

## Peerless 3461

### [Chapter 3461: Are you worthy?](#)

Now Wei Bailian dares to be so arrogant, Chen Feng doesn't mind teaching her a lesson.

The swords were drawn between the two, and seeing the next moment, the two would have a battle.

No, it should be said to be torture and massacre.

Chen Feng can easily torture her to death as long as she does it, and let her know what level of power she is!

Seeing the next moment, Chen Feng will show off his great strength.

But at this moment, a soft cough came.

Then Ying Yiming walked in and looked at the two of them.

He immediately understood what was going on and said lightly: "Okay, I'm all sitting down!"

Upon hearing this, Wei Bailian suddenly changed her face and smiled: "I will sit down now."

Then, she turned her head to look at Chen Feng, her eyes flashed fierce and gloomy, and she whispered: "Feng Chen, wait for me, turn around and take care of you."

"I will give Ying Yiming a face today!"

After that, turn around and sit back in his seat!

Chen Feng laughed, and Wei Bailian didn't know that she had escaped just now, so she dared to speak such big words here.

Then, Ying Yiming began to lecture.

After talking about an hour, he said lightly: "Let's rest for half an hour."

Then she looked at Wei Bailian and asked, "How about the errands you ordered before? We can't slack off the errands of Jingshutang."

"Elder don't worry!"

Wei Bailian glanced at Chen Feng and chuckled: "The messenger I arranged, someone did a good job! Tianya Ancient Books Museum, he will sort it out in three days."

She looked at Chen Feng, and said unscrupulously: "It's worthy of being a pariah from a small place, rough hands, but quick work."

Chen Feng shook his head.

He whispered to himself: "Wei Bailian, before you let me go to the Tianya Ancient Books Museum, it was a shame to me, and it even helped me work."

"However, I didn't want to reveal my identity, so I endured it."

"Besides, I don't think that if it were not for you, there would be no such opportunity, so I don't plan to be familiar with you anymore."

"But it's a pity that not only did you not know to stop, you even dared to offend me!"

There was a sneer on his face: "Now I am not afraid of revealing my identity, will I still take you seriously?"

Ying Yiming naturally heard the ridicule in Wei Bailian's words, but he didn't care.

He just smiled and said, "Okay, it's good to be done."

After that, turned and left.

After that, everyone relaxed.

At this moment, Wei Bailian walked to Chen Feng with a sneer.

Obviously, she still intends to find something.

She looked at Chen Feng and said, "Feng Chen, now we should solve the matter just now."

"Just now, you dare to stand up like that, then you have to pay for it!"

Chen Feng sighed and said, "Will you fight or not? If you want to fight, please do it quickly! I don't have so much time here to grind with you!"

The words are full of impatience.

Wei Bailian was furious instantly.

She stared at Chen Feng with a gloomy look in her eyes: "Untouchable, you dare to talk to me like this? Are you crazy?"

Chen Feng smiled: "This is how I talked to you, what do you want? What can you do?"

His eyes were cold, although he was smiling, his eyes were cold.

Wei Bailian was stunned.

She didn't expect Chen Feng to be so tit-for-tat against herself.

The next moment, he felt hot on his face.

Being so confronted by Chen Feng in public made her feel extremely shameless, and he felt that his authority had been challenged.

This made her extremely angry!

But the next moment, a thought flashed in her heart: "I must subdue him today, and subdue him severely!"

"In front of everyone, clean him up and let him know how good I am."

"Also let them..."

Her gaze slowly swept across everyone's faces: "Know that I am amazing!"

Because she saw that everyone's eyes fell on both of them.

She immediately knew clearly that if she couldn't overpower Feng Chen today, she would lose face in front of everyone!

Then, in the future, the position of the law enforcement disciple will not be able to continue.

There was a decision in her heart immediately.

At this time, everyone looked at them with different eyes.

Some people are still making noises for fear that the world will not be chaotic, while others are waiting to see Chen Feng's jokes.

And a few people who knew Chen Feng's greatness slowly shook their heads, their eyes filled with pity when they looked at Wei Bailian!

"Wei Bailian, who is not good for you to provoke? You want to provoke Feng Chen? You will definitely regret your current practice!"

Wei Bailian stared at Chen Feng, gnashing his teeth and said: "Feng Chen, I order you, now kneel on the ground and apologize to me!"

"Say that what you just said was bullshit, I will spare you!"

Chen Feng looked at her, smiled slightly, and said: "Wei Bailian, now you are kneeling on the ground and kowtow to apologize, saying that what you just said and what you said before is bullshit, I will forgive you!"

Chen Feng returned her words as they were.

This made Wei Bailian almost fainted.

She yelled frantically: "Okay, Feng Chen, you are looking for death!"

After that, he walked towards Chen Feng.

Relying on her cultivation base with the pinnacle of the two-star Martial King, she wanted to clean up Feng Chen.

Chen Feng just sat there sneered, he didn't even mean to stand up.

One finger is enough to deal with Wei Bailian. How good is she to stand up by herself!

Chen Feng's contemptuous gesture made Wei Bailian extremely angry.

Seeing that she was about to come to Chen Feng, the two would clashed.

Chen Feng will also tell Wei Bailian how powerful she is!

At this moment, Zhou Yanbin suddenly jumped out.

He looked at Wei Bailian and said with a smile: "My lord, don't be angry, it's not worth it to be angry with this kid!"

Wei Bailian looked at Zhou Yanbin coldly, wondering what he was going to say next.

Zhou Yanbin chuckled and said, "Besides, angry with this kid, isn't this lowering your own value? Where is he worthy to do with you?"

He rubbed his fists and smiled hesitantly: "I'll be enough to deal with this kid!"

"Good!" Wei Bailian nodded slowly.

"Zhou Yanbin, go and deal with him!"

Zhou Yanbin complied proudly, and said with a smile: "It's absolutely unbearable to teach this kid!"

Then, he walked up to Chen Feng, looked down at her, and said with a high tone: "Feng Chen, stand up for me!"

Chen Feng looked at him, smiling slightly and slowly exhaling three words: "Are you worthy?"

These three words instantly made Zhou Yanbin angry to the extreme.

He looked savage, with blue veins on his forehead violently, staring at Chen Feng, and roared fiercely: "Now, let you know if I am worthy!"

The next moment, he punched out.

With this punch, the sound of the wind was harsh, and the sound of howl was suddenly Da Chi!

[Chapter 3462: Sorry, in my eyes you are an ant!](#)

At the same time, an energetic tiger appeared in front of him.

The giant tiger also carried two huge wings and slayed fiercely towards Chen Feng.

Everyone exclaimed: "It's fighting!"

Someone even said in shock: "I didn't see it! Zhou Yanbin looks like a dog on weekdays, and his strength is not weak! This punch has the strength of the peak of this two-star Wu Wang!"

"Yes, it seems that his strength is comparable to Wei Bailian!"

"Feng Chen is completely over now."

"Yes, this trick, more serious, cost his life, and if it is light, it can also abolish his cultivation."

Those who knew Chen Feng's strength were silent.

It's just their hearts beating wildly.

They have a hunch that they can see Chen Feng's performance again.

Someone shouted in their hearts: "Feng Chen, do it! Let us see your strength again!"

When Wei Bailian saw this scene, she was taken aback for a moment, and then she was determined in her heart. She laughed and said, "Feng Chen, you are finished!"

"Feng Chen, you are done!"

Zhou Yanbin also yelled fiercely: "My fist blasted out and I can destroy you directly!"

"Really?" Chen Feng suddenly raised his head, raised his brows, and then said coldly: "Are you sure?"

At this moment, seeing his expression like this, those who knew Chen Feng's strength suddenly became extremely excited and almost jumped up.

Wei Bailian looked at their expressions in surprise, and suddenly had a bad feeling in her heart.

At this moment, Chen Feng flicked his finger lightly.

He really just flicked his fingers, his right \*\*\*\* and thumb clasped together.

Then, he flicked outward.

Zhou Yanbin laughed loudly: "Feng Chen, are you a fly?"

