

Peerless 3911

[Chapter 3911: It is her that you want to kneel!](#)

Finally, Chen Feng clapped his hands.

And when he made this action, the black-robed elders of the Seven-Star Chamber of Commerce and the crowd around the audience could not help but let out a sigh of relief.

They felt that their mood suddenly relaxed, with a sense of relief!

"He finally, is it done?"

"Finally, did he stop taking out the treasures?"

At this time, there were already thirty treasures in front of them!

At this time, many people are no longer just shocked or shocked. Many people look at Chen Feng, and even a strong fear flashes in their eyes.

Chen Feng took out so many treasures, and from his attitude when he took out these treasures, he didn't take these things in his heart at all.

In his opinion, these things are ordinary things.

"What level has he reached now?"

"Unfathomable!"

In fact, Chen Feng hasn't finished it yet.

You know, it is the life savings of a five-star martial emperor, and he is also a powerful five-star martial emperor who lives in the deserted ruins and trades various treasures and cherishes medicinal materials!

His savings are many times more than the ordinary five-star Wudi!

Chen Feng looked at Xian Huazang, with a faint smile on the corner of his mouth:

"How about, Xianhuazang, are these treasures enough now?"

Xian Huazang trembled and remained silent.

Before he could speak, his voice faintly said: "Today, there are many people who don't know the height of the sky. But I'm sorry, Chen Feng is not included!"

He smiled and said: "Background, what is background, you don't understand, I, Chen Feng, understand!"

This sentence directly caused Xian Huazang's face to swell red, like bleeding.

If Chen Feng's words just now slapped him severely, then now this is the slapped slap on his face!

He said this to Chen Feng just now, but now Chen Feng is returning it back!

Moreover, even more pungent ridicule!

And most importantly, when he said this just now, he was overpowering and mocking Chen Feng.
NovelUsB.com

But I don't know that Chen Feng has countless treasures.

But now Chen Feng said this, but it was based on facts!

Chen Feng looked at him and smiled faintly: "If you just say my words, then it is excusable, I will not have the same knowledge as you!"

"but!"

Chen Feng's voice suddenly became cold and cold: "You don't want to deal with me, but you want to deal with my friend, my good friend!"

"Moreover, you not only want to drive her out of the Seven-Star Chamber of Commerce, but you also want to drive her to death!"

In this case, Chen Feng stared at him, saying word by word: "How can I forgive you?"

"All right!"

Chen Feng said lightly: "Come on, come and fulfill your promise!"

Xian Huazang took a deep breath, his face flushed.

He knows that he is set to lose today, and that he is going to lose adults today.

However, he was mentally prepared.

Xian Huazang slowly walked forward, and when he walked in front of Chen Feng, he was about to kneel and kowtow.

At this moment, Chen Feng suddenly smiled slightly: "Xian Huazang, what are you doing?"

Xian Huazang was shocked when he heard the words.

Chen Feng pointed at him, then pointed at Yan Yunxin next to him, and said lightly: "It's not me that you want to kneel, but..."

He stared at Xian Huazang and said word by word: "Yan Yunxin!"

This sentence was astonishing.

Everyone was in an uproar: "It turns out that Chen Feng is for this purpose!"

"Yeah, it turns out that he was not trying to make Xian Huazang kneel on his knees, not to vent his anger at all, but to vent his anger to Yan Yun's heart!"

"Hey, it's really fortunate to have friends like Chen Feng in this life!"

"Yes, Xian Huazang, didn't you bring a group of black-robed elders to force Yan Yunxin to leave the Seven-Star Chamber of Commerce? Then I will force you to kneel down to Yan Yunxin!"

Someone exclaimed loudly: "Chen Feng's actions are truly hearty!"

Lu Yutang laughed loudly there at this time.

Although Xian Huazang hadn't knelt down yet, he already seemed to have seen the scene of him kneeling in embarrassment in front of Yan Yunxin.

After hearing this, Yan Yunxin was stunned.

She covered her small mouth with her hands, her eyes widened, and her eyes were filled with amazement.

She didn't expect Chen Feng to say such a thing, and she would do it!

The next moment, the astonishment in those eyes turned into immense joy.

What she rejoiced was not that Xian Huazang was about to kowtow to her knees, but that Chen Feng thought about herself so much!

Her beautiful eyes flowed and looked at Chen Feng, where water waves spread.

Suddenly, his eyes blinked, and the water wave became especially gentle.

Then, she walked to Chen Feng, raised her head slightly, and looked down at Xian Huazang!

Chen Feng earned this face for her!

Chen Feng gave her this opportunity!

Then, she must hold it well, she can't shame Chen Feng!

The best way not to shame Chen Feng is to severely humiliate Xian Huazang, leaving him with a lifelong unforgettable memory!

At this time, Xian Huazang and the black-robed elders all stayed there, one by one dumbfounded.

Especially Xian Huazang, he didn't even come back to his senses.

After a while, I realized what Chen Feng had said, and suddenly his face was blue and red, and then it became pale.

If he knelt down to Chen Feng, it could be attributed to his willingness to accept the bet.

Then, at this time, Chen Feng asked him to kneel down and kowtow to Yan Yun, then he was naked, unconcealed, and severely humiliated!

He kowtows to Chen Feng, and he and the elders in black robes behind him are equivalent to a slap in the face.

And he kowtows to Yan Yun's heart, it is equivalent to them being trampled underfoot, and then trampled into the dust!

Seeing Xian Huazang staying there, Chen Feng looked at him and smiled faintly: "What? You don't want to?"

Chen Feng did not make any movements, he just released his aura.

So the next moment, everyone felt as if there was a huge mountain suddenly appearing above the auction room!

That is a huge mountain that doesn't know how tall!

For a moment, the momentum was overwhelmed by everyone's breath.

Many people even weakened their legs directly, lying on the ground.

As for those who wanted to forcefully contend, there was a muffled grunt, and blood flowed out of their mouths.

Everyone was shocked, staring at Chen Feng blankly: "Chen Feng is so terrifying?"

Then, Chen Feng smiled and walked slowly to Xian Hua Zang, and finally walked in front of Xian Hua Zang, looking down at him, saying every word:

"What? You don't want to?"

Along with these words of Chen Feng, there is also his incomparable aura!

[Chapter 3912: Move my friend? I advise you to think twice!](#)

Chen Feng's momentum was smashed, and this time his aura was so concentrated, the black-robed elders were screaming and screaming, backing a few steps one after another.

Even after Xian Huazang felt Chen Feng's aura, his legs softened and he just sat down on the ground.

He looked up at Chen Feng blankly, his eyes were as if he was looking at a **** or devil.

At this time, Xian Huazang realized a terrible fact, that is, Chen Feng is not a treasure-giving boy. Chen Feng does not only have such treasures, Chen Feng has an incomparable strength that matches these treasures!

Chen Feng was not begging him to kneel, but was ordering him to kneel!

Someone took a deep breath: "Chen Feng just took out the treasure just now, which impressed us so deeply that we all ignored his strength!"

"Yes, Chen Feng himself, but has extremely powerful strength!"

"His strength is enough to support him to protect these treasures!"

"The elders of the Seven-Star Chamber of Commerce, even if they are Xianhua Zang, if you want to do it, I'm afraid no one will be Chen Feng's opponent!"

At this moment, Chen Feng looked at Xian Huazang, and said with a smile:

"Why, don't you..."

Before the two words of 'will' were spoken, Xian Hua Zang suddenly shivered in excitement. He suddenly felt a sense of extreme cold, and immediately enveloped himself.

He suddenly raised his head and looked into Chen Feng's eyes, only to see that Chen Feng's eyes were already murderous!

A word suddenly flashed in Xian Huazang's heart: "There are no more than three things! There are no more than three things!"

Chen Feng has asked this sentence twice!

This is the third time he asked!

Three things!

After Chen Feng asked this sentence, he would definitely do something to me, he would definitely not be polite!

