

Peerless 3861

[Chapter 3861: Cooperate](#)

Chen Feng was stunned for a moment, and then said: "Okay, please come forward."

This black robe man slowly stepped forward, and then took out a treasure from the robe.

It was a small round shield.

This shield, only about two feet in diameter, looked rather thin and light, and had a rough surface.

As for the material, everyone was stunned after seeing it.

"This shield, if I see it well, how does it feel like wicker?"

"Yes, it's the red willow wood common in the countryside!"

"This thing can resist the power of time and space?"

Everyone is a little skeptical.

And just before everyone's voice was over, the black-robed man gave a cold snort, seeming to hate others to question his baby.

He lifted this shield, which looked like a red willow wood, high and exerted a slight force.

Suddenly, a power of black and white lines interspersed in the gray cloud emerged from this small shield.

The shield suddenly became imaginary and real, if it was imaginary, it would exist for a while, and it would not exist for a while.

It is the characteristic of the power of the sky at that time.

When everyone saw it, they stopped talking.

This thing really has the effect of resisting time and space.

The black robe man said coldly: "The material used for this shield is indeed red willow, but it is not an ordinary red willow tree."

"This red willow tree grows on a cliff between the poor mountains and bad waters on the Dragon Vein Continent."

"But between the top and bottom of that cliff, there are two spatial cracks each, and the power of time and space erodes day and night."

"This thing grows to three thousand years old, and the branches of the tree are full of time and space."

"Weaving this shield has the function of resisting the power of time and space!"

He looked at Chen Feng and raised his head: "How about? Change or not?"

Chen Feng laughed loudly: "Change, of course!"

After all, he picked a purple-golden fruit from the top and handed it to the black-robed man.

The black robe man also handed the red willow wooden shield to Chen Feng.

And seeing this scene, not everyone's eyes became extremely hot instantly, and there was a low commotion.

At this time, the black-robed man glanced at Chen Feng and said lightly: "You are still trustworthy. If I have this thing in the future, I will sell it to you."

After that, he turned and sank into the crowd.

Looking at his back, Chen Feng could almost not help laughing out loud!

Although others could not hear his voice, Chen Feng heard him truly.

This voice is the voice of Mei Wuxia!

Chen Feng was overjoyed at this time, and almost couldn't help clapping his hands and laughing: "Flawless, flawless, really my good friend and confidant."

"Although we have never talked about this topic before, but at this time, you know very well that you must give me a childcare at this time!"

It turned out that the role of Mei Wuxia at this time was exactly that of a nursery.

After what happened just now, everyone suddenly believed it!

Chen Feng couldn't help but want to hug Mei Wuxia and kiss him.

The two of them cooperated really well this time!

"Well, everyone, what are you still doing?"

In Chen Feng's voice, it seemed that there was the temptation of the devil: "Don't hurry to find the treasure that resists the power of time and space, and then come to me to receive the exchange?"

Everyone heard the words and left without stopping. *nOvelusB.com*

In the blink of an eye, there were not many people left in this black market.

After all, although these things in the black market are quite precious at this time, they are nothing compared to the Red Sun Star Luo Divine Tree that Chen Feng took out.

And Chen Feng also left silently.

Looking at Chen Feng's leaving back, Qi Xingwen's eyes flickered in the hidden chamber of the mountain, guessing Chen Feng's thoughts.

Yuchi Binbai frowned and said, "This Chen Feng, why do you need so many things that can withstand the power of time and space? Do you want to explore some poor mountains and rivers, where the power of time and space is raging?"

As soon as his voice fell, Qi Xingwen's eyes lit up.

He suddenly gave a high-five, as if a flash of light flashed in his eyes, looking at Yuchi Binbai, he said loudly: "I know, I know Chen Feng's purpose!"

Yuchi Binbai looked at him suspiciously.

Qi Xingwen said in a deep voice, "Yuchi Binbai, do you remember that there is a place in the legend of that barren ancient ruin that is extremely dangerous?"

Yuchibin was stunned for a moment, contemplating his eyebrows.

Although he and Qi Xingwen did not go to the deserted ancient ruins, the two of them are now among the disciples of the Xuanyuan family's inner sect, and they can be said to be top powerhouses.

Naturally, he is no stranger to the many legends of the barren ancient ruins.

Hearing what Qi Xingwen said, he thought about it for a moment, and his face was startled, and he cried out: "You mean, is Chen Feng going there?"

"Yes, I guess Chen Feng is going there!"

"He's going..."

He slowly said in a pious tone that was almost moaning: "Then the eternal death!"

"Yes, that's right, it's the eternal death place!"

There seemed to be a gleam in his eyes: "It is said that in the ancient dead place, the danger is unpredictable, and the most dangerous thing about him is that no one knows where the danger comes from!"

"I just heard that many people who entered the ancient dead place disappeared somehow."

"No one knows the reason, and no one knows where they went."

"But, as far as I can guess, it doesn't matter what the specific reasons are, but there is only one point at the root. It must be the power of time and space!"

"Only the great power of time and space can make them disappear so silently!"

Yuchi Binbai nodded slowly, he agreed with this guess.

At this moment, Qi Xingwen suddenly shouted in excitement: "Yes, I have!"

Yuchibin Bai was surprised: "What's the matter?"

Qi Xingwen laughed loudly: "I have thought of a good way to deal with Chen Feng!"

"As long as this plan is successful, then within three days, Chen Feng will undoubtedly die!"

"What way?"

Yuchibin Bai was surprised.

Qi Xingwen did not answer. Instead, he sold Guanzi first and said: "Our previous plan was to lure Sang Xingteng to offend Chen Feng, and then let Chen Feng go to the door to fight Sang Xingteng, and then be killed by Sang Xingteng! "

"But it seems that first, now Chen Feng did not go to Sang Xingteng immediately after he came back, and second, with Chen Feng's current strength, if you really want to deal with Sang Xingteng, you will not necessarily die in Sang Xingteng. Man!"

"So, our plan has to change!"

"How to change?"

Qi Xingwen said in a gloomy tone: "If Sang Xingteng can't kill him, then one person will definitely be able to kill Chen Feng!"

"Who?"

Qi Xingwen coldly spit out three words: "Great Elder!"

[Chapter 3862: Take the bait!](#)

Yuchibin showed a look of disbelief on his white face: "The great elder is not like Sang Xingteng. What the great elder wants is just a sentence, who dares to violate him?"

"Besides, when he cleaned up Chen Feng, what would Chen Feng dare to complain about?"

"You don't understand this."

Qi Xingwen smiled slightly: "Chen Feng is an extremely tough person."

"Let's take the treasure he just brought out. That treasure is so precious and has such a powerful power, presumably he had to work hard to get it in the deserted ancient ruins."

"You said, at this time, if the great elder wants him this thing and refuses to give him anything, then Chen Feng will give it?"

"If he doesn't give it, will the Great Elder take action?"

Yuchibin said in white: "But the question is, why does the great elder want him?"

As soon as he said what he said, a very strange look appeared on his face, and he slapped his thigh and said, "I'm so stupid. You already remembered it! I just remembered!"

Qi Xingwen laughed, very happy: "Remember it, right?"

"On that day, when the two of us formed this black market, the elder personally said that we wanted us to focus more on the treasures that can resist the evil spirits outside the territory."

"The treasure that Chen Feng took out just now is awe-inspiring and full of light. It is an excellent treasure to resist the power of external evils!"

"If the elder knows, can he let it go?"

The two looked at each other and both laughed.

Qi Xingwen relaxed all at once.

The previous tension disappeared without a trace.

"It's not too late, I'll go to the Great Elder to report this matter!"

He slowly clenched his fists: "Chen Feng, this time, I see if you die!"