Those who did not know Chen Feng's strength also laughed: "Feng Chen is crazy, right?"

"He also flicked his fingers, what was he when Zhou Yanbin was?"

"With his strength, is he still qualified not to put Zhou Yanbin in his eyes?"

But the next moment, all the expressions on their faces froze, turning into a touch of disbelief.

And the pride on Zhou Yanbin's face froze there in an instant.

It turned out that at this moment, the force that Chen Feng popped out, seemingly unkillable even for ants, slammed into Zhou Yanbin's fierce tiger vigor.

With a loud bang, that fierce tiger's vigor was blasted to pieces, completely broken!

In the next moment, that energy fell on Zhou Yanbin, who was full of consternation and disbelief.

As a result, Zhou Yanbin felt a huge and tyrannical force, slammed down, and slammed on him.

He couldn't resist this power at all!

Zhou Yanbin let out a scream as he was struck by lightning, and he was smashed into the air, knocking down a dozen tables.

Then, it hit the ground fiercely.

After falling on the ground, he felt that violent power still wreaked havoc in his body, causing him to bounce again like a dead fish, and another big mouthful of blood spurted out before falling on the ground again.

At this time, he was covered with blood and screamed again and again.

He felt pain in all parts of his body.

He looked at Chen Feng, his eyes full of shock and disbelief, and he yelled in disbelief: "You, aren't you only the early stage of King Martial Realm?"

"Why did you flick your fingers and hit me directly? I'm the pinnacle of the second-star Martial King!"

He couldn't believe it, almost broke down, and repeated it again: "I am the pinnacle of the second-star Wuwang!"

He looked at Chen Feng's eyes, full of shock, disbelief, fear and other emotions.

But everyone was in an uproar, one after another stood up and looked there.

Then they saw Zhou Yanbin lying there, covered in blood, with no wounds on his body.

And his whole body is softer.

Zhou Yanbin discovered this himself. He struggled to sit up, but he realized that he couldn't do it at all!

As a result, a terrifying thought flashed in my heart: "Could it be that my bones have been shattered?"

And the next moment, one person exclaimed: "Zhou Yanbin's whole body bones are shattered!"

"Just now, Feng Chen just flicked his fingers and shattered all his bones?"

"God of War is on! How terrifying is Feng Chen's strength? His strength is definitely far better than Zhou Yanbin!"

They looked at Chen Feng with shock and disbelief.

In the next moment, this emotion turned into a deep fear.

"It turns out that Chen Feng's strength is far beyond our imagination!"

"Yeah! We thought he was just a one-star Wuwang at first, but now think about it, how ridiculous was our original idea?"

"His strength has definitely reached three-star or even four-star Wu Wang, and he can completely crush Zhou Yanbin!"

In their eyes looking at Chen Feng, they no longer questioned.

Instead, there is a deep awe and fear.

Chen Feng's strength completely shocked them!

Just now, Chen Feng had been silent for a while, only then slowly got up, he walked in front of Zhou Yanbin.

Looking down at him, smiling and saying: "Sorry, in my eyes, you are an ant!"

Chen Feng's voice was very light and indifferent. It seemed that there was no firework, but it was extremely contemptuous.

Obviously, Zhou Yanbin was just an ant in his eyes.

"and so....."

Chen Feng flicked his fingers again and said softly: "I flicked my fingers just now. Is that wrong?"

"Yeah, is it wrong?"

Everyone was silent, looking at him in awe.

Just now, Chen Feng flicked an ant away!

Zhou Yanbin looked at Chen Feng in horror, only then did he realize that he was wrong, wrong!

It turned out that Chen Feng's strength was so terrifying.

"I'm so ridiculous, I thought he was average, and I still want to step on him to be in the upper position and curry favor with Wei Bailian?"

"Zhou Yanbin, you are so ridiculous!"

He laughed wildly at himself, full of regret.

But soon, the regret was replaced by intense fear.

Because he was watching, Chen Feng had already walked in front of him, his face revealed murderously.

Zhou Yanbin was taken aback for a moment, then panicked and shouted: "What are you going to do?"

An extremely ominous premonition surged in his heart.

"What am I doing?"

Chen Feng smiled and said: "I have no grievances or hatreds with you, and have never known each other, but in order to curry favor with Wei Bailian, you stepped on me vigorously!"

"Since you want to be a dog for Wei Bailian, then, okay!"

He said coldly: "You must have the consciousness of being a dog!"

"The owner made a mistake, and it is usually a dog who is killed!"

The next moment, when he mentioned Zhou Yanbin's neck, he lifted it up.

Zhou Yanbin was terrified: "You? What are you going to do? Are you going to kill me?"

[Chapter 3463: Chu Shaoyang's breath? !](#)

"Please, don't kill me!"

His face was extremely flustered, full of pleading, looking at Chen Feng, hissing for mercy, crying bitterly.

Chen Feng smiled and said, "I won't kill you! But..."

He smiled coldly, and suddenly reached out and patted Zhou Yanbin's shoulder gently.

Suddenly, a force surged, passing by Zhou Yanbin's internal organs, and then into his Dantian!

As a result, everyone saw Zhou Yanbin's dantian bulging fiercely, and then they heard a sound like stepping on an egg.

In the next moment, Zhou Yanbin's dantian was blasted to pieces, and powerful forces poured out.

But his face was pale instantly, and the extremely severe pain made him almost fainted!

Compared with the physical pain, it was his heart that was more desperate.

Because at this time he realized that he had already been abolished by Chen Feng.

He let out a miserable howl, his head tilted, and he fainted directly.

Before fainting, there was only one thought in my mind: "Why should I offend Feng Chen?"

At this time, Chen Feng slowly turned his head and looked at Xiang Wei Bailian.

During the entire process just now, Chen Feng didn't even glance at Wei Bailian, completely ignoring it!

Just now, at the moment Chen Feng severely injured Zhou Yanbin, Wei Bailian was stupid.

She let out a scream and stood there blankly, her face full of disbelief.

Even, she has been immersed in shocked emotions, with only one thought reverberating in her heart:

"How could Chen Feng be so strong? How could Chen Feng's strength be so strong?"

Until this time, Chen Feng looked at him, and everyone looked at her, before she came back to her senses.

She looked at Chen Feng, and suddenly she realized her current situation.

A look of fright flashed in her eyes, because he knew very well that her strength was comparable to Zhou Yanbin, and Chen Feng could beat Zhou Yanbin so miserably, then she would not be any better than Zhou Yanbin!

Chen Feng looked at him with a mocking smile at the corner of his mouth, and said faintly: "My law enforcement disciple, now your dog legs have been cleaned up by me, is it your turn to end?"

"Ok?" [www.usb.com](http://www.usb.com)

As he said, he raised his brows, and his face showed a playful look.

Wei Bailian's face flushed instantly.

She naturally did not dare to end.

But when she asked her to give in, she was unwilling to say anything, so she froze there without saying a word.

"Do you not speak?"

Chen Feng looked at her, a flash of cold murderous intent flashed in his eyes.

This cold murderous intent made her heart tremble fiercely!

She suddenly realized that at this time, Chen Feng was really killing herself.

Moreover, he also has such strength!

She looked at Chen Feng and exclaimed in disbelief: "You, do you want to kill me? Do you dare to kill me?"

"Why not dare?"

Chen Feng sneered, then flicked his finger lightly.

Suddenly, Wei Bailian screamed and flew out, spinning in the air several times, landing heavily, blood flowing from the corner of her mouth.

This blow smashed her into something bad, and it took a long time before she recovered.

When she looked at Chen Feng again, her eyes were full of fear.

Because what Chen Feng did just now told her that if she didn't speak anymore, Chen Feng would definitely kill her!

She no longer dared to force her, looked at Chen Feng and said, "I, I dare not fight with you."

Chen Feng smiled slightly: "Don't dare to fight with me? Who said that I was going to teach me severely? Who said just now that I should kneel and kowtow to beg for mercy, and take back what I just said?"

Wei Bailian's face was flushed and slapped, not only physically but also psychologically.

She knows that after today, she has no face here!

Today, Chen Feng slapped her in the face severely.

