

## Peerless 3941

### [Chapter 3941: Want Brother Chen Feng to take action? Are you worthy too?](#)

And for an instant, a murderous intent full of extreme madness and spitefulness flashed in that eye!

I don't know why he has such feelings towards Chen Feng!

Their reaction is not so intense, which is normal.

Because they had never seen Chen Feng's toughness before.

Only a group of people from the Foundry Association, at this time, all seemed to have seen a ghost, with a strong look of fear on their faces.

They remembered the scene that day.

They saw with their own eyes that those seniors who were extremely powerful in their eyes, and even the master, were completely defeated in front of Chen Feng, and there was no room to fight back!

Even, involuntarily, they all quietly stepped back, trying to stay away from Chen Feng.

And the leader among them even lowered his voice and said, "Everyone, that evil star is here again."

"We don't do anything with him today, everyone is calm."

"Don't provoke him!"

"Later, let's slip away quietly!"

Everyone hurriedly nodded like chickens pecking rice, all of them were extremely well-behaved.

They were all terrified by Chen Feng.

Yao Xingjian stared at Chen Feng with a gloomy expression and a strong provocation in his tone.

"Chen Feng, I just said that you are here, I still beat you to my knees and begged for mercy!"

"Now, even if you are here, I still say this!"

Chen Feng did not even look at him, his expression was indifferent, and he didn't pay any attention at all, just as if he was farting.

He just walked towards Ji Yingbo and Xin Tianyu, completely ignoring him.

Seeing this scene, Yao Xingjian's face suddenly became extremely cold.

Chen Feng walked up to Ji Yingbo and Xin Tianyu, helped them both up, and patted them with his hand.

Suddenly, Ji Yingbo and Xin Tianyu felt a warm and magnificent force pouring into their bodies.

It's a circle in an instant.

In their bodies, the injury was immediately relieved.

The pain was also reduced a lot at once, and I felt that the whole person was a lot more energetic.

The two looked at Chen Feng gratefully.

Chen Feng smiled and said, "Well, two juniors, you don't have to worry about the next thing."

"Everything has me!"

Everything has me!

When Chen Feng said these four words, his expression was faint, not so aroused, nor so excited.

It's like just telling something extraordinary.

But, somehow, everyone felt a tremor in their hearts after listening.

I just feel that the four words Chen Feng are as heavy as Mount Tai!

Then Chen Feng turned around, looked at Yao Xingjian with a smile, and said with a smile:

"Yao Xingjian, you just humiliated me Chen Feng and my Xuanyuan family!"

"Now, are you ready to pay the price?"

Chen Feng's words were still faint.

But it caused Yao Xingjian's heart to jump fiercely, and what was inexplicable was an indescribable panic.

For an instant, it was full of fear!

His heart trembled: "What's the matter? Why am I so afraid of her? Why am I so afraid of him?"

"What is he? He is just a junior with a false name!"

He gritted his teeth and stared at Chen Feng with a grim look on his face: "Chen Feng, the prestige is not spoken, but typed!"

"What kind of thing are you? But it's a false name!"

"And me? I, Yao Xingjian, was famous in the Longmai Continent ten years ago!"

"Among the young generation of winners in the Eastern Wilderness, they are all strong!"

"My strength is much stronger than you!"

When he said this, he was already yelling, and he believed what he said.

"I'm a dignified three-star martial emperor, how about you? What are you!"

Everyone in the Eastern Wilderness Winner was very excited by what he said, and shouted loudly.

"Big Brother Yao Xingjian, slaughtered Chen Feng!"

They are full of confidence in Yao Xingjian.

In their opinion, Chen Feng is definitely not Yao Xingjian's opponent, after all, he is so young.

And most importantly, Chen Feng suppressed his own strength, and they couldn't see Chen Feng's true strength at all.

Ying Jinglun smiled faintly at this time: "Okay, Yao Xingjian, there is nothing more to say, just scrap Chen Feng."

His voice had a hint of indifference and a hint of command.

It is also very calm.

It's like, just telling a fact, making Yao Xingjian do a trivial thing.

Obviously, he never put Chen Feng in his eyes.

Yao Xingjian nodded his head heavily, looked at Chen Feng, and said with a grinning smile: "Chen Feng, now let me see you, the so-called first genius of the Xuanyuan family!"

Chen Feng's expression was indifferent, but the corners of his mouth showed a hint of coldness.

Chen Feng will make a move next and will directly destroy him!

Yao Xingjian slowly approached Chen Feng.

Seeing the next moment, the two will fight together.

They will also see Chen Feng's true strength.

But at this time, there was a crisp voice, from behind Chen Feng: "Wait a minute!"

Suddenly, everyone was stunned.

Then they saw a charming woman walking out from behind Chen Feng and blocking him.

She raised her chin and said in a deep voice: "Just you, are you also worthy of picking my brother Chen Feng to shoot?"

"If you want to challenge Big Brother Chen Feng, first defeat me!"

Everyone was shocked as soon as he said this.

And Chen Feng himself was stunned.

It turned out that it was Mei Wuxian who stood in front of him at this time!

"What is Mei Wuxian doing? Why does he stand in front of me and ask for a fight? She doesn't like fighting normally!"

Chen Feng was surprised, but didn't say much.

At this time, those people who are the winners of the Eastern Wilderness are as if they were fried.

"You little lady, too arrogant!"

"Yes, she obviously looks down on our Eastern Wilderness winner, and actually wants to play for Chen Feng?"

"What is she? She's just a follower of Chen Feng, Master Yao can only smash her with one punch!"

Yao Xingjian was taken aback first, then furious!

He screamed: "Little bitch, dare you to look down on me?"

As soon as he said this, Mei's face was cold.

But in Chen Feng's eyes, murderous intent flashed past.

Mei Wuxi stared at Yao Xingjian, and said coldly, "You might as well try it again!"

Yao Xingjian laughed wildly, without paying attention: "How about saying it again?"

"I call you a little bitch..."

The word 'zi' has not been spoken yet, and suddenly, Mei Wuxian sneered coldly: "Looking for death!"

She didn't see any other actions.

Just stretched out his hand, and suddenly a red mist enveloped her and Yao Xingjian in an instant.

Mei Wuxian was safe and sound, but Yao Xingjian felt like the world was spinning.

He whispered in his heart that it was not good, and instinctively wanted to hold his breath, but it was too late.

I felt that my body was soft, my eyes were staring, and I almost fainted.

#### [Chapter 3942: I don't want to be your burden!](#)

In the next moment, Mei Wuxie's figure flashed and came directly in front of Yao Xingjian.

Then, a palm was shot hard.

Yao Xingjian couldn't resist at all, and Mei Wuxie slapped him on his face with a slap.

He directly fanned Yao Xingjian with a scream, his head tilted heavily, his teeth flew out mixed with blood, and half of his face was swollen.

Then, Mei Wuxian slapped his backhand again.

He directly swollen half of his face.

Happiness!

Mei Wuxiao slapped Yao Xingjian 18 times, slapped Yao Xingjian out of shape, and kicked out Yao Xingjian directly, and fell heavily among the winners of the Eastern Wilderness.

In an uproar!

Everyone stared at Mei Wuxian blankly, and didn't get any relief for a while!

No one had expected that Yao Xingjian, a magnificent three-star martial emperor, would be defeated so easily by Mei Wuxian at this time.

But in the next moment, they indirectly issued a huge shout and anger.

Especially the winners of the Eastern Wilderness:

"Really shameless, using poison?"

"Yeah, victory is not martial! Your Xuanyuan family members are really shameless!"

An anger flashed in Chen Feng's eyes, they insulted Mei Wuxian, and Chen Feng could not bear this tone!

Mei Wuxie looked at them, but did not fear, and smiled and said, "What? Is it possible that your master has not taught you that all means are part of strength?"

"I'm good at using poison, but I don't use it when I fight, am I stupid?"

