

## Peerless 5061

### [Chapter 5061: The purple robe man is coming!](#)

You know, in those invitation letters sent by Duan Muxi.

Even the fourteen blank invitations were sent to designated families and forces.

Almost no direct flow into ordinary shops!

Duan Muxi's original intention was to allow several big families and forces to send these blank invitations to some powerful ones.

And everyone from the top of the sky has nothing to do with Duanmu Xiancheng!

If you want to win a blank invitation letter, you must grab it from several families and forces!

The current regulations are tantamount to giving them the task of completing the trial, adding great difficulties!

"Big brother, what should I do?"

Tiancun Beast Slave looked at Chen Feng, anxious expression on his face.

Finally, an invitation letter obtained with great effort, unexpectedly has this twists and turns.

You can't help being disappointed.

"It's cruel!"

Even Zhong Li Yuntian sighed at this moment.

"Even to \*\*\*\* those fourteen blank invitations, it is so difficult."

Suddenly, Chen Feng's mouth twitched.

"That's not necessarily."

"If you use it well, it might be a great opportunity!"

When he looked at Peng Tiancheng, he opened his mouth and said a few words in a low voice.

And Peng Tiancheng's face was full of caution, and he answered in a low voice.

Chen Feng nodded slowly, his gaze showed a little more thought.

Just about to ask again.

Suddenly, Chen Feng's expression suddenly changed!

An extremely tyrannical breath struck instantly!

The four of Chen Feng disappeared in place almost at the same time.

Next second.

boom!

I saw that the place where they were sitting before suddenly exploded.

Stunned the entire Xiancheng Inn!

"It's a person in purple robe!"

Chen Feng saw who the shot was.

It was the man in the purple robe who had disappeared for several days!

Unexpectedly, he would appear unscrupulously at this time!

And, obviously, the target is Chen Feng!

Chen Feng had long known that the person in the purple robe would never let him go.

However, he was careless!

He underestimated the ability and courage of the purple-robed man!

Not long ago, the master of the City Lord's Mansion had just stepped on the huge fairy bird.

Tell everyone-starting today, if there are any troublemakers, no matter what!

From where Chen Feng and the others were, one could even see the tail wing of that huge fairy bird!

At this time, the purple-robed person suddenly appeared and killed him directly!

Although Chen Feng's four had an early warning, they acted.

But it's still a step too late!

Just now, when the purple-robed people suddenly appeared, the void they were in was twisted strangely twice.

Afterwards, Chen Feng and others had a flower in front of them.

When they reacted, they looked around.

They have already left Xiancheng Inn!

At this moment, they appeared on a desolate small floating mountain!

Chen Feng only had time to take a quick glance, and the whole land was unobstructed without any cover!

It seems that the person in the purple robe is also well prepared.

He must have used some methods to directly take them away from crowded places.

In this way, even if it is fighting here, it is not a troublemaker.

Don't worry about being killed by the powerhouse of the City Lord's Mansion!

And this situation is extremely unfavorable for the three of Chen Feng!

Especially Peng Tiancheng, who was brought along with him, felt the pressure of the peak of the Eighth Floor in the Star Soul Martial God Realm before he could react to anything!

He was shocked and looked at the other people blankly.

However, the person in the purple robe did not pay attention to him.

From beginning to end, the purple-robed man had only one attack target-Chen Feng!

The situation became very critical in an instant!

Chen Feng pushed Peng Tiancheng away for the first time and let him protect himself.

What Peng Tiancheng is good at is defense. He is not very good at attacking and mental attacks.

Although the blue-violet residual lamp in his hand was broken, it was also quite effective.

At least self-protection is not a problem.

Moreover, another reason why Chen Feng made him only need to protect himself was that he didn't want him to discover that the devil's heart had actually been withdrawn long ago.

If they can survive this time, keeping the Pengtian achievement will be of special use!

Almost in an instant, the situation of the battle was very clear.

Chen Feng, Tiancun Beast Slave, and Zhong Li Yuntian all resisted the purple robe.

Peng Tiancheng took out the blue-purple residual lamp, and quickly escaped.

His escape was not hindered in any way.

At this moment, all the attention of the person in the purple robe was focused on Chen Feng alone.

He hated Chen Feng!

"Junior Chen Feng, I see who else you can fool to deal with me today!"

Under the purple cloak, two sharp eyes shot out killing intent!

At this moment, the purple-robed man had a very serious injury, but he didn't know what secret method he had used, but he had recovered most of it.

Chen Feng could clearly sense that the purple-robed man had not healed from his injuries, but it was more than enough to deal with him!

After all, this purple-robed man is a master at the peak of the Eighth Floor in the Star Soul Martial God Realm!

Even if he is not in his heyday, he is definitely not something that Chen Feng and the three can fight against.

Although the Tianchou Beast Slave is good at aggressive attacks, his cultivation realm is still weaker after all.

At this time, Chen Feng, even though he had absorbed a bloodline of the gods and demons from Li Hexuan, his strength surged a lot.

But still slightly inferior to Zhong Li Yuntian at the peak of the seventh building.

Not to mention the person in the purple robe at the peak of the eight-story building!

On this desolate land, loud noises continued.

The solid ground was constantly trembling, and huge cobweb-like cracks appeared everywhere.

The sound waves are rolling!

Murderous!

The black and white long knife in Chen Feng's hand disappeared.

Too high to the Heavenly Swordsman Formation, almost useless!

The Buddha's angry eyes, lion roar, have little effect!

Heaven and earth repeatedly reincarnate magic, it is also difficult to reverse the situation!

In an instant, the three of them fought \*\*\*\* battles, but they were still beaten to blood.

The Tiancun Beast Slave was hit by a single palm, and his breastbone was broken innumerable.

Zhong Li Yuntian's injuries are also serious!

However, Chen Feng had already exhausted all the existing means, and with Zhong Liyuntian's thunder means, this was barely able to withstand the repeated attacks of the purple-robed man.

boom!

Once again embarrassed to avoid the attack of the purple-robed man, the Tianchou Beast slave staggered two steps and stood firmly again.

He turned his head.

"Brother, let's withdraw!"

With an anxious expression on his face, he looked at Chen Feng and shouted.

Zhong Li Yuntian vomited blood and was so badly injured that he had almost no combat effectiveness.

The Tianchou Beast Slave also relied on his physical body to be strong enough to barely be killed directly.

If you continue to fight, there is no hope!

The Tiancun Beast Slave knew that Chen Feng was never the one who would die under such circumstances.

The people in the purple robe hated Chen Feng a lot, but Chen Feng didn't care about this hatred.

As long as it is not the person who touched his bottom line, he will run away if he fails.

They often do this.

On the opposite side, the person in the purple robe laughed wildly when hearing the words of the Heavenly Cruel Beast Slave.

[Chapter 5062: Since I want you to die and live! That's it! you die! I live!](#)

His eyes are full of pride.

As long as you can see Chen Feng falling to the ground like a dog and being crushed by him, the people in the purple robe will have the joy of revenge!

Not only that, he will torture Chen Feng infinitely!

Want to withdraw?

It's impossible!

"Do you think that you can still escape from my hands?"

"Today, either you die or I die!"

Hearing this, Chen Feng got up from the ground embarrassedly.

He stared at the man in the purple robe, suddenly snorted, and raised his hand to wipe the blood from the corner of his mouth.

The person in the purple robe saw Chen Feng suddenly smiling, and he couldn't help but recall the scene in the study of the head of the Tang family.

Chen Feng's smile has already given him a psychological shadow!

At this moment, seeing this familiar smile, the purple-robed person subconsciously shook his heart.

Chen Feng spoke coldly.

"Is it?"

"But I don't want to die yet, so I can only ask you to die!"

Speaking of this, Chen Feng's body suddenly burst into a strong breath!

This breath is even stronger than Chen Feng in his heyday!

Chen Feng, broke through!

The person in the purple robe suddenly changed his expression.

He didn't expect it to be this way, and Chen Feng in front of him still hides such a hole card!

If he wanted to come in this way, the person in the purple robe couldn't help but recall a few days ago.

At that time, when he saw Chen Feng in the Tang family, his strength could only deal with the people in the sixth floor of the Star Soul Martial God Realm.

See you today, Chen Feng's breath is obviously stronger!

There was such a change in an instant, and it was already amazing enough.

At that time, a thought flashed through the person in the purple robe.

Perhaps it was these few days that Chen Feng had another big opportunity.

But right now, he can actually break through!