They thought they had already seen everything about Chen Feng, and they figured out his next move.

And don't know, what they know, what they think, is actually what Chen Feng wants them to know and think of!

Chen Feng knows very well that as the elder of the inner sect of the Xuanyuan family, this Xuanyuan Zixi may not know some trivial things, but this Nei Zong black market, he must know and control it!

From the first day when he came to the black market, Chen Feng knew very well.

In this black market, there is definitely Xuanyuan Zixi's eyes and ears.

Otherwise, he would definitely not allow such a large and powerful organization to multiply and develop in the Xuanyuan family's inner sect.

As for what he did today, there is no doubt that it would be passed to him by Xuanyuan Zixi's eyes and ears.

Chen Feng knew very well that with Xuanyuan Zixi's attention to him, he was afraid that he had even specifically instructed those under him to stare at him!

Therefore, what Chen Feng did today has only one purpose: to stun the snake!

It was to tell Xuanyuan Zixi, "I have a treasure here that is very important to you!"

Of course, Chen Feng must first ensure that he borrowed the pretext of others.

In this way, Xuanyuan Zixi would not be on guard.

Secondly, Chen Feng must guarantee that this news should have been passed to Xuanyuan Zixi inadvertently, and Chen Feng definitely did not intend to attract Xuanyuan Zixi's attention by relying on this news.

Even, to give outsiders an illusion to Xuanyuan Zixi, that is: Chen Feng was forced to come, and he suffered from Chi Yu's disaster!

Qi Xingwen's efficiency is extremely high.

After about half an hour, he was already at the highest point of the Xuanyuan Family Inner Sect.

I saw Xuanyuan Zixi in the mysterious place that was ethereal above the void and hidden among the white clouds.

This ethereal abode, where the clouds are deep and unknown, is surrounded by quiet and clean white clouds, and the wind is biting.

And it was in this environment that Xuanyuanzi lay there, vomiting heaven and earth aura.

Even when Qi Xingwen reported to him, he never stopped.

After Qi Xingwen finished speaking, Xuanyuan Zixi still closed his eyes, as if his emotions did not fluctuate.

However, in this instant, an extremely strong breath fluctuation flashing around his body betrayed his idea.

Qi Xingwen felt proud: "Obviously, the great elder is moved."

At this time, it is indeed the case!

At this moment, Xuanyuan Zixi's blood flow accelerated, his heart was pounding, and his heart was even more excited!

Even if he lived for hundreds of thousands of years and experienced countless major events, he was very excited at this time.

Xuanyuan Zixi trembled in her heart: "If Qi Xingwen said it was right, according to his description, this thing is called the Chiyang Xingluo God Tree."

"This Red Sun Star Luo Divine Tree is not produced in the Dragon Vein Continent. It is only produced in an extremely sinister location among the barren ancient ruins, and it was brewed in extreme filth.

"For the hidden diseases in my body, the healing effect is beyond any elixir in the Dragon Vein Continent!"

Thinking of this, he suddenly felt a sharp pain in his Dantian!

It was a sharp pain like a flame burning, tearing his body abruptly!

It feels like another world is connected to his Dantian.

And the strong man in that world forcibly tore his dantian abruptly, and then wanted to crawl out of it!

With his cultivation level, he couldn't help but shiver violently!

In an instant, I was in a cold sweat, and almost couldn't help screaming out loud!

That is to say, Gu Nian Qi Xingwen was next to him, and this was forcibly held back.

Qi Xingwen was next to him, not knowing what happened to him, his face was full of panic.

Xuanyuan Zixi felt the pain fade away after a full hour of pain.

There was a fierce look in his eyes, and his heart was ruthless: "This group of beasts in the demon world seem to know that after this period of weakness, my strength has improved and I can better suppress them!"

"So, it's happening more and more frequently!"

"Every other hour, it hurts for half an hour, so I can't live better than die!"

And the sharp pain just now made him decide in an instant.

"I originally wanted to wait for my strength to recover before going to Chen Feng to grab this thing!"

"But now, I can't wait! I don't want to wait for an hour, a cup of tea!"

He didn't know, at the moment he made this decision, he was already, hooked!

The big fish has bitten the bait and took the bait!

He disliked and hated Chen Feng extremely, and had already made up his mind to kill Xuanyuan Xiaoyue and Chen Feng as soon as his strength recovered.

Prior to this, they were unwilling to sprawl.

However, his desire for the Red Sun Star Luo Divine Tree was really eager to the extreme, so he decided to get it first!

He was not without doubt in his mind, but after thinking about it many times, he didn't see the problem.

[Chapter 3863: finally come!](#)

He shook his head and smiled bitterly, and muttered to himself in a low voice, "Xuanyuanzixi, Xuanyuanzixi, as soon as your strength drops, your courage has become much smaller."

"But I don't want to think about you. Even if my strength drops again, I still have the strength of the Six-Star Martial Emperor."

"Among the Xuanyuan family's inner sect, who dares to say that stability is better than you?"

"Even if your strength is low, you are still one of the nine great power sect masters and the elder of the Xuanyuan family! With such a reputation, is Chen Feng a young junior who dares to covet it?"

Thinking of this, he was full of pride in his heart, without any fear or doubt.

He said in a deep voice, "Mei Xingxiu, go find Chen Feng to see me."

"Yes."

As his voice fell, a voice rang.

Then, a figure nearby quietly emerged in the void.

The body shape changed from the void to the solid, and it felt like walking out of the void, which was very magical.

But this scene fell in Qi Xingwen's eyes, but it made him curl his lips invisible, with a look of contempt on his face, and said in his heart:

"The new disciple that the elder hired is really not so good. I heard that he used this little trick."

"When I saw it today, it didn't happen."

Those who stepped out were slender and handsome.

It's just that the chin was slightly raised, and the eyes were full of arrogance, full of superiority.

This is not surprising, being able to become Xuanyuan Zixi's disciple is indeed something to be proud of.

It's just that Mei Xingxiu seemed to be too obvious, and everyone looked down.

Naturally, it also includes Qi Xingwen.

Qi Xingwen's heart moved, and his heart was suddenly filled with evil thoughts: "When Mei Xingxiu went to find Chen Feng, I really wanted to see him make a fool of myself!"

And seeing Mei Xingxiu look like this, Xuanyuan Zixi also shook his head invisible, a cold light flashed in his eyes:

"This Mei Xingxiu is really not a big weapon, that is, my direct disciple was killed by Chen Feng, and there are people who need to serve him."

"It seems that he is pretty well-behaved, he was only accepted as a disciple after he was an old friend."

"When I recover, I will be the first to kill him!"

"This kind of person is the one who loses me when going out!"

Mei Xingxiu didn't know that his destiny was doomed, and was still triumphant, pretending to be reserved, bowed slightly and said, "Master, please wait a moment."

"The disciple will call that Chen Feng over and let him offer the Red Sun Star Luo Divine Tree to you!"

Xuanyuan Zixi nodded slowly, feeling that what he said was quite appropriate.

When Mei Xingxiu said this, he also took it for granted.

Obviously, both of their masters and apprentices felt that calling Chen Feng over and asking him to offer the treasure was a normal thing.

They don't think Chen Feng will have any opinions!

I don't think he dare to have any opinions!

Qi Xingwen lowered his head: "Based on what I know about Chen Feng, he will definitely not give up."

"And as long as he dares to commit any rebellion in front of the Great Elder, the Great Elder will kill him with a single palm!"

"Chen Feng, I see how you died this time!"

A cold smile appeared at the corner of his eyes!

It was the second day that Chen Feng went to the black market.

In the mirror valley.

Chen Feng was sitting cross-legged on the green pine, practicing meditation.