He has no patience!

"Am I Chen Feng's opponent?"

Xian Huazang asked himself this way.

Without thinking about him at all, he came to the conclusion: "Absolutely not!"

The elders of the Seven-Star Chamber of Commerce, if you want to look at treasures and go out to collect treasures, they are the best.

But the general cultivation base is weaker.

He could not be Chen Feng's opponent at all.

Thinking of this, seeing Chen Feng's icy eyes and feeling the murderous aura coming.

At this moment, Xian Huazang felt as if he was enveloped in fear.

Only one voice echoed in his heart: "Chen Feng will kill me! I will die here today!"

Xian Huazang was so flustered that he could no longer care about anything!

What kind of face, all don't want it!

There was only one thought in his mind at this time, and that was: live!

He actually walked two steps quickly, before everyone was watching, with a plop, he knelt directly in front of Yan Yunxin.

boom!

boom!

boom!

He knocked his head three times very simply and yelled: "Miss, I am confused, you can spare me!"

There he kowtows and cries for mercy!

Seeing this scene, everyone was in an uproar: "Xian Hua Zang actually kowtowed his head for mercy!"

"Yeah, he was softened, and he still begged Yan Yun for mercy!"

"Chen Feng is really amazing, he turned the situation around with his own strength!"

"Haha, this time a group of elders from Xianhua Zangnong came to force the palace and wanted to embarrass the young lady, but they didn't expect to be easily resolved by Chen Feng!"

"After today, Xian Huazang has no face to dare to embarrass the eldest lady!"

Many people who support Yan Junxin are extremely happy.

Lu Yutang's eyes were flushed: "With friends like Brother Chen, Missy will not be in vain in this life!"

And the black-robed elders standing behind the Xianhua Zang were silent.

These three heads were knocked by Xianhua.

But this face was lost by all of them!

They are all very clear, today they are all knelt on the ground and slapped their faces fiercely!

Everyone felt that their faces were dull.*novELus&.Com*

When their eyes fell on Chen Feng, there was only one emotion left, that is: awe!

This young man, today, with his own power, reversed this situation and shocked everyone!

Xian Huazang knelt there, begging for mercy repeatedly.

Yan Yunxin stared at him unblinkingly. After a while, he sighed softly.

She could tell that Xian Huazang was really scared.

Yan Yunxin didn't say anything, but just turned his attention to Chen Feng.

This situation was fought by Chen Feng, and she was not qualified to decide for Chen Feng.

Xian Huazang's eyes also fell on Chen Feng.

His fate today will be determined by this young man.

Chen Feng walked slowly in front of Xian Huazang, knelt down, his eyes were level with him.

Seeing this scene, everyone held their breath, waiting for Chen Feng to deal with Xian Huazang.

Chen Feng stretched out a hand, supporting Xian Huazang's chin.

His action is extremely frivolous and looks full of joking.

Xian Huazang wanted to find a crack in the ground to get in.

Chen Feng, this is a naked humiliation, but he dare not say a word.

Chen Feng looked at him, smiled and said, "Xian Huazang, I know what you think, and I also know who the master behind you is."

"I will tell you one thing now!"

"Move me Chen Feng, yes!"

"Move my friend of Chen Feng!"

Chen Feng stood up slowly, his voice suddenly raised, and the words like thunderous words suddenly exploded in this space: "Advise you to think twice!"

His voice is decisive!

Everyone could not help but feel stagnant!

Countless people are very envious of Yan Jun.

It can only be said that Sansheng is fortunate to be able to make friends like Chen Feng.

On the other hand, Xian Huazang's face was pale, and his whole body was shaking involuntarily.

He knew that Chen Feng's words were not only for him, but also for those behind him.

Xian Huazang was already frightened at this time, and he even had no feelings of hatred or anger in his heart.

He knelt there blankly, and hadn't stood up for a long time.

But when he raised his eyes again, he found that Chen Feng and others had already left here.

At this moment, among the crowd, a young man who didn't seem to be very eye-catching had sneaky eyes, looked around, and then quickly left the Seven-Star Auction.

However, after he left the Seven-Star Auction, he turned around, and soon came to the back door of a huge building.

That building is extremely magnificent, and its scale is not even inferior to the Seven Star Auction.

And at the top of that building, there is a giant dragon.

However, this giant dragon is blue in color, just like the sea dragon.

Although it is a statue, it is lifelike.

This building is the young master Sun Gaoge of the North Sea Dragon God Palace, newly built to compete with the Seven Star Auction: the Dragon God Auction!

The Dragon God Auction was also extremely lively at this time.

[Chapter 3913: Xuanhuang Reincarnation Order!](#)

However, this back door is rarely visited.

At this moment, the sneaky young man glanced around and saw that there was no one around, he opened one of the small doors and got in.

However, after a cup of tea time, in a secret room of the Dragon God auction site, there was a huge roar!

"How dare you come back, how dare you be so arrogant!"

"You take those treasures, are you going to slap me in the face?"

"Chen Feng, **** you!"

The crazy roar makes you all look at each other and show fear.

They feel that their young master is crazy.

In the past few months, whenever I heard a little bit of news about Chen Feng, I would be furious.

It has been a long time since no one dared to mention the word Chen Feng before him.

In the secret room, there was only one person at this time, and it was the grandson Gaoge.

He slapped around frantically, smashing everything he could smash in front of him!

The eldest grandson Gaoge was already cast a psychological shadow by Chen Feng's face.

Chen Feng did not target him at all, or even paid attention to him.

But he felt that Chen Feng's showcasing was just to slap himself in the face!

After a while, the roar of the grandson Gaoge finally stopped.

He looked dazed, sitting there, eyes blank.

After a long while, it seemed to be thinking of something, and the expression in his eyes suddenly became agile.

He suddenly got up, clapped his hands, and said loudly: "Yes, I still have a cousin!"

"I'm not Chen Feng's opponent, I can't hold him down, my cousin will definitely clean him up!"

"This time, my cousin can definitely help me earn back the lost face!"

He clenched his fist fiercely: "Chen Feng, you dog, wait for me!"

"Doesn't your Seven Stars auction house hold an auction? I went to smash the place with my cousin, and you couldn't get out when I saw it!"

He chuckled: "If you don't come out, you will be stubborn!"

"If you dare to come out, when the time comes, there will be ways to make you faceless and embarrassed!"

At this time, Chen Feng had already settled down in his residence behind the Seven Star Auction House.

He picked out what he needed among those treasures.

The remaining ten treasures were all given to Yan Yunxin and entrusted to auction at the Seven Star Auction.

Although the number has changed from dozens to ten, it is enough to support at least five big auctions.

You know, each of the treasures Chen Feng brought out can appear as the finale!

After settling down for a while, Wu Linghan and Chu Ci went out for a stroll.

It was the first time for the two of them to come to Chaoge Tianzi City, and they were delighted to look at them, ready to prepare some smelting materials.

Chen Feng and Mei Wuxia had a conversation and were about to return to the room.

Suddenly, at this moment, Chen Feng's chest suddenly flashed with a green light.

This group of green and misty light is a little hazy, with a hint of warmth.

Just like the finest jade.

As soon as this group of green light appeared, Chen Feng hadn't reacted yet, but Mei Wuxia next to him was there for a moment.

She stared straight at the green light, her breathing stopped.

The next moment, he suddenly raised his head suddenly.

Therefore, Chen Feng saw that Mei Wuxia was short of breath at this time, and she was extremely excited.

Chen Feng was surprised: "Flawless, what's wrong with you?"

Mei Wuxia suddenly yelled, "Brother Chen Feng, what is this in your chest? Can you let me see? Can you let me see?"

She was extremely emotional.

And Chen Feng also realized that the gleaming green light on his chest at this moment was a treasure of great importance to Mei Wuxia.

Chen Feng nodded slowly: "Of course."

The next moment, he stretched his hand into his chest and took out the cloud of green light.

