

## Peerless 5421

### [Chapter 5421: Fight for the sleepy beast! The desperate situation of Chiyan Demon Venerable!](#)

It's just that there is indifference and anger in the smile this time.

"Finally dealt with this enchantress!"

Not far away, Fairy Yuheng and others also glared at him.

One after another powerful breath erupted one after another.

At this moment, Shi Lingxi was horrified to discover that for so many years, she had already fallen into the encirclement.

Everyone's faces were all disgusted.

Since forming the team, if Chen Feng hadn't been blocking them, they would have wanted to kill Shi Lingxi!

This step is still wrong!

Her pretty face turned pale immediately.

Then, looking at Chen Feng, he shouted.

"Wait! I have difficulties!"

But at this moment, the murderous aura from all sides besieged can no longer be taken back!

boom!

No matter how she begged for mercy or defense, this time, it was useless!

Shi Lingxi, die!

Countless murderous auras came from all directions.

Instantly penetrated Shi Lingxi's body!

Her begging for mercy stopped abruptly, and her beautiful eyes were still wide open, looking pitiful.

If you don't know enough about her behavior, I am afraid that once you see this, people will feel softened again.

In the indifferent eyes of everyone, Shi Lingxi's delicate body slowly fell to the ground.

Life lost forever!

After killing two people who frequently played tricks, everyone felt better.

However, before they were relieved, the world suddenly changed color!

Only heard a loud "boom"!

The sky above the head has changed from the original dimness to blood red!

The endless blood light gathered in a frantic direction in the distance.

"what happened?"

Without the thorn of Shi Lingxi, the relationship between Chen Feng and the others was more calm.

Shen Siqin was surprised and stared at the direction of the change.

Everyone was afraid and puzzled.

Then, everyone looked at Chen Feng subconsciously.

It's just that Chen Feng at this moment didn't think about that.

At this moment, he could feel the blood of the monster race in his dantian world, and he began to tremble violently!

The monster bloodline seemed to be struggling, trying to leave Chen Feng's body.

However, after the Supreme God Demonized Dragon Art was operated, all bloodlines were suppressed again.

In Chen Feng's mind, the voice of Immortal Mo Rin suddenly sounded.

"It seems that the Chiyan Demon Venerable has been driven to a desperate situation."

"Now, he can only take back all the power of the blood that he has nurtured in advance, and strive to break through."

"This is his last fight as a trapped beast!"

Fight the past, since then Zhenwu first.

If you can't beat it, you will definitely die!

Tens of thousands of miles around the area began to whistle, lightning and thunder.

And in extremely remote places, in many demon camps, countless low-level demon tribes were silently dying.

Many of them didn't even know what was going on, and watched the person talking in front of them fall.

When I went to explore again, my vitality had already been cut off, and my blood was withered!

Endless blood wafted from the bodies of the fallen low-level monster races.

As soon as they appeared, they disappeared into the void.

No one can capture it, or invade it.

"what happened?"

Countless demons are crazy and questioning.

However, no one can tell them.

No one would know that it was the first person of their demon clan who caused such a terrible tragedy!

Red Flame Demon Lord!

He has never treated the low-level monster race as a kind!

And when everyone is surprised, the real battle is already red!

They fought against the void, but they were all \*\*\*\* eyes.

As if falling into a sea of blood.

Countless blood lights suddenly appeared from the void, and then became patches of \*\*\*\* red clouds.

Continuously pouring into the Red Flame Demon Venerable from all directions.

boom!

The flames on his body flared again.

Until this time, Immortal Zijin finally believed the news brought by Chen Feng.

The Red Flame Demon Venerable is really conspiring to shock the sky!

Use countless low-level monster clan bodies to accumulate the power of his own blood, regardless of the life and death of his clan.

It's too cruel!

Immortal Zijin at this moment had all white beard and hair and a light-colored robe.

Now he is quite embarrassed, his body is covered with blood.

Even the clothes are ragged.

However, the Chiyan Demon Venerable on the opposite side looked even worse!

Hundreds of miles away, one of his arms was still lying quietly.

One of the binoculars has also been destroyed.

There are even large and small wounds all over his body.

It looked shocking!

As Immortal Mo Rin said, Immortal Zijin had already driven him to a desperate situation.

If this is not the case, he will never take back the power of the blood line outside in advance!

"I hate it!"

"You ruined my plan!"

"When I recover my strength, the entire human race will have to pay for you!"

The roar was frantically torn apart.

Just like Chiyan Yaozun's mood at the moment, he was extremely angry and laughed wildly.

Immortal Zijin showed fierce light, and once again ignited endless fighting spirit.

"Interrupt him!"

"Don't let him continue to absorb the power of those bloodlines!"

Once the absorption is completed, the original good situation will be reversed!

That is in the true sense, and it falls short!

They can't afford to lose!

Terran can't afford to lose even more!

At the moment, beside the Immortal Zijin, only the last three elites remained.

Moreover, the four people at this moment were all covered with injuries of all sizes.

The cultivation base is far worse than before!

The Red Flame Demon Venerable is really too powerful.

Even if he suffered a mysterious attack and was seriously injured, it was still extremely difficult to kill him completely!

At this moment, it is even more difficult.

Endless clouds of blood rushed towards him eagerly.

This is something they can't stop.

The only thing they can do is to directly attack the Red Flame Demon Venerable himself!

boom!

Loud noises continued to sound.

The terrifying air wave shredded the void almost countless times.

The violent hurricane was raging, and it seemed to exhaust all of his strength to tear the Chiyan Demon Venerable.

But all in vain!

The blood cloud condenses faster and faster!

They are like battle armor, isolating most of the attacks for the Chiyan Demon Venerable.

And the Red Flame Demon Venerable in the center, the aura is growing from the weak and weak!

He is back to the top!

"Jie Jie Jie Jie..."

The Chi Yan Yao Zun laughed wildly, and triumphant light burst out of his emerald green eyes.

He frantically absorbed all the blood around him, without even noticing, a figure quietly rushed into the blood cloud.

As soon as that figure rushed into the cloud of blood, it broke into pieces.

In the raging force of violent power, Mossana became a blood flower.

The whole process was short-lived.

The Chiyan Demon Venerable didn't care about it at all.

At this moment, where can he manage the specific source of the absorbed bloodline power?

However, Immortal Zijin not far away found it.

He frowned slightly, and suddenly stretched out his hand to stop everyone behind him.

"what happened?"

The elite behind him had already burned his eyes and didn't even notice the strange thing.

"It seems that a monster race suddenly rushed over."

[Chapter 5422: Chen Feng's calculations! Red Flame Demon Lord, die!](#)

"The bloodline of that monster race is definitely not the bloodline of the Chiyan Demon Venerable!"

Immortal Zijin suddenly noticed something.

He snapped his head back.

Very far away, Chen Feng stepped on the void and waved at him far away.

That's right, what Chen Feng sent over was the mad war lion saint!

Just when Immortal Zijin didn't realize what Chen Feng's move meant.

Just when the Red Flame Demon Venerable was still laughing wildly.

Suddenly, an unfamiliar aura suddenly appeared in the void.

As soon as that breath appeared, the whole blood-red sky suddenly turned into black!

The clouds are rolling!

Lightning and thunder are falling like crazy!

The void is twisting.

A low, vicissitudes, and tyrannical voice sounded under the sky.

"who is it?"

"Who killed my son!"

Above the sky, the void continued to twist.

As a thunder fell, the sky was actually torn open a huge hole!

And that loud and deafening sound comes from this!

The gale was stronger than the knife cut, and the wind roared.

The dark clouds were surging and spread quickly.

One thousand meters!

Two kilometers!

The stretch does not know where the end is.

Under the control of Immortal Mo Rin, Chen Feng waved his hand to protect the companion behind him.

Even though they are still a long way from the core of the war, they are still affected!

If it weren't for his blessing, Fairy Yuheng behind him and the others would have suffered.

Even so, Chen Feng's expression changed at this time.

He looked at the torn void from a distance.

I saw a huge figure and stepped over from it!

The supreme aura, even if separated by thousands of miles, still made Chen Feng's pupils shrink slightly.

It's another demon god!

"Unexpectedly, the mad war lion saint is actually the blood of the demon Venerable Mingxiao."

Suddenly, the voice of Immortal Mo Rin rang in his mind.

Chen Feng immediately recovered and asked.

"Who is Demon Venerable Mingxiao?"

Immortal Mo Rin gave a brief introduction.

After listening to Chen Feng, he was a little relieved.

Mingxiao Demon Venerable is a new breakthrough after the White Elephant Demon Venerable became the supreme demon clan.

However, not only the Human Race monk, but even the Demon Race are not familiar with him.

