

Peerless 5121

[Chapter 5121: The leader of the demon sends a message! The horror monster is coming!](#)

"Lao Tzu's star yuan stone ore veins, you dare to grab it with your waste!"

"I'm impatient, I can send you on the road!"

In an instant, a purple-white light flashed in Chen Feng's eyes.

In the next instant, the Buddha's angry eyes, lion roar, and his power suddenly came out!

The rolling sound wave rushed forward immediately.

Countless thunder slaying mad fighting the demon, almost instantly shook the brain into chaos by the rolling sound!

Can't recover for a long time!

Just as the sound waves roared, Chen Feng's figure was extremely fast. He had already crossed countless coolie demons and rushed to the leader of the demons in an instant.

Under the fluctuating divine mind, the magic finger suddenly burst out of boundless black magic energy.

Chen Feng's speed is too fast!

Almost instantly, the magic finger exploded with a terrifying mysterious power, covering the leader's body with immense light.

Heaven and earth repeatedly reincarnate magical powers, bursting into power!

In the space of repeated cycles of heaven and earth, the blue light on the far left is fleeting!

In terms of mental strength, under the same state of strength, almost no one's mental strength can surpass Chen Feng.

This is his killer, but also his hole card!

boom!

All of this hit the leader Tianma off guard.

Although it had discovered Chen Feng for the first time, it also realized that the purpose of Chen Feng, an uninvited guest, was actually to kill her.

However, he is still too late!

At the moment when the overwhelming and absolutely powerful mental power attacked, its brain suddenly went blank!

At the same time, a strange suction, accompanied by a black magic finger with devilish energy, almost instantly sucked all the devilish energy from it!

"not good!"

This blow is inevitable!

However, the leader of the Heavenly Demon was decisive.

It was soaked in blood and mouthful of blood, without saying nonsense for the first time.

But while flying upside down, turn around and flee!

Chen Feng's sneak attack immediately caused it to be seriously injured.

Very strong comers!

There are also weird objects that can absorb their magic.

"Stop him for me!"

When the leader Tianma turned around and fled, he even shouted.

Hum!

All the supervising demon and coolie demon around, under the call of the leader demon, all rushed towards Chen Feng.

The earth is shaking!

All the demons seemed to regard death as their home, and they had not considered anything else.

Facing Wuyangyang's obstacle, Chen Feng's eyes were extremely cold.

"useless!"

Following his seemingly ordinary words, the heaven and the earth reincarnated again and again!

This time, Chen Feng did not show any mercy!

boom!

Before the mineral vein of Xingchen Yuanshi, thousands of Thunder Killer Kuangzhan Tianma swayed their blood and fell on the road towards Chen Feng.

The leader of the demon rushed to his life while looking back.

This glance shocked it, shocked it, and made it desperate!

There are thousands of heavenly demons, and no one can stop this person!

Not only that, the visitor was still approaching it extremely fast, with a black magic finger in his hand!

The distance between the two is getting closer and closer!

At this moment, a desperate thought appeared in the head of the demon-can't run away!

But how unwilling it is!

This cultivator who suddenly appeared inexplicably, hit and killed when he came up.

The Xingchen Yuanshi mineral vein that was finally acquired is about to change ownership!

"I hate it! I hate it!"

At the moment when Chen Feng was overtaken by Chen Feng, the face of the leader Tianma was full of hideous madness.

It screamed frantically.

"My master won't go around you!"

As he said, the body of fifty meters, dark red blood suddenly flowed under the scales!

At the same time, the body of this leader Tianma suddenly swelled!

"not good!"

Chen Feng immediately changed his expression.

Unexpectedly, this leader Tianma is so bloody!

Blew himself up!

After the roar and howling, it was accompanied by a loud noise.

The fifty-meter-high Lei Sha Kuang fights against the demon, and the body rapidly expands, bursting to pieces on the spot!

Chen Feng reacted extremely quickly and flashed into the distance for the first time.

At the same time, he even controlled the magic finger, which blocked the power of three-point self-destruction.

In the blue-gray universe, the endless blood qi that accompanied the leader's demon from the explosion, quickly turned into huge symbols in the void.

These symbols are numerous and complex, constantly releasing monstrous devilish energy.

At the same time, there was a dangerous breath rising from the bottom of my heart, quickly permeating all around.

Chen Feng hadn't understood the specific meaning of the above, but those huge and strange symbols were quickly printed into the distant void.

It was a message!

Its speed is like a meteor, extremely fast, drawing a strange light under the blue-gray sky.

Chen Feng couldn't stop it, and couldn't stop it at all.

I can only watch those weird and huge symbols spread far away.

Before long, his heart trembled slightly.

Somewhere in the far distance, deep in a star, there seemed to be a vaguely roar of a great demon.

"Who is it! Dare to grab the veins of Laozi!"

Although the roar was extremely vague, it was almost inaudible when it reached Chen Feng's ears.

But even so, Chen Feng did not think that the vaguely indistinguishable voice was just an illusion.

There was still a violent thump in his heart.

The big demon is about to rush over!

Thinking of this, Chen Feng couldn't help but turn around and looked at the star primordial vein on the star in front of him.

He quickly calmed down.

According to the judgment, even if the big demon was to be killed, it would take at least one or two days.

Just now, the leader Tianma mentioned a bit of information.

It didn't take the initiative to lead those subordinates to come to this planet to mine and transport the mineral veins of the stars.

Behind it, there is a master behind the scenes!

Its owner is Chen Feng's real rival this time!

And there is no doubt that the great demon with the monstrous devilish energy in the extreme distance is definitely above him!

Chen Feng's face is not very good.

However, he made a decisive decision, turned around and rushed into the veins of the Star Yuanshi.

He left too much of his own breath here!

If you want to escape, I am afraid it is too late.

Moreover, it is not his style to keep the star elemental stone ore veins that were finally obtained, just to escape for his life!

Seeking wealth and insurance, the only option now is to break through!

Only before the big demon kills and successfully breaks into the fifth floor of the Star Soul Martial God Realm, can there be a battle and the hope of winning!

Chen Feng instantly came to the vein that had just been mined.

This stellar mineral vein is neither big nor small.

As soon as you enter it, you can feel the breath of the star soul coming from all directions!

The remarks that the foreground smiled, really true!

Chen Feng hurriedly took a look at this stellar mineral vein.

In the long and narrow corridor, bright blue light was lit up in all directions.

[Chapter 5122: The Great Demon is here! The barrier of realm is finally loosened!](#)

Accompanied by those shining cyan rays are the power of the endless stars, as well as the remaining star spirit aura!

And in front of the veins, there are already piles of mined stars.

Thousands of mines kill the mad and the demon at the same time, the efficiency can be seen.

The star yuan stones piled up in front of Chen Feng were piled into several hills.

"It should be enough!"

Chen Feng came to the side of a pile of stars that had just been mined.

Reaching out, he absorbed a dozen yuan in an instant!

At the same time as the absorption was finished, he clearly felt that only one-third of the Nine Candle Nine Yin Star Soul had condensed in the star soul space in his body, which could indeed be more solidified at a speed visible to the naked eye.

It really works!

Seeing this effect, Chen Feng immediately smiled.

He directly took the Star Yuan Stone with both hands and quickly absorbed it.

If it was at this moment, someone was present and would scream in surprise when he saw Chen Feng's absorption speed.

You know, the average person can absorb a piece of celestial essence stone in three days, and the speed is even faster.

How can it absorb a dozen yuan in such an instant!

Time passed by every minute.

There are gradually fewer and fewer stars piled up in hills around Chen Feng.

One pile disappeared, and the second pile disappeared soon...

One day later, all the star yuan stones that were mined were actually absorbed by Chen Feng!

Not one piece left!

At this moment, Chen Feng could clearly feel that half of the Nine Yin Star Soul Soul had completely condensed!

"Still not enough!"

Chen Feng couldn't help being a little solemn.

He looked at the unexploited Xingchen Yuanshi mineral vein, and a crazy idea appeared in his mind.

Absorb mineral veins directly!

Mining is too time consuming!

The great demon in the extreme distance is already approaching!

At this moment, every minute and every second is a contest of life and death!