What happened yesterday, Chen Feng was waiting for the result, but he was not in a hurry, nor was he anxious.

On the contrary, Chen Feng's heart is extremely peaceful and quiet, and the whole person is in a state of no self, no other, and nothing outside of his heart!

Because, for Chen Feng, he had already calculated so much and planned for so long before, and at this time the bait had been put down.

Next, is the time for the final battle!

Chen Feng has always been full of confidence in himself, and he has never thought that his plan will make mistakes!

This is his unparalleled confidence!

The reason for having such a strong self-confidence is because of Chen Feng's intrepid strength and extremely dense plan!

Chen Feng is now waiting for that big fish to be bait!

A torrent of power revolved around his body.

The bronze light shone quietly, as if an extremely thick and powerful shield was formed around Chen Feng's body, which was sufficient to resist any offensive.

Of course, Chen Feng knew that this was an illusion.

But one thing he also knows very well is that this King Kong Arhat is immortal. While bringing himself strong strength, it must also bring himself a tyrannical defense.

Of course, this requires at least to refine the first layer of the diamond body!

Chen Feng turned around for a week, slowly exhaling a suffocating breath, and opened his eyes.

But at this moment, a voice suddenly sounded, with indescribable arrogance and looking down: "Oh, isn't this Chen Feng, Junior Brother Chen?"

"I've heard of the name for a long time, but I saw it today, but that's it!"

"It turns out, it's just a small three-star Wudi!"

After that, he gave out a smug laugh.

At this moment, Chen Feng suddenly opened his eyes and looked there. He saw a slender young man in white clothes standing there.

This person was dressed in white, and he looked handsome and handsome.

It's just that the corners of his lips have a hint of joking, and his eyes are full of arrogance and a hint of meanness.

At this time, Chen Feng was looking up and down, his eyes full of scrutiny.

Seeing Chen Feng's eyes, he suddenly raised his chin, his face was full of arrogance and disdain!

After seeing him, Chen Feng's eyes flashed an invisible smile:

"Come, finally here!"

Although Chen Feng had never seen this person, Chen Feng had already learned all about him from the collected information.

Under one pair at this time, it is natural to see clearly.

This person is Mei Xingxiu, a new disciple of Xuanyuan Xiaoyue!

However, Chen Feng would naturally not let his emotions be revealed this time.

There was a look of impatience on his face that should have appeared after someone interrupted his cultivation. He stared at him coldly and said, "Who are you?"

"I am a friend, you don't even know me?"

The white-clothed youth smiled arrogantly, looked at Chen Feng, raised his chin, and said arrogantly, "Boy, I heard you clearly!"

"I am Mei Xingxiu, a new disciple of the Great Elder!"

"Oh, the new disciple of the Great Elder?"

Chen Feng looked at him with a faint expression.

Seeing this scene, Mei Xingxiu's face grew colder, staring at Chen Feng, and sneered: "It seems you don't put my identity in your eyes!"

"Boy, you are brave enough! How dare to despise the elder? You can't die!"

After saying this, he stared at Chen Feng.

In his opinion, Chen Feng will definitely apologize after he has said this and put great pressure on Chen Feng.

He stood here, waiting for Chen Feng to apologize!

He even wondered how to make Chen Feng later!

[Chapter 3864: Which green onion are you?](#)

However, what he didn't expect was that after hearing this sentence, Chen Feng smiled faintly: "Yes, it is quite out of focus!"

"Boy! You are looking for death!"

Mei Xingxiu's face was cold: "Even if you leave out my status as the elder disciple, you are just a trivial three-star martial emperor, and I! But a four-star martial emperor mid-term master!"

"How dare you not put me in your eyes? What are you?"

If he was afraid of Chen Feng before coming, then at this time he thought he had a clear view of Chen Feng's strength, he no longer looked at Chen Feng.

Chen Feng looked at him, stretched his waist, and lazily said, "Are you here to tell me these nonsense?"

Mei Xingxiu's mouth twitched, he still remembered the purpose of his trip.

Even more clearly, if he can't do it, Xuanyuan Zixi will definitely not be able to forgive himself after returning!

He held back his anger and said coldly: "The Great Elder ordered me to come and let you go and see him!"

After saying this, he turned around and walked out without even looking at Chen Feng.

At the same time, a sneer appeared at the corner of his mouth: "When you have met the great elder, I will clean up you! Now, it is not the time to clean up you!"

In his opinion, since he has said this sentence and mentioned the great elder, then there is no doubt that Chen Feng will naturally get up immediately and follow him to see the great elder. The elders are right!

After all, who dares not follow the command of the Great Elder?

So he walked straight out.

However, he was stunned after walking a few steps.

Because he found that Chen Feng did not follow up at all.

He turned his head and saw that his eyes almost fell out:

Chen Feng, even lying lazily on the branch!

Chen Feng didn't even move on the branch!

No, it should be said that he still moved, for example, he was sitting just now, but now he has become lying down!

He glared at Chen Feng and said in disbelief: "What are you doing? You, did you hear what I just said?"

"I heard it naturally!"

Chen Feng looked at him and said lazily: "If you let me go, I'll go? Which green onion do you count?"

The moment Mei Xingxiu heard these words, she was completely confused!

He stood there blankly, his face was full of disbelief!

Chen Feng's words brought him a huge impact, so much so that he never recovered.

After a long time, he stared at Chen Feng and yelled in disbelief: "You, what did you just say? How dare you talk to me like this?"

He was so shocked that he was a little broken and his voice was trembling.

His mouth is so open that it can almost fit an egg!

"You say it again! What did you just say?" He glared at Chen Feng and shouted.

Chen Feng shrugged and spread his hands, with a helpless expression on his face: "The first time I saw someone so cheap, I was scolded, and I was scolded again!"

"Okay, then you can listen to me clearly!"

He looked at Mei Xingxiu and said word by word: "I said! Which green onion are you? If you let me go, I will go? Huh?"

He walked up to Mei Xingxiu, stared at him, and said word by word: "Now, I ask you! Did you hear me clearly?"

Chen Feng's move finally brought Mei Xingxiu back to his senses.

His whole body was shivering with anger, his face swelled and flushed, and his eyes were like fire!

Obviously, the anger has reached the extreme, and the hatred of Chen Feng is also extreme!

Since he became a disciple of Xuanyuan Zixi, in this Xuanyuan family's inner sect, all disciples and elders, almost without exception, have all flattered and flattered him!

How can anyone dare to offend him so much?

He felt that he had been greatly humiliated, staring at Chen Feng, the muscles of his mouth twitched, and a crazy and turbulent hatred appeared in his eyes!

Finally, he gritted his teeth and uttered a word slowly: "Chen Feng, you **** it!"

At this moment, facing his violent rage, Chen Feng was nothing.

Not only did Chen Feng feel nothing, he didn't even look at him at all.

At this moment, Chen Feng turned around and walked towards the sleeping blood wind beside him, seemingly disdainful of him.

Just leave a sentence: "Many people have said this, and many people miss me Chen Feng's death!"

"But sorry, now I'm alive and well, and they!"

Chen Feng suddenly turned around, touched Mei Xingxiu with his hand, and said three words softly: "All dead!"

Chen Feng's extremely contemptuous and ignorant attitude finally made Mei Xingxiu unable to bear it anymore!

He suddenly broke out!

Mei Xingxiu gritted his teeth without making any movement, his figure flashed, and he rushed towards Chen Feng's heart!

With one punch, he slammed into Chen Feng's back!

And Chen Feng didn't seem to notice. Until Mei Xingxiu's fist was about to approach the heart of his heart, he didn't seem to have recovered.

And throughout the whole process, Mei Xingxiu did not shout in advance.