Some have never heard of him.

Because when he broke through the demon sovereign, he was attacked by several big enemies.

Although it was still difficult to succeed in the position, but suffered a very serious injury!

For so many years, Mingxiao Demon Venerable has been in retreat for healing.

"You had a good plan to actually lead him here."

In his mind, there was a smile in the voice of Immortal Mo Rin.

He could hear that he admired Chen Feng's resourcefulness.

However, what Chen Feng cared most at this time was the distant battlefield.

He attracted the big man behind the mad war lion saint.

But it is still unknown whether the two monsters will fight.

Immortal Mo Rin seemed to have seen his plan and smiled to comfort him.

"Don't worry, since the Red Flame Demon Venerable replaced the White Elephant Demon Venerable, Mingxiao Demon Venerable has maintained a neutral attitude."

"He and the Chiyan Demon Venerable, the water in the well does not violate the river."

Right now, the only bloodline was "killed" by the Chiyan Demon Venerable, and he would never give up!

As he was talking here, the Demon Sovereign Ming Xiao had appeared in front of the Demon Sovereign Red Flame in the distance.

Two comparable figures stood opposite each other.

On one side, red flames continued to erupt, and there was a rich red cloud blood armor body around it.

On the other side, Mo Yun was rolling, destroying the world.

"Chi Yan! How dare you kill my son!"

"I want you to die!"

Mingxiao Yaozun was in retreat and healed, and suddenly felt in his heart.

His only blood, quietly dissipated!

This made him suddenly open his eyes, and his eyes burst into flames.

Relying on the induction between bloodlines, Demon Venerable Mingxiao quickly saw the scene of the death of the mad war lion saint.

It was really blood red!

And, the arrogant grin of Chi Yan Demon Venerable rang in his ears!

In the next moment, all the essence and blood in the saint of the mad war lion left the body together and rushed towards the Chiyan Demon...

Seeing these, Demon Venerable Mingxiao didn't have to look anymore.

He had already determined that it was the Red Flame Demon Venerable, who killed his son!

At this moment, the figure of Demon Venerable Mingxiao suddenly became bigger.

It turned into a fifty-meter-long black giant, and slapped the red cloud towards the Red Flame Demon Venerable!

The Chiyan Demon Venerable at this time was the critical moment to recover his blood, and his clone lacked skills.

With such a palm, it rises in the air against the storm.

When he came to the Red Flame Demon Venerable, this palm was already a hundred meters long!  
boom!

At the moment when he slapped the Red Flame Demon Venerable, a terrifying lightning flashed above his head.

Huge explosion!

Horrible air wave!

Raging murderous spirit!

Supreme coercion!

All of this was seen by Chen Feng and others.

In my heart, all are shocked, and look forward to!

Everyone is looking forward to the fact that Demon Venerable Mingxiao can interrupt the conspiracy of Demon Venerable Chiyan!

After the loud noise, there was a dead silence.

The contrast is particularly strong!

Immediately, a clear crack rang in everyone's ears.

Click — —

Under the strong red cloud blood armor, a huge crack appeared under that palm.

Then, the cracks began to spread around...

"No no no no!"

The Red Flame Demon Venerable who was wrapped in it yelled in horror.

However, it is still hard to recover!

In the next instant, there was another loud noise.

The red cloud broke apart!

He is about to absorb the power of blood, and his life will be terminated!

Xiaoban's blood, completely dissipated in front of him!

His strength has only recovered 70%.

The flames outside the Red Flame Demon Venerable burst into a crackling sound.

His eyes were violent, and he stared fiercely at the Demon Venerable Mingxiao in front of him.

As if staring at his tenth enemy!

"Mingxiao Demon Venerable! How dare you do something to me! Ah--"

At this moment, the two demon lords immediately fought.

When Immortal Zijin and others saw this, they even stepped aside, quietly waiting for the result.

And this fight is again dim!

The red flames and the thick black ink clouds crazily intertwined and clashed with each other.

The earth in a radius of tens of thousands of miles, all cracked!

The wind screamed and the yin wind screamed.

In the end, I couldn't tell who was controlling who, I could only see the aura between red and black, which became weaker and weaker.

But, murderous!

Chiyan Yaozun is indeed the new supreme of Yaozu.

After going through several severe injuries, he was still able to beat the Demon Venerable Mingxiao.

However, he had obviously forgotten--

Everyone here wants to kill him!

Just after Demon Lord Mingxiao broke out a shocking blow, Immortal Zijin made another move.

The extremely fierce sword aura tore through the void instantly!

Also cut the body of Chiyan Demon Venerable in half!

The roar that was so sharp that it collapsed suddenly broke out, and the rolling sound almost stunned everyone directly.

"Do not!"

"I hate it!"

Chi Yan Demon Venerable struggled frantically, but the defeat was set!

[Chapter 5423: breakthrough! The Eleventh Building of the Star Soul Martial God Realm](#)

But at this moment, his green eyes suddenly stared at Demon Zun Mingxiao.

"Your son rushed over to find death by himself, what to do with me!"

"But you let me die, I will never let you live!"

The next moment, his eyes escaped on their own, and he rushed towards the Demon Lord Mingxiao.

boom!

With a loud noise, the eyes burst into a green flame!

As soon as Mingxiao Demon Venerable encountered the flame, he screamed immediately.

Then, he was burnt to ashes!

too frightening!

No one thought that the Red Flame Demon Venerable had this hole card!

Everyone looked at the Red Flame Demon Lord who had lost both eyes.

I saw his breath gradually wilting.

No doubt it will die!

However, just when everyone thought this was the end, Chen Feng suddenly turned around.

His gaze fell on the Tianyuan Little Demon, who had never had a sense of existence.

"It's up to you to take action."

In the world, the ink color faded, and the red color gradually disappeared.

But, in the next instant, a divine light in the distance suddenly rose up and went straight to the sky!

Everyone looked in the direction where Chen Feng was.

Including the Immortal Zijin from afar!

Everyone's face showed surprise involuntarily.

"what happened?"

boom!

Tianyuan Little Demon suddenly stepped forward, stepping onto the void!

He violently stimulated his own blood.

At this moment, a sense of fear spontaneously arises in the hearts of everyone around.

That is the instinctive fear of the Supreme!

It is the trembling of the powerful blood!

Fairy Yuheng and the others changed their faces and blurted out.

"When did he awaken?"

The blood of the Tianyuan Little Demon is stronger than that of the White Elephant Demon Venerable!

It can be said that blue is better than blue.

And what the Chiyan Demon Venerable swallowed was the blood of the White Elephant Demon Venerable.

At this moment, everything is like Feng Shui turns around.

Countless blood gushed from the body of the Chiyan Demon Venerable, and rushed towards the Tianyuan Little Demon.

A blood-colored rainbow appeared between heaven and earth!

Tianyuan Little Demon suddenly opened his mouth.

A powerful suction swept out, directly swallowing the blood into the abdomen!

As the blood light continued to be swallowed, the aura on the Tianyuan Little Demon grew stronger.

The speed at which he swallowed his blood became more and more rapid!

Unstoppable!

Immortal Zijin looked at the Tianyuan Little Demon, hesitating, wondering if he should do it.

He never expected that the only blood of the White Elephant Demon Venerable would have been hidden here!

Always by Chen Feng's side!

This made him feel a little jealous.

"Who is Chen Feng?"

If it were normal, he would definitely take out Chen Feng immediately.

Regardless of the truth, there is nothing wrong with catching up and interrogating first.

But...

He looked at Chen Feng standing in the air from a distance.

With the cultivation level of Immortal Zijin, it is natural to perceive that Chen Feng is unusual at this time.

Immortal Mo Rin believed in Chen Feng so much!

This is why he dare not act rashly at this moment.

He could tell that Immortal Mo Rin only temporarily lent his power to Chen Feng.

Not to take home!

"Is there anything in this junior that immortal Mo Rin should be afraid of?"

When Immortal Zijin was puzzled, Immortal Mo Rin was also suspicious.

The pressure that erupted from the Tianyuan Little Demon was the purest power between bloodlines.

As long as the bloodline is not as good as his, they will be afraid and trembling in an instant.

Just like the juniors around me.

But Chen Feng did not!

He was in Chen Feng's body at this moment, and his reaction to Chen Feng was naturally clear.

From beginning to end, Chen Feng had no response to the blood of the Tianyuan Little Demon!

"Could it be that his blood is stronger than that of the Tianyuan Little Demon?"

Thinking of this, Immortal Mo Rin felt chills.

He has been in the Zhenwu world for years without knowing what to do, and he has witnessed the rise of countless first people.