In other words, if there is any big opportunity, this big opportunity is even worse than the people in the purple robe imagined!

Otherwise, he is hiding!

Thinking of this, the eyes of the person in the purple robe looking at Chen Feng became deeper and deeper.

The person in the purple robe was more than amazed.

Even Zhong Li Yuntian's eyes were full of radiance.

In the past few days, Chen Feng asked him to lay out and spread rumors about the man in the purple robe.

Therefore, he did not personally see what Chen Feng looked like when he absorbed the blood of the gods and demons from Li Hexuan.

At the beginning, his thoughts were the same as those in purple robes.

He also thought that Chen Feng just became stronger physically and his blood and aura became stronger.

The increase in strength is probably what he showed.

Unexpectedly, Chen Feng actually has something to do!

Zhong Li Yuntian did not expect that he would actually choose to break through at this time.

In an instant, the world changed color.

The fourth floor of the Star Soul Martial God Realm!

Although it was only the fourth floor, the breath that erupted was extremely terrifying.

Full of the level of the peak of the seventh floor of the Star Soul Martial God Realm!

Even from the early days of entering the eighth building, there is only one step left!

Feeling the strengthening of power, Chen Feng sighed softly in his heart.

He originally planned to use this hole card later.

However, the plan cannot keep up with the changes.

At the moment of the breakthrough, Chen Feng could feel that the strength of his body had increased a lot.

The power that had almost dried up was immediately restored to its heyday!

He stood in the air, his eyes closed tightly, his complexion was solemn, and his countenance was silent.

Breaking through the joy that should have been in one fell swoop, there is no need to appear at this moment.

Because it's still not enough!

His aura of strength is still slightly inferior to the person in the purple robe right now!

You know, the person in the purple robe at this moment, although not in his heyday, still has the strength of the mid-stage eighth floor of the Star Soul Martial God Realm!

At this time, the person in the purple robe also reacted.

The panic in his heart suddenly became overjoyed.

"Hahahahaha!"

Arrogant and proud laughs echoed across the floating mountain that was almost broken.

The purple-robed man squinted at Chen Feng coldly, and his eyes were full of disdain.

That's the look in the eyes of the dead!

"Chen Feng, I thought you had any other players!"

"Is this all your hole cards!"

"At this level, you will still die in my hands."

As the purple-robed man said, he glanced at the Tianchou Beast Slave and Zhong Li Yuntian beside him.

I saw that the faces of the two were also quite ugly.

Looking at Chen Feng, he was full of worry.

From the faces of the two of them, the person in the purple robe was even more convinced that Chen Feng was already out of his way.

This is their limit!

"Up until now, will you regret the big thing that broke me!"

"If you kneel in front of me now and give me three hundred knocks, I might see you pitifully and leave you a whole body!"

As he said, the person in the purple robe laughed loudly again.

Having said that, the killing intent in his eyes was undisguised.

He knew that with Chen Feng's disposition, it was impossible to really kneel down and kowtow to him.

Saying these words is nothing more than humiliation.

Today, Chen Feng must die!

The person in the purple robe roared wildly, revolving the whole body's cultivation!

The overwhelming supreme pressure, like a giant dragon gathered in the air, roared and rushed towards Chen Feng!

Tiancun Beast Slave's face changed drastically, and he rushed to Chen Feng desperately, trying to block this fatal blow for him!

Even Zhong Li Yuntian, obviously not being ordered by the Demon Heart, subconsciously rushed towards Chen Feng.

I want to help him block some.

However, the speed of the purple-robed man is too fast!

They are still too far away from Chen Feng!

At this moment, Chen Feng stood still, motionless.

He suddenly opened his closed eyes, looked at the purple-robed man who was approaching quickly, and raised his lips again.

"My current strength is really not enough to deal with you."

"But who told you, my hole cards are limited to this!"

Before he finished his words, Chen Feng turned his hand and took out a big seal, and threw it directly at the person in the purple robe.

Almost instantly, the brilliance of the big seal with the palm of the hand flickered, and the momentum and pressure erupted instantly!

It instantly turned into a huge golden mountain!

At this time, the face of the person in the purple robe changed drastically.

He tried to stop again and again and quickly avoided.

But it's too late!

Everything happened so fast!

The aura of the immortal seal of Tianquan Town is stronger than before!

All the power that Chen Feng had just broken through was almost drained by it!

But precisely because of this, the immortal seal of Tianquan Town at this moment broke out the coercion of the middle stage of the eighth floor of the Star Soul Martial God Realm!

Just pressing the purple robe at the moment!

And this is the trump card that Chen Feng intends to use!

From the beginning, he knew that even if he broke through, his strength was still not as good as the injured purple-robed man.

But if the breakthrough state is used to use this Immortal Seal of Tianquan Town, the result will be different.

The huge golden mountain peaks keep getting bigger in the sky, and even surpassed the small floating mountain where they were at one time!

boom!

The deafening sound, instantly resounded across the world!

[Chapter 5063: Eight-Rank! Refining the second blood of gods and demons!](#)

The sound echoed, and everyone including Chen Feng vomited blood.

After being depressed, the huge golden mountain instantly reverted to a big seal with a palm.

It returned to Chen Feng's palm and was put away by him.

Everyone looked forward together.

"It's done!"

Tiancun Beast Slave's face was not only ecstatic.

I saw the purple-robed man was slapped on the ground, his whole body was broken, and he was seriously injured and dying!

Finally lost the power of the first battle!

They won!

This battle was too difficult!

By now, Chen Feng, who was standing before, suddenly had his legs weakened.

He staggered and knelt on one knee.

His face was as pale as paper!

"Big Brother!"

The Tiancun Beast Slave changed his face immediately, and he went straight forward to help Chen Feng.

"It's okay."

Even though Chen Feng said this, it was just to confuse others.

After this full blow, he completely explained all the cards he could use now.

Chen Feng is already extremely weak!

Therefore, when he used this hole card.

I had already figured it out in my mind, this blow must be a fatal blow!

Otherwise, he really can't fight the follow-up killer moves of the purple-robed man.

"In my current state, I want to go back to the heyday. It takes me a few months."

Thinking of this, Chen Feng couldn't help but hate it!

He has always preserved his strength before, and in many cases is reluctant to do it himself.

It is because he is afraid of this situation!

Unless for special circumstances, Chen Feng would never allow this to happen!

Because this means that he will be like a waste for a long time in this trial world!

And everything he planned long ago will be impossible because of his strength!

What's more, in this world of trials, I don't know where, but the Celestial Celestials that Chu Pingsheng sent to kill him are hidden...

Crisis is everywhere!

Enemies everywhere!

Thinking of various unfavorable situations, Chen Feng frowned, and a mouthful of blood poured out of his throat.

But, at this moment, the Supreme God Demonized Long Jue's mind suddenly moved!

In the world of dantian, the crimson sun, which is constantly jetting flames, instantly shines even more!

Chen Feng can even feel the heat!

His face changed slightly, and there was a moment of stagnation in his eyes.

Then, I was overjoyed, and my eyes burst into light!

"Hahahahaha! The sky is endless for me!"

Chen Feng was so excited that he laughed directly.

Beside, Tiancun Beast Slave and Zhong Li Yuntian didn't react.

However, Chen Feng let go of the support of the Heavenly Remnant Beast Slave and walked straight to the man in the purple robe who collapsed on the ground.

"You also have the blood of ancient gods and demons!"

Yes!

Just now, he suddenly felt the ethereal state in the red sun again.

A big scarlet chain of blood mist suddenly appeared in front of you!

In an instant, a perception suddenly appeared in his mind.

Eight-Rank!

The person in the purple robe not only has the blood of the gods and demons, but also has reached the eighth rank inferior!

It is even stronger than the bloodline of the gods and demons in Lihexuan that he had absorbed before, and he was even stronger than the entire big rank!

What could be more exciting than the current situation?

A moment ago, he was still bitter, thinking that his life would be lost.

Now, as long as he refines and absorbs the blood of the gods and demons in the purple robe, not only can he restore his full strength, he can even improve it!

Regardless of his strength or the Demon Transforming Dragon Art, he can go one step further!

Chen Feng estimated that the person in the purple robe in front of him should also be able to sense the blood of the gods and demons in his body.

Therefore, he came to this Xuanwu Middle Thousand World this time, probably because of the blood of the gods and demons in this world.

It's even possible that even the blood of the gods and demons in his body had long been eyed by him.

Unexpectedly, all of this would make him cheaper in the end!

Thinking of this, Chen Feng couldn't help but feel refreshed.