He is not allowed to splurge at all!

"Fight!"

Chen Feng immediately rushed to the edge of the vein, and pressed a palm on the vein wall that was emitting a blue light.

The moment his palm was pressed on the stone wall of the vein, the whole star elementary stone vein suddenly made a low buzzing sound.

At the same time, the nine-yin Star Soul Candle that was originally in his Star Soul space also appeared out of his body.

At this moment, the candle nine Yin Star Soul is extremely excited!

It seems to have seen some supreme delicacy, and it immediately swallowed it frantically!

Hum!

In an instant, its whole body glowed with extremely dazzling stars!

The Star Soul, which had already condensed half, was condensing at a speed that was even more amazing!

In the entire celestial elemental stone ore vein, the endless star power and star soul aura, all converge into the candle nine yin star souls.

As a result, a hurricane faintly appeared in this ever-increasing space!

Chen Feng's hair was dancing frantically, standing still.

The surrounding candle nine Yin star souls are devouring crazily, one hurricane, two hurricanes...

The speed is getting faster and faster!

The cyan light on the surrounding walls of the gleaming star elemental stone vein gradually dimmed.

Roar!

In the extreme distance, an extremely terrifying great demon aura pierced the void from a distance and shot directly at the planet where Chen Feng was.

As time goes on, that breath keeps getting stronger!

That big monster is coming soon!

Very far away, Yun Wan'er and Jing Wan'er hid in a safe place, watching the planet where Chen Feng was from a distance.

Yun Wan'er's face was already full of worry.

"Why is Chen Feng still inside!"

"Is it really fatal!"

On the contrary, Jing Wan'er next to him, with scorching eyes, kept staring at the mineral vein of the stars that Chen Feng entered.

Her face is fearless, even full of excitement and appreciation.

"This Chen Feng is amazing."

Upon hearing Jing Wan'er's words, Yun Wan'er nodded slightly.

"Brother Chen is indeed very good. Before he reached the Star Soul Martial God Realm, he would kill the master of the fifth floor of the Star Soul Martial God Realm."

"Not only that, his cultivation base has progressed extremely fast! From Jiuxing Wudi to the present, it seems that some time has passed."

Upon hearing Yun Wan'er's words, Jing Wan'er's eyes were even brighter.

"Amazing!"

However, Yun Wan'er smiled bitterly.

"Awesome indeed, but it's still not enough!"

"With his current strength, no one can beat the big demon killed from a distance!"

But despite this, she was helpless.

Chen Feng insisted on going her own way, and had to absorb the Star Yuanshi mineral vein there, and with her ability, she couldn't fight the big demon that was about to arrive.

Suddenly, her face changed, and it was immediately difficult to see the extreme.

Yun Wan'er's beautiful eyes stared into the distance.

I saw a tall black figure in the void in the extreme distance, approaching here extremely fast!

Great demon, here comes!

The monstrous magic energy is like a layer of magic clouds, like black avalanches, black tsunamis, and the mountains are rapidly approaching in their direction.

At this moment, Jing Wan'er's voice sounded in Yun Wan'er's ear.

"Not necessarily invincible."

Before the words were over, another terrifying aura burst out from the veins of the Star Yuanshi where Chen Feng was located!

Almost at the same time, Chen Feng broke through!

The Soul of the Nine Yin Stars of Candle was completely condensed and glowed with supreme brilliance.

For a time, the breath rose!

Above the sea of stars, the light shines and there are countless stars!

At this moment, the Soul of the Nine Yin Stars of Candle, looked particularly excited.

It flapped and let out a roar.

This roar is not amazing, but an inexplicable and powerful coercion is spilling out instantly.

The world is shaking!

Chen Feng looked stunned.

It roared frantically and flew up and down.

An inexplicable grand atmosphere, once again!

That breath is extremely noble and extremely gorgeous!

A red light flashed by, and the figure of Zhu Jiu Yin Star Soul appeared in front of Chen Feng!

At this moment, the Jiu Yin Star Soul of Candle, the whole body was lit up with bright white light!

However, in the white light, there is a pure red light.

It opened its mouth, and there seemed to be a ball of pitch black jumping inside!

At the same time, an extremely hot breath rushed over his face.

Chen Feng and Zhu Jiuyin are connected.

At this moment, he could clearly and truly feel the joy of Zhu Jiu Yin Star Soul!

Even, together with his mood, he was also excited.

At the same time, Chen Feng's star soul space also experienced tremendous changes.

With the power of the majestic stars gushing out, all the stars burst out with brilliance on the huge star map!

They seemed to echo each other in the distance, flashing constantly.

Even, began to move slowly!

"this is....."

Chen Feng was extremely shocked.

He could feel that the slow movement of some stars was not without rules.

However, no matter how he observes, he can't detect the real law of the movement of the stars.

[Chapter 5123: breakthrough! The fifth floor of the Star Soul Martial God Realm!](#)

The only thing that can be clearly felt is that as the stars move, the power of the stars absorbed in the star chart is getting more and more vast!

Even the naked eye can see the power of some stars, and a little outline appears in the star chart.

"This is... the fifth floor of the Star Soul Martial God Realm!"

For a long time, the Star Soul Martial God Realm has been divided into three realms: the sky is full of stars, the moon rises from the fairy mountain, and the sun shines on the world.

And each realm occupies four major buildings, a total of twelve buildings!

Now, the fifth building that Chen Feng has entered is also called Dian Yuejing.

Corresponding to stepping into the first small realm of the bright moon out of the fairy mountain realm: point the moon!

At this moment, he closed his eyes tightly, looking inwardly at the world of dantian.

In the star soul space, above the huge star map, the movement of those stars finally slowly stopped.

At the same time, there is still a surging force of stars that is constantly being absorbed from outside.

The power of the stars and the breath of the stars in the mineral veins of the stars are still pouring into Chen Feng's star soul space.

The power of the stars is too strong, lingering between some bright stars.

They echoed each other, and some ghosts appeared faintly.

Just when Chen Feng didn't know where Mingyue was, he suddenly realized.

Just as he watched the stars moving around, looking at the vast star map, a big moon had already appeared slowly!

The movement of those stars, especially dazzling, moves toward the middle, and slightly dim, moves outside.

Coupled with the power of the endless stars, a circle in the center of the star chart is enveloped.

What is it if it's not a big moon!

"Here is... Point Moon Realm!"

Seeing the phantom of the big moon in front of him, an extremely strong emotion gushed out of Chen Feng's heart.

It was as if it was the Soul of the Nine Yin Stars of Candle, infecting its emotions into Chen Feng's heart.

"Dianyue, it turns out that it's just like this, it's a month!"

He whispered.

At this moment, a voice in Chen Feng's heart was shouting.

He officially entered the fifth floor of the Star Soul Martial God Realm!

The bright moon rises from the realm of fairy mountains!

It's just that the big moon in front of me is just a phantom.

There is no substance.

However, despite this, after the appearance of this big moon, all the stars in the vast star map seem to be connected with it!

When the majestic star power enters Chen Feng's star soul space, it will be guided into this big moon first.

After entering the big moon, Chen Feng could feel it immediately.

His strength has almost doubled!

And all the above performances are the characteristics of truly entering the fifth floor of the Star Soul Martial God Realm!

At this moment, Chen Feng was very happy!

In his mind, there seemed to be two hands, and suddenly opened a door that had been closed.

At this moment, he realized a lot of the cultivation mystery of the Star Soul Martial God Realm.

The big moon in the star chart is a ghost, which is normal.

Under normal circumstances, only after the official breakthrough into the sixth building, this round of big moon can become condensed.

And when it came to the seventh floor of the Star Soul Martial God Realm, another round of the phantom of the big moon was condensed, and when it reached the eighth floor, the second round of the phantom of the big moon also condensed.

However, at this moment, Chen Feng felt that his situation was a little special.

In the star soul space, that huge phantom of the bright moon is clearly far from being saturated!

He quickly controlled it in his heart, and continued to absorb the star essence stone!

The surging star power and star soul aura continued to rush into that round of phantom frantically.

Soon, he discovered that the extremely illusory Great Moon phantom was rapidly condensing substantial brilliance at a speed visible to the naked eye!