"So it's you!"

Chen Feng raised his eyebrows.

It turned out that it wasn't something else that emitted this green mist at this time. It was the jade card that Chen Feng had obtained after beheading the five-star martial emperor in the deserted ancient ruins.

A jade plate with the word 'reincarnation' engraved on it.

After seeing this jade medal, Mei Wuxia's breathing stopped.

She sat there blankly for a while, and then suddenly stretched out her hand to **** the Xuanhuang Reincarnation Order from Chen Feng!

Holding it in his hand, looking back and forth with excitement, rubbing vigorously.

She yelled: "Xuanhuang Reincarnation Order! It turned out to be the Xuanhuang Reincarnation Order! I actually found you!"

The next moment, there was a hint of crying in her voice: "I finally found you! Xuanhuang Reincarnation Order!"

In the next moment, she threw the jade medal away, and immediately fell to her knees, crying bitterly.

Chen Feng was stunned, not knowing what happened to her.

However, she could feel Mei Wuxia's emotions.

It was sadness, joy and unspeakable rejoicing!

After a long while, Mei Wuxia finally returned to normal.

She lowered her head to play with her hair, and said softly: "Brother Chen Feng, I'm sorry, just laughed."

Chen Feng smiled and rubbed her head, pretending to be angry:

"You little guy, what can you tell me?"

"What is the difference between the two of us, what kind of you have I never seen?"

Speaking of this, I also laughed out loud.

Mei Wuxia's face turned red, and she stretched out her hand and patted him gently: "What do you think, you fellow?"

When Chen Feng was startled, he knew that Mei Wuxia wanted to get crooked.

He shook his head without explaining, just waiting for Mei Wuxia to calm down.

It was another half an hour before Mei Wuxia's mood was completely calmed down. she was

He sighed softly and said, "Brother Chen, it's actually not that I was so emotional just now."

"It's just because this Xuanhuang Reincarnation Order is an extremely important treasure for me, for my inheritance, and for my teacher!"

Chen Feng raised his eyebrows, looked at Mei Wuxia and said, "What do you mean, this Xuanhuang Reincarnation Order belongs to your sect?"

Mei Wuxia shook her head slightly and said, "No, this Xuanhuang Reincarnation Order belongs to Brother Chen Feng, not from our sect."

"Xuanhuang Reincarnation Order is not just one piece."

"Our sect should be another piece."

When Chen Feng heard this, his heart was shaken.

Obviously, Mei Wuxia should know more than she thought.

"How much is this Xuanhuang Reincarnation Order? Is it because how many people have this Xuanhuang Reincarnation Order?"

Chen Feng did not interrupt, just waiting for her to continue.

Mei Wuxia said softly: "My inheritance, my sect, the ancestor of our sect, also had a mysterious yellow reincarnation order."

"And this secret, I found from the highest classics that have been lost for tens of thousands of years."

[Chapter 3914: Entangled Destiny](#)

"And this secret, I found from the highest classics that have been lost for tens of thousands of years."

"Because he has this Erxuanhuang reincarnation order, he has only gained extremely terrifying power, and has just created our sect."

"But then, for some reason, his mysterious yellow reincarnation order was lost."

"Therefore, Master Patriarch left his last life, and any disciple who worships the inheritance of our Master will swear a poisonous oath at the beginning of the entry!"

"In this life, I must find this Xuanhuang Reincarnation Order. If I can't find it, then I will not enter into reincarnation for every generation!"

"Every other day, I will be tortured by pain and fear for five hours!"

"It's dead, but also a lonely ghost!"

"what?"

Chen Feng was astonished: "How could he make such a vicious oath?"

"Yes!"

Mei Wuxia nodded his head seriously: "This is the rule set by the ancestor, and anyone who is getting started must post this."

She whispered: "Actually, I understand Grandpa Patriarch, I'm afraid Grandpa Patriarch has a heart for this thing, and doesn't want to find it all the time."

"That's why I left this last word."

"But later I learned how terrifying this poisonous oath is."

Her voice trembled: "Brother Chen Feng, do you know? This is not a simple poisonous oath!"

"After I made this poisonous oath, I didn't do it later."

"So, every other day, I will be tortured by this poisonous oath!"

"Almost every night, there is a nightmare, and life is miserable!"

"I know why this is! This is the ancestor master trying to force us to find it! Let us not feel at ease!"

"But I hate him! I even hate him for it!"

"do you know!"

She gritted her teeth, raised her head fiercely, and looked at Chen Feng, a rare fierce hatred flashed in her eyes.

Chen Feng took her into his arms and said softly, "I know what I know."

He didn't say anything more, just reached out and patted Mei Wuxia's shoulder gently.

Mei Wuxia covered her face with her hands, and her body trembled.

As if the days tortured by this poisonous oath are coming again like a nightmare!

"correct."

Chen Feng deliberately eased the atmosphere, then smiled and said, "Flawless, you just said that this mysterious yellow reincarnation order belongs to me."

"This Xuanhuang Order of Reincarnation is not mine. I got it from someone else. It's almost the same as his."

"Do not!"

Mei Wuxia looked at Chen Feng, but smiled slightly, a little mysterious in her smile.

She said word by word: "Brother Chen Feng, this Xuanhuang Reincarnation Order belongs to you, and it can only be yours!"

Chen Feng listened and saw her smile, and suddenly trembled in his heart for no reason.

He was almost instinctive, and quickly turned the Xuanhuang Reincarnation Order over and looked back.

Then, Chen Feng's pupils shrank, but his eyes suddenly widened!

In those eyes, there was an extremely unbelievable emotion, and he exclaimed: "How is it possible?"

Mei Wuxia seemed to have guessed it, and said softly: "Brother Chen Feng, nothing is impossible."

"Especially, for the power that casts this mysterious yellow reincarnation order, nothing is impossible."

Chen Feng looked at her and said solemnly, "Flawless, what exactly do you know? Tell me everything!"

Mei Wuxia nodded: "Brother Chen Feng, how could I hide from you?"

It turned out that the reason why Chen Feng was so surprised was because he had just seen the back of the Xuanhuang Reincarnation Order.

On the back, under the word Reincarnation, two fonts appeared surprisingly!

These two words are extremely old and extremely complicated!

Chen Feng didn't know what the word was, but he just knew it!

Those two words are exactly: Chen Feng!

Chen Feng's name, I don't know when, actually appeared on this Xuanhuang Reincarnation Order!

Moreover, it is exactly the same as the font of the two characters "Reincarnation".

More importantly, it is not just the appearance of Chen Feng's name.

It was because Chen Feng felt that when he saw this Xuanhuang Reincarnation Order, when he saw the two words above, there was a feeling in his heart that was closely related to it, infinitely involved, and destiny affected!

"I think there is a mysterious power in this Xuanhuang Reincarnation Order, which has stirred into my destiny!"

"Let my destiny be full of twists and turns, and add countless variables!"

"What exactly is going on?"

"What kind of power does this Xuanhuang Order of Reincarnation have? What impact will it have on me?"

Chen Feng whispered: "Flawless, tell me, what is the use of this Xuanhuang Reincarnation Order?"

Mei Wuxia said softly: "I don't know much, I will tell you everything I know now."

She thought for a while, rationalized her thoughts, and said softly:

"Let's start with my ancestor master!"

"It is said that the ancestor of our sect is an ordinary person."

"Later, by coincidence, a strong man was saved, but the strong man was too seriously injured and he still could not be saved."

"Before dying, I was grateful for the kindness of the master and bestowed him this Xuanhuang Reincarnation Order!"

"After obtaining this Xuanhuang Reincarnation Order, the ancestor grandfather has only gained great strength and created our foundation!"

"I don't know exactly how high the strength of the Patriarch is, but at least it will not be lower than the Six-Star Wudi!"

Chen Feng listened, secretly awe-inspiring:

"Six-star Emperor Wu!"