The bloodline of Tianyuan Little Demon is definitely among the top three in history!

But Chen Feng, a junior from other worlds, actually had a higher bloodline.

By the way, there is that mysterious bloodline technique!

Immortal Mo Rin not only sighed secretly.

"Chen Feng, you really gave me so many surprises..."

At this moment, Chen Feng, who was silently looked at by the two human powers, was in ecstasy.

Because, the greatest benefit of this battle was taken by the Tianyuan Little Demon!

He swallowed frantically without knowing what it was.

When the last drop of Chi Yan Demon Venerable's blood was absorbed, the aura of Tian Yuan Little Demon was already strong to an extremely terrifying level.

boom!

His size began to skyrocket.

The originally thin body also began to swell in the wind.

The weak, whitish limbs were blowing air, and they became extremely strong and knotted in an instant!

In his eyes, a silver-white light burst out!

"Moo!"

Only heard a cheerful roar.

Kong Wu's powerful young man disappeared and was replaced by a white five-meter elephant.

In full view, the little elephant raised his long nose high and let out several roars in succession.

Then, he turned and ran towards Chen Feng.

"Brother be careful!"

The Tiancun Beast Slave cared about it in confusion, and exclaimed.

But Fairy Yuheng on the side grabbed his arm.

"It's okay, wait and see."

Sure enough, the little white elephant came to Chen Feng and happily circled him twice.

Then, he knelt down sleepily.

Eyelids drooped heavily.

After a while, the little white elephant fell into a deep sleep!

However, when he fell into deep sleep, a divine light separated from Chen Feng's body.

Immortal Mo Rin's soul voluntarily left Chen Feng.

"what happened?"

Ning Changfeng and others looked at Immortal Mo Rin puzzledly.

They didn't understand why Immortal Mo Rin suddenly left Chen Feng's body at this time.

In this regard, Immortal Mo Rin just smiled.

He didn't say anything, only motioned everyone to look at Chen Feng.

A pair of eyes, following Immortal Mo Rin's gaze, fell on Chen Feng again.

This look made them stare.

"How is this going?"

Everyone was horrified.

They found that after Immortal Mo Rin left, Chen Feng's breath did not instantly fall back to its original position.

I don't know when it will begin, but his breath is also skyrocketing!

Shen Siqin looked at Immortal Mo Rin.

Obviously, just because of the presence of Mo Rin Immortal, Chen Feng's own breath was well hidden.

The reason why he wants to leave is because Chen Feng is about to break through!

His cultivation base quietly reached the peak of the tenth floor of the Star Soul Martial God Realm!

Just when everyone looked at the Tianyuan Little Demon!

boom!

Chen Feng closed his eyes tightly, and countless warm currents surged all over his body, constantly washing his limbs.

The golden spiritual world once again set off a stormy sea.

The wind is howling!

The boundless golden spiritual power surged like a wave.

At the same time, the big sun in the Xinghai world burst out with dazzling brilliance again.

The light was so dazzling that it was difficult for Chen Feng to look directly at him.

But, soon, he fell into ecstasy.

When the brilliance gradually weakened, two rounds of great sun suddenly appeared in the huge star sea world!

In one big day, they were separated into two!

The power of the stars is mighty, as if inexhaustible.

At the same time, there is a supply of blood power.

The big sun split into two is getting bigger.

Not long after, every big day is as big as the previous big day!

Xinghai shines brightly!

The ten big moons will complement each other!

Two rounds of sunshine in the world, which means that Chen Feng has completed a new breakthrough.  
boom!

He suddenly opened his eyes.

An extremely domineering and powerful aura was exuded all over.

Chen Feng let out a foul breath, and then couldn't help laughing.

Today, he officially broke through to the eleventh floor of the Star Soul Martial God Realm!

Even in the face of the ordinary Shifang Dongtian realm's second Dongtian powerhouse, he has the confidence to kill!

[Chapter 5424: the truth!](#)

"what the \*\*\*\* is it?"

Watching Chen Feng strode forward, the faces of Shen Siqin, Ning Changfeng and others were still full of doubts.

They looked at each other, and finally looked at Chen Feng together.

After taking control of the mad war lion saint, they didn't know what Chen Feng was thinking about.

Especially, he was so daring, and stared at the Chiyan Demon Venerable!

But what shocked them even more was that Chen Feng really did it!

He first took advantage of the power of the dominion of heaven, and then used Immortal Mo Rin to persuade Immortal Zijin.

Then, it actually implicated another Mingxiao demon who had been in seclusion for a long time!

"How do I feel..."

"After this vigorous battle, all the benefits have been taken away by you two?"

Ning Changfeng looked at Chen Feng and asked.

In response, Chen Feng smiled brilliantly.

At this moment, whether it was the friends nearby, Immortal Mo Rin, or Immortal Zijin in the distance.

Everyone's eyes are focused on him.

They all have their own guesses in their hearts.

At the same time waiting for an explanation from Chen Feng.

"Well, I admit it. It's true."

Chen Feng admitted very happy.

The Tiancun Beast slave was surprised.

"Big brother, today's battle, will not all be in your plan?"

Chen Feng's smile responded to him.

He is noncommittal!

Tiancun Beast Slave's already wide-ranging acting skills suddenly became as big as a copper bell.

"How is this done?"

Fairy Yuheng also asked.

"How do you know that Tianyuan Little Demon can swallow the blood of Chi Yan Demon Venerable?"

They had separated from Chen Feng and others in the secret world before.

Therefore, they did not understand the relationship between the White Elephant Demon Venerable, the Chiyan Demon Venerable, and the Tianyuan Little Demon.

Until now, Chen Feng finally told the matter.

"Actually, the very beginning of everything starts from when we first met Tianyuan Little Demon."

Fairy Yuheng and Tiancan Beast Slave both exclaimed.

"so early?"

"so early!"

It turned out that when meeting Tianyuan Little Demon for the first time, Chen Feng captured individual news from his chaotic spiritual world.

In the real martial world, the inheritance of the monster race relies on swallowing blood.

After learning the news, he has been paying attention to related news.

Later, they met Shen Siqin and saw the power of the monster bloodline.

Later, Tianyuan Little Demon recovered his spiritual consciousness.

The two had a conversation and confirmed this.

"... Before the Red Flame Demon Venerable swallowed the blood of the White Elephant Demon Venerable, only then can he become the Demon Venerable."

"But he didn't expect that Little Demon Tianyuan has a stronger bloodline!"

Hearing this, everyone finally understood.

Yes.

Tianyuan Little Demon's blood is stronger, so he has become a target of suppression and competition.

If he was only the offspring of the White Elephant Demon Lord, and his bloodline was unremarkable, perhaps he might not have such a status.

At this moment, most of the doubts have been answered.

Immortal Zijin and others also approached from a distance.

"I have a problem."

Immortal Zijin looked at Chen Feng calmly.

"Why do you bother to let the descendants of the White Elephant Demon Venerable consume the blood of the Chiyan Demon Venerable?"

He glanced down at the little white elephant that was falling asleep.

Everyone knew that Little Demon Tianyuan had absorbed blood that exceeded his strength, and it took time to digest and absorb.

After he wakes up, he will rise completely!

At that time, how the Red Flame Demon Venerable was born, he will do the same.

As the commander-in-chief of the human monks, Immortal Zijin cared more about this.

Therefore, at this moment, he stared at Chen Feng.

There is an undisguised scrutiny in his eyes.

Even if Immortal Mo Rin is by his side, he cannot influence his decision.

If Chen Feng was to help the monster race, he would kill people mercilessly!

No one will stay!

The breath of majesty immediately diffused.

Tiancun Beast Slaves and others noticed, and quickly signaled Chen Feng to speak carefully.

Don't cause trouble for yourself on the eve of the return.

It was Fairy Yuheng with a calm face.

Seems to know it.

In this regard, Chen Feng just smiled.

He met the gaze of Immortal Zijin, his eyes open and open.

"The commander can rest assured."

"The reason why I tried so hard to make Tianyuan Little Demon swallow the blood of Chiyan Demon Venerable."

"It's definitely not for the monster race."

Immortal Mo Rin on the side also laughed heartily at this time.

"Fairy Zijin, if you care about it, you will get confused."

Hearing the words of Immortal Mo Rin, Immortal Zijin suddenly reacted.

It is true that he cares about it.

If Chen Feng is really the spy of the Monster Race, how could Immortal Mo Rin help him?

Thinking of this, he suddenly felt calm and relieved.

Just waiting for an answer.

Chen Feng opened his arms and raised his eyebrows.

"Isn't my ultimate goal obvious?"

"He swallowed the blood of the Red Flame Demon Venerable, and he can make me a breakthrough."