However, compared with face, it is obviously more important to live!

She looked at Chen Feng, suddenly knelt on the ground and banged her head a few times, and then trembled: "I take it back."

Here she knelt down and begged for mercy.

Chen Feng laughed and walked to her.

And at the moment when Chen Feng walked in front of her, suddenly, Chen Feng's body was shocked, and there was a strong and extremely confused expression in his eyes.

And in the next instant, this confusion turned into a deep disbelief, shock, and doubt!

He was very close to Wei Bailian at this time.

At this moment, Chen Feng suddenly felt that Wei Bailian had an aura he knew very well.

This breath is intertwined with Chen Feng's luck, and with Chen Feng's fate, and has great grievances with Chen Feng.

This breath is exactly Chu Shaoyang's breath!

Chen Feng was shocked: "Why is there Chu Shaoyang's aura on Wei Bailian? How is it possible?"

"Could it be that Wei Bailian is from Chu Shaoyang?"

Chen Feng's heart was plunged into incomparable shock.

But in the next moment, Chen Feng directly overturned his guess.

"impossible!"

"Chu Shaoyang is greedy and lustful, but he is very scheming."

"The look in his eyes when he chooses slaves is also extremely high. The few slaves under his hand are all extremely outstanding characters, not only powerful, but also unique."

"While Wei Bailian, it's enough in terms of appearance, but in terms of strength, it's far from it!"

To put it bluntly, she didn't even have the qualifications to be a slave to Chu Shaoyang.

Therefore, Chen Feng immediately ruled out that idea.

He became calm in an instant, and his eyes were extremely deep: "Then, there is only one explanation now, that is..."

"He has recently contacted Chu Shaoyang, or someone close to Chu Shaoyang!"

A touch of transparency flashed in Chen Feng's eyes, and his thoughts suddenly became extremely clear.

"A day or two ago, I also had a conflict with Wei Bailian, and I was very close to her."

"At that time, if she had this breath in her body, it would be impossible for me not to feel it, and even yesterday, she did not have this breath in her body."

"Then I'm sure, she must have acquired this breath from yesterday to today!"

"So, where did you get it?"

A sharp light flashed in Chen Feng's eyes: "Houshan Hidden Sword Pavilion! Only the Houshan Hidden Sword Pavilion!"

Presumably so far, Chen Feng is already satisfied.

He didn't want to speculate further.

The important thing is that if you stop now, I'm afraid it will arouse others' suspicion!

As a result, Chen Feng immediately acted as if nothing had happened, and a smile was drawn at the corner of his mouth.

Looking at Wei Bailian, she said lightly: "Wei Bailian, who the \*\*\*\* is kneeling and begging for mercy?"

Wei Bailian trembled: "It's me, it's me who knelt down and begged for mercy."

She only wants to survive now, so where would she dare to talk nonsense to Chen Feng?

#### Chapter 3464: Feng Chen, dare to challenge?

Chen Feng smiled slightly, squatted down gently, patted her beautiful face, and said lightly: "From now on, you have to distinguish people clearly."

"Some people are okay if you bully to death, but some people will kill you if you dare to commit crimes, understand?"

At this time, Wei Bailian's heart was so cold that she nodded hurriedly, and looked at Chen Feng with fear in her eyes.

Chen Feng smiled slightly, stood up, then returned to his seat and sat down, acting as if nothing had happened.

The rest of the people also took their seats.

It's just that the look they looked at Chen Feng was full of awe.

No one would think that Chen Feng did not dare to offend Wei Bailian before doing that.

Everyone knows very well that Chen Feng is simply too lazy to be familiar with people like Wei Bailian.

Wei Bailian also stood up and silently walked back to her seat.

Her face was pale, and then it turned into a flushing color, and her eyes gradually flashed with spite.

After the pressure of death subsided, her heart was filled with hatred for Chen Feng again.

A voice echoed in her heart: "Chen Feng, I am not your opponent, but I can find Lu Haoying."

"Just the day before yesterday, Lu Haoying just broke into the four-star Wuwang, I don't believe that the four-star Wuwang will not be your opponent!"

A flash of happiness flashed across her face, as if she had seen the scene where Chen Feng was stepped on by Lu Haoying.

At this time, Ying Yiming walked in slowly.

In fact, he had arrived just now, and the conflict just now fell into his eyes.

But he didn't care at all, just watched quietly outside.

After reading it, I just came in.

His gaze swept across Chen Feng, with a trace of scrutiny, but he didn't say a word. He just glanced at Zhou Yanbin who was lying on the ground and passed out.

Indifferently said: "This kind of waste, really lost me!"

After that, with a wave of his hand, Zhou Yanbin flew out of the hall, screamed, and then fainted.

Then, Ying Yiming said nonchalantly: "Let's start teaching now."

It's as if the conflict just didn't happen at all.

Chen Feng knew that he was definitely not as relaxed as it seemed on the surface, but the first thing he would do next was to investigate himself.

But Chen Feng didn't have any fear.

No matter how efficient the Beidou Sword Sect is, if you want to find out your own life experience, you can't do it without ten and a half months!

And now he already knows the specific location of the Shaoguang Bairi Fairy Sheet, and when that time, he has already got the Shaoguang Bairi Fairy Sheet.

This lesson was extremely embarrassing, no one listened carefully, all thinking about what happened just now.

Chen Feng glanced at Wei Bailian, and a thought flashed in his eyes: "She was in the Houshan Buddhist Scripture Pavilion and had some contact with Chu Shaoyang."

"In my opinion, she shouldn't know the whereabouts of the other party, but the other party secretly contacted her, she didn't notice it at all."

"She didn't have deep thoughts. With her city government, if she had contact with Chu Shaoyang's people, her face could not be so calm on such a big thing."

Chen Feng was lost in thought.

"Chu Shaoyang has obviously come here, what is his purpose here?"

"If he came to Sky Dragon City to do something, then I might not be able to guess, but he came to the Beidou Sword Sect, then..."

Chen Feng's eyes were exquisite: "There is only one purpose. For the entire Beidou Sword Sect, the only thing that can be seen by him is Shaoguang Bairixianpu!"

Thinking of this, Chen Feng's heart suddenly became clear.

Chen Feng shook his head with a complicated expression.

"Chu Shaoyang, Chu Shaoyang, it looks like I'm going to meet you again this time."

However, Chen Feng didn't have any fear, instead he was eager to try and was very excited.

Soon, an hour was over, and Ying Yiming on the stage announced the end of get out of class and turned around and left.

Before leaving, I glanced at Chen Feng again.

And Chen Feng waited for a while, after clearing his thoughts, he got up and prepared to leave.

At this time, everyone else was almost gone.

Naturally, Wei Bailian and Zhou Yanbin also left.

After arriving in the square, Chen Feng saw that the people in the other branch halls had also left get out of class and walked out.

Bai Jingwan was standing in front of him with a smile, looked at Chen Feng, and smiled: "Are you here?"

Chen Feng nodded, and Bai Jingwan stepped forward, not minding the gaze of others at all. She took Chen Feng's arm and said with a smile: "Wait for a while, let's go!"

The two look like a couple.

After watching many people around, there were complex expressions on their faces.

Envy, envy, etc., and so on.

Bai Jingwan didn't care about their gaze at all, just holding Chen Feng's arm.

Seeing the happiness on her face, Chen Feng couldn't help but smile.

When he went back yesterday, Bai Jingwan took him all the way back.

Chen Feng said it, but he didn't care, and it is the same now.

There is a sense that he will not give up if he doesn't chase Chen Feng!

Chen Feng quietly took his hand out of her arms, and then chuckled lightly: "Let's go!"

His move made Bai Jingwan's eyes dim, but then, looking at Chen Feng's back, she clenched her small fist: "I don't believe how long you can support it!"

"I'm going to chase you down, won't you be tempted?"

Bai Jingwan chased after her with confidence.

A moment later, I ran into Shi Ye Baishi Hongbo and others.

Everyone left together, talking and laughing.