Even after just ten breaths, that big moon was completely formed!

The realm that ordinary cultivators can reach only at the sixth floor, just after he broke through, he has completed it!

Chen Feng was extremely happy, but he could feel it, but he was not satisfied!

Haven't reached the limit yet!

He can still absorb it!

Forcibly suppressing the excitement in his heart, Chen Feng frantically absorbed it.

Soon, on the vast star chart, the power of the stars condensed like a cloud of clouds quickly rotated, and the surrounding stars continued to move seemingly irregular.

The second round of the big moon phantom, appeared!

Moreover, the speed of condensing and forming this time has been even faster by three points!

But this is not over yet!

The ghost of the third round of the big moon also appeared immediately!

It wasn't until these three rounds of the great moon were all condensed and formed that the star soul space gradually calmed down.

This is Chen Feng's fifth building!

Normal cultivators can only condense two rounds of the Great Moon until the eighth floor of the Star Soul Martial God Realm.

At this moment, Chen Feng had reached a level beyond the eighth building when he was in the fifth building!

Not only that, but he could feel that although he stopped, it did not mean that his fifth floor had reached its limit.

On the contrary, although he is at this moment, his whole body strength is almost exploded.

But it is far from the feeling of breaking through again!

"My Star Soul Martial God Realm fifth floor, there is still a long way to go!"

Chen Feng was extremely happy.

This is a good thing for him!

Every time he breaks through a building, the more he surpasses other immortal cultivators, it means that when he encounters a stronger enemy, his ability to protect himself is stronger!

Thinking of this, Chen Feng opened his eyes, his long hair was windless, and his clothes were hunting.

The mineral veins of the stars in front of him had almost been absorbed by him.

At this moment, the nine-yin star soul of the candle has returned to his star soul space.

Chen Feng slammed a fist, and the horror aura instantly shook!

The earth trembled violently, and even the void in the distance began to vibrate continuously.
far away.

Yun Wan'er and Jing Wan'er were shocked.

"This... is the fifth floor of Brother Chen's Star Soul Martial God Realm..."

Looking at the more terrifying aura, Yun Wan'er even had an unreal feeling.

She pinched her own flesh, confirming that she was not dreaming.

"This is too bad!"

Compared to Yun Wan'er, Jing Wan'er next to her looked much calmer.

It's just that her eyes are burning at this time, and her big eyes are constantly shining.

"It's really amazing. My father's most outstanding disciple is probably at his level."

Although Jing Wan'er's voice was not loud, Chen Feng at this moment could hear him clearly.

I saw him take a step forward, and in an instant, he came to Jing Wan'er.

He looked at Jing Wan'er.

"Can you tell me about the power distribution of the Star Soul Martial God Realm?"

Since Chen Feng entered the Star Soul Martial God Realm, a lot of information has come from the explanations of surrounding people and monsters.

At this time, even though he has stepped into the fifth floor, he has no idea what realm his power is in.

Jing Wan'er is the youngest daughter of the master of Xuanyin Fairy Gate.

[Chapter 5124: Lei Sha Kuang fights the big demon projection!](#)

Since childhood, he has been fascinated and blessed by nature, and he naturally understands more things than him.

It can be said that Chen Feng has never treated her as a naive child.

Jing Wan'er didn't hide her personal information, so she gave a generous introduction.

"My father first told me that the entire power system of the Star Soul Martial God Realm actually forms a galaxy."

"When you arrive at the twelfth floor of the Star Soul Martial God Realm, you can use the power of this entire galaxy."

Upon hearing this, both Chen Feng and Yun Wan'er were in a daze.

An entire galaxy!

There are stars in the sky and the moon, and after the big sun appears, it will indeed happen to be a complete galaxy!

"However, the galaxies formed by everyone are large and small, strong and weak."

"The weakest galaxy, three stars, February, 1st."

Chen Feng immediately understood that this is the minimum standard: three stars, two big moons, and one big sun.

Because of this, the Star Soul Martial God Realm was divided into three realms.

The corresponding ones are Pointing the Star, Condensing the Moon, and Refining the Sun!

In Chen Feng's mind, he had a general grasp of his own strength.

He now has only the fifth floor of the Star Soul Martial God Realm, but he already has the strength of the eighth floor.

Even the average cultivator of the eighth building may not be able to beat him!

At this moment, the billowing devil energy has crazily surged!

A figure of a demon with a height of 100 meters has appeared!

Roar!

Accompanied by a deafening roar, it shook the void and turmoil!

Many meteorites and broken stars floating in the void were directly shattered into dust in this roar!

The momentum is terrifying!

The originally blue-grey void has almost been completely swept by the black magic energy at this moment!

The surrounding is like a purgatory instantly!

And in this purgatory, two blood-red rays of light burst out.

Compared with the previous leader, this Lei Sha Kuang Zhan Great Demon looked even more hideous.

Its mouth full of fangs almost took up the general face!

The gray-black corpse water continuously released an extremely foul smell.

The stench is also extremely dangerous!

Seeing this scene, even Jing Wan'er's expression changed slightly.

"Oh, you can talk about this later. You go and deal with that big monster first."

Chen Feng looked at Yun Wan'er, who had a pale face, and looked like a child, but concealed his nervous Jing Wan'er.

Turning back, looked at the black figure that was 100 meters high.

The corners of his lips rose slightly.

"Is it just a projection? I'm too underestimated."

In the next second, Chen Feng's figure disappeared in front of the two women, and rushed straight up.

Actually want to defeat that big magic projection head-on!

Yun Wan'er felt her heart startled.

"Although it is only a projection, it is after all the breath of the eighth floor of the Star Soul Martial God Realm!"

However, her worries did not last long.

I saw that Chen Feng was like a silver-white shooting star, and it was actually fearlessly rushing toward the big demon projection that was 100 meters high!

boom!

After a loud noise, the projection of the Lei Sha Kuangzhan Great Demon that came with great momentum was actually beaten back by Chen Feng!

Yun Wan'er looked at the Hundred Meters Demon flying upside down, her mouth widened in surprise.

"This is too..."

"So enjoyable!"

Jing Waner, who was beside him, threw a small fist excitedly.

"Fight! Kill it!"

It's milky, but it's cruel to watch the battle.

Chen Feng in the distance heard Jing Waner's cheers, and his lips curled up.

"I want to deal with me with a touch of projection. It's too small for me!"

Before he finished his words, he condensed a 100-meter black and white long knife in his hand!

After breaking through to the fifth floor of the Star Soul Martial God Realm, once again using the Supreme Heavenly Swordsman Formation, he also gained a brand new power!

Black and white rays of light flashed out at the same time, unexpectedly tearing out two gaps in the sky enveloped by the devilish energy!

The supreme sword intent was accompanied by murderous intent, instantly cut out.

Seven seven forty-nine knives, instant kill!

There is hardly any suspense.

The Lei Sha Kuangzhan Great Demon Projection on the eighth floor of the Star Soul Martial God Realm is not Chen Feng's opponent at all!

It came violently, but was strangled and killed instantly in Chen Feng's Heavenly Swordsman Formation!

The projection of the great demon with a height of one hundred meters is transformed into nothingness in the forty-nine supreme sword intent!

However, before Jing Waner cheered.

Chen Feng's expression gradually turned serious.

The demonic energy around has not dissipated!

On the contrary, it became more and more rich!

Even Chen Feng felt a trace of depression at this moment.

"How is this going?"

Yun Wan'er took Jing Waner back again and again.

At this moment, the three of them all understood one thing.

The projection of the great demon just now is just a cover for the real great demon to delay time!

Although Chen Feng did not spend much time, he solved it.

But after all, it still delayed their speed!

"Jie Jie Jie Jie..."

The devilish energy in all directions approached more and more, even wrapping towards Chen Feng.

Amidst the billowing devilish air, hoarse and unpleasant laughter continued.

It has nowhere to hide, it seems to ring in every corner, but it is unpredictable.

At the same time, accompanied by the appearance of the devilish energy, there is an increasingly powerful pressure!

This coercion continued to increase, like an invisible giant hand, easily pinching Chen Feng.

Then, slowly and hard!