He was calm enough on weekdays, and he couldn't help but be overjoyed.

Stealing chickens does not lead to the loss of rice, that's what I said!

As for the man in the purple robe on the ground, his heart sank when he heard Chen Feng's laughter.

He never expected that Chen Feng could detect the blood of the gods and demons!

Moreover, it seems that Chen Feng still has a covetous heart for his blood of gods and demons!

At this time, the purple-robed man suddenly panicked!

He struggled to get up, and even more so he wanted to stretch his hands towards his samsara jade card.

But where does Chen Feng give him a chance!

The current Chen Feng, although his body cultivation was squandered, his body did not become weak.

He used all his strength to stop the movement of the purple-robed man.

At the same time, fully operate the Taishang God Demonizing Dragon Art!

The person in the purple robe is still a step slower!

He screamed!

A trace of \*\*\*\* cloud-like breath quietly floated out of his body and slowly poured into Chen Feng's body.

That is the breath of the blood of gods and demons!

The purple-robed man was already unhealed from his injuries, but he thought it was more than enough to deal with Chen Feng and others alone.

Where did he think that he actually still has the magic weapon of Tianquan Town Xianyin!

At this moment, he is the real trump card, seriously injured and dying!

There is no room for struggle at all!

He could only watch the blood of the gods and demons in his body, being stripped away!

"Do you think it's over if you strip the blood of the gods and demons!"

Chen Feng coldly stared at the \*\*\*\* purple-robed man on the ground, with no mercy in his eyes.

Since he wanted to kill him, he would not give the purple-robed man any chance!

Soon, the eyes of the purple-robed man burst out, and his whole body burst into blue veins.

He looked at Chen Feng in horror, completely crazy!

"Why! Why can you take away my star map!"

Hearing the words of the person in the purple robe, Zhong Li Yuntian beside him not only took a breath.

To seize the blood of gods and demons, there are ways to regain the blood of other gods and demons.

But the star map is tantamount to breaking the path of cultivation!

Losing the star map is equivalent to starting everything from the beginning!

Unexpectedly, Chen Feng's mind and method of the Dao of Gods and Demons would actually be so domineering!

However, no matter how the purple-robed people struggled, Chen Feng quickly took the blood of the gods and demons and the star map as his own.

boom!

The second bloodline of the gods and demons was successfully refined!

Chen Feng's right shoulder blade, symmetrical with his left shoulder blade, ignited the second true fire of God and Demon!

Hum!

In his star soul space, the star map expanded again!

Countless stars light up!

The power of a large number of stars poured down.

In an instant, a wave of air burst out of Chen Feng's body.

He suddenly opened his eyes and burst out two rays of light!

The peak of the fourth floor of the Star Soul Martial God Realm!

After accepting the star map of the purple-robed man, Chen Feng directly broke through to the peak of the fourth floor from the early stage of the fourth floor of the Star Soul Martial God Realm!

The supreme pressure is pouring out, like a flood, like a tsunami!

In an instant, Zhong Li Yuntian beside him could clearly feel it.

[Chapter 5064: Junior, do you dare to kill me?](#)

Chen Feng's strength instantly surpassed himself!

Chen Feng's strength at the moment has definitely reached the point of invincibility below the eighth floor!

That is the master facing the eighth floor, and he has the power to fight!

After another while, Chen Feng condensed all his breath and recovered his calm again.

For the current strength, although he did not reach the height of the purple robe man in one fell swoop, Chen Feng was already satisfied enough.

Now he is more confident about all the previous plans!

"call!"

Chen Feng let out a long sigh.

It took another whole day to absorb the blood of the gods and demons in the purple robe.

At this moment, beside him, Zhong Li Yuntian and Tianchou Beast Slave were consciously protecting the law for him.

Even Peng Tiancheng, who had long escaped, was holding a blue and purple residual lamp at this moment, blessing him with a defensive layer to help him isolate his breath.

Everything that happened here basically didn't attract anyone's attention.

Chen Feng looked at the three of them without saying anything, but nodded heavily.

Immediately, he looked at the purple-robed man on the ground.

Without the blood of the gods and demons and the star map, the people in the purple robes are just lingering.

Where is the power of a war!

Chen Feng stepped forward and opened his purple cloak directly.

From it, a middle-aged man with a pale face was revealed.

This is a completely unfamiliar face, and Chen Feng can be sure that he does not know it at all.

If you don't know each other, then kill it!

"You shouldn't be against us."

Chen Feng coldly shook off such a sentence, waving his hand to kill.

Although the people in purple robes are no longer a climate, Chen Feng is definitely not a soft-hearted person.

For opponents who have forged a big feud, he has always cut the roots!

Never be soft!

The moment he waved a palm, preparing to shoot the purple-robed man's forehead.

I saw the person in the purple robe looking back to the light, suddenly opened his eyes and yelled at Chen Feng's face ferociously.

"Do you think you will be fine if you kill me!"

"The people behind me will never let you go!"

As soon as the voice fell, without waiting for Chen Feng's palm to take a picture, the body of the purple-robed man suddenly shattered on its own, turning into blood in the sky!

Those blood lights quickly converged in the air and condensed into a huge blood red eye!

Chen Feng was shocked.

He could feel this huge \*\*\*\* eye, staring at him deeply!

In the dark, Chen Feng felt a special mark, which was directly imprinted on his body.

Everything happened so fast!

Chen Feng took the shot for the first time, and the palm that had not yet fallen slammed into the huge red eye in the void.

boom!

The huge red eyes shattered instantly and turned into countless blood lights.

Afterwards, it dissipated.

Only the purple cloak and long robe of the purple robe remained in place!

Standing in place, Chen Feng raised his head with comprehension and looked towards the endless sky.

At the same moment, the top of the sky, deep, in a mysterious world connected!

A supreme power with a terrifying aura suddenly opened his eyes!

His eyes are almost exactly the same as the huge \*\*\*\* eyes!

I saw this supreme mighty face changed.

"Those who dare to kill me! You wait for me!"

This great power only moved his lips slightly, but his words were extremely terrifying!

Thousands of miles around, a terrible death!

Those words are more like crossing the endless void and being perceived by Chen Feng in the Xuanwu Middle Thousand Worlds.

"not good!"

Suddenly, Zhong Li Yuntian, who was standing next to him, suddenly changed his face.

Chen Feng and the others looked over.

Zhong Li Yuntian looked at the purple robe remaining on the ground with a solemn expression.

He looked up and stared at Chen Feng, his face full of anxiety.

"You got into a disaster!"

"How to say? Do you know him?"

At this moment, everything has happened, and Chen Feng has returned to calm.

Zhong Li Yuntian sighed long.

"Hey! I didn't know him, but I recognized the blood-red eye just now."

"If I remember correctly, this person is named Luo Yuankui."

Then, Zhong Li Yuntian gave a quick brief account of this person's life.

In the end, he frowned and looked at Chen Feng to repeat the emphasis.

"Behind him, there is indeed a very terrifying force!"

"It's just that, for a long time, people in this force didn't know what they were planning, and they were very low-key."

"So, I didn't recognize it for a while."

Chen Feng thought for a moment.

"Is it stronger than your Zhongli family?"

Zhong Li Yuntian showed hesitation, as if he didn't know how to answer this question.

Chen Feng looked at his expression and moved slightly in his heart.

He could feel that now Zhong Li Yuntian has regarded him as his important ally.

Rather than relying on the interest relationship restricted by the devil's heart.

Therefore, at this time, he will have no reservations and tell everything he knows.

Today's Zhong Li Yuntian, sincerely hopes that Chen Feng can live forever.

Chen Feng stepped forward, slightly curled the corners of his lips, and patted Zhong Li Yuntian's shoulder.

"Since it has been killed, there is no need to think about anything else."

"No matter what, let's talk about it when the forces behind that appear."

"Now, we only need to complete the task as soon as possible, and at the same time, improve our own strength."

Upon hearing this, Zhong Li Yuntian also wanted to drive.

"It's reasonable!"

At this moment, everyone looked at the three of Chen Feng, and their eyes were filled with horror!

These three people are really outrageous!

Among them, many of them were harbouring ghosts, and at this time they also calmed down honestly.

Chen Feng looked at Peng Tiancheng and asked a few more questions.

After seeing Chen Feng's desperate turnaround, how dare Peng Tiancheng have a fluke again!

He honestly told everything he had investigated.

Hearing the news from Peng Tiancheng, Chen Feng was thoughtful and his eyes flashed.