Just when I walked to the gate of the mountain, a roar full of anger suddenly came from behind: "Feng Chen, you untouchable, stop for me!"

Chen Feng was stunned for a moment, then a sharp flash in his eyes, turning around slowly.

As a result, he saw two people walking towards here quickly, one of them was Wei Bailian.

And she was snuggling next to a tall and muscular man, and Ewha walked and cried while carrying the rain.

And that tall and strong man could almost see fire in his eyes.

The two of them walked quickly to Chen Feng, stared at Chen Feng, and said word by word: "Feng Chen, do you dare to move my woman?"

As soon as he came up, he didn't ask about Qinghong, nor what happened. He didn't even ask Wei Bailian if it was true, so he directly asked Chen Feng if he was the woman who bullied him.

Obviously, he no longer intends to reason.

And Chen Feng didn't care about this kind of ants either.

Unreasonable, unreasonable, since he wants to be better than a fist, then let him see who has a harder fist, and he will naturally be honest.

Chen Feng looked at him, smiled and said, "Stop talking nonsense, let's talk, what do you want?"

"What do I want?"

The tall and burly young man grinned at the corner of his mouth, revealing a ferocious expression.

suddenly. A violent roar: "I want to challenge you today!"

His voice shook the entire square, so that everyone could hear clearly.

"Just today! Just now! Just here!"

"I, Lu Haoying, challenge you Feng Chen! Do you dare to fight?"

He looked at Chen Feng and his eyes were full of disdain: "If you dare not, then kneel down and kowtow to Wei Bailian to apologize, and then abolish your cultivation base, and I will spare you this dog's life!"

His eyes were full of determination, and he looked at Chen Feng with his chin up.

Obviously, in his opinion, Chen Feng must not dare to challenge!

At this moment, Wei Bailian was by her side. The anxiety, fear, etc. on her face just now disappeared, replaced by a bit of bitter bitterness.

#### [Chapter 3465: Should not fight \(first explosion\)](#)

She looked at Chen Feng, gritted her teeth and said, "Feng Chen, do you have today?"

She looked very proud: "Feng Chen, didn't you expect it?"

"Just let me kneel down, but now you are going to kneel down for me! And kneel down for me in front of everyone!"

"From today, you will have no face in the entire Beidou Sword Sect, and you will never be able to look up again! Hahaha!"

As he spoke, he let out a sharp and smug laugh.

Obviously, in his opinion, Chen Feng must not dare to fight, so he can only kneel down for himself.

At this time, there was already a large group of people around.

Now, all six branch classes have just finished.

Everyone is passing by, and the square is full, I'm afraid there are hundreds of people.

Everyone has nothing to do, so naturally they all come to join in the fun.

After seeing the two sides facing each other clearly, everyone suddenly exclaimed.

"It turned out to be Lu Haoying over there? Hasn't he been in the Beidou Sword Sect for three years? How come we are here?"

"Hey, don't you know? Lu Haoying's fiancé is Wei Bailian. You can tell from the appearance of Wei Bailian that she has been cleaned up. Lu Haoying naturally wants to vent her anger!"

"Lu Haoying's opponent is Feng Chen, haha, how can Feng Chen dare to fight?"

Someone curled his lips and said disdainfully: "Who doesn't know that Lu Haoying is a very good powerhouse even in the first six halls!"

"Now the strength has broken through to the four-star Wuwang!"

"Where's Feng Chen? He just entered the Martial King Realm just now, three or four major realms away!"

"Yes, there is no fight between the two. Lu Haoying has abused Feng Chen. Feng Chen will definitely kowtow to apologize later!"

Everyone guessed so.

It's just such a guess, most of them are people who don't know Chen Feng's strength!

As for those who are inferior Jingshutang like Chen Feng, who have seen Chen Feng's strength, they are skeptical at this time!

And the only people who are full of confidence in Chen Feng are the powerful children who know his true strength.

There was a sneer on their faces: "What about the Four-Star King Wu! In Feng Chen's eyes, he still looks like an ant!"

"Feng Chen can easily kill even the peak of the Martial King Realm!"

Lu Haoying stared at Chen Feng with a joking expression on his face. He seemed to be sure that Chen Feng would not dare to accept the challenge.

And Chen Feng stood there, silent for a moment, suddenly looked up at him, smiled and said, "I won't accept your challenge!"

Immediately, everyone was in an uproar!

"Haha, let me just talk about it, Feng Chen must be persuaded, not dare to accept the challenge!"

"Yes, with his strength, he still accepts the challenge? Still fighting with Lu Haoying? Isn't that dying?"

"Counting he is acquainted, hey, then you can see him knelt down and apologize to Wei Bailian!"

This is where those people who don't know Chen Feng's strength are laughing, looking at Chen Feng, jokingly, waiting to see his jokes.

And those powerful children who knew Chen Feng's true strength were full of consternation: "How can Feng Chen not accept the challenge?"

"Lu Haoying is not that strong. Could it be that Feng Chen has other plans?"

Those inferior Jingshutang sighed quietly and relaxed a little.

Feng Chen did not accept the challenge, confirming the guess they most wanted to see: Feng Chen is better than Wei Bailian, but not as strong as Lu Haoying.

This relaxes them a lot, because if Feng Chen is too strong, they feel the pressure is too great.

Lu Haoying showed such an expression as expected, and laughed, extremely proud!

"Feng Chen, I know you dare not accept the challenge!"

"In front of me, you really are an impotent waste!"

He laughed triumphantly.

Then, the laughter suddenly stopped, he stared at Chen Feng, and let out a violent roar: "Dog stuff, since I dare not accept the challenge, why don't you roll over and knelt down and apologize to me?"

"Come here! Get out!"

He reprimanded Chen Feng loudly in a commanding tone.

Wei Bailian also giggled: "Come on, Chen Feng, I'm just standing here!"

The onlookers are all waiting for the good show.

But at this time, Chen Feng slowly shook his head, staring at Lu Haoying and said, "You are a four-star martial arts king, right?"

"Yes, I am the Four-Star King of Martial Arts."

Lu Haoying lifted her chin, proudly: "At this age, being able to reach the Four-Star Martial King is already a genius!"

Chen Feng looked at him and smiled and said, "Four-star Martial King? Is it amazing?"

At the next moment, Chen Feng's figure suddenly flashed.

Then, it was shot lightly with a palm.

This palm seems to be powerless and without threat.

Lu Haoying was stunned for a moment, and then burst out a burst of disdainful laughter: "Feng Chen, are you tickling me?"

"From the palm of your hand, I can't even touch my skin!"

And Wei Bailian's heart jumped instantly!

She suddenly remembered the snap of Chen Feng's finger before, and it was so light and light at the time, and it seemed to have no strength at all.

And after these few days of getting along, she already knew Feng Chen very well.

She knew that if Feng Chen was not sure, she would never make a move!

So, she shouted in a sharp and stern voice: "Lu Haoying, hide away!"

Lu Haoying was taken aback at this moment, and then smiled indifferently: "What to hide? This palm won't even touch my skin..."

Before the broken word was spoken, his expression changed abruptly.

It turned out that after Chen Feng's palm came to the front, it was as powerful as a mountain in quiet time.

And the fact is exactly the case, Chen Feng's palm strength directly condensed a huge palm print like a mountain in the air, and then smashed it down!

Lu Haoying let out an unbelievable exclamation: "What is this?"

He yelled frantically, waved his fists and bombarded fiercely upwards, trying to contend with the mountain that Chen Feng suppressed.

Lu Haoying's double fists collided heavily with the mountain phantom.

In the next moment, the mountain phantom easily smashed his fist into pieces as if it had not been hindered.

As before, he pressed it down with an extremely powerful posture, and slammed into him severely.

Then, continue to crush! Keep pressing down!

Lu Haoying was directly hit with blood spurting wildly, and fell heavily to the ground, breaking the bones all over her body.

Paralyzed there, like a puddle of mud.

The intense pain swept through his body and almost made him faint.

And what made him most painful was not the physical pain, but the psychological shock.

He looked at Chen Feng and exclaimed in disbelief: "You beat me seriously with a lightly palm? What level of power are you? How could it be so terrifying?"

