

Peerless 3831

[Chapter 3831: I can't bear it!](#)

Chen Feng smiled coldly, a flash in his hand, and a golden thread kit appeared.

Then, dump it down.

Suddenly, there was a crash, and hundreds of life gems emerged from it.

The emerald green is full of vitality, and the shop is instantly filled.

The atmosphere in the shop has become very comfortable, full of life and warmth!

Chen Feng received the golden thread kit, pointed to the ground, and said lightly: "The five hundred life gems are here."

"Come on, pay with one hand and deliver the goods."

Looking at the five hundred life gems above the ground, a touch of extreme greed flashed in Qin Zhesheng's eyes.

Staring at Chen Feng, he hehe sneered and said, "I didn't expect that your strength is not good, your realm is still low, but you have such a rich net worth."

"It seems that what You Shaojun said is indeed right. The family behind you has given you a lot of support."

It turned out that in their eyes, Chen Feng himself was useless, but had a deep family background, so he was able to come up with so many things.

Chen Feng smiled, too lazy for regular meetings.

He just said lightly: "Five hundred life gems are here, and I will take this substitute puppet."

Let's just say, it's going to get a substitute puppet.

At this moment, Qin Zhesheng smiled suddenly and stepped forward, kicking the box aside.

Chen Feng's figure instantly solidified there.

Without raising his head, he said lightly: "What do you mean?"

His voice is very calm, like no waves in the ancient well.

But at this time, if Chen Feng's past enemies were here, he would definitely tremble heavily and be extremely frightened.

Because, the more this happened, the more it meant that Chen Feng was already angered to the extreme at this time!

"Okay, kid!"

Qin Zhesheng waved his hand, with a secret smile in his eyes, and said loudly: "You can leave with five hundred gems of life."

"Today, your grandfather, I am in a good mood. I got another five hundred gems of life. I don't want to do more killing."

"Get out of here!"

After all, he waved his hand impatiently, as if trying to drive away a fly.

After he said these words, Dongfang Yan and Xianggu looked at each other, and they both laughed, showing unexpected expressions.

You Shaojun and Diao Weiqi were also nearby, sneered in disdain.

The object of ridicule was naturally Chen Feng.

After Chen Feng heard this, there was no change in his face, and there was no expression of surprise or anger.

It's just that the look in his eyes instantly became extremely cold, full of fierce murderous intent.

In fact, as early as just now, Chen Feng had already thought of this possibility.

Chen Feng looked at Qin Zhesheng and said lightly, "What did you say? I didn't hear it clearly?"

"Let me repeat it again, right? Little bastard, you want to be humiliated by me again, right?"

Qin Zhesheng laughed: "Okay! If you are willing, I will fulfill you!"

Having said that, he strode to Chen Feng, looking down at Chen Feng condescendingly, staring at him with that disdain and contempt, almost poking his finger into Chen Feng's face with a single stroke:

"Little bastard, listen to me!"

"I now, now, leave this gem of life, and then get out!"

"Did you hear me?"

When he said the last sentence, it turned into a roar.

If it is an ordinary person, I am afraid that I will be scared to death at this time.

But Chen Feng just looked at him with a faint smile, and said slowly: "It seems that you are planning to swallow these five hundred life gems, and you won't give me this double puppet?"

Qin Zhesheng laughed loudly: "Yes, that's what I plan to do, that's what I think!"

He stared at Chen Feng and said word by word: "What can you do with me?"

This is the third provocation!

And this time the provocation was more serious than the previous two times, ten times more powerful!

In the previous two provocations, Qin Zhesheng and others were extremely disdainful of Chen Feng, condescending, and full of contempt.

And this time, not only contempt, not only disdain, but also to swallow the gem of life that Chen Feng had finally accumulated and risked his life to get!

"No more than three things!"

In Chen Feng's heart, a voice suddenly burst out!

"Fuck the **** guys don't want to be extravagant! Go **** take it! Go fucks!"

"I can't bear it!"

!! Can't bear it!

As soon as this sentence broke out in Chen Feng's mind, this thought came out in Chen Feng's mind. Suddenly, Chen Feng was like a blockage, obstacle, and blown up all over his body!

A icy air flow, flowing through the body, unspeakable comfort!

Chen Feng suddenly raised his head!

After a long suffocation of the foul breath, and spit it out, it seemed that thunder suddenly exploded in this space!

And at this moment, Qin Zhesheng, Dongfang Qi, Xiang and others were all shocked.

They suddenly felt that the young man in front of them was a little different.

It's no longer the toleration and compromise like that when I just came in, but it was filled with incomparably fierce light in an instant!

It's like an unsheathed sword!

The cold light is everywhere, with a murderous intent, and unspeakable fierceness!

But You Shaojun and Diao Weiqi trembled fiercely in their hearts.

The two of them are no strangers to Chen Feng's breath.

Because before, before entering this place, Chen Feng was so fierce and violent!

A sentence flashed in their hearts at the same time: "This, this is the person I am familiar with!"

At this time, Chen Feng finally stood up slowly and raised his head.

After touching Chen Feng's eyes, Qin Zhesheng and others were all in their hearts.

Qin Zhesheng also shook his heart: "How can this son's eyes feel so sharp?"

"Just like, you want to kill me!"

"Just like that, Wind Sword and Frost Sword!"

However, in a blink of an eye, he put this fear behind him.

He put it plainly, and he took Chen Feng to his heart.

At this moment, Chen Feng looked at them and spoke slowly, with a hint of helplessness and disdain in his voice: "Why do you have to force me?"

After Chen Feng said these words, the shop was quiet for a moment.

Then the next moment, Qin Zhesheng burst out a burst of disdainful laughter.

He leaned forward and back with a smile, pointing at Chen Feng, his tears and nose seemed to burst into laughter.

And those people under him, after a moment of stunned, burst into a huge laughter.

After laughing for a while, Qin Zhesheng seemed to have just passed away.

He pointed at Chen Feng, breathless, and said disdainfully: "Boy, what did you just say? Why do we have to force you to take action?"

"Hahahaha..."

He laughed again for a while: "Boy, what do you think you are? What are you? Huh?"

[Chapter 3832: Did I let you go?](#)

"Forcing you to shoot? What if you can take us even if you shoot?"

"I can crush you with one hand!"

He stretched out his right hand, slowly clenched his five fingers, and made a gesture of crushing Chen Feng!

Then, pointing at Chen Feng, frothing in his mouth: 'You still said to force you to shoot? I just force you to shoot! how about it? What can you do with Laozi? "

He lit Chen Feng with his hand.

Extremely contemptuous.

"Yes!"

Next to Qin Zhesheng, the heavy bronze man Dongfang Yu laughed and said, "Our boss doesn't even use one hand, and one finger can crush you!"

The Xian Gu, who looked like a goldfish next to him, smiled and said in a high-pitched voice: "Dongfang Wei, you are making a mistake."

"What is this kid? Let the boss take action against him, wouldn't it be too much for him?"

"If you want me to say, you don't need the boss to do anything, if I do it, he will die without a burial place!"

Qin Zhesheng was very happy to be praised by him, and laughed again.

Dongfang Yan's face sank and became a little ugly.

What Xianggu said just now, Pi Li Yangqiu, not only praised Qin Zhesheng but also damaged him.

Where is he happy?

But he didn't dare to refute it directly, otherwise, wouldn't he refute the face of his boss?

He only dared to snort, so he cast all his anger on Chen Feng.

Looking at Chen Feng, he said with a sneer: "Little bastard, quickly kneel down and kowtow to our boss, apologize, and apologize!"