Until he saw that his fist was about to approach Chen Feng's heart, a flash of pride flashed in his eyes: "Chen Feng, this time, you will definitely die!"

It turned out that although Mei Xingxiu was arrogant, he also knew Chen Feng's name, and also knew that Chen Feng was not easy to mess with, and knew the gap between his own strength and him.

Therefore, he outrageously chose to attack!

Until the next moment, his fist was about to hit Chen Feng's heart, and he just yelled, "Chen Feng, die!"

It's as if he didn't count as a sneak attack after his roar.

But his actions are no different from sneak attacks.

Excited and cruel light gleamed in his eyes: "Chen Feng, in the next moment, my fist will be printed on the back of your heart, and you will die miserably!"

This person is also a very scheming person. Although he has determined that Chen Feng is not as strong as himself, he still feels that it is safer to attack.

At the moment when he fantasizes about killing Chen Feng with a punch, at the moment when his fist is about to strike Chen Feng's heart!

Suddenly, the smile on his face freezes!

He felt his hand, his fist, suddenly blocked by something!

Then, caught it!

Caught tightly, firmly!

He instinctively pulled back, but he didn't move!

In the next moment, the ecstasy, spite, and pride on his face disappeared!

Instead, it was shocking and unbelievable to the extreme!

It turned out that he saw that Chen Feng turned around halfway!

And it was his left hand that blocked his right fist!

At this moment, a leisurely smile hung at the corner of Chen Feng's mouth, and he looked at Mei Xingxiu faintly, but a trace of contempt flashed in the depths of his eyes!

[Chapter 3865: You are not eligible!](#)

Mei Xingxiu let out a loud roar: "How is this possible?"

Chen Feng squeezed his fist, Mei Xingxiu struggled frantically, but he felt like his fist was embedded in an iron mountain!

I was contending with that huge black iron mountain, I couldn't resist at all, I couldn't struggle at all!

No matter how hard he struggles, how he urges his energy, the slender jade hand on the opposite side remains motionless.

At this moment, his heart was cold, and he suddenly realized the huge gap between himself and Chen Feng!

In his heart, a voice suddenly sounded: "How strong is Chen Feng? How tyrannical is his power?"

Chen Feng looked at Mei Xingxiu, but smiled at this time, smiling very brightly:

"Mei Xingxiu, in fact, what you said just now is right, I am crazy! I am very horrible!

"I treat you like nothing, but what about it?"

He stared at Mei Xingxiu and said word by word: "I am crazy because you are crazy with me first!"

"But the difference is that I have crazy capital, and you!"

A smile was drawn at the corner of Chen Feng's mouth, and he slowly said the last two words: "No!"

The next moment, Chen Feng's right hand shook sharply.

Suddenly, in his body, twenty-eight large bronze bones shone with bronze light, bright and hot!

At the same time, behind Chen Feng, eight golden dragons roared together!

In an instant, 36 billion catties of incomparable force burst out, following Chen Feng's right hand, and slamming on Mei Xingxiu's fist!

Mei Xingxiu felt that he was hit by a giant mountain head-on!

A fierce force that could not be resisted was violently suppressed!

He suddenly remembered his childhood nightmare!

At that time, he had not yet practiced, but was just an ordinary child.

He who lives by the sea, when he first came to the sea, faced the fear and awe of the huge waves!

At this time, his feeling was exactly the same as before!

He couldn't help but screamed sternly: "Ah! Ah! I'm going to die, I'm going to die!"

He really felt that he was going to die, he was going to be beaten to death by this powerful force!

Seeing him behave like this, Chen Feng showed a touch of contempt at the corner of his mouth: "Do you dare to come and fight with me in such a sloppy situation?"

"However, don't worry, I won't let you die. I still want to keep you to tell the old thing Xuanyuan Zixi!"

In the next moment, that incomparable strength blasted onto Mei Xingxiu's body!

Suddenly, Mei Xingxiu let out a scream, and a blood arrow spurted out of his mouth.

His figure flew out heavily.

At the same time, his body also made a crackle, a dense and crisp burst!

That powerful force poured in, starting from his right fist!

His right hand was shattered, his forearm was shattered, his forearm was shattered, and his right shoulder was shattered!

The powerful force poured into his torso, directly smashing the bones of the upper half of his body!

He fell to the ground hard and was beaten like a puddle of mud!

However, at least he still had a breath, but he was not dead, fell to the ground, looking at Chen Feng, his eyes were full of fear and disbelief.

That fear is as if it had been condensed into substance!

His voice trembled: "You, how can you be so strong? How dare you do something to me?"

He still can't figure out why Chen Feng is so strong? Why is he so courageous?

"I'm Xuanyuan Zixi's apprentice, I'm the elder's apprentice!"

"My trip is for the great elder's face! How dare he? How dare he do it?"

But this is obviously not the time to think about this issue.

The fact is that Chen Feng did it!

Moreover, he beat him very miserably!

At this moment, Chen Feng smiled and walked to him, knelt down and patted his face.

This action caused Mei Xingxiu to tremble violently and almost peed his pants.

There was deep fear in his eyes.

If he was dismissive of Chen Feng before, now he is deeply aware of Chen Feng's strength and courage.

And he also knew very well that Chen Feng had that ability, and at the same time he dared to kill him!

Chen Feng looked at him, smiled and said, "What, do you have the qualifications to look down on you as a three-star martial emperor?"

This is what Mei Xingxiu said about Chen Feng just now.

He said that he was in the middle stage of the four-star martial emperor, and Chen Fengfeng was just a three-star martial emperor, and he was nothing in front of him.

Now, Chen Feng returned this sentence as it was.

Mei Xingxiu's face flushed red, as if he had been slapped in the face.

But at this time, where did he dare to say a little more nonsense, and quickly nodded, and said in a trembling voice: "Yes, yes, qualified!"

"It's I'm not qualified, I'm a trash, I shouldn't be talking nonsense just now!"

"It's pretty much the same, you guys are obedient."

Chen Feng smiled and patted his face again.

This action was extremely insulting, and Mei Xingxiu felt boundless humiliation, and a rush of heat rushed into his forehead, and the blood almost broke his face.

But he did not dare to say anything to refute!

"Look, it scared you!"

Chen Feng looked at him with a playful smile on his face: "Don't worry, you are the elder's person after all."

"Give the great elder a face, I won't kill you!"

After hearing this sentence, Mei Xingxiu's heart was slightly settled.

He looked at Chen Feng and said with a trembling, "You, how dare you? Me, but I am a disciple of the Great Elder!"

He finally asked the question he had been holding back for a long time.

"Of course I know that you are a disciple of the Great Elder! But what?"

Chen Feng smiled coldly: "Your face is big enough, come to my mirror valley, open your mouth and ask for the treasure!"

"Did you know that I was born to death in the ruins of the deserted ancient ruins, and survived several times. It took a few months to earn my life!"

The Red Sun Star Luo God Tree appeared in Chen Feng's hand, with a cold voice, staring at Mei Xing's cultivating path!

Seeing Chen Feng's expression, Mei Xingxiu seemed to understand something.

Chen Feng stood up slowly, raised the Red Sun Star Luo Divine Tree higher, and then said lightly:

"Even the Xuanyuan family elder, don't even think about taking this treasure away from me!"

"Even the Great Elder, if you want to get this thing, you have to pay a price!"

Mei Xingxiu was shocked again, and stupid again!

Chen Feng's performance today is truly shocking to him!

"Chen Feng, how dare he? How dare he say such a thing? How dare he despise the great elder?"

But this is the fact!

The next moment, Chen Feng kicked him out hundreds of meters away, and said coldly: "Get out!"

[Chapter 3866: I did this business!](#)

Mei Xingxiu landed on the ground with a plop, rolled over, didn't dare to say a hard word, turned around and left in panic.