Next to him, Tiancun Beast Slave looked at him with a smile.

"Every time I see the expression of Big Brother, I know that he must have some plans again."

Zhong Li Yuntian also looked at Chen Feng and laughed.

He was truly convinced of Chen Feng's thoughts!

He has never seen a peer, with a mature and meticulous mind like Chen Feng!

And this is one of the main reasons why he changed his attitude towards Chen Feng.

Chen Feng released his spiritual consciousness toward the surroundings.

Soon, he looked at the three of them and grinned.

"There is indeed a plan."

With that said, Chen Feng looked at the honest Peng Tiancheng.

"I have withdrawn the devil's heart, you can leave by yourself."

Peng Tiancheng's heart moved, he was a little skeptical at first, but soon confirmed that he was indeed free!

He immediately clasped his fists to Chen Feng and left quickly.

Although, it is not that he does not want to follow Chen Feng and his party to act together.

However, Peng Tiancheng knew in his heart.

With his strength, even if he followed Chen Feng and the others, it would only slow down.

After watching Peng Tiancheng leave, Chen Feng turned to look at Zhongli Yuntian and Tianchou Beast Slave.

[Chapter 5065: Great Demon God Yanjiao!](#)

His face was still shining with scorching light.

"Let's catch people!"

...

Soon, the three returned to the floating mountain where the City Lord's Mansion was located.

The people in purple robes used a certain secret method to take them to other places.

In fact, the two are not far apart.

The three quietly walked down the street.

Chen Feng took advantage of the special ability of Heaven and Earth's repetitive reincarnation of Heaven and Earth, and soon obtained a secret message from the patrol team outside the city lord's mansion.

Just today, Duanmu Sixin, the steward of the City Lord's Mansion, had just left and went to the nearby area to do something.

Then, Chen Feng quietly controlled the guards of the City Lord's Mansion.

From their spiritual knowledge, he determined that Duanmu Sixin was a confidant of Duanmu Patriarch.

"Since I am a confidant, I must know how to unlock the seal on the invitation letter."

Chen Feng followed all the way.

Since breaking into the peak of the fourth floor of the Star Soul Martial God Realm, he has gained a new experience in the use of Heaven and Earth's repetitive reincarnation power.

Now he can search for the whereabouts of Duanmu Sixin from the divine consciousness of many ordinary people with low cultivation bases at the same time!

Duanmu Sixin himself probably didn't expect it.

As the steward of the City Lord's Mansion and the confidant of the Duanmu Patriarch, his whereabouts are actually very secret!

In addition, he has a special secret method, able to capture his breath as much as possible.

But for Chen Feng, as long as someone saw him, Chen Feng would know where he went!

In this way, Chen Feng followed the law all the way, using everyone's sight as some sort of secret monitoring method.

Soon, the three of them caught up with Duanmu Sixin midway.

"who are you?"

Duanmu Sixin's complexion changed drastically, and he immediately ran his cultivation base.

However, almost every strength of the three people standing in front of him is above him!

His cultivation is not very strong, only the peak of the sixth floor of the Star Soul Martial God Realm.

Chen Feng controlled him almost easily.

Without further ado, Chen Feng used heaven and earth to reincarnate in heaven and earth to control Duanmu Sixin's spiritual consciousness.

"Say, how to lift those special seals on the invitation letters issued by Duan Muxi!"

Duanmu Sixin lost focus in his eyes, like a puppet, stiffly revealing everything he knew.

"The Great Demon God Yanjiao?"

Chen Feng's expressions changed slightly.

Great Demon God Yanjiao!

A very secret sect in the entire Xuanwu Zhongqian world.

Most people don't know their existence, but many things in this world are actually driven by them secretly.

Countless famous sects and prominent families are also inextricably linked to this great demon \*\*\*\* Yanjiao.

However, this Great Demon God Yanjiao is not a formal sect.

It is a cult!

It is said that no one knows where the headquarters of the Great Demon God Yanjiao is.

Even in many cases, the people taught by the Great Demon God are also out of sight.

No matter where you are, they can use all kinds of inexplicable means to get everything they want to know!

This cult has extremely terrifying strength!

And the only way for the world to come into contact with this Great Demon God Yanjiao is to go to various Great Demon Temples.

Each Damolin Temple is a stronghold of the Great Demon God Yanjiao.

Almost the entire Xuanwu Zhongqian World, there are large and small Damolin Temples everywhere!

Knowing all this from Duanmu Sixin's mouth, Chen Feng had a faint feeling in his heart.

It's not an exaggeration to say that this great demon \*\*\*\* Yanjiao is the true ruler behind this basalt middle thousand worlds!

Even the City Lord's Mansion of Duanmu Xiancheng has contact with them.

In fact, Duanmu Sixin quietly left the city lord's mansion this time, just after receiving instructions to go secretly to a nearby Damolin Temple.

At this moment, the reason why Duanmu Sixin said the Great Demon God Yanjiao was also related to what Chen Feng and his party wanted to know.

On those forty-nine invitations issued by Duan Muxi, those secret special seals.

It is the mighty one educated by the great devil who has been blessed by a special seal!

"In other words, only if we find a strong person who can help us break the seal?"

Upon hearing such news, neither Chen Feng nor the two of them looked very good-looking.

Chen Feng looked at Duanmu Sixin again and continued to ask.

"City Lord Duanmu asked you to come out, why?"

Duanmu Sixin lost his eyes and didn't focus. Hearing Chen Feng's question, he answered immediately.

"The city lord asked me to find the powerful person taught by the Great Demon God, and hope they can help investigate one thing."

"What's the matter?"

"Recently, in Duanmu Xiancheng, there seems to be a group of strong men that have never been seen before."

Upon hearing this answer, Chen Feng looked at each other with Tianchou Beast Slave and Zhong Li Yuntian.

Their faces showed the same reaction.

It is indeed the city lord mansion of Duanmu Xiancheng!

Indeed, in recent times, there have been news coming from everywhere.

Things like Chen Feng and the others' raid on the Tang family appeared in various other places.

In fact, even now, Chen Feng and the others are being interrogated at the same time.

There is also a lot of news, from all directions, like snowflakes, rushing into the city lord's mansion.

Even if the Duanmu family has sent a powerful person to step on the huge fairy bird to deliver a message throughout Duanmu Xiancheng.

In Duanmu Xiancheng, if there are any troublemakers, they will all be killed!

However, there are still strong shots unscrupulously!

In just half a day, the huge City Lord's Mansion has dispatched troops to dispatch several waves of powerful men.

They sat on the flying boat in the City Lord's Mansion and rushed to various places where they were attacked and killed by unknown strong men.

The majesty of the City Lord's Mansion is inviolable!

Seeing that half a month is about to pass, all the top powerhouses want to participate in the discussion and discussion of the City Lord's Mansion, and there is not much time left.

The more this time comes, the less riots are allowed in the entire Duanmu Xiancheng!

Duanmuxi issued those invitation letters, and his original intention was not to see the entire Duanmu Fairy City in chaos.

Therefore, just today, the Duanmu family has sent a pomp comparable to that of welcoming Nangong fairy not long ago.

All the strong who can be sent out are all sent out to maintain order.

For a time, the entire Duanmu Xiancheng was alarmed.

Except for the grand ceremony of welcoming Nangong Fairy, when did the City Lord's Mansion ever experience such a big battle?

Could something big happened?

The entire Duanmu Fairy City was suddenly in danger.

Especially those families, sects, and forces that received invitations from the Duanmu family.

They are particularly frightened!

Duanmu Sixin continued to talk blankly.

"...Nowadays, everyone wants to know where there are so many strong people."

Simultaneously.

In the city lord's mansion.

Duanmu family, in the inner hall.

The atmosphere at this moment is particularly solemn, even cold and hard.

Some are suffocating.

Duanmu Patriarch, sitting high on the top of the inner hall.

#### [Chapter 5066: The calculations of the Duanmu family!](#)

Sitting next to him are the young master Duanmu, who is in the limelight recently, and Duanmuxi, the son of the family master Duanmu.

At the gate of the inner hall, General Duanmu Xianwei kept coming in and out!

Every time the report was reported, it was a case of a strong attack occurred somewhere or in a certain family.

In the entire Duanmu Xiancheng, there is a huge team, Duanmu Xianwei.

They are responsible for order and safety in the huge Duanmu Xiancheng.

Therefore, there are a lot of Duanmu Xianwei, and they are scattered throughout Duanmu Xiancheng.