All the people around were stunned. The scene just now shocked them and lost their voices, and they didn't even come back to their senses.

#### [Chapter 3466: Tracking \(second explosion\)](#)

Now Lu Haoying's words finally made them react.

So almost all of them jumped up and yelled frantically.

"Feng Chen, Feng Chen seriously injured Lu Haoying with a fluttering palm?"

"My God! Lu Haoying is a dignified four-star martial king, Feng Chen downplayed it, seemingly effortless to get rid of him?"

"How strong is he? Six-star Martial King or Seven-star Martial King?"

"This Feng Chen is simply terrifying!"

"We were laughing at him just now, now think about it is we are really funny!"

They were all shocked by Chen Feng's performance!

Chen Feng smiled and said, "What did you just say? Am I tickling you?"

"It seems that the consequences of this tickling are quite serious."

With a brush, Lu Haoying's face turned blood red, as if she had been slapped!

In front of everyone today, he initially faced Chen Feng with that kind of arrogance, but now he was severely injured and dying.

He knew that even the last trace of his face was completely lost.

At this moment, Wei Bailian shrank and shivered.

Looking at Chen Feng, a flash of despair suddenly flashed in his eyes.

She knew that Chen Feng was invincible at all. She knew that anyone she was looking for could not be Chen Feng's opponent.

She muttered to herself: "Chen Feng, it is extremely terrifying. No one I find will be his opponent, and everyone will be destroyed by him easily."

Chen Feng's previous performance had already planted an invincible shadow in her heart!

It made her feel that Chen Feng was invincible at all.

Suddenly, her mind turned, and the extreme fear and despair in her heart suddenly became a touch of extreme desire.

When she looked at Chen Feng, she licked her lips lightly, with intense desire in her eyes.

"What if I am his woman?"

"If I were his woman, then what would I be afraid of?"

Chen Feng looked at Lu Haoying, then glanced around, seeming to fall on everyone's face.

His gaze fell, everyone hurriedly bowed their heads, did not dare to look at Chen Feng, their gazes were full of awe!

Chen Feng's voice was faint: "I just said that I didn't accept your challenge because of you, so I don't deserve to challenge me!"

"Who do you think you are?"

He paused, and then said: "Challenge, that is used by people of the same level, how about you?"

"You only deserve to be abused and crushed by me!"

These words seemed to be spoken to Lu Haoying, but also to everyone present.

Everyone trembled fiercely in their hearts.

"Yes, Feng Chen is right, he is much stronger than Lu Haoying, completely crushed!"

Chen Feng looked at Lu Haoying with a smile on the corner of his mouth, and said softly: "You just said you are a genius, didn't you?"

"But at your age, are you a genius by reaching the Four-Star King Martial Arts?"

"I'm a lot younger than you, and my cultivation base is much higher than you, so what am I?"

Chen Feng stepped on his face with one foot, staring at him, and said word by word: "In front of me, you are not a genius, you are just a total waste!"

His voice suddenly rose: "Now, tell me! Who is the nonsense?"

Lu Haoying was completely frightened at this time, no longer had any worries, and no longer dared to compete with Chen Feng.

He trembled: "I am, I am, I am a trash."

Chen Feng smiled: "Just know that you are a trash."

He knelt down and patted Lu Haoying's face lightly: "From now on, brighten your eyes, don't offend people you can't afford to offend!"

Then, Chen Feng stood up, turned and left.

The crowd around the audience gave way.

They looked at Chen Feng with awe.

And after today's battle, Chen Feng has become famous among everyone.

At least these new disciples of the Beidou Sword Sect already knew his strength.

Following Chen Feng, Bai Jingwan and others also walked out.

During the entire process of the conflict between the two just now, they didn't even care or worry at all.

Because they all knew very well that this person could never be Chen Feng's opponent.

Another day passed, and Chen Feng came here as usual the next day.

However, he came early again.

Early in the morning, the dawn and faint light had already arrived on the square.

However, he did not enter the lower waiting hall, but lay down leisurely under the green pine and ancient cypress outside and on the boulder, and looked far away with Erlang's legs.

Suddenly, his ears moved slightly and he heard the sound of the door behind him.

Looking back, he saw that the old man at the Tianya Ancient Books Museum slowly came out.

The two looked at each other and then both smiled.

So no one spoke, but each went to work on their own affairs.

After waiting for about half an hour, Chen Feng saw Wei Bailian approaching desperately from a distance.

Wei Bailian also changed her clothes, and her face should have been treated with medication.

Although there are still some bruises and scars, they are basically invisible, and they are covered by her thick makeup.

It seemed that she was still that beautiful and charming fairy.

However, this couldn't hide the panic in her heart.

She first went to the Lower Jingshutang and wandered around, and then headed towards the back mountain.

Out of this square, walk all the way back.

Before long, the flat land was already at the edge, and a deep cliff appeared in front of it.

A few kilometers away, there is another cliff on the opposite side, connected by a cableway in the middle.

She slowly walked over, while Chen Feng followed silently.

With Chen Feng's strength, if she wanted to follow, how could she find out?

After this cliff is the back mountain.

Clouds and fog accumulate in the back mountains, and in a short while, there will be drizzle falling.

Suddenly, the rugged peaks changed from the flatness of Qianshan Mountain, and there were deep valleys everywhere, and there was only one path for people to walk through.

Going all the way, it's about dozens of miles.

Here is a secret road between the mountains, on the right is a cliff, and on the edge of the cliff is a long plank road.

Only one person can pass through in the middle, and Wei Bailian hurriedly passed by.

When Chen Feng looked at this road, suddenly, there was a leisurely look in his eyes.

The person who left traces of the fragments of the Yaoguang Bairixian spectrum and stole a quarter of the fragments of the Yaoguang Bairixian spectrum, that day, must have been in the drizzle, hurriedly walked on this plank road.

Try to figure it out while walking!

Chen Feng shook his head, shaking this thought out of his head.

Then, the figure flashed, directly in front of Wei Bailian.

After Wei Bailian saw Chen Feng, she was shocked, and the next moment her face was full of despair.

She looked at Chen Feng and trembled: "You, are you going to kill me?"

[Chapter 3467: It turned out to be you? It really is you!](#)

Chen Feng looked at her and smiled indifferently: "I want to kill you. I killed you long ago. Where else will I stay now?"

"Is it possible, do you think I dare not kill you in front of everyone, only dare to come here secretly?"

"Of course not, of course not." Wei Bailian quickly waved her hand.

As soon as she heard that Chen Feng was not here to kill herself, she immediately became alive.

Suddenly he fell to his knees with a thump and looked directly at Chen Feng and said: "What are your requirements?"

Chen Feng was stunned for a moment and raised his eyebrows. He didn't expect this woman to be so knowledgeable and interesting.

She hasn't said it yet, she has already taken the initiative.

In this case, Chen Feng would naturally not refuse.

He smiled faintly, and then said: "Okay, then I really have a few questions for you."

"Just ask." Wei Bailian said quickly.

Chen Feng looked at her, suddenly smiled, and said, "Yesterday you also went to the Houshan Buddhist Scripture Pavilion, didn't you?"

"Yes, I went."

"Then who did you meet at the Houshan Buddhist Scripture Pavilion yesterday?"

Wei Bailian was stunned for a moment, unexpectedly Chen Feng would ask such a question.

Chen Feng said: "Don't answer in a hurry, you should first rationalize this thought, think about it, and then talk."

"Yes."

Wei Bailian nodded, and then, she did not dare to neglect, she thought carefully for a moment, organized the language, and then said: "Master Feng Chen, you know, from the first day, I will go to the back mountain. Jingge."

"On the first day when I went to the Houshan Tibetan Scripture Pavilion, I saw the old ancestor. At that time, the old ancestor was very unhappy with me."

"But I told the elders in the family, but he is not good to be too negligent to me, just indifferent, and he shouldn't accept my request."

"But yesterday, it suddenly changed."

"Oh, what's the change?" Chen Feng asked, raising an eyebrow.

