu, the whole person has been beaten completely stupid!

Not only was he stupid in his heart, but he was really, physiologically about to become a fool.

As Lan Zihan dropped his palm after palm, his internal organs were shattered, his bones shattered, and even the bones on his head were about to be broken.

His brain felt like paste.

After a while, he came back slightly.

And the next moment, he saw a scene that frightened him extremely.

His master, his master, in his eyes as powerful as a \*\*\*\* and invincible, his biggest backer: Lan Zihan, actually walked quickly over and came to the young man.

Then, watching him laugh loudly: "Brother Chen Feng, long time no see!"

Looking at him, Chen Feng said softly, "Brother Lan, long time no see!"

long time no see?

long time no see!

These eight words, uttered from the two of them, instantly swept the entire hall like a huge storm!

Hearing these eight words and these two sentences, everyone was stunned! Stupid! stunned!

"What, they two met before?"

"Also, listening to this tone, it's extremely close! The relationship is very good!"

"It feels like an old friend I haven't seen for a long time!"

"Yes, and it gives people a sense of friendship."

"No, it's not just about talking to the peers. To put it nicely, we adults attach great importance to this Young Master Chen Feng. If it is awkward, we adults are quite pleased to others!"

"Yes, that's how it feels."

They are all keenly aware of this fact.

"When did Young Master Chen Feng come to Sky Dragon City? How come you don't know how to make a brother call?"

"If my brother knows that you are here, it will definitely be a treat!"

"If you don't treat me well, then Master Pu can't spare me!" Lan Zihan laughed.

Chen Feng chuckled softly: "This time I came to Sky Dragon City. There were some personal matters, so I didn't bother."

"As a result, I didn't expect that it was a coincidence that so many things happened."

Chen Feng couldn't help touching his nose, a wry smile appeared on his face.

He really didn't want Pu Xingzhou and Lan Zihan to know his arrival.

But I didn't expect that, after all, I still couldn't hide it, but they found it now. *noVeIUS&.coM*

However, Chen Feng was quite relaxed at this time.

This time he came to Sky Dragon City, the most important purpose is to find the descendants of the real person, this must be found, and must complete the last wish of the real person.

And now he has found it.

The second purpose is to enter the Beidou Sword Sect and get the Shaoguang White Sun Spectrum.

This is what he wants, but it doesn't matter if he fails.

Chen Feng is actually a big wish now, so he is very relaxed, so he has less scruples.

Even if they are recognized, they are not afraid.

He glanced at Qiu Leyu, and said lightly: "Your subordinate, but you are very arrogant!"

"If you weren't recruited, I really don't want to reveal my identity!"

After saying this, Lan Zihan was taken aback for a moment, and then his face changed.

What a clever person he is, how can he still not know what Chen Feng meant?

Obviously, he came here with secrets and did not want to reveal his whereabouts, but he revealed his whereabouts because of such obstruction and was discovered by himself.

Lan Zihan turned around, staring at Qiu Leyu, and cursed: "Blind your dog's eyes! How dare you offend my brother Chen Feng!"

"I should get rid of your dog eyes! Break your dog legs!"

At this moment, Qiu Leyu's whole person was like falling into the ice cellar.

It was as if someone had lifted his sky spirit cover and smashed a basin of ice into his mind.

Let him cool from head to toe, and his whole body is cold, and the whole person is completely blinded!

In the next moment, this emotion disappeared without a trace.

Instead, there are deep-seated fear and despair, as well as incomparable regret!

"My master Lan Zihan, the extremely powerful Tianlongweizhong Lang general, actually called this young man a brother?"

"Besides, I seem to be quite jealous of him? Goodness, goodness! What is his background?"

"This young man, this man named Feng Chen, what is it? I actually provoke a powerful existence that I can't provoke!"

At this time, he realized how stupid and arrogant he was before.

How dare you say something like that in front of this person? Do you dare to play hard with him? He even wanted to kill him?

It was only then that he realized that he was really stupid, extremely ridiculous.

And the next moment, the ultimate fear is to drown him.

He trembled violently all over: "It's over, I'm dead, I'm going to die this time!"

"The master dare not mess with him, I must die!"

Not only him, but Lin Ran and others were completely stunned when they saw this scene.

Lin Ran stood there like a puppet, and didn't even break free from the huge shock.

She just thought blankly: "My brother Feng Chen, how strong is he? What is his background!"

A moment later, when she came back to her senses, her eyes were filled with endless joy in an instant!

Looking at Chen Feng, his eyes were full of pride.

Other people probably do.

On the contrary, it was Zhong Lingzhu, who had always been full of confidence in Chen Feng, with a smile on his face, cheering for Chen Feng loudly, so she was the same as before.