It was all for this, and finally someone reacted.

"You won't sign a master-servant contract with Tianyuan Little Demon?"

The corner of Chen Feng's mouth raised slightly and nodded.

"Yes."

Tianyuan Little Demon has become his servant!

If this is not the case, how could he do so much with all his energy?

Chen Feng had this idea long after he understood the grudge between the Red Flame Demon Venerable and the White Elephant Demon Venerable.

The potential of Tianyuan Little Demon is absolutely unlimited!

There are two advantages to making him his servant.

First, he can take the Tianyuan Little Demon out of the real martial arts world and follow him to the top of the sky.

The second is the result just now!

After Tianyuan Little Demon swallowed his blood, his cultivation base skyrocketed.

As the owner, Chen Feng will naturally get great benefits too!

From now on, he has one more way to increase his strength.

Fairy Yuheng also smiled and sighed again and again.

"However, when I gave you that contract, I didn't expect you to plan so big."

Actually swallowed the strongest in this real martial arts world!

If this was said before, everyone would think Chen Feng was crazy.

In fact, when they realized that Chen Feng was going to do this, they did say so.

However, only such "crazy" people can achieve this achievement!

Ning Changfeng on the side was dumbfounded.

It took a long time to get over.

"How I feel, it is all here to complete the task."

"Everyone else is worried about the task."

"Only Chen Feng was in his serial plan to complete the task smoothly."

Fairy Yuheng and other people from the top of the sky were taken aback.

It really is!

Everyone couldn't help but feel dumbfounded.

However, I admire Chen Feng more and more in my heart.

In response, Chen Feng waved his hand.

At this moment, a voice came from behind itself.

"Chen Feng, you shouldn't be from this world."

Everyone's expressions were stagnant, and then they looked over warily.

The person who speaks is impressively Immortal Zijin!

[Chapter 5425: End, go back!](#)

The smile on Chen Feng's face narrowed slightly.

He looked at the Immortal Mo Rin on the side and got an affirmative look.

Then, he turned around and looked at Immortal Zijin.

The Red Flame Demon Lord is dead.

In today's Zhenwu world, Immortal Zijin is the strongest.

As the leader of the super-Qing sect, the leader of the human monks, he is naturally extremely sensitive.

If Immortal Mo Rin's soul can detect it, he can naturally detect it.

In this regard, Chen Feng was full of guard.

But he nodded and admitted.

"Not bad."

"In a sense, we used you."

"But we are not malicious."

Chen Feng's eyes were firm, and his eyes were extremely frank.

Then, in his spiritual world, the light was bright.

In the next moment, a strong fragrance of exotic grass spread quickly.

Immortal Zijin's expression suddenly changed.

Others may not be able to detect anything, but at his level of strength, he can know at a glance.

That is a kind of weed that only exists in legend!

He didn't even know his name.

Looking at the past, a blue-purple branch of exotic grass appeared in front of everyone.

The branch was long and thin, gently supported by a golden spiritual force.

The whole body is crystal clear and full of radiance.

The people around only took a sip, and suddenly felt refreshed.

At the same time, everyone's spiritual world immediately made waves!

And the one who reacted the most was the soul of Immortal Mo Rin!

He was once the ancient \*\*\*\* of a world!

In order to seek longevity, abandon the body, just to strengthen the spirit.

However, their path still failed to get through.

The body has long since turned into a scratch of loess, and the spirit has collapsed and dispersed in the long river of years.

Only this peculiar soul is left, which turns into a wandering soul, floating in the world.

This is the case for this life.

After hundreds of years, or thousands of years, after his soul has dissipated, there will be no more him in the world.

But just now, everything has changed!

The fragrance of Bihai Ziluocao made him feel the return of spiritual power!

I saw a ray of light flashing up inside the Immortal Mo Rin.

Although it is fleeting, it is enough to attract everyone's attention.

Even Immortal Zijin and Chen Feng looked over.

"what is this?"

Immortal Mo Rin's eyes flashed with hope, looking at the blue and purple branches in the golden light.

Chen Feng regained consciousness, introduce.

"This is a strange plant we accidentally got after we came to this world."

"It's called Bihai Ziluocao."

"With the miraculous effect of the living dead, flesh and bones!"

Chen Feng didn't have any secrets, so he told them everything about Bihai Ziluocao.

Then, the golden spiritual power turned into a hand and handed it to Immortal Zijin.

"Whether it's a real Changyang person or you, the coach, there is righteousness in your heart."

"This branch is enough for you to heal completely."

Speaking of this, Chen Feng turned his head and looked at Immortal Mo Rin.

"As for Immortal Mo Rin, I don't know if I want to leave with us."

Since becoming an ancient god, he has severed most of his connection with his homeland world.

Even if it is not a master-servant relationship, it can be taken away smoothly.

Upon hearing this, the expressions of Immortal Mo Rin and Immortal Zijin changed.

One was overjoyed, but one was a bit solemn.

"Hahaha..."

"I was entangled by the White Elephant Demon Venerable for many years, and then I was sealed in an underground secret for thirty years."

"Unexpectedly, one day, I will be able to leave here!"

Immortal Mo Rin laughed heartily, looking at Chen Feng, full of appreciation.

However, before the words fell, he saw Immortal Zijin speak.

"Do you have to leave?"

Hearing this, Immortal Mo Rin's laughter stopped abruptly and looked over.

Chen Feng and the others also looked over.

I saw Immortal Zijin looking at Chen Feng seriously.

"When I first saw you in the Chinese military camp, I was quite interested in you."

"You have a secret, but you have a very clever mind."

"If you can stay, you will definitely help us defeat the monster race all the way."

"By then, you will be my super elder who is super clean."

I have to say that the solicitation of the immortal Zijin is full of sincerity.

Just looking at the few elites left behind him is enough to know.

All those surprised appearances seemed to be unable to believe what they heard.

Chen Feng suddenly thought of something.

"I just killed Feng Jiuqing."

Unexpectedly, Immortal Zijin didn't change his face, and said without hesitation.

"Feng Jiuqing is not right in his mind."

"His apprentices are very lofty and selfish."

"You killed him, just to make room for it."

Chen Feng couldn't laugh or cry.

Immortal Zijin tried desperately to recruit him.

But he still shook his head.

Seeing Chen Feng's refusal, Immortal Zijin was very disappointed.

"I designed such a big game, forcing the Chi Yan Demon Venerable to withdraw the scattered blood in advance."

"Now, the Demon Race has no Red Flame Demon Venerable."

"There is no large army of low-level monster races."

It can be said that the strength of the Yaozu has received a fatal blow!

"The fairy demon war will be over soon."

Even without his help, Human Race will win!

Seeing that Chen Feng had decided, Immortal Zijin finally sighed.

No more demands.

He took the branches of Bihai Ziluo grass in front of him and looked deeply at Chen Feng.

"Everyone in the Zhenwu world will remember your name."

Chen Feng waved his hand.

Then, he turned to look at the people of Fairy Yuheng.

Everyone smiled and nodded to each other.

In fact, as early as when the mad war lion saint was absorbed by the Chiyan Demon Venerable, the voice of the Lord of Heaven rang in everyone's mind.

"This mission ends here."

"In the next hour, you can return to the top of the sky at any moment."

At this time, it was their return.

Chen Feng looked at Immortal Mo Rin.

"Senior, please don't resist."

In an instant, the golden spiritual power radiated dazzling light.

Waiting for the light to dissipate, Immortal Mo Rin had disappeared in front of everyone.

He was incorporated into his golden spiritual world by Chen Feng.

As soon as Immortal Mo Rin arrived here, a faint light shone through his entire body.

The fragrant weeds here are more intense!

Immortal Mo Rin lifted his eyes, and at a glance he saw only one branch of Bihai Ziluocao!

...

"Okay. Let's go."

After Chen Feng placed the Immortal Mo Rin, he looked at everyone.

The next moment, in their minds, they all shouted together.

"Master of Heaven, I am waiting to complete the task and request to return to the top of the sky!"

As soon as the voice fell, the vast voice of heaven dominating the voice echoed.

"You can return!"

In an instant, the cyan light diffused out, covering several people.

Chen Feng clasped his fists at Immortal Zijin.

In the next moment, that thin layer of cyan light was suddenly extremely dazzling!

The breath is extremely strong!

[Chapter 5426: The rewards of being "deducted"!](#)

In the end, the cyan light on everyone's body turned into a thick cyan beam of light, straight to the world!

In full view, they disappeared suddenly!

The cyan light beam disappeared, and Chen Feng appeared on a platform.

There is only a clear and misty light around.

There was silence all around.

Anyone looking at this boundless flat land will feel like being in the barren and vast universe.