"After I went yesterday, he was very impatient. Zhou Yanbin said more and angered him. He actually cleaned up the two of us severely."

When she said this, she was so angry that Lihua brought rain, and she cried again:

"That old man is not a thing, he even beat me up!"

"That's it." Chen Feng thoughtfully.

Why did the elder stationed at Houshan Tibetan Scripture Pavilion have such a big change in his attitude over the past two days? Presumably something unknown happened in the middle.

And this matter must have something to do with Chu Shaoyang.

Chen Feng asked, "Are there any more people in the Houshan Buddhist Scripture Pavilion?"

Wei Bailian thought for a moment, and then shook her head: "There are no more people, there is still only the guard elder."

Chen Feng nodded: "Okay, I understand!"

Then, he said to Wei Bailian: "You continue to go forward as usual and go to the Tibetan Scripture Pavilion, understand? Don't reveal any abnormalities."

Wei Bailian didn't dare to violate his words, so she nodded and agreed!

Then, Chen Feng asked Wei Bailian to set off again, and he followed behind silently.

Soon, Wei Bailian came outside the Tibetan Scripture Pavilion.

Then, she said lazily toward the Tibetan Scripture Pavilion: "My elder, I am here, where do you want to pack today?"

Wei Bailian was originally that kind of pungent temperament. Seeing that there was no benefit from the guard elder, she naturally didn't bother to have a good face to him.

Anyway, Chen Feng made her business as usual, she is usually such a person.

After a while, the guard elder spoke from the inside with a hint of anger: "Today, clean the Tibetan scripture pavilion for five miles."

"If there is a leaf, I want you to look good!"

Obviously, he was also very annoyed by Wei Bailian.

Wei Bailian replied lazily and started cleaning.

At this moment, just a few miles away, on top of a towering mountain.

There are dense forests on this mountain.

At this time, on top of an exceptionally tall tree, on top of a horizontal branch, a figure was lying there.

If you hadn't walked closer to look at it, you wouldn't be able to find it at all.

His blue shirt and the blue trees almost merged into one.

The bright eyes of this figure stared at the Tibetan Scripture Pavilion unblinkingly.

This person is naturally Chen Feng.

He asked Wei Bailian to go, just to let Wei Bailian start the grass and startle the snake and lead the snake out of the cave.

And he has been staring at the movement of the Tibetan Scripture Pavilion.

After a while, the door of the Tibetan Scripture Pavilion opened slowly.

A figure came out of it, an old man who looked rather sloppy.

The edges are not trimmed, the body is greasy, and the hair is even stuck into a lock, and the look is quite vicious.

Obviously, this person is the guard elder of this Houshan Tibetan Scripture Pavilion.

Apart from him, there was still one person behind him.

At this time, Wei Bailian was far away from here, and naturally couldn't see the situation here, but Chen Feng could see clearly.

But when Chen Feng saw the person following the guard elder, his pupils contracted sharply and his heart was pounding.

But his breath is still the same as before, without the slightest change, and it looks extremely calm on the surface.

After a while, Chen Feng sighed softly.

Then, a smile appeared at the corner of his mouth: "It turned out to be you? It really was you!"

"I should have guessed it a long time ago, it really is you!" **NovelUsB.com**

Chen Feng whispered softly, and slowly uttered three words: "Feng Qingqiu, it really is you!"

Since Chen Feng had contact with Chu Shaoyang last time, when he returned, he started to investigate the identities of those around Chu Shaoyang.

Only by checking the identities of those people can we better deal with Chu Shaoyang.

For this reason, Chen Feng even went to Xuanyuan Xiaoyue for help.

Xuanyuan Xiaoyue's magical powers are vast, and the news is extremely well-informed, but Chen Feng's answer was given within half a month!

It turned out that the several women around Chu Shaoyang were not simple.

All are from the big sects of a big family in the Dragon Vessel Continent.

Like that dark woman, even outside the West Sea, the daughter of a mysterious alien patriarch.

And they were all turned into slaves by Chu Shaoyang using despicable means.

Among these women, the one with the largest background is the woman in the purple skirt.

The woman in the purple skirt was named Feng Qingqiu, and she was born in Tianyahaige, a mysterious sect on the Dragon Vessel Continent.

This Tianya Haige is not in the power of the Nine Great Sects, but its strength is only one line worse than the Nine Great Sects!

Moreover, it has always been known for its mystery.

The outstanding disciples they cultivated are extremely mixed.

There is nothing wrong with medical divination astrology, alchemy and poison, astronomy and geography, ancient and modern allusions.

Their greatest strength is not their martial arts skills, but their various methods of struggling, quite like some political experts.

#### [Chapter 3468: Sixth-Rank Golden Core: Nine-turned Demon!](#)

It is often possible to contact certain sects and dynasties, suppress other sects, and stir up trouble in this world.

To put it bluntly, it is to stir things up everywhere, and you must make this Dragon Vein Continent a \*\*\*\* storm!

It seems that chaos and killing are the most admired in their sect.

Feng Qingqiu was one of the three young disciples cultivated by their generation.

Although it was the weakest among the three outstanding disciples, it was not easy to provoke.

Unexpectedly, Chu Shaoyang would be captured by Chu Shaoyang.

There was no trace ever since.

When Chen Feng heard these news, he was quite shocked, and his evaluation of Chu Shaoyang was a little higher.

Feng Qingqiu was the most capable person under Chu Shaoyang, and he was in charge of several other slaves.

Therefore, where Feng Qingqiu appeared, it meant that Chu Shaoyang would also appear.

In silence, Chen Feng had already mastered a lot of information.

Feng Qingqiu still wore a purple skirt at this time, floating like an immortal, with an extremely elegant temperament.

And she and the guard elder talked and laughed, they looked very familiar, obviously close.

Chen Feng observed for a while, and found that the two get along a bit like between an elder and a junior, and the guard elder is even more spoiled for him.

The two talked for a while, seeming to see Wei Bailian coming back in the distance, Feng Qingqiu hurriedly returned to the Tibetan Scripture Pavilion again, seemingly unwilling to let Wei Bailian see it.

Chen Feng finally knew how Chu Shaoyang's breath came from Wei Bailian's body.

Feng Qingqiu had some contact with the guard elder, and the guard elder beat Wei Bailian again, which would naturally be contaminated with aura.

Wei Bailian cleaned up hastily, and came back for business.

The guard elder obviously didn't bother to investigate with him, so he let her go.

Then, after she was gone, the guard elder took Feng Qingqiu to tour the mountains and waters here, and gave her advice on the scenery here.

Chen Feng followed silently like this, and the two of them walked around the beautiful scenery around the Beidou Sword School for almost half a day.

Chen Feng suddenly felt a little weird. The two of them looked like their elders walking around with the younger ones who came to visit him, strolling around, and taking a look at the environment where they lived.

It was almost dark before the two went back.

Chen Feng already had some guesses in his mind at this time.

After the night became dark, the Buddhist scripture pavilion fell into a quiet state, and the guard elder didn't know if it had a rest.

But Chen Feng knew that one person must have not rested.

Because at this time, Chen Feng had already seen Feng Qingqiu quietly pushing open a window of the Buddhist scripture pavilion, and flying out of it.

Then, he went directly to the back mountain of the Beidou Sword Sect.

That direction is surprisingly the direction of the dense cave of Qingshan Cliff.

Chen Feng's heart jumped: "Qingshan Cliff Cave? Did he know the news about Qingshan Cliff Cave? What is his purpose here?"

Qingshan Cliff is the deepest part of the mountain behind the Beidou Sword Sect.

It is a very high cliff, and all the rocks on the cliff are like bronze.

This is a forbidden place for the Beidou Sword Sect, and no one can enter here.

As for where the secret cave is, Chen Feng also doesn't know.

Feng Qingqiu came to the outside of Qingshan Cliff, just turned around, seeming to be exploring something, and then left.

Chen Feng knew that it was time to find him now.

The moonlight was like water, and the night was slightly cool. Feng Qingqiu wore a purple skirt and drifted by.

Her eyes seemed a little anxious, but after a moment it turned into confusion, she sighed slightly when she looked at the distance, she was a little lost.