Chen Feng only felt that his figure was getting heavier and heavier!

Soon, it was as if a huge mountain range stretching for thousands of miles was pressing on him!

His body was scary enough, but even so, his whole body was quickly suppressed and turned red, almost oozing blood.

At this time, a layer of ripples suddenly appeared in the void.

The real Hundred Mille Killing Crazy Fighting Demon actually stepped out of the void and appeared in front of Chen Feng.

At the same time, the breath rushing over is even more terrifying!

Absolutely above the ninth floor of the Star Soul Martial God Realm!

There are even tenth and eleventh floors!

Two blood-red lights immediately stared at Chen Feng viciously.

"It's you, who snatched my star yuan stone vein!"

A deafening hoarse voice, accompanied by a sharp voice.

At this moment, Chen Feng even had a sense of suffocation that he had been strangling his neck.

Even if he breaks through to the fifth floor of the Star Soul Martial God Realm, no matter how good his talent is, he still won't be able to resist it at all!

Chen Feng was unwilling to face him, and stared directly at this real Thunder Killer Fighting Demon.

In the space of repeated cycles of heaven and earth, three huge eyeballs have begun to brew three-color dazzling light.

Going desperately!

Never die here!

At this moment, Chen Feng even thought of using the Immortal Seal of Tianquan Town.

All the hole cards that can be used, don't use it at this time, but when will you wait!

The 100-meter-high Lei Sha madly fought against the great demon, and saw Chen Feng's appearance, that kind of unwilling and angry appearance.

His eyes were extremely indifferent, even with contemptuous ridicule.

"Poor and sad ants, no matter how hard they struggle, they still die here!"

[Chapter 5125: Xuanyin fairy gate, Shi Ningxue!](#)

"This is the price of your greed!"

Its voice became louder and louder, and the tumbling sound alone was enough to make Chen Feng vomit blood.

The suppression of absolute power made Chen Feng's blood boil.

At this moment, a sudden change occurred!

Chen Feng could only vaguely hear the voice of Jing Waner's joy in the distance.

"Mother! Hurry up! Kill that big demon!"

Accompanied by the crisp childish voice, what appeared at the same time was a silver-white brilliance.

The supreme sword light flashed in front of Chen Feng.

Chen Feng could only feel the pressure that almost crushed him, suddenly disappeared!

At the same time, the Hundred-meter Lei Killing Crazy Fighting Demon in front of him was cut into two halves at some unknown time!

Just before Chen Feng had time to react, there was another loud bang.

In the next instant, the big demon who was still smiling was kicked to an abandoned planet in the distance!

With a loud bang, the great demon in the distance didn't even have time to struggle.

Directly by the Supreme Sword Mang, instantly beheaded into a pile of fleshy flesh!

Chen Feng was stunned!

Looking back, a slender and beautiful woman appeared in his sight.

The woman has an alluring posture, dressed in a silver-white outfit, and three thousand green silks are simply combed into a bun.

Between her eyebrows, there is a distinct heroic spirit!

Liu Ye raised his eyebrows lightly, and looked at the corpse of the great demon in the distance, even more inadvertently.

This is true disregard!

It is the indifference of the absolute strong to the weak!

The monstrous demon energy quickly dissipated, and the blue-gray sky appeared in the sight of everyone again.

And the whole body of this woman always showed a hazy silver-white light.

At this time, she moved!

Turning to look at Jing Wan'er, her lips pressed tightly, and he sighed immediately.

"Smiling, are you trying to scare your mother to death!"

Murderousness, indifference, and heroic aura all faded away, and replaced by the worry and helplessness of a baby girl as a mother.

She appeared in front of Jing Wan'er in an instant, and hugged Jing Wan'er with concern and tension.

"Hehe, mother, I was wrong."

Jing Wan'er slapped the woman's back obediently, as if she was sensible.

However, her tone revealed careful thinking.

This child is really fearless.

I'm afraid I will dare next time.

"Are you okay? I've said that, the extraterritorial battlefield is a very dangerous place, you can't come in casually."

"Your father didn't let you come for your own good."

The allure woman at this moment is just a pure mother.

She checked Jing Wan'er carefully, and confirmed that she had no injuries, nor had she been robbed.

This was relieved.

The look in Xiang Jing Wan'er's eyes finally softened.

She stretched out her hand, lightly scratched Jing Wan'er's nose, and said with a touch of affection.

"After you go back, your father will punish you."

When Jing Wan'er heard this, he immediately became scared.

She quickly smiled and hugged the Qingcheng woman's arm, shook her, and said coquettishly.

"Oh, my mother is the best."

"Father might not know if I sneaked out, or my mother rushed over in the first time."

"Even if you want to be punished, that dad will have to be punished."

The Qingcheng woman was amused by her false reasoning.

At this moment, Chen Feng also slowly came to the three women.

The Qingcheng woman turned her attention away from her baby girl to the two people next to her.

Jing Wan'er bounced around and actively introduced her to her mother.

"Mother, these are two good people I know on the battlefield outside the territory."

"She's Yun Wan'er, and his name is Chen Feng."

"In the beginning, there were a few Jiuyou True Demons who wanted to grab the magic weapon from me. Brother Chen Feng killed them."

Upon hearing Jing Wan'er's introduction, the Qingcheng woman looked at Chen Feng's face with a little gratitude.

Although she has a lofty status and strong strength, she has no airs.

Before, I even knew what Chen Feng did and had a great impression of her.

Smiled and said, "Thank you for helping me take care of the little girl."

Chen Feng waved his hand.

"It's not a small matter, if you can, just do it easily. It's not worth mentioning."

Unexpectedly, the Allure woman did not think so.

She looked at Chen Feng, with a little worry in her eyes.

"No, I have to thank you both this time."

"You two, we were really terrified when we first discovered that we were missing."

Chen Feng heard something.

"What happened to Xuanyin Fairy Gate?"

The allure woman nodded.

"It seems that Wan Er has already informed you of his identity."

"I am Shi Ningxue of Xuanyin Fairy Clan, the wife of the master Jing Hongshen."

"In recent days, the relationship between Xuanyin Fairy Gate and another school has been extremely tense."

"Our husband and wife are indeed too busy these few days, which neglected the safety of Smiling."

"If it is not the two you met today, but the person of the sect, things would be too bad!"

The more Shi Ningxue thought about it, the more he was afraid.

She stood up suddenly, flipped her hands and took out two silver-white crescent-shaped jade tiles.

On the jade plate, the word "Xuanyin" is engraved on the big seal.

"You two must keep this token. Take it as my thanks."

"If you need my help in the future, you can come to Xuanyin Immortal Gate with this thing."

The jade card has been handed over, and Chen Feng is no longer polite.

Immediately one by one, took it over.

Jing Waner was holding hands by Shi Ningxue and looked at Chen Feng eagerly, feeling a little bit sad.

"Brother Chen Feng, remember to visit us when you have time."

"I really want to see, you and my father's most proud disciple, who is better?"

Chen Feng couldn't help but look at her childlike expression.

On the contrary, Shi Ningxue, when she heard this, looked at Chen Feng with a little surprise.

However, she didn't say anything.

Chen Feng nodded to her and watched the two disappear into this outer battlefield.

In a blink of an eye, the crisis was lifted, and the star mineral vein was successfully found, and the breakthrough was completed.

Chen Feng turned to look at Yun Wan'er next to her.

"Sorry."

Facing Chen Feng's sudden apology, Yun Wan'er was a little puzzled.

"Why suddenly apologize to me?"

Chen Feng pointed to the stars below.

"Obviously, you found the stellar mineral vein, but I have completely absorbed it."

Upon hearing this, Yun Wan'er didn't react at first.

When he smiled and waved his hand to say something, his eyes suddenly widened.

She looked at the Xingchen Yuanshi mineral vein and then at Chen Feng.

"It's all absorbed!"

"Brother Chen, if I remember correctly, you just broke through the fifth floor of the Star Soul Martial God Realm, right?"

Chen Feng nodded.

Yun Wan'er was horrified for a long time, but she didn't know what to say.

It took a while to digest the news slowly.

However, this celestial elemental stone vein was originally not big.