"Otherwise, Lao Tzu slaps you directly into the flesh!"

Chen Feng looked at him with a cold look in his eyes.

He had a panoramic view of the reactions of Dongfang Yu and Xianggu, and naturally he could see that there was some contradiction between the two of them.

But now, Dongfang Zhen didn't dare to offend Xianggu, but he cast this tone on himself.

"Use me as a punching bag? Do you think I'm a bully?"

Chen Feng's eyes were cold.

But at this moment, he laughed suddenly, he seemed to be very happy, and this smile was extremely brilliant.

Qin Zhesheng and others were stunned, and then said disdainfully: "Boy, are you mad? You can still laugh at this time?"

But at this moment, Diao Weiqi next to him suddenly shivered.

He clearly felt a sense of extreme danger and murder from Chen Feng's smile.

He suddenly thought of a scene where this young man, on the street, directly beheaded the burly giant man at the top of the Samsung Martial Emperor!

Unspeakable fear suddenly rose in the heart!

As a result, he actually ran away hurriedly towards the door with his legs pulled out.

And his move was like a fuse, causing the situation in the shop to explode with a bang.

Diao Weiqi just walked to the door. At this moment, Chen Feng suddenly raised his head slightly, his expression was cold, and he slowly uttered a word: "Did I let you go?"

After hearing Chen Feng's words, Diao Weiqi immediately trembled, and a feeling of fear surged.

But then, he comforted himself: "Damn, it's this time, what am I afraid of him?"

"He can't protect himself now. He is very likely to die here now. What am I afraid of him? What am I afraid of his threats?"

He didn't stop at all, and rushed straight to the door.

At the same time, he turned around and stared at Chen Feng with a bitter expression on his face: "Feng Chen, you dog, are you still playing with me here? Do you think I am afraid of you now?"

"You are going to die here, I don't want to be buried with you here!"

After that, he roared spitefully: "I'm leaving now!"

At this time, Chen Feng still looked cold, and did not move at all because of his words.

But there was a flash of icy murderous intent in the eyes, and the tone suddenly rose up, like a muffled thunder in the air: "I said, did I let you go?"

Following Chen Feng's roar, a tyrannical force suddenly burst out of this voice, bursting apart.

Ruthlessly, it hit everyone's ears.

Naturally, Diao Weiqi suffered the most severe damage.

Because Chen Feng specifically screamed at him!

Diao Weiqi only felt a tyrannical force, slammed into his ears, smashed into his mind, and then suddenly exploded.

The next moment, he let out a scream, fell to the ground, covering his ears, blood was already flowing from between his fingers.

He had been severely injured by Chen Feng, but he was severely injured at this time, and he was directly injured and dying.

And seeing this scene, Qin Zhesheng and others showed a touch of shock on their faces.

The strength of this son was beyond their expectations.

Qin Zhesheng squinted at Chen Feng and smiled coldly: "I didn't expect it, kid, your strength is pretty good."

"It seems that it is not just a two-star Emperor Wu, who has the strength to surpass the two-star Emperor Wu."

"Strength is far beyond the realm. No wonder you have the courage to say this to me and come here!"

"but....."

He looked up to the sky and let out a disdainful laugh: "Even if your strength is slightly above the realm, what about it? What do you count in front of me?"

"Yes, what do you count in front of Master Qin? Even if you have some strength, you are still not enough!"

Dongfang Yu stepped forward, pointed at Chen Feng with a mace in his hand and said loudly, "Master Qin, don't bother you to do it, I will just end this kid."

"it is good!"

Qin Zhesheng smiled faintly.

He turned around and walked towards the second floor of the shop: "Give you three breaths. If you don't end up with him, you will judge yourself!"

Dongfang Zhen grinned, his face grim: "My lord, don't worry."

As for Qin Zhesheng, he was just ready to go to the second floor.

Obviously, in his opinion, there is no suspense in this battle.

There is no doubt that Dongfang Lin can easily kill this kid named Feng Chen.

Moreover, it only takes three breaths.

He doesn't even need to look anymore.

Dongfang Yu let out a wild roar, and the golden power instantly spread all over his body, extending to the mace.

Then, he would hold a mace and smash it down at Chen Feng.

Under this smash, like thunder, the whole shop shook violently.

It even shook the slab-shaped roots that were as high as 10,000 meters.

The power of one blow is extremely terrifying!

Obviously, he had made up his mind to kill Chen Feng with one blow.

Qin Zhesheng frowned and reprimanded: "You savage, you know how to use brute force, and I am afraid that you will be able to attract those **** with beaks."

"Take a little effort, do you hear that? This kid is not worth your twelve points, eight points of force, you can probably beat him to death!"

[Chapter 3833: Your dog is not qualified enough!](#)

Dongfang Zhen smiled slyly: "Yes, boss."

However, the strength in his hand was confiscated a little.

Instead, he continued to smash down at Chen Feng full of viciousness!

At this moment, Chen Feng looked at him, but suddenly smiled.

Facing Chen Feng's smile, Dongfang Lin was stunned.

Chen Feng looked at him, stretched out a finger, and said lightly: "Your master doesn't do it, but let your dog do it?"

Chen Feng shook his fingers, and his voice was light and gentle, as if he was explaining a fact: "You dog, you are not qualified!"

His voice was flat, but it fell like thunder in Dongfang Lin's ears.

Because his voice is full of affirmation and indifference, as if he said this, it must be a fact!

From these faint words, Dongfang Lin felt the extreme disdain and contempt!

His face changed suddenly, and then he let out a muffled roar: "Little bunny, die to me!"

The bronze mace in his hand fell fiercely.

At this time, Chen Feng also suddenly yelled: "You are the one who is going to die!"

The next moment, a punch was a fierce bombardment.

After he blasted this punch, Feng Lei made a big deal!

Outside the shop, there was a sound of muffled thunder, and the thick fog whirled and vibrated!

This is caused by the power of heaven and earth being induced.

And in this shop, dozens of huge muffled thunders exploded in an instant, the thunder was rolling, and everyone in the shaking shop was dazzled.

You Shaojun and Diao Weiqi, two lowly capable people, directly vomited blood to Zhen's madness and almost fainted.

Xiangu's face changed drastically.

Even Qin Zhesheng turned around with a look of surprise and solemnity on his face.

At this moment, Chen Feng's fist and Dongfang Wei's bronze mace collided fiercely.

There was a loud noise like the earth and the earth, and Chen Feng's fist remained there, safe and sound.

Everyone clearly saw that as Chen Feng's fist fell on the bronze mace, the bronze mace was suddenly distorted.

A fist mark appeared on it first, and then a huge hole appeared.

Then, the head of the mace twisted!

Then, the whole stick body twisted!

Then, the mace was directly out of control and flew up.

The whole process is obviously extremely fast. This distorted process may not last for a hundredth of an instant, but it is like a slow motion.

Give everyone an extremely slow, very clear feeling!

In the next moment, everyone suddenly woke up from this feeling!

It was a scream that woke them up!

"what....."

After Chen Feng blasted the bronze mace with this fist, he continued to blast forward.

In the next moment, it was stamped fiercely on Dongfang Qi's chest!

Suddenly, there was a crisp sound, and a big hole was directly broken into Dongfang's heavy armor!

Chen Feng's fist was stamped on his chest fiercely, and Dongfang Yan's body flew directly out, hit the wall of the shop hard, and then slammed it down again.

He remained still for a while, and then suddenly there was a loud bang, and all the bronze armor on his body was shattered into pieces and fell off one after another.

He broke through many huge wounds all over his body, and the blood flowed out frantically, already dyeing him into a blood man!