"Is this the world you are in?"

In the spiritual world, the voice of Immortal Mo Rin sounded.

Chen Feng shook his head.

"This is the transitional space for returning to the top of the sky."

He briefly introduced something about the top of the sky.

Immortal Mo Rin now only has a ray of soul left.

There is no physical body, nor mental power.

After being brought to the top of the sky by Chen Feng, the only thing he can rely on is Chen Feng!

Even now, he is recovering with the help of Bihai Ziluocao.

However, that is destined to be an extremely long process.

In other words, Immortal Mo Rin is now equivalent to Chen Feng's hole card.

If he is willing, he can help Chen Feng to suddenly increase his strength by several levels in a critical moment.

However, Chen Feng does not intend to rely too much on this hole card.

He took a long breath, and when he opened his eyes again, he was already relaxed.

Before returning to the giant bronze fangs gate, he began to carefully count the gains of this mission.

The scenes from entering this world quickly flashed in front of them.

This advanced battlefield mission of Infinite Killing was quite rewarding.

Except for Immortal Mo Rin's wisp of ancient spirits, his biggest gain is the little demon for several days!

Immortal Mo Rin has long since passed.

The Tianyuan Little Demon was just a vigorous and promising seedling.

It is undoubtedly Chen Feng's unexpected joy to sign a master-servant contract with him.

I believe that when the Tianyuan Little Demon wakes up, his strength will surely increase!

At that time, Chen Feng's strength will rise with the tide.

At this time, the voice of the Lord of Heaven rang out loudly.

"Trial fairy Chen Feng, in the endless killing advanced battlefield mission, kill the mad war lion saint."

"Slaying the Red Flame Demon Venerable and Mingxiao Demon Venerable, changing the pattern of this world, has a great impact on this world."

"At the same time, the three trial missions were successfully completed, and he was promoted to a fairy in the sky."

"Rewards will be given together and a low-level fairy artifact will be given!"

Fairy!

Chen Feng was breathing quickly.

Above the treasure, Fang is a fairy!

Even the low-level fairy artifacts are several times more powerful than the top nine-tier treasures!

Chen Feng thought of the broken knife in his hand.

The broken sword made from the Qingqiu Heavenly Sword is far more powerful than the Ninth-Rank Treasure.

But I don't know whether it will be stronger or weaker than the immortal artifacts that are about to be acquired.

Not only that!

Jin Sanye also mentioned before that his star chart now has the scale of a complete galaxy, but the stability is extremely poor.

He needs to absorb and refine at least Grade 9 artifacts or above!

Thinking of this, Chen Feng had great expectations for this reward.

However, the words of Heavenly Dao's rule suddenly changed.

"But, given that you have not taken the chosen person from the Xuanhuang Middle Thousand Worlds to the top of the sky for a long time."

"The reward is temporarily deducted and the payment is delayed!"

"After you pick up the person back in the day, there will be greater rewards combined."

After speaking, the voice of the Lord of Heaven disappeared and no longer sounded.

At this time, Chen Feng was dumbfounded.

After the reaction, he couldn't laugh or cry.

It seems that the Lord of Heaven is increasingly dissatisfied with him!

In order to force him to speed up the progress, he actually played this set.

Withholding rewards and delaying distribution.

Chen Feng shook his head helplessly.

Since the Lord of Heaven has forced him to this point, hurry up.

"What would be a greater reward than a low-level fairy weapon?"

He strode toward the giant bronze fangs in front of him, looking forward to it again.

"Chen Feng!"

"Big brother, you are so slow."

...

As soon as the giant bronze fangs came out, a familiar voice came.

Everyone was waiting for him outside the door.

Chen Feng smiled and looked at the crowd, and when his gaze swept over, he suddenly stopped on Fairy Yuheng.

"Yuheng, your strength has broken through again!"

In the world of Zhenwu, she and the Tiancun Beast Slave ventured to inspire Shuang Lei Jie.

Although the process was nine deaths and a lifetime, but finally survived and successfully broke through to the Shifang Dongtian realm.

But that was just entering the first cave.

But in a blink of an eye, Fairy Yuheng, standing in front of him, had a significantly increased aura!

Amazingly, he has reached the third cave of the Shifang cave realm!

Break through two major levels one after another!

"Yes."

Fairy Yuheng, dressed in red, was as fierce as a fire, and restored her former beauty.

Her beautiful eyes flowed, looking forward to flying.

The eyes looking at Chen Feng were even more excited.

"The Lord of Heaven said, I successfully completed the task."

"The accumulation of previous accumulations finally broke out this time."

"Directly let me break through two major levels!"

At the moment, Fairy Yuheng is most grateful to Chen Feng.

She can have the current breakthrough, it can be said that Chen Feng is entirely due!

Chen Feng looked to the other side again.

Sure enough, the cultivation base of the Heavenly Remnant Beast Slave also had a breakthrough.

But not as many as Fairy Yuheng.

As everyone was laughing and talking, Chen Feng suddenly frowned.

A gloomy look fell on him from a distance.

He looked up.

I saw an extremely domineering and arrogant man, his eyes were full of sinister birds and viciousness.

"Chen Feng! I didn't expect you to escape this time."

"What's the matter? Are you so afraid of facing me in the trial mission?"

Chu Pingsheng!

Chen Feng's expression became gloomy when he saw him.

He sneered towards Chu Pingsheng.

Seeing Chu Pingsheng again, his cultivation level also had a lot of diligence.

However, compared with Chen Feng's progress, it is still a big gap.

The second cave of the Shifang Dongtian realm.

Even without relying on other means, today's Chen Feng can directly kill him!

Chen Feng laughed at Chu Ping's ridicule of yin and yang.

"Chu Pingsheng, cherish your last days."

"When I finish killing people, I will kill you again!"

Hearing this, he no longer looked at Chu Pingsheng.

This made Chu Ping furious!

Chen Feng quickly looked at everyone.

"The Lord of Heaven previously gave me a temporary task, I have to go first."

After speaking, he hurriedly left the towers of the heavens and ten thousand realms.

Qin Baichuan!

Within half an hour, I will kill you!

He shouted loudly at the Lord of Heaven, and his figure instantly disappeared on top of the sky.

Hum!

In the next instant, he returned to the world of Xuanhuang Zhongqian.

Entering the eye, a mess!

That is Qin Baichuan's masterpiece.

Immediately afterwards, a low whistle sounded in the ears.

The huge pressure came from all directions, quickly rushing over.

Chen Feng raised his head and looked around.

He was trapped in a huge cage!

Chen Feng is no stranger to this.

[Chapter 5427: I want to kill him, nothing more!](#)

This is also Qin Baichuan's masterpiece-Dayan Cage!

At the same time that Chen Feng returned to the Xuanhuang Zhongqian World, Qin Baichuan in the Tianquan Sword Sect was on the scene.

"Finally waiting for you!"

"Chen Feng, I want to see what secrets are hidden in your body."

Qin Baichuan's eyes burst into sharp cold light.

Murderous shot, high fighting spirit!

The eyes of the disciples of the Tianquan Sword Sect around him also lit up.

"Senior Brother Qin is a good exercise!"

"Yes, you can easily know the whereabouts of Chen Feng in the first place."

"Hahaha...It seems that my Heavenly Power Sword Sect can finally exhale!"

The disciples looked more excited than Qin Baichuan.

They immediately spread the news.

I can't wait for a big fanfare to let all the disciples of the Galaxy Sword Sect come to watch.

In this way, when Qin Baichuan set out, behind him was a mighty team.

The more disciples there were onlookers, the more proud Qin Baichuan was.

In his opinion, dealing with Chen Feng this time was completely easy.

The more people saw Chen Feng being stepped on by him, the happier he was!

"Those who dare to move me, look for death!"

The crowd came to the floating mountain of Tianshu Sword Sect once again.

Chen Feng's mansion is now in ruins.

Devastated!

The destruction of the mansion itself is nothing.

Can be destroyed by other Sword Sect disciples, this is undoubtedly a slap in the face, slapped Chen Feng's face.

And Qin Baichuan is even more arrogant!

He didn't intend to let Chen Feng go at all, and he used the Dayan Cage Technique!

Within a few hundred meters of a radius, the mansion was like being knocked down by a huge black bowl.

Inside, it was dark!

Not only that, but there is an extremely repressive coercion!

There are many restrictions!

"Chen Feng is dead!"

"This is Dayan's cage. I have never seen a disciple who can come out alive."

"You said, is Chen Feng already kneeling inside and begging for mercy?"

"Hahahaha..."

Behind Qin Baichuan, many disciples mocked and mocked.

The whole floating mountain seemed particularly lively for a while.