Due to the fact that there are too many Duanmu Xianwei, every place Duanmu Xianwei will have a leader, that is, the general.

Normally, none of these generals will appear in the City Lord's Mansion.

Only a memorial and letterhead are required for daily reporting of the order in their respective areas of responsibility.

As it is now, the generals from all over the world went to the City Lord's Mansion to report in person.

It shows that the situation has developed to a very serious point!

Duanmu Patriarch Duanmu Yunwen looked down, and the generals of Duanmu Xianwei briefly reported the situation.

After one reported, he turned and retreated, and the other followed closely and continued to report.

Duanmu Yunwen's face became more and more ugly, as if the mountains and rain were about to come and the wind was all over the building.

Especially when he heard from these Duanmu Xianwei generals.

When I heard that even the Xiancheng Inn not far away, there were also private fighters.

boom!

A palm hit the fine wooden armchair under the seat.

Suddenly, the solid wood armchair fell apart!

"During this period, there are really too many strong people in Xiancheng."

"Dare to make a move at the Xiancheng Inn, is it true that my City Lord's Mansion is a decoration!"

In his opinion, the unscrupulousness of these powerful men is a provocation to their Duanmu family.

Beside, Duan Muxi sneered.

He was dressed in a feather-fan and lenticular scarf, and he was full of spirits.

"Does father have any guesses?"

Duanmu Yunwen nodded slightly and said in deep thought:

"I heard that these powerful people who suddenly appeared seem to know each other more."

"Moreover, according to some families that have been attacked and killed, there seems to be a certain commonality in the breath of those strong."

Hearing these words from Duanmu Yunwen, Duanmuxi's heart moved.

"Father is skeptical, those strong are from the same mysterious force?"

Duanmu Yunwen is noncommittal, but it is probably the same guess.

In the inner hall, another general came forward to report.

Duan Muxi sneered as he listened to the report.

"No matter which mysterious force they come from, since their targets are so consistent."

"They are all the families and sects to which I issued the invitation. It seems that their goals are the same."

"Since their goal is to \*\*\*\* the invitation letter, well, there are only a few days left in the half-month agreement."

"At that time, they will come to the City Lord's Mansion and they can just catch them all!"

Duanmu Yunwen didn't care much about his son's plan.

"What I care more about is which force these people come from."

His brows were frowned, and the word "Chuan" was deeply squeezed out of his forehead.

The slightly turbid eyes seemed to see the truth through the endless void.

Duan Muxi looked at him: "Didn't my father send someone to the Great Molin Temple?"

"The strong people who have the Great Demon God Yanjia help to investigate, and I believe the results will be revealed soon."

Hearing what he said, Duanmu Yunwen disapproved.

"What if the mysterious powerhouses that suddenly appeared, are they related to the Great Demon God's Evangelism?"

Hearing what Duanmu Yunwen said, Duanmuxi's expression changed and his eyes were straight.

"Father meant..."

Duanmu Yunwen gave him a look.

Duanmuxi was silent immediately.

His face was even pale, and there was no arrogant attitude!

"Is it right? I'll know then."

Duanmu Yunwen seemed to have thought of something and let out a long breath.

"However, we should think too much."

"Those strong men who suddenly appeared should belong to some mysterious force."

...

"Take us to the Great Molin Temple."

Chen Feng gave orders to Duanmu Sixin.

The group was just about to set off for the Great Molin Temple.

Suddenly, Chen Feng's expression changed, he raised his hand and stopped.

Seeing him stop, everyone also stopped.

"what happened?"

"Quiet!"

Chen Feng looked serious.

He could feel that just outside the unmanned bamboo house where the three of them asked Duanmu Sixin, there were a few breaths spying!

In almost an instant, Chen Feng could perceive that these breaths came from the top of the sky!

The person walking in front was only one point weaker than Zhong Li Yuntian, in the middle of the seventh floor of the Star Soul Martial God Realm.

The one who walked behind that person had the same strength as Zhong Li Yuntian, and was also the strength of the pinnacle of the seventh building!

Feeling the breath of these two people, Chen Feng's heart moved slightly.

The breath of these two people is a bit special.

Just now, he subconsciously compared these two people with Zhong Li Yuntian.

It is precisely because their breath is somewhat similar to Zhong Li Yuntian!

He turned to look at Zhongli Yuntian.

"There are two people outside, both from the top of the sky."

"I feel that their breath is somewhat similar to yours."

Upon hearing Chen Feng's words, Tiancun Beast Slave and Zhong Li Yuntian both showed shocked expressions.

"Similar to my breath?"

Zhong Li Yuntian frowned, suddenly seemed to think of something, and met Chen Feng's gaze.

"It's from the Tantai family."

Chen Feng gave a detailed description of the breath he felt.

"It's a member of the Tantai family."

Zhong Li Yuntian gave a clear answer.

"This time I entered the team of the trial world, I did see people from the Tantai family."

"The one who is equivalent to me should be Tantai Xuyao, and the one who is slightly inferior to me should be Tantai Ruochu."

"I remember coming in this time, there is also a Tantai Xiaoli."

"The three of them should be walking together."

Speaking of this, Zhong Li Yuntian looked at Chen Feng with a strange expression.

"what happened?"

Chen Feng asked.

Zhong Li Yuntian looked suspicious, and asked: "Tantai Xuyao is a fairy in the sky, and has always been known for being good at hiding and wandering around."

"Until now, I have not sensed his breath, how did you perceive it?"

Chen Feng thought he was going to say something, it turned out to be this.

He smiled.

This is also thanks to the Supreme God Demonizing Dragon Art.

Since he had practiced this, the first volume alone had the 9th-Rank Hong-level God and Demon Dao Mind Art, his physical abilities have been greatly improved.

After that drop of Yanyang Great Demon's essence and blood melted in, his perception improved a lot.

Subsequently, he successively swallowed the blood of two ancient gods and demons.

Directly from the third floor of the Star Soul Martial God Realm, a breakthrough in one fell swoop.

[Chapter 5067: Layout again, please enter the urn!](#)

Now, it is the pinnacle of the fourth floor of the Star Soul Martial God Realm.

It is not unusual to be able to perceive the breath of those two.

At this moment, he keenly felt that the two auras outside suddenly became intense!

They are closer to the bamboo house where Chen Feng and his party are located!

It seems that people outside have already discovered their existence.

Now is a precursor to getting ready!

By now, Zhong Li Yuntian finally sensed the breath outside.

He reacted fiercely, suppressing his voice and exclaimed secretly.

"I see! They want to do it to us!"

"Their goal is also Duanmu Sixin!"

People with the strength of cultivation are often not fools.

There are a lot of smart people.

After hearing the news from the City Lord's Mansion about the mysterious atmosphere in the invitation letter, Chen Feng immediately focused on Duanmu Sixin.

Then, there will naturally be a second person and a third person.

After all, it would be unrealistic to directly break into the impregnable City Lord's Mansion!

The only breakthrough is probably Duanmu Sixin who is not too strong.

After learning this, Zhong Li Yuntian reacted immediately.

He looked at Chen Feng with a serious expression.

"You take Duanmu Sixin and go first, I will stay and help you stop them."

This is Zhong Liyuntian's subconscious reaction.

The clues that can't be obtained will make others in vain!

By now, Zhong Li Yuntian had completely divided himself and Chen Feng.

He didn't even think of one thing-it was obvious that Chen Feng had only a blank invitation letter in his hands.

However, before he rushed out of the bamboo house.

Chen Feng reached out and put a hand on his shoulder.

"We may not have to face them head-on."

Zhong Li Yuntian's face was briefly blank, and he turned his head to look at him subconsciously.

I saw Chen Feng smile slyly.

"The two outside are not our opponents. Killing is only a matter of minutes."

Hearing this, Zhong Li Yuntian's heart was shocked.

Yes, now Chen Feng is even stronger than him!

Thinking of this, Zhong Li Yuntian's eyes couldn't help but dim.

Following Chen Feng during this period of time, he saw with his own eyes how Chen Feng's strength has been advancing by leaps and bounds.

Any cultivator will be heartbroken when he sees such a rapid breakthrough speed.

Zhongli Yuntian is no exception!

But he...

"Have you ever wondered why the two people outside came to the door."

Chen Feng's words brought back his thoughts.

This time, the celestial beast slave next to him reacted immediately.

"They also have an invitation letter that needs to be unblocked!"

Hearing this, the faces of Zhong Li Yuntian and Tianchou Beast Slave showed joy.

The eyes of the two people beamed, and their spirits suddenly came.