However, the moment he turned around, his eyes were full of spite:

"Chen Feng, you wait for me!"

"When I go back and know the great elder, he will definitely kill you!"

At this time, what Mei Xingxiu didn't know was that Chen Feng looked at him from behind, and a smile appeared on the corner of his mouth: "Great Elder, Great Elder, after I performed this again, you won't have any doubts anymore, right? ?"

After a while, in the depths of the Xuanyuan family's inner sect, in the space that was almost nothing.

Mei Xingxiu knelt on the ground, tearing his nose and talking about Chen Feng's crimes.

Of course, he would cough up blood from time to time.

He didn't even add oil and vinegar, because he didn't even need to add oil and vinegar.

What Chen Feng did was already a great sin in his eyes, and he was already worthy of death!

But after hearing Mei Xingxiu's cry, the expression on Xuanyuan Zixi's face was rather strange.

The expression looked like anger, like anger, but mixed with a hint of joy, and finally turned into a long breath of relief.

His whole body was relaxed in an instant, and there was a smile on his mouth.

Seeing his expression like this, Mei Xingxiu was completely stunned.

His heart was full of puzzlement: "I have been humiliated by others, I am your disciple! I have been humiliated by others, you can still laugh at this time?"

Xuanyuan Zixi looked at Mei Xingxiu and sighed slightly, the last trace of doubt in his heart finally disappeared completely.

"It seems that Chen Feng does not have any unusual thoughts."

"If he really has any strange ideas, he should come over immediately when he hears me summoned."

"Now, he is obviously unwilling to come over, and the reaction is still very fierce, even hurting the person I sent."

He asked Mei Xingxiu again: "Then Chen Feng really told you that. He really said that even if I want this thing, I have to pay the price?"

"Yes!"

Mei Xingxiu hurriedly said something more and more vinegar.

Although he added a lot of things, Xuanyuanzi Xixi still couldn't tell the true words of Chen Feng.

He smiled lowly: "This kid, I really want money to die."

At this time, he thought he had understood all of Chen Feng's thoughts, that is, he valued this thing extremely seriously and wanted to make a fortune with it.

At the same time, he was very arrogant, relying on Xuanyuan Xiaoyue's backing, he had no fear of himself.

Therefore, his meaning is very obvious: "You Xuanyuan Zixi want this thing, it's okay, just come up with a price that makes my heart beat!"

Thinking of this, he no longer had any worries, looked at Mei Xingxiu and said:

"Okay, don't cry here."

"Go and tell Chen Feng, I really want that thing, and as the great elder, I always have more good things here than other disciples, right?"

"Let him come here, I'll change with him, I can always come up with something that tempts him!"

"what?"

After hearing his words, Mei Xingxiu was stupid.

This is another blow to him today after he suffered a huge blow from Chen Feng.

He couldn't believe his ears: "The great elder, who has always been domineering and domineering, is willing to be reasonable at this time? And still willing to be so peaceful and quiet, to reason with Chen Feng?"

He suddenly felt an extremely absurd feeling: "Is I crazy, or is the world crazy today?"

Xuanyuan Zixi's indifferent words interrupted his conjecture: "Is it stupid? Why don't you go and spread it?"

"Yes!"

Mei Xingxiu quickly lowered his head to answer, and then left with full of doubts.

He did not see the sneer on Xuanyuan Zixi's face: "Chen Fengfeng, do you want high prices? Do you want benefits?"

"Okay, I'll give it to you!"

"But when you get here, when you come before me, you can't help it!"

"I was thinking that three days later, when the strength is restored, I will kill you again, but now it seems that this day will be advanced!"

"Just today! Right here!"

His voice was as cold as ice, decisively: "Kill you!"

About half an hour later, Mei Xingxiu once again came to Chen Feng's Mirror Valley.

Chen Feng raised his eyelids and looked at him, with a hint of impatience in his eyes: "Why are you here again? Don't you think you were taught enough?"

Hearing this sentence, Mei Xingxiu shivered violently.

Obviously, Chen Feng's previous punch left an extremely deep impression on him.

He quickly put a smile on his face and looked at Chen Feng and said, "No, no, Brother Chen, this time I'm here to preach the words of the great elder."

"Oh? Come on, what did the great elder say?"

Chen Feng said lightly.

"The great elder said, he has a price you are willing to exchange!"

"This is what it looks like!"

Chen Feng suddenly got up and laughed loudly: "Go, take me to see the great elder! Chen Feng made this sale!"

Mei Xingxiu turned around, silently, leading the way.

Chen Feng followed him all the way up, and soon entered the deepest part of the Xuanyuan family's inner sect.

All the way to the sky.

If it's someone else, it's unavoidable that it will be awkward the first time you come here, but Chen Feng is not the case.

He already knew what the Xuanyuan family's inner sect was like, so after a little thought, he knew it in his heart.

"I'm afraid, now we are getting closer and closer to the core of the big formation that seals off the entire Xuanyuan Family Inner Sect!"

Chen Feng suddenly understood: "Presumably, the reason why Xuanyuan Zixi chose to live here is not only to avoid people's eyes and eyes, but also to control this big formation!"

"I'm afraid, where he lives, it should be very close to the front of the big formation!"

And soon, the two of them came to the white cloud, and went all the way to the depths of the white cloud.

The more he walked in, the more Chen Feng felt that the aura around him grew stronger.

Finally, when the two came under a white cloud again, a step appeared in front of them.

This step is lustrous and lustrous, and it turned out to be inlaid with extremely fine white jade.

The steps seem to appear in nothingness, appearing out of thin air, without knowing the way or the end.

It was as shocking as the river rolled up in the air that day!

Mei Xingxiu stretched out his hand: "Please!"

Chen Feng nodded slowly, stepping on it without fear.

Finally, after going up thousands of levels, Chen Feng and the two passed through the particularly vast and solemn cloud, and they suddenly opened up in front of them, and there was already a square with a radius of several hundred meters.

This square is also built entirely of beautiful jade, and at the end of the square is a palace hidden in the clouds.

[Chapter 3867: The most important sentence!](#)

The palace is not so vast, but it is extremely delicate and delicate.

Next to the palace, there are still flowing water, mountains and rocks, clear springs and creeks. It feels like an exquisite garden has been built on this void.

After coming here, Chen Feng immediately couldn't help but breathe a few breaths of air, only feeling the sweet and incomparable breath filling his chest and abdomen, which was extremely comfortable.

Everywhere on the body seemed to be alive, and even every pore on the body seemed to relax.

Chen Feng's face showed an unconcealable color of exclamation: "The concentration of spiritual energy here is so abundant?"

You know, the aura in the Xuanyuan family is already a hundred times stronger than the outside, and here is the aura in the Xuanyuan family a hundred times stronger than the inner sect of the Xuanyuan family?

"Really unique!"

Chen Feng sighed secretly in his heart, and no longer cared about this, but turned his attention to the front of him.

At this moment, it was hundreds of meters in front of Chen Feng.

In front of the palace, under the steps, a gorgeous throne is standing there.

A person was sitting lazily on it, seeming to feel the movement here, and he lazily glanced here.

He didn't even hold up his body, he just changed his eyes from closing his eyes to just looking here.

It was just a glance, but with this glance, Chen Feng felt that his eyes were instantly bright!

Except for the bright light, nothing can be seen, nothing can be seen clearly!

It also has an infinite thunder power, which smashes down fiercely.

Chen Feng was shocked, but in a blink of an eye, he understood what was going on!

It turned out that at the moment just now, at the moment this person opened his eyes, a huge thunder and lightning struck the way!

Enveloping Chen Feng directly in the endless thunder!

Chen Feng looked around and saw that at this moment, the entire square was shrouded by this boundless thunder!