"The level of the supreme master of the nine powers is nothing more than the Six-Star Emperor Wu!"

"How difficult it is to become a six-star Wudi! Talent, background, sect, power, and financial resources are indispensable!"

"The flawless Patriarch can become a six-star Wudi from an ordinary person. For this purpose alone, the Xuanhuang Reincarnation Order can be said to be the supreme treasure!"

"However, the true effect of this Xuanhuang Reincarnation Order is said to be not here yet, but..."

Mei Wuxia paused and looked at Chen Feng, with a trace of confusion and struggle in his eyes.

Softly said: "This thing is related to the trace of the fairy in the legend!"

"What? The fairy trail?"

Chen Feng trembled fiercely in his heart!

Fairy!

That is the illusory existence in the legend of the Dragon Vessel Continent!

At least he had to be at the level of the legendary Thor to be considered a fairy.

"Brother Chen Feng, do you believe in the existence of immortals?"

This sentence directly stunned Chen Feng.

Fairy!

Of course he believed in the existence of immortals.

Can Thor be considered a fairy?

The fallen Thor's battle axe he left behind, a fragment of a weapon that he couldn't rank in his hand, was so terrifying, how terrifying was he himself?

He is not a fairy, who is?

"Is a powerful warrior a fairy? Then one day, can I also reach the realm of a fairy?"

Chapter 3915: I control my own life!

Chen Feng thought for a while, then suddenly looked at Mei Wuxia, with a slight smile on his face:

"If a warrior with a strong enough strength is an immortal, then I believe some people exist!"

Mei Wuxia smiled and said softly: "It's not like this."

"The immortal I'm talking about can actually be regarded as a warrior, but it's not a warrior in the sense of the dragon vein continent."

"They are detached from the Dragon Vein Continent and can get rid of the shackles of the Dragon Vein Continent!"

Chen Feng was stunned for a moment, but he understood what Mei Wuxia meant and asked softly, "A fairy from outside the sky?"

Mei Wuxia nodded and said: "Yes, it is said that in the ancient times, in the era of Patriarch, on the Dragon Vessel Continent, there were often immortals coming and going."

"There are often traces of immortals, but these years have been broken."

Chen Feng nodded.

Xuanhuang Reincarnation Order!

Fairy trail!

Chen Feng chewed these two words carefully, and suddenly felt a touch in his heart.

He felt that the mysterious yellow reincarnation order he had contacted seemed to have been exposed to a great secret!

"even....."

Chen Feng looked up at the sky, looking at the depths of the sky: "Are you immortals? What kind of people are they? What kind of warrior? What kind of realm?"

There was an unspeakable strong envy in his heart:

"I only know that they can travel between the world at will!"

"Come if you want to come to Longmai Continent, leave if you want, that's a realm that I can't reach right now!"

"If I had such strength, how good should I be!"

Playing with the Xuanhuang Reincarnation Order in his hands, he whispered softly: "Wu Xian, you say, if I break this Xuanhuang Reincarnation Order or throw it away, what will happen?"

Mei Wuxia's pupils shrank instantly, a touch of extreme horror appeared on her face, and she said loudly:

"Brother Chen Feng, don't do that!"

Chen Feng chuckled, "It's just a joke."

"This joke is not easy to make!"

Mei Wuxia said sternly: "This mysterious yellow reincarnation order seems to have a magical power that can bring extremely powerful power to the holder."

"But once you lose it, you will be beaten back to its original form, and your death will be extremely miserable!"

Chen Feng's heart jumped fiercely.

Mei Wuxia said solemnly, "Master Patriarch is like that."

"Back then, after he lost the Xuanhuang Reincarnation Order in the deserted ancient ruins, there was no more news!"

"There is only time to pass back a piece of divine consciousness, so that all the disciples from now on will swear a poisonous oath and do their best to find the Xuanhuang Reincarnation Order!"

"and then?"

Chen Feng was extremely anxious at this time.

He vaguely felt that what Mei Wuxia said might be related to the highest mystery of this mysterious yellow reincarnation order.

"then....."

There was a tremor in Mei Wuxia's voice: "Then there is no more."

"According to Grand Master's disciples, he is most likely to have died in less than a cup of tea after losing the Xuanhuang Reincarnation Order..."

Chen Feng stared at Mei Wuxia, and said word by word: "Is he a desolate ruin? Did he die in a desolate ruin?"

"That's why you have to put all your energy into it, and you have to go to the desolate and abandon it, just to find his relic?"

Mei Wuxia nodded gently.

"Then the truth may be..."

Chen Feng's voice trembled: "Your Patriarch died the moment he lost the Xuanhuang Reincarnation Order."

"He only had time to pass back a piece of divine consciousness, tell his disciples, let them retrieve the Xuanhuang reincarnation order, in order to pay homage to his spirit in the sky."

Mei Wuxia looked at Chen Fengfeng with a bitter face, but finally nodded slowly.

Chen Feng wanted to speak, but he found that his lips were shaking at this time.

After a long time, he calmed down and said softly:

"In other words, if this Xuanhuang Reincarnation Order is lost, there will only be a dead end."

"Moreover, in a short period of time, for inexplicable reasons, he died quickly!"

Mei Wuxia swallowed at this time, she stretched out her hand and rubbed her face fiercely, rubbing her stiff face away.

Then he looked at Chen Feng and said softly and relievedly: "Brother Chen Feng, I don't think you need to think so much."

"All this is just our speculation, it is possible that the truth is not like this at all!"

"But the most likely truth is like this!"

Chen Feng interrupted her directly at this time.

Mei Wuxia froze there, her face seemed to be smiling, not crying, not knowing what to say.

Chen Feng looked relaxed.

He had just discovered that his fate had been disturbed by the Xuanhuang Reincarnation Order, and his heart had been strained.

Even very upset, want to explode the same kind of emotion.

After all, I inexplicably discovered that my name appeared on this thing, and inexplicably discovered that I seemed to be following the Xuanhuang Reincarnation Order, and had a mysterious connection with certain powers in the dark, and my destiny seemed to be out of control.

For Chen Feng, it was extremely unbearable!

But Chen Feng quickly adjusted back at this time.

He sighed slightly, a smile appeared at the corner of his mouth.

There was a touch of sarcasm in that smile, a touch of disdain, and a touch of unspeakable sharpness:

"Want to control my Chen Feng's destiny?"

"Tell you, my fate is mine, not God!"

"No one can control my destiny!"

Chen Feng sighed lightly and looked up at the sky.

Above Chaoge Tianzi City, countless huge floating mountains, in the setting sun dropped one after another magnificent silhouettes.

"Nothing can control my destiny, but I control my destiny, I see the opportunity, but I use it!"

Chen Feng suddenly had an idea in his mind.

He looked at Mei Wuxia and asked, "Wu Xia, did your Patriarch of the Father only gain the strength after receiving the Xuanhuang Reincarnation Order?"

Mei Wuxia nodded.

"Then this matter, for me..."

Chen Feng smiled lightly, not only did he not feel bored just now, but was very relaxed: "This Xuanhuang Reincarnation Order is not a burden, nor is it a pain, but an opportunity!"

"After Mei Wuxia's ancestor master got the Xuanhuang Reincarnation Order, he was able to become a six-star Wudi from a mortal, then after I got this Xuanhuang Reincarnation Order, what opportunity can I get? What benefits do I get? What a huge improvement?"

"Even, the Xuanhuang Reincarnation Order can help me understand the deepest level of this Dragon Vein Continent, and even the secrets of the universe and the void of the universe!"

Thinking of this, Chen Feng's heart was burning.

Not only Changsun Gaoge and others got the news.

Almost in just one or two hours, following the departure of those onlookers in the Seven-Star Auction, a news spread quickly:

[Chapter 3916: I'll vent my anger for you!](#)

Chen Feng single-handedly suppressed all the elders of Xianhua Zang and the Seven Star Chamber of Commerce, and took out countless treasures to convince everyone!