His mouth was spitting out blood, screaming crazy and stern, echoing in this shop.

With bloodshot eyes, he stared at Chen Feng, filled with disbelief and shock!

And, fear!

He yelled frantically: "You, aren't you a two-star Wudi?"

"I am the pinnacle of the three-star martial emperor. You beat me severely with one punch? How is it possible? How is it possible?"

His face was filled with disbelief, and his whole body was almost broken.

Chen Feng looked at him, just stepped forward, shook his finger slightly, and said with a faint smile: "I just said, you dog is not worthy!"

"Do you believe it now?"

Believe it!

Of course Dongfang Jin believed it!

When Chen Feng said this just now, he was just furious and disdainful, of course he didn't believe it.

But now, it is believed.

Because Chen Feng has already slapped him severely with facts!

Tell him that Chen Feng's strength can easily crush him!

At this moment, not only Dongfang Qi, Qin Zhesheng, Xian Gu and others were also stunned.

Chen Feng turned around at this moment, looked at Xiang, stretched out his hand and hooked his finger, smiling: "Xiang, right? Come on!"

"Just now, didn't you want to clean up me?"

"Now I give you this opportunity, come on!"

Chen Feng's face was fierce, and Xiang stood there, but he couldn't say a word about Nono.

There was a look of fear in his eyes. Now he knew that Chen Feng was so powerful, how could he dare to do anything to Chen Feng?

Chen Feng stared at him, smiled and said, "Why aren't you here? Why don't you dare to say anything?"

"Just now, didn't you want to please your boss by stepping on me?"

"How did you shrink?"

Chen Feng suddenly yelled: "Come on! You **** have to roll over for me!"

With this violent roar, Xian Gu shivered heavily, staggering back two steps, staring at Chen Feng with fear on his face.

"I, we won't fight anymore, I dare not fight with you, I dare not fight with you..."

He knows that his strength is just as different as Dongfang Qi.

Dongfang Lin was seriously injured by this young man so easily, and he wouldn't be able to perform very well.

Chen Feng looked at him with a smile on the corner of his mouth, and uttered two words disdainfully: "Trash!"

These two words directly made Xian Gu's face flushed.

It was like being slapped with a slap in the face, but he couldn't say a word.

Because this is the fact!

His performance at this time is a complete waste.

He suddenly remembered what he had mocked Chen Feng before.

I suddenly felt that what I said before was really ridiculous.

"I still laughed at Chen Feng, but I don't know that compared to him, I am a real waste!"

Chen Feng sneered slightly.

He did not intend to let Xian Gu go.

What Chen Feng planned required Xian Gu, Dongfangqi and others, all lost their combat effectiveness!

All have to be severely injured!

Therefore, Chen Feng is still thinking about Xian Gu to go!

Xian Gu showed fear in his eyes and shouted: "Boss, save me!"

A figure suddenly flashed past, blocking Xian Gu, it was Qin Zhesheng.

Qin Zhesheng didn't come back to his senses just now, and now it is naturally impossible to sit back and watch his subordinates be cleaned up.

He stood there, looking at Chen Feng with deep eyes.

Chen Feng felt a little regretful. With Qin Zhesheng standing in here, it was more difficult to clean up Xiangyu, but Chen Feng never felt that everything would go well.

[Chapter 3834: Sorry to disappoint you!](#)

"I'm going to stand up for you, right?"

Chen Feng looked at Qin Zhesheng, then hooked his finger and smiled: "If you don't find me, I will find you too!"

"Your two followers are finished, now it's your turn."

As soon as this remark came out, everyone was in an uproar.

Xiangyu, You Shaojun, Diao Weiqi and others all looked at Chen Feng with lunatic eyes.

"He, how dare he provoke Qin Zhesheng? How dare he provoke Lord Qin directly?"

"Boy, are you talking to me?"

Qin Zhesheng stared at him and sneered.

Chen Feng looked around and touched his nose: "It seems that besides you, there is no one worthy of me to say, right?"

"Good boy, have the courage!"

Qin Zhesheng looked at Chen Feng and laughed.

However, his laughter is getting colder and colder.

He stared at Chen Feng, his gaze deeply no longer the contempt he had just now, but with a trace of solemnity.

However, it was only solemn, he still did not regard Chen Feng as his opponent.

He said lightly: "Unexpectedly, your strength is not bad."

"My four-star Wudi's men were seriously injured by you, but..."

His voice suddenly rose: "I am a five-star Wudi! I am a powerful five-star Wudi!"

"I can still crush you easily!"

"Oh? Five-star Emperor Wu? Is it amazing?"

Chen Feng looked at him with a smile on his lips.

When Qin Zhesheng saw his expression, his heart was indescribably irritable.

He smiled coldly: "I, the five-star Wudi, can crush you or behead you!"

Chen Feng looked at him, smiled and said: "Just now, your follower Dongfangzhen said the same."

"Now, look at him, kneel here, like a dead dog!"

"And you!"

Chen Feng's voice suddenly rose.

He walked to Dongfang Yu, pointed his finger at him, stared at Qin Zhesheng, every word, his voice was loud and confident:

"In a moment, you will be like him, beaten like a dead dog by me, kneeling here!"

"do you understand?"

Chen Feng no longer has the low-key forbearance just now!

At this time, some were just arrogant, but his youthful spirit!

"Are you not convinced?" Qin Zhe said holy.

"Of course I dare not be convinced, you are a five-star Wudi! How amazing you are!"

Chen Feng made an exaggerated voice, and shivered with excitement: "Oh, I really must be afraid to die!"

And Chen Feng's attitude made Qin Zhesheng extremely angry.

Chen Feng was obviously not afraid of him, the more he was like this, the more angry Qin Zhesheng became.

Let the crazy roar: "Boy, looking for death!"

His figure flashed before he came to Chen Feng.

Then, take a shot!

He shot this palm, and there was a light blue cloud in the air instantly!

The extremely tyrannical, extremely rich life force suddenly broke out.

However, in this vitality, there is infinite murderous intent.

The power from his palm turned directly into a vine.

And this vine is like a dragon, and India is like a snake. At the same time, it has a vast, cold and poisonous atmosphere!

Although this cyan vine was no more than three feet long and no thicker than a wrist, when facing the object, Chen Feng had a feeling of facing the wild beast and facing the big river!

There was an incomparably powerful force inside, and Chen Feng was even pressed by this force to stand unsteadily, and immediately lay on the ground, completely abandoning resistance and letting him kill!

However, Chen Feng did not have any waves in his heart.

He had already seen the power of this five-star Wudi when he faced Sirius.

Moreover, the feeling Qin Zhesheng gave him was obviously weaker than Sirius!

"Sirius let me kill, what do you count?"

Chen Feng smiled faintly, his expression calm.

At this time, the offensive that was full of the five-star Wudi level had already smashed towards Chen Feng!

A cruel and excited light appeared in Qin Zhesheng's eyes: "Boy, die!"

"Next moment, you will die under the offensive of my five-star Wudi!"

And Dongfang Qi, Xiang, You Shaojun, and Diao Weiqi all yelled frantically: "Boss, this trick will directly beat you into a fan!"

"Yes, you dare to call me trash, you are trash in front of the boss!"

"Feng Chen, you will die miserably!"

They are all screaming crazy, mocking, and venting their emotions.

In their opinion, Chen Feng is already a dead person!

In their view, everything is doomed today, and Chen Feng will die here extremely miserably.

Especially Diao Weiqi, the resentment in his eyes can almost be condensed into substance.

"Feng Chen, you little bastard, I was in this black market before, and I didn't know how many people were killed, but I didn't expect it to be in your hands!"