"Do you think of me as a fool like you?"

These remarks immediately caused everyone to stagnate.

Mei Wuxian then looked at the child of the Donghuang winner closest to her, pointed to the long sword in his hand, and ridiculed:

"It seems that you are good at using swords. If you are not allowed to use swords when you are against people, will your strength be greatly reduced?"

"Are you willing?"

That disciple was the most clamoring one just now, but at this time, his face was flushed with this sentence, and he couldn't say a word.

Mei Wuxie's words refuted everyone with nothing to say.

Mei Wuxian turned around, looked around, smiled and said, "Under the Xuanyuan family, Mei Wuxian has no time, please enlighten me!"

"Enlighten me? I am ashamed to clean up you!"

At this time, there was a woman's voice full of mockery.

It wasn't from the Donghuangying family, but from the Alchemist Association.

Chen Feng looked there and saw that the speaker was a woman who was surrounded by the crowd.

This woman looks young, but only in her twenties.

But what is shocking is that she was actually wearing a golden robe.

This person turned out to be a golden robe alchemist!

Although there is only one medicine cauldron above her golden robe, it means that he is a first-grade golden robe alchemist.

But the first-grade golden robe is also a golden robe!

He is the pinnacle pharmacist in the Dragon Vein Continent!

Seeing that Chen Feng and Mei had no time to look over, the woman raised her chin, her face full of arrogance, she didn't even look at them.

This was exactly what she said. This person was full of arrogance, and apparently did not put Chen Feng and Mei Wuxian in his eyes.

Facing the provocation of this golden robe alchemist, Mei Wuxian was about to speak, but at this moment Ying Jinglun spoke suddenly.

Ying Jinglun looked at Chen Feng and said indifferently, "Chen Feng, I wanted Yao Xingjian to do it and clean up you."

"Unexpectedly, there is still a master on your side!"

"I didn't want to take care of you myself, although I hate you deeply, but..."

He was full of arrogance and said: "You are not qualified to let me take action!"

Chen Feng frowned. He didn't know where Ying Jinglun's hatred for him came from.

"but....."

A cold light flashed in his eyes: "I don't care why you hate me so much. Since you dare to say such things, then I, Chen Feng, will naturally not forgive you!"

At this time, although Chen Feng didn't know, the people who were the winners of the Eastern Wilderness probably knew some of the inside information.

Suddenly all of them looked strange and whispered.

"Look at Chen Feng's appearance, it is clear that he doesn't know anything."

"Oh, this Chen Feng is really pitiful, for some reason he got into such a powerful enemy as Ying Jinglun!"

Someone sighed, looked complicated, and whispered: "Ying Jinglun has been in love with the second lady for many years, but Chen Feng has taken love with a sword. Who can stand it?"

"Yes, the second young lady went out for a few years, but after returning, she told the clan that she would never consider the second person unless Chen Feng did not marry."

"It is said that that night, Ying Jinglun was drunk with Ming Tincture, and the servants in his mansion angered him because of trivial matters, and he was killed several times! Since then, he has become depressed and unhappy, and his temper has become more gloomy and violent! "

Someone's face was gloating: "Today Chen Feng ran into Master Ying Jinglun, he was unlucky!"

"Yes, I'm afraid Chen Feng will die here today!"

Ying Jinglun approached slowly.

And Chen Feng also patted Mei Wuxie's shoulder lightly. This time, he was ready to take the shot himself.

Ying Jinglun is the peak power of Samsung Wudi, and he is also afraid that Mei Wuxian is not an opponent.

But to his surprise, Mei Wuxian turned her head to look at him, but shook her head slowly.

Chen Feng whispered: "No time, why?"

Mei Wuxian turned his head and glanced at Chen Feng. His eyes were full of fortitude: "Brother Chen Feng, I said, I'm going to the ancient ruins!"

"I want to fulfill my master's last wish and get rid of the torture of the curse."

"But, you know, I don't want to fight with people. I hate these things."

"But there are some things, no matter how annoying they are, they must be done!"

"I have to do it, I have to fight with others constantly to improve my combat effectiveness!"

She looked at Chen Feng and said word by word: "Brother Chen Feng, I don't want to be your burden!"

When he said these words, Chen Feng felt his heart trembled fiercely.

He suddenly understood, and understood everything.

Seeing Mei Wuxian in front of her, Ying Jinglun stared at Mei Wuxian, and said coldly: "Go away, don't force me to kill!"

His face was full of disdain.

In his opinion, Mei Wuxian's defeat of Yao Xingjian just now was pure luck.

She has no real strength at all.

At this time, he still completely despised Mei Wuxian.

Chen Feng's expression was cold and he was ready. Once Mei Wuxian was not the opponent of Win Jing Lun, then he would immediately take action and abolish Win Jing Lun.

Mei Wuxian shook her head slowly.

Ying Jinglun nodded: "You want to die, right? Then I will fulfill you!"

After all, he suddenly punched and shot out fiercely!

This punch blasted out, and there was infinite vitality in the air.

In that emptiness, even some small green shoots were born!

Obviously, there is a strong breath of life in this fist.

[Chapter 3943: Let him shut up!](#)

He also spotted Mei Wuxian's ability to use poison. This breath of life was the best way to restrain the poison.

However, what made him unexpected is that Mei Wuxie not only uses poison, but also has no weakness in strength!

Mei Wuxiao's figure flickered one after another, and in an instant she came to Ying Jinglun.

Then, take a shot!

Suddenly, palms were everywhere in the sky, directly engulfing Ying Jinglun!

Ying Jinglun's eyes condensed!

The strength that Mei Wuxie showed at this time was actually quite formidable.

The two fists collided, Mei Wuxian's palms all over the sky, suddenly disappeared, took a step back, and Ying Jinglun also shook her body.

Although Ying Jinglun had the upper hand, he felt that he had lost face greatly. He suddenly roared and rushed on frantically.

In a blink of an eye, the two were fighting together.

Soon, the two fought fiercely for a full cup of tea.

And watching, everyone suddenly felt a very strange feeling in their hearts.

They feel that Mei Wuxian seems to be getting stronger and stronger!

Her strength is getting stronger and stronger.

Just now, when she was in the first battle, she was still a little bit at a disadvantage, but now she has the upper hand, and it can even be said to be easy.

In the field at this time, Mei Wuxie turned his hands continuously, forming a circle after another, and one after another circular force was pushed by her.

It is as if an infinite circle is put together, and Ying Jinglun is trapped in it, screaming and shouting frantically.

However, there is no way to break free!

He is exhausted.

Someone exclaimed: "As far as I am concerned, does Mei Wuxian seem to be getting stronger?"

"I think so too!"

An old man next to him said with a solemn expression: "This Mei Wuxian is really serious. He is winning Jinglun and practicing his hands!"

"What? To win Jinglun training?"

Everyone was shocked.

But after a closer look, I think this is indeed the case.

Mei Wuxie feels like she has strength, but because she has too little experience, she can't perform well.

But now she is using Ying Jing Lun to temper herself, making her power more and more natural!

After discovering this fact, everyone was shocked!

Who is Winking? He is a dignified three-star Wudi peak powerhouse, and the most outstanding person among the winners of the Eastern Wilderness!

And he turned out to be a little girl who was unknown to the Xuanyuan family, fighting almost like a show here!

Soon, Ying Jinglun also discovered his situation.

Suddenly, with a sigh, his face rose like pig liver, and the whole person was almost fainted by the endless humiliation!

He just looked down on Chen Feng and the Xuanyuan Family with all kinds of arrogance and arrogance, and he thought that Mei Wuxia was not his own enemy, and would be easily crushed to death by himself.

But I didn't expect that, in the end, he would fall into a disadvantage!

In an instant, his eyes were scary, he let out a crazy roar, and attacked Mei Wuxia fiercely!

He is already in a hurry.

Mei Wuxia giggled at this time. The more anxious to win Jinglun, the more disorganized the offensive, but the easier it is to deal with.