Spread throughout the entire Chaoge Tianzi City!

The reaction was mixed.

There was joy, boredom, and hatred, but without exception, they all realized Chen Feng's power.

Everyone knows that in addition to strong strength and extremely high talent, Chen Feng has countless treasures and heritage!

No one dares to despise him in this respect!n0vElUsb.com

Following this, another news, almost also in the evening of the same day, spread throughout Chaoge Tianzi City.

The Seven Star Auction, which has been suspended for three full months, will reopen tomorrow evening!

Even the gossip has spread. The final treasures in this auction are the two treasures that Chen Feng first brought out today:

The thick earth pagoda of the six mountains and the blue smoke yarn of Bi Luo!

This news shocked Chaoge Tianzi City almost instantly.

After hearing this news, countless warriors are looking forward to the auction tomorrow.

And this news spread towards Chaoge Tianzi City at an extremely fast speed.

There is a place where the Sect Master, who is only weaker than the nine major forces, practiced retreat.

"What? Liuyue Thick Earth Pagoda and Biluo Qingyansha are actually going to be auctioned in Chaoge Tianzi City?"

"These two things, I am determined to win."

"You wait for your sect to do your best, and you will also buy them back!"

"Yes!"

With that rumbling, a voice like a rolling thunder came from the cave, and many disciples outside saluted together.

A floating mountain, but the scenery is pretty.

On a cliff, lone pine slanted horizontally.

An old man in a shabby robe was lying on it, drinking heavily.

Suddenly, there was a streamer passing by in the distance, it turned out to be a white godlike spirit bird about the size of a fist.

There was a whistle tied to the paw of the spirit bird.

He took the whistle off, took out a note from it, read it carefully, and then nodded slightly.

"It turns out that it is the treasure that Chen Feng brought out. It is worthy of being a young hero. This is my own effort to rescue the seven-star auction house!"

There was a look of interest at the corner of his mouth: "The old man wants to go and see it, it's just right."

Almost all the forces around Chaoge Tianzi City keep their own people in Chaoge Tianzi City.

The purpose is to inform the news at critical times.

At this time, almost all of them received this news.

Suddenly, with Chaoge Tianzi City as the center, the surrounding winds and clouds moved, almost countless powerful people came here.

For that is the auction of tomorrow.

Even if some people think they are incapable of getting it, they still feel that taking part in the excitement can help them gain insights.

And as the news spread, the important point is that many warriors have regained their confidence in the Seven Star Auction.

They are already used to doing business with the Seven Star Auction House.

It's just that because of these days, the seven-star auction site has been suppressed really badly.

But now, after receiving this news, knowing that the treasures Chen Feng had brought out were sufficient for at least ten auctions, all of them were suddenly determined.

Suddenly, the seven-star auction site, which was already a good deal, turned out to be crowded.

Many warriors have kept their treasures in their pockets for a long time and brought them to auction here.

On the opposite side, the Dragon God auction site, which was already in full swing, was dead silent at this time.

However, at this time, at the top of the Dragon God auction site, two figures stood proudly.

The one standing at the back is the grandson Gao.

And there was a man in front of him, a middle-aged man in his forties.

He was tall, with a gloomy look, and his body was extremely magnificent.

A burst of light yellow power loomed around his body.

It seems to be gentle, but in fact it is full and majestic.

He was wearing an earth-yellow robe, the yellow robe rolled, revealing the pattern on it, which turned out to be the pattern of a giant tortoise.

However, this giant tortoise is not as simple as an ordinary tortoise.

It actually has a dragon head, and the carapace on the surface is even harder to imagine!

And its four legs actually support the earth!

Its head is raised, it is supporting the sky!

It gives people the feeling that this is a huge dragon tortoise that seems to be able to hold up a world!

Extraordinarily vulgar.

Changsun Gaoge stared at the seven-star auction house where the crowd was endless, and his voice was cold and cold: "It's all **** blame Chen Feng!"

"If it weren't for him, our plan would have been successful!"

That tall, stern-faced middle-aged yin bird, with a sneer at the corner of his mouth, said slowly:

"Chen Feng, in front of me, just ants!"

"Relax, cousin, your business is mine."

"In this tone, I will do it for you! You just wait."

Longsun Gaoge obviously had great confidence in him. After hearing this sentence, he was overjoyed and said loudly, "Thank you cousin!"

In his opinion, Chen Feng is already a dead person.

Chen Feng's omnipotent cousin can't be an opponent at all.

Moreover, the middle-aged tall yin bird slowly straightened his body, raised his chin, and showed an indescribable arrogance on his face.

He looked down at these people in the Tianzi City, as if looking down at the masses, full of a sense of superiority that was dismissive.

Slowly said: "Let's hide from the world's six sects, we have been out of sight of this world for too long!"

"So much so that some people have forgotten how powerful we are and dare to bully us!"

"just now!"

He paused, and then said word by word: "It's also time to let them know what is the real strong, the real power!"

The grandson Gaoge next to him was extremely excited and said loudly: "Cousin, that's the reason!"

"Let me say, Father, they can't help but tolerate too much!"

"A cat or a dog dare to step on our heads!"

"Yes!"

The tall and middle-aged yin bird said coldly: "How can a dog like Chen Feng have the qualifications to compare with us?"

"That is to say, I haven't been walking around in the Longmai Continent before, otherwise, I would have suppressed him a little bit of limelight long ago!"

"As for the nine major forces..."

He sneered, extremely disdainful: "What counts?"

In the evening of the same day, there was still an hour left before the auction, and many warriors could not wait to enter.

This auction was naturally placed in the largest auction room in the Seven Stars Auction House.

The auction hall has a radius of only a few kilometers, which is enough to hold hundreds of thousands of people.

Moreover, all the seats here are floating in the air.

Of course, the level is different.

The higher the front, the lower the lower, and the lower the higher the higher.

[Chapter 3917: Chen Feng, today I will make you faceless!](#)

Each seat looks different.

Some are like clouds, some are like boats, and some are simply a big bed.

According to your preferences, you can make an agreement with the auction house in advance. Of course, the price is expensive.

At this time, Chen Feng was standing at the highest point of the auction house.

This is a box, which looks like a three-story pavilion.

The height is tens of meters, and the radius is as large as tens of meters, which is enough to accommodate more than a hundred people.

At this time, the gate of the hall on the first floor of this pavilion opened. Mei Wuxia and others were sitting inside, while Chen Feng was standing at the pavilion door, looking down.

At this moment, from his perspective, he could see all the conditions in this big auction hall.

There is no more than one cup of tea left before the auction starts. In the big auction hall, the seats are basically full.

There are already hundreds of thousands of people inside!

A touch of excitement appeared in Yan Yun's eyes next to him, and said with a smile:

"My seven-star auction house, I'm afraid it has been around for ten years. There has never been an auction with so many people."

"This time, I also want to thank Master Chen."

Chen Feng smiled and said, "We two, why bother to say so politely?"

"I want to come, because they were suffocated before, this time there are two treasures finale."

Yan Yun nodded: "That's right."

"Furthermore, with your two treasures as an attraction this time, a lot of treasures of various colors poured in."

"We made a rough count. They are one level lower than your son, and there are at least nearly ten of them, probably at the level of the second-tier magic weapon."

Chen Feng was all surprised: "There are so many, really gratifying."

"This time, it is estimated that it will become a grand event in Chaoge Tianzi City, completely redeeming the previous decline that was suppressed by the Dragon God Auction."

"Yes."

Yan Yun's heart is also full of smiles.

For the Seven Star Chamber of Commerce, this is a happy event.

At this moment, suddenly there was a loud noise at the entrance of the auction hall.

A large group of people came in, shouting five and six, with an extremely arrogant attitude.

Chen Feng looked there and saw that the group of people was about twenty.

Half of them wore dark blue battle armor with a blue dragon pattern on the cloak.