"You made me lose your lord!"

"Today, you die here to wash away my shame!"

At this moment, Chen Feng just smiled in the face of their yelling and ridicule.

"Unexpectedly, the hole card I just got should be used once so soon, but that's fine!"

His eyes are like twinkling stars: "Since you have to force me, then, good!"

Chen Feng suddenly let out a violent roar: "Then let you see my true strength!"

"Then let you know the consequences of irritating me Chen Feng!"

"You can't afford it at all!"

As soon as this statement was made, there was no sound at all.

Chen Feng looked at them and said softly, "Sorry, everyone, I will disappoint you, and!"

Then, he stretched out his hand and flicked twice in the air.

His voice slowed down, and he said word by word: "Not only will I disappoint you, I will!"

Chen Feng's volume suddenly increased: "Slap you in the face!"

The next moment, he raised his arms and let out a crazy roar: "Tianji White Dragon Spear, come out!"

Following Chen Feng's roar, a white light suddenly flashed out from his waist.

It turned out that Chen Feng actually took this Tianji White Dragon Spear as his belt, wrapped around his waist!

For a moment, in front of Chen Feng, a four-meter long spear appeared.

The silver light is shining, like a white ancient dragon lying there.

Although only four meters long, once he appeared, the breath here was instantly filled with extremely cold, solemn, and cold!

Just like an ancient god, suddenly descending!

Qin Zhesheng and others couldn't breathe for a moment with that powerful aura.

Qin Zhesheng let out a scream as if he had seen a ghost: "Here, what level of magic weapon is this? Is it a third grade magic weapon?"

"no no!"

He then denied his guess: "This can't be a third-rank magic weapon. The third-rank magic weapon is not so powerful. In fact, is it a fourth-rank magic weapon?"

[Chapter 3835: A horrible blow!](#)

There was great horror in his eyes.

Looking at the Tianji White Dragon Spear above the sky, his eyes were extremely scared, and his body trembled.

With Qin Zhesheng's shout, the atmosphere in the shop instantly solidified!

The needle falls!

Silence!

Everyone stayed there, watching this scene in disbelief.

The excitement, cruelty, and mockery on their faces are still there, but they are still frozen.

With the emergence of Chen Feng's four-rank magic weapon, the situation was instantly reversed, and the atmosphere instantly solidified!

Chen Feng looked up to the sky and laughed: "Yes, this is the fourth rank magic weapon!"

The next moment, Chen Feng stretched out his hand: "Tianji Bailong Spear, go!"

The Tianji White Dragon Spear buzzed with excitement, and seemed to feel that he could finally fight.

It seems that the next battle excites him!

It seems that a five-star martial emperor is about to be slaughtered, making him all excited about it!

Above the surface, silver light flickered.

And the light that the fragments of the artifact turned into a lazy look, seeming to look down on the Tianji White Dragon Spear like never seen the world.

The next moment, Tianji Bailong Spear was slowly smashing toward the five-star Wudi level offensive!

No, it's not slow, that slow is just an illusion!

In fact, his speed is extremely swift, just like a silver ray across the sky!

But what makes everyone strange is that this thing is so fast, but they can see it very clearly!

It seems to freeze there, moving forward bit by bit!

The extreme gap between this extreme speed and extreme slowness made them feel extremely uncomfortable!

There is an urge to vomit blood!

But Chen Feng's feeling was not much better than them.

It turned out that with the movement of the Tianji White Dragon Spear, Chen Feng felt like a huge whirlpool, suddenly forming from above.

The immense suction power hit him from the celestial pole white dragon spear.

And what he learned was his own power!

Chen Feng felt that his strength had already bottomed out almost instantly.

And this is just supporting the Celestial White Dragon Spear, flying forward less than half the distance!

Chen Feng suddenly realized what he would absorb in the next moment!

"The next moment, what I want to absorb is my vitality!"

"This is the price I have to pay!" **Novelusb.COM**

But Chen Feng did not hesitate.

If he used this Tianji White Dragon Spear, he would be seriously injured!

But if it is not used, it is a death!

Chen Feng understood this very well.

But in the next moment, he felt that his whole body was painful everywhere!

His most original, purest vitality was extracted from it and mixed into the extremely white dragon spear that day!

Chen Feng was already slightly injured in an instant!

Moreover, it is still increasing towards moderate injuries!

He almost vomited blood, and he almost opened countless wounds all over his body.

But Chen Feng forced it back!

The blood that had reached the throat was swallowed by him!

There is still a light cloud on his face, full of indifference, as if using this Tianji White Dragon Spear, for him, there is no pressure or burden at all.

And finally, as Chen Feng's vitality was drawn, as his injury reached a medium level!

With a bang, the extremely white dragon spear that day hit the cyan vines fiercely!

Smashed on the five-star Wudi level offensive!

Then, everyone's eyes were filled with shock and sluggishness for an instant.

Originally, Dongfang Yu and the others still had some expectations and extravagant hopes on their faces. They expected that Qin Zhesheng's offensive would create miraculous resistance.

Even if it is a fourth rank magic weapon?

But let them down.

After colliding with the extremely white dragon spear that day, Qin Zhesheng's offensive did not make any movement!

It just disappeared!

Yes, it just disappeared.

Turned into countless cyan rays, they scattered and disappeared.

The five-star Wudi level offensive was actually vulnerable!

The Celestial White Dragon Spear, like a hot knife cutting through butter, was not hindered at all, and it was not damaged at all!

With a boom, they attacked Qin Zhesheng again!

Qin Zhesheng's eyes were red, and he let out a screaming cry like a beast, and screamed wildly. He launched his strongest offensive and attacked the Tianji White Dragon Spear!

But, nothing works!

At this time, Chen Feng suddenly gritted his teeth and shouted!

He had to do this, because if he didn't bite his teeth, the blood would even spurt out!

Chen Feng felt that at this moment, his vitality was almost exhausted!

His injuries have directly hit a serious injury, and he is still going to the place where he is dying!

However, the extremely white dragon spear that day was also infused with incomparably powerful power, and it slammed into Qin Zhesheng's offensive!

It's still the same as before!

The Celestial White Dragon Spear smashed all his offensive, and then hit his fists!

His double fists also disappeared, just like his offensive just now!

Then, hit Qin Zhesheng's chest!

So, a big hole appeared in his chest!

The flesh, bones, and internal organs there are all gone!

It's as if there is nothing there.

Qin Zhesheng let out a scream and fell to the ground with a heavy weight.

At this moment, his blood just poured out frantically from the smooth and clean wound.

In an instant, a large pool of blood appeared on the ground.

And he was vomiting blood crazily.

The momentum has dropped extremely!

In a blink of an eye, he was seriously injured and dying, only a breath away from death!

At this time, Chen Feng also felt black in front of him, and his body was almost tottering, and he could almost faint to the ground directly.

At this time, Chen Feng was even more clear that if he fainted at this time, then he would never wake up!

His vitality is almost exhausted, and he is already in a situation where he is seriously injured and dying.

But Chen Feng gritted his teeth, and didn't let his weakness reveal the slightest!

On the contrary, instead, he was screaming!

Hold your head high!

He had to do this, because by doing so, the blood would not flow out!

In this way, the blood can be swallowed back into his stomach!

Otherwise, the blood will spurt out directly!

Then, Chen Feng raised his hand!

So, with a brush, the extremely white dragon spear that day returned to his waist and disappeared without a trace.

This was already an action he could only make with his last strength.

Then, Chen Feng just stood there.

It's not that he doesn't want to move, it's that his body was seriously injured and almost completely collapsed inside.