Because at this time, in her eyes, her brother Feng Chen is omnipotent and can do everything.

So what's so strange about this?

"wrong!"

Lin Ran suddenly trembled in his mind, thinking of something.

"Just now Lan Zihan clearly called him Chen Feng instead of calling him Feng Chen!"

"Could it be that he is actually called Chen Feng and he is actually called Chen Feng? Feng Chen is not his real name?"

She was stunned.

Lan Zihan looked at Chen Feng and said, "Brother Chen Feng, what do you want to do with me?"

Chen Feng said lightly: "Kill it!"

Lan Zihan didn't hesitate, immediately laughed and said, "Okay!"

After that, he walked directly towards Qiu Leyu!

Qiu Leyu shivered violently at this time.

He realized that he was going to die.

However, he did not dare to have any resistance.

He had seen more of his own master's methods, and he didn't even dare to ask his master for mercy.

He knelt on the ground, crawled over to Chen Feng frantically, kowtow again and again in front of Chen Feng, and shouted frantically: "Please, don't kill me!"

[Chapter 3446: Sorry, you don't have a future!](#)

"Please, say a few words for me! Don't kill me, I don't want to die!"

Chen Feng looked down at him and said lightly:

"No matter how arrogant! No matter how furious!"

"Isn't it arrogant just now?"

"Didn't you just say you want to kill me?"

"Didn't you just say that you are going to make me die miserably today?"

"Isn't it arrogant and arrogant just now?"

Chen Feng stared at him, and said indifferently, with a joking smile on the corner of his mouth: "Now, how come you are like a dead dog, kowtow in front of me for mercy?"

Qiu Leyu cried heartbreakingly: "I was wrong, I was wrong, please, let me go! I won't dare anymore!"

Chen Feng squatted down, looked at him directly, and suddenly smiled: "Sorry, you don't have a future!"

The next moment, I got up and didn't even look at him.

Then, Lan Zihan sneered and patted Qiu Leyu's head with a palm.

Qiu Leyu let out a screaming scream, then the scream stopped abruptly, his figure convulsed heavily, fell to the ground, no more breath.

Qiu Leyu, beheaded by Lan Zihan!

Then Lan Zihan looked at Chen Feng, sighed deeply, clasped his fist and said, "Brother Chen Feng, I can't help you this time!"

Chen Feng smiled and said, "Where is it, what he did is not what you did."

Then, he whispered: "Brother Lan, it is true that I am here this time because I have important things to do."

"So please don't reveal my whereabouts."

Lan Zihan patted his chest heavily, and said, rest assured: "Brother Chen!"

"Today's matter, you know and I know, no one will tell you!"

He turned around and glanced at the many generals behind him. Those people shivered violently. They all clasped their fists and said loudly, "Master Zhonglang, don't worry, I will never say anything!"

Lan Zihan nodded in satisfaction.

Chen Feng smiled slightly.

At this moment, Lin Ran suddenly screamed: "Chen Feng, are you called Feng Chen? Or is your name Chen Feng?" *noVeluS&.Com*

"Which one is your name?"

Her expression was very excited, she looked at Chen Feng, furious, her eyes were full of anger, and she felt cheated!

At this moment, she really felt that way in her heart.

I dig my heart for Chen Feng, and even want to die with him, but he actually lied to himself!

Chen Feng looked at him with a wry smile at the corner of his mouth, and said in a whisper, "Sister Lin, my real name is Chen Feng."

"Your name is Chen Feng, not Feng Chen?"

Lin Ran walked up to him and pinched his body severely, "Why did you lie to me? Why did you lie to me?"

Chen Feng was pinched for a while, but he didn't dare to resist. He just laughed and said, "I will explain to you later, I really didn't mean it!"

Then, he glanced at the crowd, smiled bitterly and said: "I have to hide my name, and I really have a last resort. Please don't divulge the secret and keep this secret! How about?"

Everyone naturally nodded.

Lin Ran looked at Chen Feng, his eyes were complicated.

As for Zhong Lingzhu, he was innocent, and she didn't think it was a big deal!

At this time, Lan Zihan suddenly said coldly: "It's not trying to do it, but we must do it."

"Brother Chen Feng, I am generous and don't say much, but I am different!"

The corner of his mouth twitched slightly, and he pulled out a grinning smile: "If anyone dares to leak out the news that he is Chen Feng today, I will kill his whole family! Annihilate him!"

When everyone heard this, they shuddered.

In front of him, the general of the Heavenly Dragon Guard, who was killed by the sea of blood from the corpse mountain, did what he said and killed countless people!

They nodded hurriedly and warned themselves in their hearts that they must never tell this secret.