With her cultivation base, even if she was examining the Beidou Sword Sect, naturally very few people could find him.

There is a barren hill in front of them. After passing this barren hill, you will reach the Buddhist scripture pavilion after ten miles.

She sighed and sighed: "When is a head in such a day? She hates him for death, but she wants to die for him!"

At this moment, suddenly a low laugh came from behind her: "In this case, then I will help you out of the sea of suffering!"

This voice immediately shocked Feng Qingqiu, and his whole body shuddered.

But she was very human in the end, and she recovered in a blink of an eye.

After that, there was no panic, but he turned around slowly, stared behind him and said, "Chen Feng, is it you? Chen Feng!"

In the darkness, a figure slowly walked out, it was Chen Feng.

He smiled and said: "You still remember my voice, girl, is it possible that you are actually worried about me?"

There was a hint of teasing on Chen Feng's face, but there was a cold expression in his eyes.

He didn't expect Feng Qingqiu to be so calm and calm in this situation, and he could see through his identity.

This made him realize that Feng Qingqiu was definitely not a good opponent to deal with!

After Feng Qingqiu saw that it was Chen Feng, his heart jumped wildly, and his heart was full of shock and questions: "Why did he come here? How did he show up? Has he seen through our plan?"

For an instant, there were countless questions in his heart, but she didn't ask a single one.

Moreover, her expression is still indifferent.

Just walked to the side, looked at Chen Feng, lowered his eyebrows and closed his head, then smiled and said, "Okay, what's the problem? Ask!"

"I know, I must tell you everything!"

Chen Feng was stunned for a moment: "Why are you talking so simply?"

"Otherwise, resist for a while, try to escape, then be caught by you and clean up."

"Take some torture, and then you still have to explain it in the end?"

She looked at Chen Feng and said with a smile: "This girl is so smart, do you think I would do that?"

"Moreover....."

She tucked her hair, revealing her peerless face: "This girl is so beautiful. If you ruin your face and body, wouldn't it be a pity?"

Chen Feng was taken aback for a moment, then laughed and pointed at her: "Really a wonderful person!"

But his heart is even more awe-inspiring.

Feng Qingqiu was really extremely smart, and it was actually harder to deal with such a posture at this time.

"Follow me."

As soon as Chen Feng grabbed her sleeve, he lifted him up, and the two of them flew upwards.

Soon he traveled hundreds of miles and came to the highest mountain nearby.

The two of them sat down on the top of this mountain, on top of the rocks, and below was the vast Sky Dragon City.

At this time, the boundless lights spread, and the Beidou Sword Sect and Sky Dragon City were all under them.

A mountain breeze whizzed past, blowing their clothes and hunting.

The two sat back to back on the big rock.

The man is tall and handsome, and the woman is beautiful and unparalleled, with long hair and bulging clothes, like a couple of gods and goddesses.

But who knows, the two of them are enemies of life and death.

Chen Feng slowly said, "Why did Chu Shaoyang ask you to come here?"

Without any hesitation, Feng Qingqiu said directly: "Our purpose of coming here this time is to find a pill."

"What kind of medicine?" Chen Feng's heart jumped.

Feng Qingqiu said word by word: "Sixth-Rank Golden Pill: Nine-turned Heavenly Devil Golden Pill!"

"Rank Six Golden Core?"

Chen Feng had never heard of the name of the Nine-turned Heavenly Devil Golden Pill, nor did he know its effect.

But the four words of Sixth-Rank Jindan shocked him all of a sudden!

The highest level of the golden core that can be obtained on the Dragon Vein Continent is only the seventh or eighth rank.

Up to the sixth-grade golden core, only the sixth-grade golden robe alchemist can refine it. It is estimated that Xuanyuan Xiaoyue can't do it. It can be said to be extremely precious.

#### [Chapter 3469: Fortunately, fortunately](#)

Among the nine major forces, I am afraid that not all forces can come out.

And if you look at the forces of the Beidou Sword Sect, then it can be used as a treasure of the town faction.

"It turns out that Chu Shaoyang's purpose was actually this, not to shake the white fairy spectrum! I actually guessed wrong!"

Chen Feng secretly said in his heart.

But he didn't show anything on his face, he just asked: "How did you get in?"

Feng Qingqiu chuckled and said:

"I know the martial arts techniques of the Beidou Sword Sect. I know everything about this guard elder and a close relative."

"I came here to tell this guard elder that I am the only heir to his close relative. How can I be called to come in?"

She smiled and said, "I walked in with an open mind."

"Believe it or not, now if you go to the guard elder to expose my identity, he will be furious and fight you at all costs!"

"Because, in his opinion, you are sowing discord."

Chen Feng looked at him, but only said a little softly: "My patience is limited."

Feng Qingqiu shut up immediately and laughed: "Okay, no joke, I'll tell you why."

She looked at Chen Feng and said first: "Do you know that Chu Shaoyang's power in this Heavenly Dragon City is extremely terrifying."

"With countless informants, you can get countless intelligence in a short time!"

Chen Feng heard this, his heart jumped, and then said: "Go on!"

Thus, Feng Qingqiu said something solemnly.

It turned out that the reason why Feng Qingqiu was able to enter the Beidou Sword Sect in a short period of time, and was approved by the guardian elder of the Tibetan Scripture Pavilion, was because Chu Shaoyang's people here collected countless news about the Beidou Sword Sect. .

Then, they screened out dozens of messages that could be used by them.

I found dozens of people who could infiltrate, and finally delineated the guard elder of the Tibetan Scripture Pavilion among these people.

And in just one day, it was found that the guard elder of the Tibetan Buddhist Pavilion had a brother-in-law when he was young.

Later, the younger brother left the Beidou Sword School, went out to venture out and created his own school.

As a result, there was no more news.

Therefore, Chu Shaoyang and others felt that this news could be used.

It took another half a day to find those martial arts techniques that the junior guarding elder was good at at that time, and where he finally disappeared.

Next, it took another three hours to find similar martial arts secrets.

After Feng Qingqiu had practiced hard for two days, he had already practiced these secrets to look decent!

Therefore, she entered the Beidou Sword Sect as the only personal disciple of the school that was founded by the town chief's teacher and brother outside.

Because she was very familiar with her so-called master's life, she knew everything.

And because her martial arts were also right, the guard elder was convinced and regarded her as a nephew and loved her very much.

And told countless secrets of the Beidou Sword Sect.

After hearing her, Chen Feng said nothing.

After a long time, he let out a long sigh of relief.

His heart was filled with shock: "It turns out that Chu Shaoyang has such a powerful influence in Sky Dragon City, and he is pervasive!"

Suddenly a shocked thought flashed in his heart: "Could it be that Chu Shaoyang has made layouts many years ago because of this golden pill?"

At this moment, Chen Feng couldn't help but feel horrified, and his back was already in a cold sweat.

He was suddenly very lucky.

"Fortunately, fortunately, I came here, came to Tianlong City, came to the Beidou Sword Sect, came to the Jingshutang, and had a conflict with Wei Bailian."

"Fortunately, I discovered all this."

"Fortunately, after I came here, I hid my whereabouts and never revealed my identity."

Chu Shaoyang is so good, he is able to live by it.

But now, after listening to Feng Qingqiu's words, he realized that he had also underestimated the horror of Chu Shaoyang.

It's almost pervasive!

If he swaggered to come here as Chen Feng, then he must have discovered it a long time ago.

"If he finds the trail, then he is dark, I am bright, I am afraid that he will be miserable."

"And now, he is in the light and I am in the dark, so I will be more calm."

At this moment, Chen Feng was shocked and suddenly thought of something.

"At that time, I was so resistant to come here as my own identity, presumably because of the influence of my instincts, allowing me to make the right decision."

"This is the mystery of luck!"

Chen Feng has a deeper understanding of air transport.

"Qi Luck senses that if I come here as I am, there are many disadvantages, so it affects me."

At this time, Chen Feng felt even more that this luck was mysterious and inexplicable.

Chen Feng sighed softly, and now, he has understood everything.