Yes!

Chen Feng already had a blank invitation letter, and there was indeed a special secret method that could quickly find Duanmu Sixin, so he was one step ahead and controlled Duanmu Sixin.

And the second son of the Tantai family outside, if for no reason, how could they stare at Duanmu Sixin!

It must be in their hands, and they have already received a blank invitation letter from a certain family!

Seeing that both of them had reacted, Chen Feng raised his lips and looked outside.

"They want Duanmu Sixin? Give it to them!"

Almost in an instant, the heaven and the earth reincarnated repeatedly, and the heavenly power suddenly worked.

In the space of repetitive reincarnation of heaven and earth, in the weird ink pupil on the far right, black light quickly converged into a demon heart!

In the next second, this demon heart was sent to the depths of Duanmu Sixin's spiritual world!

Chen Feng gave Zhong Li Yuntian and Tiancan Beast Slave a look.

The two immediately agreed.

Almost at the same time, the bamboo house split instantly!

Two extremely powerful auras immediately surrounded Chen Feng and four people.

The overwhelming coercion directed at Chen Feng and the three of them, smashing their heads and covering their faces!

It is the breath of the family of Tantai!

Immediately, two people wearing cloaks and robes directly killed in.

Chen Feng's trio, Qi Qi's complexion changed drastically, all of them appeared caught off guard.

Among the three, Li Yuntian reacted the fastest in a few minutes.

Just as the pressure from the peak of the seventh floor of the Star Soul Martial God Realm slapped them towards them, the same powerful pressure was released from his body.

For a time, Tantai Xuyao and Zhong Li Yuntian showed a stalemate.

"It's really you! Zhongli Yuntian."

Tantai Xuyao looked over with a sneer, with a certain victory gesture on his face.

They have already probed.

There are four people in the bamboo house.

Among them, Dang Zhongli Yuntian's strength is the strongest, and is no different from Tantai Xuyao.

Among the remaining three, one of them is the goal of their trip.

As for the other two, the waste of the fourth floor of the Star Soul Martial God Realm!

"Zhong Li Yuntian, haven't seen him for a long time, why are you getting worse and worse? You are with two wastes."

"I remember, your Zhongli family came in this time, and there are two other people."

"Could it be that Zhong Liyun dived into them and kicked you out?"

Speaking of this, Tantai Xuyao burst into a frantic laugh.

Next to him, Tantai Ruochu was equally proud.

Facing the garbage on the fourth floor of the two Star Spirit Martial God Realm, Tantai Ruochu even felt a little weird.

"With your strength, you can actually take a step ahead of us and stop Duanmu Sixin."

"I should say, your luck is too good or not so good?"

Zhong Li Yuntian fought against Tantai Xuyao with all his strength, his face sank as if he had been stabbed in the pain.

Murderous aura filled his face.

"Tantai Xuyao, you and my well do not offend the river. It is better to be like this and I will walk with you."

Hearing Zhong Li Yuntian actually tried to compromise, the expressions of Tianchou Beast Slave and Chen Feng suddenly changed.

Chen Feng was even more surprised.

This clock is away from the sky, and it is also deliberate.

If you come up and fight to the end, it may cause the other party's suspicion.

But if it's like this, just ask for peace directly.

The opponent will definitely think that Zhong Li Yuntian really has no hole cards!

Because of this, he and Tianchou Beast Slave would cooperate so well.

"Young Master Zhongli!"

He yelled, his tone full of surprise and incredible.

"To shut up!"

Zhong Li Yuntian knew how to catch up, and his face was rather ugly and he drank Chen Feng.

He looked at Tantai Xuyao: "How?"

Seeing the infighting here, Tantai Xuyao and Tantai Ruochu both laughed.

"Zhong Li Yuntian, Zhong Li Yuntian, I didn't expect you to have today!"

Tantai Xuyao laughed and looked at them with even more disdain.

"But we refuse! Ruochu, do it!"

With a fierce order, Tantai Ruochu exploded with a strong aura and rushed straight at the two of Chen Feng.

Target, Duanmu Sixin!

Tantai Ruochu did not pay attention to Chen Feng and Tiancun Beast Slave at all!

[Chapter 5068: Damolin Temple, the horror is here!](#)

Directly unleashing the coercion in the middle stage of the seventh floor of the Star Soul Martial God Realm, he immediately stretched out his hand and rushed towards the sealed Duanmu Sixin!

Chen Feng and Tiancun Beast Slave were immediately suppressed by this supreme coercion, completely immovable!

"Tantai Ruochu, you are so bold!"

Zhong Li Yuntian was furious, flipped his hand and patted Tantai Ruochu.

However, he was stopped by another palm suddenly appeared!

Tantai Xuyao's eyes hidden under the cloak shot out extremely disdainful and proud eyes.

"Your opponent is me!"

"Hahahahahaha!"

The war is about to start!

Zhong Li Yuntian was dragged by Tantai Xu Yao, and tried to rush to Chen Feng several times, but was stopped.

Chen Feng and Tiancun Beast Slave had their eyes open and their complexions flushed.

However, how can the two "Star Soul Martial God Realm Fourth Floor" fight against the strong in the seventh floor!

With almost no difficulty, Tantai Ruochu snatched Duanmu Sixin from the hands of the two who were almost lying down.

"what!"

Zhong Li Yuntian tried his best, and the ink was flying like crazy.

But in the end, it still failed to recover the result of being robbed of Duanmu Sixin.

Two strong men from the Tantai family came quietly and quickly disappeared into the sky.

Only a string of arrogant and proud laughter remained.

On the spot, Zhong Li Yuntian, who was ashamed and angry, gradually recovered his calm.

Chen Feng, who pretended to be too shocked to move by the pressure of the seventh building, also stood up and came to him.

The three of them looked at the direction where the two of Tantai were leaving.

Suddenly, Chen Feng turned his head to look at Zhongli Yuntian.

"You did it just now, and it looked like something."

When Zhong Li Yuntian heard this ridicule, he couldn't help laughing.

"I didn't learn it from you yet."

The three couldn't help laughing.

After a while, Tianchou Beast Slave looked at Chen Feng.

"Brother, what shall we do now?"

Chen Feng turned around and smiled confidently.

"Mantis catches the cicada, and the oriole is behind."

"Since someone wants to find the way, we might as well wait a while."

With that said, Chen Feng looked at the two of them with a treacherous expression.

"Maybe, even your invitation letter can be resolved."

When Chen Feng said this, his mind was already sinking into the space of repeated cycles of heaven and earth.

He can clearly see scenes after scenes.

It is Tantai Xuyao and Tantai Ruochu!

The two took Duanmu Sixin and hurried away in one direction.

At this moment, Duanmu Sixin, the five senses that had been unsealed by them, "recovered their spiritual consciousness."

The two princes of the Tantai family are also capable.

In such a short period of time, they actually discovered the location of the Great Molin Temple from Duanmu Sixin's mouth.

I have to say that Tantai Xuyao's whereabouts are indeed strange and difficult to distinguish.

If it weren't for Chen Feng, who had special means, along the way, they would always avoid all those who tried to track down Mu Si Xin in advance!

Soon, under the guidance of Duanmu Sixin, the two people wearing dark gray cloaks and long robes, with a gloomy aura, came to the outside of Duanmu Xiancheng.

"That is the Great Demon Lin Temple?"

The three stopped.

Tantai Xuyao looked far ahead.

From the point of view, Duanmu Xiancheng has a vast territory and abundant resources.

Many floating mountains with aristocratic families and factions are even tens of thousands of miles in radius.

However, when you come to the outside of Duanmuxian City, you will see the mighty and uninterrupted mountains.

Wanshan towers up straight into the sky!

There are many dangerous peaks and cliffs, like a big axe, and like a bolt of thunder.

Seeing this situation and this scene, looking up at the hidden top of the ten thousand mountains above the sea of clouds, the feeling of imposing and self-irritating on the surface makes the heart tremble!

"Here, is the Great Demon Lin Temple?"

Tantai Xuyao's gaze was like a torch, staring directly at the ethereal fairy cloud.

There is a thick sea of clouds all year round.

But when you reach Tantai Xu Yao's strength, you can see it from a distance.

Above this sea of clouds, there is an extremely huge magic circle!

A large number of fairy clouds were born from this magic formation, which cut off the connection between the top of the ten thousand mountains and the downwards, forming a natural barrier.

Duanmu Sixin looked at Tantai Xuyao, pointing to the sky.