The corners of Qin Baichuan's mouth raised slightly when he listened to those words that flattered himself and ridiculed Chen Feng.

"Okay, let you take a look, how can Chen Feng go crazy after all his cultivation bases are lost!"

Before the words fell, Qin Baichuan's feet stood still.

A burst of energy came out of him.

He is not prestigious and angry, and the ink is no wind.

The next moment, the darkness in front of him gradually began to turn to light.

Dayan's cage was lifted.

Without waiting for Qin Baichuan's instructions, many disciples of the Heavenly Power Sword Sect stopped early around Chen Feng's residence.

Never let Chen Feng take advantage of this opportunity to escape!

At this moment, a lazy, casual voice sounded from the Dayan cage.

"There is nothing in that set, so you don't have to be in vain."

"I have been waiting for you for a long time."

It was Chen Feng's voice!

The noise stopped abruptly, and everyone looked at the ruins.

I saw Chen Feng standing with his hands behind him, so he could take his time off.

There was a slight smile on his face.

For some reason, many people at the scene saw his smile and instinctively began to feel frustrated.

"Are you Chen Feng?"

Qin Baichuan narrowed his eyes and looked at Chen Feng carefully.

Although he always dismissed the disciple of Tianshu Sword Sect.

However, Chen Feng's leisurely appearance made him cautiously probe for a while.

In the end, he thought that Chen Feng was already in the cage of Dayan at this moment, and his cultivation base was scattered.

Has been reduced to a waste!

Where is the capital to fight his Qin Baichuan?

Chen Feng's cold eyes stared at Qin Baichuan instantly.

"You ruined my mansion. I don't know if I am Chen Feng."

"Very well, then I won't ask your name either."

"Just kill you directly."

Chen Feng's words are extremely arrogant!

Qin Baichuan immediately laughed as if he had heard some joke.

"It seems that you are Chen Feng, absolutely right."

"A tyrant and tyrannical, not ashamed!"

"It's not a loss if you die here today."

However, as soon as the voice fell, a clear and stern voice came from afar.

"Who allows you to run wild in the Tianshu Sword Sect site!"

The next moment, extremely powerful pressure, instantly pressed on all the other Jianzong disciples.

Among them, Qin Baichuan!

Chen Feng looked sideways, feeling slightly annoyed.

Yue Xinlan and Sect Master Zhong Li Yaoqin, it's not early or late, but it's just this time.

The two were not in Tianshu Jianzong a while ago.

Who would have thought that as soon as he came back, he would see this scene from a distance.

The other disciples of the Great Sword Sect gathered around here.

And Chen Feng's mansion was a piece of cake!

It's self-evident what happened here during this time.

Zhong Liyaoqin's complexion was indifferent, and his eyes only lightly swept everyone's eyes.

Suddenly, an invisible coercion came from everyone's heart.

Obviously, she was going to stand up for Chen Feng.

"Sect Master, please stop."

Chen Feng suddenly spoke and stopped Zhong Li Yaoqin.

Yue Xinlan saw Chen Feng's appearance and knew that he was planning to do it himself.

After a glance at Qin Baichuan, her face was suddenly extremely ugly.

"Chen Feng, don't be arrogant."

"This is Qin Baichuan, the proud disciple of Tianshu Sword Sect, who has just broken through the Shifang Dongtian realm.

"Did you see the sword in his hand?"

"The power of heaven is one sword, enough for him to have the second heaven of the Shifang Dongtian realm!"

Chen Feng nodded.

"I know."

Yue Xinlan was in a hurry, but Zhong Li Yaoqin stopped him when she wanted to say something.

Zhong Li Yaoqin seemed to see something.

She looked at Chen Feng.

"Do whatever you want."

Chen Feng clasped his fists to respond, and suddenly rose from the sky and rushed towards Qin Baichuan.

The Lord of Heaven gave him half an hour to silence.

However, he can't wait!

boom!

Between the world, the color suddenly changed!

A thunder blasted and fell on the ground nearby, striking a string of sparks.

Except for Zhong Li Yaoqin's accident, everyone's eyes widened and their mouths widened.

When they looked at Chen Feng, they instantly burst out the breath of the second cave heaven in the Tefang Cave Heaven Realm!

At this moment, Qin Baichuan suddenly felt an extremely dangerous premonition!

Chen Feng is far stronger than he thought!

"not good!"

His complexion changed suddenly in his heart.

The power of heaven in his hand returned to a sword and was immediately sacrificed.

Fully run the peak cultivation base!

At this time, the wind was screaming, and Chen Feng had already appeared in front of him.

In his hand, a broken knife.

It looks simple, even a little shabby.

However, it was this broken knife that burst out with dazzling light at this time.

Go straight to the sky!

Everyone can see it for thousands of miles!

"This is impossible!"

Qin Baichuan yelled out loud, madly urging Tian Quan to return to one sword.

I just want to stop Ling Tian with a knife!

In the distance, Qin Baichuan's master Zhuang Wuchen saw the dazzling white light from a distance.

Suddenly his complexion changed drastically.

"not good!"

Without saying anything, he rushed to the Heavenly Power Sword Sect instantly.

"Who dares to kill my apprentice!"

A violent shout instantly spread to where Chen Feng and others were.

"Master!"

Qin Baichuan's eyes flashed brightly.

Suddenly, a strong fighting spirit aroused in his heart.

"kill!"

The golden Tianquan returned to Yijian and swiftly moved towards Chen Feng.

[Chapter 5428: Tianshu Jianzong has risen since then!](#)

With Zhuang Wuchen's asylum, Qin Baichuan was determined.

The original flustered thoughts suddenly recovered his composure.

At the time of the war, I was taboo and confused!

At this moment, he reunited his mind, and the breath that burst out was visible to the naked eye!

In an instant, the wind was surging.

The cold wind started to whizz!

Two extremely powerful coercion continued to spread.

It's like a huge wave, and the speed is amazing!

The disciples who were onlookers in the distance immediately changed their colors and withdrew violently.

However, there were still some who didn't react fast enough. Under this fierce pressure, they almost fell down one by one.

Changhong goes through the sun!

The golden light and the white light collided head-on.

boom!

For a moment, the fighting void was torn out a crack.

Wow----

A thunder fell!

The minds of everyone in the distance were shocked.

Chen Feng's complexion was more solemn.

He can feel Qin Baichuan's changes best.

However, this does not change anything!

The Lord of Heaven only gave him half an hour!

For him, for his friends on the top of the sky, Qin Baichuan must die!

So, the next moment, he squeezed his hand to break the handle of the knife.

The breath broke out!

No more reservations!

"It's the Heavenly King Lao Tzu who is here, today, no one can stop me from killing you!"

Roar!

A violent roar sounded in the ears of all the disciples onlookers.

That roar sounded like thousands of warriors on the battlefield!

Murderous!

The fighting spirit broke through the sky!

Just hearing this huge roar, they couldn't help shaking.

He doesn't even have the strength to escape!

"what happened?"

"Chen Feng won't have any hole cards!"

Just when they were uncertain, a disciple cried out with sharp eyes.

"Look at it!"

The five major sword sects of the Galaxy Sword Sect had already attracted many disciples at this time.

They followed the prestige and suddenly changed their colors!

I saw Chen Feng holding a broken knife handle, and the entire body burst out with the ultimate white light.

However, above his broken knife, there was a ray of sword soul!

All the shocking roars came from this ray of sword soul!

Chen Feng furiously stared at Qin Baichuan.

He raised the broken knife high, his muscles violent, exhausted all his cultivation skills, and strenuously swung it out.

Too much to kill God!

"Lazi dare!"

In the distance, Zhuang Wuchen's roar came again.

No one can hear that Zhuang Wuchen at this time has the slightest appearance of the Supreme Elder of the Sword Sect of Heavenly Power!

He was thunderous and furious!

boom!

A coercion that ruined the world came from the direction of the roar.

It was a translucent giant hand!

"Oh my god... in my lifetime, I can see the elder Taishang act on a disciple!"

Some disciples who were not the disciples of the Heavenly Power Sword Sect had already stared at them at this moment.

They had come to see Chen Feng's joke.

Who could have imagined that the situation will gradually change to the present situation!

However, they did not expect it!

Facing the giant hand that quickly covered it, Chen Feng didn't even look at it.

He always stared at Qin Baichuan firmly, swiping several times in succession.

The soul of the sword roared and burst out with supreme light, and rushed away with that shocking one.

"no no!"

Qin Baichuan was completely defeated at this moment!

The moment the Soul of the Sword appeared, he collapsed.

Chen Feng is determined to kill him!

And the reason, he seemed to know a little in his heart.