Then, after saying a few more words, Lan Zihan said goodbye.

He was full of misgivings at this moment, and he didn't know what Chen Feng was doing here.

But I was very witty and didn't ask, but after I went back, there would definitely be some actions, but this was inevitable.

When everyone left, the hall was quiet again.

Everyone looked at Chen Feng blankly.

At the next moment, someone cheered loudly and said, "Chen Feng, you are so amazing!"

The cheers seemed to have awakened everyone, everyone leaned forward and talked around Chen Feng.

They are all quite simple and have a good relationship with Chen Feng. At this time, knowing that Feng Chen was originally Chen Feng and that he was extremely powerful, they were all very happy for him.

Their thoughts were simpler, but Lin Ran didn't think so. She felt cheated.

She gave Chen Feng a fierce look, then she snorted and turned and walked into the backyard!

Seeing this scene, everyone was stunned, and then they all understood what was going on.

Suddenly, someone snickered and said, "Feng Chen, oh no, I should call you Brother Chen Feng now. It seems that Sister Lin is a little unhappy! Go and coax!"

Chen Feng also gave a wry smile and touched his nose.

Then, he waved to Zhong Lingzhu and said, "Come here."

Zhong Lingzhu walked to Chen Feng very obediently. Chen Feng rubbed his head, held her hand, and whispered, "Go, go to the backyard with me to find your sister Lin."

Zhong Lingzhu nodded as if he didn't understand, he didn't know why Chen Feng wanted to bring himself!

Soon, Chen Feng was in a garden behind the backyard.

In the depths of the garden, there is an abode, which is Lin Ran's residence.

At this time, the door of the Abode was closed, and Chen Feng walked to the door, deliberately repetitive footsteps.

Suddenly, an angry voice came from the abode: "Chen Feng, don't bother me!"

Chen Feng smiled slightly, as long as he was willing to speak, it was easy.

Naturally, Chen Feng would not listen to Lin Ran and really not bother her.

Then Chen Feng walked to the door, and then whispered: "Sister Lin Ran, please listen to me telling the whole story."

The room was silent, but Lin Ran was obviously waiting for Chen Feng to speak.

Chen Feng gently took Zhong Lingzhu's hand and said slowly: "This Zhong Lingzhu has a great chance with me."

He looked at Zhong Lingzhu and said: "Now I will tell you this matter clearly!"

"This matter has something to do with you, and it is unfair to you if you keep it secret."

Zhong Lingzhu was stunned, not knowing what was going on.

Just suddenly clenched Chen Feng's hand, looking at Chen Feng, his eyes were full of panic, and he trembled: "Brother Chen Feng, you won't leave me, you won't hurt me, right?"

Chen Feng looked at him, smiled and said, "Don't worry, no one will treat you better than me, and no one cares about you more than me."

Zhong Lingzhu was very happy. Looking at Chen Feng, he smiled sweetly, his eyes full of dependence.

#### [Chapter 3447: Beidou Sword School](#)

Chen Feng felt a little bit. Zhong Lingzhu has now pinned all his hopes on him.

Then, he looked at Zhong Lingzhu and asked, "Lingzhu, do you know that your ancestor was a strong man named Lei Ting."

"And when I was a teenager, I once got the treasure of Real Thunder!"

Then, Chen Feng explained the reasons why he came here, but he did not say how terrifying his true identity Chen Feng is, nor did he say anything about the Xuanyuan family.

Just explained the matter itself.

After Zhong Lingzhu listened, he was stupid!

She did not expect that Chen Feng came here for this reason!

Suddenly she felt a little sad: "It turns out that Brother Chen Feng found me to repay me."

But after all, she was a precocious person, and she soon wanted to understand: "No matter what the original, no matter what the purpose is, but now, Brother Chen Feng treats me with sincerity and truth, what more should I think about? "

Chen Feng smiled bitterly: "Lin Ran, I have to conceal my identity."

"Still forced?"

Lin Ran's voice came coldly: "Do you think you are a big man? Do you think how many people pay attention to you?"

"I have no choice? Is it possible that you will be discovered when you come to Sky Dragon City? Will it have a great impact on you?"

Chen Feng sighed slightly.

He didn't want to reveal his identity, but since Lin Ran didn't want to believe it, he had to say it.

He sighed softly: "Lin Ran, let's tell you, my identity is really extraordinary."

"Today's middle-ranking general, have you seen it? Do you know why he is so polite to me?"

"Why?" Lin Ran was also very puzzled!

Chen Feng said word by word: "Because, he is not polite to me, but he is not qualified to talk to my peers!"

"In the entire Sky Dragon City!"

He said word by word: "The only person who can discuss with my peers is General Pu Xingzhou!"