The other half of the people wore a khaki armor. The khaki armor looked extremely thick, but there were ripples on the armor. The ripples were obviously water system.

The earth-yellow earth power is combined with the water system power, but there is no sense of sudden conflict, but it makes people feel particularly harmonious.

As if it were natural!

Their cloaks are also khaki, but there is a pattern on it that looks like a giant dragon head turtle that can support the sky and the earth!

Chen Feng could not help but be in a daze when he saw the pattern.

He couldn't help but jump in his heart: "What kind of monster is this?"

"Or, this can no longer be called a monster, but!"

Chen Feng slowly spit out two words: "Mythical beast!"

As for the two people surrounded by these people, one of them, Chen Feng, was familiar, and it was the grandson Gaoge.

Next to the grandson Gaoge is a tall middle-aged man.

This tall and middle-aged man is not bad in appearance, but he looks a bit gloomy.

Chen Feng raised his eyebrows, and suddenly remembered what Lu Yutang had said before, and he immediately understood what he said, "Jun Xin, that middle-aged man is the cousin of Changsun Gao, Duanmu Hongyu, right?"

"Yes."

Yan Jun nodded.

There was a deep worry in her eyes.

"In fact, during this period of time, all these things done by the grandson Gao were secretly instructed by his cousin Duanmu Hongyu."

"If it weren't for Duanmu Hongyu, where did Changsun Gao come from? This kind of scheming?"

Chen Feng said: "The eldest grandson Gao is said to be from the Dragon God Palace in the East China Sea. He is a powerful sect that is not weaker than the nine forces. Then he can be awe-inspiring to obey orders. Where does Duanmu Hongyu come from?"

Yan Yunxin said softly: "After they appeared in Chaoge Tianzi City, I also sent people to inquire about their news."

"But they seem to have come out suddenly, and they can't detect much information at all."

"In the end, I tried my best and only learned that this Duan Mu Hongyu came from a sect called Xuanwu Zhenzong."

"Xuanwu Zhenzong?"

Chen Feng frowned.

He had never heard of this name.

His gaze scanned Duanmu Hongyu below and the people around him, and said slowly: "The guards around him, the lowest level one is also the peak of Emperor Wudi of two stars."

"The tallest one is the personal servant of the grandson Gao, whose strength has reached the rank of surpassing the five-star Wudi."

"And this Duanmu Hongyu has unfathomable strength!"

"But I feel his breath, at least not weaker than that old servant."

Chen Feng frowned, "Who is this group of people? How come so many masters suddenly appeared?"

Yan Yunxin slowly shook his head: "I don't know either."

"If it is said that the North Sea Dragon God Palace has revealed a little bit of news before, if there is a little secret but powerful reputation on the Dragon Vein Continent, then this Xuanwu Zhenzong is completely ignorant."

"I don't know where they came from or why they came here!"

Chen Feng shook his head and suppressed the thought.

He said slowly: "It doesn't matter what kind of strength they are, what kind of background they are!"

"As long as you dare to block my Chen Feng's path, you can cut it with one sword!"

Soon, Changsun Gaoge and others were seated, and their positions were quite high.

He seemed to perceive the existence of Chen Feng and glanced at Chen Feng.

Chen Feng also looked at him lightly.

The two eyes met, the grandson Gaoge's eyes were fierce and fierce, full of provocation.

As for Chen Feng, his eyes were faint, and he didn't even look at him for a while, then looked away.

Obviously, he didn't take him to heart at all.

The more he was like this, the more violent the grandson Gaoge became, and his heart was cruel!

The grandson Gaoge was directly ignored by Chen Feng, angrily.

Seeing him like this, Duanmu Hongyu next to him shook his head, and suddenly got up slowly and looked at Chen Feng.

The next moment, his voice resounded throughout the big auction room.

The big auction hall is very large, crowded, and very noisy at this time.

But as soon as his voice sounded, all the noisy voices seemed to be gone, all suppressed by his voice.

By the way, his voice is not loud at all, it seems to be very gentle, like an old friend chatting.

Everyone heard his voice clearly, as if it was ringing in his own ears.

This scene directly shocked everyone.

What shocked them even more was what Duanmu Hongyu said!

"Chen Feng, I will make you faceless today."

[Chapter 3918: Ignore!](#)

Not much, very simple.

But the simpler it is, the more ruthless it is.

As soon as his words fell, everyone was in an uproar: "Duanmu Hongyu is speaking harshly!"

"Yes, Duanmu Hongyu is the backer of Changsun Gaoge. Before Changsun Gaoge was suppressed so badly by Chen Feng, this time he is here to vent his anger for Changsun Gaoge!"

"Haha, this time there is a good show, let's see how the two fight!"

Someone said loudly: "Who do you think has a better chance of winning?"

"I think it should be Duanmu Hongyu. If he doesn't have the courage, how can he dare to say such a thing?"

"This is not the case, I think Chen Feng is still the winner!"

Everyone talked a lot.

However, Duanmu Hongyu still supports more.

Obviously, Duanmu Hongyu's mysterious and terrifying origin also made many people full of confidence in him.

After hearing this, Chen Feng smiled faintly, and ignored the reason, but walked back into the pavilion, tilted his head, and blinked at Mei Wuxia next to him.

When Mei Wuxia saw it, she immediately understood, a mischievous expression appeared on her face.

Then, she cleared her throat, walked out, and looked at Duanmu Hongyu.

The next moment, her crisp voice rang in everyone's ears:

"What are you? You deserve to talk to my son?"

These words have set off a frenzy in the audience!

Everyone was shocked!

What Duanmu Hongyu said was arrogant enough, but he didn't expect Chen Feng to even bother to care about him! "

Just ask a maid in their eyes to come back and talk back.

Moreover, what he said was countless times more arrogant than Duanmu Hongyu!

After saying this, Mei Wuxia raised her head, and returned to the pavilion triumphantly like a rooster returning from victory.

She looked at Chen Feng and chuckled: "Brother Chen Feng, how is it? I'm doing pretty well, right!"

Chen Feng laughed and gave her a thumbs up.

The mentality of both of them was extremely relaxed, and they didn't pay attention to this Duan Mu Hongyu at all.

At this time, Duanmu Hongyu's face was pale.

For him, the scene that happened just now was undoubtedly a huge humiliation, slapped him in the face!

Moreover, Chen Feng used this to let everyone know what he meant, that is: Ignore!

Whether it's his eldest grandson Gao, or you Duanmu Hongyu, I Chen Feng, how can you ever look at it?

I am just two words to you: Ignore!

That's it!

At this time, everyone talked a lot, all looking at Duanmu Hongyu.

Feeling everyone's gaze, Duanmu Hongyu only felt hot on his face. Those gazes were like spears, poking **** his face, causing his face to hurt.

Insult yourself!

He originally wanted to humiliate Chen Feng, but he didn't expect it, he just took his own humiliation!

"This Chen Feng is really crazy enough!"

"Haha, that's also because people have madness!" *nOveLusB.com*

"Duanmu Hongyu was arrogant at first, but I didn't expect it to be compared with Chen Feng, but it was not enough!"

At this time, someone coldly said: "Chen Feng can be mad at this time, and can be horizontal!"

"But later, he has to come up with the strength that matches it, otherwise, his arrogance at this time will only become a laughing stock!"

"Yes!"

Everyone nodded, all agreeing.

"Chen Feng won a game first, and then, it depends on whether Duanmu Hongyu can come back!"

After a while, the auction began.

As the most senior auctioneer from the Seven Stars Auction House came forward, the auction room gradually became quiet.

And the next moment, what the auctioneer said was to make everyone blow up, and it instantly became restless.

Not only was it not quiet, but there was even a loud noise.

It turned out that what he said was: "Now, let's shoot the first treasure, Bi Luo Qing Yansha!"

"Bi Luoqing Yansha, the first one is going to be auctioned?"

Everyone came here this time for two treasures.