Ying Jinglun attacked her like a mad cow, Mei Wuxia retreated again and again, seemingly forced to retreat by him, but in fact he was looking for flaws.

But Ying Jinglun didn't realize it, thinking that his attack had an effect.

He couldn't help laughing proudly, just about to make a mockery.

Chen Feng was holding his arms beside him at this time, and said leisurely: "Okay, don't say anything, shut up!"

After that, Xiang Mei Wuxia smiled again: "Wuxia, let him shut up!"

Mei Wuxia giggled: "Okay!"

In the next moment, he found a flaw in Ying Jinglun, his figure flashed, and he came directly behind him.

In an instant, those eyes turned a bit fierce!

A sharp light flashed by, and then the two punches struck out like a ring, each drawing a semicircle in the air.

In the end, the two semicircles meet together!

The location of the intersection is exactly where Jinglun's throat is won!

Ying Jinglun let out a miserable scream, only to feel that the two incomparable powers smashed his throat fiercely, almost smashing his throat directly!

He let out a scream, a mouthful of blood spurted out wildly.

That ridicule just now was beaten directly back into the stomach, and he couldn't say it anymore!

Sure enough, she shut up.

A look of panic flashed in Ying Jinglun's eyes, before he had time to react.

Mei Wuxia is already like a dexterous fish, sliding directly in front of him, and then hitting his fists one after another!

Each punch is extremely fast, and the distance is extremely short. It turns out to be a very delicate and fierce punching technique!

When Chen Feng looked at it, his eyelids jumped!

This set of boxing is extremely short and dangerous, and it needs to be close to perform.

However, it is also powerful!

Everyone only listened to the sound of bang bang bang, a sound of defeat, at this moment Mei Wuxia didn't know how many punches he had hit!

All hit the key to Win Jinglun!

The screams of Ying Jinglun are endless!

Finally, Mei Wuxia slammed his chin with the last punch, and directly hit him to a height of tens of meters, and then slammed it to the ground!

It fell there like a torn sack!

She trembled all over, like sifting chaff, but couldn't get up for a long time.

Mei Wuxia clapped her hands, a smile appeared at the corner of her mouth, and said faintly: "Ying Jinglun, now, are you not convinced?"

Then, she raised her head again, looked at the Donghuang winners and shouted coldly: "Is it acceptable?"

The Donghuang winners all looked at Yao Xingjian, who was sitting on the ground and wailing in pain.

Looking at Ying Jinglun, who was still on the ground, was stupid!

How can you refuse to accept it?

They all feel a little bit of face.

After all, their clan produced two powerhouses in a row, but in the end they were defeated by an ordinary disciple of the Xuanyuan clan.

It is not just them, the eyes of other people looking at Mei Wuxia are already full of respect.

No more contempt and disapproval of just now!

Mei Wuxian has already used her strength to win their respect.

Everyone had a hint of admiration on their faces, but only the woman in the golden robe from the Alchemist Association wrinkled her brows, as if thinking of something.

Then, she suddenly said: "Mei Wuxia? Your name is Mei Wuxia?"

"That's right." Mei Wuxia said in a deep voice.

"I heard of you!"

The expression on the woman's face suddenly became very complicated.

With contempt, disdain, and a bit of disgust.

She looked up and down at Mei Wuxia, and said with a sneer: "I've heard that there was a school that didn't refine alchemy, only liquid medicine!"

[Chapter 3944: Win her, this is yours!](#)

"It's not worthy of being compared with our Association of Alchemists!"

"I thought this sect had already disappeared and died clean, but I didn't expect it to leave you such a remnant!"

She looked at Mei Wuxia with disgust: "Why don't you die?"

After she said this, it was not just her. Behind her, the people of the Alchemist Association also showed disgust on their faces. They mocked Mei Wuxia and spoke extremely horribly.

Their disgust is not made, but from the bottom of their hearts.

Obviously, for Mei Wuxia, mainly for the sect behind him, this method of refining pharmaceutical liquids, they are extremely disdainful and disdainful.

But Chen Feng was distinct, and saw a trace of fear in their eyes!

Chen Feng's heart moved, and he roughly understood something.

"Want to come. Alchemy has always been divided into two factions."

"One is to refine the pill, and the other is to refine the liquid medicine?"

"The existence of Wuxia and their sect clearly poses a huge threat to the Alchemist Association. They are regarded as their greatest enemy. That's why they feel like this!"

Mei Wuxia's face was flushed, her eye circles were a bit acidic, and tears were almost falling.

She was different from everyone else's mockery of the Alchemist Association.

She seemed to think of the things she had experienced before.

Chen Feng's eyes were cold, and he was about to step forward for Mei Wuxia.

Mei Wuxia had encountered similar things before, and Mei Wuxia chose patience, but Chen Feng did not want her to be wronged.

Therefore, Chen Feng wants to do it for her!

But when Chen Feng was about to leave, Mei Wuxia suddenly stopped him.

He turned around, the tears in his eyes still remained, but there was a trace of determination: "Brother Chen Feng, rest assured, I can handle this."

After that, she took a deep breath, turned around, and looked at the woman.

"Dare to ask you, Gao's name?"

The woman said coldly: "Yu Qiyu!"

"Yu Qiyu! Good!"

Suddenly, Mei Wuxia's voice was decisive, and she said with unspeakable determination: "Yu Qiyu, now I want to challenge you, do you dare to fight with me?"

Everyone was in an uproar!

"Mei Wuxia actually wants to provoke Yu Qiyu?"

"Mei Wuxia is a bit too arrogant, right? Who is Yu Qiyu? This is a genius who can be counted by the Alchemist Association!"

"Yes, she has reached the level of a golden robe alchemist at a young age. Although she is only a first-grade golden robe alchemist, her level of genius is first-class in the alchemist association!"

"His degree of genius, looking at the entire nine forces, should be the first class!"

"Yes, she is far more than the winner of Jinglun!"

In the eyes of everyone, Yu Qiyu is a higher level than Ying Jing Lun.

Like Mei Wuxia defeating Ying Jinglun, he was a bit reluctant. They were only defeated when they improved their strength in battle.

So, defeating Yu Qiyu is almost impossible!

But only Chen Feng, looking at Mei Wuxia, was full of firmness and admiration.

Yu Qiyu looked at Mei Wuxia, a touch of indifference flashed in her eyes, and said lightly: "You are not qualified to fight with me!"

"Don't you dare?"

Mei Wuxia looked at him, her eyes full of provocation.

Yu Qiyu smiled indifferently, and didn't care about it: "I have experienced too many things over the years, like your provocation, I don't care at all!"

After Mei Wuxia heard this, she was so uncomfortable that she almost couldn't speak.

The other party insulted her so much, ignored her, and didn't fight her at all.

And she has no way at all.

Because the other party is famous, a generation of Tianjiao, and she has no reputation at all.

However, she suddenly raised her head and stared at Yu Qiyu, as if a flame was burning in her eyes.

She really wants to fight Yu Qiyu!

Chen Feng saw Mei Wuxia's expression clearly, and a softness flashed in his eyes.

He looked at Yu Qiyu: "What if there is a bet? Are you playing or not?"

"bet?"

Yu Qiyu glanced at Chen Feng and said with disdain: "What decent bet can you put up? Just you poor ghost?"

She obviously didn't think Chen Feng had any treasures.

Chen Feng smiled lightly, walked forward, and then stretched out his right hand.

The next moment, the golden light was released in his right hand, and a pill was dripping around in the palm of his hand.

After seeing this pill appeared, everyone in the Alchemist Association didn't respond at first. The next moment, they felt the huge aura above and saw the bright brilliance, but they all shouted in shock!

"Sixth-Rank Golden Pill? This is actually a sixth-Rank Golden Pill?"

"God, besides our pharmacist association, there are six-rank golden pills in other places?"