Hearing Chen Feng's words, Lin Ran's heart was shocked! *NovElnovel.com*

Just now, when he saw Lan Zihan's attitude toward Chen Feng, he knew that Chen Feng was definitely not easy.

But she never expected that Chen Feng was already a powerhouse with Pu Xingzhou.

At this time, the door slowly opened.

Lin Ran stood at the door, looking at Chen Feng.

The rims of her eyes were a little red, and when she looked at Chen Feng, a thick and unreal feeling flashed in her eyes.

She felt like she was dreaming: "I just met Chen Feng like this? I just met a strong man that she can't reach at all by reason?"

She stared at Chen Feng in a daze. After a long while, she sighed slightly, with a self-deprecating smile on her face:

"I said before to protect you, think about what I said and what I did, it's really ridiculous!"

Chen Feng said loudly: "No, not ridiculous, not ridiculous at all!"

He looked at Lin Ran, his face was full of sincerity: "Sister Lin Ran, I am very touched by what you did."

"You are sincere to me, and I, Chen Feng, are to you, too!"

Lin Ran couldn't help but move.

Looking at Chen Feng, he suddenly stretched out his hand and gently stroked his face, and said in a low voice: "We will be good friends, right?"

"Yes, I will!" Chen Feng's voice is as important as it is!

Lin Ran suddenly smiled, looking at Chen Feng, smiling very happily.

Then, whispered: "I believe you."

Soon, it was time for the Beidou Sword School to report.

Chen Feng, Shi Hongbo, and Shi Yebai lost the Beidou Sword Sect early in the morning.

The Beidou Sword Sect was not anywhere in the upper, middle and lower urban areas of Sky Dragon City, but it happened to be in Sky Dragon City.

Its location is very peculiar, but in the northeast corner of Sky Dragon City.

The northeast corner of Sky Dragon City is a corner between the east wall of Sky Dragon City and the God of War Mountain Range.

Even though it is just a corner, the radius is hundreds of miles long, and it is also very wide.

The location of the Beidou Sword Sect is in a mountain col in this corner.

Early in the morning, Qi Wenxia came here early, and offered to take Chen Feng to the Beidou Sword Sect.

Obviously she was a little pleased with Cheng Feng, but Chen Feng had no choice but to refuse people thousands of miles away, so she had to accept it.

It took almost an hour for a group of several people to arrive here in a floating tank.

As they continue to move forward, the terrain is slowly rising.

The Beidou Sword Sect is located above the God of War Mountain Range. In fact, its location is higher than most of the midtown area of Sky Dragon City, and even some upper areas!

Finally, when it came to a height of more than 60,000 meters above the hillside, a huge mountain gate appeared in front of everyone.

The floating tank slowly landed on the platform!

At this time, there are already many floating tanks on the platform.

Qi Wenxia ordered a few words, that is, let her family bring the floating chariot to stop by the side, and she will go home later.

Seeing what she meant, she obviously didn't intend to live in the martial arts.

This is also a very normal situation, after all, the Beidou Sword Sect is different from any school that Chen Feng has experienced before.

This sect is located in the city, not far from the homes of many disciples. Compared to my own home, the living environment in the sect is definitely worse.

Then, a group of people walked forward.

All the way silently, there was a small pavilion not far from the gate, and a stone monument was erected outside the pavilion.

On the stone tablet is written more than a dozen characters: "New disciple, come here to receive the waist card."

Everyone is walking towards that side.

Soon, he received a waist card.

This waist card was about the size of a palm, and it was not known what kind of metal it was cast from. It was all plain white.

It's a white board with only the characters 'Beidou' written on the front.

On the back, the disciple's name is written.

Chen Feng looked at the word 'Feng Chen' above, a playful smile appeared on the corner of his mouth.

Then, he raised his head, looked at the tall mountain gate, and sighed softly.

"Beidou Sword Sect, I'm Chen Feng, here comes!"

"are you ready?"

Maybe I felt embarrassed that I was with Chen Feng and the others, so Qi Wenxia took the initiative to leave.

Chen Feng was naturally anxious.

As soon as Qi Wenxia left, the atmosphere of the three of them suddenly became much more comfortable.

Soon, before the mountain gate.

"This mountain gate is so tall and tall, I'm afraid it's tens of thousands of meters!"

Shi Hongbo exclaimed.

Shi Yebai's gaze fell far away.

In the distance, in the endless palace, from time to time the sound of weapon fighting sounded.

Hundreds of meters of sword energy broke through the sky, and even that sword energy, like a white rainbow piercing the sun, shattered the floating clouds in the sky!

The power of this sword aura fell in Chen Fengfeng's eyes, naturally only average.