There are huge thunder pillars everywhere, I'm afraid there are hundreds of them!

On the ground, there are countless lightning ball plasma, rolling around regardless!

This place seems to have instantly become a thunderstorm forest!

And the reason for all of this is, it's just because that person opened his eyes!

Because of this eye opening!

Chen Feng was shocked: "He has such a powerful power when he opens his eyes?"

"I have also had the experience of generating electricity in the virtual room, but that Thunder, compared with this, is tens of millions of miles away!"

This person is naturally Xuanyuan Zixi.

Only Xuanyuanzi Xixi had such a horror!

This is the power of the Six-Star Emperor Wu!

Chen Feng gasped in his heart: "Even at this time, when his strength is declining, he still has such terrifying strength!"

"Then I don't know how terrifying his strength was when he was in his heyday!"

At this moment, Chen Feng was shocked in his heart, but on the contrary, there was an incomparable scorching heat slowly rising in his heart!

"How strong is he? I came today just to kill him!"

There was a sharp flash in Chen Feng's eyes, but no one noticed it.

Because at this time, he was already holding his fists, leaning over to salute, and said in a deep voice: "The disciple has seen the great elder!"

Xuan Xuan Zixi's gaze swept across Chen Feng, with a trace of scrutiny.

Soon, he raised his eyebrows. It turned out that he could see that Chen Feng's strength has improved again!

"This son is indeed extremely talented, amazing in strength, and improved!"

"Then, I can't forgive him, and I must let him die here today!"

Now that it has been set, to kill Chen Feng today, Xuanyuan Zixi is not the one who hesitates, but feels relieved!

Xuanyuan Zixi didn't have any twists and turns, looking directly at Chen Feng, he said in a deep voice:

"I heard that you have the Red Sun Star Luo Divine Tree, right?"

Chen Feng raised his head and smiled and said, "Yes, there are indeed disciples here!"

There was a look of pride in his eyes that was stronger than his own.

Because, if Chen Feng had no other thoughts, then when he was questioned by Xuanyuan Zixi at this time, he should indeed show this look.

With a touch of pride and reservedness!

"On this trip, the disciple went to the desolate ancient ruins. After untold hardship, several times near death, he finally snatched this ten-thousand-year treasure from everyone!"

Xuanyuan Zixi was still worried after all.

Although he has heard more than one person say it, he thinks it is more appropriate to see it with his own eyes.

He said lightly: "Take it out and let me see."

"it is good!"

Chen Feng strode forward, came to a place ten meters away from him, and slowly stood still.

Then took out the Red Sun Star Luo Divine Tree and held it up high: "Look at the Great Elder!"

There was nothing wrong with Chen Feng's move to step forward.

After all, if you want the great elder to see clearly, it must be closer.

Therefore, Xuanyuan Zixi did not doubt either.

In fact, at this time. There is nothing else in his eyes!

All his attention and all his sights were already attracted by the Red Sun Star Luo Divine Tree in Chen Feng's hands!

The bright and gorgeous light bloomed, making his eyes blurred!

As a result, he actually got up, walked slowly to Chen Feng, and looked at the Red Sun Star Luo Divine Tree in Chen Feng's hand, with an obsessive expression on his face!

However, just when he even reached out to touch it, with a touch, the Red Sun Star Luo Divine Tree in front of him disappeared.

Suddenly, Xuanyuan Zixi's face was gloomy, staring at Chen Feng, and said coldly, "Chen Feng, what do you mean?"

"What do you mean?"

Chen Feng smiled slightly: "Elder, this thing, but the disciple's life and death in exchange for it!"

"If you can't pay the corresponding price or pay the corresponding reward, the disciple won't sell it!"

At this time, Xuanyuan Zixi also calmed down, and took a deep look at Chen Feng: "You want a reward, right?"

"Okay, I'll give it to you!"

As he said, in those eyes, the cold and cold murderous intent, quietly diffused!

His right hand is also slowly raised!

He was about to violently kill at this time!

His so-called compensation to Chen Feng is to kill him!

This person is really surly tempered, and now he must do it directly!

Kill Chen Feng!

However, Chen Feng didn't realize it, but his eyes became very eager, and he laughed and said: "Looking at the great elder, you are so refreshed, you know that today's disciples can get a lot of benefits!"

"Oh, what a pity!"

He clapped his hands very regrettably: "Unfortunately, the disciple is limited in strength and only grabbed one plant!"

"If not, if you grab a few more plants and come back, I'm afraid you can get more benefits from you!"

After that, he sighed.

This is the most important sentence Chen Feng wants to say today!

[Chapter 3868: Swallow, Dan!](#)

"What, you mean, there is still there?"

The killing intent that suddenly rose in Xuanyuan Zixi's eyes stopped suddenly.

Even his right hand, which had been slowly raised, froze abruptly, staring at Chen Feng and shouting in disbelief: "There are there?"

"Of course!"

Chen Feng looked at him with an expression of why you should make a fuss: "There are at least two plants there, and this is one of them, but the other two have not yet been born, no one can find their traces."

"However, the approximate location is absolutely not bad, because this kind of treasure needs to go there to fuse a special mist before it can be fully completed!"

Then he rubbed his hands again, and he smiled: "Elder, if your price is high enough,"

It looks like a profiteer.

In an instant, Xuanyuan Zixi's murderous aura disappeared without a trace.

His right hand was also softly put down.

Looking at Chen Feng, he smiled and said, ""

This person is also really powerful, just a blink of an eye, is to suppress the killing intent!

Because the news that Chen Feng said is really important to him!

A Red Sun Star Luo sacred tree may not be able to cure his current hidden illness, but three trees are definitely enough!

At this moment, Chen Feng took a long sigh of relief, and the tight heart finally fell!

He was shocked to find that he was already sweating coldly on his back!

However, there was an extremely excited voice in my heart yelling frantically: "The hardest level, passed!"

Just now, Xuanyuan Zixi's murderous intent, Chen Feng felt clearly!

It turned out that Chen Feng was very clear. In fact, what he was most afraid of right now was that Xuanyuan Zixi would not give him any chance and directly hurt the killer!

In that case, Chen Feng has no time to swallow the sixth grade golden core: Nine-turned Heavenly Demon!

In that case, Chen Feng has no power to fight back at all, even if he is desperate, he is not qualified!

Therefore, what Chen Feng has to do is to arouse Xuanyuanzi's interest before he takes the assassin!

Then, there is a chance!

And now, he did it!

And did it without any waves, without causing any doubt!

Chen Feng lowered his head, and a look of madness flashed in his eyes: "Xuanyuan Zixi, since you didn't kill me the first time! So!"

"Next, you will be played with by me!"

"Your destiny is doomed!"

At this moment, Xuanyuan Zixi smiled and said, "After all, what do you want?"

"I want your life!"

It's just that when Chen Feng raised his head, his eyes were already eager: "You can ask me, disciple? You can ask anything you want?"

"of course."

Xuanyuan Zixi looked at Chen Feng and smiled slightly.

Only a look of contempt flashed in his eyes: "Unexpectedly, the proud son of Zongtian in the Xuanyuan family in this legend is also such a greedy and stupid generation."

"He just didn't expect it, he had already turned around before the ghost gate just now."

He is not in a hurry to kill Chen Feng now.

He was going to wait for Chen Feng to speak out his conditions, and then tell himself where he got the Red Sun Star Luo Divine Tree before doing it.

In fact, compared with the Red Sun Star Luo God Tree in front of him, what he values most is where Chen Feng obtained the Red Sun Star Luo God Tree.

Because the disciples he sent to the deserted ancient ruins before, although there were many, they were all like flies without their heads. They didn't even know where the Red Sun Star Luo Divine Tree was, so naturally there was nowhere to find them, and so many people died in vain.