"Although I don't know what the name of this golden core is, but the grade is absolutely extremely high, and it is the best among golden cores!"

They were all stunned, looking at Chen Feng's eyes, they were filled with shock for an instant.

Still a bit greedy!

Not only them, but everyone else was shocked and speechless!

This is a sixth-grade golden core. Looking at the entire Dragon Vein Continent, how many sixth-grade golden cores are there?

Chen Feng looked at Yu Qiyu and smiled, "Is my bet still decent?"

Yu Qiyu was stunned just now, but at this time, her face flushed suddenly.

Chen Feng's words were nothing more than a slap in the face and slapped him on the face.

However, she was also thick-skinned, and at this moment, after a brief shock, she stabilized.

She looked at Chen Feng and said coldly: "What do you mean?"

Chen Feng's voice was calm and his words were extremely brief: "Fight with Mei Wuxia!"

"You won, this pill is yours!"

After hearing this, the atmosphere in the entire field stagnated for a moment.

Everyone held their breath and looked at the sixth-grade golden core in Chen Feng's hand!

"God, this is a sixth-grade golden core, so Chen Feng took it out as a bet?"

"Moreover, there is really no chance that Mei Wuxia will win against Yu Qiyu!"

"This Chen Feng is really good for Mei Wuxia!"

After a moment of stunned Yu Qiyu, she sneered: "I don't see it, Chen Feng, although you have low strength and only a false name, you are pretty rich."

"There is such a high-level pill?"

"Think about it, the reason why you have your current ability is because of these pills, right?"

She was scornful and scornful of Chen Feng.

Even if Chen Feng took out this pill, she thought that Chen Feng relied on the Xuanyuan family's heritage and strength, not on herself.

Chen Feng chuckled and didn't bother to care about her.

Mei Wuxia was also shocked. She looked at Chen Feng blankly and said in a trembled voice: "Brother Chen Feng, this is a sixth-grade golden core!"

#### [Chapter 3945: I believe you!](#)

She knew what this Sixth-Rank Golden Pill meant to Chen Feng, and she knew better that she wanted to challenge Yu Qiyu, and she might not be Yu Qiyu's opponent!

Chen Feng looked at her, smiled softly, only said four words: "I believe you!"

Mei Wuxia didn't have any weakness after being insulted by everyone just now.

But at this moment, when she heard the four words spoken by Chen Feng, she couldn't control it anymore. The tears came down, and the tears were streaming down her face instantly.

She looked at Chen Feng and said word by word: "Brother Chen Feng, rest assured, I will never disappoint your expectations!"

At this time, Yu Qiyu smiled coldly: "Well, in the face of the sixth-grade golden core, I will fulfill you!"

Having said that, he walked closer and looked at Mei Wuxia with a sneer: "You are insulting yourself!"

Mei Wuxia said nothing, just bit her lips tightly.

Yu Qiyu stretched out her right hand, and the next moment, a small alchemy furnace appeared in her right hand.

This alchemy furnace was antique in appearance, only the size of a fist, and it was not made of metal, but it looked like a yellow chalcedony carving.

Exquisite and translucent, extremely heavy, and majestic.

Obviously, it is also a rare treasure!

Yu Qiyu looked at Mei Wuxia and smiled arrogantly: "With this, I can suppress you!"

The next moment, the alchemy furnace in her hand flew up.

The body hasn't grown larger, but the yellow light around him, the yellow light full of the power of the earth, suddenly became extremely powerful.

As a result, it seemed as if a yellow cloud rose in the sky and pressed down against Mei Wuxia!

When Mei Wuxia saw this scene, her eyes moved, as if thinking of something.

"In terms of strength, I may not be Yu Qiyu's opponent, but Yu Qiyu's behavior at this time gave me a chance!"

This Huang Fei alchemy furnace was severely pressed down, with an unparalleled power.

This is a treasure, and Mei Wuxia also has a treasure.

She originally had a lot of treasures, and Chen Feng had also given him some. After all, Chen Feng was never stingy with her.

If she had to fight for the treasure at this time, she could use the treasure to give this Huang Fei alchemy furnace to the next.

But Mei Wuxia did not do so.

Instead, her eyes flashed brightly, keenly aware that this was an excellent opportunity for herself.

The next moment, she actually screamed, her figure flashed, and she rushed directly to the Huang Fei alchemy furnace.

In a blink of an eye, he came under Huang Fei's alchemy furnace.

Then, with both hands held high, a burst of cyan and pink light blended in her body!

Behind her, the breath of life surged, and it turned into a huge flower in the air instantly.

The large flower bud of this flower is one foot in diameter, and under the bud, there is a huge calyx that is three feet long, and the two people hold together.

After this strange flower was condensed, Mei Wuxia's face turned red, and her whole body was shaking!

Even with a wow, a mouthful of blood spurted out.

Obviously, after condensing this flower, her loss is extremely huge.

But this strange flower is finally condensed.

Then, in everyone's astonished eyes, this strange flower flew directly.

It seems slow, but in fact it is extremely fast, directly facing the Huang Fei alchemy furnace.

At the moment when it was about to collide with Huang Fei's alchemy furnace, this strange flower actually bloomed instantly.

Just now, it was just a bud with a diameter of about ten feet. After it bloomed, it instantly became about three feet in diameter!

And everyone also saw the petals inside, half of the green color, half of the color of Yanpin, extremely beautiful, the light flowing, and even more terrifying.

Huang Fei's alchemy furnace was smashed down with a thunderous force, and a sneer flashed in Yu Qiyu's eyes.

Although Mei Wuxia also showed her strength, in her opinion, it is not worth mentioning!

Own Huang Fei alchemy furnace contains the incomparable power of the earth, so it can be smashed directly, and the things gathered by this little \*\*\*\* can be crushed!

But the next moment, a scene that made her extremely shocked appeared!

The Huang Fei alchemy furnace hit the huge petals.

And that fierce strength disappeared in an instant!

The earth-yellow rays of light around him weakened sharply, and in an instant, they were completely absorbed.

Her offensive has also changed from the talented thunderbolt into a soft flutter.

At the next moment, the huge petals were gathered, and they actually wrapped the Huang Fei alchemy furnace directly.

In an instant, Huang Fei's alchemy furnace disappeared without a trace!

Even Yu Qiyu can't feel its existence!

She yelled in disbelief: "Why? My alchemy furnace!"

The next moment, she trembled, and with a wow, a mouthful of blood spurted out, and she bent down directly.

I only felt severe pain in my heart, severe pain in the chest and abdomen, almost unable to support it.

Obviously, this Huang Fei alchemy furnace had an inexplicable connection with her.

At this time, Huang Fei's alchemy furnace was temporarily seized, and she was naturally severely injured.

However, it was not the body that caused her the deepest damage, but the soul.

She was panicked to the extreme at this time, standing there, not knowing what to do, looking around, her face was blank.

Because this Huang Fei alchemy furnace has been with her since she was young.

Not only her treasure, her alchemy furnace, but also her friends and relatives!

At this time, it was suddenly lost.

How can she not panic?

Yu Qiyu was at a loss for a while!*NOVELUSB.COM*

At this moment, Mei Wuxia's eyes flashed: "It's now!"

In fact, Mei Wuxia knew very well that this Huang Fei alchemy furnace was still owned by Yu Qiyu and had not been captured by herself.

It's just that the petals closed, forming a seal, temporarily cutting off the connection between the Huang Fei alchemy furnace and Yu Qiyu.

At this time, it will last no more than thirty breaths at most!

This is a situation she carefully created!

She must defeat Yu Qiyu within thirty breaths!

"Thirty breaths are enough!"

An icy color flashed in Mei Wuxia's eyes, her figure flashed, and Yu Qiyu came directly in front of her!

It is the same boxing method used to deal with Ying Jinglun before, which is extremely simple, but fierce and powerful!

At the same time, behind him, several treasures rose up, exuding a powerful and terrifying aura.