He can't move now, can't walk, and can't speak!

[Chapter 3836: Me, have you missed it?](#)

He can do nothing!

Chen Feng was madly recuperating and adjusting his breath!

Just five feet across from him, Qin Zhesheng was struggling frantically, screaming, and vomiting blood.

His figure is constantly twitching, like a dying fish!

And not far from him, Chen Feng, who stood proudly, formed a sharp contrast with him.

Chen Feng stood proudly without saying a word!

At this time, Chen Feng, standing there quietly, fell in the eyes of Dongfangqi, Xiang, You Shaojun, Diao Weiqi and others, but it was as majestic as a mountain!

They didn't know what Chen Feng was doing, they just felt extremely unpredictable.

They looked at Chen Feng with fear, trembling and despair in their eyes!

God, this is Qin Zhesheng!

This is even in the black market, the five-star Wudi Qin Zhesheng who is quite prestigious and tyrannical!

And he, just lying there at this moment, struggling and screaming.

Like a dead dog!

He was beaten so miserably by this young man so easily!

At this time, how dare they have different intentions? How dare they think more?

Suddenly, with a thump, the sound of a heavy object falling to the ground turned out to be You Shaojun!

Suddenly he knelt to the ground, kowtow to Chen Feng repeatedly, kowtow frantically for mercy!

While begging for mercy, he shouted: "Master Feng, Master Feng, you forgive me! You forgive me!"

"The villain was blinded by the dog's eyes, the lard was blinded, and deceived you. Please forgive me, please don't be like me!"

His head hit the ground frantically, banging loudly.

And seeing him like this, Xian Gu who was next to him struggled for a while, and finally plopped and fell to his knees, touching the ground with his head!

Not much to say a word, just the meaning of surrender, but it is plain and clear.

Diao Weiqi and Dongfang Qi, who were already seriously injured, also knelt down on the ground.

The four of them were kneeling on the ground, not even daring to look at Chen Feng.

Their hearts are filled with despair and fear.

They can't even mention any desire to fight Chen Feng now.

Just close your eyes and wait for death.

"Joke, what to fight, what is there to fight? Is there hope to fight against such a person?"

"It's only desperation. It's better to be more comfortable with closing your eyes and waiting for death!"

At this time, Chen Feng didn't even look at them.

This scene, in their eyes, only made Chen Feng even more mysterious.

But as everyone knows, Chen Feng is very anxious at this moment, and at the same time smiles bitterly.

Chen Feng can only maintain this appearance at this time, he knows his own suffering.

He knew very clearly that his actual strength at this time was already out of ten.

If there is a trace of weakness revealed at this time, then Xian Gu, who is still at the peak of the three-star martial emperor's strength, will swallow himself without a bone!

He must hold on!

But finally, after some time, Chen Feng took a breath.

He felt that there were hundreds of limbs, and no place was not a sharp pain!

He just felt that his eyes were darkening for a while, and he felt that he might die at any time, but he finally felt that a warm current quietly flowed out of his body.

That warm current originated from his big bronze bones and from his Immortal King Kong Arhat.

Chen Feng sighed slightly, this warm current gave him a way to move and talk.

And most importantly, let him have a way to make himself look the same as before.

So Chen Feng slowly turned around, his eyes swept across the faces of the four of them.

Then, Chen Feng's heart was relieved for a long time, and his whole body instantly relaxed, and a voice echoed in his heart: "It's done, today, it's done!"

In fact, with Chen Feng's current strength, it is okay to get rid of You Shaojun and Diao Weiqi. If it is facing Xianggu, then it is not his opponent at all.

Therefore, Chen Feng couldn't do anything to him at all.

Once you do it, all the bottoms will be exposed.

If Xianggu took it by himself, it couldn't be better.

Chen Feng took a step at this time, feeling that he was about to fall apart, as if his body was about to collapse.

But he still endured it, and walked over slowly on the surface, and came to Qin Zhesheng.

At this time, Qin Zhesheng no longer had any arrogance and disdain just now, and was condescending.

Yes, it is full of fear and despair.

Chen Feng sighed slightly, looking at Qin Zhesheng, he couldn't help but shudder in his heart, and his excitement was extreme!

"This, this is the power of the Fourth Grade Divine Weapon!"

"A Five-Star Martial Emperor, one who has lived for hundreds of years and cultivated for hundreds of years. The five-star Martial Emperor who fought in the blood of the corpse mountain was severely injured in less than an instant!"

"Fourth Grade God Soldier, that's so terrifying!"

Chen Feng's eyes were scorching hot. He had known before that the Fourth Grade Divine Weapon was very powerful, and his strength could not be resisted at all, but now he finally had a more obvious understanding of this kind of power.

Chen Feng bowed his head, looked at Qin Zhesheng, and said lightly: "I said just now, why do I have to force me?"

This is the second time Chen Feng said this sentence.

When he said this just now, Qin Zhesheng and others laughed disdainfully, thinking that Chen Feng was bragging, thinking that he was just bluffing.

But at this time, when Chen Feng said this sentence again, their reaction was completely different from just now.

The faces of Qin Zhesheng and others were mixed with expressions of indescribable fear, shock, regret, and despair.

Qin Zhesheng was even more dazed, looking at Chen Feng silly.

After a while, he sighed: "I regret it! Why should I provoke you?"

His eyes were filled with regret.

Because Chen Feng has already proved himself at this time. He has proved himself with his tyrannical strength: He has the strength to say this!

Qin Zhesheng and the others only had regrets in their hearts at this time, but it was too late to regret.

"I said I'll make you a dead dog later."

"I, have you missed it?"

Chen Feng looked at Qin Zhesheng, condescending and smiling slowly.

Chen Feng's words directly caused Qin Zhesheng to collapse.

At this time, Qin Zhesheng's heart was filled with fear, despair, and regret, and they were mingled with each other, like a tide.

Shattered his only sanity.

The most important one is regret.

A voice in his heart yelled frantically: "Antimagnetic, this young man wants to do business with me, as a substitute puppet, he agreed with me for such an exaggerated price."

"If I just let him take it away just now, then everything is fine!"

"I can get five hundred gems of life. I have no problem with my safety now. I will still open this shop in this black market at ease!"

[Chapter 3837: treasure house? Take away the whole!](#)

"I still enjoy the glory and wealth here as usual!"

"And now, everything is gone, nothing is gone!"

"I was seriously injured by him and was dying. Even if I don't die, I won't be able to recover in this life!"

"Not to mention, he won't spare me! He will kill me!"

"The gem of life, no more! The double puppet, no more!"

"Even my life is gone!"

The regret in his heart was so extreme that he couldn't help but burst into tears, his head banging against the ground.

Suddenly, he turned on his knees and knelt to Chen Feng while shouting loudly: "You, you give me another chance."

"Spare me, I will never dare to do it again!"

He really regretted it sincerely at this time.

He really regretted it to the extreme in his heart. He swears that he would never do it if he did it again.

Looking at the remorseful expression on Qin Zhesheng's face, watching them kneeling on the ground and begging for mercy, watching the extremely shocked, unbelievable and fearful expressions on everyone's faces, as if they were going to worship.

Chen Feng felt extremely comfortable in his heart, laughed loudly, and let out all the bad breath!

The suppression and patience after entering this place, at this time, all disappeared!

Only comfort is left!

The whole body is unexplainable, as if every pore is open.

It is a great joy, great joy, great comfort.

Hearing Chen Feng's laughter, Qin Zhesheng trembled heavily, raised his head, and his eyes showed hope: "You, did you spare me?"

"Are you dreaming?"

Chen Feng looked at him and smiled faintly.