And now, if he got the exact location of the Chiyang Star Luo Divine Tree from Chen Feng, then he would naturally be able to target it.

For this reason, he even planned to pay Chen Feng some price first, such as paying Chen Feng the reward he wanted.

Let him lose his guard, and then let Chen Feng tell himself where the Red Sun Star Luo Divine Tree grew.

Of course, he also guessed it, and it is estimated that Chen Feng would use this to make a mistake.

But he didn't care.

As long as Chen Feng tells him where the Red Sun Star Luo Divine Tree grew, then it is time for Chen Feng to die!

The reason why he didn't catch Chen Feng and directly tortured the news from him was because he also knew Chen Feng very well and knew that this son had an extremely strong temperament.

I can kill him, but it is absolutely impossible to torture the news from her.

Many people wanted to do that in the past, but they all failed without exception.

Chen Feng was about to talk about the price. Suddenly, at this moment, he was holding his chest and coughing violently.

He coughed so badly, his waist was bent, and there was a violent tremor all over.

After a long time, it was only relieved.

At this time, Xuanyuan Zixi saw that the hand that Chen Feng had just covered his mouth was already covered with blood.

And in his chest, there was blood faintly leaking out.

Obviously, his injuries are not minor, and both internal and external injuries.

Xuanyuan Zixi frowned, and Chen Feng didn't wait for him to ask a question, so he raised his head and said apologetically: "Sorry, the elder, I am ashamed of you."

"This time I was seriously injured during the battle in the deserted ancient ruins. Although I will raise it for some time and swallow some pills after returning to the family, I still haven't recovered."

"And, that enemy..."

There was a lingering look on his face, which was terrifying: "He can absorb the blood in my body, and I feel that the whole person is a lot weaker!"

After all, Chen Feng took out a small jade bottle from his arms and poured out a longan pill from it.

The pill, the whole body was round, shining bright bronze light.

It feels quite heavy.

It doesn't look like a pill, but like a copper bead made of pure copper.

Xuanyuan Zixi recognized this pill at a glance, knowing that it was called a red copper qi pill, which was used to replenish qi and blood, and it could also be used as a treatment for injuries. It was indeed more aimed at Chen Feng's current physical injury.

Chen Feng swallowed this pill with one mouthful!

And at the moment he swallowed the pill, it seemed that there was pain in his body again, and he rolled his waist again when he was in pain.

Because of this, Xuanyuan Zixi didn't see the look on Chen Feng's face at this time!

At this time, Chen Feng's eyes burst into a bright brilliance, and a smile appeared at the corner of his mouth: "It's done, it's done today!"

At this time, if Xuanyuan Zixi could see Chen Feng's body, he would definitely find that after entering Chen Feng's throat, the pill that he believed was a red copper qi pill, there was a thin layer of bronze on the surface. The shell melted instantly, revealing its true face!

Extremely dazzling, golden light!

It has an unparalleled huge power suddenly exploded!

In fact, what Chen Feng swallowed was not a red copper pill for invigorating qi, but a golden pill of Nine-turned Heavenly Devil!

[Chapter 3869: What a! horrifying! power!](#)

It was the Nine-turned Heavenly Devil Golden Pill that could increase his strength by two major levels in a short period of time, and of course it also required an extremely heavy price!

But the moment Chen Feng swallowed this pill, he didn't feel anything strange.

There is no breath of power, no feeling.

He even couldn't feel the existence of that medicine!

It was as if Chen Feng swallowed a breath of air just now, as if the pill fell into his abdomen and disappeared directly.

Chen Feng was stunned: "Did I have a fake Nine-turned Heavenly Devil Golden Pill?"

In other words, I am afraid that anyone who is shocked will shout out.

But Chen Feng was Chen Feng after all, and he reacted instantly.

And he didn't get up in a hurry, still coughing and convulsing pretendingly there.

But at this moment, suddenly, Chen Feng buzzed in his mind!

In the next moment, nine heavenly demon ghosts suddenly appeared in his body!

These nine heavenly demon phantoms were in Chen Feng's body, clamoring wildly, screaming!

In an instant, Chen Feng felt that he was almost torn apart!

There is no pain in the whole body!

Up and down the whole body, every place, every inch of skeletal muscle pain is unimaginable!

Burning with a knife is no longer enough to describe the pain!

That kind of pain was like tearing apart every part of Chen Feng's body abruptly, then regrowing, and then tearing apart again!

At this moment, Chen Feng's body was torn open countless times abruptly!

Then, it was abruptly regenerated by a huge force to grow back countless times!

At this moment, Chen Feng's body seemed to have gone through countless cycles, countless rebirths.

This pain made Chen Feng almost unimaginable, and he almost fainted directly!

But Chen Feng knew that this was something that would definitely happen after swallowing the Nine-turned Heavenly Devil Golden Pill!

If the Nine-turned Heavenly Demon does not tear its body, grows again, tears it again, and grows again, then how can its strength grow in such a short time?

And one thing that Chen Feng knows more clearly at this time is: I cannot faint at this time!

Not only can I not faint, I can't even make it feel too painful.

Because, if you just follow the injury he just said, it shouldn't hurt so much.

I can't do it so painful!

Therefore, Chen Fengqiang resisted the violent pain, but only allowed his body to show a slight tremor that was consistent with his injury at this time!

Chen Feng's pain was extremely painful, and more importantly, he could only suppress it, and could not vent at all!

However, in this extreme depression and extreme pain, Chen Feng felt that, with a thump, his mind became extremely clear in an instant!

And there are countless pictures flashing in front of you, as if the progress of this world has accelerated!

Almost in an instant, Chen Feng saw that the world continued to rise and fall, and to change continuously for hundreds of years!

And Chen Feng knew in his heart that it was not that the world was changing, but that in this short instant, his body seemed to have completed dozens of generations of evolution!

In the next moment, endless power is generated everywhere in Chen Feng's body!

At this moment, the pain finally disappeared!

He finally got over.

Sanity was restored to his mind again.

He was happy at this moment: "It is done! I have absorbed the power of the pill!"

Since Chen Feng needed to swallow this pill, it was of course impossible to come here daringly, and then swallow the pill directly in front of Xuanyuan Zixi and Mei Xingxiu's lives.

If that's the case, I'm afraid it's a fool, and everyone knows what he is plotting.

And it is impossible for him to take the pill in advance.

Because of the medicinal effects of the Nine-turned Heavenly Devil Golden Pill, Chen Feng couldn't control it.

Ever since he got the Nine-turned Heavenly Devil Golden Pill, Chen Feng used various channels to inquire about it, and finally knew that after taking this pill, it would be effective after about a hundred breathing times.

If Chen Feng had taken it in advance, then a hundred breaths would not be enough for him to come here from Jinggu.

Moreover, it is very likely that he took it in advance, but Mei Xingxiu came late, so when the effect of the medicine passed, he hadn't seen Xuanyuan Zixi yet!

Therefore, Chen Feng must be taken here!

He was going to take it in front of Xuanyuan Zixi, so that he could just catch up!

This posed a big problem for Chen Feng.

Therefore, in order to pretend to be injured, Chen Feng did not hesitate to leave Mei Xingxiu for the first time, and before the second time, he slammed a palm on his chest, and suffered a little internal injury.

It also caused a wound on his body.

This made him pretend to be more like.

Then, on the surface of Chen Feng's body, a light of bronze color shone out.

The bronze light that appeared on Chen Feng's body at this time couldn't be suppressed at all, but Xuanyuan Zixi just glanced at it and didn't care.

Here, Chen Feng's intelligence can be reflected.