Mei Wuxia planned that if her boxing technique didn't work, then the bombardment of these treasures would come down!

But obviously, she prepared too much.

The difference in Yu Qiyu's actual combat experience was even more beyond her expectations.

After discovering that her Huang Fei alchemy furnace had been cut off from her, she was stupid.

[Chapter 3946: Chen Feng, you are just a soft guy!](#)

So that when Mei Wuxia attacked meelely, she didn't recover, and she was hit by a whole hundred punches in an instant!

All of these hundreds of punches hit her vitals!*novELUSb.COM*

Finally, when Mei Wuxia finished his last punch, Yu Qiyu's screams suddenly sounded!

As if she had only come back to her senses at this time, she stared at Mei Wuxia with a bitter face, trying to fight back!

However, it is too late!

Her figure flew straight out, fell heavily to the ground, and couldn't get up for a long time.

When Mei Wuxia saw this scene, she couldn't help being shocked.

This means that Yu Qiyu's body is extremely powerful. If it were replaced by an ordinary three-star four-star martial emperor, at this time, I was afraid that countless wounds would have been made on the body.

Yu Qiyu only vomited blood, but there was no obvious trauma.

However, after all, I won!

Mei Wuxia took a long sigh, and when she softened, she almost fell to the ground.

At the same time, she felt dizzy in her brain, nauseous and vomiting, almost unable to maintain her figure.

But Mei Wuxia forced her teeth to endure it!

He first used that killer move just now, which had already consumed 70% to 80% of his strength, and then hit hundreds of punches, while also controlling those magical treasures.

It can be said to be exhausted!

At this moment, suddenly, the huge flower bone that Mei Wuxia had condensed was directly broken.

The Huang Fei alchemy furnace flew out of it and returned to Yu Qiyu again.

When Yu Qiyu saw this scene, she almost spewed out her old blood.

Then, there was a surge of extreme regret in my heart.

She then realized that her Huang Fei alchemy furnace was not lost, but was only temporarily isolated from herself!

But now it is too late to say anything.

If you lose, you lose!

In fact, Yu Qiyu's strength is stronger than Mei Wuxia.

But she relied too heavily on foreign objects, too much on her alchemy furnace, and her combat experience was not very rich.

Therefore, Mei Wuxia saw her key point at a glance, and he paid a great price, stunned her, trapped her strongest point, and cut off contact with her.

Beat it directly!

Mei Wuxia's figure was shaky, with a pretty face and pale, even his shaky figure could not be maintained and he could not stand steady.

But she didn't say a word, gritted her teeth, and forcibly supported her figure!

She tried to stand upright, standing there, looking at everyone indifferently!

Although she looked indifferent, but in her eyes, there seemed to be flames burning!

Although she was also seriously injured, she stopped!

Not only did he stand still, he stood firm and stood straight!

Yu Qiyu, who was opposite her, was already half kneeling on the ground, shaking all over, unable to stand up!

Who wins and who loses, who is strong and who is weak, at a glance!

Yu Qiyu raised her head and looked at Mei Wuxia, her eyes were filled with shock and astonishment, and she couldn't believe it!

In the end, it turned into a touch of resentment!

Facing his expression like this, Mei Wuxia didn't care at all.

She doesn't care about the hatred of such people, she is the winner now!

Mei Wuxia looked at Yu Qiyu, smiled and said, "Yu Qiyu, the two of us, who on earth is taking the humiliation?"

Yu Qiyu's face flushed instantly!

This is what she just said to Mei Wuxia.

But now, Mei Wuxia returned all these words and slapped her in the face!

Looking at Mei Wuxia, Chen Feng's eyes were full of smiles and admiration, and he was even more relieved.

Chen Feng suddenly felt a little weird in his heart: "How do you feel, I think Mei Wuxia, I have the kind of relief that my nephews and nephews have finally grown up?"

Chen Feng shook his head, shaking these emotions out of his mind.

One thing he was sure of was: After today's battle, Mei Wuxia will surely become famous on the Dragon Vessel Continent!

The nine major forces will definitely pay attention to her!

This little girl who used to not show the mountains and leaks, but today she will show up!

Chen Feng laughed: "Everyone, are there anyone who refuses to accept it?"

Whether it is from the Alchemist Association or the winner of the Eastern Wilderness, they are all in silence, unable to say a word!

They can be regarded as a big defeat today,

The people who had bullied the Xuanyuan family here, even spoke harshly to the Xuanyuan family.

As a result, he didn't expect that after the members of the Xuanyuan family came, they would tidy up their best young disciples.

Now they are extremely irritated and faceless, where can they say anything?

Not to mention the Foundry Association, who was scared by Chen Feng a long time ago.

At this time, Yao Xingjian, Yu Qiyu, and Ying Jinglun were all standing there with extremely ugly faces.

Especially for Ying Jinglun, he has already slowed down at this time, and even more feels that shame is coming like a tide.

He felt that everyone around him looked at him with a bit of disdain and contempt.

The more arrogant he was before, the greater the humiliation he suffered now!

Suddenly, Ying Jinglun's eyes rolled, as if thinking of something, and then there was a movement in his heart!

"I was indeed defeated by this Mei Wuxia. It is indeed not her opponent, but there is still a soft persimmon there!"

His eyes fell on Chen Feng's body, he and Yao Xingjian looked at each other, thinking of going together.

Chen Feng must be a soft persimmon, a soft persimmon that can only hide behind Mei Wuxia, who can be kneaded by them!

The two of them also made up their minds at this time: "Since we can't provoke Mei Wuxia, let's provoke Chen Feng!"

Anyway, in their opinion, Chen Feng can afford it.

However, they don't know what a huge humiliation this action will bring them!

Ying Jinglun stared at Chen Feng and sneered: "Chen Feng, although Mei has no time to beat us, we are not convinced!"

"Yes!"

Yao Xingjian said in a loud voice, "She is her, you are you!"

Ying Jinglun sneered: "Chen Feng, don't call you a \*\*\*\* genius!"

"You are clearly a soft guy who only hides behind a woman!"

"Yes!"

Yu Qiyu also stared at Chen Feng, and said in a cold voice, "Chen Feng, what other skills do you have? Isn't it just relying on you to have a strong friend?"

She pointed at Chen Feng, her face full of disdain and arrogance: "If you have the ability, come out now and fight me!"

Yu Qiyu felt that the battle between herself and Mei Wuxia just now had lost her face.

She is now anxious to save her face.

But at this moment, in her opinion, the best way to save face, and the only way, is to defeat Chen Feng!

Seeing Yao Xingjian, Ying Jinglun, and Yu Qiyu all say this, all of a sudden, the winners of the Eastern Wilderness and those from the Alchemist Association also shouted loudly there!

[Chapter 3947: You three get on together, I'm in a hurry!](#)

"Chen Feng, dare to fight?"

"The three of them, you choose whoever you want! Let you choose!"

"I think you have a false name, what kind of \*\*\*\* Xuanyuan family's first genius? It's just a deceitful person!"

Their words became more and more ugly.

Only the members of the Foundry Association stood there with a very strange expression.

And their hearts were almost suffocated, and they almost couldn't help laughing out loud!

"You ignorant people, do you know how terrifying Chen Feng is?"

"You still want him to play, you know, if he really does, you will lose face!"

Chen Feng glanced at them, and suddenly had an urge to laugh.

"Think of me as a soft persimmon, right? Feel free to knead it?"

They didn't look like Mei Wuxia's opponents, they wanted to get the place back from Chen Feng!

Chen Feng sighed, with a very helpless expression on his face.

After seeing Chen Feng's expression, Ying Jinglun said gloomily: "Chen Feng, do you think you can't hide it? Do you think you can't hold back your face? That's why you sigh?"

Chen Feng looked at him like an idiot, and said, "Ying Jinglun, do you know? I didn't want to make a move."

"but!"

When speaking of these two words, Chen Feng's entire popularity suddenly changed.