"If I find another stellar mineral vein in the future, I will give it to you."

[Chapter 5126: News of the Broken Jade Conference!](#)

Upon hearing Chen Feng's solemn promise, Yun Wan'er laughed.

She waved.

"No, Brother Chen, why are you polite with me?"

"Originally, this stellar primordial stone vein has already been occupied by the heavenly demon. Without you, I would not only be unable to absorb it, but would even lose my life."

Now that the purpose of the two people's trip has been achieved, they immediately stopped staying in place.

Soon, they returned to the Galaxy Sword Sect.

Just when the two of them had just returned to the sect, a figure suddenly appeared in an extremely hidden place far away.

His eyes flickered, his eyes filled with fierce light.

"Boy, I finally found you!"

The speaker is the black robe young man who has not seen each other for a long time!

The person of Taiyi Xianzong!

As soon as he appeared, the surrounding space seemed to be frozen.

The terrifying chill instantly spread!

Compared to the last time Chen Feng was killed, the black robe youth now has a more terrifying aura!

He looked at the direction of Chen Feng's disappearance from a distance, and the corners of his lips couldn't help but evoke a smile of sinister birds.

"So you actually went to the Galaxy Sword Sect, but you would find a place to hide."

As for the picture here, Chen Feng, who had returned to the Galaxy Sword Sect, had no idea.

At this moment, Chen Feng had just returned to the Galaxy Sword Sect and had separated from Yun Wan'er.

As soon as the front foot entered the Tianshu Sword Sect, the back foot met Yue Xinlan.

Yue Xinlan greeted Chen Feng as soon as she saw Chen Feng.

"Chen Feng, I..."

Just about to speak, suddenly, a huge voice spread throughout the Galaxy Sword Sect.

"All the disciples who have been in the market for less than 30 years, immediately gather outside the Zongmen Hall!"

The vigorous, magnificent voice constantly echoed above the sky of the five sword sects.

After this huge voice spread to every corner, all the disciples who met immediately set out from within their respective sects.

Immediately go to the wide square outside the Zongmen Hall.

Soon, thousands of disciples gathered on the square.

After hearing this, Chen Feng and Yue Xinlan raised their heads together, and then looked at the galaxy sword school sect hall in the distance.

"It must be a matter of the Broken Jade Conference."

What Yue Xinlan wanted to say originally, she said without mentioning it.

Chen Feng looked at her.

"What is the Broken Jade Conference?"

Yue Xinlan suddenly said, "Yeah, you don't know the Broken Jade Conference."

Then, I will introduce Chen Feng about the related matters of this broken jade conference.

At the same time, on the square outside the main hall of the Zongmen, the disciples of each sword sect had already stood in their respective positions.

Tianquan Sword Sect has the largest number of disciples, with a total of more than 100 people.

The Tianji Sword Sect, the Heavenly Jade Sword Sect, and the Kaiyang Sword Sect nearby are also quite a few.

Looking around, there are hundreds of people.

Only the disciples of Tianshu Sword Sect, none of them arrived!

Most of the disciples of the Four Great Sword Sects showed contempt when seeing the empty space belonging to the Tianshu Sword Sect.

"The Tianshu Sword Sect is gone, and none of the disciples who received it came."

"Is it because I gave up?"

I don't know who said this suddenly, which immediately caused a roar of laughter.

"Didn't you hear that Chen Feng, who is in full swing, went to Tianshu Sword Sect? Why, he didn't dare to show up?"

"I'm afraid it's not ashamed of Tianshu Jianzong."

The disciples laughed unceremoniously.

At this moment, an elder wearing a star robe appeared at the front of the square.

The person here has a childlike face and a superb temperament.

He was wearing a dark green robe.

The dark green robe was dotted with silver-white Tianhe.

He looks like an elder Tianhe!

The disciples standing on the square immediately lit up when they saw his appearance.

Many disciples exclaimed again and again.

"It's Elder Fang Anping!"

Elder Fang turned to look at the people on the square, and slowly spoke.

"I am calling you here today to tell you one thing."

When he spoke, there was no sound in the square that was originally excited and noisy.

All the disciples listened attentively.

"One year later, it will be the Broken Jade Conference!"

Upon hearing Elder Fang's words, two reactions immediately appeared on the square.

Some disciples showed clear expressions, but most disciples were at a loss.

"Elder Fang, what is the Broken Jade Conference?"

One of the disciples opened his mouth and raised such a question.

This also represents the meaning of most of the disciples present.

Elder Fang scanned the audience lightly.

"You young talents are just pieces of jade."

"This Broken Jade Conference is a conference that you young talents can only attend."

"You must find this explanation very strange. Since it is a raw jade, why should it be broken again?"

Elder Fang smiled slightly.

However, his aura suddenly changed, becoming extremely fierce.

"Because all the unbroken jade will not stand if it is broken! Only the one who breaks and stands up can become the ultimate winner of this broken jade conference!"

"The winners of this broken jade conference will ultimately benefit greatly."

After hearing this introduction and explanation from Elder Fang, everyone understood.

Their faces and hearts were excited by the saying that "do not break or stand, break and then stand".

The vast majority of people reacted immediately.

The Galaxy Sword Sect summoned these formal disciples, who had been in the market for no more than 30 years, to give them a chance!

Otherwise, most of the early beginners, even true disciples, will take over most of the resources.

This is actually very detrimental to these new disciples.

Sure enough, after seeing the excitement of all the disciples on the court, Elder Fang spoke again.

"However, since it is the Broken Jade Conference, it is only aimed at all the sword sects and disciples in the sect who have been in the sect for less than 30 years.

"Disciples over 30 years will not have the right to participate."

"In addition, if it meets the 30-year entry limit, but the cultivation level has exceeded the tenth floor of the Star Soul Martial God Realm, the disciple cannot participate."

As soon as this remark came out, all the disciples on the court exploded.

At this moment, Chen Feng happened to listen to Yue Xinlan's explanation about the Broken Jade Conference.

About the Broken Jade Conference, Yue Xinlan explained in more detail than Elder Fang.

However, she hurriedly explained, before she even had time to say what she wanted to say, she heard Zhong Li Yaoqin calling her from a distance.

The two of them hurriedly left as if something was going on.

And Chen Feng, who watched the two of them go away, went to the Zongmen Hall and recalled what Yue Xinlan had just explained to him.

Many other top sect disciples will come to participate in this broken jade conference.

The Galaxy Sword Sect has only five places!

"The Galaxy Sword Sect belongs to the Eastern Desolation..."

Chen Feng suddenly realized that, for a long time, this world might be far larger and more complicated than he thought.

What he knew before was probably just the tip of the iceberg.

[Chapter 5127: Why is Chen Feng!](#)

Because of this broken jade conference, he also suddenly had a consciousness.

Before, he thought that the Galaxy Sword Sect was the top sect of the Xuanhuang Zhongqian world.

However, it was only now that I realized that it was not the case.

Even the Galaxy Sword Sect is not one of the top Sword Sects.

Because, not to mention anything else, Yue Xinlan said just now that there are seven or eight sects of the same level as the Galaxy Sword Sect in the Eastern Wilderness alone.

Because of this, there are only five places for the Galaxy Sword Faction!

Chen Feng thought a lot.

For example, Xuanyin Fairy Gate, the master's daughter Jing Waner has that talent, and the best disciple is similar to him.

I believe there are more sects, and they also have top geniuses!

The more Chen Feng thought here, the deeper his mind.

On the square in front of the Zongmen Hall, Elder Fang had already spoken.

"There are five places for the Galaxy Sword Sect in this broken jade conference."

"According to previous regulations, each sword sect will have a quota."

"Furthermore, after the discussions of the major sect masters and the approval of the sect masters, all those who go this time will be disciples within ten years of the entry.

Hearing what Elder Fang said, many disciples who had been in the market for more than ten years suddenly showed extremely disappointed expressions.

What's more, immediately dissatisfied.

"Dare to ask Elder Fang, doesn't the Broken Jade Conference stipulate that disciples within 30 years of introductory education are eligible? Why has it been reduced to our Galaxy Sword Sect within ten years?"

Hearing this question, Elder Fang did not feel angry that his authority was challenged.