If he hadn't come for such a period, vomiting blood, swallowing pills, and healing the wounds, the bronze light that appeared on his body at this time would definitely be noticed by Xuanyuan Zixi, and he would be wary of that.

But now, with the previous foreshadowing, the bronze light shining, did not make Xuanyuan Zixi any guard.

And Chen Feng's most astute thing is that he told Xuanyuan Zixi clearly just now that the pill he swallowed was called: Chitong Qi Pill!

And Xuanyuan Zixi also knows very well that after swallowing this pill, it has the effect of refining the bones and strengthening the body in addition to healing, so there will be a misty bronze light on the surface of the body. !

Therefore, at this time, the surface of Chen Feng's body was bronzed light, and this reaction just confirmed what he had just said.

Instead, just let Xuanyuan Zixi watch Chen Feng vomit blood and swallow the pill, the trace of suspicion that had arisen disappeared!

What a terrible calculation this is!

Chen Feng really calculated Xuanyuan Zixi clearly and clearly!

However, what Xuanyuan Zixi didn't know at this time was that at this time, the bronze glow that appeared on Chen Feng's body was because the bronze glow in Chen Feng's body was so intense that it could no longer be suppressed!

Therefore, it began to be released.

It turned out that just now, a huge and incomparable power poured into Chen Feng's body!

Almost instantly, a large bone in Chen Feng's body turned into a bronze color!

Then the second, the third...

In a short period of time, within a few dozen breaths, Chen Feng turned out to have 108 bones in his body, all turned into bronze!

[Chapter 3870: Want you a martial arts!](#)

A total of 108 bones, Chen Feng was shocked by this number, and did not recover for a long time!

He just counted it several times carefully, and after confirming that it was 108 big bones, he was full of ecstasy emotions!

"I now have one hundred and eight big bones turned into bronze!"

"This also means that the strength in my body alone is 108 billion catties!"

"If you add those eight golden dragons, there will be a total of 116 big bones, with an infinitely close approach of 120 billion catties!"

What kind of concept is this?

What a! horrifying! power! what!

Chen Feng felt that his mind was full of chaos, and he was completely confused.

Such terrifying power has surpassed his imagination!

Before Chen Feng had time to think about it, he suddenly felt that his aura was increasing crazily, crazily!

In a blink of an eye, he was promoted from three-star Wudi to four-star Wudi!

Then, reached the five-star Wudi realm!

The realm is the realm of the five-star Wudi, but the strength is comparable to the six-star Wudi!

"A terrifying power, such an incomparably terrifying power, is this the terrifying power comparable to the Six-Star Martial Emperor?"

"Is this the realm of horror I have reached after raising two great realms one after another?"

At this moment, Chen Feng suddenly felt an enlightenment in his heart: "My Donkey Kong Arhat is immortal, and the first level has been completed!"

The breakthroughs that followed made Chen Feng shudder.

A look of intoxication appeared in Chen Feng's eyes: "This is the feeling of power!"

The drunkenness and refreshment that appeared in Chen Feng's eyes at that moment could not even be hidden.

It fell in Xuanyuan Zixi's eyes.

But Xuanyuan Zixi didn't take it seriously. After all, Chen Feng's argument was that he wanted to swallow this pill to heal his injuries.

Swallowing the pill, the body's strength recovers, and the injury slowly heals. This feeling is indeed very fascinating and comfortable.

Let yourself have this feeling.

At this time, the power of the Nine-turned Heavenly Devil Golden Core had been completely absorbed by Chen Feng.

Of course, this force was only controlled by him in his body, and did not escape to the outside.

And Chen Feng knew very well in his heart that this power only belonged to him temporarily:

"This power only belongs to me temporarily, and after a cup of tea time, I will return to the realm of Samsung Wudi!"

"No, I won't even be able to return to the three-star martial emperor realm. If there is no substitute puppet, I might just die!"

"However, this is still an extremely valuable asset to me!"

"Because, I have already broken through to the five-star Wudi, even if my strength drops in the future, but this kind of breakthrough feeling, powerful feeling, I remember!"

"At that time, if you break through, it will be much easier!"

Chen Feng clenched his fists, feeling the incomparable power flowing in his body.

Seeing the next moment, he will start!

Chen Feng doesn't want to have many dreams in the night, he wants to kill him now, immediately!

However, at this moment, Xuanyuan Zixi looked at Chen Feng and said leisurely, "Are you okay? If you can get up, continue talking."

"You give me the Red Sun Star Luo Divine Tree first, and I will reward you."

"Then, I will get information from you about the origin of the Chiyang Star Luo Divine Tree."

At this moment, Xuanyuan Zixi was facing Chen Feng, only a step away from him, and Chen Feng could catch him as soon as he stretched out his hand.

Within such a close distance, Chen Feng can use any means!

But after Chen Feng heard Xuanyuan Zixi's words, he was also happy.

It turned out that although he had made all-out plans and was confident to kill Xuanyuan Zixi, Chen Feng didn't think he had the ability to break through the treasures Xuanyuan Zixi had set up for protection.

Therefore, Chen Feng was very sorry that this trip might only kill Xuanyuan Zixi, but he could not get any benefit from him.

"In this case..."

A sneer flashed in Chen Feng's heart: "Then don't blame me for getting some benefits from you, and then killing you!"

Chen Feng made up his mind at this moment.

Of course, Chen Feng knew that he was playing with fire, and he was playing with fire dangerously.

But there was a flash of madness in his eyes: "The benefits I get from Xuanyuan Zixi, I am afraid it is extremely scary!"

"I'm playing with fire, but it's worth it!"

So, he immediately showed a greedy smile with a little deliberately at the corner of his mouth, and stood up and said: "Elder, let's finish this business first."

As he said, he shook the Red Sun Star Luo Divine Tree in his hand.

"Elder, I know you have accumulated so many good things over the years, I don't want anything else from you, I want you to do something..."

Chen Feng paused, and then said word by word: "At least the seventh-rank martial arts of the Wilderness level, any kind of martial arts is fine, but the best martial arts of marksmanship, or martial arts of body type."

After listening to him, Xuanyuan Zixi did not speak.

He was silent for a while, then looked at Chen Feng, sneered, and said, "A martial skill of the seventh-rank barren rank?"

"Chen Feng, do you know what this concept is?"

Chen Feng smiled and said, "The treasure of the town faction of any one of the nine powers is probably the seventh-rank barren rank."

"You know you still care about me?"

Xuanyuan Zixi looked at Chen Feng with a disdainful expression on his face: "Your Red Sun Star Luo Divine Tree is indeed very precious, but it's a bit worse than the Wilderness 7th-Rank martial arts."

Chen Feng smiled and said, "I also know it's a little bit close, so..."

He paused, and then said: "If you teach me the martial arts of the Desolate Rank Seventh Rank, then, but this Red Sun Star Luo Divine Tree is for you."

"Furthermore, I will also tell you the origin of the Red Sun Star Luo Divine Tree, how about it?"

Xuanyuan Zixi pondered for a moment, and then simply said, "Okay!"

When Chen Feng heard this, he was immediately happy.

Because Xuanyuan Zixi actually said this sentence, it not only means that he is willing to exchange, but also has a deep meaning, that is: he has what he wants here!

He has the Marksmanship of the Desolate Rank Seventh Grade, or the martial arts of the Body Technique.

Chen Feng has always longed for these two things.

The first is the same, it can make him a big advance.

Second, it can greatly increase his speed and greatly improve his survivability.

Chen Feng has been frantically looking for these two martial arts.

After he came back, he also found several, but he was always dissatisfied.

After all, his requirements for the level realm are too high, and the seventh-Rank Desolate Rank is his favorite.

If it doesn't, it's okay for the sixth-rank barren rank.

But it can't be worse.