The lazy breath on his body disappeared without a trace!

The whole person's momentum instantly rises like a mountain!

Ying Jinglun and others felt that the front was dark, as if the sun's rays had been obscured a lot!

It was as if a huge mountain appeared in front of you!

However, where are there any huge mountains, it is obvious that Chen Feng slowly stood up straight, straightened his waist, and took a step forward!

However, just such a step forward caused the three of them to be extremely threatened and shocked!

Yao Xingjian, Ying Jinglun, Yu Qiyu, can not help showing a touch of horror on their faces, and can not help but take a step back!

Not only them, but also everyone from the Eastern Winners, Founders Association, and Alchemists Association!

They felt that there was not a person in front of them, but a huge mountain!

With immense pressure, I pressed them over!

Everyone took a step back!

Chen Feng took a step forward, and they took a step back!

The eyes of the three of Ying Jinglun all showed incredulous expressions, and the two of them had a huge shock in their hearts!

"Chen Feng, why is Chen Feng so strong?"

"He just showed his aura for a while, why does it make me feel so scary?"

"How can I take a step forward, I can't help but take a step back?"

At this time, their minds were still a little confused, and they had not realized how powerful Chen Feng was, but they were just shocked by the momentum!

At this moment, Chen Feng smiled and looked at them, taking another step forward!

Win Jinglun and Yu Qiyu, instinctively don't want to retreat.

But you can't do it without going back!

The terrifying aura and coercion came, and the two of them involuntarily took a step back!

The winners of the East, the Association of Founders, and the Association of Alchemists, are all, let's take a step back!

All their faces were very embarrassed!

In addition to shame, there is a touch of shock!

"Why is Chen Feng so powerful?"

"Why does Chen Feng give us such a terrifying feeling? If I don't retreat, I will almost be crushed by this aura!"

"hateful!"

Ying Jinglun and Yu Qiyu secretly cursed in their hearts: "Why did Chen Feng move forward? Why did I just retreat? Why, I couldn't stand still because of his momentum?"

They were already ashamed to the extreme, and their faces flushed red!

The two made up their minds, this time if Chen Feng took one step forward, they would never back off!

Ying Jinglun and Yu Qiyu roared even more, "Chen Feng, this time, I will never retire again!"

Chen Feng smiled coldly: "If you can't retreat, you don't count! I, have the final say!"

At the next moment, Chen Feng took another step forward!

And as Chen Feng took one step forward again, they felt that the incomparable might be pressing over again!

They couldn't control their bodies at all, so they had to take a step back!

Chen Feng went forward three steps in a row, and they retreated three steps in a row!

It gives people the feeling that they are not besieging Chen Feng, but that Chen Feng is besieging them alone!

Hundreds of people forced them to retreat by one person. Chen Feng took a step forward, and they would take a step back!

Can't hold back, can't carry, can't stand steady!

Only back!

Chen Feng laughed loudly: "Ying Jinglun, Yu Qiyu, I said it, you said it will not count! I only say it!"

The faces of the two of them were indescribably ugly.

At this time, everyone has changed!

They realized that Chen Feng's strength was definitely not trivial!

And Yu Qiyu and Ying Jinglun, Yao Xingjian, are also aware of this.

They looked at each other, and they felt anxious in an instant, no longer as arrogant as they were just now.

The powerful strength that Chen Feng showed made them all without foundation.

Chen Feng could see their emotions clearly!

"Don't dare to fight, do you? Now, if you don't want to fight, you won't succeed! If you don't fight, how can I just clean up you?"

Chen Feng sneered in his heart: "Don't dare to fight? Then I will help you!"

Chen Feng's voice sounded like rolling thunder:

"I didn't want to make a move, but since you must take your own shame!"

"Well, I'm Chen Feng today!"

He paused, pointing at Yao Xingjian, Ying Jinglun, and Yu Qiyu: "You will be perfect!"

Ying Jinglun gritted his teeth, responded coldly, and then sternly: "I'll fight you!"

"You fight with me?"

Chen Feng looked at him and smiled disdainfully: "Are you worthy?"

"okay!"

Chen Feng said lazily: "Don't dare you three here, let's get on together! I'm in a hurry!"

After Chen Feng said these words, it suddenly blew like a thunder in everyone's ears!

There were expressions of disbelief on everyone's faces.

The next moment, he exclaimed: "Chen Feng let Yao Xingjian, Ying Jinglun, and Yu Qiyu go together?"

"I heard that right? Yao Xingjian is a three-star martial emperor, and Ying Jinglun has reached the peak of the three-star martial emperor! And Yu Qiyu's strength is almost four-star martial emperor!"

"Yes, how terrifying is the combination of these three?"

"Chen Feng wants to say to deal with one, it's easy, then I admit it! However, he wants to say that three people go together, I don't think Chen Feng will win!"

"Yes, Chen Feng is too big, who does he think he is?"

Everyone showed uncomfortable expressions on their faces, and they all made ridicule, not optimistic about Chen Feng.

#### [Chapter 3948: Clothes not!](#)

The three of Yu Qiyu were taken aback, and the next moment, that face was swollen like pig liver.

When Chen Feng said this, he clearly didn't put them in his eyes!

Ying Jinglun said coldly, "Chen Feng, who do you think you are? Let the three of us go together?"

Yu Qiyu stared at Chen Feng and said coldly: "The three of us join hands, you are definitely not an opponent, you are too big!"

But in their eyes, there was a hint of joy.

Because they suddenly realized that this is a great opportunity to defeat Chen Feng!

The terrifying aura of Chen Feng just now made them realize that they are not Chen Feng's opponents alone!

But they think that if the three of them unite, they will be able to defeat Chen Feng!

The three looked at each other, and there was a hideous look in their eyes!

The eyes of the three of them all sent the same message: "Then the three of us, let's go together and kill him!"

Win Jinglun said grimly: "Chen Feng, don't regret it!"

Everyone was in an uproar upon hearing this!

"This is too shameless!"

"That's right, in this way, he clearly tacitly agreed that the three of them besieged Chen Feng!"

"In order to get his face back, Ying Jinglun already has no face!"

Even the winners of Donghuang are a little ashamed.

But some people sighed: "Chen Feng is too big, if one is against one, then no one is his opponent!"

"But with one enemy three, he will definitely die!"

"Yes, Chen Feng is seeking his own death!"

Some people also said with a bitter face: "Deserve it, let Chen Feng die!"

In the next moment, Yao Xingjian, Ying Jinglun, and Yu Qiyu, the three of them approached Chen Feng!

In Yu Qiyu's hands, the Huang Fei alchemy furnace was spinning, and a strong and extremely thick earth power was brewing in it.

Above that sky, a yellow cloud appeared again.

In Ying Jinglun's hands, two short swords that looked like clear water appeared.

There was a cold and icy atmosphere on it, and it was obvious at a glance, it was an extremely precious treasure of platinum and water!

There is a tyrannical aura surrounding it, which is better than before!

Even Yao Xingjian, a huge bronze fork appeared in his hand.

On this huge bronze fork, there was a hint of insidious black light lingering around, and it was obviously poisonous.

The three of them approached Chen Feng from three directions!

Everyone held their breath!

This is a four-star martial emperor, a three-star martial emperor pinnacle, and a three-star martial emperor in the early stage, all at the same time!

In their opinion, among the younger generation, no one can stop it!

At this time, Ying Jinglun feels that he and others are already a sure victory!

He looked at Chen Feng with a sneer at the corner of his mouth: "Chen Feng, you still have time to give up! We can give the Xuanyuan family a face, save you a life, just abandon your cultivation!"

There was a vicious light in his eyes.

When he said this, he was actually extremely vicious, hoping that Chen Feng would surrender and be abolished.

In this way, he can concoct Chen Feng at will!

Chen Feng looked at him and suddenly smiled. There was a lot of mockery in that smile: "You really think too much!"