#### [Chapter 3448: You three untouchables!](#)

Aside from other things, he smashed it out, and a mountain can be broken into pieces.

Moreover, the lower clouds, Chen Feng didn't even need to swing a knife to smash them, they could be shattered by flicking his fingers!

But falling in Shi Yebai's eyes was extremely shocking.

There was a strong obsession in her eyes: "Is this the Beidou Sword Sect? Are those strong men of the Beidou Sword Sect?"

"Is it the powerful martial arts of the Beidou Sword Sect?"

She looked at Chen Feng and whispered softly: "I really feel like a dream."

"Next, I am going to practice here? Is it possible for me to reach their level?"

Chen Feng patted her shoulder, smiled and said, "You will be able to do it, and you will be stronger than them."

Feeling Chen Feng's encouragement and confidence in her from the heart, Shi Yebai smiled and nodded his head!

Shi Hongbo and Shi Yebai are both novel.

Have they ever been to such a magnificent place? Have they ever seen such a magnificent mountain gate?

Chen Feng just watched with a smile.

At this time, many people around passed by him.

These people are all new disciples of the Beidou Sword Sect.

Different from Chen Feng's group of people, each of them has a strong breath and an arrogant attitude.

Obviously, they are all the children of the powerful family of Sky Dragon City.

Some even brought more than a dozen people with them, and they didn't know if they came here to practice or to enjoy their blessings.

When they passed by Chen Feng's trio, their faces showed a look of contempt and overlooking.

Obviously some look down upon them.

And at this moment, a voice full of disdain came from behind the three of them: "I knew it was a pariah from a small place. I have no knowledge of this! What's so fuss about?"

After hearing this, Shi Hongbo and Shi Yebai's faces flushed immediately. **nOVeLuSb.com**

They naturally understand that this is theirs.

There was a look of shame on both of them, and there were some restraints, and they didn't know what to do.

Even looking at Chen Feng, he vaguely felt ashamed for him.

At this moment, Chen Feng's face became cold and turned around.

Then, he saw that at this moment, a young man in Jinpao was standing there about tens of meters behind the three.

A dozen Chinese servants were surrounded by them.

This young man in Jinpao was about a few years old, his face was arrogant and arrogant, his eyes hanging, looking at Chen Feng and others, full of superiority!

Seeing Chen Feng looking at him, he became even more arrogant and said loudly, "Boy, what do you look at?"

"Is it wrong that I just said?"

"Aren't you untouchables from small places?"

"Aren't you ignorant and making a fuss?"

As he said, there was a burst of laughter.

And next to him, every servant who was a servant laughed and echoed: "Yes, the son is not wrong at all. The three of them are untouchables with no knowledge at first sight!"

"Who dare to say that the son is wrong, I was the first to slap him with big ears!"

Young Master Jinpao laughed at their compliments.

At this time, Chen Feng looked at him and said lightly: "You said that sentence just now?"

"Yes, I said it! Why? Are you not convinced?"

Chen Feng looked at him and said lightly: "I'm so unconvinced!"

"Not convinced yet?"

After hearing Chen Feng's words, the young man in Jinpao immediately turned cold.

And before he could speak, the thin and thin servant next to him who just said he wanted to appreciate the big ears and shavings jumped out, pointed at Chen Feng, and jumped and cursed:

"You are a pariah, do you dare to talk to our son like that? Do you know who our son is?"

"Do you know how old our son is?"

"Tell you, our son is from the Feng family in Zhongcheng District!"

"Our master, ranks sixteenth among the Heavenly Dragon Guards!"

"Level sixteen?"

A sneer appeared at the corner of Chen Feng's mouth: "It turns out to be on the same level as Qi Wenxia's father."

Don't talk about level sixteen, what about level twenty six? How can I take it seriously?

But what he thinks does not mean that others think the same way.

Just now, Shi Hongbo and Shi Yebai had always had their faces full of trepidation. They were afraid that they would cause Chen Feng to cause trouble!

Shi Hongbo pulled Chen Feng's sleeve and said softly, "Brother Feng, bear with it, don't do it!"

Even Shi Yebai's hard-headed temperament is now full of humiliation in a low voice: "Let's come on the first day, don't cause trouble."

Hearing what they said, Young Master Jinpao was even more proud, thinking that they did not dare to conflict with him.

"Boy, I think you just wanted to do something with me?"

He looked at Chen Feng and said jokingly: "Now, do you dare to do something with me?"

"Huh? Tell me!"

He looked down at Chen Feng!

At this time, there were already many people around, all watching the excitement.

After hearing this, there was a burst of laughter.

"I know this person, Feng Yingrui! This person is quite powerful!"

"Yes, and I heard that his strength is not bad, he has reached the second-star Wuwang!"