The words that he said shattered all Qin Zhesheng's hopes.

Chen Feng knelt down, patted her face lightly with his hand, smiled and said:

"Actually, do you know? Qin Zhesheng, I believe what you are saying is true."

"But, after a few days, no, you don't even have to spend a few days or hours. Once you turn around, you will forget about it."

"When your strength recovers, you will try to do everything possible to kill me."

"You are a dog that bites, am I right?"

He reached out and patted Qin Zhesheng's face gently.

Qin Zhesheng's face froze there for an instant, he opened his mouth, trying to argue, but he couldn't say a word.

Because, what Chen Feng said, this is the real reality!

Then, Chen Feng got up, but did not pay attention to him anymore, just walked to the front of the pile of life gems.

As soon as he stretched out his hand, he put away these life gems.

The corner of Qin Zhesheng's eyes twitched. These gems of life should have belonged to him.

Then, Chen Feng came to the stand-in puppet again and looked carefully for a moment, suddenly there was a clear understanding in his heart.

He suddenly knew how to use this double puppet.

There is no need for any other people's prompts, nor any so-called methods. Naturally, Chen Feng knows how to use this thing and what the consequences will be after using it.

Chen Feng slowly buckled the box, then took out the gold thread kit and put it in.

Chen Feng felt extremely relieved when he started with this thing.

He breathed a sigh of relief, and the heavy sense of steadiness made him very familiar and relieved.

This thing is his ultimate purpose in coming to the deserted ancient ruins!

It is the most important reason why he is here!

And now, this thing is finally in his hand.

Next, Chen Feng slowly stood up straight, his gaze fell on the shelf in the shop, on the medicinal materials, on the strange but powerful treasures. Above the strange treasure!

Seeing Chen Feng's gaze falling on these shelves, Qin Zhesheng immediately closed his eyes, his face was full of expressions of unbearable look.

Those things can be said to be his life's hard work.

These medicinal materials were collected from all over the deserted ancient ruins in the past few hundred years, and they exhausted all his efforts. They were the result of his life's hard work!

But today, it's cheaper for this young man!

Moreover, it was for him to watch.

This made him extremely angry and desperate, but he was helpless.

This kind of torture almost made him unable to bear, and he almost collapsed!

He closed his eyes and did not dare to look at it.

At this time, Chen Feng also keenly discovered the situation on his side, smiled slightly, lowered his head and patted his face, and said softly: "Do you want to worry about your darlings?"

"You better worry about you first!"

"I won't be able to save my life, what's the use of these things?"

Then, Chen Feng laughed and walked towards the shelf.

He rubbed his hands in excitement, his eyes seemed to be burning, his heart was full of expectations, and even his mood was a little bit anxious.

This is the life savings of a five-star Wudi!

This is a huge treasure house!

And now, this treasure house is open in front of me!

This is an unspeakable amount of great wealth!

Chen Feng roughly estimated that the combined value of these things was at least 10,000 life gems!

Ten thousand life gems!

What kind of concept is this?

At least 50 billion Dragon Blood Amethyst!

An invisible martial emperor, amidst the desolate ancient ruins, his wealth for ten years will not exceed 10,000 life gems.

"It's getting bigger this time!"

At this time, Chen Feng had only this idea in his mind.

Soon, he removed a box from the shelf.

This box is about half a person tall, with a width and length of about three feet.

Chen Feng opened the box, and immediately, a strong and extremely scent hit his face.

After Chen Feng smelled it, his heart and lungs felt unspeakable comfort.

At the same time, a strong breath of life suddenly formed in his body, making Chen Feng feel that his cultivation level seemed to have improved slightly.

And he also immediately distinguished very keenly that this life breath was completely different from the life breath of the life gem.

This is a breath of life originating from the power of green wood and from the five elements.

When Chen Feng looked down, he saw that at this moment, the big box was filled with a large piece of cyan like a beautiful jade.

Chen Feng carefully distinguished it, and found that this is not a beautiful jade at all, it is clearly a big tree heart!

It's just that, I don't know what kind of a tree that is so beautiful that it can nurture such a tree heart!

The core of this tree is like jade, but there is a bit of tenderness and whiteness in the blue.

As the box opened, a burst of cyan gas even directly sprayed out, like the cyan clouds, forming various phantoms in the air.

"This cyan tree heart is at least equivalent to Grade 9 orange material!"

[Chapter 3838: Help me!](#)

"No, the carapace of those Purgatory Fire Ants is probably the grade 9 orange material. This tree core definitely exceeds the grade 9 orange material, I'm afraid it has reached the grade of the **** grade material!"

Chen Feng's heart throbbed.

God-level materials are the raw materials corresponding to the magic soldiers.

Only god-level materials can build gods.

Only god-level materials can refine gold cores above the fifth rank.

You know, first-rank golden pills are roughly equivalent to seventh-rank emperor soldiers, while fifth-rank golden pills are roughly equivalent to third-rank divine soldiers!

Here, just take out something, and there is this god-level material!

There was a light of excitement in Chen Feng's eyes: "Today, I'm afraid there are countless surprises waiting for me!"

He tried it, but found that he couldn't earn it with the box outside.

Chen Feng frowned: "Now I find that the usefulness of this golden thread kit is getting smaller and smaller. There are too many things it can't put in. It seems that we have to find a new and stronger storage space!"

Chen Feng was heartbroken: "Fuck it!"

He directly threw the box away, and threw the medicinal material into the golden thread kit.

After seeing this scene, Qin Zhesheng closed his eyes and dared not look again.

Dongfang Cong wailed for a while, and muttered to himself: "It's over, it's over, it's so violent."

"Do you know that after getting out of the box, the power of the medicine will be emptied within three months!"

It turned out that this Dongfang Zhen looked rough and brutal, but in fact he was a meticulous person in his heart.

He usually manages this shop for Qin Zhesheng, and he has a very good understanding of the medicinal materials in the shop.

And this person has always liked this thing, and he almost regards this thing as his own treasure.

Seeing Chen Feng so rough, naturally felt uncomfortable.

Chen Feng looked at Dongfang Wei and smiled and said, "Otherwise, would you give me an idea?"

Dongfang Lin immediately said nothing.

There is no good idea now. If you want to take these things away, you must pay the price of losing some of the medicine.

Then, Chen Feng searched this place clean.

He opened all the boxes and threw the medicinal materials into the golden thread kit.

Of course, Chen Feng would not let go of the other rare treasures.

In the course of the search, Chen Feng counted carefully, and the medicinal materials obtained from here were 119 flavors.

There are twelve rare treasures.

In these one hundred and nineteen herbs, there are all kinds of weird things.

But there is one thing in common, that is: the levels are very high.

The lowest is also the first-grade god-level material.

At the highest level, Chen Feng couldn't tell what it was.

It was just a cloud of cyan, like chaos.

After letting Chen Feng watch it, he almost felt that his own affairs would be sucked in, and he quickly threw it in.

The colorful and strong medicinal powers are constantly hitting each other in this space.

The whole shop was filled with scents, and the people such as Dongfangqi, Xianguhao and others were breathing heavily.

This kind of raging medicinal power is quite good for them to smell it.

Finally, Chen Feng packed all the medicinal materials in.

Suddenly there was a feeling of satisfaction: "This time, the harvest is too rich! I made a lot of money!"

There was a smile in his eyes: "With these medicinal materials, I will start refining the pill again, I am afraid that even the sixth grade golden pill can be refined more than one!"

Chen Feng recognized just now that there are dozens of medicinal materials that he can use, and he doesn't even need a prescription. With a little training, he can refine a very strong healing gold pill and a strength-enhancing gold. Dan!