At that moment, he looked at the three of them and said slowly:

"Just now you all brag about how good you are."

"Now, I will let you see who is the real genius!"

He pointed his finger at the three of them and sneered: "You three, in front of me, just ants!"

As soon as this statement came out, the trio's faces were naturally extremely ugly.

The crowd around the audience was also in an uproar!

"Chen Feng is so arrogant!"

"Yes, he actually said that these three masters are no more than ants in front of him?"

"Who does Chen Feng think he is? What is he? How dare to say such a thing!" Someone said with hatred!

Before he finished speaking, Chen Feng suddenly turned his head, glanced at her, smiled and said: "Remember what you are saying now, later..."

He stretched out his right hand in the air and slapped twice: "I will slap you in the face!"

In the next moment, Chen Feng's momentum was frantically surging!

At this time, the trio of Ying Jinglun were already close!

Chen Feng smiled brightly, his figure flashed, and he came directly to Yao Xingjian!

In the next moment, Chen Feng didn't do anything, he just threw a punch!

But when this punch was blasted, the faces of everyone changed!

It turned out that with Chen Feng's punch, the sky and the earth were covered with clouds in an instant!

Storms, thunder and lightning, strong winds swept!

Even some of the surrounding hills were trembling and the ground was cracked!

Everyone was horrified and shouted: "What kind of punch is this? What terrifying power does it have? How can it be done with one punch?"

At this time, Yao Xingjian who faced Chen Feng's punch was completely stupid!

He only felt that he could do nothing in the face of this punch!

Doing anything is in vain!

Only close your eyes and wait for death!

At this moment, he suddenly felt that death was approaching!

He felt that he was going to die next moment!

He let out a scream: "I don't want to die, I don't want to die!"

At this time, Chen Feng had already come to him.

Chen Feng let out a violent roar: "Is it true?"

Before he finished his words, his fist slammed into Ying Jinglun's chest!

Hundreds of billions of catties of terrifying force burst out, directly smashing him into blood!

Countless bones on his body were shattered by the shock at the same time, flying out like a torn sack!

Falling to the ground, life and death do not know!

At this moment, Ying Jinglun was even stunned, and did not come back to his senses.

He was directly shocked by Chen Feng's powerful strength!

After Chen Feng blasted Yao Xingjian with a punch, he did not stop, and when he made a mistake, he came to Ying Jinglun again!

The same punch came out with a fierce bombardment, with a loud roar in his mouth: "Is it convinced?"

Ying Jinglun woke up like a dream at this time, his pupils shrank sharply, and his eyes showed extreme fear for a moment!

Just now when Chen Fengzhan revealed that powerful aura, he knew that Chen Feng's strength was not weak, but he did not expect Chen Feng's strength to be so terrifying!

You know, no matter what, Yao Xingjian is also a dignified three-star Wudi strong, extremely powerful!

But under Chen Feng, he didn't even block one move?

He yelled frantically, trying to resist with all his strength!

But everything is in vain!

In front of Chen Feng's fist, all his defenses were just a joke!

With just one punch, Chen Feng was seriously injured and dying, and flew out!

The next one is Yu Qiyu!

She is much stronger than those two, but in front of Chen Feng, there is no difference!

[Chapter 3949: Chen Feng, don't make mistakes!](#)

There is only one end, that is, being beaten and flying!

With a roar of "convinced", Yu Qiyu was also directly beaten out and let out a scream!

In a blink of an eye, Yao Xingjian, Ying Jinglun, and Yu Qiyu were all severely injured by Chen Feng and could not stand up while lying on the ground!

They vomited blood crazily and convulsed all over!

Numerous wounds opened up and down his body, and he had already turned into three blood people.

Everyone can see it clearly. The three of them are injured many times heavier than before. They are already severely injured and dying!

Silence, deathly silence!

There was a moment of silence in the field, everyone opened their mouths wide, their eyes widened, and they looked at Chen Feng in disbelief.

No one thought that Chen Feng's strength was so terrifying!

No one thought that Yao Xingjian, Ying Jinglun, and Yu Qiyu would only walk one round in front of Chen Feng!

Three punches!

With only three punches, Chen Feng was seriously wounded to death by all three of them, and he didn't have the slightest combat power!

After a moment of silence, a huge exclamation broke out from the crowd!

Someone said in a dreamlike tone: "If the three of them hadn't stood too far away, I guess Chen Feng wouldn't need three punches, but one punch could defeat them!"

"Yes, how terrifying is Chen Feng's strength?"

"It turns out that what Chen Feng said just now was not a boast, but a fact!"

"Sure enough, compared with Chen Feng, Yao Xingjian, Ying Jinglun, and Yu Qiyu are just ants."

"The genius in our eyes is not worth mentioning in front of Chen Feng!"

At this time, Chen Feng looked at the onlooker who had just spoken to him and smiled: "I said, I'm going to slap you in the face!"

Having said that, his hand slapped twice in the air.

The person who said bad words hid his face instantly.

He only felt a fierce pain on his face, and even faceless to see people, he wanted to find a place to sew in.

Everyone in the Foundry Association was gloating.

They looked at each other with expressions of rejoicing in their eyes.

"Hahaha, let you provoke Chen Feng again and again, is it over now?"

"Forcing Chen Feng to shoot is the biggest mistake you have ever made!"

"Chen Feng makes a move, all of you will be dealt with miserably!"

They were gloating at this time, after all, they had been cleaned up by Chen Feng, and they knew how terrifying Chen Feng's strength was.

An old man sighed softly: "Chen Feng's performance today really swollen our faces, fortunately he was still there to mock him just now!"

"I don't know, people like this are called the real generation of arrogance! No wonder you have a big name!"

Everyone nodded, with shame on their faces, all feeling a little hot on their faces.

It was as if someone had been hit by an ear scraper.

In their gazes towards Chen Feng, there was no longer any previous contempt, and some were only solemn and fearful.

At this moment, Chen Feng showed a small smile at the corner of his mouth, walked slowly to the three people lying on the ground, smiled and said:

"Ying Jinglun, you were dissatisfied just now, now..."

He slowly uttered three words: "Have you taken it?"

Served, of course it is!

Ying Jinglun couldn't say a word right now, and at this moment, a feeling of heartbroken was suddenly in his heart.

"What should I fight with Chen Feng? What am I in front of Chen Feng?"

"It's no wonder that the second young lady likes Chen Feng, he is so young but has such terrifying strength, he is really a talented person, this is a generation of talents! What am I in front of him?"

He suddenly felt a bit hot on his face. He remembered what he had just said, and wanted to find a place to sew in.

Those words that I said before, every sentence, slapped his face like a slap in the face, making him lose face!

But in the next moment, he could no longer care about face issues.

Because Chen Feng was already slowly approaching him.

When Ying Jinglun looked at Chen Feng, he suddenly thought of something. He trembled violently and said, "You, what are you doing?"

"What am I doing?"

Chen Feng smiled coldly: "What did you want to do just now? Now I want to do what someone Chen wants to do!"

Looking at Chen Feng, a deep fear flashed in Ying Jinglun's eyes. There was no trace of the arrogant and domineering thing just now. His face was gray and despair and pleading appeared in his eyes. He trembled: "Please, don't kill me, don't kill me!"

Yao Xingjian was even more hopeless. He was already beside him, kneeling down and kowtow one after another.

Only Yu Qiyu gritted her teeth and looked at Chen Feng, but there was also a flash of fear in her eyes.

Chen Feng looked at them, smiled slightly, and said, "Don't worry, I won't kill you."

Upon hearing this, the three of them felt relieved.

"But..."

Chen Feng's voice then became cold and stern: "The three of you, deceive others and act nonsense!"

"Leaving your cultivation base is also a curse!"

"I, Chen Feng, will abolish the cultivation of the three of you today!"

He stared at the three of them and said coldly: "You three, are you convinced?"

The faces of the three of them were extremely gray and defeated, and the color of fear in their eyes was even more intense.