"Haha, yes, he will crush this man named Feng Chen regardless of his strength or power! How could Feng Chen dare to do something with him?"

"Yes, he must have recognized this loss!"

What everyone said fell in Feng Yingrui's ears, making him even more proud.

He hung his eyes, looked at Chen Feng and said, "Boy, do you hear? No matter what the ratio, I will crush you!"

"What do you compare with me? How do you deserve to compare with me!"

A cold color flashed in Chen Feng's eyes, then looked at him and said lightly, "Did you finish?"

Feng Yingrui was stunned for a moment, and then instinctively said, "That's it!"

A cold smile appeared at the corner of Chen Feng's mouth: "It's over, then you will!"

Chen Feng let out a violent roar: "Die!"

The next moment, Chen Feng's figure flashed, and he slammed Feng Yingrui with a punch.

Feng Yingrui was taken aback for a moment, and then a disdainful smile appeared on his face: "Boy, you have just entered the Martial King realm, and you dare to do something with me, a two-star Martial King? You deserve..."

Before the word '?' was said, his face was violent, and he screamed in disbelief:

"You, how can your power be so strong?"

It turned out that he felt that Chen Feng's fist blasted out, and an incomparable force surged like a big river.

He can't resist it at all!

He blasted out his desperate palms, blasted at Chen Feng's fist, and let out a scream!

Chen Feng's punch fell and hit his palms fiercely!

With a sound of Karala, he directly shook his palms to pieces!

Then, the power spread to his arms, shattering his arms, and his arms dropped directly and limply!

#### [Chapter 3449: Palm!](#)

Then, the power rushed directly into his chest! Shattered his breastbone and suffered heavy internal organs!

With a scream, he was directly blown out more than ten meters away, spurting blood, and fell heavily among the crowd, and there was instant silence.

Everyone was stunned, and after a while, they all exclaimed.

"What did I see? Feng Chen actually severely wounded him with one palm?"

"God! This shows that Feng Chen's strength is not a one-star martial king! He definitely surpasses a two-star martial king, at least in the realm of a three-star martial king!"

"Yes, being able to beat Feng Yingrui, who is a two-star Martial King, to such a miserable level with one palm, Feng Chen's strength cannot be underestimated!"

Everyone was amazed!

Looking at Chen Feng's gaze, the contempt that had just disappeared, replaced by a touch of solemnity and even a trace of fear.

With a sneer on his face, Chen Feng walked slowly to Feng Yingrui.

Feng Yingrui looked at Chen Feng with fear, and said blankly: "What are you going to do?"

"What am I doing?"

Chen Feng looked at him and smiled and said, "Your mouth is very smelly, so..."

Chen Feng grabbed his hair, made him straighten up, and then coldly said: "You should be palm!"

The next moment, Chen Feng slapped Feng Yingrui severely on his face with a slap in the face, directly slapped Feng Yingrui on the head, screamed, and screamed heavily.

He felt a burning pain from his face.

However, compared with physical pain, it is even more spiritual humiliation!

He felt boundless humiliation, drowning himself.

Being slapped in front of everyone, he knew that he had lost his face today.

From now on, in this Beidou Sword Sect, I will never be able to raise my head anymore!

The boundless humiliation made him want to faint.

But a moment later, Chen Feng slapped him on the face again, slapped him sober.

Happiness!

One slap after another fell, and each slap stepped Feng Yingrui's face into the mud, leaving nothing to be trampled on!

After a while, Chen Feng put him down and patted his hands lightly, his expression relaxed.

Next to him, Shi Hongbo and Shi Yebai also looked very relieved, and they felt extremely comfortable in their instincts.

Chen Feng smiled slightly, looked at them and said: "In the Beidou Sword Sect, with me, you can't stand the bullying."

Shi Hongbo and Shi Yebai both clenched their fists and looked excited!

In fact, as far as Chen Feng is concerned, sometimes, when others say something to him, he doesn't care, and he doesn't want to be familiar with these ants.

However, Shi Hongbo and Shi Yebai are his friends!

"Insult my friend, it won't work!"

Then, Chen Feng looked at the skinny servant next to him.

After the skinny servant came into contact with Chen Feng's gaze, he immediately trembled and shivered heavily, with a look of fear in his eyes.

Chen Feng stared at him and asked, "Just now you said that if anyone disagrees, you will slap him with a big ear, right?"

The servant squeezed a flattering smile on his face, and said in a trembled voice: "Little man, little man..."

Before he could finish speaking, Chen Feng grabbed him by the collar, lifted him up, and said with a sneer: "Do you want big ear scraping?"

"Okay, I will reward you!"