He just looked at the disciples lightly.

"The reason is simple."

"Because the Galaxy Sword Sect has absolute confidence!"

As soon as these words came out, the whole room was silent!

Only the voice of Elder Fang reverberated above the huge square.

"In this Broken Jade Conference, none of the true disciples and senior disciples of the Galaxy Sword Sect will go!"

"But even so, the elders, sect masters, and sect masters of our Galaxy Sword Sect."

"I also believe that in this broken jade conference, the disciples of the Galaxy Sword Sect can also explode with absolute strength!"

While Elder Fang was speaking, there were a few true disciples standing beside him.

They lined up with serious faces.

When he heard what Elder Fang said, many disciples on the field turned their attention to them.

Those true disciples are suppressing order, and it is precisely because of their existence that many disciples with irritable temperaments dare not act rashly.

All of them released a supreme aura.

That is absolute strength!

It is the strength that most disciples in the field do not have!

After a brief silence, finally, someone suddenly reacted to something.

Five sword sects, each sword sect has a quota?

Everyone's gaze suddenly fell on the position of Tianshu Sword Sect.

There, it is still empty at this moment, and there is no one!

Many envy and jealous eyes fell on the open space one after another.

The scene suddenly became noisy again.

Many people have been discussing, expressing their dissatisfaction and unwillingness.

"The Tianshu Sword Sect has declined and has fallen."

"According to what Elder Fang said, one sword sect was given a quota, and the pivot sword sect was so weak that day, it would be too cheap!"

Some people say that someone will agree.

Everyone knows that Tianshu Sword Sect has only one person in full swing.

Chen Feng!

The regulations mentioned by the elder Fang also meant that Chen Feng of the Tianshu Sword Sect would easily become one of these five places!

In Tianshu Sword Sect, no one can compete with him!

This result made everyone crazy with jealousy.

At this time, Elder Fang, regardless of what the disciples were thinking or feeling, directly began to announce these five places.

"Next, I will announce the candidates for these five places."

Elder Fang slowly said his name:

"Tianshu Jianzong, Chen Feng!"

"Heaven Sword Sect..."

I don't know if Elder Fang deliberately arranged it or what, Chen Feng of Tianshu Jianzong was the first to announce it.

Tianshu Sword Sect!

Chen Feng!

These short six words, like an invisible punch, slammed into the hearts of the disciples.

Just after the quota was announced.

Suddenly, someone chanted.

"I'm not convinced!"

The first person to shout, even roared.

With deep disdain and jealousy.

Everyone saw that he was an official disciple of Kaiyang Jianzong, Lu Tiancheng.

Lu Tiancheng was not selected this time, but his strength could indeed be considered among the disciples who had just started.

He stalked his neck and looked at the elder Fang with no fear in his expression.

"Elder Fang, I think the rule of one quota for each Sword Sect is biased!"

"As you just said, Chen Feng has a strength and status!"

"If he is not in Tianshu Sword Sect, how could he have this qualification?"

"Furthermore, I also heard that this Chen Feng did not pass the initial entrance examination, but just became a handyman disciple."

"He doesn't even have a fairy root, and he can't even pass the most basic entry assessment!"

"Such a person can be selected because he is in the Tianshu Sword Sect?"

"Why?"

Lu Tiancheng's words were quite straightforward.

His face was even more disdainful and contemptuous.

"With so many disciples present, I believe that most of the disciples are not convinced that Chen Feng has this place."

As he said, Lu Tiancheng suddenly shouted and roared.

"Chen Feng! Get out if you have a seed! Don't hide in any corner!"

"I am not satisfied with the selection of this place, I want to challenge Chen Feng!"

The disciples were in an uproar as soon as this remark came out.

Even many disciples were infected by Lu Tiancheng's roar.

In the eyes of many people, there was obvious unwillingness.

Following Lu Tiancheng's straightforward challenge, soon a man's voice sounded from the crowd.

Unlike Lu Tiancheng's ruggedness and domineering, this person spoke with gloomy feelings.

In the tone, a smile is not a smile, and it makes people feel cold.

"Master Lu, Chen Feng belongs to me."

"I'm afraid I can't give you this quota."

A cold voice suddenly came.

Hearing these words, many people followed the sound.

"It's You Honglang! You Honglang of Tianji Sword Sect!"

This time, Tianji Sword Sect chose the place, and it was not him.

However, this person, like Lu Tiancheng, is also a small well-known character.

I saw him wearing the uniform costume of Tianji Sword Sect, his figure was long and thin, and his eye sockets were sunken.

It seemed that he was always quite haggard.

He slowly walked out of the crowd and looked at Lu Tiancheng with a cold smile at the corner of his mouth.

"I also want to challenge Chen Feng."

Lu Tiancheng was very proud of his back and was tall. He was very upset when he suddenly saw You Honglang coming out to interrupt.

[Chapter 5128: I heard that someone wants to challenge me?](#)

He looked at You Honglang and snorted unceremoniously.

"Young Master You, just forget your body. This place is destined to belong to me today."

Having said that, in Lu Tiancheng's heart, there was no intention to despise You Honglang.

Regarding You Honglang's deeds, even if he is not in the Tianji Sword Sect, he has heard a little.

This person is terrible!

Especially, he still has many top magic weapons in his hands.

At this moment, Lu Tiancheng had even begun to figure out how to deal with the person in front of him after waiting for Chen Feng.

The same is true for You Honglang who is standing opposite him.

Even, not only these two, but many disciples who wanted a place in the room were thinking about something in their hearts.

At this moment, a clear voice suddenly came from afar.

"I heard that someone wanted to challenge me and took my place?"

The disciples subconsciously followed the sound.

It's Chen Feng!

It was the long-awaited Tianshu Sword Sect who chose the quota!

Chen Feng quickly landed on the square in front of the Zongmen Hall and came to the empty place where the disciple of Tianshu Sword Sect stood.

Everyone's eyes were focused on him.

Most of the sights are quite straightforward!

Envy, disdain, contempt, joking...

Many more are just waiting for a good show!

Chen Feng had long been used to these messy sights.

He stared directly at Lu Tiancheng and You Honglang.

"You want to challenge me?"

As he said, he laughed extremely provocatively.

"Why don't you two go together. I would also like to see, who gave you the courage to challenge me!"

There was no anger in Chen Feng's voice.

He didn't even yell or yell, just a calm tone!

But it is this absolutely confident tone that even more shows his invincible arrogance!

Yes, arrogant!

You Honglang and Lu Tiancheng are both new talented disciples in their respective sword sects!

Each is a powerhouse at the peak of the sixth floor of the Star Soul Martial God Realm.

Where is Chen Feng's self-confidence, able to beat two?

At this moment, on the square in front of the Zongmen Hall, most of the disciples are familiar with the name Chen Feng.

"I heard that when he participated in the entrance examination, he had only the strength of the Nine Star Martial Emperor Peak."

"In such a short period of time, even if there is a big opportunity, can it be raised to six realms at once?"

"That's it! Isn't he crazy?"

...

Many disciples sneered.

No one is optimistic about Chen Feng.

However, Lu Tiancheng and You Honglang, whom Chen Feng looked at lightly, felt a great humiliation!

In their eyes, what is Chen Feng!

How dare to be so arrogant to them!

So arrogant, it seems that he can only teach him a lesson, let him know how many catties he is!

However, just when the two were about to take action on Chen Feng.

From a distance, there was a voice.

"stop!"

Everyone turned their heads and looked again.

This time, their faces turned to surprise.

Because the person who stopped Lu Tiancheng and You Honglang turned out to be Bai Xiuming of the Heavenly Power Sword Sect!

"How is this going?"

Many disciples, especially the disciples of the Heavenly Power Sword Sect, were confused by this scene.

You know, this Bai Xiuming is Yi Changkong's subordinate!

Many disciples stared at each other and even discussed fiercely.

"Didn't it mean that Yi Changkong and Chen Feng still have a three-month appointment? The kind that never ends."

"Yeah! It's strange!"

Suddenly, someone said.

"Could it be that Chen Feng has secretly regretted the ruthless words he made, and has kowtowed to Yi Changkong privately for mercy?"