A piece of Biluo Qingyansha, a piece of thick earthen pagoda of the Six Mountains, but I didn't expect that the first piece would be auctioned off.

It exploded all at once.

Everyone in the entire auction hall got excited and geared up.

Many people have a smug look on their faces, thinking that this thing is already in their pocket.

They all came prepared, with a lot of dragon blood amethyst in their hands.

The white-robed auctioneer smiled and said, "Now, the bidding begins!"

"The starting price is 100 million Dragon Blood Amethyst."

"Each price increase must be no less than 50 million Dragon Blood Amethyst!"

This is obviously to prevent someone from maliciously increasing prices!

The voice did not fall.

"One hundred and fifty million dragon blood amethyst." A young man in the front row raised a sign and said slowly.

"Two hundred million dragon blood amethysts!"

A **** man next to him immediately followed.

"Two hundred and fifty million dragon blood amethyst!"

"Three hundred million dragon blood amethyst!"

"Three hundred and fifty million dragon blood amethyst!"

...

The sound of bidding is endless.

In an instant, it had reached 350 million Dragon Blood Amethyst!

At this moment, in a corner behind, among the black clouds, a dull voice sounded: "Seven billion dragon blood amethysts!"

This person actually doubled the price directly, reaching the price of 700 million Dragon Blood Amethyst!

Seeing this scene, Chen Feng showed a smile on his mouth.

But he put it out for auction, and the proceeds will go to him.

Of course, the Seven Stars auction house can't produce any treasures, so the auction will not open for a long time, but for the warriors of Chaoge Tianzi City, why not create a desire?

The auction did not open, nor did they have many high-end treasures.

Now suddenly there was a treasure of such a high level, which immediately made everyone excited, and everyone was very anxious to get it.

There was a long figure inside the black cloud, which was constantly swimming.

It looks like a dragon and like a snake.

As he spoke, golden thunders appeared in the air.

Obviously, this existence is a monster race.

Moreover, Chen Feng estimated that his level should not be lower than the Four-Star Demon Emperor.

Obviously, this existence is also quite a bit majestic, capable of suppressing one party.

As soon as he spoke, there was silence here, and the bidding seemed to freeze.

Changsun Gaoge and Duanmu Hongyu looked at each other, and there was a flash of greed in their eyes.

The next moment, a voice sounded: "750 million dragon blood amethyst!"

Everyone is curious: "Who is bidding for this?"

Then they saw a person also stand up.

"Young Master Longshen Palace! It turned out to be the grandson Gaoge!"

"It turns out that he is also interested in this thing!"

"This is interesting, the grandson Gaoge made a move, the ownership of this thing has twists and turns again!"

At this time, the grandson Gaoge stood up, his eyes swept across the crowd, his eyes showed a domineering look, and he said in a deep voice:

[Chapter 3919: Did you ask me?](#)

"This thing, I took a fancy to Beihai Dragon Temple!"

"If anyone dares to bid any more, they will say the enemy of Beihai Beihai Dragon Shrine!"

When he said this, his eyes swept across the auction hall.

In the end, he was frozen in the rolling black cloud: "Do you understand everything?"

After all, he was standing there, looking down at the crowd, with an arrogant face.

When his voice fell, everyone was in an uproar.

"This is too overbearing!"

"Yes, he won't let others bid when he is attracted to it. What is the reason?"

Everyone talked a lot, and their hearts were very upset.

But after all, he didn't dare to offend the Beihai Dragon God Palace, all of them were silent, and no one dared to bid.

The existence in the black cloud suddenly expanded several times, and the thunder in the air suddenly became dense.

It seemed that this existence was so angry, but he finally endured it.

For a long time, I didn't speak.

Obviously, he also admitted.

Seeing this scene, the eldest grandson Gaoge laughed with great pride.

At this time, Chen Feng's eyes narrowed, and said lightly: "Interesting!"

For Chen Feng, he doesn't care how much this thing sells, and he doesn't care about it.

It doesn't matter who he sells to.

Now that it is taken out, everyone can bid.

However, anyone can buy it, but it cannot fall into the hands of Changsun Gaoge and Duanmu Hongyu!

The two of them hated him now. Although Chen Feng is now holding the Biluo Qingyan it is useless, but selling his own treasures to the enemy and letting the enemy deal with him, Chen Feng still can't do such a stupid thing.

Therefore, at this time Chen Feng smiled slightly and stood up.

Seeing that no one dared to speak, the grandson Gaoge laughed at this scene, extremely proud.

He felt that he had almost lost the self-confidence that was suppressed by Chen Feng, and at this time he recovered a lot.

But at this moment, a leisurely voice suddenly came from the highest point of the auction hall: "This thing, you buy it when you say it? Have you asked me?"

Everyone was shocked when he said this.

Then, everyone was in an uproar, looking in the direction of the sound.

I saw that in the floating pavilion box, the door opened.

Chen Feng was standing at the door, arms folded in front of his chest, with a slight smile on the corners of his mouth, with a trace of joking, looking at Duanmu Hongyu and Changsun Gaoge.

When everyone saw this scene, why didn't they understand?

I got excited immediately!

"Haha, this is going to be on the bar!"

"Yes! Chen Feng took the initiative to suppress Duanmu Hongyu and Changsun Gaoge!"

"I don't know who will lose this round!"

The triumphant smile on Changsun Gaoge's face solidified there, and the whole person froze.

He looked at Chen Feng blankly, unable to react for a while.

He was extremely afraid and jealous of Chen Feng.

In the next moment, his complexion changed from red to blue, and then to white. Chen Feng's words were nothing more than a slap in the face, and he slapped him fiercely in front of everyone.

This is ruthless, slapped in public without mercy!

Then, Chen Feng looked at the auctioneer and said, "800 million dragon blood amethyst!"

Seeing that the atmosphere was stagnant, the auctioneer was very unhappy.

For him, the last thing he wants to see is this stagnant situation.

At this time, seeing Chen Feng's offer, he immediately became excited, and said loudly: "This young man bid 800 million dragon blood amethyst, is there any higher?"

Changsun Gaoge stared at the auctioneer and sternly shouted: "He took out this treasure. Can he participate in it himself?"

"Of course!"

The auctioneer looked at the grandson Gaoge with a smile on his face, but his expression was neither humble nor overbearing, and said: "Our Seven Star Auction, even the owner of this item itself can participate in the bidding."

He has a good attitude, but in his words he doesn't give up.

Longsun Gaoge gave him a fierce look and sternly shouted: "850 million dragon blood amethyst!"

He felt that he had lost a lot of face, so he had to take this face back!

Duanmu Hongyu sighed slightly beside him, and took a deep look at Chen Feng.

At this time, he suddenly felt a little grateful:

"Fortunately, I let the grandson Gaoge come forward to do this. If I come forward by myself, I am afraid it is me who is ashamed now."

Hearing the grandson Gaoge's offer again, Chen Feng wandered freely and smiled: "Nine hundred million dragon blood amethysts."

Although the voice was not loud, he did not give way, and his attitude was extremely determined.

Long Sun Gaoge said sharply: "950 million dragon blood amethyst!"

Chen Feng immediately quoted the price: "One billion dragon blood amethyst!"

The two are fighting for me, and in a blink of an eye, the price has already risen to two billion dragon blood amethysts!

Everyone was in an uproar!

"This Biluo Qingyan yarn is extremely precious in itself, but it is far from the price!"

"Yes!"

Someone said solemnly: "The price of this thing is reasonable around one billion dragon blood amethysts."

"If it were fifteen dragon blood amethysts, it would be too high, but now it has reached 1.5 billion dragon blood amethysts, which is already double the premium!"

At this time, apart from Chen Feng and Changsun Gaoge, no one bids anymore!

Long Sun Gaoge gritted his teeth and said cruelly: "Chen Feng, you are not afraid that I will give up bidding at this time. At that time, you will pay for the dragon blood amethyst and buy this thing back. The price is not small!"