Then, smiling and walking in front of Dongfang Lin.

There was a look of fear on Dongfang Yu's face, and an ominous premonition suddenly passed through his heart, and he stared at Chen Feng and exclaimed: "You, what are you going to do?"

"What am I doing?"

Chen Feng smiled slightly: "Didn't you just want to use me to vent your anger? Didn't you just want to step on me in the upper position?"

"You just wanted to flatter your master by killing me?"

The smile on Chen Feng's face suddenly disappeared without a trace. He pointed at him and said coldly: "Now, I'll give you this opportunity! Come here! Kill me!"

"what?"

Dongfang Yu trembled all over, his face was full of fear and despair.

Where is he Chen Feng's opponent?

His voice trembled and said: "I, I can't kill you, I'm not your opponent, you can spare me!"

Chen Feng smiled and said, "If it was me who was lying on the ground and you standing here, would you spare me?"

Dongfang Zhen was speechless.

Chen Feng sighed softly, his voice was calm, and said slowly: "You want to kill me, since you can't kill me, then it's natural to be killed by me."

After that, he pressed his hand on Dongfang's chest and said in a low voice, "I will send you on the road."

Dongfang Lin let out a scream of fear and screamed.

Before the voice fell, it stopped abruptly.

When Chen Feng spit out his strength, he directly shattered his heart pulse.

Dongfang Lin's desperate expression still solidified on his face, and his body was all sorts of crooked, falling to the ground, no breath.

Dongfang Zhen was beheaded by Chen Feng.

Then, Chen Feng walked towards Qin Zhesheng again, with a slight smile on his lips.

When he saw the scene just now, Qin Zhesheng was already full of horror. Seeing Chen Feng walking towards him at this moment, his face showed an unbelievable look, staring at Chen Feng, and said sharply: "You, are you? Want to kill me?"

Chen Feng smiled and said, "Do you want to kill? Why can't I kill you?"

Qin Zhesheng was dumbfounded, and said loudly, "I, I am a five-star Wudi, I am a dignified five-star Wudi!"

"In the entire black market, I can be regarded as a very strong man. How dare you kill me? You really want to kill me?"

He still doesn't want to believe this fact.

Chen Feng looked at him and smiled slightly: "Five-star Wudi? What kind of thing is it? More than one died under my hand."

If Chen Feng said these things just now, then Qin Zhesheng and others might not believe it at all and would laugh loudly.

Think Chen Feng is bragging here, but at this time they have to believe it, they dare not believe it!

Because Chen Feng has proven that he has such a powerful strength!

Seeing Chen Feng walking towards him with a smile, Qin Zhesheng's heart rose with great fear, and his whole body trembled.

He stared at Xianggu suddenly, and sternly shouted: "What the **** are you doing? Save me now! Stop him now! He wants to kill me!"

Xianggu was his only hope at this time.

When Xian Gu heard his words, hesitated suddenly appeared on his face.

[Chapter 3839: That look!](#)

There is no doubt that for Qin Zhesheng, he is free to drive.

But also when.

Qin Zhesheng is powerful, and he is naturally loyal to Qin Zhesheng when the sun is in the sky.

Even now, if Qin Zhesheng's strength is slightly stronger, with 20% to 30% strength, he would not dare to obey orders.

But at this time, Qin Zhesheng was seriously injured and dying, and he didn't even have the strength to stand up!

Xian Gu looked at Chen Feng, his eyes hesitated, and his heart was very complicated.

He wanted to listen to Qin Zhesheng's orders, he wanted to fight Chen Feng desperately, but his desire to survive made him reluctant to do so.

After all, at this moment, in his cognition, desperately fighting Chen Feng, then he has lost his life!

At this time, Chen Feng was also sweating.

He is not an opponent of Xianggu at all. If Xianggu dared to come up, Chen Feng would only have a dead end today.

In fact, if Chen Feng turned around and left at this time, then Qin Zhesheng would never stop him, and Xian Gu would never make a move.

For him, this is the safest way!

And if Chen Feng wanted to kill Qin Zhesheng, then Xianggu might take action.

But Chen Feng had to do so!

He has a reason to kill Qin Zhesheng!

The words Qin Zhesheng just said and the things he did mean that Chen Feng would never spare him.

The more important reason is: his strength is too high!

The cultivation base is quite a few levels higher than Chen Feng, so he is actually the most likely to see Chen Feng's fictitiousness and reality. The reason why he hasn't seen it now is just because he was seriously injured, confused his character, and Chen Feng's disguised comparison That's all.

However, the night has many dreams.

A little longer, he will definitely see through Chen Feng's reality.

Therefore, Chen Feng must kill Qin Zhesheng!

Otherwise, after Qin Zhesheng recovers later, he doesn't even need to recover his strength himself, he only needs to send Xianggu to chase him down, then he is afraid that it will be difficult to get out of this black market!

Let alone escape from the deserted ruins.

What Chen Feng needs most urgently now is time. As long as he is given a period of self-cultivation, he has the confidence to escape from his birth and avoid anyone's pursuit.

But if this is the case now, then there is no guarantee at all!

Chen Feng was getting closer and closer to Qin Zhesheng.

Finally, he reached a distance of about five steps in front of Saint Qin Zhe.

At this time, as long as he stretched out his hand, he could immediately take Qin Zhesheng's life.

Qin Zhesheng was already panicked to the extreme at this time, and also terrified to the extreme.

He screamed sternly and madly: "Ah...Xiang, you dog! What are you doing in a daze?" **NOVELSlib.com**

"Lao Tzu has treated you well these years. Lao Tzu helps you improve your strength and build your foundation. Without Lao Tzu, how can you have everything you have now?"

"You are standing on the sidelines now, how dare you **** stand on the sidelines?"

He screamed like crazy, his face was already distorted.

Mouth foam flies.

And after he said these words, Xiang's face instantly condensed, and a deep shame appeared on his face.

What Qin Zhesheng said are all facts. Without Qin Zhesheng, there would be no today!

He forcefully summoned the little courage left in his heart and prepared to rush towards Chen Feng.

I have already made up my mind: "Even if Feng Chen kills me, I can be considered as loyal to Qin Zhesheng!"

but!

At the moment he was about to rush over, at this moment, Chen Feng suddenly looked back!

He didn't do anything, he just looked back!

That cold and indifferent, but with a murderous look, slowly fell on Xian Gu's face!

And it was this look, just this look, that made Xian Gu's heart tremble heavily!

Unspeakable fear surged in my heart for an instant, and the trace of courage that I had just gathered up melted instantly like the ice and snow that saw the sun.

Disappeared without a trace!

His heart was filled with fear and despair for an instant, and the look in Chen Feng's eyes was firmly imprinted in his heart!

He instantly understood what Chen Feng meant: "Dare to save him! You will die together!"

A voice in his heart reverberated crazily: "I'm going to die, I'm going to die! It's terrible, Feng Chen will definitely kill me!"

His figure solidified there, and the steps he had just prepared to fall heavily were gently retracted, standing there with embarrassment.

A smile suddenly appeared on Chen Feng's face, looked at him, smiled and said, "What are you planning to do?"

"Huh? What not to do... What not to do..."

Xiangu was still clever, he immediately recovered, and quickly waved his hands in a panic, and said with a smile: "I, that, that's been standing for too long, and my legs are a little sore."

"My activities, activities, activities."

He is smiling, where is the courage?

To be honest, if Chen Feng had done something just now, after Xian Gu saw the blood, the blood surged, maybe he really had the courage to fight Chen Feng.

But at this time, Chen Feng didn't do anything, but just a look in his eyes frightened him!