For the martial artist, being abolished, even more uncomfortable than death!

However, they dare not say a word!

Facing Chen Feng's eyes, only a little bit convinced!

Everyone was in an uproar: "Chen Feng actually wants to abolish the cultivation base of the three?"

"The three of them are all genius leaders in their respective families. If the cultivation base is abolished, Chen Feng is equivalent to provoke the two major forces of them!"

Everyone was shocked and uncertain, but Chen Feng ignored it and just pushed forward slowly.

Seeing the next moment, he will abolish the cultivation base of the three!

At this moment, suddenly an old voice came: "Hold on!"

Chen Feng paused, and then looked over there.

Then I saw that among the people of the Alchemist Association, an old man slowly stood up.

This old man was one of the three golden robe alchemists.

He is a little rickety, his hair and beard are all white, and he can't tell how old he is.

However, on the golden robe is embroidered with six Danding tripods!

It shows that this is a sixth-grade golden robe alchemist!

Distinguished status and powerful!

He looked at Chen Feng with an indifferent expression, and said in a commanding tone: "Chen Feng, don't be fooled!"

"Oh? I mistaken myself?"

Chen Feng smiled coldly: "What do you mean? Please advise!"

The golden robe pharmacist said coldly: "Xuanyuan family, and the winner of the Eastern Wilderness, the pharmacist association, belong to the same nine powers!"

"Now that the Xuanyuan family has retreated in strength, I advise you to act with care!"

"Don't cause trouble for your Xuanyuan family!"

His words are already full of threats!

"is it?"

Chen Feng looked at him and sneered:

[Chapter 3950: This grievance, I am not!](#)

"The winner of the Eastern Wilderness just now wanted to abolish the cultivation bases of these two juniors of mine, and I didn't see you stop them!"

"Just now they were besieging me, and even killing me, I didn't see you stop!"

Chen Feng's voice became loud and loud: "Now, Feng Shui takes turns! I am better than them!"

There was a trace of ridicule on his face: "I want to abolish their repair! Are you here to stop it?"

"Yes!"

This golden robe pharmacist looked like it was taken for granted, and said lightly: "I am partial to the Eastern Wilderness winner and my pharmacist association, so what?"

"After all, our two families are now much stronger than your Xuanyuan family!"

Everyone made a low noise at this time.

"What is the origin of this person?"

"You don't even know him, this person is Ling Jun's name!"

"He is the name of Ling Jun? The vice chairman of the North Branch of the Alchemist Association, the golden robe alchemist who is counted by the Alchemist Association?"

"Yes, it's him! If you change your personal terms, you don't have the right and the courage to talk to Chen Feng like this!"

This name also caused a commotion among everyone.

"Ling Junming speaks, do you think it doesn't work?"

"I think it's mostly about matters. Chen Feng has to consider Ling Junming's threat!"

Ling Junming, the golden robe alchemist, looked at Chen Feng with a natural look.

"Your family, after all, the strength is retreating now."

"So, it's okay to be wronged at this time."

When he said this, he took it for granted.

It's like Chen Feng and the others should be wronged now.

A sneer appeared at the corner of Chen Feng's mouth, and his heart was full of anger.

just. The expression on his face became calmer.

He turned his head to look at Ling Junming, smiled and said, "This old man, there is some truth to what he said."

Ling Junming smiled slightly and twisted his beard, his expression a bit complacent.

In his opinion, Chen Feng was already afraid of his threat and was ready to make a concession.

As expected, the faces of the people surrounding the audience showed such an expression.

"Sure enough, Ling Junming's threat is effective!"

"Yes, Ling Jun's name is a golden-robed pharmacist who can be counted by the Alchemists Association. He is powerful and respected. How can Chen Feng ignore his threat?"

"Chen Feng gave in after all!"

Everyone was talking, very excited.

Especially everyone in the Alchemist Association felt that Chen Feng was overwhelmed.

Ling Junming looked at Chen Feng, his voice indifferent, and said in a commanding tone: "Then you don't want to let them go three of them quickly?"

Chen Feng smiled happily and said, "Ling Junming, I haven't finished my words yet!"

"Oh? What do you mean?"

Ling Junming frowned.

Chen Feng suddenly straightened his waist, his figure was straight, like a javelin, full of indomitable determination!

Fierce and fierce, invincible!

Everyone was shocked at once, all eyes fell on Chen Feng.

Chen Feng looked at them and said word by word: "What Chen wants to say is!"

"Sorry, this grievance! I, Chen Feng, don't accept it!"

As Chen Feng's voice fell, in an instant, his fingers clicked, and they were in the pubic area of Yao Xingjian, Ying Jinglun, and Yu Qiyu!

And as Chen Feng's three attacks fell, Yao Xingjian, Ying Jinglun, and Yu Qiyu's dantian suddenly shattered and were directly broken by Chen Feng!

In that pubic area, a huge amount of tyrannical force rushed out frantically.

In an instant, the entire valley was dispersed, making the aura in this valley suddenly many times stronger.

But the cultivation base of the three of them was completely abolished!

The three of them lay there, curled up, screaming, and their voices were terrible.

His body's momentum declined at an extremely fast rate, and even his face began to grow old.

They looked at Chen Feng in disbelief, and screamed: "You, how dare you?"

They did not expect that Chen Feng was not afraid, and really dared to abolish their cultivation base!

Not just them, everyone else was stunned!

"Chen Feng actually did it?"

"Yes, Chen Feng didn't take Ling Junming's threat seriously at all!"

"Too tyrannical, too domineering!"

And when Ling Junming saw this scene, the smug expression on his face hadn't disappeared, it was already completely solidified.

The next moment, it turned into mad anger.

In an instant, his face became extremely hideous, his face was red and he glared at Chen Feng, and shouted, "Chen Feng! You dare!"

Chen Feng suddenly turned his head and stared at him with a sharp voice: "I, Chen Feng, why don't you dare?"

He pointed at Ling Jun's name, his voice was full of unspeakable arrogance and domineering:

"Old Piff, come and fight me if you are not convinced! What are you doing standing there?"

"If you can't beat it, retract your head and pretend to be a grandson honestly!"

With these words, Ling Junming was stupid!

He pointed at Chen Feng with trembling fingers, "You, how dare you talk to me like this?"

Chen Feng looked at him and smiled slightly: "Why don't I dare?"

Ling Jun's face was pale with shame, and his body trembled.

What Chen Feng said just now was like a slap in the face, crackling on his face, slapped his face blue and red, and it was unspeakable!

He gritted his teeth and was cruel, but after all he did not dare to fight Chen Feng!

Because he knew very well that his strength would definitely not be Chen Feng's opponent.

Even if they go, they are just taking their own humiliation!

Suddenly he shouted at the two disciples next to him violently and violently: "What are you \*\*\*\* doing? Why don't you help Yu Qiyu back?"

The two disciples were taken aback for a moment, and then there was a look of horror on their faces, and they hurriedly helped Yu Qiyu back.

But in my heart, he secretly slandered: "Damn, I was bullied like this grandson, so I didn't dare to say anything, come and play with us!"

Ling Junming gave Chen Feng a very bitter look: "Chen Feng, you wait for me!"

"I will never forget what happened today!"

Chen Feng smiled faintly: "Whatever."

He didn't care at all.

This contemptuous attitude made Ling Junming even more angry!

However, he dared to say more!

At this moment, Wu Linghan chuckled behind Chen Feng: "Sure enough, he is still pretending to be a grandson."

These words made Ling Junming's old face even more red, and it seemed that someone had slapped him in the face.

He gritted his teeth and shouted, "Let's go!"

After all, it turned around and went ahead.

In a blink of an eye, the people from the Alchemist Association walked away cleanly.

At this moment, as Wu Linghan said this sentence, the people of the Foundry Master Association suddenly opened their eyes.

They stared behind Chen Feng blankly, their eyes blank.