As soon as this remark came out, many people were immediately excited.

"It's possible! I don't know what he did, but he clung to Yi Changkong."

However, such heated discussions did not last long.

Bai Xiuming glanced coldly at the disciples who were discussing, and an endless chill broke out in an instant.

Those disciples who had been chatting in full swing were suddenly dumb and dare not say anything!

Bai Xiuming came to Chen Feng with cold eyes, then turned to look at You Honglang and Lu Tiancheng.

"Brother Yi asked me to remind everyone that Chen Feng's life is his."

"Today, with me, none of you can touch him."

Upon hearing these words, the disciples were confused again.

But Lu Tiancheng couldn't hold back, Yang Tian laughed.

He looked at Chen Feng, his face even more contemptuous.

"Chen Feng, Chen Feng, you really don't know the heights of heaven and earth, you actually let the top true disciple of the Sword Sect of Heavenly Power hate you so much. Hahahaha..."

You Honglang beside him smiled gloomily.

"It's not here to protect Chen Feng, then nothing will happen. In the face of Yi Changkong, we will save this kid a life."

Lu Tiancheng beside him laughed loudly.

"I'm not a bloodthirsty person, at best, I've abolished this kid's cultivation."

"As for the life, even if it is handed over to Yi Changkong!"

As he said, he stared at Chen Feng who had been standing still.

The powerful breath burst out from his body instantly.

Many disciples around, stepped back one after another, for fear of being hit.

As the protagonist under discussion, Chen Feng looked calm from beginning to end, without joy or sadness.

Even in the face of Lu Tiancheng's absolutely provocative words and deeds, he did not become angry.

Instead, he turned his head and looked at Elder Fang, who had been watching.

"Dare to ask Elder Fang, if he wants to abolish my cultivation base, can I reverse his cultivation base?"

Hearing this, many onlookers were amazed again.

At this time, Chen Feng actually dared to stand in place with such a posture, his face was as usual, and even said such arrogant words.

Among the crowd, even some of the disciples secretly felt that Chen Feng might not be so useless.

Maybe, what does he really have?

In the front of the square, Elder Fang looked at Chen Feng lightly.

"The Galaxy Sword Sect does not allow mutual cannibalism."

"However, self-protection is also allowed."

The meaning of this is acquiescence.

Chen Feng raised his eyebrows when he heard this reply.

"That's good."

After that, he turned and looked at Lu Tiancheng.

"The thing I look down on most is your trash."

The words are sonorous and loud!

Everyone can see almost overflowing contempt in Chen Feng's eyes.

It's like an absolute king, looking at a beaming clown!

Under Chen Feng's gaze, Lu Tiancheng was ignited with anger almost instantly.

"I want to see who is the waste!"

With that, he hit the ground with one foot and burst into Chen Feng.

The breath of the peak of the sixth floor of the Star Soul Martial God Realm filled the entire huge square instantly!

Almost instantly, Lu Tiancheng appeared in front of Chen Feng and threw a fist.

Chen Feng in the same place was penetrated before he could even move!

Is this the end?

Lu Tiancheng's grinning face suddenly changed at this moment.

[Chapter 5129: I surrender Chen Feng's life to you!](#)

Because he was the first to realize that he hadn't hit Chen Feng at all!

The one in the same place is just his afterimage!

What a fast speed!

This thought flashed through Lu Tiancheng's mind, and a hint of extremely dangerous premonition came into his heart.

And the next thought was: Where did Chen Feng go?

"Look for me again?"

Behind Lu Tiancheng, almost at the same time this thought appeared, Chen Feng's voice rang.

Just four words, but it contains the meaning of a smile but a smile, how provocative!

Lu Tiancheng felt bad in his heart, and immediately changed his tricks.

But, it's still a step too late!

Suddenly he was hit by a violent slap on his back!

boom!

With a loud noise, Lu Tiancheng was smashed into the square.

It seems that there is no way to resist!

how can that be?

Whether they were waiting to see the jokes or expecting Chen Feng to really do something, all were stunned at this moment.

Above the void, Chen Feng's voice faintly came.

"Waste is waste, there is so much nonsense, rushing to the door to take the humiliation."

Hearing the sound, everyone looked up at Chen Feng in the void, their faces and hearts were full of horror.

"Is he... a trash?"

In the silence, I don't know who it is, stumbled and said.

At this moment, Lu Tiancheng's heart was also shocked.

He didn't expect that Chen Feng actually had some strength!

He was so arrogant and said so many words before, but at this moment, he was kicked to the ground.

Lu Tiancheng's face was so hot, it was almost burning!

He immediately jumped up from the ground and looked at Chen Feng furiously.

"Boy, I underestimated the enemy just now, and I didn't use the power of the Star Soul at all!"

"You are nothing more than that, we will fight again!"

However, this roar at this time is more like an excuse for extremely corrupt.

Looking at Lu Tiancheng, who was approaching him quickly, Chen Feng was indifferent.

"Waste is waste. If you can't afford to lose, you can't afford to lose. What excuses can be found.

These words, like a sharp sword, pierced Lu Tiancheng instantly!

Lu Tiancheng's eyes were bloodshot and his muscles bulged.

This time, when he burst into the air, a hurricane was actually driven by the surrounding void.

The strength is doubled directly!

That is the power of Star Soul!

On the square, there was a little expectation in the eyes of many disciples again.

However, what they waited for was a cold sentence from Chen Feng.

"Is it just this level? It's really a waste!"

Before he finished speaking, Chen Feng slammed a punch and headed directly to meet Lu Tiancheng.

The speed is far above Lu Tiancheng!

At this moment, Lu Tiancheng suddenly had alarms in his heart!

He could feel an incomparably terrifying force, suppressing him with absolute deterrence!

Now he can't move at all!

I could only watch Chen Feng helplessly, and threw a punch at myself.

boom!

The huge square even shook slightly.

Dahan Lu Tiancheng, about two meters away, smashed down again in embarrassment!

This time, even the Star Soul was directly shattered!

Seeing this shocking scene, many disciples couldn't help but exclaim.

how can that be?

How could Chen Feng be so strong!

At this time, Lu Tiancheng was completely crazy!

He doesn't believe it!

Confident like him, never believe that he will be defeated by Chen Feng, twice!

The gray-headed face was full of scars and blood.

But these just completely aroused his bloodthirsty intent.

Never allow failure!

In his Lu Tiancheng dictionary, there is no word for failure!

It seems that you can only use that trick!

"Drink!"

Accompanied by a violent roar, an extremely powerful breath suddenly burst out of his body.

Chen Feng bowed his head, and immediately discovered that Lu Tiancheng had an extra magic weapon in his hands.

And his figure has become extremely weird.

It's like a special magical power.

Originally, after being shattered by the Star Soul, Lu Tiancheng, who should have lost his combat power a long time ago, actually stood up again.

And the aura skyrocketed!

It actually surpassed the peak of the sixth floor of the Star Soul Martial God Realm and rushed directly to the middle of the seventh floor.

Such a trick caused the disciples to exclaim again.

As expected to be Lu Tiancheng, he really has a trick to press the bottom of the box!

I am afraid that Chen Feng is in danger.

Just as everyone thought this way, they only heard Chen Feng's faint voice above the void.

"Just this little strength really disappoints me."

The supreme light came from Lu Tiancheng's body, and shot Chen Feng directly into the void.

Under the gaze of everyone, Chen Feng did not change his face and simply threw a punch.

boom!

Along with a loud noise, there was also the sound of Lu Tiancheng spurting blood.

Lu Tiancheng at this time has long lost his previous pride and arrogance.

He was covered in blood, his breath was weak, and he was very embarrassed!

And above the void, the secret magic weapon that was sacrificed was actually torn apart, completely unable to see its original shape!

"This is too..."

On the square, all the disciples were stunned.

At this time, no one dared to think that Chen Feng had taken advantage of the Tianshu Sword Sect to get this place.

He is very strong!

As his eyes focused, Chen Feng shook his head, really didn't want to continue entangled with this Lu Tiancheng.

He slowly fell, staring at Lu Tiancheng, preparing to abolish his cultivation.

At the moment Chen Feng was staring at him, Lu Tiancheng's pride was completely shattered!