Then there is only one problem, that is...

Chen Feng stared at Feng Qingqiu and asked, "What is the use of this Nine-turned Heavenly Devil Golden Pill? It is worth Chu Shaoyang's deliberation and planning for several years to seize this thing?"

Feng Qingqiu didn't conceal anything, but said: "Nine-turned Heavenly Devil Golden Pill, the medicine is extremely powerful and fierce."

"It's like a river rushing and a meteorite falling. Only the physique of a strong man at the Emperor Wu level can bear it."

"However, after being swallowed, the strength of this swallowed person can skyrocket by two major levels."

"The duration is the time for a whole cup of tea!"

"What? The strength has skyrocketed by two major levels?" Chen Feng couldn't help being shocked when he heard it.

The ability to make him have such a shocking performance now shows how magical and powerful the effect of this pill is!

Feng Qing held Chen Feng and nodded solemnly.

Chen Feng muttered to himself: "In other words, if I swallow this pill now, my strength can directly reach the level of the five-star Wudi!"

"Horror, really scary!"

"No wonder it's a sixth-grade golden core, no wonder!"

"Although it is only a cup of tea that lasts for a short period of time, five minutes, and three hundred breaths, it is also extremely rare!"

"This pill can be used as a life-saving killer!"

Chen Feng suddenly moved in his heart and asked: "This pill is definitely not easy to use, right? What's the price?"

"Of course there is a price."

Feng Qingqiu said: "The price is..."

She slowly uttered three words: "A life!"

"A life! In other words, after a cup of tea time, the life is gone? Is it?"

"It will exhaust all the user's vitality, right?"

"Yes." Feng Qingqiu smiled and nodded.

Chen Feng frowned: "In this case, this pill is quite tasteless."

[Chapter 3470: plan!](#)

"Why is Chu Shaoyang looking for this pill? Could it be that he intends to use this as his desperate capital?"

"impossible!"

Chen Feng immediately overturned this view.

He muttered to himself: "Chu Shaoyang is a man who cherishes his life. He will never lose his life in order to improve his combat effectiveness in a short time."

"If it is really life and death, all he wants is to escape."

"What he thinks is how to save his life forever!"

Suddenly, Chen Feng's mind was full of clarity, if a light flashed across.

He immediately clapped his hands and shouted loudly: "Yes, Chu Shaoyang must have a magic weapon to counteract this negative effect! Isn't it?"

He stared at Feng Qingqiu.

An unconcealable difference flashed in Feng Qingqiu's eyes, and then sighed: "Awesome, really amazing!"

"Chen Feng, you two are really fateful enemies!"

"You know him better than those around us."

"Yes..."

She sighed softly and said, "If it's just this sixth-grade golden core, it is indeed precious, but it can't be said to be a rare treasure."

"However, he does have a magic weapon in his hands that can offset the negative effects of swallowing this pill."

"So, if the two are combined, the effect can be said to be invincible in the world, and it can almost be called a treasure at the level of the treasure of the Nine Martial Arts School!"

Chen Feng nodded: "Yes, it is true!"

He imagined that if these treasures were swallowed by a powerhouse of Xuanyuan Zixi's level, then it would really be possible to destroy any of the nine martial arts within one cup of tea time!

"It's terrifying, this effect is terrifying!"

At this time, Feng Qingqiu suddenly looked at Chen Feng and said with a smile, "Chen Feng, do you know who Chu Shaoyang wants to get the Nine-turned Heavenly Devil Golden Pill to deal with?"

Chen Feng was stunned for a moment, and then his face was pale and ugly.

Need to talk? It must be to deal with yourself!

Chen Feng took a deep breath, shocked in his heart!

"If Chu Shaoyang gets the Nine-Ranked Heaven Devil Golden Pill, the two treasures are combined, and his strength rises by two levels in a short time, then I can't be his opponent at all, and I will definitely be killed by him!"

You know, Chen Feng is only one level better than him!

Moreover, the speed of Chu Shaoyang's improvement of his cultivation base was simply wicked, who knows what realm his cultivation has reached now.

Fortunately, Chen Feng came here by accident.

Otherwise, when Chu Shaoyang takes these two treasures of money to kill himself, he may only realize it later, and then he can stop everything.

Chen Feng soon struggled out of this shocking emotion, what he was thinking now was not about being afraid, but how to regain this advantage from Chu Shaoyang!

"Chu Shaoyang now has a kind of treasure, which has already taken the lead."

A voice echoed in Chen Feng's heart: "That nine-turned heavenly devil golden pill must not be allowed to him, and I will take back the treasure from him!"

Chen Feng's heart was hot, but moved:

"If these two treasures are in my hands, I will have one more powerful hole card!"

Suddenly, Chen Feng's heart jumped, and he suddenly had an idea.

As soon as this idea came into being, Chen Feng's heart jumped!

Chen Feng immediately took a deep breath, discarded all distractions, and then sat there and began to think carefully.

This matter is extremely important, extremely complicated, and extremely difficult to operate.

Therefore, Chen Feng had to be cautious.

However, when he thought about all the joints inside and out of this matter, he couldn't help but get extremely excited!

"If this thing can be done, then not only will Chu Shaoyang's confidant trouble be solved, but I can even take this opportunity to get all the fragments of the Shaoguang Bairi Fairy Score!"

Chen Feng thought about it a few more times, and he felt that his plan was extremely feasible.

However, it requires the cooperation of one person.

That is.....

Chen Feng raised his eyes to look at the woman in front of him, and a chuckle suddenly appeared at the corner of his mouth.

Looking at Chen Feng's expression, what a clever woman Feng Qingqiu was, immediately seemed to realize something.

She looked at Chen Feng and chuckled and said, "Chen Feng, do you want me to betray my master?"

"Is it right, what else do you want to do with me?"

Chen Feng was not annoyed by his guess, but just looked at her with a smile, waiting for her to continue.

Feng Qingqiu looked at Chen Feng, then smiled and said, "Chen Feng, tell you!"

Suddenly, she looked cold, and said every word, "Impossible! I will not betray Chu Shaoyang at all!"

Chen Feng was taken aback for a moment, and his heart was confused.

Feng Qingqiu said very firmly.

And Chen Feng must rely on her to make this plan.

If she can't betray Chu Shaoyang, then Chen Feng's chances of winning will be greatly reduced.

However, how can Chen Feng be fooled by her?

A smile appeared at the corner of his mouth, already trying to understand everything.

Then, Chen Feng glanced at her, then turned and left.

Seeing Chen Feng's action, Feng Qingqiu was stunned.

She stayed for a while, and then couldn't help shouting: "You? What are you going to do?"

She looked a little panicked at this moment, very stunned, she didn't seem to be strategizing just now.

Chen Feng didn't turn back and said, "Since you don't want to betray, then I don't want to be too difficult for others, so I will find a way by myself!"

Feng Qingqiu was suddenly anxious and shouted: "You come back!"

Chen Feng laughed loudly, then clicked on her, and said, "Okay, you won't talk secretly."

Chen Feng smiled and said: "I was almost bluffed by you just now, thinking you were really loyal to Chu Shaoyang."

"But now that I change my mind, I just want to understand that this is not the case at all!"

He looked at Feng Qingqiu, with an extremely powerful and confident posture, he said in a deep voice: "You clearly want to get out of Chu Shaoyang's control, and want to get out of it!"

"And the reason why you pretend to be like this is just to take the initiative in the transaction with me."

"In the hope of sharing more benefits from Chu Shaoyang!"

Chen Feng looked at him with a smile on the corner of his mouth: "Am I right?"

Feng Qingqiu was startled for an instant, his face turned pale, biting his lip, unable to say a word.

She has always had a deep heart, playing with others in her palms.

But only in this way, when Chen Feng saw her mind and ruthlessly pierced her, she felt particularly frustrated.

Suddenly, facing Chen Feng, there was a feeling of helplessness, complete defeat, and complete suppression by the opponent.

However, he couldn't help sighing secretly in his heart: "A Chu Shaoyang and Chen Feng are really the best geniuses."