The next moment, it was "Papa Papa", a dozen slapped in the face, and slapped his face fiercely.

Every time a slap fell on his face, he slapped his head, and blood mixed with broken teeth sprayed out.

After more than a dozen slaps, he already slapped him like a pig's head, I'm afraid his parents won't recognize him.

It made him scream.

With a snap, Chen Feng's last big slap fell on his face fiercely!

He directly hit him in the air for a dozen times before landing on the ground.

It took a long time to recover.

He covered his mouth and screamed, looking at Chen Feng, his eyes were full of fear, but he did not dare to let go.

He just knelt on the ground repeatedly, and said, "Thank you son for not killing! Thank you son for not killing!"

Chen Feng ignored him, but said to Shi Hongbo and Shi Yebai: "Let's go!"

The two followed Chen Feng and walked forward.

This time, not only was no one daring to laugh at them, even the previous contemptuous glances did not appear again!

At this time, two figures in the crowd saw this scene, but they were not surprised.

These two people were Gui Qingwen and the other woman that day.

They are all people who have seen how powerful Chen Feng is.

At this time, they all said lowly: "With this strength, I dare to provoke Feng Chen, it's really looking for death!"

Especially Gui Qingwen, seeing Chen Feng at this time, could not help but feel soft, his eyes were very charming, and he couldn't help but let out a soft, soft moan from his nose.

At this time, she wished to plunge directly into Chen Feng's arms.

However, she thought about it, but she thought: "Gui Qingwen, you are a humble slave with Feng Chen, where is the qualification to be in his arms?"

"It's better to kneel in front of him, lick his feet and do everything he asks me to do, and be happier."

At this time, among the crowd, those who knew Chen Feng's strength were extremely amazed!

People who don't know are very shocked.

However, there are two people, after seeing the reaction of everyone, there is a strong scorn and disdain on their faces!

These two people are a man and a woman.

Among them, the man is tall and strong, looks rather domineering, and is quite strong.

He didn't wear the white waistband that meant a new disciple, which showed that he should be a senior disciple of the Beidou Sword Sect.

The woman next to him is quite tall and hot.

And her makeup is extremely gorgeous, with long red hair jumping.

The leather clothes and trousers he wears are tightly outlined on the body, making the figure perfect.

At first glance, people know that this female seduction is extremely charming.

The tall man snorted disdainfully, and said: "With just this little strength, they can be shocked like this! Really have no knowledge!"

"Yes!"

The tall and hot woman hummed and said: "If you let them see your strength, Brother Ming, then they won't be surprised that their eyes will fall out!"

The tall and strong man he called Brother Ming laughed.

After a while, she glanced at Chen Feng again, and she was very upset at seeing him in such a beautiful scenery.

He whispered: "If I share a hall with him, I must clean up him severely."

"Let him know, what is meant by that there is a heaven outside the sky, there are people outside the world, and he dare to be arrogant?"

The tall man smiled and said, "Haha, Xiao Langhuo, just clean up, if something goes wrong, I will carry it for you."

"I know, Brother Ming is the best to me." The seductive woman giggled.

Soon, everyone entered the gate and came to the square behind the gate.

#### [Chapter 3450: Jingshutang](#)

But they didn't know what to do, and no one told them what to do.

Everyone was wandering around there very boringly. Suddenly, a figure passed by, and soon came close.

Everyone was stunned for a moment, and then they were all excited!

It turned out that what was stepping on the foot of the figure was a huge sword that was ten meters long.

On the giant sword, several star points were depicted.

This starlight is dotted, and among the mottled, there are thin lines connected, and when seen from a distance, it is like the stars in the sky.

This giant sword is the symbol of the Beidou Sword School.

The Beidou Sword Sect, used by the strong, are all such giant swords.

Then, the giant sword hovered above the square.

Then, everyone saw that there was a person standing on the giant sword, a white-haired old man.

Looks like he doesn't know how old he is, but his body is very powerful.

His eyes swept across the faces of everyone, and everyone felt a sense of being seen through by him.

His eyes didn't even stop on most of the people, they just passed by.

Obviously, these people are also low in strength and talents, and they are not worthy of his gaze.

He only stayed on a few people for that moment!

Obviously, these people are quite talented people.

Soon, his gaze stayed on someone for a while, and many people found it.

"His eyes stayed on this person for so long. Could it be that this person is extremely talented?"

Everyone looked at him, and then they saw a tall woman standing there.

Wearing a blue long dress, with low eyebrows and bow, silent, like an orchid in an empty valley.

Chen Feng also looked there, and then he saw Bai Jingwan.

A smile appeared at the corner of his mouth: "Bai Jingwan's talent is really not bad!"