"The Great Demon Lin Temple is above this sea of clouds, the top of ten thousand mountains?"

Tantai Xuyao said, flipping his hand to grab Duanmu Sixin, and rushed towards the sea of clouds.

The Tantai Ruochu next to him followed closely behind.

The three of them plunged into the dense sea of clouds, and soon came to the sea of clouds, the top of ten thousand mountains.

Just as he rushed out of the pure white sea of clouds, I saw several white dragons rolling in the sea of clouds far away.

Long Yin bursts, shaking the sky!

However, if you listen carefully, there seems to be a moan in the long roar of the dragons.

That is a second-tier monster!

How keen Tantai Xuyao!

He saw at a glance, outside the fairy cloud, an old man was floating in the void.

And behind him, on the top of ten thousand mountains, above the sea of clouds, there was a huge black temple!

The old man's beard and hair are all white, and I don't know how many years he has lived. Now even his eyelashes are empty.

Wearing a black robe and holding a fishing rod made of blue and white jade, he stared at the white dragon rolling in the sea of pure white clouds in front of him.

It was fishing leisurely!

"Yeah, I got the bait."

Suddenly, the old man raised his wrist and flipped lightly, and he easily caught a white dragon!

As if he hadn't seen Tantai Xuyao and others, the old man curled his eyes to look at the tumbling and struggling Bailong.

At the same time, he looked at his side again.

To his side, there are four white dragons confined by ink-colored fluorescence!

These white dragons are only stronger than the white dragons just caught!

Only the old man slapped his tongue and said as if talking to himself.

"If you catch less today, you can stuff your teeth."

Then, the old man opened his mouth and wanted to directly swallow this huge white dragon!

These white dragons all have the strength of the second floor of the Star Soul Martial God Realm!

Although not particularly strong, it is a dragon after all!

Both Tantai and Xuyao's eyes were shocked.

But seeing the old man open his mouth instantly, it was as huge as the sky.

Swallow three or five dragons in one bite!

Such a picture, even the heirs of the Tantai family, are not only shocked!

Tantai Xuyao felt even more awe-inspiring.

The old man in the distance must be a strong decision!

At this time, Duanmu Sixin, who could only hear him, said, "This is the special envoy of the Duanmu family."

"If you want to enter the Great Demon Lin Temple, you have to report it to him."

With that, Duanmu Sixin approached the old man.

"Ruizhen Demon Envoy, the steward of the Duanmu Family, Duanmu Sixin. The Patriarch asked me to see if I had something to do, and asked the Ruizhen Demon Envoy to send us in."

Hearing the title of the old man, the two of Tantai Xuyao who followed behind became even more vigilant.

Magician!

This person opened his mouth to swallow the dragon, turned out to be just an envoy of the Great Demon God Yanjiao!

How powerful should this great demon \*\*\*\* Yanjiao be!

How terrible the people inside!

After hearing Duanmu Sixin's words, the old man finally slanted his eyes lazily and admired the three people's eyes without waves.

[Chapter 5069: Old Demon Peng Shi!](#)

"Do you have a token?"

It seemed a sparse and ordinary question, but Tantai Xuyao felt a faint feeling in their hearts.

Just now, the old man's eyes slid across him at will, as if he could see through everything!

Tantai Xuyao immediately looked towards Duanmu Sixin.

I saw Duanmu Sixin flipped his hand and pulled out a simple and strange black token, and showed it respectfully.

"Well, come with me."

The Ruizhen Magic Envoy saw the inky black token and immediately retracted his gaze.

He put away the fishing rod, turned around and held his hand, and walked towards the huge and strange temple behind him.

Tantai and Xuyao let out a sigh of relief!

Ok!

The two immediately caught up with Duanmu Sixin, followed the old man, and walked towards the temple together.

The Great Demon Lin Temple in front of him was filled with strange auras everywhere.

After the Ruizhen Demon Envoy passed through the special barrier, Sensen's devilish energy rushed toward his face!

All the buildings here are completely dark!

Upon closer inspection, Tantai and Xuyao couldn't help being shocked.

To build this Great Demon Lin Temple, I don't know what kind of materials are used, but it contains endless magic energy!

I saw a huge plaque hanging high in front.

The four scarlet characters in the letter-Da Mo Lin Temple!

At a glance, Tantai Xuyao was almost lost!

I don't know whose blood is used in these four characters, they are so powerful!

He looked back again and again, not daring to look at it easily.

Sweeping around, there were demon servants wearing scarlet robes and pointed top hats everywhere.

The scarlet robes were embroidered with strange patterns.

All of these demon servants were pale as paper, without the slightest expression, and there was no light in their eyes.

Their whole bodies also constantly gushing out of devilish energy, like puppets, each has its own instructions.

For the four people who entered the Great Demon Lin Temple, none of the demon servants responded! Everyone did not squint, as if they had never seen it.

Ruizhen magic envoy led Duanmu Sixin three people, all the way into the Great Molin Temple.

Soon, they came to a very majestic hall.

At the same time, the three of Chen Feng had followed all the way and came to the sea of clouds.

With the devil's heart rooted in the spiritual world of Duanmu Sixin by Chen Feng, everything that Tantai Xuyao and others have seen, Chen Feng has a clear view.

"We just wait outside, don't have to go in."

Chen Feng's face was serious and cautious.

He turned his head and looked at the sea of clouds where he had just fished the dragon, and he was also jealous.

This great demon \*\*\*\* Yanjiao is stronger than he thought!

Just the Ruizhen Demon Envoy who dared to catch the dragon and swallow the dragon should not be underestimated!

The three are hidden in the sea of clouds.

With Zhong Li Yuntian and Tianchou Beast Slave guarding beside him, Chen Feng continued to mobilize the devil's heart and continued to watch.

At this moment, the Ruizhen Demon Envoy and his party had already arrived outside a small hall.

This Ruizhen Demon Envoy obviously knew Duanmu Sixin.

In the long narrow corridor that entered the small hall, he chatted without a word.

"You are a little late today."

Tantai Xuyao, who was next to him, was stunned.

Duanmu Sixin arrived late, naturally because of them and the previous Zhongli Yuntian.

His eyes hidden in the gray cloak quietly looked at Duanmu Sixin.

Duanmu Sixin smiled cautiously.

He turned his head and looked at the two of Tantai.

"There was indeed a delay today."

Ruizhen Magic Envoy followed his gaze and glanced at Tantai Xuyao again.

There was a little majesty in the deep and thick voice.

"If something goes wrong, just say it. After all, this is the Great Demon Lin Temple."

Hearing this, Tantai Ruochu secretly looked at Tantai Xuyao on his side.

The hearts of the two were tense.

However, Tantai Xuyao remained calm, and seemed to have some kind of hole card as a guarantee.

Sure enough, Duanmu Sixin smiled and arched his hands.

"That's natural. As the steward of City Lord's Mansion, Patriarch Duanmu's confidant will not be afraid."

Hearing Duanmu Sixin's words, Ruizhen Magic Envoy said nothing.

The two Tantaïs behind him also secretly breathed a sigh of relief.

Soon, the Ruizhen Magic Envoy looked forward.

"It's here, Old Demon Peng Shi is inside."

"The people have been brought here, so there will be nothing for me. Take one step ahead."

The three Duanmu Sixin bowed to him respectfully.

Watching Ruizhen Demon Envoy take a step, his figure disappears quietly.

Duanmu Sixin looked at the cloaked man on both sides behind him.

"Let's go in."

After that, he turned around and stretched out his hand to push open the Momen in the small hall.

Although it is only a small hall here, it is only relatively speaking.

The huge and magnificent hall is instantly greeted!

A devilish energy full of blood, at the moment Momen was pushed open, hit his face.

After the devilish energy dissipated, Tantai Xuyao quietly looked forward.

I saw a middle-aged man in a blood-colored robe standing above the empty hall!

This is Old Demon Peng Shi!

Tantai Xuyao has always had extremely keen senses.

He noticed at a glance that the blood-colored robe on Old Demon Peng Shi also had strange embroidery patterns.

However, it was different from the patterns on the previous Demon Servant.

It seems...it's the outline of a certain character!

Without waiting for him to think about it, he saw Old Demon Peng Shi with his back facing them, slowly turning around.

There was a billowing demon on his face, it was difficult to see the true face!

Tantai Xuyao was shocked!

The middle stage of the eighth floor of the Star Soul Martial God Realm!

Is this the foundation of the Great Demon God Yanjiao? Any strong man in the Great Demon Lin Temple has such strength!