This made him almost collapsed, and he felt vaguely in his heart: "I have the courage, how can I be qualified to do it with him? Xiangu, Xiangu, are you worthy?"

With this thought, where can anyone bring up any **** bravery to fight against Chen Feng?

Chen Feng laughed, looked at him, nodded slightly and said: "Yes, those who know the current affairs are handsome."

"Legs are sore, so move around, but if there is too much movement and it makes me misunderstand, it will be bad."

Xiangu instantly understood the threat in his words, and quickly nodded and bowed: "What you reminded is that the little one understands, the little one understands."

Chen Feng nodded and turned to look at Qin Zhesheng.

At this time, Qin Zhesheng was already stupid.

It was filled with expressions of disbelief: "Xian Gu, my capable subordinate, Xian Gu, the strong man at the peak of the Samsung Martial Emperor!"

"That's it. Was he scared back by one look? One look scared him into dismay, and he didn't even have the courage to fight?"

Qin Zhesheng was stunned first, then furious!

He didn't want to believe it, but unfortunately this is the truth!

He let out a crazy and sharp yell, and yelled at Xiangu desperately, saying anything bad.

Extremely shameful, extremely acrimonious, and scolded the eighteenth generation of Xiangu's ancestors.

And the more he scolded, the colder Xian Gu's face became.

In the end, Xian Gu's face became colder and colder, and he sneered, walked to the side and ignored it.

Chen Feng's heart was finally relieved at this time.

"Qin Zhesheng, worry about yourself!"

"People are going to die, why do you spend so much tongue?"

[Chapter 3840: The ultimate secret of the ancient ruins?](#)

Chen Feng said with a smile.

Qin Zhesheng's scolding stopped abruptly, and suddenly looked up at Chen Feng, with a bit of despair on his face.

He tremblingly pleaded: "Master Feng, you, don't kill me, please..."

"Give me a reason not to kill you!" Chen Feng said with a light smile.

Qin Zhesheng gritted his teeth, as if he had made some decision.

He knew that no matter how much he begged at this time, it would be useless unless he showed real benefits.

He lowered his voice and said, "I know a big secret of this barren ancient ruin, which involves the ultimate secret of that barren ancient ruin!"

"What is the ultimate secret?"

Chen Feng raised his eyebrows.

Qin Zhesheng stared at Chen Feng and said word by word: "It's about the reason why so many top powerhouses suddenly disappear in the deserted ancient ruins!"

And at the moment he said these words, Chen Feng's heart was pounding!

His heartbeat accelerated instantly, and his blood surged like a big river!

Even his face was a little red, because Chen Feng was extremely excited at this moment!

Because he is desperate for the truth!

Since he came to the deserted ancient ruins, after hearing this, he vaguely felt that this should be the deepest secret in the world of deserted ancient ruins.

The level of this secret is even higher than the treasure that Master Yan Qingyu left to him.

Moreover, this is about the secret of time and space, and the ultimate connection between the world and the world!

This can no longer be said to be a treasure, but to say that after the truth is obtained, one can even comprehend the laws of time and space!

There will be a deeper understanding of the nature of this world!

This secret is understood!

And this is what Chen Feng desires most.

What he wants to know is the mystery of these three thousand worlds!

So, Chen Feng was moved!

He was very excited in an instant.

However, Chen Feng didn't show it, just continued to listen indifferently.

At this time, Qin Zhesheng spoke extremely fast: "I want you to make a poisonous oath!"

"I want you to make a poisonous oath. If I tell this secret, you can't kill me, you can't abolish my cultivation base, and you can't do anything to hurt me!"

"If not, it will be struck by thunder from the sky, and the cultivation base will collapse overnight!"

After all, he was looking at Chen Feng with hope in his eyes.

There was even a confident smile at the corner of his mouth, with a deep self-confidence.

Because in his opinion, Chen Feng will definitely agree to this condition, and Chen Feng will definitely compromise!

He knew that no one could refuse the secret he had thrown out!

Perhaps some idiots with high strength but no long-term vision will refuse, but for the young but ambitious, powerful, and mysterious in front of them, this kind of secret is their favorite!noVELusb.COM

I have to say that Qin Zhesheng is also really powerful, and at this time he even caught Chen Feng's weakness.

But unfortunately, he still underestimated Chen Feng!

As soon as his voice fell, Chen Feng smiled slightly and said, "Sorry, I am not interested in this secret!"

In the next moment, he stamped a punch on Qin Zhesheng's chest!

Suddenly, Qin Zhesheng trembled violently, and his heart vein was directly shattered!

There was an expression of disbelief in his eyes, his vitality was constantly disappearing, but he struggled to speak, and said with a trembling, "How could it?"

"You, are you not interested in this secret? How could it be? How could it be?"

He felt that he could not be wrong!

Although he was dying now, he was unwilling to the extreme.

"I, my defeat is totally unreasonable!"

"Then Feng Chen, there is absolutely no reason not to listen to him telling this secret!"

He felt he was going to die unjustly.

Chen Feng lowered his head, attached to his ear, and whispered: "I am very interested in this secret."

"But I am more interested in killing you!"

It turned out that the moment Chen Feng realized that his heart was moving, he was murderous!

He was thinking very clearly: "If I want to hear this secret, I must keep him alive."

"But after leaving his life, when he recovers, will I still have a life?"

Chen Feng instantly clarified the pros and cons: "The most important thing is my life. This secret can be picked up later."

Thus, Chen Feng immediately defeated the greed in his heart.

He made this decision immediately!

At this time, hearing Chen Feng's words, Qin Zhesheng seemed to understand Chen Feng's true intentions.

The vitality in his eyes was about to disappear.

He squeezed the last bit of strength and let out a heartbreaking yell: "I'm not reconciled! How can I die here! How can I die in the hands of you mortals! I am a wheel..."

"Which round?"

Chen Feng instinctively realized that there must be a huge secret in what he said at this time!

He yelled: "Why? You say it!"

Chen Feng immediately poured force into Qin Zhesheng's body, but at this time, Qin Zhesheng's breath had disappeared.

Before he finished speaking, his eyes were widened. He exhausted the last bit of strength to say something, but it was a pity that there was only a hehe sound in his throat.

Chen Feng sighed: "Forget it, I'll send you on the road!"

After that, he reached out and gently closed his eyelids.

And this action seems to have completely lost the faith and vitality of Qin Zhesheng to live. His body trembled heavily, and he fell directly to the ground.

Has died of anger.

Standing beside Qin Zhesheng, Chen Feng remained silent for a long time, his face as usual.

However, although Chen Feng was calm on the surface, in fact, there was already a stormy sea in his heart.

Just now, the unwillingness in Qin Zhesheng's words made Chen Feng feel shocked when he heard it!

He muttered to himself in a low voice, "Qin Zhesheng seems to have a great secret in him, and his identity is absolutely extraordinary!"

But at this moment, Chen Feng's eyes suddenly widened, and there was a sense of horror in his eyes.

It turned out that at this time, Qin Zhesheng was emitting bursts of blue light.

In an instant, Qingguang triumphed, and in a blink of an eye, Qin Zhesheng's whole body was enveloped!

Chen Feng was stunned. He had never seen a person turn into blue light after death.

That blue light, illusory and illusory, seemed to exist, but it didn't seem to be a product of this time and space.

And at the edge of the blue light, it is not round and smooth, but mottled and disordered, with interlaced canine teeth, with many black, white and gray lines intertwined!

Chen Feng's heart jumped fiercely: "This is a scene that is extremely clever and can only be revealed by using extremely clever space and time!"