Just when he thought that Chen Feng would be distracted to fight the huge bare hand behind him.

Who would have thought that the other party was determined to just want to kill!

It doesn't even give any room for negotiation!

boom!

There was a loud noise.

In the center of the war, a strong wave of air surged and quickly scattered around.

It's like making the final announcement.

This battle is over!

Everyone looked at the direction where Chen Feng and Chen Feng were.

The Soul of the Blade disappeared.

Chen Feng was still standing on the spot, still holding the terrifying broken knife in his hand.

Qiang Qiang!

Tianquan returned to one sword, broke in half, and fell to the ground.

There was a crisp sound.

However, Qin Baichuan, who holds the sword of Tianquan Return, has hollow eyes, and his face is still terrified.

His body slowly separated left and right...

Blood spurted out frantically.

Qin Baichuan fell to the ground!

Still no interest!

No matter how much he wants to tell the secret of Chen Feng and the top of the sky, there will be no chance again!

The entire floating mountain was suddenly silent.

Everyone's eyes widened and looked at each other.

They all saw the same expression on each other's faces.

Shocked!

Frightened!

They couldn't figure it out.

However, after a period of retreat, Chen Feng was even hit by Dayan's cage technique.

Why not only was he unscathed, but suddenly he had such a terrifying cultivation base!

Ordinary people may not be able to make breakthroughs for decades or even hundreds of years.

But why is it as easy as breathing on Chen Feng?

"Chen Feng!"

A roar from the sky suddenly came from a distance.

From far to near.

Everyone immediately recovered and turned their heads to look.

"It's Elder Zhuang!"

"Elder Zhuang Wuchen actually came in person."

"Chen Feng will never fight the Supreme Elder, right?"

Just as everyone was talking, a light and shadow arrived instantly.

Zhuang Wuchen arrived at the fastest speed!

But what he saw was Qin Baichuan's body!

Everything is powerless!

He was almost frantic.

The slightly vicissitudes of face were filled with sorrow.

Qin Baichuan is his most proud disciple!

In order to help him successfully break through the Shifang Dongtian realm, Zhuang Wuchen even used a lot of resources.

Even one of the treasures of the Heavenly Power Sword Sect was given to him.

But this Chen Feng again!

As soon as he appeared, he did not hesitate to kill him!

He almost stunned his head with anger, actually waved a palm and patted Chen Feng directly.

Everyone suddenly exclaimed.

This palm has the cultivation base of the fourth cave of the ten-square cave realm!

At this moment, the Immortal Mo Rin in the spiritual world was almost about to possess himself and take the blow for Chen Feng.

Who knows, Chen Feng stood still, standing still!

His eyes were calm and calm.

Sure enough, in the next instant, another terrifying aura easily stopped him.

Just as the bare hand was solved earlier.

"Zhong Li Yaoqin!"

Zhuang Wuchen finally saw Zhongli Yaoqin standing aside and stared straight at him.

In contrast, Zhongli Yaoqin is much more plain.

She is wrapped in a red dress, standing in the same place is like a legacy of independence and can't afford anything.

Under the cold eyes, it was full of coldness!

"Zhuang Wuchen, come to my Tianshu Sword Sect and kill my disciple of Tianshu Sword Sect."

"Does your Heavenly Power Sword Sect stretch out too long?"

Zhong Li Yaoqin's voice is not too big or small.

Her tone was not unimportant, as if she was talking casually.

However, everyone present heard her clearly.

It was really shocking.

The Sect Master of Tianshu Sword Sect seems to have completely recovered!

[Chapter 5429: Gutianke here again! Approaching the third cave sky!](#)

Zhuang Wuchen was hateful.

At this moment, he just wanted to kill Chen Feng and then quickly.

However, Zhong Li Yaoqin's hand was splashed down like a basin of cold water.

Immediately let him calm down.

Zhongli Yaoqin is here.

The Sect Master of Tianshu Sword Sect is here!

Moreover, looking at her appearance, it seems that her cultivation has completely recovered.

This made Zhuang Wuchen extremely jealous.

If you say that those juniors present have never seen the original glory of Tianshu Sword Sect.

As the Supreme Elder of the Galaxy Sword Sect, he has spent countless years with the Galaxy Sword Sect, and he has naturally seen it.

The former Tianshu Sword Sect is much more brilliant than today's Tianquan Sword Sect!

"Could it be that Tianshu Sword Sect is going to rise again?"

As soon as this thought appeared, Zhuang Wuchen immediately broke into a cold sweat and frightened.

However, when he saw the red on the ground again, he gritted his teeth with hatred.

The proud disciple, just died like that!

How can he swallow this breath!

Regardless of the rise of Tianshu Jianzong, this Chen Feng must be removed!

Since he entered the Galaxy Sword Sect, the entire Sword Sect has never stopped.

News about him keeps coming into my ears.

Kill this today, kill that tomorrow.

At the Shattered Jade Conference not long ago, he even killed the Six Great Young Masters!

And their Heavenly Power Sword Sect suffered even more.

Thinking of this, Zhuang Wuchen snorted coldly, glaring at Zhong Li Yaoqin.

"Sect Master Zhongli, disciples of the same class must not be mutually ill-fated. You will not forget this rule?"

"As a sect master, not only does not stop the disciples from killing each other, but even helps!"

"Aren't you afraid that I will go to the master to take a copy of you!"

Even the suzerain will be punished if he violates the door rules.

If you don't follow it, the sect master will do it himself!

Unexpectedly, before the voice was over, Zhong Li Yaoqin's gaze shot suddenly.

In the air, there was even a crackling sound.

This is her anger!

Zhuang Wuchen's heart immediately tightened, and his whole body was full of guard.

However, Zhong Li Yaoqin did not do anything.

She only sneered heavily.

"Since I want to talk about the door rules, then I will talk to you about the door rules."

"The Galaxy Sword Sect stipulates that disciples of the outer sect are not allowed to enter the territory of other sword sects at will."

"Once you enter, it will be handled by the Sword Sect Sect Master at his discretion."

Zhongli Yaoqin's beautiful eyes were cold, staring at Zhuang Wuchen.

Her tone became more and more grim.

"I'm going to ask you, if other disciples are not sensible."

"As the elder too, you are so impassive!"

"And now, you still want to use the door rules to blame me?"

Having said that, Zhong Li Yaoqin reached out to Chen Feng's mansion.

"If I don't come back, I don't know that your disciples of the Sword Sect of Heavenly Power are so capable!"

"Don't tell me, he has no intention of killing Chen Feng!"

Zhong Li Yaoqin's questioning is sonorous and powerful!

The momentum is skyrocketing!

After a series of words came down, Zhuang Wuchen was speechless and retreated again and again.

His face turned red and white.

In the end, it turned out to be very angry.

"Sect Master Zhongli, please be proud of it."

"No matter how proud, your proud disciple will live soon!"

Zhuang Wuchen said, looking at Chen Feng fiercely.

"I might as well tell you now."

"Qin Baichuan is not only the proud disciple of my Heavenly Power Sword Sect, he is also the eldest son of the top family in the Eastern Desolation!"

"Even if the Galaxy Sword Sect can't do anything with you, the Qin Family will never let you go!"

Speaking of this, Zhuang Wuchen sneered at Zhong Li Yaoqin again.

"Come on, let's send a message to the Qin family."

"Just say that the disciple of Tianshu Jianzong, Chen Feng, killed Qin Baichuan with a single knife."

Hearing the truth, all the disciples around took a breath.

This personal grievance has developed into a grievance between the two sword sects!

In response, Zhong Li Yaoqin's voice was extremely cold.

"As the Supreme Elder of the Galaxy Sword Sect, he actually wants outsiders to kill the children in the Sect."

"I'm good at it!"

These words slapped Zhuang Wuchen's face like a slap.

This makes his face hot.

But, other than that, he is really out of luck right now!

The changes in Chen Feng's strength are obvious to all.

Too bad!

Looking at the entire Galaxy Sword Sect, it is absolutely impossible to find a second such person.

How long did he join the Galaxy Sword Sect?

In a blink of an eye, he grew up from a kid who had just entered the Star Soul Martial God Realm to today!

The ten true disciples of the Galaxy Sword Sect confronted him, but they were helpless!

At this moment, the disciples who were watching from afar were also agitated.

Among them, there are some disciples who are purely watching the excitement, and their faces are clearly hesitant.

They talked softly with each other, actually wanting to transfer to Tianshu Sword Sect!

After this battle, Chen Feng will surely become famous again.

This is the greatest humiliation to Heavenly Sword Sect!

With his feet on the void, Chen Feng seemed to hear some sounds.

His hand interrupted the knife and the cold light flashed.