"I have seen Old Demon Peng Shi."

Duanmu Sixin bent over and arched his hands respectfully.

However, the unrecognizable old demon Peng Shi did not look at him.

His sharp gaze penetrated the devilish energy, staring at the two cloaked people behind Duanmu Sixin like nails.

"Come to my Great Demon Lin Temple and still cover up like this, is it a blind eye?"

Old Demon Peng Shi's voice was hoarse, but implied supreme coercion.

Almost instantaneously, Tantai Xuyao and two of them were on their backs, cold and sweaty.

Duanmu Sixin was also sweating, and turned around quickly, lowering his voice and pretending to be a reprimand.

"Don't hurry up and face Old Demon Peng Shi with his true colors!"

Tantai Xuyao silently glanced at Duanmu Sixin, with various emotions in his eyes.

Immediately, he raised his hand and lifted the gray cloak hat covering his figure.

On the other side of Tantai Ruochu, seeing him like this, he quickly followed suit.

Old Demon Peng Shi snorted coldly, still not looking at Duanmu Sixin, but directly at Tantai Xuyao.

"Why are you looking for me?"

"We would like to ask you to erase the seals on these three invitation letters."

Tantai Xuyao said, turning his wrist quickly.

Look again, three blank invitations appeared in the palm of his hand.

Old Demon Peng Shi coldly looked at the three blank invitations, and raised his eyes again to look at Tantai Xuyao, which was already full of banter.

"These three invitation letters shouldn't be what you should have."

In an instant, inside the empty hall!

## [Chapter 5070: Please kill these two people!](#)

Time seems to freeze, and the atmosphere is depressing and scary!

...

Outside the Great Molin Temple.

Chen Feng almost saw everything happening inside from Duanmu Sixin's perspective.

How he didn't know, the old demon Peng Shi in front of him, at a glance, saw through the three people, it is not Duanmu Sixin who really dominates.

Instead, Tantai Xuyao!

Seeing this, Chen Feng couldn't help but slap his tongue again and again.

"How's it going?"

The Tianchou beast slave next to him looked over.

Chen Feng was a little lucky at the moment.

"Very dangerous."

He looked at Tiancun Beast Slave and Zhong Li Yuntian, couldn't help being amused, and briefly talked about the situation inside.

Knowing that this is the case now, the other two laughed.

"At that time, when they find their way, we will let the old demon Peng Shi unseal your blank invitation letter."

Hearing this, Chen Feng blurted out.

"That blank invitation letter is not in my hand now."

Chen Feng's words changed the expressions of Tiancun Beast Slave and Zhong Li Yuntian in shock.

Only Chen Feng raised the corners of his lips and continued to motivate Duanmu Sixin's devilish heart, quietly observing.

In just such a short time, the situation in the hall has changed dramatically!

The old demon Peng Shi, who was coldly talking to him, didn't do anything with them!

And Tantai Xuyao is also surprising.

Not only did he have no guts, he took a step forward.

"The City Lord's Mansion issued an invitation letter, inviting the strong players in the entire Duanmu Fairy City."

"These blank invitations were originally made by the big families that they received to choose suitable candidates."

"We are the chosen ones."

Seeing that Tantai Xuyao was so calm, Old Demon Peng Shi couldn't comment and didn't say anything.

Just looked at Duanmu Sixin next to him.

"Why are you here again?"

I saw Duanmu Sixin stood up straight and looked at Old Demon Peng Shi.

Turning over, he actually took out a blank invitation letter.

"The city lord asked me to come, mainly for two things."

"The first one is to bring these two people here and lift the seal on this blank invitation letter."

Speaking of this, Duanmu Sixin respectfully handed it over.

Tantai Xuyao raised his eyebrows, and there was a hint of surprise in his eyes.

However, his response was extremely quick.

Regardless of the truth, please submit the invitation letter together.

After all, the only one who can lift the seal is the one in front of him.

No matter what other players in Duanmu Sixin have, after the seal is released, soldiers will come to block, and water will come to cover!

The peak of the sixth floor of the Star Soul Martial God Realm, what kind of sky can be revealed?

Old Demon Peng Shi quietly stared at Duanmu Sixin, and it took a long time before he accepted the four blank invitations.

For Chen Feng and others, the special seal that was difficult to reach was extremely easy to lift in the hands of Old Demon Peng Shi.

As soon as the four blank invitation letters entered his skeletal hands, a devilish spirit suddenly appeared!

Immediately, everyone could see that a special barrier appeared on the invitation letter.

Following the devilish energy of Old Demon Peng Shi, there was a slight shock.

This weak barrier suddenly collapsed and dissipated!

It's done!

Tantai Xuyao and Tantai Ruochu looked at each other.

Everything went smoother than they thought!

Old Demon Peng Shi returned all four invitation letters.

Tantai Xuyao suppressed the pride in his heart and pretended to accept it plainly.

"Then, what's the second thing?"

Old Mo Peng Shi looked at Duanmu Sixin lightly.

at this time!

Just listen to Duanmu Sixin screaming.

"Please help me with Old Demon Peng Shi! Kill the two people around me!"

"The Patriarch has said that there have been many mysterious powerhouses in Duanmu Xiancheng recently, robbing invitation letters!"

"They are two of them!"

"I was caught by them!"

Such an abnormal change happened too suddenly!

Between the transformed elbows and armpits, no one thought that Duanmu Sixin, who had been obediently obedient, turned back!

Even if it was Tantai Xuyao, his face suddenly changed.

"withdraw!"

Tantai Xuyao had always reacted very quickly, and immediately reacted, turning around to seize the road and leaving the Damolin Temple.

However, the speed of Old Demon Peng Shi is also not slow!

The Momen of the open main hall was instantly shocked by the billowing devilish energy and closed suddenly!

There was a loud noise.

Inside the hall, Duanmu Sixin quickly retreated and hid in a corner.

Let Old Demon Peng Shi take the shot at will and kill the two sons of Tantai!

For a time, there was a mess in the hall!

The countless nearby demon servants stopped, turned around and looked at the hall where the old demon Peng Shi and his party were.

At this time, Chen Feng, who was crouching outside, finally showed a sly smile.

"it has started!"

Inside the hall, the billowing devil gas almost overturned the roof!

Although Old Demon Peng Shi described as skinny, his face was even more obscured by the black magical energy, and he couldn't see his true colors, but he was extremely powerful!

Tantai and Xuyao immediately broke out with all their strength, and also set off a wave of anger.

This air wave is indeed powerful!

For a while, it has the effect of suppressing the devilish energy!

Even the devilish energy on Old Demon Peng Shi's face was blown away in an instant.

The half-skeleton face hidden under the devilish air!

The right half of Old Demon Peng Shi actually had no flesh and blood, only bones!

Only his eyeballs are still in the eye sockets of the black hole, constantly releasing endless demonic energy.

Even Tantai Xuyao gasped secretly when he saw the true face of Old Demon Peng Shi.

"not good!"

He immediately turned around and looked at Tantai Ruochu.

"withdraw!"

They came here with only one purpose, and that is to unblock the blank invitation letter!

Now that the invitation letter has been unblocked, and they have received one more for no reason, they don't have to entangle with Old Demon Peng Shi!

Tantai Xuyao has only the strength of the peak of the seventh floor of the Star Soul Martial God Realm.

If you really want to fight, even if there are special methods to restrain the devilish energy, he and Ruo Chu are definitely not Peng Shi's opponents!

Therefore, it is best to go!

"Want to run?"

Old Demon Peng Shi looked at Tantai Xuyao with cold eyes, with disdain in his eyes.

boom!

There was a loud noise in the hall.

The closed Momen violently oscillated several times.

Several times, I was even knocked through a gap, but the demon servants gathered outside all shot!

It was Shengsheng that blocked Momen again!

Duanmu Sixin hid in the corner, quietly watching the fierce battle in the hall.

The corner of his mouth faintly evoked an invisible arc.

I don't know how long it took, only to hear a loud bang!

The closed Momen suddenly bounced away!

The demon servants outside all fell backwards, all over and over!

Two black shadows rushed out of Momen quickly, leaving behind shadows in the air.

They are Tantai Xuyao and Tantai Ruochu!

The two of them at the moment, \*\*\*\* mouths, messy hair, embarrassed!

But finally escaped!

The two of them had long been familiar with the way of the future, and after rushing out of the small hall, they rushed directly outside the Great Molin Temple!

Although Tantai Xuyao was embarrassed, there was a gesture of victory in his eyes.