At this moment, he felt despair!

Do not!

It must not be abolished!

Lu Tiancheng turned his head, looked at Bai Xiuming on the side, and rushed directly in front of him.

"I give you Chen Feng's life."

At this moment, Lu Tiancheng had completely ignored the vision around him.

In his eyes, only Chen Feng!

This man who suppressed him severely and made him desperate!

He wants him to die!

It seems that as long as Chen Feng is dead, all the humiliation just now can be relieved.

And he can continue to be a proud disciple of Kaiyang Jianzong.

Chen Feng looked at him from a distance, with even more contempt in his eyes.

"Never mind the waste, still a villain, extremely shameless!"

He strode forward without paying attention to Bai Xiuming at all.

Today, Lu Tiancheng must be abolished!

Lu Tiancheng watched Chen Feng approach him step by step, and finally changed his face.

He grabbed Bai Xiuming.

"I would like to take refuge in Yi Changkong from now on, and ask Mr. Bai to save me!"

The outstanding disciple of the dignified Kaiyang Sword Sect, who actually expressed their willingness to join the Heavenly Sword Sect in public.

With such a gesture, even other people can't help but show contempt.

However, Bai Xiuming was quite proud.

He also looked down on Lu Tiancheng, but right now, Lu Tiancheng begged him for mercy.

This makes him quite useful.

Bai Xiuming raised his eyes and looked at Chen Feng who had strode.

"Chen Feng, since Lu Tiancheng is willing to take refuge in Senior Brother Yi, please give me a face."

Having said that, the tone is still arrogant.

[Chapter 5130: Everyone, do I have this qualification?](#)

It seemed that Chen Feng had no choice but to give up.

The disciples onlookers looked a little strange and looked at Chen Feng.

Sure enough, Chen Feng laughed unceremoniously as if he had heard some joke.

"What kind of thing are you? Why should I give you this face?"

Crazy enough!

Direct enough!

Arrogant enough!

This is what a man should be born with!

Bai Xiuming's face suddenly became gloomy.

Chen Feng's words slapped him in the face, making him quite embarrassed!

"In that case, don't blame me for being impolite!"

Before the words fell, fierce shot!

The breath of the pinnacle of the seventh floor of the Star Soul Martial God Realm suddenly seemed to be overwhelming.

Many disciples around, unable to dodge, were directly overturned!

However, Chen Feng only smiled contemptuously when facing Bai Xiuming who was attacking by Thunder.

Just as Bai Xiuming swept over with the supreme wind and waves, Chen Feng stepped forward, and a purple-white light was fleeting behind him.

The Buddha's angry eyes, lion roaring power, suddenly made power!

Roar!

The huge purple-white lion head opened its mouth in the blood basin.

A stronger rolling sound wave hits directly in Bai Xiuming's direction.

At the moment when the wind wave and the sound wave meet, the sound wave directly rushes the wind and wave back, squeezes it out, and then directly hits Bai Xiuming.

The supreme sound wave immediately swept Bai Xiuming, shaking him into chaos.

Puff!

Bai Xiuming was unable to stand still and fell to the ground with a butt.

Where is the power to fight back!

At this time, Chen Feng smiled slightly.

"Don't give you face, is there any problem?"

Seeing this scene, everyone was completely stunned.

Actually, even Bai Xiuming is not Chen Feng's opponent!

No, it's not just "not an opponent", but not even the power to fight!

How strong is Chen Feng?

What has he experienced!

In the horrified eyes of everyone, Chen Feng slowly cast his gaze on You Honglang.

At this time, You Honglang was full of horror, and he had already regretted that his intestines were green!

I had known that Chen Feng had such a strength, and he would not be able to get ahead if he was killed!

"It's your turn."

Accompanied by Chen Feng's deep words, You Honglang was immediately pale with fright.

Only a puff was heard.

He actually knelt directly on the ground.

"Master Chen, I am too arrogant! I apologize for everything I said before!"

"I also hope that Master Chen has a lot of people, let me go!"

Where can You Honglang dare to get any face!

There is a living example of Lu Tiancheng, whose star soul is broken. If he does not beg for mercy at this moment, he will end up worse than Lu Tiancheng!

Above the huge square, at this moment, only the voice of You Honglang pleading.

All the disciples were silent.

Recalling when Chen Feng first arrived, everyone laughed and despised unscrupulously.

Many people are scrambling to win the spot.

Did not take Chen Feng seriously!

Who could have imagined that in the time of a cup of tea, the form would develop to this scene!

Although, at this moment, there is only one You Honglang who is kneeling on the ground begging for mercy.

However, all of them are actually the same.

Everyone's faces are hot and hot!

Chen Feng looked up and scanned the audience.

He asked everyone, "I'll ask again, do I have this qualification!"

Silent!

No one dares to answer!

Everyone has to admit it.

Chen Feng, of course qualified!

Not only was he qualified, but based on the skill he showed just now.

He is even the top powerhouse among all the disciples of the Galaxy Sword Sect within ten years of starting!

As I said earlier, when I started, I was only the nine-star Wudi, had no fairy roots, was a handyman disciple at first, etc., not only cannot be a basis for ridicule at this moment.

Instead, it became Chen Feng's legend!

It is precisely because Chen Feng has no fairy roots that makes the disciples who have fairy roots embarrassed.

Why is it not as good as others?

Moreover, many people want to know how Chen Feng jumped from the nine-star martial emperor to the terrifying strength he is now.

At this moment, only the representatives of the other Sword Sects in the audience looked as usual.

Although, Chen Feng's performance made them awe-inspiring.

But that's all.

Did not take it too seriously.

Just when everyone thought that today's farce is about to end.

Suddenly, another voice came.

"I'm not convinced."

No one thought that after seeing Chen Feng's strength, someone would actually take the initiative to stand up.

On the square in front of the Zongmen Hall, all the disciples turned their heads.

Everyone wants to see who has the courage.

Are you crazy, or really have more abilities!

Chen Feng, who was standing in the front, also followed the sound.

The disciples one after another gave way.

The speaker is actually an old acquaintance.

Qi Zhuoyang!

At the beginning, during the entry assessment, Qi Zhuoyang, Ji Xingyuan and others joined the Galaxy Sword Sect.

At that time, Chen Feng heard praise from others.

Those people who entered the Galaxy Sword Sect were all prepared.

After entering the respective sects of the Galaxy Sword Sect, they all have their own paths.

Compared with other ordinary disciples, each of them has different special treatment.

Especially Qi Zhuoyang who spoke.

Sure enough, many disciples immediately exclaimed when they saw that the speaker was him.

"It's the new genius disciple of Kaiyang Jianzong, Qi Zhuoyang!"

"He also has a brother who is also a true disciple of Kaiyang Sword Sect!"

"It's amazing. Both brothers are geniuses. I'm afraid that Gongzi Qi will become a new true disciple soon."

Many disciples around have touted it.

Especially behind him, there are also some disciples wearing Kaiyang Jianzong uniform costumes.

Obviously, they are followers of Qi Zhuoyang.

When Chen Feng heard those people's words, he remembered Qi Zhuoyang's wealth background.

It seems that thanks to his elder brother, as soon as he entered the Kaiyang Sword Sect, he received a lot of resources and magic weapons.

At this moment, Qi Zhuoyang is no longer the same as he was when he was initially assessed.

His body is long, tall and straight, and his aura is more evil than before.

Today's Qi Zhuoyang has a stronger aura.

Chen Feng's spiritual consciousness quickly probed the past.

It is already comparable to the powerhouse of the seventh floor of the Star Soul Martial God Realm!

Chen Feng suddenly felt in his heart.

When dealing with Lu Tiancheng before, he didn't release all his power at all.

But, I didn't expect to give Qi Zhuoyang such a wrong perception.

Let him think that he can challenge himself!

Thinking of this, Chen Feng couldn't help feeling a little ridiculous.

By this time, the gap between him and Qi Zhuoyang had grown wider.

He hadn't taken these people to heart long ago.

But, obviously, the opposite Qi Zhuoyang didn't think so.

Under the attention of all the people, Qi Zhuoyang strode towards the meteor.