The next moment, a powerful voice sounded abruptly.

"Today, whoever has grievances with me, might as well come out to fight with integrity!"

As soon as this remark came out, the noise came to an abrupt end again.

The surroundings suddenly fell silent.

Whether it is Tianquan Sword Sect or Tianji Sword Sect, or a disciple of the other two sword sects.

No one dares to challenge!

Chen Feng is terrible!

Even Qin Baichuan, who was comparable in strength to the second hole of the Tenfang Cave, was easily cut in half by him.

Everyone present, who dare to claim to be better than Qin Baichuan?

"I'm afraid that only a few other Ten True Inheritance disciples can fight one of them."

Someone said so privately.

As if confirming this person's words, the next moment, a deep voice sounded from a distance.

"I'll kill you!"

Upon hearing this, the audience was in an uproar!

Everyone turned their heads together and looked at the speaker in the distance.

Then, they all got excited.

The visitor was wearing a purple robe.

There is an exquisite bright galaxy on the thorn.

This is the costume exclusively for the Ten True Disciples!

"Gu Tianke!"

"Brother Gu Tianke is here!"

"I still remember that not long ago, Chen Feng knelt in embarrassment in front of Senior Brother Gu Tianke!"

At that time, he even talked.

Give him three years to kill Gu Tianke like a chicken!

Gu Tianke looked slightly darkened with sword eyebrows and stars.

He came with armrests, although he had never acted, but he gave people a very domineering shock.

As far as they could see, all the disciples suddenly felt hard to move.

In my heart, an indescribable fear rose inexplicably!

Hum!

The incomparably surging and powerful coercion rushed to Chen Feng like mountains and seas.

Actually intending to come up and give one off.

"Shifang Dongtian realm second cave heaven peak!"

"Brother Gu Tianke is already close to the third cave sky!"

Someone cried out in exclamation.

Chen Feng's expression suddenly became gloomy.

[Chapter 5430: Gu Tianke, you lost!](#)

Gutianke!

He did not forget this arrogant face!

In the face of Haoran's coercion, Chen Feng's eyes were as calm as dead trees, without any shock.

The more hate he felt, the more calm he seemed.

The humiliation of the past is vivid.

boom!

The ground hundreds of meters around Chen Feng burst open!

The momentum was amazing, and there was turbulence on the floating mountain!

If it weren't for Zhong Li Yaoqin to wave his hand to control the range of pressure, otherwise the entire land would collapse.

This is a real deal, the peak power of the second cave of the Shifang Dongtian realm!

However, Gu Tianke's face gradually became ugly.

I saw Chen Feng standing in place, motionless like a mountain!

He didn't even frown his brow.

As if his heyday coercion was not worth mentioning.

This kind of silent face slap made his face slightly hot.

Sure enough, among the disciples onlookers, someone soon noticed Chen Feng's reaction.

They immediately stared, their faces full of disbelief.

"Oh my God!"

"Chen Feng's strength is too advanced and too bad!"

For a time, many disciples talked a lot.

There are even some disciples who have begun to speculate whether Chen Feng has gained a great opportunity in Tianshu Sword Sect.

After all, there has been some wind in recent days.

The Tianshu Sword Sect, which has been declining for a long time, seems to be rising.

However, these voices were soon covered by another burst of noise.

Above the sky, some disciples appeared behind Gu Tianke.

Each of them is like Coutian Ke.

Exquisite costumes are embroidered with bright galaxies.

"It's Senior Sister Qiu Luolan!"

"Senior Brother Xue Jingchen is here!"

"Chen Feng is really amazing! He can actually let half of dozens of authentic disciples come and watch!"

Everyone exclaimed.

Chen Feng also looked at the four people who followed Gu Tianke.

Old faces such as Ji Lingxiao and Qiu Luolan were also among them.

In addition, there is a strange face, presumably Xue Jingchen.

After noticing Chen Feng's gaze, Ji Lingxiao and the others' expressions became solemn.

"what happened?"

"How long has it passed, why has his strength soared to such an extent?"

Qiu Luolan and the others were surprised, and all of them didn't look very good.

Different from other disciples, none of them, these top true disciples, didn't make a breakthrough through asceticism for decades.

If it weren't for Chen Feng to face Gu Tianke, otherwise they would suspect that the two were making a show.

Among them, Xue Jingchen is the most guilty.

A sense of crisis arose in him.

So far, no one knows that he had borrowed Luo Miaoyin's hand to almost cheat Chen Feng.

If this matter is exposed, with Chen Feng's character, he will definitely report it!

"Chen Feng, your growth really surprised me."

"But today, you will still kneel before me like before!"

Gu Tianke sneered and smiled.

But in fact, he was full of vigilance and jealousy.

At the beginning, he and Qiu Luolan saw Chen Feng's potential astonishing.

But I still didn't expect it to be so terrifying!

If you give him some more time, I'm afraid...

Gu Tianke didn't dare to think anymore!

"This son, we must get rid of it soon!"

A faintly cold light flashed in his eyes.

The next moment, everyone nearby avoided.

The war is about to start!

The two drank violently at the same time, rushing towards each other quickly.

A violent hurricane rose out of thin air, and dark clouds began to surging between heaven and earth.

The aura of heaven and earth in the air, madly spinning between the two, forming a whirlpool.

However, at this moment, anomalies suddenly occurred!

An extremely cold, insidious and poisonous aura suddenly burst out of Gu Tianke's body.

In an instant, Chen Feng's face changed suddenly!

Without saying a word, he waved the broken knife in his hand and slammed a knife.

Then, retreat violently!

Although I don't know what secret method Gu Tianke used.

But at this moment, the breath he burst out was definitely not his own strength.

That was already the murderous aura that broke through the third cave of the Shifang Dongtian realm!

Zhong Li Yaoqin, who was on the sidelines, suddenly turned his face at this moment.

"Gu Tianke, you are so bold!"

"Dare to use the insidious prohibition technique!"

The suzerain is angry, and the deterrence is naturally different!

The surging dark clouds were as black as ink.

Click — —

Accompanied by a thunderbolt, the terrifying coercion instantly fell like a mountain and a thousand ridges!

I saw Zhongli Yaoqin's jade hand and his beautiful eyes were as sharp as ice!

However, at the moment when that palm slapped Gu Tianke, another light came on.

The next moment, Zhuang Wuchen sneered.

"Zhongli Sect Master, the disciples are talking about each other."

"Your disciple will take action when he is downwind. I am afraid this is not appropriate!"

Before he finished his words, he actually waved a palm and patted Zhongli Yaoqin's palm.

Zhuang Wuchen's cultivation is not as good as Zhongli Yaoqin.

But the reason why he did this was to delay Gu Tianke for a moment!

As soon as Gu Tianke started his hands, he understood the intention.

It just so happened that they coincided with each other!

Chen Feng must die!

With his perfect palm, Gu Tianke was determined.

He attacked with all his strength, crushing a piece of jade charm.

The cold to poisonous breath rose to the sky!

Then, madly pressed towards Chen Feng.

Everyone exclaimed.

There is full of the breath of the third hole of the Ten-square Cave Sky Realm, Chen Feng absolutely can't bear it!

Even Zhong Li Yaoqin's expression changed at this moment.

"you dare!"

She shot one after another, but it was still a step too late.

boom!

Only a loud noise was heard.

The aftermath formed a billowing air wave, which quickly recoiled towards the surroundings.

There was a crazy grin on Gu Tianke's face.

However, the dust and smoke dispersed.

The smile on his face gradually stagnated.

The entire audience's faces, whether they were smiling or angry, froze on their faces.

Boom!

A heavy, long-distance loud noise kept rippling away from where Chen Feng was.

Chen Feng, safe and sound!

In front of him, stood a huge furnace!

Amazingly, it is the great Xiu Luohong furnace!

Everyone took a breath.

"what is this!"

Whether it is an ordinary disciple, an elder, or even Zhong Li Yaoqin.

When I saw the Great Asura Hong Lu, they were all deeply attracted to the past.

Everyone can tell that this is a top-notch magic weapon!

Although it looks simple and unpretentious, the breath released by the whole body is completely different from other magical artifacts!

In front of it, the power of heaven that had just been broken into a sword, it was like scrap iron!

For a time, many people's eyes were red.

However, in the next instant, Chen Feng turned his hand and put away the large repair Luo Hong furnace.

His face was extremely gloomy.

"Gu Tianke, you are defeated!"

Just six words, but like a slap, slapped Gu Tianke's face fiercely.

Yes.

When Chen Feng was safe and sound, he was completely defeated!

Using disgraceful means, even with the help of the Supreme Elder, Chen Feng still couldn't hurt Chen Feng.