Suddenly, he stunned in his heart, and quickly took a deep breath, then shrank his talent and strength.

Sure enough, the next moment, the white-haired elder's eyes fell on Chen Feng.

However, Chen Feng's strength is higher than him, and it is naturally too easy to conceal him!

He deliberately pretended to be a disciple with a decent talent and talent.

It's neither good nor bad, it is the kind that is the least noticeable.

Sure enough, the white-haired elder did not notice Chen Feng's abnormality, and his eyes passed directly over him.

His gaze swept around, it took about a cup of tea, and the time he stayed on Bai Jingwan was the longest.

In addition, there are a few others.

What surprised Chen Feng was that Qi Wenxia and Gui Qingwen were not bad in talent, and they had stayed for a while.

Then, the white-haired elder gave a light cough and said, "Now, this year, you have a total of two hundred and forty new disciples."

"It just so happens that our Beidou Sword Sect is divided into six branches."

"Six branches?" Chen Feng raised his brows.

Before he came, he had already learned about it.

This Beidou Sword Sect was different from any sect family he had been to before.

The Beidou Sword School has no distinction between inside and outside, but is divided into upper, middle and lower classes.

In each level, all the disciples are divided into six divisions.

They are Jingshutang, Yanwutang... etc.

Each branch you enter is different, so the martial arts cultivation method is different, but there is roughly no difference in level, but the characteristics are different, and the direction of cultivation is different.

The number of people in each branch is about forty.

Of course, these forty people refer to the number of people in a class of branch halls.

Take Yanwutang as an example. In the entire Beidou Sword School, there are three Yanwutang.

They are high-level performance martial arts hall, middle-level performance martial arts hall, and lower performance martial arts hall.

All new disciples, as soon as they enter the sect, if they want to enter the Yanwu Hall, they must be the inferior Yanwu Hall.

After a full year of training in the lower Yanwutang, an assessment will be conducted.

Those who pass the assessment will enter the middle-level martial arts hall to practice stronger martial arts and get the guidance of stronger elders!

If he didn't advance, he would continue to stay in the lower-level performance martial arts hall, along with the new disciples who had just entered the sect.

In other words, in the lower stage martial arts hall, there will be disciples from the upper level.

This elimination system is still quite interesting.

then. The white-haired elder pointed to the end of the square, and said: "Now, all come here to see the introduction of each branch, and then sign up for which branch you want to participate in."

Suddenly, a disciple in the crowd shouted: "Dare to ask the elder, can I go to which branch I want to go to?"

"Isn't this nonsense?"

The elder said impatiently: "Of course it is, my Beidou Sword Sect will not suppress any disciples' cultivation."

"You can go to the branch you want to go to, no matter how many people there are."

"If you are alone in the branch you want to go to, that's fine!"

When everyone heard it, they all applauded loudly.

"Of course! The elder smiled suddenly and said: "If it is a branch with a large number of people, then the assessment must be stricter. "

"If it is a branch with a small number of people, then the assessment may be more relaxed. It depends on your own choice."

This is also what it should be, as there are more people, and there will be more competition.

Then, the elder waved his hand and said: "Okay, stop talking nonsense, go and see!"

Then everyone rushed over.

At the end of the square, on the stone wall, six huge stone steles were carved out.

On each stone tablet is the name of a branch: Jingshutang, Yanwutang...

And below, there is an introduction.

For example, Jingshutang focuses on reading books and knowing about the Dragon Vessel Mainland.

At the same time, it is more focused on the cultivation of the realm of Gongfa.

The Yanwutang focuses more on the training of martial arts and actual combat.

Chen Feng was also huddled in the crowd to look around, when someone suddenly shouted: "One of the responsibilities of the Jingshutang is to take care of the forbidden area of the Houshan Tibetan Scripture Pavilion!"

Someone laughed and said, "If we add the Jingshutang, then, can we read the secrets of these books in the sect?"

At this time, someone in the crowd made a low ridicule: "Cut, you want beauty."

"The only people who enter the forbidden area of the Tibetan Scripture Pavilion to read are those who are strong in the sect, and only those with extremely high status. You? What are you?"

"Remember, you are allowed to enter the Scripture Hall, not the forbidden area of the Tibetan Scripture Pavilion!"

"The forbidden area of the Tibetan Scripture Pavilion contains countless scriptures with infinite martial arts and techniques, and the disciples of the Scripture Hall are only responsible for cleaning the forbidden area of the Tibetan Scripture Pavilion."

"Even, the only thing you can clean is the outside of the forbidden area of the Tibetan Scripture Pavilion, and even the main body of the forbidden area of the Tibetan Scripture Pavilion cannot enter."

"Do you still want to read those martial arts secrets? Don't dream!"