After he said this, Chen Feng was stunned.

Then, tilted his head and looked at him sideways, with an expression like "You are not a fool".

As soon as Changsun Gaoge said this, he suddenly cried out in his heart.

He immediately realized that what he had asked was a bit ignorant.

In an instant, a face became iron and iron, and froze there.

Can't say a word.

In the hall, there was a moment of silence, and then a huge burst of laughter broke out in the next moment.

"Hahaha, I'm afraid this eldest grandson Gaoge is not a fool? Can you ask such a thing?"

"Yeah, he can't even think about it!"

"This thing was originally sold by Chen Feng. No matter how much he spends and buys it back, Chen Feng himself has no loss. The big deal is to hand in Dragon Blood Amethyst to the Seven Stars Auction House!"

"Furthermore, with the friendship between Qixing Auction House and Chen Feng, it may not be necessary to smoke Chengdu!"

"He even asked such things? Is he sick?"

Some even laughed extremely cheerfully: "It turns out that the young master of the North Sea Dragon God Palace is a fool!"

Everyone looked at the grandson Gaoge, with an expression on his face that he was particularly stupid, and everyone came to bully him.

Duanmu Hongyu couldn't help hiding his face beside him, and didn't want to see his cousin.

Shame, it is really shame!

The grandson Gaoge had a blank face, and couldn't speak for a long time there.

[Chapter 3920: Thank you two, Chen Feng is grateful!](#)

At this time, he suddenly had an impulse: "Run quickly, escape from here, no longer have to face everyone's eyes, no longer have to lose this person!"

But he knew that he could not leave today.

If he leaves, then the hope of the last comeback is completely gone.

Duanmu Hongyu whispered: "Hold the anger in my heart, we are determined to get this thing, and we have to fight down."

Long Sun Gaohe nodded his head calmly.

He knows naturally.

In fact, when the news reached him and Duan Mu Hongyu yesterday, the two of them realized that this treasure played a very important role in their next big plan.

The forces behind them had also prepared some treasures for the big plan, including a treasure similar to Bi Luo Qingyan.

But the effect is much worse than Bi Luo Qingyansha.[noVeluSb.com](http://www.noVeluSb.com)

Therefore, they are determined to win this Biluo Qingyan.

The two are bidding all the way up again.

When the grandson Gaohe called out the price of 2.35 billion Dragon Blood Amethyst, there was a moment of silence in Chen Feng's pavilion.

Just now, Chen Feng immediately followed him to shout out the price every time, but this time he stopped for a while.

Suddenly, Changsun Gaohe let out a long sigh.

He hoped that Chen Feng would never shout prices again.

Of course, they didn't even know what happened in Chen Feng's pavilion at this time.

It was not that Chen Feng didn't want to make a bid at this time, but was delayed by things.

It turned out that Fang Cai Yan Yunxin and Lu Yutang had already left. At this time, Lu Yutang came to Chen Feng's box again and whispered in Chen Feng's ear.

Chen Feng had heard from Yan Junxin and Lu Yutang a long time ago that Duanmu Hongyu and Changsun Gaohe came to Chaoge Tianzi City this time, which seems to have another plan.

What exactly is going to be done is not clear.

Therefore, he specially asked Lu Yutang to investigate it yesterday.

And now after Lu Yutang came back, he had already given him a quasi-trust child.

After Duanmu Hongyu and Changsun Gaohe entered this place, more than a dozen powerful men belonging to several hidden forces have sneaked into Chaoge Tianzi City in the past month!

Their whereabouts were not noticeable, after all, they sneaked in in batches.

However, the Seven-Star Chamber of Commerce, as one of the top snakes in this Chaoge Tianzi City, was deliberately inspected, and if you couldn't even get these news, then it would be too embarrassing.

Chen Feng said, "What are they going to do with so many powerful people?"

Lu Yutang shook his head: "This is still under investigation."

"It's only certain that they have planned a great deal. And they have also prepared some very powerful weapons that can be used once."

"And these things?"

Chen Feng frowned and thought for a moment, he vaguely felt that he seemed to have caught a clue.

But it is not so refreshing.

After a while, he sighed softly: "There is still too little information!"

Chen Feng had originally planned that, in any case, it was absolutely impossible to let this treasure flow into the hands of Duanmu Hongyu and Changsun Gaoe.

But after hearing what Lu Yutang said, he changed his mind.

"If this Biluo Qingyansha is taken by Duanmu Hongyu and Changsun Gaoe, it may not be a bad thing."

A sly smile appeared at the corner of Chen Feng's mouth, and he had a plan instantly.

Chen Feng intends to use this as a bait to fish out the real purpose behind Duanmu Hongyu and Changsun Gaoe!

"But, these things can be given to you, but they will cost you a heavy price!"

Chen Feng sneered at the corner of his mouth and suddenly got up.

The door of the pavilion opened again, and a number was shouted loudly: "2.4 billion dragon blood amethyst!"

Hearing Chen Feng report this number, the grandson Gaoe almost vomited out old blood!

He thought that Chen Feng would not increase the price anymore, but he did not expect Chen Feng to increase it.

He thought that Chen Feng deliberately waited for this while just to play him, and suddenly became angry!

He was about to lose his mind and shouted sharply: "2.7 billion dragon blood amethysts!"

He actually added 300 million directly on top of the 2.4 billion dragon blood amethyst!

Everyone was in an uproar: "A big deal!"

"Yes, 300 million dragon blood amethysts were added at once. I don't know if Chen Feng can follow this time!"

"Now this thing is already at a premium to about three times the original price!"

Chen Feng laughed at this moment, looking at Duanmu Hongyu and Changsun Gaoe, with a joking expression on the corners of his mouth, and said leisurely, "You two, are you too anxious?"

"To be honest, after I shouted out these 2.4 billion dragon blood amethysts, I originally planned that you only need to add another 50 million, and I won't add it."

"Who would have thought that you would have added 300 million dragon blood amethysts at once!"

"Haha, thank you, really thank you!"

Chen Feng actually arched his hands towards the two, with a smile on his face: "The two are really generous, Chen Feng is grateful."

He was smiling all over his face at this time, but everyone could hear the irony in the words, and everyone suddenly laughed.

They looked at Duanmu Hongyu and Changsun Gaoge.

Chen Feng smiled and arched his hands: "Second, my item could only sell one billion dragon blood amethysts."

"Now through the concerted efforts of you two and constantly raising the price, now you have sold nearly 3 billion Dragon Blood Amethyst, and the price has doubled!"

"Chen Feng, thank you very much!"

With a smile on his face, he folded his hands and said, "Thank you two for taking care of the business. I will patronize next time!"

Chen Feng said this with a slight smile, and everyone burst into laughter.

"Chen Feng's expression on saying this is really hateful!"

"Yes, I guess Duanmu Hongyu and Changsun Gaoge will hate him to death! But what can they do? What can they do about Chen Feng?"

"Haha, when Chen Feng said such things at this time, he was going to **** both of them to death!"

And the fact is exactly the same.

Changsun Gaoge and Duanmu Hongyu were itchy with hatred at this time, and their faces were full of resentment.

But they had nothing to do with Chen Feng.

In this first confrontation, Changsun Gaoge and Duanmu Hongyu were defeated and were easily suppressed by Chen Feng.

Chen Feng only raised the price a few times, causing them both to pay such a huge price.

"Look at the next step. I guess Changsun Gaoge and Duanmu Hongyu will not give up!"

Everyone looked at the show.

However, there was a little more fear and awe in the gaze looking at Chen Feng at this time.

But in the eyes of Changsun Gaoge and Duanmu Hongyu, there was a bit more joking and disdain.

They really were a little miserable by Chen Feng.

Duanmu Hongyu gritted his teeth and said, "Cousin, bear with this moment of breath!"

"Wait! As long as Chen Feng has something to look at and dares to make a move later, I will definitely let him go bankrupt! I will spit out everything I eat now!"
